Course Description:

A survey is undertaken of a wide range of materials and issues related to the background of the Old and New Testaments, including: archaeology, historical geography, religion, manners and customs, economics, social concerns, and the literature of the ancient Near East and the Greco-Roman world. The course is designed to help students bridge the temporal and cultural gaps between contemporary society and the historical eras of the Bible.

Seminary Mission Statement:

The mission of New Orleans Baptist Theological Seminary is to equip leaders to fulfill The Great Commission and The Great Commandments through the local church and its ministries.

Seminary Core Values:

1. New Orleans Baptist Theological Seminary has five core values: Doctrinal Integrity, Spiritual Vitality, Mission Focus, Characteristic Excellence, and Servant Leadership. These values shape both the context and manner in which all curricula are taught, with “doctrinal integrity” and “academic excellence” especially highlighted in this course.
2. NOBTS also has seven basic competencies that guide our Masters degree programs: Biblical Exposition, Christian Theological Heritage, Disciple Making, Interpersonal Skills, Servant Leadership, Spiritual & Character Formation, and Worship Leadership. This course addresses the “Biblical Exposition” competency especially by helping the student learn to interpret the Bible accurately.

Goals & Objectives:

1. The student will recognize the physical elements of the land of Israel and the ancient Near East -- the geography, topography, geology, climate, etc. -- via slide, book and map study.
2. The student will read excerpts from the Old and New Testaments with an archaeological and geographical perspective.
3. The student will examine materials related to cultural and religious practices among the ancient Israelites and other ethnic cultures of the Ancient Near East.
4. The student will probe the interrelationship between geography, politics, economics, cultural mores, and religion in the development of the nation of Israel.
5. The student will become conversant in the historical, geographical, and cultural materials of the Old and New Testaments.

RESEARCH PAPER Due Date: Post marked by Dec 11th 2009.

***NOTE: If you are graduating in Dec 19th, I need to receive your paper by Dec 7th, 2009

Research Paper - Can be posted on Blackboard under the “**Digital Dropbox**” section or emailed to my seminary address or me directly. Topic for ones paper can include one of the following:

- 1) Historical geography of a major region in Israel (i.e. Hill Country, Negev, Shephelah, Coastal Plain, etc) or site/city.

Research for a region should include:

- ❑ Geological make-up of the region
- ❑ The region's historical significance (its main function within Israel proper)
- ❑ All major roads (both local and international)
- ❑ Key cities (their main importance)
- ❑ Bodies of water
- ❑ Map of the region, locating key cities, roads etc. would be fine (but not a part of the page requirement)

Research for a site/city: which should include the history and the identification of a biblical site (where the site/city is located does not matter Israel, Mesopotamia, Egypt etc.), its history, why it is located where it is, function in history, who controlled it, role it played in the development of the country it is in etc.

2) Topical – a topic relevant to this course; see Blackboard for list of suggested topics. Make sure to get to the point, argue & present the significant elements of your research, have good interaction with sources (note original first hand sources are the best, i.e. ancient texts, documents, eye witnesses' accounts etc).

Format - Length 12-18 pages, double spaced, standard 12 pt font (e.g. Times New Roman). The paper should follow Turabian (7th ed.), optional APA, MLA. See <http://homepage.mac.com/glstevens> for an example on how to format a Turabian paper. The file is under the Hermeneutics course section and titled "NOBTSPapers.pdf"

Grading - Form & style and Spelling & grammar = 5%;

- Research & bibliography = 10% - use first hand sources when possible textbooks are secondary, by a good bibliography one is showing me that you did your homework!
- Content = 85% - the argument, the key issues, relevant data etc.

NOTE: 75% of Bibliography should consist of sources from scholarly journals (1 ½ source per typed page is the acceptable norm). See Handout: Suggested Paper Topics and Biblical Studies Journals for help!

Class ProcedureRead Carefully**:**

Note materials for the class are located in 2 Folders on Blackboard: 1) Course Documents & 2) Lectures. The Lectures contain both Power Point (which usually consists of: the lecture followed by slides emphasizing the lecture & related geography) and Videos (usually a summary of the lectures) to give you the necessary information one needs for the course. Notes and Lectures should be labeled the same if there are any problems please e-mail me or call ASAP. There are 4 Sections or Units to work through; each lecture is supplemented with outside reading from class texts as noted in Course Schedule, make sure to read them (best before viewing the Lectures) for they will be needful for exams. Fall Semester Bible Reading Plan September 1, 2009 – December 19, 2009

The Seminary Family is committing to read the Bible through this year. Each course is including a plan for that part of the year covered by the particular course. The reading is not a part of the academic requirement for the course, but it is a suggestion for all of us to participate in the Bible reading. This form is being provided for you to follow so your reading will be connected to the reading of the rest of the Seminary family.
