A Welcome from the President

Welcome to New Orleans Baptist Theological Seminary and Leavell College!

Everything we do as an institution is driven by this statement:

NOBTS and Leavell College prepare servants to walk with Christ, proclaim His truth, and fulfill His mission.

My prayer for you as you study here is that God would create in you a passion to serve. As you work hard at your studies, do not neglect your walk with Christ. Your relationship with Him will sustain you long after you leave this place. Be diligent in your studies, but maintain your walk with Christ because it is the truth of Jesus we proclaim and His calling that we answer. The mission of Christ is simple, go and make disciples. Whatever context God calls you to serve in, do so faithfully and humbly following the example Jesus set as he washed the feet of the disciples. Let us be men and women who take up the towel and basin to serve others.

One of the real gifts of your time at NOBTS and Leavell College will be the friendships you develop with fellow students, faculty, and staff. I encourage you to work hard in your studies, but also take time to invest in friendships that will last a lifetime. Those friends will be a support and encouragement to you throughout your life and ministry.

You are answering God's call to serve Him wherever He may lead. I pray that your time at NOBTS and Leavell College enriches you and strengthens you for the task ahead.

Jamie Dew

A Welcome from the Provost

The mission of New Orleans Baptist Theological Seminary is to "prepare servants to walk with Christ, proclaim His truth, and fullfill His Mission." Everything we do is geared to fulfilling that mission. I trust God has called you to NOBTS or Leavell College to join us in that mission. We are excited about what God is doing here, and I'm glad you are going to be a part of it.

Our faculty have prayerfully designed a curriculum that will equip you for a variety of ministries. While you are here, let me encourage you to approach each class as more than a requirement for a degree. God has called you to study here, so do your very best. If you'll approach each class seeking to find what God has for you, God will honor your efforts.

One of my favorite parts about NOBTS and Leavell College is the community. Let me encourage you to get to know your fellow students as you study. Some of my best friends in ministry are people I met in New Orleans. Take advantage of this time God is giving you to develop friendships which can encourage you in ministry for the rest of your life. Find some friends who will pray for you and allow you to pray for them as you seek God together.

The faculty and administration are committed to guide and teach you as you become a part of the seminary. We have a world class faculty who have the best possible academic training. They want to get to know you, and I hope you will take the opportunity to get to know your faculty while you are here. They desire to invest deeply in students, and you will be blessed by them while you are here. The faculty of NOBTS and Leavell College are deeply involved

in local church ministry and average over twenty years of ministry experience. I hope while you are gaining the tools for ministry, you will get involved in some sort of ministry wherever you are. Don't wait until you graduate to begin to do what God has called you to do.

NOBTS and Leavell College Mission

OUR MISSION

New Orleans Baptist Theological Seminary and Leavell College prepare servants to walk with Christ, proclaim His truth, and fulfill His mission.

The mission articulates four key values:

Servanthood

Preparing Servants

NOBTS and Leavell College prepares servants in a variety of ways. Students are encouraged to prepare for ministry while doing ministry through mentoring and other educational formats. Regular opportunities for community service are provided to help students develop the habit of servanthood.

Devotion

Who Walk With Christ

Our goal is that students who come to NOBTS and Leavell College leave with a deeper love for the Lord. Everything we do including the classroom, chapel, and other opportunities to grow in the knowledge of the Lord are designed to help students walk with Christ each day.

Proclamation

Proclaim his Truth

As an institution of higher education, one of the primary goals of NOBTS and Leavell College is to teach students the truth of God's Word and His World. In order to proclaim the truth, students must know it. Our aim is to help students internalize these truths so that they are able to proclaim them accurately.

Mission

And Fulfill His Mission

Everything we do at NOBTS and Leavell College is aimed at fulfilling the mission of Christ. Students are encouraged to not only learn and research the things of God but to use what they learn in the classroom to impact the world for Christ.

History of New Orleans Seminary and Leavell College

Founded for Mission

Established in 1917, New Orleans Baptist Theological Seminary was actually the fulfillment of a century-old dream of Baptists to reach the city of New Orleans (then one of the largest cities in America, with a well-deserved reputation as a "sin city") and to establish a missionary training school at the gateway to Latin America. NOBTS was voted into being by the Southern Baptist Convention in 1917 as messengers met in New Orleans for their annual meeting. New Orleans Seminary was the first theological institution to be created by direct action of the Southern Baptist Convention. Originally named Baptist Bible Institute, the name was changed to New Orleans Baptist Theological Seminary in 1946.

Growth and Expansion

Following unanimous SBC approval in 1917, the Institute opened its first session in October 1918 under the leadership of Byron H. DeMent, who served as president of the Baptist Bible Institute from 1917 to 1928.

Others who have served as president of the school are William W. Hamilton Sr. (1928-42); Duke K. McCall (1943-46); Roland Q. Leavell (1946-58); H. Leo Eddleman (1959- 70); Grady C. Cothen (1970-74); and Landrum P. Leavell II, nephew of Roland Leavell (1974-95); and Charles S. "Chuck" Kelley Jr. (1996-2019).

On June 5, 2019, the NOBTS trustees unanimously elected James K. "Jamie" Dew Jr. to serve as the school's ninth president. Dew brought a wealth of academic, administrative, and ministerial experience to the task. He holds two Ph.D. degrees, one from Southeastern Baptist Theological Seminary and another from the University of Birmingham (UK). Dew previously served as vice president of undergraduate studies and distance learning at Southeastern Seminary.

