A Welcome from the President

Welcome to New Orleans Baptist Theological Seminary and Leavell College! My prayer for you as you study here is that God would create in you a passion to serve. Following the example Jesus set as he washed the feet of the disciples, let us be men and women who take up the towel and basin to serve others. I am praying for you as you study and serve the kingdom during your time at NOBTS.

One of the real gifts of your time at NOBTS will be the friendships you develop with your fellow students, faculty, and staff. I encourage you to be diligent in your studies, but take time to invest in friendships that will last a lifetime. Those friends will be a support and encouragement to you throughout your life and ministry.

You are answering God's call to serve Him wherever He may lead. I pray that your time at NOBTS and Leavell College enriches you and strengthens you for the task ahead.

INTRODUCTION

Historical Sketch

Founded for Mission

Established in 1917, New Orleans Baptist Theological Seminary was actually the fulfillment of a century-old dream of Baptists to reach the city of New Orleans (then one of the largest cities in America, with a well-deserved reputation as a “sin city”) and to establish a missionary training school at the gateway to Latin America. NOBTS was voted into being by the Southern Baptist Convention in 1917 as messengers met in New Orleans for their annual meeting. New Orleans Seminary was the first theological institution to be created by direct action of the Southern Baptist Convention. Originally named Baptist Bible Institute, the name was changed to New Orleans Baptist Theological Seminary in 1946.

Growth and Expansion

Following unanimous SBC approval in 1917, the Institute opened its first session in October 1918 under the leadership of Byron H. DeMent, who served as president of the Baptist Bible Institute from 1917 to 1928.

Others who have served as president of the school are William H. Hamilton Sr. (1928-42); Duke K. McCall (1943-46); Roland Q. Leavell (1946-58); H. Leo Eddleman (1959-70); Grady C. Cothen (1970-74); and Landrum P. Leavell II, nephew of Roland Leavell (1974-95); and Charles S. “Chuck” Kelley Jr. (1996-2019).

On June 5, 2019, the NOBTS trustees unanimously elected James K. “Jamie” Dew Jr. to serve as the school’s ninth president. Dew brings a wealth of academic, administrative, and ministerial experience to the task. He holds two Ph.D. degrees, one from Southeastern Baptist Theological Seminary and another from the University of Birmingham (UK). Dew most recently served as vice president of undergraduate studies and distance learning at Southeastern Seminary.

From its beginning until 1953, the school was located at 1220 Washington Avenue, in the heart of the Garden District of residential New Orleans. During the presidency of Roland Q. Leavell, the current campus at 3939 Gentilly Boulevard was purchased in 1947. The landmark entrance gates and fence from the Garden District mansion now are located on the front block of the Gentilly campus. The current property, once a 75-acre pecan orchard, has been transformed into a beautiful campus with 12 additional acres and more than 70 buildings.

New Orleans Seminary is accredited to offer degrees on both the undergraduate and graduate levels: associate, baccalaureate, master’s, and doctoral. The Seminary is committed to making quality theological education as accessible and affordable as possible to as many as possible. NOBTS currently serves more than 3,600 students. More than 20,000 men and women have studied and prepared themselves for ministry at NOBTS. In 2017 and 2018, the seminary celebrated its 100th year of ministry in New Orleans.

A Vision for the Future

The future is bright at New Orleans Seminary and the school remains committed to the task of training men and women for Gospel ministry in this most unique setting. In addition to a continued focus on graduate programs, NOBTS leaders plan to expand and enhance the work of Leavell College. Dr. Dew also brings a new emphasis on raising up a generation of Gospel ministers marked by servanthood and total devotion to Christ and His kingdom. Servanthood and the basin and towel will characterize the NOBTS community as they proclaim the Gospel and grow in spiritual fervor.
INTRODUCTION

The Leavell Brothers

Years before Leavell College existed, a group of men turned their hearts to God and were used mightily to change their world. This group was made up of eight brothers, the Leavell brothers. The Leavells were raised by godly parents who surrounded their children by prayer. God found willing hearts in these men who surrendered themselves for service. They were willing to do whatever God had called them to do, even if it had never been done before. Desiring not to be just followers, they became pioneers.

- Frank, one of the brothers, became a pioneer in student ministries work, eventually serving as the Baptist Student Union leader at the Baptist Sunday School Board (now LifeWay).
- Another brother, Landrum P., was the first director of the Baptist Young People’s Union, which eventually became the discipleship ministry of the local church.
- Roland Q. served as the evangelism director for the Home Mission Board (now North American Mission Board) and later became president of New Orleans Baptist Theological Seminary from 1946-1958.
- Two brothers, George Walne and Ullin Whitney, served as missionaries in China.
- Leonard O. was a pastor in the Southeast and was the father of New Orleans Baptist Theological Seminary’s seventh president, Landrum P. Leavell, who served from 1975-1994, plus an additional year as interim president.
- James Berry was an evangelist and pastor who served churches across the Southeast.
- Clarence Stanley served on the Arkansas state mission board.
- Arnaud Bruce was a dedicated dentist in Hollywood, CA. The Leavells made a great impact on their generation. Our prayer is that the graduates of Leavell College will have a similar impact in the Kingdom of God.

Leavell College History

Honoring the legacy left by George Washington and Corra (Berry) Leavell and their extended family, New Orleans Baptist Theological Seminary trustees voted to change the name of the institution’s College of Undergraduate Studies to Leavell College in October 2001. The new name recognizes the Leavells’ nine sons and their families, eight of whom have served in full-time vocational ministry as pastors, evangelists, missionaries, and denominational leaders throughout the Southern Baptist Convention. One of the brothers, Roland Q. Leavell, served as president of the Seminary for 12 years. Landrum P. Leavell II, nephew of Roland Leavell, served as president for over 20 years.

Roland Q. Leavell, New Orleans Baptist Theological Seminary’s fourth president, began the School of Christian Training in 1954. The program, devoted to training students who did not have a college degree, was discontinued a few years after it began. The dream for this type of school did not die.

In 1976, the Seminary re-activated the School of Christian Training (later renamed the College of Undergraduate Studies) with the purpose of offering diploma and associate degree programs. Roland Leavell’s nephew, Landrum P. Leavell II, was a driving force in re-establishing and strengthening the School of Christian Training. Leavell envisioned an accredited college that would offer Christian education to a greater number of students. In 1992, the Seminary expanded its undergraduate offerings to include a fully accredited four-year baccalaureate program.

When the school was re-established, the school had only 25 to 30 students. Now with more than 1,400 students enrolled, Leavell College offers four fully accredited bachelor of arts degrees and three associate of arts degrees, certificate-level classes for laypeople, and a diploma program for those without high school diplomas or GEDs.
The Cooperative Program of the Southern Baptist Convention

The Cooperative Program is a crucial financial lifeline that makes possible the ministry of New Orleans Baptist Theological Seminary. The Cooperative Program is a plan that channels the giving of dedicated Christians in Southern Baptist churches to provide for the ministries of the Southern Baptist Convention. Each year approximately $500 million is given through the 40,000 SBC churches to the Cooperative Program. Of that money, about $300 million is channeled through state Baptist conventions to provide support for state and associational Baptist work, Christian colleges, orphanages, hospitals, crisis intervention centers, Christian camps, collegiate ministries, and mission churches.

The remaining amount of approximately $200 million is distributed through the SBC Cooperative Program budget to the national and international ministries of the SBC. Of this amount, the International Mission Board receives 50 percent, and the North American Mission Board receives approximately 23 percent. Approximately 21 percent of the Cooperative Program budget goes to support the six SBC seminaries. New Orleans Baptist Theological Seminary receives approximately 4 percent of the Cooperative Program budget. The remaining monies (about 5 percent) are distributed to the Ethics and Religious Liberty Commission, the Annuity Board, the SBC Historical Library and Archives, the SBC Foundation, and the SBC Executive Committee.

The Cooperative Program provides almost $9 million annually, or the equivalent of the income from an endowment of over $130 million, to New Orleans Baptist Theological Seminary each year. This Cooperative Program funding provides almost half of the annual budget of New Orleans Baptist Theological Seminary. In essence, the Cooperative Program provides each full-time Southern Baptist student a scholarship of about $4,200 a year.

The Cooperative Program was designed in 1925 as an alternative to the "society method," in which each society or ministry sends a representative to local churches for a special offering. Unfortunately, in the "society method" the largest offerings go to the ministries with the most effective speakers, not necessarily to the greatest priorities and needs. Also, in the "society method" missionaries must leave their field of ministry to raise money from the churches, rather than having a steady and secure income provided through the Cooperative Program.

The Cooperative Program has proven to be the most effective means of reaching the world for Christ. Each year over 800,000 persons come to faith in Christ through the ministries of the Southern Baptist Convention.
Articles of Religious Belief
Subscribed to by the Faculty of
New Orleans Baptist Theological Seminary

Article I - Sole Authority of Scriptures.
We believe that the Bible is the Word of God in the highest and fullest sense, and is the unrivalled authority in determining the faith and practice of God’s people; that the sixty-six books of the Bible are divinely and uniquely inspired, and that they have come down to us substantially as they were under inspiration written. These Scriptures reveal all that is necessary for us to know of God’s plan of redemption and human duty. We deny the inspiration of other books, ancient or modern, and exalt the Bible to an unchallenged throne in our confidence. These Scriptures do not require the authorized interpretation of any church, or council, but are divinely intended for personal study and interpretation, under the guidance of the Holy Spirit.

Article II - One Triune God Who Is Father, Son and Holy Spirit.
We believe in one and only true and living God, the Creator and Sustainer of all things, who is infinite, eternal and unchangeable in every spiritual excellence, and who is revealed to us as Father, Son, and Holy Spirit, three in one and one in three, as the essential mode of His existence. The Father is the Head of the Trinity, into whose hands finally the Kingdom shall be given up. The Son is the promised Messiah of the Old Testament, Jesus Christ who was born of the Virgin Mary, given to reveal God, died to redeem man, rose from the dead to justify the believer, is now at the right hand of God as our Advocate and Intercessor, and at the time the Father keeps in His own power, He will return in visible, personal and bodily form for the final overthrow of sin, the triumph of His people and the judgment of the world.

The Holy Spirit is a Person who has been sent from God to convict the world of sin, of righteousness, and of judgment, to regenerate and cleanse from sin, and to teach, guide, strengthen, and perfect the believer.

Article III - Satan and Sinful Man.
We believe that man was created innocent, but that being tempted by Satan, he sinned, and thereafter all men have been born in sin, and are by nature children of wrath. The original tempter was Satan, the personal devil, who with his angels has been since carrying on his work of iniquity among the nations of the earth. The essence of sin is non-conformity to the will of God, and its end is eternal separation from God.

Article IV - Christ, God's Way of Atonement.
We believe that a way has been provided whereby men born in sin may be reconciled to God. That Way is Jesus Christ, whose death atoned for our sin, and through union with Him we become partakers of His merits, and escape the condemnation of God’s holy law. The atonement becomes personally effective through the foreordination and the grace of God, and the free choice and faith of man.

Article V - Christ, the Only Savior From Sin, Without Whom Men Are Condemned.
We believe that apart from Jesus Christ there is no salvation. He is the only and all-sufficient Savior of sinners, irrespective of natural talents, family connection, or national distinction. All men are under condemnation through personal sin, and escape from condemnation comes only to those who hear and accept the gospel. The heathen, then, are under condemnation just as well as those who hear and reject the gospel, for they are sinners by both nature and practice. The pressing and inviolable obligation rests upon every church and individual to present the gospel to all men, that to all men may come the means of eternal life. Unless we proclaim the gospel we shall suffer loss, not only in this life, but in the day when we render to God the account of our stewardship.

Article VI - Conversion Includes Repentance, Faith, Regeneration and Justification.
We believe that the Christian life begins with conversion. Conversion has several aspects, including repentance, faith, regeneration, and justification. Repentance implies a deep and sincere change of thinking, feeling, and willing toward sin and God, and faith is the surrender of the entire personality, thought, feeling, and volition to Jesus Christ as Savior and Lord. Regeneration is the act of the Holy Spirit by which the sinner is born again, and his whole being is radically changed so that the believer becomes a new creation in Christ Jesus. Justification is the judicial act of God by which the sinner is declared forgiven and freed from the condemnation of his sin, on the ground of the perfect righteousness of Christ, imputed by grace through faith. The life begun in regeneration is never lost, but by the grace and power of God, and the faith and cooperation of the believer is constantly brought nearer to that state of perfect holiness which we shall experience finally in heaven.

Article VII - Final Resurrection of All Men.
We believe in the final resurrection of all men, both the just and the unjust; and that those who here believe unto salvation shall be raised to everlasting life, while those who here disbelieve shall be raised to everlasting condemnation.

Article VIII - A New Testament Church Is a Body of Baptized Believers, Observing Ordinances of Baptism and the Lord's Supper.
We believe that a New Testament Church is a voluntary assembly, or association of baptized believers in Christ covenanted together to follow the teachings of the New Testament in doctrine, worship, and practice. We believe there are only two Church ordinances – baptism and the Lord’s Supper – and that a church, as a democratic organization, is served by only two types of officers – pastors or bishops, and deacons. We believe that saved believers are the only scriptural subjects of baptism, and that immersion, or dipping, or burial, in water, and resurrection therefrom is the only scriptural act of baptism. We believe that the Lord’s Supper is the partaking by the church of bread and wine, as a memorial of the Lord’s death,
DOCTRINAL COMMITMENTS

and our expectation of His return. The bread typifies His body; the wine typifies His blood. We deny the actual presence of His body and blood in the bread and wine.

**Article IX - Lord's Day and Christian Support of Civil Government.** We believe that the Christian Sabbath, or Lord's Day, should be observed as a day of rest and Christian service in memory of the resurrection of Christ, and as a means of Christian development and usefulness. We believe in civil government as of divine appointment, in the complete separation of church and state, and in the universal right to civil and religious liberty.

**Article X - Baptist Loyalty to Distinctive Baptist Doctrines.** We believe that Baptists stand for vital and distinctive truths, to many of which other denominations do not adhere, and that we cannot compromise these truths without disloyalty to the Scriptures and our Lord. We believe that we should cooperate with other denominations in so far as such cooperation does not affect these truths, but no union with them is possible, except on the basis of acceptance in full of the plain teachings of the Word of God.

The Baptist Faith and Message 2000

Report of the Baptist Faith and Message Study Committee

Baptists are a people of deep beliefs and cherished doctrines. Throughout our history we have been a confessional people, adopting statements of faith as a witness to our beliefs and a pledge of our faithfulness to the doctrines revealed in Holy Scripture.

Our confessions of faith are rooted in historical precedent, as the church in every age has been called upon to define and defend its beliefs. Each generation of Christians bears the responsibility of guarding the treasury of truth that has been entrusted to us [2 Timothy 1:14]. Facing a new century, Southern Baptists must meet the demands and duties of the present hour.

New challenges to faith appear in every age. A pervasive anti-supernaturalism in the culture was answered by Southern Baptists in 1925, when the Baptist Faith and Message was first adopted by this Convention. In 1963, Southern Baptists responded to assaults upon the authority and truthfulness of the Bible by adopting revisions to the Baptist Faith and Message. The Convention added an article on “The Family” in 1998, thus answering cultural confusion with the clear teachings of Scripture. Now, faced with a culture hostile to the very notion of truth, this generation of Baptists must claim anew the eternal truths of the Christian faith.

Your committee respects and celebrates the heritage of the Baptist Faith and Message, and affirms the decision of the Convention in 1925 to adopt the New Hampshire Confession of Faith, “revised at certain points and with some additional articles growing out of certain needs . . . .” We also respect the important contributions of the 1925 and 1963 editions of the Baptist Faith and Message.

With the 1963 committee, we have been guided in our work by the 1925 “statement of the historic Baptist conception of the nature and function of confessions of faith in our religious and denominational life . . . .” It is, therefore, quoted in full as a part of this report to the Convention:

(1) That they constitute a consensus of opinion of some Baptist body, large or small, for the general instruction and guidance of our own people and others concerning those articles of the Christian faith which are most surely held among us. They are not intended to add anything to the simple conditions of salvation revealed in the New Testament, viz., repentance toward God and faith in Jesus Christ as Saviour and Lord.

(2) That we do not regard them as complete statements of our faith, having any quality of finality or infallibility. As in the past so in the future, Baptists should hold themselves free to revise their statements of faith as may seem to them wise and expedient at any time.

(3) That any group of Baptists, large or small, have the inherent right to draw up for themselves and publish to the world a confession of their faith whenever they may think it advisable to do so.

(4) That the sole authority for faith and practice among Baptists is the Scriptures of the Old and New Testaments. Confessions are only guides in interpretation, having no authority over the conscience.

(5) That they are statements of religious convictions, drawn from the Scriptures, and are not to be used to hamper freedom of thought or investigation in other realms of life. Baptists cherish and defend religious liberty, and deny the right of any secular or religious authority to impose a confession of faith upon a church or body of churches. We honor the principles of soul competency and the priesthood of believers, affirming together both our liberty in Christ and our accountability to each other under the Word of God.

Baptist churches, associations, and general bodies have adopted confessions of faith as a witness to the world, and as instruments of doctrinal accountability. We are not embarrassed to state before the world that these are doctrines we hold precious and as essential to the Baptist tradition of faith and practice.

As a committee, we have been charged to address the “certain needs” of our own generation. In an age increasingly hostile to Christian truth, our challenge is to express the truth as revealed in Scripture, and to bear witness to Jesus Christ, who is “the Way, the Truth, and the Life.”

The 1963 committee rightly sought to identify and affirm “certain definite doctrines that Baptists believe, cherish, and with which they have been and are now closely identified.” Our living faith is established upon eternal truths. “Thus this generation of Southern Baptists is in historic succession of intent and purpose as it endeavors to state for its time and theological climate those articles of the Christian faith which are most surely held among us.”

It is the purpose of this statement of faith and message to set forth certain teachings which we believe.

The Baptist Faith & Message 2000

I. The Scriptures

The Holy Bible was written by men divinely inspired and is God’s revelation of Himself to man. It is a perfect treasure of divine instruction. It has God for its author, salvation for its end, and truth, without any mixture of error, for its matter. Therefore, all Scripture is totally true and trustworthy. It reveals the principles by which God judges us, and therefore is, and will remain to the end of the world, the true center of Christian union, and the supreme standard by which all human conduct, creeds, and religious opinions should be tried. All Scripture is a testimony to Christ, who is Himself the focus of divine revelation.

II. God

There is one and only one living and true God. He is an intelligent, spiritual, and personal Being, the Creator, Redeemer, Preserver, and Ruler of the universe. God is infinite in holiness and all other perfections. God is all powerful and all knowing; and His perfect knowledge extends to all things, past, present, and future, including the future decisions of His free creatures. To Him we owe the highest love, reverence, and obedience. The eternal triune God reveals Himself to us as Father, Son, and Holy Spirit, with distinct personal attributes, but without division of nature, essence, or being.

A. God the Father

God as Father reigns with providential care over His universe, His creatures, and the flow of the stream of human history according to the purposes of His grace. He is all powerful, all knowing, all loving, and all wise. God is Father in truth to those who become children of God through faith in Jesus Christ. He is fatherly in His attitude toward all men.

B. God the Son

Christ is the eternal Son of God. In His incarnation as Jesus Christ He was conceived of the Holy Spirit and born of the virgin Mary. Jesus perfectly revealed and did the will of God, taking upon Himself human nature with its demands and necessities and identifying Himself completely with mankind yet without sin. He honored the divine law by His personal obedience, and in His substitutionary death on the cross He made provision for the redemption of men from sin. He was raised from the dead with a glorified body and appeared to His disciples as the person who was with them before His crucifixion. He ascended into heaven and is now exalted at the right hand of God where He is the One Mediator, fully God, fully man, in whose Person is effected the reconciliation between God and man. He will return in power and glory to judge the world and to consummate His redemptive mission. He now dwells in all believers as the living and ever present Lord.

C. God the Holy Spirit

The Holy Spirit is the Spirit of God, fully divine. He inspired holy men of old to write the Scriptures. Through illumination He enables men to understand truth. He exalts Christ. He convicts men of sin, of righteousness, and of judgment. He calls men to the Saviour, and effects regeneration. At the moment of regeneration He baptizes every believer into the Body of Christ. He cultivates Christian character, comforts believers, and bestows the spiritual gifts by which they serve God through His church. He seals the believer unto the day of final redemption. His presence in the Christian is the guarantee that God will bring the believer into the fullness of the stature of Christ. He enlightens and empowers the believer and the church in worship, evangelism, and service.

III. Man

Man is the special creation of God, made in His own image. He created them male and female as the crowning work of His creation. The gift of gender is thus part of the goodness of God’s creation. In the beginning man was innocent of sin and was endowed by His Creator with freedom of choice. By his free choice man sinned against God and brought sin into the human race. Through the temptation of Satan man transgressed the command of God, and fell from his original innocence whereby his posterity inherit a nature and an environment inclined toward sin. Therefore, as soon as they are capable of moral action, they become transgressors and are under condemnation. Only the grace of God can bring man into His holy fellowship and enable man to fulfill the creative purpose of God. The sacredness of human personality is evident in that God created man in his own image, and in that Christ died for man; therefore, every person of every race possesses full dignity and is worthy of respect and Christian love.

IV. Salvation

Salvation involves the redemption of the whole man, and is offered freely to all who accept Jesus Christ as Lord and Saviour, who by His own blood obtained eternal redemption for the believer. In its broadest sense salvation includes regeneration, justification, sanctification, and glorification. There is no salvation apart from personal faith in Jesus Christ as Lord.

A. Regeneration, or the new birth, is a work of God’s grace whereby believers become new creatures in Christ Jesus. It is a change of heart wrought by the Holy Spirit through conviction of sin, to which the sinner responds in repentance toward God and faith in the Lord Jesus Christ. Repentance and faith are inseparable experiences of grace. Repentance is a genuine turning from sin toward God. Faith is the acceptance of Jesus Christ and commitment of the entire personality to Him as Lord and Saviour.

B. Justification is God’s gracious and full acquittal upon principles of His righteousness of all sinners who repent and believe in Christ. Justification brings the believer unto a relationship of peace and favor with God.

C. Sanctification is the experience, beginning in regeneration, by which the believer is set apart to God’s purposes, and is enabled to progress toward moral and spiritual maturity through the presence and power of the Holy Spirit dwelling in him. Growth in grace should continue throughout the regenerate person’s life.

D. Glorification is the culmination of salvation and is the final blessed and abiding state of the redeemed.

V. God’s Purpose of Grace

Election is the gracious purpose of God, according to which He regenerates, justifies, sanctifies, and glorifies sinners. It is consistent with the free agency of man, and comprehends all the means in connection with the end. It is the glorious display of God’s sovereign goodness, and is infinitely wise, holy, and changeable. It excludes boasting and promotes humility.

All true believers endure to the end. Those whom God has accepted in Christ, and sanctified by His Spirit, will never fall away from the state of grace, but shall persevere to the end. Believers may fall into sin through neglect and temptation, whereby they grieve the Spirit, impair their graces and comforts, and bring reproach on the cause of Christ and temporal judgments on themselves; yet they shall be kept by the power of God through faith unto salvation.

VI. The Church

A New Testament church of the Lord Jesus Christ is an autonomous local congregation of baptized believers, associated by covenant in the faith and fellowship of the gospel; observing the two ordinances of Christ, governed by His laws, exercising the gifts, rights, and privileges invested in them by His Word, and seeking to extend the gospel to the ends of the earth. Each congregation operates under the Lordship of Christ through democratic processes. In such a congregation each member is responsible and accountable to Christ as Lord. Its scriptural officers are pastors and deacons. While both men and women are gifted for service in the church, the office of pastor is limited to men as qualified by Scripture.

The New Testament speaks also of the church as the Body of Christ which includes all of the redeemed of all the ages, believers from every tribe, and tongue, and people, and nation.

VII. Baptism and the Lord’s Supper

Christian baptism is the immersion of a believer in water in the name of the Father, the Son, and the Holy Spirit. It is an act of obedience symbolizing the believer’s faith in a crucified, buried, and risen Saviour, the believer’s death to sin, the burial of the old life, and the resurrection to walk in newness of life in Christ Jesus. It is a testimony to His faith in the final resurrection of the dead. Being a church ordinance, it is pre-requisite to the privileges of church membership and to the Lord’s Supper.

The Lord’s Supper is a symbolic act of obedience whereby members of the church, through partaking of the bread and the fruit of the vine, memorialize the death of the Redeemer and anticipate His second coming.
VIII. The Lord's Day
The first day of the week is the Lord's Day. It is a Christian institution for regular observance. It commemorates the resurrection of Christ from the dead and should include exercises of worship and spiritual devotion, both public and private. Activities on the Lord's Day should be in harmony with the Christian's conscience under the Lordship of Jesus Christ.

IX. The Kingdom
The Kingdom of God includes both His general sovereignty over the universe and His particular kingship over men who willfully acknowledge Him as King. Particularly the Kingdom is the realm of salvation into which men enter by trustful, childlike commitment to Jesus Christ. Christians ought to pray and to labor that the Kingdom may come and God's will be done on earth. The full consummation of the Kingdom awaits the return of Jesus Christ and the end of this age.

X. Last Things
God, in His own time and in His own way, will bring the world to its appropriate end. According to His promise, Jesus Christ will return personally and visibly in glory to the earth; the dead will be raised; and Christ will judge all men in righteousness. The unrighteous will be consigned to Hell, the place of everlasting punishment. The righteous in their resurrected and glorified bodies will receive their reward and will dwell forever in Heaven with the Lord.

XI. Evangelism and Missions
It is the duty and privilege of every follower of Christ and of every church of the Lord Jesus Christ to endeavor to make disciples of all nations. The new birth of man's spirit by God's Holy Spirit means the birth of love for others. Missionary effort on the part of all rests upon a spiritual necessity of the regenerate life, and is expressly and repeatedly commanded in the teachings of Christ. The Lord Jesus Christ has commanded the preaching of the gospel to all nations. It is the duty of every child of God to seek constantly to win the lost to Christ by verbal witness undergirded by a Christian lifestyle, and by other methods in harmony with the gospel of Christ.

XII. Education
Christianity is the faith of enlightenment and intelligence. In Jesus Christ abide all the treasures of wisdom and knowledge. All sound learning is, therefore, a part of our Christian heritage. The new birth opens all human faculties and creates a thirst for knowledge. Moreover, the cause of education in the Kingdom of Christ is co-ordinate with the causes of missions and general benevolence, and should receive along with these the liberal support of the churches. An adequate system of Christian education is necessary to a complete spiritual program for Christ's people.

In Christian education there should be a proper balance between academic freedom and academic responsibility. Freedom in any orderly relationship of human life is always limited and never absolute. The freedom of a teacher in a Christian school, college, or seminary is limited by the pre-eminence of Jesus Christ, by the authoritative nature of the Scriptures, and by the distinct purpose for which the school exists.

XIII. Stewardship
God is the source of all blessings, temporal and spiritual; all that we have and are owe to Him. Christians have a spiritual debtorship to the whole world, a holy trusteeship in the gospel, and a binding stewardship in their possessions; they are therefore under obligation to serve Him with their time, talents, and material possessions; and should recognize all these as entrusted to them to use for the glory of God and for helping others. According to the Scriptures, Christians should contribute of their means cheerfully, regularly, and should recognize all these as entrusted to them to use for the glory of God and for helping others. According to the Scriptures, Christians should contribute of their means cheerfully, regularly, systematically, proportionately, and liberally for the advancement of the Redeemer's cause on earth.

XIV. Cooperation
Christ's people should, as occasion requires, organize such associations and conventions as may best secure cooperation for the great objects of the Kingdom of God. Such organizations have no authority over one another or over the churches. They are voluntary and advisory bodies designed to elicit, combine, and direct the energies of our people in the most effective manner. Members of New Testament churches should cooperate with one another in carrying forward the
missionary, educational, and benevolent ministries for the extension of Christ’s Kingdom. Christian unity in the New Testament sense is spiritual harmony and voluntary cooperation for common ends by various groups of Christ’s people. Cooperation is desirable between the various Christian denominations, when the end to be attained is itself justified, and when such cooperation involves no violation of conscience or compromise of loyalty to Christ and His Word as revealed in the New Testament.

XV. The Christian and the Social Order

All Christians are under obligation to seek to make the will of Christ supreme in our own lives and in human society. Means and methods used for the improvement of society and the establishment of righteousness among men can be truly and permanently helpful only when they are rooted in the regeneration of the individual by the saving grace of God in Jesus Christ. In the spirit of Christ, Christians should oppose racism, every form of greed, selfishness, and vice, and all forms of sexual immorality, including adultery, homosexuality, and pornography. We should work to provide for the orphaned, the needy, the abused, the aged, the helpless, and the sick. We should speak on behalf of the unborn and in favor of the rights of all people. We must work diligently and humbly to enrich our society as a whole under the sway of the principles of righteousness, truth, and brotherly love. In order to promote these ends Christians should be ready to work with all men of good will in any good cause, always being careful to act in the spirit of love without compromising their loyalty to Christ and His truth.

XVI. Peace and War

It is the duty of Christians to seek peace with all men on principles of righteousness. In accordance with the spirit and teachings of Christ they should do all in their power to put an end to war.

The true remedy for the war spirit is the gospel of our Lord. The supreme need of the world is the acceptance of His teachings in all the affairs of men and nations, and the practical application of His law of love. Christian people throughout the world should pray for the reign of the Prince of Peace.

XVII. Religious Liberty

God alone is Lord of the conscience, and He has left it free from the doctrines and commandments of men which are contrary to His Word or not contained in it. Church and state should be separate. The state owes to every church protection and full freedom in the pursuit of its spiritual ends. In providing for such freedom no ecclesiastical group or denomination should be favored by the state more than others. Civil government being ordained of God, it is the duty of Christians to render loyal obedience thereto in all things not contrary to the revealed will of God. The church should not resort to the civil power to carry on its work. The gospel of Christ contemplates spiritual means alone for the pursuit of its ends. The state has no right to impose penalties for religious opinions of any kind. The state has no right to impose taxes for the support of any form of religion. A free church in a free state is the Christian ideal, and this implies the right of free and unhindered access to God on the part of all men, and the right to form and propagate opinions in the sphere of religion without interference by the civil power.

XVIII. The Family

Marriage is the uniting of one man and one woman in covenant commitment for a lifetime. It is God’s unique gift to reveal the union between Christ and His church and to provide for the man and the woman in marriage the framework for intimate companionship, the channel of sexual expression according to biblical standards, and the means for procreation of the human race.

The husband and wife are of equal worth before God, since both are created in God’s image. The marriage relationship models the way God relates to His people. A husband is to love his wife as Christ loved the church. He has the God-given responsibility to provide for, to protect, and to lead his family. A wife is to submit herself graciously to the servant leadership of her husband even as the church willingly submits to the headship of Christ. She, being in the image of God as is her husband and thus equal to him, has the God-given responsibility to respect her husband and to serve as his helper in managing the household and nurturing the next generation.

Children, from the moment of conception, are a blessing and heritage from the Lord. Parents are to demonstrate to their children God’s pattern for marriage. Parents are to teach their children spiritual and moral values and to lead them, through consistent lifestyle example and loving discipline, to make choices based on biblical truth. Children are to honor and obey their parents.

Faculty
From the Leavell College Dean

Greetings! I am thankful you are taking the opportunity to explore what God is doing at Leavell College. For twenty-five years, I have had the opportunity to be a part of the Leavell College faculty; for eighteen of those years, I have had the opportunity to serve as the Dean. During these years at Leavell College of New Orleans Baptist Theological Seminary, many changes have taken place, but many things have remained consistent. Our foundational understanding of the classroom is unchanged. We believe that the classroom (whether it is in a physical location or online) is a sacred place where God intervenes in all of our lives as we are being conformed to His image and for His usefulness. Our commitment to utilizing the teaching opportunity to prepare students for ministry in the present and to prepare students for graduate work remains unchanged. We teach with the purpose that we are striving for effectiveness in ministry in the local church. Our doctrinal foundation is unchanged. We not only subscribe to the Baptist Faith and Message 2000 as a doctrinal statement for our teaching, but we are confident that this statement is also a reflection of our personal beliefs.

Second, God continues to build a strong faculty for Leavell College. The faculty is made up of men and women who are first and foremost committed to their individual walk with Christ and to living lives of integrity. I commend to you each faculty member because of his or her demonstrated faithfulness both in the classroom and out of the classroom. We as a faculty are committed to providing a blend of theoretical and practical education. Also, we believe that modeling in our lives the concepts that we are conveying in the classroom enhances our teaching. Actually, we believe that modeling the very concepts we are teaching is an absolute necessity. All of the faculty are involved in local church ministries as well because we believe without question that God has a great plan for the local church.

Third, the graduates of Leavell College are making an impact. I hear from our graduates on a regular basis, and these graduates are planted all over the world in many different types of positions. Some of our graduates serve in local churches, some in mission settings scattered around the US and the world, and some are serving in convention agencies. But they all have one goal – to lead others to a relationship with Christ that is growing and life changing. They are relating incidences of God’s moving through their ministries as lives are being changed.

So, I encourage you to join us on the journey at Leavell College and to allow God to use the time while you are at Leavell College to continue to work within you to make you the person He desires.

If we can be of further help in answering any questions or in praying with you, please contact us at 1-800-662-8701, ext. 8590 or 504-816-8590. You may also email me at tstrong@nobts.edu.

Hubs and Extension Centers
Undergraduate Hubs and Extension Centers
Making Theological Education Accessible to All

For over a quarter of a century, NOBTS has provided theological education through extension centers. In order to provide quality theological training for persons in the Southeast already engaged in ministry, NOBTS has made a commitment to be as accessible as possible to as many people as possible. We therefore strive to have an extension center within driving distance of every area in the Southeast.

For more information about extension centers contact one of the regional deans: Dr. Jody Dean, Louisiana/Mississippi; Dr. Peter Kendrick, Alabama/Georgia; Dr. Delio Del Rio and Dr. David Lema for the Florida centers.

Additional information about extensions and regional hubs may be found on the Seminary website at www.nobts.edu/extensions.

Admission Requirements
The admission requirements for the undergraduate extension centers are the same as the requirements for all Leavell College students. Please see the section in this catalog that delineates admission requirements.

Applications
The application process for the undergraduate extension centers is handled in the office of Leavell College. Applications must be submitted no later than thirty days before the beginning of classes in the fall or spring semesters. Questions about applications may be directed to the Leavell College Office, the local directors, or the Regional Associate Deans.

Orientation
All students enrolling in the undergraduate extension centers are required to complete the online orientation to the Seminary and the extension center program. Check the Seminary website at www.nobts.edu or call the Extension Center Office or the local directors for specific dates and times for orientation.

During online orientation students will be given information relating to seminary life and registration. Approved students are responsible for receiving information on orientation from the extension center directors or the Regional Associate Deans.
Registration
Returning students register through the Internet. For information on Internet registration, contact the Leavell College Office, the Regional Associate Deans, the local Directors, or the Seminary website at www.nobts.edu.

Late registration for any reason results in a late registration fee. Students are responsible for receiving information concerning registration dates and details. This information may be received from the Seminary website, from the center directors, from the Leavell College Office, or from the Regional Associate Deans. For registration deadlines, please consult the Academic Calendar at the end of the Catalog. When the student registers after the beginning of the class, he or she is responsible for all classes missed. See specific fees on the student fees page of this catalog.

Library Resources for Extension Center Students
Access to library materials is an important part of the seminary experience. Each center has a library of basic books and periodicals at the site where classes are held. The books may be checked out for student use.

Students have access to the NOBTS Library Computer System. Through this system students can search for materials by author, title, and subject. The John T. Christian Library has ebooks available for all students as well. Details for gaining access to the library computer system are available at each center or by calling the NOBTS Library in New Orleans.

Students also may obtain books from the main library by calling the library or by sending requests by mail or electronic mail. The items can then be mailed directly to the student from New Orleans. Agreements are maintained with a number of libraries in close proximity to our centers. These agreements allow NOBTS students to use these libraries. The details concerning the names and locations of these libraries, and the types of privileges available, may be obtained from the John T. Christian Library on campus in New Orleans or from the local center directors. More information can be found on the NOBTS website or by calling the John T. Christian Library at (504) 816-8018.

The Seminary employs an Extension Center Librarian who is located at the North Georgia Campus in Marietta, Georgia. The librarian may be reached through the North Georgia Campus Office at 770-321-1606 or 800.514.1175. Students also may contact the John T. Christian Library on campus for information and help.

This center is the Seminary’s oldest. It is the birthplace of extension center work as it has been developed by NOBTS. In the late seventies NOBTS began to work in cooperation with the North American Mission Board and the Florida Baptist Convention to provide theological training for ethnic church leadership in south Florida. Classes are offered on Mondays, Tuesdays, and Thursdays. What began as a ministry to Spanish-speaking people has developed into an extensive program reaching out to train leadership in Spanish, English,
Portuguese, and French languages. Students may earn the Certificate in Church Leadership, the Associate of Arts in Christian Ministry, and Bachelor of Arts in Christian Ministry in the Miami area. The Church Leadership Certificates are also available in four languages and different areas of specialization. Students can also pursue specializations of degrees via online classes and workshops.

Degree Programs
On behalf of the Leavell college faculty, I am glad to present to you our curriculum revision. The following pages represent two years of careful examination, much discussion, and concentrated prayer. We believe these degrees will provide the foundation to aid our students in their ministries and in their preparation for graduate work.

Some highlights of the new curriculum include:

- **Revision of four current degrees**: Bachelor of Arts in Christian Ministry, Associate of Arts in Christian Ministry, Bachelor of Arts in Music with an Emphasis in Worship, and Associate in Music and Worship.
- **Development of three new degrees**: Bachelor of Arts in Psychology & Counseling, Bachelor of Arts in Biblical Studies, Associate of Arts in Biblical Studies.
- **Revision of the General Education Core**: Focused upon meeting the SACSCOC standards and providing the breadth of knowledge necessary for Leavell College students. Included in the revised General Education Core are new courses such as Critical Thinking and Introduction to Literature.
- **Developing a “true” Christian Foundation Core**: This CF core is required of all students who are completing any of the BA degrees. A slightly modified core [because of lessened hours] is consistent in all AA degrees.
- **Revision of minors**: The faculty revised four of the present minor and will be teaching out the remaining ones. A new minor in Biblical Languages was added.
- **Streamlining of course options**: The faculty examined all courses offered through Leavell College to determine if the course needed to be affirmed, revised, updated, combined with others, or eliminated. This process will allow for consistency across all our venues and manageability by the on-campus faculty who provides oversight.
- **Consideration of Accelerated M.Div.**: These degrees provide an opportunity for students to take advantage of the newly approved Accelerated M.Div.

Sincerely,

L. Thomas Strong III, Ph.D.
Dean of Leavell College
Degree Overview

The Leavell College curriculum is based upon eight competencies:

• Biblical Exposition
• Christian Heritage
• Servant Leadership
• Interpersonal Relationships
• Spiritual and Character Formation
• Disciple Making
• Worship Leadership
• General Education

These competencies serve as the basis for effective ministry whether in the local church or on a denominational level. Our mission at Leavell College is to prepare students for current ministry and for furthering their education at the graduate level. We strive to equip leaders to fulfill the Great Commission and the Great Commandments through the local church and its ministries.

Leavell College requires students to complete 30 semester hours in a general education core. The general education competencies should thus be understood as a process whereby students attain certain proficiencies as they progress through the general education core. More specifically, students earning an associate’s degree or a bachelor’s degree at Leavell College must achieve the following general education competencies:

• Critical Thinking—Students will develop the ability to recognize, analyze, critique, and synthesize arguments.
• Oral Communication—Students will develop and deliver oral presentations clearly and effectively across a variety of contexts.
• Written Communication—Students will communicate effectively in writing across a variety of contexts.
• Quantitative Reasoning—Students will apply logical and analytical reasoning to the solution of real-world problems.

These competencies more specifically address the purposes of the general education program at Leavell College. They also support the mission of Leavell College and the New Orleans Baptist Theological Seminary.

Bachelor of Arts in Christian Ministry

The Bachelor of Arts in Christian Ministry (BACM) is one of four baccalaureate degrees offered and is the foundational degree of Leavell College. Various components of the degree blend together to provide a broad foundation for ministry. The degree requires 121 semester hours to complete. Included in this degree is a General Education component of 30 semester hours. The purpose of the General Education courses is to provide the skills needed to achieve the four general education competencies. A 37-hour Christian Foundation core provides necessary knowledge and skills for students preparing for ministry. A 24-hour Christian Ministry major includes a variety of courses required of all students pursuing this degree. The student will also choose a minor with this degree. In addition, the student will have 12 hours of free electives.

This degree will qualify a student to pursue a variety of degrees in the graduate program, including the Master of Divinity and Master of Arts in Christian Education. Students who complete the BACM are also prepared to participate in the Accelerated M.Div program.

Bachelor of Arts in Biblical Studies

The Bachelor of Arts in Biblical Studies (BABS) is a new degree in Leavell College. Leavell College faculty developed the degree based on feedback from students who desired further concentration in biblical studies. The degree requires 121 semester hours to complete. Included in this degree is a General Education component of 30 hours, a Christian Foundation core of 37 hours, and a 24-hour Biblical Studies major that includes courses in depth courses for those desiring to study God’s word more deeply. The student will choose one minor with this degree and will have 12 hours of free electives.

Bachelor of Arts in Psychology and Counseling

One of the new degrees in Leavell College is the Bachelor of Arts in Psychology and Counseling (BAPC). Students who earn this degree position themselves well for a smooth transition into the graduate counseling programs offered by NOBTS. This degree requires 121 semester hours to complete. The student will complete a 30-hour General Education core and a 37-hour Christian Foundation core. The 24-hour major consists of courses in both counseling and psychology, providing the student with a balanced approach to a counseling ministry. The student will choose one minor with this degree and will have 12 hours of free electives.

The minors from which a student may select for more in-depth study are:

• Biblical Studies
• Biblical Languages
• Church Mentoring
• Church Ministry
• General Education
• Music and Worship
• Psychology and Counseling

A Biblical Studies minor allows the student to pursue a more detailed study of the biblical text. The Biblical Languages minor provides in-depth study in the biblical languages of Greek and Hebrew. The Church Ministry minor is a general minor for those who desire to continue the preparation of a broad based education without committing to a specific ministry at this time.

A General Education minor is for those who have 18 hours of concentrated study in specified areas at other accredited institutions. This minor consists only of hours transferred from other educational institutions. Students should consult their advisor concerning this minor. The Church Mentoring Minor allows the student to engage in a mentoring relationship with a qualified mentor, discuss current works relating to ministry, and actively participate in ministry while under the supervision of a mentor. A minor in Music and Worship provides the student with basic training in music ministry. The Psychology and Counseling minor is designed to prepare students for further work in the area of counseling at the graduate level.

Dr. Thomas Strong, Dean of Leavell College, provides oversight for these degrees. He may be contacted for additional information...
Bachelor of Arts in Music with an Emphasis in Worship
For those students who are preparing for a ministry in music or worship leadership, the Bachelor of Arts in Music with an Emphasis in Worship provides the foundation for this ministry. The degree is composed of 121 semester hours, including 30 semester hours of General Education courses, a 37-hour Christian Foundation core, and 54 semester hours of Church Music courses. This degree will prepare a student to continue work at the graduate level, specifically in church music. For additional information students may contact Dr. Ed Steele, Professor of Music for Leavell College, esteele@nobts.edu.

Associate of Arts in Biblical Studies
The Associate of Arts in Biblical Studies (AABS) is a 70-semester-hour degree that serves as a basis for our Bachelor of Arts in Biblical Studies. Students may choose this degree in order to receive a basic level of education based on the competencies outlined in the BABS degree or to complete an intermediate degree allowing the student to continue toward a baccalaureate degree. The AABS consists of 24 hours of General Education courses and 22-hour Christian Foundation core. Additionally, the student will choose 18 hours in a Biblical Studies core and will have 6 hours of free electives.

Associate of Arts in Christian Ministry
The Associate of Arts in Christian Ministry is a 70-semester hour degree that serves as a basis for the BACM degree. A student may choose to take this degree in order to receive a basic level of education based upon the competencies outlined in the BACM degree or to complete an intermediate degree which will allow one to continue work toward a baccalaureate degree. The Associate of Arts in Christian Ministry consists of 24 semester hours of General Education courses, 37 semester hours of Christian Foundation required courses, and 9 hours of free electives. Students are not required to complete the Associate of Arts in Christian Ministry before pursuing the BACM degree, though some may choose to do so.

Associate of Arts in Music and Worship
The Associate of Arts in Music and Worship is an intermediate degree which provides basic training in church music, yet also prepares a student to continue to work toward a baccalaureate degree. An emphasis is placed upon the development of musical competencies, as well as the formulation of music programs as a part of the ministry of a local church.

Diploma of Christian Ministry
The Diploma in Christian Ministry is designed to prepare students for ministry in the local church. This degree is composed of 48 semester hours. Included in this particular degree is the study of biblical interpretation, pastoral ministry, church organization and administration, as well as personal spiritual growth. Students who have not completed a high school diploma or its equivalent are eligible to apply for the DCS. All other requirements are the same as that of the degree program requirements.

Leavell College Certificates
The Leavell College Certificates provide students the opportunity to experience Leavell College basic level work while earning a certificate of completion. The courses successfully completed for the certificate can be transferred into either the Associate of Arts in Christian Ministry or the Bachelor of Arts in Christian Ministry. Each certificate is composed of six courses with each course being a three-semester hour course. These courses are offered online, as well as on campus and at the extension centers. In order to be a part of the Leavell College Certificate program, a student must have a high school diploma or its equivalent and complete the online application, including the supporting documents.

Church Leadership Certificate Program
The Church Leadership Certificate Program grew out of a vision to prepare individuals for whatever task to which God has called them. The program is designed to address the need of ministry leadership by providing specialized, short-term training for church leaders. Each certificate is composed of courses totaling between 6 and 8 semester hours. The courses provide a biblical foundation for various ministries as well as practical applications.

Students can request a transfer of credit hours from the certificate program into a degree program.

Degree Requirements
A Note Regarding Degree Requirements
On the following pages, the course requirements for each of the degrees are listed. Special attention should be given to the
numbering system and to the prerequisites. The courses are numbered with the more basic courses being numbered as 1000 or 2000 level courses. These courses should be taken near the beginning of a student’s tenure at college. Upper level courses often have prerequisites that must be completed before a student can take the course for credit. (See pages 43-53 for course descriptions.)

Prospective students can seek assistance from a Leavell College faculty member in the selection of a degree program. Current students can seek academic advising from Leavell College faculty or from lcadminasst@nobot.edu. The Leavell College faculty member can also help with the process of the transfer of earned hours from an accredited institution.

**Degree Completion Plan for Students with an Associate Degree**

A student qualifies for the degree completion plan, if he or she has

Upon approval, the student will continue toward recital as in the present program. If the student is unable to pass the recital proficiency exam, the student will be subject to the same options before mentioned.

Explanation of Course Descriptions

Courses listed in the 2019-2020 catalog have been labeled specifically in order to help the student determine the sequence and content of a course. Four letters and four numbers identify the courses. The first two letters, LC, designate the course as a Leavell College course. The last two letters designate the specific type of course. These letters are the abbreviations for the following:

- LCBS  Biblical Studies
- LCCF  Christian Foundation Core
- LCCM  Christian Ministry
- LCEM  Educational Ministries
- LCGE  General Education Core
- LCMC  Music Conducting
- LCME  Music Education

- The last two digits are the course identifier.

Note the example Teaching Methods: LCCF2350. The course is a Leavell College course (LC) in the Christian Foundation core (CF). The course is a second-year course (2) for three hours of credit (3). The course identifier is 50. When registering for or referring to courses, all letters and digits should be used.

The majority of courses taught by Leavell College are 3-hour courses. In the following list, the courses are alphabetized according to the course title. After the course title is the course identifier (four letters and four numbers). The course description contains a brief statement of course content and expected student learning.

Courses that are junior or senior level usually have prerequisites. These prerequisites are noted at the end of the course descriptions. The student is responsible for completing the prerequisites before registering for a course. The student should take care in scheduling to include all levels of prerequisites.

The fulfillment of the college’s religious mission requires the college to be the sole judge of which students should be admitted and, once admitted, to continue to pursue a course of study and to receive a degree. In the decisions, the college is concerned with the spiritual, ethical, emotional, psychological, moral, behavioral, and attitudinal traits evidenced in the student’s life which suggest a foundation upon which a lifetime of Christian ministry can be built.

CLEP, AP, and DANTES exams may be accepted for credit provided that Leavell College receives an official copy of the scores.

