

Southern Baptist Research Fellowship Awards

NOBTS PhD students again were recognized as outstanding researchers by the Southern Baptist Research Fellowship at their September 2015 meeting.

For his dissertation, “An Analysis of Selected Church Health and Church Context Characteristics among Growing, Plateaued, and Declining Churches in the Arkansas Baptist State Convention,” David Bond was named runner-up Researcher of the Year. Drs. Randy Stone, Donna Peavey, and Jake Roudkovski constituted David’s dissertation committee.

Ai Kyung Ra received third place for her dissertation, “An Investigation of the Relationship between Children’s Ministry Volunteer Satisfaction and the Leadership Styles of Pastors Serving in Korean Southern Baptist Churches in the United States,” guided by Drs. Donna Peavey, Allen Jackson, and Bill Day.

Congratulations, Christian education graduates and faculty!

Research Proposals Due by November 2

Students registering for the January 4-8, 2016 Prospectus Development course must submit 4 copies of the research proposal to the guidance committee chair by Nov. 2. Chairs will enlist two additional division faculty to read the proposal and give feedback, and the committee has until Dec. 18 to work with students on revisions and forward 2 copies of the approved proposal and a [report form](#) to the ReDOC office.

Registration for Spring Scheduled for Nov. 2-16

Online registration for January and spring 2015 is scheduled to open on Monday, November 2 at 8:00 a.m. CST and close at 4:00 p.m. CST on Monday, November 16. Students beginning the PhD program in January will receive paper registration forms with their acceptance letters.

Students who are not taking a course do not need to register online. If you are on program proficiency, dissertation writing, or ReDOC-approved inactive status, the ReDOC office will work with the Registrar’s office to register you under your advisor or guidance committee chair.

Keep in mind that PhD is a continuous enrollment program, so students who have not completed seminars and colloquia must register for a class or be placed on program proficiency status, which is assessed the tuition cap.

If you are submitting a research proposal to your guidance committee chair by the November 2 deadline, you should register for the January 4-8 RDOC9303 Prospectus Development course. If your committee does not approve your proposal by the December 18 deadline, you will be dropped from the course at no charge.

Students who register online should be able to see their spring registration immediately on their SelfServe unofficial transcripts. Students registered by the ReDOC office should be able to verify their registrations via SelfServe the week after registration closes.

If you have a STOP on your account, work now with the office that placed it so you will be cleared to register.