From its beginning until 1953, the school was located at 1220 Washington Avenue, in the heart of the Garden District of residential New Orleans. During the presidency of Roland Q. Leavell, the current campus at 3939 Gentilly Boulevard was purchased in 1947. The landmark entrance gates and fence from the Garden District mansion now are located on the front block of the Gentilly campus. The current property, once a 75-acre pecan orchard, has been transformed into a beautiful campus with 12 additional acres and more than 70 buildings.

New Orleans Seminary is accredited to offer degrees on both the undergraduate and graduate levels: associate, baccalaureate, master's, and doctoral. The Seminary is committed to making quality theological education as accessible and affordable as possible to as many as possible. NOBTS currently serves more than 2,800 students. More than 20,000 men and women have studied and prepared themselves for ministry at NOBTS. In 2017 and 2018, the seminary celebrated its 100th year of ministry in New Orleans.

Leavell College History

Honoring the legacy left by George Washington and Corra (Berry) Leavell and their extended family, New Orleans Baptist Theological Seminary trustees voted to change the name of the institution's College of Undergraduate Studies to Leavell College in October 2001. The new name recognizes the Leavells' nine sons and their families, eight of whom have served in full-time vocational ministry as pastors, evangelists, missionaries, and denominational leaders throughout the Southern Baptist Convention. One of the brothers, Roland Q. Leavell, served as president of the Seminary for 12 years. Landrum P. Leavell II, nephew of Roland Leavell, served as president for over 20 years.

Roland Q. Leavell, New Orleans Baptist Theological Seminary's fourth president, began the School of Christian Training in 1954. The program, devoted to training students who did not have a college degree, was discontinued a few years after it began. The dream for this type of school did not die.

In 1976, the Seminary re-activated the School of Christian Training (later renamed the College of Undergraduate Studies) with the purpose of offering diploma and associate degree programs. Roland Leavell's nephew, Landrum P. Leavell II, was a driving force in re-establishing and strengthening the School of Christian Training. Leavell envisioned an accredited college that would offer Christian education to a greater number of students. In 1992, the Seminary expanded its undergraduate offerings to include a fully accredited four-year baccalaureate program.

When the school was re-established, the school had only 25 to 30 students. Now with more than 900 students enrolled, Leavell College offers a fully accredited bachelor of arts degree with fifteen available majors, an associate of arts degree including tracks in Spanish and Korean, and certificate-level classes for lay level training.

The Leavell Brothers

Years before Leavell College existed, a group of men turned their hearts to God and were used mightily to change their world. This group was made up of eight brothers, the Leavell brothers. The Leavells were raised by godly parents who surrounded their children by prayer. God found willing hearts in these men who surrendered themselves for service. They were willing to do whatever God had called them to do, even if it had never been done before. Desiring not to be just followers, they became pioneers.

- Frank, one of the brothers, became a pioneer in student ministries work, eventually serving as the Baptist Student Union leader at the Baptist Sunday School Board (now LifeWay).
- Another brother, Landrum P., was the first director of the Baptist Young People's Union, which eventually became the discipleship ministry of the local church.
- Roland Q. served as the evangelism director for the Home Mission Board (now North American Mission Board) and later became president of New Orleans Baptist Theological Seminary from 1946-1958.
- Two brothers, George Walne and Ullin Whitney, served as missionaries in China.
- Leonard O. was a pastor in the Southeast and was the father of New Orleans Baptist Theological Seminary's seventh president, Landrum P. Leavell, who served from 1975-1994, plus an additional year as interim president.
- James Berry was an evangelist and pastor who served churches across the Southeast.
- Clarence Stanley served on the Arkansas state mission board.
- Arnaud Bruce was a dedicated dentist in Hollywood, CA. The Leavells made a great impact on their generation. Our prayer is that the graduates of Leavell College will have a similar impact in the Kingdom of God.

A Vision for the Future

The future is bright at New Orleans Seminary and Leavell College and the school remains committed to the task of training men and women for Gospel ministry in this most unique setting. In addition to a continued focus on graduate programs, NOBTS leaders plan to expand and enhance the work of Leavell College. Dr. Dew also brings a new emphasis on raising up a generation of Gospel ministers marked by servanthood and total devotion to Christ and His kingdom. Servanthood and the basin and towel will characterize the NOBTS community as they proclaim the Gospel and grow in spiritual fervor.

Doctrinal Commitments

New Orleans Baptist Theological Seminary is a confessional Seminary. Our faculty subscribe to the NOBTS Articles of Religious Belief and the Baptist Faith and Message 2000.

Articles of Religious Belief of New Orleans Baptist Theological Seminary and Leavell College

Article I - Sole Authority of Scriptures.

We believe that the Bible is the Word of God in the highest and fullest sense, and is the unrivalled authority in determining the faith and practice of God's people; that the sixty-six books of the Bible are divinely and uniquely inspired, and that they have come down to us substantially as they were under inspiration written. These Scriptures

reveal all that is necessary for us to know of God's plan of redemption and human duty. We deny the inspiration of other books, ancient or modern, and exalt the Bible to an unchallenged throne in our confidence. These Scriptures do not require the authorized interpretation of any church, or council, but are divinely intended for personal study and interpretation, under the guidance of the Holy Spirit.

Article II - One Triune God Who Is Father, Son and Holy Spirit.