Course work completed at a foreign institution not accredited by a regional post-secondary accrediting commission will be evaluated by World Education Services, P.O. Box 745, Old Chelsea Station, New York, New York, 10113-0745. The student should send an official transcript to World Education Services which will complete their evaluation of transfer credit and forward a course-by-course evaluation to Leavell College.

In order to graduate, students transferring hours into the baccalaureate degree program must complete at least 25 percent of the degree at New Orleans Baptist Theological Seminary. Students transferring hours into the associate degree program must also complete at least 25 percent of the degree at New Orleans Baptist Theological Seminary.

Students transferring hours in the baccalaureate degree program must earn one Old Testament elective or one New Testament elective at NOBTS. In addition, they must show evidence of sufficient foundational studies to support the chosen major or minors. Transfer courses from Baptist colleges will be evaluated by the Dean of Leavell College on a case-by-case basis.

Bachelor of Arts in Music students who plan to have music hours transferred must pass the placement exams that correspond with the courses they wish to transfer. However, if a student plans to enroll in an undergraduate course, the corresponding placement exam is not required.

Students may transfer a minor in general education courses from all institutions accredited by a regional, national, or specialized and professional accrediting organization and recognized by the Council of Higher Education Accreditation (CHEA). Credit earned in military training may be transferred if the credit is on an official transcript from an institution accredited by a regional accrediting agency approved by the CHEA, or the military credit may be evaluated by the Associate Dean of Leavell College according to the standards of the American Council on Education.

All correspondence work must be from institutions accredited by a regional, national, or specialized and professional accrediting organization and recognized by the Council of Higher Education Accreditation (CHEA).

Baccalaureate level work done at institutions not accredited by a regional, national, or specialized and professional accrediting organization and recognized by the Council of Higher Education Accreditation (CHEA) may be accepted in full or in part, or rejected. Such transfer hours will be evaluated by the faculty of Leavell College serving as an academic affairs committee. The faculty committee will make recommendations to the Dean of Leavell College regarding such transfer credit. Students admitted under this provision are admitted on a probationary basis for one semester, in which they must maintain at least a “C” average.

Students enrolled in the Church Leadership Certificate Program may petition the Dean of the Leavell College to transfer a maximum of 18 hours earned in the program(s) to the associate or baccalaureate degree programs. The hours may be transferred if the student fulfilled the Seminary admission eligibility requirements at the time the courses were satisfactorily completed.

All transfer hours must carry a grade of “C” or above. The Dean of Leavell College is responsible for evaluation of all transfer credits. Transcripts may be evaluated prior to or after the approval of the students for admission. Following the evaluation of transcripts, a copy of the evaluation will be forwarded to the student and the courses transferred will be entered on the student’s official transcript at the Seminary. The fee for transcript evaluation will be charged. Transcript fees must be paid before the transcripts are evaluated. See specific fees on the student fees page of this catalog.

Credits earned at Leavell College and transferred to another institution are at the discretion of the receiving institution.

**Academic Policies**

**Academic Load**
A full-time undergraduate student load is a minimum of twelve (12) credit hours per semester. Only regular semester classes count toward full-time load. (Internet classes and academic workshops do not count toward full-time load). Students must have full-time status to be eligible for financial aid and student housing.

Maximum course load is 18 credit hours per semester. Students desiring to take additional courses must have the approval of the Dean of Leavell College.

**Policies for Defining and Assigning a Credit Hour**
At NOBTS, a standard, semester-based course with weekly meetings will normally meet in person 1 hour in seat time per credit hour weekly, with assignments which take approximately two hours per credit hour outside of class. So, for a typical 3-hour course, class meetings will total 45 hours in seat time, and outside of class assignments will total approximately 90 hours. The total time spent by the student inside and outside the classroom for the 3-hour course should thus be approximately 135 hours. When various alternative delivery systems are being utilized in which the percentage of seat time and outside of class assignments vary, the same total time investment of total time commitment by the students must be maintained.

**Policies for Defining and Assigning a Credit Hour in Courses Unique to the Music Division**
In terms of credit hours versus contact hours in the Division of Church Music Ministries, the following procedures have been established. Each credit hour of applied study equals a half hour of instruction. For example, a student taking 2 credit hours of voice would receive 1 hour of instruction per week over a 15-week semester. In keeping with common practice, lesson assignments are made during week 1, so there are actually 14 lessons. All ensemble courses include 1 hour of credit regardless of the number of contact hours of instruction in a given week (e.g., Seminary Chorus meets from 6:30 to 8:30 on Monday evening but students receive 1 hour
of credit). Class piano follows the model of applied lessons. Because the class is small, 2 hours of credit equal 1 hour of instruction per week over the course of a 15-week semester. The standard of 2 hours of assigned work per credit hour in addition to contact hours as defined above is mandated for all undergraduate and graduate courses. In the case of ensembles, additional work required is largely met with the extra rehearsal time as described above.

**Academic Advising**
The Leavell College Faculty serves as advisors for students. Any Trustee-Elected professor may be consulted at any time to schedule an appointment, or the student may contact the Leavell College office.

**Writing Guide**
In preparing written assignments such as research papers, seminar reports, and dissertations, students are required to follow the latest edition of *A Manual for Writers of Term Papers, Theses, and Dissertations* by Kate Turabian, published by the University of Chicago Press.

**Absences**
Class attendance is essential for effective learning.
1. Students will be expected to attend all classes unless prevented by illness or emergency.
2. Students may not miss more than 9 class hours for a 3-semester hour course, 6 hours for a 2-semester hours course, and 3 hours for a 1-semester hour course.
3. Three occasions of arriving late for a class or leaving early from class will count as one absence.
4. A grade of "F" will be assigned to students who fail to attend class the minimum number of hours.
5. Any student exceeding the maximum number of absences may appeal only to the Dean of Leavell College to have the grade of "F" changed.
6. Class periods missed because of late enrollment will be counted as absences. Students may not enter class after the end of the second week of each regular semester.
7. Students are not allowed to have any absences in Hybrid or workshop courses.

**Independent Directed Study (IDS)**
Students may earn a limited amount of credit through directed study. A student may take no more than four per academic year (Fall, Spring, Summer), one per regular semester, and no more than two in the summer. Students enrolled in an IDS during the summer may enroll in only one additional summer class. An IDS cannot be taken during an Academic Workshop session. Independent Directed Studies should include reading, writing, and research projects and must be done under the direction of a seminary faculty member. Students desiring an IDS should submit a written proposal for the planned course to the professor who will direct the study.

The professor will provide the appropriate form to request permission to take an IDS. All proposals must be approved by the professor, the departmental chairman, and the Dean of Leavell College. A copy of the proposal and the report on the study will become a part of the student's permanent file. Students should register for an IDS during the regular registration process. Deadlines will be strictly enforced. The deadline for registering for a directed study is Friday of the first full week of class. The work must be completed two weeks before the end of the semester in which the student registers for the course.

The fee for an IDS is not included in the student's regular tuition fees. Fees must be paid at the time of registration for the course. See specific fees on the student fees page of this catalog.

**Auditing Classes**
Under certain conditions, seminary classes may be audited without credit. Regularly enrolled students are permitted to audit additional courses by scheduling such courses during the normal registration process. Non-degree students desiring to audit must complete an application form available online. Such applications must be approved by the Dean of Leavell College in consultation as needed with the Provost and/or the professor involved, considering such factors as available space and academic prerequisites. Fees for auditing classes will be charged. See specific fees on the student fees page of this catalog.

Auditors are expected to adhere to normal attendance requirements, but ordinarily are not expected to take tests or write papers. Participation in class discussion is allowed at the discretion of the professor. A grade of "S" or "U" will be given based upon attendance. Audited classes will never be counted as credit toward a degree.

**Dropping or Adding a Course**
A regular semester or Internet course may be added to the student's schedule before the end of the second week of the semester. A Summer Internet course may be added to the student's schedule before the end of the first week of the summer semester (see academic calendar). Adding a class is initiated by going online to the Student Forms section of the Leavell College webpage, completing the "Drop/Add Withdrawal Form," and paying tuition plus the course change fee (per course). Students may not enroll in nineteen semester hours or more without permission of the Dean of Leavell College. A student should consult an academic advisor before dropping or adding any courses. See specific fees on the student fees page of this catalog.

A regular semester or Internet course may be dropped before the end of the second week of the semester. A summer course may be dropped before the end of the first week of the summer semester (see academic calendar). Adding a class is initiated by going online to the Student Forms section of the Leavell College webpage and completing the "Drop/Add Withdrawal Form." A student should consult an academic advisor before dropping or adding any courses. A fee for dropping a course will be charged. Tuition is refundable if the class is dropped before the end of the second week of class. See specific fees on the student fees page of this catalog.

Students may drop an academic workshop from the registration deadline until before the first day of class by completing the "Drop/Add Withdrawal Form" online by going to the Student's forms section of the Leavell College webpage. A student should consult an academic advisor before dropping or adding any courses. Tuition is refundable, minus the course change fee (per course). Tuition is not refundable, however, after the first day of class. See specific fees on the student fees page of this catalog.
Withdrawal from a Class after the Drop/Add Period
After the Drop/Add Period, a student may withdraw from a regular semester or Internet class without complete withdrawal from school. In such cases, the student should request the class withdrawal in writing in the Leavell College Office and/or the Assistant Registrar's office. (Internet students may do so by e-mail or fax). The student will receive a grade of "WP" for the class. Students should be aware that dropping classes below a full-time load changes their financial aid status and/or their housing status.

If the class withdrawal takes place from the third week through the fourth week, the student may receive a refund of two-thirds tuition minus a class withdrawal fee per course. If the student withdraws from the beginning of the fifth week through mid-term (Fall Break or Spring Break), the student may request refund of half of the class tuition, minus the class withdrawal fee per course. If the class withdrawal takes place from mid-term through December 1 or May 1, the student may request refund of one-third of the class tuition, minus the class withdrawal fee per course. Students may not withdraw or receive refunds from classes after December 1 or May 1. See specific fees on the student fees page of this catalog.

Withdrawal Refund – Internet Courses
Withdrawal from a summer Internet class and the refund of tuition will be according to the following procedure: If the class withdrawal takes place during the second or third week of the summer, the student may receive a refund of two-thirds tuition. If the class withdrawal takes place before the fourth week of the summer, the student may receive a refund of one-half tuition. For summer Internet courses no refund may be given for withdrawal after the fourth week.

Withdrawal from an Academic Workshop
Students cannot receive credit for an academic workshop course if they miss a single academic workshop class. Beginning with the first day of class, there are no refunds for academic workshop classes. Students who withdraw from an academic workshop will receive a grade of "WP".

Withdrawal from a Hybrid Class
A student may withdraw from a Hybrid class by rcompleting the “Drop/Add Withdrawal Form” online by going to the Student's forms section of the Leavell College webpage. The student will receive a grade of “WP” for the class. Students who withdraw from a Saturday or Hybrid class between the second class meeting and mid-term (Fall Break or Spring Break) may request a refund of half of the class tuition, minus the class withdrawal fee. If the class withdrawal takes place from mid-term through December 1 or May 1, the student may request refund of one-third the class tuition, minus the class withdrawal fee. Students may not withdraw from classes after December 1 or May 1. Students should be aware that dropping classes below a full-time load changes their financial aid status and/or their housing status. See specific fees on the student fees page of this catalog.

Grading Scale
The grading scale for the undergraduate programs is as follows:

- A: 93-100
- B: 85-92
- C: 77-84
- D: 70-76
- E: Course in progress
- F: Below 70 or failure
- WF: Withdrawn Failing
- FR: Failure Repeated

- P: Pass in Pass/Fail Class
- I: Incomplete
- S: Satisfactory
- U: Unsatisfactory
- AW: Admin. Withdrawal
- WP: Withdrawn Passing in Pass/Fail course
- EW: Emergency Withdrawal

Examinations
Final exams: The time limit for final examinations is two hours and shall be strictly adhered to according to the schedule published. Late finals are permitted only in extreme emergencies and must be approved by the Dean of Leavell College. Early finals are not permitted.

