

You have reached this page because you are trying to register for classes. Please remember you can register directly through Self-Serve. To streamline the registration process, we will no longer be using the Google form on the Ministry Wives website for registration. **If you have already been registering through Self-Serve, you can just continue to do so.**

Set-up Self-Serve: You will need to make sure you have a Self-Serve account in order to register for your courses, make payments, and see your final grades. You can click this link to [setup your Self-Serve account](#). To gain access to Self-Serve, go to the online portal and click on “Request Account” and fill in the blanks. You will need to provide your First and Last Name, your Birthdate, and your System ID which is your Student ID Number.

The link below is a how-to video on Self-Serve registration, so please view the video to learn more about registering for your classes through Self-Serve.

**Please note: To register on Self-Serve, you will need the course numbers.** When you get to Section Search, you can *enter the course code and the term Spring 2019*, then search. Here are the course numbers for the courses offered Spring 2019:
