The prospectus committee is chosen by the faculty supervisor and consists of one or two faculty readers either in the division or who have expertise in an appropriate area of research pertaining to the dissertation topic. Once the student’s prospectus is deemed acceptable to the supervisor and the prospectus committee, these faculty members will submit this Prospectus Approval Form to the ReDoc Office via email to phd@nobts.edu.

Please submit the completed Prospectus Evaluation Forms from the supervisor and each reader along with this final Prospectus Approval Form once any appropriate corrections have been made.