We believe in one only true and living God, the Creator and Sustainer of all things, who is infinite, eternal, and unchangeable in every spiritual excellence, and who is revealed to us as Father, Son, and Holy Spirit, three in one and one in three, as the essential mode of His existence. The Father is the Head of the Trinity, into whose hands finally the Kingdom shall be given up. The Son is the promised Messiah of the Old Testament, Jesus Christ who was born of the Virgin Mary, given to reveal God, died to redeem man, rose from the dead to justify the believer, is now at the right hand of God as our Advocate and Intercessor, and at the time the Father keeps in His own power, He will return in visible, personal and bodily form for the final overthrow of sin, the triumph of His people and the judgment of the world.

The Holy Spirit is a Person who has been sent from God to convict the world of sin, of righteousness, and of judgment, to regenerate and cleanse from sin, and to teach, guide, strengthen, and perfect the believer.

Article III - Satan and Sinful Man.

We believe that man was created innocent, but that being tempted by Satan, he sinned, and thereafter all men have been born in sin, and are by nature children of wrath. The original tempter was Satan, the personal devil, who with his angels has been since carrying on his work of iniquity among the nations of the earth. The essence of sin is non-conformity to the will of God, and its end is eternal separation from God.

Article IV - Christ, God's Way of Atonement.

We believe that a way has been provided whereby men born in sin may be reconciled to God. That Way is Jesus Christ, whose death atoned for our sin, and through union with Him we become partakers of His merits, and escape the condemnation of God's holy law. The atonement becomes personally effective through the foreordination and the grace of God, and the free choice and faith of man.

Article V - Christ, the Only Savior From Sin, Without Whom Men Are Condemned.

We believe that apart from Jesus Christ there is no salvation. He is the only and all-sufficient Savior of sinners, irrespective of natural talents, family connection, or national distinction. All men are under condemnation through personal sin, and escape from condemnation comes only to those who hear and accept the gospel. The heathen, then, are under condemnation just as well as those who hear and reject the gospel, for they are sinners by both nature and practice. The pressing and inviolable obligation rests upon every church and individual to present the gospel to all men, that to all men may come the means of eternal life. Unless we proclaim the gospel we shall suffer loss, not only in this life, but in the day when we render to God the account of our stewardship.

Article VI - Conversion Includes Repentance, Faith, Regeneration, and Justification.

We believe that the Christian life begins with conversion. Conversion has several aspects, including repentance, faith, regeneration, and justification. Repentance implies a deep and sincere change of thinking, feeling, and willing toward sin and God, and faith is the surrender of the entire personality, thought, feeling, and volition to Jesus Christ as Savior and Lord. Regeneration is the act of the Holy Spirit by which the sinner is born again, and his whole being is radically changed so that the believer becomes a new creation in Christ Jesus. Justification is the judicial act of God by which the sinner is declared forgiven and freed from the condemnation of his sin, on the ground of the perfect righteousness of Christ, imputed by grace through faith. The life begun in regeneration is never lost, but by the grace and power of God, and the faith and cooperation of the believer is constantly brought nearer to that state of perfect holiness which we shall experience finally in heaven.

Article VII - Final Resurrection of All Men.

We believe in the final resurrection of all men, both the just and the unjust; and that those who here believe unto salvation shall be raised to everlasting life, while those who here disbelieve shall be raised to everlasting condemnation.

Article VIII - A New Testament Church Is a Body of Baptized Believers, Observing Ordinances of Baptism and the Lord's Supper.

We believe that a New Testament Church is a voluntary assembly, or association of baptized believers in Christ covenanted together to follow the teachings of the New Testament in doctrine, worship, and practice. We believe there are only two Church ordinances– baptism and the Lord's Supper–and that a church, as a democratic organization, is served by only two types of officers–pastors or bishops, and deacons. We believe that saved believers are the only scriptural subjects of baptism, and that immersion, or dipping, or burial, in water, and resurrection therefrom is the only scriptural act of baptism. We believe that the Lord's Supper is the partaking by the church of bread and wine, as a memorial of the Lord's death, and our expectation of His return. The bread typifies His body; the wine typifies His blood. We deny the actual presence of His body and blood in the bread and wine.

Article IX - Lord's Day and Christian Support of Civil Government.

We believe that the Christian Sabbath, or Lord's Day, should be observed as a day of rest and Christian service in memory of the resurrection of Christ, and as a means of Christian development and usefulness. We believe in civil government as of divine appointment, in the complete separation of church and state, and in the universal right to civil and religious liberty.

Article X - Baptist Loyalty to Distinctive Baptist Doctrines.

We believe that Baptists stand for vital and distinctive truths, to many of which other denominations do not adhere, and that we cannot compromise these truths without disloyalty to the Scriptures and our Lord. We believe that we should cooperate with other denominations insofar as such cooperation does not affect these truths, but no union with them is possible, except on the basis of acceptance in full of the plain teachings of the Word of God.

The Baptist Faith and Message 2000

Report of the Baptist Faith and Message 2000 Study Committee

Baptists are a people of deep beliefs and cherished doctrines. Throughout our history we have been a confessional people, adopting statements of faith as a witness to our beliefs and a pledge of our faithfulness to the doctrines revealed in Holy Scripture.

Our confessions of faith are rooted in historical precedent, as the church in every age has been called upon to define and defend its beliefs. Each generation of Christians bears the responsibility of guarding the treasury of truth that has been entrusted to us [2 Timothy 1:14]. Facing a new century, Southern Baptists must meet the demands and duties of the present hour.