Scheduled sectional/unit exams: Prior arrangements to make up sectional/unit exams in consultation with the professor are at the discretion of the professor. A student who misses an exam because of illness or personal reasons should contact the professor to indicate the problem and get a suggested time for make-up. A student who misses an exam for no valid reason should be expected to take a make-up at the professor's/grader's convenience and will incur a point penalty. Any student who misses a scheduled exam is expected to schedule a make-up exam with the professor or grader. The makeup exam must be taken within two weeks of the missed exam. Failure to take the make-up test within the allotted time period will result in the student receiving a grade of zero for the exam.

Report of Grades
Grade reports are available online approximately two weeks after the close of each term. The Seminary may withhold a grade report or a transcript of any present or former student if financial obligations are outstanding.

Academic Grievance Procedures
In accordance with the practice of biblical precedent, all student complaints and concerns regarding academic matters will be dealt with in the following manner: The student is first to contact in writing the professor of the course in which the concern has arisen. The two are then to seek to understand the situation and to bring about a resolution. If the student is not accepting of the resolution proposed by the professor, then the student is to contact the Dean of Leavell College to establish a time when the student, the professor, and the Dean can meet to discuss the situation. If the student is not satisfied with the results of this meeting, the student can appeal to the Provost of the institution. The Associate Dean of Leavell College may serve in the absence of the Dean.
Quality Points
For each semester hour of credit earned, quality points will be recorded as follows: A-4; B-3; C-2; D-1.

Incomplete Work
At the end of a term, an Incomplete shall be given if the student is granted permission to complete any part of the required work after the date set for the term examination. Such permission is granted only in case of an emergency. Requests for such permission must be made in writing by students to the Dean of Leavell College on the Student Request Form provided by the Leavell College office or by email to Dr. Strong. If possible, requests should be made before the time for the final examination. If delay is granted, but not extended in view of continuing emergency, the work must be completed during the semester following in a regular session (summer school is not included).

There will be no further penalty for delays. If permission is not granted or work not completed during the time set, the work involved will be graded zero. The Leavell College office bears no responsibility for incomplete work.

Financial Obligations
Credit for grades will not be effective in the Registrar’s Office until satisfactory agreement concerning financial obligations has been made with the Business Office.

Repeated Failure
Students failing the same class twice must appeal to the Dean and Department Chair before registering for the class for the third time.

Academic Probation and Suspension
If a student’s semester grade point average falls below 2.0, the student will be placed on academic probation for the next semester in which the student enrolls. A student will be permitted to enroll for a maximum of twelve semester hours during academic probation. Failure to achieve a 2.0 grade point average during the next semester of academic probation will result in immediate suspension of the student for at least one full semester.

A student on academic suspension may apply for readmission to the Seminary up to one month in advance of the anticipated enrollment date. If readmission is granted, the student will be on academic probation for one semester. A student who fails to achieve a 2.0 grade point average during this semester of academic probation will be immediately and permanently suspended from school.

Withdrawal from School
Students who request Complete Withdrawal from all classes from the beginning of the third week to the end of the fourth week of a semester may request a refund of two-thirds tuition minus a Leavell College withdrawal fee. If the student has received a grant or scholarship, he or she will be required to repay that grant or scholarship when he or she withdraws from school. Students approved for Complete Withdrawal from Leavell College between the beginning of the fifth week of the semester and mid-term (Fall Break or Spring Break) may request a refund of half their tuition, less the Seminary withdrawal fee. If the withdrawal from school takes place between mid-term through December 1 or May 1, the student may request refund of one-third tuition, minus a Seminary withdrawal fee. The registration fee and other such fees are nonrefundable. Students may not withdraw from school after December 1 or May 1. All students who withdraw from school are required to repay any grants or scholarships that they have received. See specific fees on the student fees page of this catalog.

Emergency Withdrawal
Students who must withdraw from the Seminary because of a life-threatening personal or family emergency may receive an EW (Emergency Withdrawal) for all the courses in which they were enrolled, and may receive a partial refund. To qualify for an Emergency Withdrawal, the student must petition the Provost of NOBTS, with a statement that evidences the need for the Emergency Withdrawal. Emergency Withdrawals are granted only when circumstances arise during the semester that are beyond the control of the student, and prevent class attendance and/or completion of class assignments. Heavy work loads, church responsibilities, or other personal and/or family difficulties normally are not sufficient reasons for Emergency Withdrawal, since these reasons are not unusual or extraordinary. Students who have received a grant or scholarship will be required to repay that grant or scholarship when they withdraw from school.

Repeating a Course
When students have received credit for a course, they will not be allowed to repeat it for credit except through petition and approval of the Dean of Leavell College. For students who have been approved to repeat a course for which they have received prior credit, the most recent grade in that course will count toward their GPA. The previous grade will remain on the official transcript but will not be calculated in the student’s GPA.

Students who have received a grade of “F” for a course may retake the course without seeking approval from the Dean of Leavell College. When a student receives a failing grade for a course, the grade is calculated into the grade point average. If a student retakes and passes the course, the new grade is added to the grade point average, but it does not remove the failing grade from the GPA. Once a grade of “F” is received for a course, it will be computed into the GPA, and it cannot be removed by retaking the course. Only the exact course taken can be repeated. A new course cannot be taken to replace the previous course unless approved by the Dean of Leavell College.

Readmittance
A student is considered in good standing and able to register as long as he/she does so before sitting out for more than one year.

Readmit: If a student misses more than one year, he/she must complete a re-admit form online by going to the Leavell College Registrar’s Office tab in NOBTS website.

Reaplication: If a student misses three years or more, he/she must complete the reaplication process.

Senior Status
Associate students reach senior status when they have completed 50 hours of their programs. Baccalaureate students become seniors when they have completed 87 hours of their programs. Students must schedule a senior conference with their faculty advisors in Leavell College before the beginning of the semester in which they
reach senior status to insure that all course requirements have been met or are planned.

Requirements for Graduation
In order to graduate from Leavell College, students must meet all academic requirements set forth in this catalog, settle all financial obligations to the Seminary, and maintain high standards of moral and ethical conduct. The faculty or any appropriate committee of the faculty may at any time advise the President that a student evidences spiritual, ethical, emotional, psychological, or attitudinal deficiencies which in the judgment of the faculty disqualify the student for continued study at the college. The student may appeal this determination to the President. The decision of the President shall be final. The college requires that all students anticipating graduation be currently enrolled and have earned a minimum of the last 24 consecutive hours for the degree program at Leavell College/New Orleans Baptist Theological Seminary. Requests for exceptions may be considered by the Dean of Leavell College.

Participation in graduation exercises is required of all students unless permission is granted to graduate in absentia. Requests for permission to graduate in absentia should be made in writing to the Registrar. Permission is granted only in cases of emergencies.

Undergraduate Students Taking Graduate Classes
Undergraduate students may make application to begin taking graduate classes in the graduate program of the Seminary when they have completed all but 12 semester hours of their baccalaureate work.

Undergraduate students beginning graduate classes must complete undergraduate requirements during the first semester of graduate study. Students wishing to begin graduate work must have the approval of the Dean of Leavell College and must complete the application for admission to the graduate program, available online.

Standards for Student Conduct
Seminary students are expected to live according to the high standards of conduct befitting a Christian minister.

Leavell College Policy on Plagiarism
The Student Handbook section on Ethical Conduct includes plagiarism as one type of unacceptable conduct. A high standard of personal integrity is expected of all Leavell College students. Copying another person’s work, submitting downloaded material without proper references, submitting material without properly citing the source, submitting the same material for credit in more than one course, and committing other such forms of dishonesty are strictly forbidden. Although anything cited in three sources is considered public domain, we require that all sources be cited. Any infraction may result in failing the assignment and the course. Any infraction will be reported to the Dean of Leavell College for further action.

Internet Courses

High Quality Training Accessible Anywhere
The online courses offered by Leavell College through the Online Learning Center of NOBTS make Seminary training accessible to ministers and lay Christian leaders all over the world, regardless of location. Students may enroll for Internet courses after being advised by a Leavell College faculty member. Those enrolled in the courses as non-degree students are not guaranteed admission to Leavell College as degree-seeking students. Courses taken for non-academic credit can never be applied for credit in Leavell College. Students desiring to enter a Leavell College degree program must meet all normal requirements for admission to the Seminary.

Accreditation
All courses offered through the Leavell College/New Orleans Baptist Theological Seminary Virtual Campus are accredited by the of the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC).

Enrollment
Students may enroll for Internet courses on a credit or non-credit basis with degree or non-degree status. Those enrolled in the courses as non-degree students are not guaranteed admission to Leavell College as degree-seeking students.

Certificates and Degrees Offered
Leavell College currently offers six certificates online in Biblical Studies, Christian Education, Christian Ministry, the Ministry Wife Certificate, and the Basic and Advanced Women’s Ministry Certificates. Leavell College also offers online degree completion for the Bachelor of Arts in Christian Ministries for students who have some college credits. Students interested in online degree completion should contact the Leavell College office for more details.

Eligibility to Take Internet Classes
All Leavell College students are allowed to take internet courses through their, but these online courses do not count toward housing eligibility (since on-campus is for those who take on-campus classes) nor toward financial aid (because the SBC does not fund internet courses). To be eligible for campus housing and student financial aid, a Leavell College student would need to be a full-time student (taking 12 hours a semester), not counting Internet courses.

Tuition and Fees
The tuition and fees for Internet courses must be paid in addition to regular tuition and fees. The schedule for Internet course tuition and fees is found on the Student Fees page in this catalog.

Registration
Students may register for Internet courses through their Self-Serve account. Registration dates are posted in the school calendar and on the school website. No late registration is accepted for online courses. The deadline for registration is the same as that of the New Orleans campus.

Withdrawal from an Internet Course
The tuition refund for students withdrawing from an Internet Course is the same as that of the refund for a regular class, but the Internet fee is non-refundable. The refund is given on a descending
If the class withdrawal takes place from the third week through the fourth week, the student may receive a refund of two-thirds tuition minus a class withdrawal fee per course. If the student withdraws from the beginning of the fifth week through mid-term (Fall Break or Spring Break), the student may request refund of half of the class tuition, minus the class withdrawal fee per course. If the class withdrawal takes place from mid-term through December 1 or May 1, the student may request refund of one-third of the class tuition, minus the class withdrawal fee per course. Students may not withdraw or receive refunds from classes after December 1 or May 1. See specific fees on the student fees page of this catalog.

For More Information
For more information about online classes, see http://nobts.edu/online-seminary/default.html or contact Dr. Thomas Strong, Dean of Leavell College, at tstrong@nobts.edu.

Hybrid courses
The Hybrid courses are classroom-based courses with a greatly expanded internet component. The Hybrid courses have regular periodic meetings on campus or by means of CIV, with a significant part of the course accomplished online between class meetings. The Hybrid classes will meet once a month on the New Orleans campus for three hours of classroom lectures and interaction with faculty members. The remaining instruction and coursework will be accomplished through the Internet. These Hybrid courses are designed to fit the schedules and needs of New Orleans campus students, commuter students, and extension center students.

The Hybrid courses count toward full-time status for the purposes of on-campus housing and for financial aid. Extension center students can earn on-campus credit by taking these Hybrid courses. Tuition for the Hybrid courses is at the Alternative Delivery System tuition. Because of the extremely limited class time in these Hybrid courses, students cannot miss any of the four class sessions.

Student Life
The New Orleans Campus

New Orleans Seminary’s 85-acre main campus has over 70 buildings, most in French Colonial architectural style. The Gentilly location, purchased in 1947 after the original Garden District campus became too small for the Seminary family, originally was a pecan orchard. It is on one of the highest elevations in the city of New Orleans.
**Student Life**

Life in New Orleans can be exciting and spiritually significant. New Orleans is one of America’s oldest and grandest cities. From its architecture and music to its food and culture, New Orleans is a truly exciting place. It is big enough to offer all of the amenities of a large, vibrant city, from professional sports to shopping to cultural resources, but it also retains a small-town, familiar feel. It is a city receptive to the love of Christ and the gospel. Churches are growing as they meet the needs of the people in their communities, and students continue to minister as they pursue their seminary training. NOBTS is a proud member of the New Orleans community and maintains a missional focus in all we do.

Life on campus is one of the highlights of a student’s time in seminary. The NOBTS campus is beautiful, secure, and comfortable. Many of our faculty members live on the campus, so students have the opportunity to know their professors and learn from them out of the classroom, as well as in it. The campus offers housing for single students as well as families, fostering a community, family atmosphere. The facilities are outstanding, from the beautiful pool and recreational space, to the parks, playground, volleyball, and cookout facilities. Our many student organizations and student community foster spiritual and physical health. Educational resources are top-notch. From any perspective, NOBTS is a great atmosphere to prepare for ministry.

