## Course Requirements

1. **Attend class.** The course is divided into 8 one-week units. Each week's unit will have a variety of in-class content items, typically consisting of a video lecture and a slide show. Class attendance is based on a self-reported percentage of content completed. **The student will provide a written statement of the percentage of completion of all in-class content items, due four weeks after completing the last week of class.**
2. **Participate in class discussion.** Participation is determined by postings and responses in the Threaded Discussions held each week. These discussions will be related to the material covered in each week's content. **All students are required to post a minimum of three responses in the discussion each week: one in answer to the presenting questions, and two in response to classmates' postings.** In order for the threaded discussion to be of maximum benefit to everyone involved it is recommended that you stay as close to the course schedule as possible—so that everyone will participate in the discussion in the same week. **Late postings will be penalized one point for each day late.** Please limit discussions in this venue to the assigned topic. Students may email or use the miscellaneous forum to discuss other topics with your classmates. Graduate students are also required to post at least one posting per week in a graduate only discussion of the Ranier book.
3. **Read assigned textbooks and other reading assignments.** Reading assignments will include readings from the textbooks, Scripture, and other sources. The student will provide a written statement of completion of all reading assignments, due four weeks after completing the last week of class.