New challenges to faith appear in every age. A pervasive anti-supernaturalism in the culture was answered by Southern Baptists in 1925, when the Baptist Faith and Message was first adopted by this Convention. In 1963, Southern Baptists responded to assaults upon the authority and truthfulness of the Bible by adopting revisions to the Baptist Faith and Message. The Convention added an article on "The Family" in 1998, thus answering cultural confusion with the clear teachings of Scripture. Now, faced with a culture hostile to the very notion of truth, this generation of Baptists must claim anew the eternal truths of the Christian faith.

Your committee respects and celebrates the heritage of the Baptist Faith and Message, and affirms the decision of the Convention in 1925 to adopt the New Hampshire Confession of Faith, "revised at certain points and with some additional articles growing out of certain needs. . . ." We also respect the important contributions of the 1925 and 1963 editions of the Baptist Faith and Message.

With the 1963 committee, we have been guided in our work by the 1925 "statement of the historic Baptist conception of the nature and function of confessions of faith in our religious and denominational life. . . ." It is, therefore, quoted in full as a part of this report to the Convention:

1. That they constitute a consensus of opinion of some Baptist body, large or small, for the general instruction and guidance of our own people and others concerning those articles of the Christian faith which are most surely held among us. They are not intended to add anything to the simple conditions of salvation revealed in the New Testament, viz., repentance toward God and faith in Jesus Christ as Saviour and Lord.
2. That we do not regard them as complete statements of our faith, having any quality of finality or infallibility. As in the past so in the future, Baptists should hold themselves free to revise their statements of faith as may seem to them wise and expedient at any time.
3. That any group of Baptists, large or small, have the inherent right to draw up for themselves and publish to the world a confession of their faith whenever they may think it advisable to do so.
4. That the sole authority for faith and practice among Baptists is the Scriptures of the Old and New Testaments. Confessions are only guides in interpretation, having no authority over the conscience.
5. That they are statements of religious convictions, drawn from the Scriptures, and are not to be used to hamper freedom of thought or investigation in other realms of life.

Baptists cherish and defend religious liberty, and deny the right of any secular or religious authority to impose a confession of faith upon a church or body of churches. We honor the principles of soul competency and the priesthood of believers, affirming together both our liberty in Christ and our accountability to each other under the Word of God.

Baptist churches, associations, and general bodies have adopted confessions of faith as a witness to the world, and as instruments of doctrinal accountability. We are not embarrassed to state before the world that these are doctrines we hold precious and as essential to the Baptist tradition of faith and practice.

As a committee, we have been charged to address the "certain needs" of our own generation. In an age increasingly hostile to Christian truth, our challenge is to express the truth as revealed in Scripture, and to bear witness to Jesus Christ, who is "the Way, the Truth, and the Life."

The 1963 committee rightly sought to identify and affirm "certain definite doctrines that Baptists believe, cherish, and with which they have been and are now closely identified." Our living faith is established upon eternal truths. "Thus this generation of Southern Baptists is in historic succession of intent and purpose as it endeavors to state for its time and theological climate those articles of the Christian faith which are most surely held among us."

It is the purpose of this statement of faith and message to set forth certain teachings which we believe.

I. The Scriptures

The Holy Bible was written by men divinely inspired and is God's revelation of Himself to man. It is a perfect treasure of divine instruction. It has God for its author, salvation for its end, and truth, without any mixture of error, for its matter. Therefore, all Scripture is totally true and trustworthy. It reveals the principles by which God judges us, and therefore is, and will remain to the end of the world, the true center of Christian union, and the supreme standard by which all human conduct, creeds, and religious opinions should be tried. All Scripture is a testimony to Christ, who is Himself the focus of divine revelation.

II. God

There is one and only one living and true God. He is an intelligent, spiritual, and personal Being, the Creator, Redeemer, Preserver, and Ruler of the universe. God is infinite in holiness and all other perfections. God is all powerful and all knowing; and His perfect knowledge extends to all things, past, present, and future, including the future decisions of His free creatures. To Him we owe the highest love, reverence, and obedience. The eternal triune God reveals Himself to us as Father, Son, and Holy Spirit, with distinct personal attributes, but without division of nature, essence, or being.

A. God the Father

God as Father reigns with providential care over His universe, His creatures, and the flow of the stream of human history according to the purposes of His grace. He is all powerful, all knowing, all loving, and all wise. God is Father in truth to those who become children of God through faith in Jesus Christ. He is fatherly in His attitude toward all men.

B. God the Son

Christ is the eternal Son of God. In His incarnation as Jesus Christ He was conceived of the Holy Spirit and born of the virgin Mary. Jesus perfectly revealed and did the will of God, taking upon Himself human nature with its demands and necessities and identifying Himself completely with mankind yet without sin. He honored the divine law by His personal obedience, and in His substitutionary death on the cross He made provision for the redemption of men from sin. He was raised from the dead with a glorified body and appeared to His disciples as the person who was with them before His crucifixion. He ascended into heaven and is now exalted at the right hand of God where He is the One Mediator, fully God, fully man, in whose Person is effected the reconciliation between God and man. He will return in power and glory to judge the world and to consummate His redemptive mission. He now dwells in all believers as the living and ever present Lord.

C. God the Holy Spirit

The Holy Spirit is the Spirit of God, fully divine. He inspired holy men of old to write the Scriptures. Through illumination He enables men to understand truth. He exalts Christ. He convicts men of sin, of righteousness, and of judgment. He calls men to the Saviour, and effects regeneration. At the moment of regeneration He baptizes every believer into the Body of Christ. He cultivates Christian character, comforts believers, and bestows the spiritual

gifts by which they serve God through His church. He seals the believer unto the day of final redemption. His presence in the Christian is the guarantee that God will bring the believer into the fullness of the stature of Christ. He enlightens and empowers the believer and the church in worship, evangelism, and service.

