The purpose of the project was to . . . [double space the text and left justification]

1. Provide a succinct, descriptive account of your work indicating your purpose, project model, and results.
2. Be brief; an abstract longer than 100 words cannot be printed.
3. Include pertinent place names, names of persons (in full), and other proper nouns. These are useful in automated retrieval.
4. Write in complete sentences, preferably in third person, active voice.
5. Refer to the UMI booklet *Publishing Your Dissertation: How to Prepare Your Manuscript for Publication* for more details.
