Overall Evaluation

Content:

- High:** Excellent in all or most areas.
- Satisfactory:** Competent work, good quality, though falling short of excellence.
- Fail:** Substance is inadequate.

Form/Style

- Pass:** Errors are of a minor nature, not unduly numerous, and overall do not detract seriously from the Final Project Report.
- Fail:** Errors are more serious in nature and detract seriously from the Final Project Proposal.

Final Grade

- High:** Excellent in all or most areas
- Satisfactory:** Competent work, good quality, though falling short of excellence.
- Low:** Acceptable work, but below average quality and less than the student's best.
- Fail:** Substance is inadequate; student will be asked to meet with ProDoc to determine a plan for completion of the degree program.

NOTE: The ProDoc may require changes (stylistic or content) to be made in the project report before it is placed in the library.