III. Man

Man is the special creation of God, made in His own image. He created them male and female as the crowning work of His creation. The gift of gender is thus part of the goodness of God's creation. In the beginning man was innocent of sin and was endowed by his Creator with freedom of choice. By his free choice man sinned against God and brought sin into the human race. Through the temptation of Satan man transgressed the command of God, and fell from his original innocence whereby his posterity inherit a nature and an environment inclined toward sin. Therefore, as soon as they are capable of moral action, they become transgressors and are under condemnation. Only the grace of God can bring man into His holy fellowship and enable man to fulfill the creative purpose of God. The sacredness of human personality is evident in that God created man in His own image, and in that Christ died for man; therefore, every person of every race possesses full dignity and is worthy of respect and Christian love.

Genesis 1:26-30; 2:5,7,18-22; 3; 9:6; Psalms 1; 8:3-6; 32:1-5; 51:5; Isaiah 6:5; Jeremiah 17:5; Matthew 16:26; Acts 17:26-31; Romans 1:19-32; 3:10-18,23; 5:6,12,19; 6:6; 7:14-25; 8:14- 18,29; 1 Corinthians 1:21-31; 15:19,21-22; Ephesians 2:1-22; Colossians 1:21-22; 3:9-11.

IV. Salvation

Salvation involves the redemption of the whole man, and is offered freely to all who accept Jesus Christ as Lord and Saviour, who by His own blood obtained eternal redemption for the believer. In its broadest sense salvation includes regeneration, justification, sanctification, and glorification. There is no salvation apart from personal faith in Jesus Christ as Lord.

A. Regeneration, or the new birth, is a work of God's grace whereby believers become new creatures in Christ Jesus. It is a change of heart wrought by the Holy Spirit through conviction of sin, to which the sinner responds in repentance toward God and faith in the Lord Jesus Christ. Repentance and faith are inseparable experiences of grace.

Repentance is a genuine turning from sin toward God. Faith is the acceptance of Jesus Christ and commitment of the entire personality to Him as Lord and Saviour.

B. Justification is God's gracious and full acquittal upon principles of His righteousness of all sinners who repent and believe in Christ. Justification brings the believer unto a relationship of peace and favor with God.

C. Sanctification is the experience, beginning in

regeneration, by which the believer is set apart to God's purposes, and is enabled to progress toward moral and spiritual maturity through the presence and power of the Holy Spirit dwelling in him. Growth in grace should continue throughout the regenerate person's life.

D. Glorification is the culmination of salvation and is the final blessed and abiding state of the redeemed.

Genesis 3:15; Exodus 3:14-17; 6:2-8; Matthew 1:21; 4:17; 16:21-26; 27:22-28:6; Luke 1:68-69; 2:28-32; John 1:11-14,29; 3:3-21,36; 5:24; 10:9,28-29; 15:1-16; 17:17; Acts 2:21; 4:12; 15:11; 16:30-31; 17:30-31; 20:32; Romans 1:16-18; 2:4; 3:23- 25; 4:3ff.; 5:8-10; 6:1-23; 8:1-18,29-39; 10:9-10,13; 13:11-14; 1 Corinthians 1:18,30; 6:19-20; 15:10; 2 Corinthians 5:17-20; Galatians 2:20; 3:13; 5:22-25; 6:15; Ephesians 1:7; 2:8-22; 4:11- 16; Philippians 2:12-13; Colossians 1:9-22; 3:1ff.; 1 Thessalonians 5:23-24; 2 Timothy 1:12; Titus 2:11-14; Hebrews 2:1-3; 5:8-9; 9:24-28; 11:1-12:8,14; James 2:14-26; 1 Peter 1:2-23; 1 John

1:6-2:11; Revelation 3:20; 21:1-22:5.

V. God's Purpose of Grace

Election is the gracious purpose of God, according to which He regenerates, justifies, sanctifies, and glorifies sinners. It is consistent with the free agency of man, and comprehends all the means in connection with the end. It is the glorious display of God's sovereign goodness, and is infinitely wise, holy, and unchangeable. It excludes boasting and promotes humility.

All true believers endure to the end. Those whom God has accepted in Christ, and sanctified by His Spirit, will never fall away from the state of grace, but shall persevere to the end. Believers may fall into sin through neglect and temptation, whereby they grieve the Spirit, impair their graces and comforts, and bring reproach on the cause of Christ and temporal judgments on themselves; yet they shall be kept by the power of God through faith unto salvation.

Genesis 12:1-3; Exodus 19:5-8; 1 Samuel 8:4-7,19-22; Isaiah 5:1- 7; Jeremiah 31:31ff.; Matthew 16:18-19; 21:28-45; 24:22,31; 25:34; Luke 1:68-79; 2:29-32; 19:41-44; 24:44-48; John 1:12-14; 3:16; 5:24; 6:44-45,65; 10:27-29; 15:16; 17:6,12,17-18; Acts 20:32; Romans 5:9-10; 8:28-39; 10:12-15; 11:5-7,26-36; 1 Corinthians 1:1-2; 15:24-28; Ephesians 1:4-23; 2:1-10; 3:1-11; Colossians 1:12-14; 2 Thessalonians 2:13-14; 2 Timothy 1:12; 2:10,19; Hebrews 11:39–12:2; James 1:12; 1 Peter 1:2-5,13; 2:4- 10; 1 John 1:7-9; 2:19; 3:2.