**Health Services**

The services of a Family Nurse Practitioner and clinic Medical Assistant are available at the NOBTS Clinic for faculty, staff, students, spouses, and their children. The clinic is open on a part-time schedule and the hours are variable. Appointments should be scheduled by calling 816-8596. The Nurse Practitioner and Medical Assistant are not on-call during off-duty hours.

The following is a partial list of available services: immunizations, physical exams, lab tests, screening and monitoring, minor surgery, treatment of common chronic conditions, off-site referrals, diagnosis and management of common episodic problems, and prescription refills. Charges vary depending on the service provided and are posted on the student or employee account with NOBTS.

Some medicines and supplies are available through the clinic. Crutches are available for short-term loan. Persons with emergency conditions should proceed directly to a health care facility covered by their insurance plan.

The clinic is able to provide primary care services to pregnant patients, but not obstetrical care. Upon determination of pregnancy, the patient will be referred to an OB/GYN specialist.

**Food Services**

River City Cafe is located on the west side of the campus. A variety of food service is available Monday through Friday, 7 a.m. - 9 a.m. and 11 a.m. - 1 p.m., including sandwiches, salads, and cafeteria-style hot breakfast and lunch. Every Thursday, Miss Alice makes her famous red beans and rice with turnip greens and cornbread, a New Orleans classic. Banquet and reception facilities are available for groups from 25 to 300. In addition to the Main Dining Room, the Creole Room and the Balcony Room are available. A professional kitchen and banquet staff are ready to meet a variety of food service needs.

Cafe New Orleans, a full-service coffee shop, is located in the Hardin Student Center. A wide variety of gourmet coffee and tea is available, as well as fresh croissants, muffins, sandwiches, and salads.

**Post Office**

A full-service Contract Station Post Office is located in the Hardin Student Center. Hours of operation are 8 a.m.-5 p.m., Monday-Thursday; and 8 a.m.-3:30 p.m. Friday, with both morning and afternoon mail pick-ups daily. Mail is delivered to all apartment buildings on campus with the exception of the dormitories and the Courtyard Apartments. Students residing in the dormitories are required to rent campus post office boxes.

**Online Bookstore**

Textbooks are available at the all-new NOBTS Virtual Bookstore (nobts.ecampus.com). Students are able to buy, rent, and sell textbooks/e-textbooks through the virtual bookstore.

**Student Organizations**

A number of student organizations function under the umbrella of the Campus Life Office with the approval of the Administrative Council of the seminary. These organizations provide opportunities for service, friendship development, and personal growth. Various organizations on the campus minister to the spiritual as well as the social needs of the students. While care is exercised not to organize excessively so as to interfere with the study of the students, ample opportunity for the social and spiritual development of the seminary family is provided.

**ALL PEOPLES FELLOWSHIP** - The purpose of the fellowship is to encourage students with international missions interest to continue to seek God’s call in fulfilling the Great Commission with inspiration, prayer and fellowship. Several informal meetings are planned each semester. APF is supported by a private Face Book group which is managed by graddeanassist@nobts.edu. Contact the Global Mission Center or Graduate Dean for more information.

**BAPTIST COLLEGIATE MINISTRY** - BCM@NOBTS exists to work with student life to provide an engaging student experience by providing community building on campus and missional living opportunities throughout the New Orleans Metro area.

**BIVOCATIONAL PASTORS FELLOWSHIP** - This organization is for undergraduate and graduate students who are serving or will serve as bivocational pastors. As an auxiliary organization to Shepherds Fellowship Forum, BPF meets each semester to encourage and mentor students in bivocational pastoral ministry. Financial support for BPF comes from the A.E. **DEAD PREACHERS SOCIETY** - The purpose of the Dead Preachers Society is to encourage preachers in the passionate proclamation of His Word through weekly meetings and other special events.

**INTERNATIONAL STUDENT FELLOWSHIP** - The purpose of this organization is to promote fellowship among the members through Bible studies and planned activities.

**KOREAN STUDENT ASSOCIATION** - This organization helps care for Korean students by encouraging and equipping them spiritually and physically to do the work of God.

**NOBTS STUDENT COUNSELOR ASSOCIATION** - This student association seeks to share the diversified skills and talents of our peer group in order to provide an atmosphere that will aid us in our professional development, and encourage us as we pursue the call of God in a counseling ministry. We seek to provide opportunities for training and certification in various counseling skills areas. The NOBTS Student Counselor Association welcomes students/faculty of all backgrounds who are interested.

**QUEST STUDENT WOMEN’S MINISTRY** - Quest is a student-led fellowship for women seminary students. This organization is designed to provide encouragement for women during their time in seminary through monthly events.

**SHEPHERD’S FELLOWSHIP FORUM** - Shepherd’s Fellowship Forum is a pastoral ministries faculty-sponsored organization for students, undergraduate and graduate, who serve or are preparing to serve in the office of pastor or in pastor-type positions (e.g., chaplains, staff members, missionaries, church planters.) SFF meets once a semester to mentor, encourage, and expose students to exemplary practitioners involved in effective pastoral ministry and to the NOBTS pastoral ministries faculty on a more personal basis.

**STUDENT THEOLOGICAL FELLOWSHIP** - The Student Theological Fellowship is a student-led organization that seeks to encourage students to think theologically and minister more effectively. This fellowship promotes academic and social networking by providing a forum for both critical reflection on theological issues and collegial interaction.

**STUDENT WIVES FELLOWSHIP** - This fellowship of women meets monthly during the school year to provide encouragement for student wives on the campus through Bible study, fellowship, and planned activities. In addition, academic courses are provided for student wives to equip them for ministry alongside their husbands. These classes are free-of-charge and free childcare is provided at the Preschool Center.

For more information about NOBTS’ student organizations, contact the Campus Life Office at 816-8427.

**Educational Options for Children**

**Early Learning Center**

The Early Learning Center provides religious education for children who are six weeks old through age five. The Summer Day Camp program is for children who have completed kindergarten through the sixth grade. The Center contains ten classrooms equipped with child-size furniture and educational materials. Playgrounds are separated to provide age-appropriate learning environments. Parents and students may visit in classrooms and observe preschoolers in planned learning experiences. Seminary students may enroll their preschool children in the Center. Parents should contact the Center for more information.

**Home Schooling**

The Christian Home Educators Support System (CHESS) is an organization of home-school families within the Seminary community. New Orleans Seminary provides an on-campus facility for meetings, student activities, educational resources, and student testing. A home-school staff coordinator oversees CHESS and provides relevant information to parents. Annual activities include workshops for the parent-teachers, a reading incentive program, monthly field trips, a physical education program, a project fair, a Christmas musical, holiday parties, Stanford Achievement Testing, and an end-of-the-year recognition night.

**Public and Private Schools**

Information on local public and private schools is available from the Dean of Students Office.

**Employment**

**Church-Minister Relations**

The Office of Church-Minister Relations, located in the Hardin Student Center, provides assistance to students and alumni seeking ministry opportunities on the local, state, and national levels through a program entitled Ministry Connections. Individuals interested in finding a place of service are encouraged to contact this office for counsel, resume development, and information. Interviews are conducted throughout the year by churches and organizations seeking additional staff members.

**Off-Campus Employment**

Many local employers prefer seminarians and their spouses as employees. A list of job openings in the community is maintained in the Financial Aid Office, located in the Hardin Student Center, and is available at the NOBTS website under Financial Aid. The Financial Aid Office is a point of reference for students and spouses seeking information about jobs.

**On-Campus Employment**

Applications for on-campus jobs are available in the Business Office. These applications are valid for 90 days. The Business Office does not maintain a list of job openings for on-campus employment.

**General Housing**

**Assignment of Seminary Housing**

An application for seminary housing must be submitted to the Housing Office immediately upon receipt of a letter of approval.
from Leavell College. Assignments are made in order of receipt as space is available. A letter of assignment will be sent to the applicant once assignment is finalized.

Deposit
The following policies will govern deposits: Dormitories. Upon receipt of the letter of assignment, the student will submit a non-refundable confirmation fee to confirm the reservation of the dormitory room. At check-in, the deposit (see fee schedule) is to be paid when the keys are received. This deposit will be refunded at the end of the student’s residency in the dormitory, as long as proper check-out procedures are followed and no damage has occurred.

Apartment. Upon receipt of the letter of apartment assignment, the student will submit a non-refundable confirmation fee (see fee schedule) to confirm the reservation of the residence. The deposit (see fee schedule) is due when keys are received. A refundable portion may be given back to the resident upon move-out as long as proper check-out procedures are followed and no damage, painting, and/or wallpapering has occurred. Once a residence has been accepted, rent will begin on the date the residence is assigned to the applicant whether the keys have been obtained or not.

Priority of Assignment
Priority of apartment assignment is determined by the date the application is made, the date that the applicant has requested to move in, and the status of the student, prioritized in this order: (1) students who have completed at least one term, (2) students currently enrolled in their first term, and (3) students who have been approved for admission, but have not enrolled. On campus transfer requests may be accommodated after waiting lists are exhausted and availability allows.

A dependent other than a child will be considered as one child. No additional charge will be made in cases where the dependent is truly a dependent and not merely using seminary housing while earning a living or attending school, etc.

Students who are not full-time students are not eligible for campus housing or financial aid. A full-time undergraduate student must take 12 hours per semester. Students who register or drop courses that lowers them to below full-time status will be reported from the Registrar's Office to the Housing Office and the Financial Aid Office. Academic workshop hours and Internet courses do not count toward full-time status.

Laundry
Washer and dryer hookups are available in Oaks, Farnsworth, and Manor apartments. All other students have access to laundry facilities in their respective complex. Campus laundry facilities are also available at the Courtyard Apartments.

Refrigerators
Dormitories. Small personal refrigerators are permitted in the dormitories. Community refrigerators are provided by the Seminary and are located in the various kitchenette units within each respective building.

Apartments. Refrigerators are provided in Courtyard, Willingham Manor, Farnsworth, Iroquois Manors, Crutcher, DeMent and Lipsy, Oaks, and Staff Village Apartments. These appliances may not be removed from the residence.

Utilities
Water for all apartments is furnished by the Seminary. Students occupying apartments where utilities are not furnished by the Seminary are required to arrange service for gas and electricity dealing directly with Entergy. It is the resident’s responsibility to contact Entergy and have services connected in his or her name prior to move-in.

Phone
All student-housing units are provided with local phone service through the Seminary phone system. Telephone charges (local) are included with rent. Long-distance calls are billed through the Seminary phone systems. Any student on the Seminary system may elect to use a long-distance calling card (refer all questions regarding this arrangement to telephone services at ext. 8599). Telephones are not provided in any campus housing units (including dormitories).

Pets
Dormitories. No animals of any kind are permitted in the dormitories. Students living in dormitories are not allowed to have small caged pets or aquarium pets of any kind.

Apartments. No animals of any kind (exclusive of aquarium and small caged pets) are allowed in seminary-owned student housing units. Dogs, cats, and ferrets are not considered to be small caged pets.

Farnsworth-only Pet Policy. The seminary has approved a one-year experiment permitting pets for residents of Farnsworth Apartments. Married staff and students are eligible for a Farnsworth apartment without regard to family size if they have a pet. Residents of Farnsworth with pets will pay a higher rate for rent and will be required to pay a $200 non-refundable pet deposit in addition to the regular apartment deposit.

Dormitory Rooms
Dormitory rooms are provided for both men and women. This area of housing accommodates single students or married students whose families are not in residence with them at the Seminary.

Room assignments are made by the Housing Office after a student has been accepted by the Seminary and has submitted an application for housing. Specific room number assignments are made upon arrival. Room rental charges begin on the resident's requested move-in date, whether the keys have been obtained or not, and end when the keys are returned upon moving out. The room will be inspected for cleanliness and damages, and the deposit will be refunded/ forfeited based on this inspection. Rental payments must be made to the Business Office at the beginning of each calendar month.

The Seminary reserves the right to require that all dormitory rooms be semi-private in occupancy when the enrollment makes such occupancy necessary. Furniture may not be moved in or out of the rooms. Each room is equipped with two beds and desks, which must remain in the room; removal of these items will result in a forfeiture of deposit. Regulations prohibit cooking and the use of any heating or cooling appliance in the room. Other seminary policies may be obtained from the Student Handbook.