VI. The Church

A New Testament church of the Lord Jesus Christ is an autonomous local congregation of baptized believers, associated by covenant in the faith and fellowship of the gospel; observing the two ordinances of Christ, governed by His laws, exercising the gifts, rights, and privileges invested in them by His Word, and seeking to extend the gospel to the ends of the earth. Each congregation operates under the Lordship of Christ through democratic processes. In such a congregation each member is responsible and accountable to Christ as Lord. Its two scriptural officers are pastor/elder/overseer and deacons. While both men and women are gifted for service in the church, the office of pastor/elder/overseer is limited to men as qualified by Scripture.

The New Testament speaks also of the church as the Body of Christ which includes all of the redeemed of all the ages, believers from every tribe, and tongue, and people, and nation.

Matthew 16:15-19; 18:15-20; Acts 2:41-42,47; 5:11-14; 6:3- 6; 13:1-3; 14:23,27; 15:1-30; 16:5; 20:28; Romans 1:7; 1 Corinthians 1:2; 3:16; 5:4-5; 7:17; 9:13-14; 12; Ephesians 1:22- 23; 2:19-22; 3:8-11,21; 5:22-32; Philippians 1:1; Colossians 1:18; 1 Timothy 2:9-14; 3:1-15; 4:14; Hebrews 11:39-40; 1 Peter 5:1-4; Revelation 2-3; 21:2-3.

VII. Baptism and the Lord's Supper

Christian baptism is the immersion of a believer in water in the name of the Father, the Son, and the Holy Spirit. It is an act of obedience symbolizing the believer's faith in a crucified, buried, and risen Saviour, the believer's death to sin, the burial of the old life, and the resurrection to walk in newness of life in Christ Jesus. It is a testimony to his faith in the final resurrection of the dead. Being a church ordinance, it is prerequisite to the privileges of church membership and to the Lord's Supper.

The Lord's Supper is a symbolic act of obedience whereby members of the church, through partaking of the bread and the fruit of the vine, memorialize the death of the Redeemer and anticipate His second coming.

Matthew 3:13-17; 26:26-30; 28:19-20; Mark 1:9-11; 14:22- 26; Luke 3:21-22; 22:19-20; John 3:23; Acts 2:41-42; 8:35-39; 16:30-33; 20:7; Romans 6:3-5; 1 Corinthians 10:16,21; 11:23- 29; Colossians 2:12.

VIII. The Lord's Day

The first day of the week is the Lord's Day. It is a Christian institution for regular observance. It commemorates the resurrection of Christ from the dead and should include exercises of worship and spiritual devotion, both public and private. Activities on the Lord's Day should be commensurate with the Christian's conscience under the Lordship of Jesus Christ.

Exodus 20:8-11; Matthew 12:1-12; 28:1ff.; Mark 2:27-28; 16:1- 7; Luke 24:1-3,33-36; John 4:21-24; 20:1,19-28; Acts 20:7; Romans 14:5-10; 1 Corinthians 16:1-2; Colossians 2:16; 3:16; Revelation 1:10.

IX. The Kingdom

The Kingdom of God includes both His general sovereignty over the universe and His particular kingship over men who willfully acknowledge Him as King. Particularly the Kingdom is the realm of salvation into which men enter by trustful, childlike commitment to Jesus Christ. Christians ought to pray and to labor that the Kingdom may come and God's will be done on earth. The full consummation of the Kingdom awaits the return of Jesus Christ and the end of this age.

Genesis 1:1; Isaiah 9:6-7; Jeremiah 23:5-6; Matthew 3:2; 4:8- 10,23; 12:25-28; 13:1-52; 25:31-46; 26:29; Mark 1:14-15; 9:1; Luke 4:43; 8:1; 9:2; 12:31-32; 17:20-21; 23:42; John 3:3; 18:36; Acts 1:6-7; 17:22-31; Romans 5:17; 8:19; 1 Corinthians 15:24- 28; Colossians 1:13; Hebrews 11:10,16; 12:28; 1 Peter 2:4-10;

4:13; Revelation 1:6,9; 5:10; 11:15; 21-22.

X. Last Things

God, in His own time and in His own way, will bring the world to its appropriate end. According to His promise, Jesus Christ will return personally and visibly in glory to the earth; the dead will be raised; and Christ will judge all men in righteousness. The unrighteous will be consigned to Hell, the place of everlasting punishment. The righteous in their resurrected and glorified bodies will receive their reward and will dwell forever in Heaven with the Lord.

Isaiah 2:4; 11:9; Matthew 16:27; 18:8-9; 19:28; 24:27,30,36,44; 25:31-46; 26:64; Mark 8:38; 9:43-48; Luke 12:40,48; 16:19-26; 17:22-37; 21:27-28; John 14:1-3; Acts 1:11; 17:31; Romans 14:10; 1 Corinthians 4:5; 15:24-28,35-58; 2 Corinthians 5:10; Philippians 3:20-21; Colossians 1:5; 3:4; 1 Thessalonians 4:14- 18; 5:1ff.; 2 Thessalonians 1:7ff.; 2; 1 Timothy 6:14; 2 Timothy 4:1,8; Titus 2:13; Hebrews 9:27-28; James 5:8; 2 Peter 3:7ff.; 1 John 2:28; 3:2; Jude 14; Revelation 1:18; 3:11; 20:1-22:13.

XI. Evangelism and Missions

It is the duty and privilege of every follower of Christ and of every church of the Lord Jesus Christ to endeavor to make disciples of all nations. The new birth of man's spirit by God's Holy Spirit means the birth of love for others. Missionary effort on the part of all rests thus upon a spiritual necessity of the regenerate life, and is expressly and repeatedly commanded in the teachings of Christ. The Lord Jesus Christ has commanded the preaching of the gospel to all nations. It is the duty of every child of God to seek constantly to win the lost to Christ by verbal witness undergirded by a Christian lifestyle, and by other methods in harmony with the gospel of Christ.

Genesis 12:1-3; Exodus 19:5-6; Isaiah 6:1-8; Matthew 9:37-38; 10:5-15; 13:18-30, 37-43; 16:19; 22:9-10; 24:14; 28:18-20; Luke 10:1-18; 24:46-53; John 14:11-12; 15:7-8,16; 17:15; 20:21; Acts 1:8; 2; 8:26-40; 10:42-48; 13:2-3; Romans 10:13-15; Ephesians 3:1-11; 1 Thessalonians 1:8; 2 Timothy 4:5; Hebrews 2:1-3; 11:39-12:2; 1 Peter 2:4-10; Revelation 22:17.

XII. Education

Christianity is the faith of enlightenment and intelligence. In Jesus Christ abide all the treasures of wisdom and knowledge. All sound learning is, therefore, a part of our Christian heritage. The new birth opens all human faculties and creates a thirst for knowledge. Moreover, the cause of education in the Kingdom of Christ is coordinate with the causes of missions and general benevolence, and should receive along with these the liberal support of the churches. An adequate system of Christian education is necessary to a complete spiritual program for Christ's people.

In Christian education there should be a proper balance between academic freedom and academic responsibility. Freedom in any orderly relationship of human life is always limited and never absolute. The freedom of a teacher in a Christian school, college, or seminary is limited by the preeminence of Jesus Christ, by the authoritative nature of the Scriptures, and by the distinct purpose for which the school exists.

Deuteronomy 4:1,5,9,14; 6:1-10; 31:12-13; Nehemiah 8:1-8; Job 28:28; Psalms 19:7ff.; 119:11; Proverbs 3:13ff.; 4:1-10; 8:1-7,11; 15:14; Ecclesiastes 7:19; Matthew 5:2; 7:24ff.; 28:19-20; Luke 2:40; 1 Corinthians 1:18-31; Ephesians 4:11-16; Philippians 4:8; Colossians 2:3,8-9; 1 Timothy 1:3-7; 2 Timothy 2:15; 3:14-17; Hebrews 5:12-6:3; James 1:5; 3:17.

XIII. Stewardship

God is the source of all blessings, temporal and spiritual; all that we have and are we owe to Him. Christians have a spiritual debtorship to the whole world, a holy trusteeship in the gospel, and a binding stewardship in their possessions. They are therefore under obligation to serve Him with their time, talents, and material possessions; and should recognize all these as entrusted to them to use for the glory of God and for helping others. According to the Scriptures, Christians should contribute of their means cheerfully, regularly, systematically, proportionately, and liberally for the advancement of the Redeemer's cause on earth.

Genesis 14:20; Leviticus 27:30-32; Deuteronomy 8:18; Malachi 3:8-12; Matthew 6:1-4,19-21; 19:21; 23:23; 25:14-29; Luke 12:16-21,42; 16:1-13; Acts 2:44-47; 5:1-11; 17:24-25; 20:35; Romans 6:6-22; 12:1-2; 1 Corinthians 4:1-2; 6:19-20; 12; 16:1-4; 2 Corinthians 8-9; 12:15; Philippians 4:10-19; 1 Peter 1:18-19.

XIV. Cooperation

Christ's people should, as occasion requires, organize such associations and conventions as may best secure cooperation for the great objects of the Kingdom of God. Such organizations have no authority over one another or over the churches. They are voluntary and advisory bodies designed to elicit, combine, and direct the energies of our people in the most effective manner. Members of New Testament churches should cooperate with one another in carrying forward the missionary, educational, and benevolent ministries for the extension of Christ's Kingdom. Christian unity in the New Testament sense is spiritual harmony and voluntary cooperation for common ends by various groups of Christ's people. Cooperation is desirable between the various Christian denominations, when the end to be attained is itself justified, and when such cooperation involves no violation of conscience or compromise of loyalty to Christ and His Word as revealed in the New Testament.

XV. The Christian and the Social Order

All Christians are under obligation to seek to make the will of Christ supreme in our own lives and in human society. Means and methods used for the improvement of society and the establishment of righteousness among men can be truly and permanently helpful only when they are rooted in the regeneration of the individual by the saving grace of God in Jesus Christ. In the spirit of Christ, Christians should oppose racism, every form of greed, selfishness, and vice, and all forms of sexual immorality, including adultery, homosexuality, and pornography. We should work to provide for the orphaned, the needy, the abused, the aged, the helpless, and the sick. We should speak on behalf of the unborn and contend for the sanctity of all human life from conception to natural death. Every Christian should seek to bring industry, government, and society as a whole under the sway of the principles of righteousness, truth, and brotherly love. In order to promote these ends Christians should be ready to work with all men of good will in any good cause, always being careful to act in the spirit of love without compromising their loyalty to Christ and His truth.