Federal and State Loan Deferments
The Seminary does not participate in any federally funded loan or grant programs such as Stafford loans or Pell grants. We do accept educational or Signature loans from various lenders. Contact the Financial Aid Office at financialaid@nobts.edu or 504.282.4455 ext. 3348 to get more information about student loans.

Enrolled students do qualify for deferment of payment of existing federally guaranteed student loans and should contact their lender for specific information as well as the Registrar's Office for enrollment verification.

Scholarships
Applications are available for scholarships to assist with current tuition costs during the Fall and Spring semesters. Awards are made on a need basis and vary in amount. Application does not insure that an award will be made. In order to be awarded a grant, each applicant must have a zero balance on his/her student account.

First-semester Student Scholarships are available to brand new students on the New Orleans campus. An application should be completed online by June 15th for the Fall semester and November 1st for the Spring semester.

Main campus Leavell College students must maintain full-time status (12 semester hours) through the academic period covered by the grant award. Extension Center students must maintain enrollment in at least two courses per semester through the academic period covered by the grant award. Miscellaneous Scholarships
The Financial Aid Office maintains a web page, which contains descriptions of various non-seminary sources for financial assistance. Included in the information will be qualifications, contact persons, and phone numbers or addresses. State Baptist conventions and foundations are listed on the web page.

Any church, organization, or donor may contribute funds for a particular student by including written instructions with their donation. For information on the deductibility of the gift for tax purposes, please contact the NOBTS Office of Institutional Advancement at 504.282.4455 ext. 3252. Additional options for making a gift are also available.

Emergency Aid
The Seminary maintains an active program of assistance for students who are experiencing short-term financial emergencies. Students seeking such assistance may contact the Financial Aid Office to set up a one-on-one meeting with the Director.

Official Payments (OP) Monthly Payment Plan
Official Payments is a monthly payment plan program that provides students with a low cost plan for budgeting expenses. It is not a loan program; therefore, the student has no debt, there are no interest charges assessed, and there is no credit check. The only fee to budget payments through Official Payments is a nonrefundable enrollment fee per semester paid to the Official Payments company at the same time as the down payment.

How to enroll with Official Payments: Once students determine the amount needed to budget (only tuition and fees may be included), they enroll online through the Finances tab in their SelfServe student account. Problems accessing SelfServe should be directed to the ITC office at 504.282.4455, ext. 8180. The Official Payments plan must be completed by the Final Day for Tuition Payment set by the Registrar’s Office; otherwise, the NOBTS Business Office will assess a late payment fee. Official Payments automatically deducts the monthly payments from a student’s checking account, savings account, or credit card.

Payment Schedule: When the plan is established, Official Payments will process the enrollment fee and an immediate down payment of 20% of the total amount budgeted. This will be followed by 4 monthly payments of 20% (Feb. - May for Spring semester and Sept. - Dec. for Fall semester). These monthly payments can be scheduled between the 1st and 10th of each month. Separate Official Payments plans are available for Doctor of Ministry students (using the trimester system) and for all students during the Summer. Students are responsible for notifying the seminary of any changes they would like made to the original plan. In the event there are consistent problems with any student’s plan, Official Payments and the NOBTS Financial Aid Office reserve the right to terminate the plan and restrict usage to the monthly payment system. Contact the Financial Aid Office for more information.

Financial Counseling
The Dean of Students Office is aware of the unique pressures associated with seminary life in the area of personal finance and family relationships. The Director of Financial Aid is available to meet with current students and students approved for admission to discuss budgeting, provide financial counseling, or offer encouragement in other areas of student family life.

Awards
A “Celebration of Excellence,” the annual awards assembly, occurs near the end of the spring semester each year. The purpose of the assembly is to recognize and honor outstanding senior students in the graduating class of the academic year in the various degree programs.

The awards consist of appropriate plaques for all recipients, and monetary awards.
Accelerated Programs of Study

Accelerated MDiv Program
Directed by Dr. Jonathan Patterson

Leavell College students who wish to pursue a graduate degree after graduation may be eligible to receive credit through the Accelerated MDiv program. The Accelerated MDiv helps qualified students earn their degree at a faster pace, while saving money in the process. In order to qualify, Leavell College graduates must be no more than five years removed from their baccalaureate graduation and have earned at least a B in the equivalent courses.

Qualifying students have the opportunity to earn up 25% of their MDiv for free through the Accelerated MDiv program. For example, a student seeking a standard 84-hour MDiv may be eligible to receive up to 21 hours of credit toward that degree through the Accelerated MDiv program. Thus, qualified students could earn their MDiv in less time and at a significant savings.

Leavell College students are encouraged to contact the Accelerated MDiv office prior to graduation in order to determine their qualifications through the program. Students who contact the Accelerated MDiv office prior to their senior year may also receive advising to help maximize their benefit through the program.

How Do I Apply?
The Accelerated MDiv is not a new degree program and requires no special registration process. Students will declare their major through the Registrar's office and contact the Accelerated MDiv office for a transcript evaluation. In addition, students must submit a graded research paper to the Accelerated MDiv office or write a new paper demonstrating ability in research and writing; Leavell College students are encouraged to send their graded Senior Seminar papers but any research paper of adequate length will suffice. The student's transcript will be evaluated to determine what credits he/she is eligible to receive through the program and the student will receive a record of these classes, up to 25% of the student's selected degree program. Many Leavell College students are likely to qualify for more than 25% of their degree program, in which case the student will need to work with the Accelerated MDiv office to select the courses for advanced standing.

How Do I Receive These Credits?
Qualifying credits will be added to the student's transcript only after the student has applied and been approved for graduation from the Master's program. No fees are associated with the program, so students will not have to pay anything to receive these credits. However, students will need to keep track of these credits throughout their graduate degree program in order to ensure they do not repeat courses and/or have completed all other necessary courses before applying for graduation. While the Accelerated MDiv office will keep a record of all student qualifications, evaluation and approval for graduation is handled through the NOBTS Registrar's office alone.

What Courses Are Available Through the Accelerated MDiv Program?
Currently, the Accelerated MDiv program offers qualifications for a number of courses at NOBTS and more courses may be added in the future. We encourage students to ask about any new courses that may have been added. To qualify for credit, students must have completed equivalent courses at the undergraduate level with a grade of B or better. While most of qualifications for the Accelerated MDiv require three equivalent hours, qualification for New Testament, Old Testament, and Systematic Theology require at least six hours at the undergraduate level. Below is a current list of courses available through the Accelerated MDiv and the necessary Leavell College course(s) for qualification:

**Advanced Placement in Languages**

In addition to hours earned through the Accelerated MDiv, Leavell College students who take Greek and/or Hebrew may also qualify for advanced placement in languages. For every six hours of undergraduate credit in Greek or Hebrew (with a B or better), students may qualify to proceed into the next logical class. Students who bypass language courses must earn a B or better in the course they take at NOBTS in order to receive credit for the bypassed course(s); the student will then pay 1/3 tuition cost for the bypassed course(s). Leavell College graduates may qualify for advanced placement based on the following:

Accelerated BA + MDiv  
Directed by Dr. Charlie Ray, III

The Accelerated BA + MDiv is designed to prepare pastors to stand firm on the truth of God’s Word through a concentrated five-year program, dedicated to producing God-called, biblically-equipped church leaders. In just five years, students will earn their bachelor’s and master’s degrees; they will be mentored by seminary faculty and other ministry leaders; they will form lasting relationships with other future pastors; and they will learn to be wise stewards of the resources God has given them. The program is designed for students to finish their BA in 3 years by taking an accelerated load of classes and then to finish the MDiv in two years by taking advantage of the Accelerated MDiv program.

Students accepted into the program will be required to attend monthly meetings that focus on financial stewardship, a biblical philosophy of ministry, connecting with other future pastors, and learning from pastors already serving in the field. Students will also be required to take at least one mentoring class each year they are in the program.

Applicants for the program must be 18-21 years old and sense a call to pastor churches in the United States after graduation. Since the program meetings will be held at the main campus in New Orleans, applicants must either be on-campus students or be able to commute to New Orleans for these monthly meetings. Candidates for this program must also be willing to devote themselves to an intense time of theological study in order to complete the accelerated program in 5 years. Those interested in the Accelerated BA + MDiv will be interviewed by the Program Director before being accepted into the program.

Through the Accelerated BA + MDiv program future pastors will be sent out to the field faster, saving both time and money. This direct path to the place of their calling is not a short-cut but an intensified time of preparation. Students will be prepared both inside and outside the classroom for the calling God has placed on their lives. The goal of the Accelerated BA + MDiv is to train the next generation of pastors and to send them out equipped, connected, and ready for ministry.

For more information about the Accelerated BA + MDiv, call 1-800-NOBTS-01 ext. 8073, email crayiii@nobts.edu, or visit the program’s website at www.nobts.edu/ba-mdiv.

Accelerated MMCM  
Directed by Dr. Greg Woodward

The Church Music Division is proposing that students from Baptist College and Universities that have NASM accreditation be granted credit for the accelerated MDiv courses that align with the MMCM or MDiv in Church Music and the following courses unique to the Church Music portion of the MMCM or MDivCM:

1) Keyboard Competency in Church Music--2 Hours (i.e., most NASM schools have a keyboard proficiency test; although a particular school’s test may not be identical to the NOBTS piano proficiency, the Church Music Division is willing to grant credit if the school is NASM accredited),

2) Private Voice--3 Hours (i.e., many students entering our MMCM have completed a voice recital at the undergraduate level; a student who does not have a voice recital would likely not be able to receive credit unless a transcript or correspondence with a school verifies vocal competence),

3) Worship Band Leadership--1 hour (Some Baptist College and Universities have a worship band class; a course description of an undergrad class could be submitted to the Church Music Division for review in terms of eligibility for credit). Additionally, a student who desires to pursue an MDiv in Church Music would be eligible for credit for the complete list of “Accelerated MDiv” courses, as well as the particular Church Music courses outlined above.

Accelerated MMCM

The student who might be interested in receiving credit for an Accelerated MMCM or MDiv in Church Music could receive up to 25% of the degree in advanced standing (12 hours of credit (in the current 49 hour MMCM) among the following courses: [see chart on following page]

The Caskey Center for Church Excellence was established in Spring 2014 and is an initiative between NOBTS and an anonymous donor to provide free theological education for Louisiana SBC pastors and staff members who are bi-vocational or serve smaller membership churches. In Fall 2014, the donor gave additional funds to extend the full-tuition scholarship program to include Mississippi SBC pastors and staff members who are bi-vocational or serve smaller membership churches. In Summer 2015, the donor provided further funds to expand the full-time tuition scholarship program to include Alabama SBC pastors and staff who are bi-vocational or serve smaller membership churches.

- Scholarship recipients also receive the Logos Silver Bible software package.

New Orleans Baptist Theological Seminary was the first Southern Baptist school to offer formal, specialized theological education in the area of women's ministry. Since its beginning in March 1997, this innovative program has increased in student enrollment and degree options. Its success is the result of growing interest in women's ministry, the need for pragmatic training in women's work, and increased leadership roles for women in the local church. God is preparing hundreds of women to minister to other women through their local churches.

Courses

The Women's Ministry Program offers short-term courses at the main NOBTS campus year-round during academic workshops. Courses are offered in a convenient three- or five-day class format, approximately five times each year. In addition, two courses are taught online each semester.

Course Schedule

A multi-year course schedule and description of courses may be obtained from New Orleans Baptist Theological Seminary. Students who have received at least a high school diploma or its equivalent may earn baccalaureate academic credit for these certificate courses; and graduate students can earn master's level credit.

Women's Ministry Certificate

The Women's Ministry Certificate prepares Christian women to lead women's ministries in local churches. Courses provide inspiration, information, instruction, and interaction for church staff, women's ministry directors, and lay leaders. Eight hours are required for completion.

Advanced Women's Ministry Certificate

The Advanced Women's Ministry Certificate provides additional training for leaders in the women's ministry of local churches who already have completed the Basic Women's Ministry Certificate. Courses offer interaction with other women's ministry leaders as well as supplemental instruction and church-based projects. Eight additional hours are required for the Advanced Women's Ministry Certificate.

For more information about the Women's Ministry Programs, phone 1-800-NOBTS-01, ext. 3334, or visit the website at www.nobts.edu.