Exodus 20:3-17; Leviticus 6:2-5; Deuteronomy 10:12; 27:17;

Psalm 101:5; Micah 6:8; Zechariah 8:16; Matthew 5:13-16,

43-48; 22:36-40; 25:35; Mark 1:29-34; 2:3ff.; 10:21; Luke 4:18-21; 10:27-37; 20:25; John 15:12; 17:15; Romans 12–14; 1Corinthians 5:9-10; 6:1-7; 7:20-24; 10:23-11:1; Galatians 3:26- 28; Ephesians 6:5-9; Colossians 3:12-17; 1 Thessalonians 3:12; Philemon; James 1:27; 2:8.

XVI. Peace and War

It is the duty of Christians to seek peace with all men on principles of righteousness. In accordance with the spirit and teachings of Christ they should do all in their power to put an end to war.

The true remedy for the war spirit is the gospel of our Lord. The supreme need of the world is the acceptance of His teachings in all the affairs of men and nations, and the practical application of His law of love. Christian people throughout the world should pray for the reign of the Prince of Peace.

Isaiah 2:4; Matthew 5:9,38-48; 6:33; 26:52; Luke 22:36,38; Romans 12:18-19; 13:1-7; 14:19; Hebrews 12:14; James 4:1-2.

XVII. Religious Liberty

God alone is Lord of the conscience, and He has left it free from the doctrines and commandments of men which are contrary to His Word or not contained in it. Church and state should be separate. The state owes to every church protection and full freedom in the pursuit of its spiritual ends. In providing for such freedom no ecclesiastical group or denomination should be favored by the state more than others. Civil government being ordained of God, it is the duty of Christians to render loyal obedience thereto in all things not contrary to the revealed will of God. The church should not resort to the civil power to carry on its work. The gospel of Christ contemplates spiritual means alone for the pursuit of its ends. The state has no right to impose penalties for religious opinions of any kind. The state has no right to impose taxes for the support of any form of religion. A free church in a free state is the Christian ideal, and this implies the right of free and unhindered access to God on the part of all men, and the right to form and propagate opinions in the sphere of religion without interference by the civil power.

Genesis 1:27; 2:7; Matthew 6:6-7,24; 16:26; 22:21; John 8:36; Acts 4:19-20; Romans 6:1-2; 13:1-7; Galatians 5:1,13; Philippians 3:20; 1 Timothy 2:1-2; James 4:12; 1 Peter 2:12-17; 3:11-17; 4:12-19.

XVIII. The Family

God has ordained the family as the foundational institution of human society. It is composed of persons related to one another by marriage, blood, or adoption.

Marriage is the uniting of one man and one woman in covenant commitment for a lifetime. It is God's unique gift to reveal the union between Christ and His church and to provide for the man and the woman in marriage the framework for intimate companionship, the channel of sexual expression according to biblical standards, and the means for procreation of the human race.

The husband and wife are of equal worth before God, since both are created in God's image. The marriage relationship models the way God relates to His people. A husband is to love his wife as Christ loved the church. He has the God-given responsibility to provide for, to protect, and to lead his family. A wife is to submit herself graciously to the servant leadership of her husband even as the church willingly submits to the headship of Christ. She, being in the image of God as is her husband and thus equal to him, has the God-given responsibility to respect her husband and to serve as his helper in managing the household and nurturing the next generation.

Children, from the moment of conception, are a blessing and heritage from the Lord. Parents are to demonstrate to their children God's pattern for marriage. Parents are to teach their children spiritual and moral values and to lead them, through consistent lifestyle example and loving discipline, to make choices based on biblical truth. Children are to honor and obey their parents.

Genesis 1:26-28; 2:15-25; 3:1-20; Exodus 20:12; Deuteronomy 6:4-9; Joshua 24:15; 1 Samuel 1:26-28; Psalms 51:5; 78:1-8; 127; 128; 139:13-16; Proverbs 1:8; 5:15-20; 6:20-22; 12:4; 13:24; 14:1; 17:6; 18:22; 22:6,15; 23:13-14; 24:3; 29:15,17; 31:10-31; Ecclesiastes 4:9-12; 9:9; Malachi 2:14-16; Matthew 5:31-32; 18:2- 5; 19:3-9; Mark 10:6-12; Romans 1:18-32; 1 Corinthians 7:1-16; Ephesians 5:21-33; 6:1-4; Colossians 3:18-21; 1 Timothy 5:8,14; 2 Timothy 1:3-5; Titus 2:3-5; Hebrews 13:4; 1 Peter 3:1-7.

One Faith, One Task, One Sacred Trust

A Covenant Between Our Seminaries and Our Churches

“You therefore, my son, be strong in the grace that is in Christ Jesus. And the things that you have heard from me among many witnesses, commit these to faithful men who will be able to teach others also.” 2 Timothy 2:1-2

For over 135 years, the churches of the Southern Baptist Convention have looked to their seminaries for the training and education of their ministers. These six schools were established and undergirded by Southern Baptists in order that our churches may be served by a more faithful ministry.

This is a critical moment in the history of the Southern Baptist Convention and for our seminaries. The six seminaries serving this denomination bear a precious and perishable responsibility on behalf of our churches; for we are entrusted with those who will be their ministers, pastors, preachers and servants.

Looking to the dawn of the 21st century, we hereby restate and reaffirm our commitment to the churches we serve, to the convictions those churches hold and honor and to the charge we have received on their behalf.

One Faith

The church of Jesus Christ is charged to contend for the faith once for all delivered to the saints. Our seminaries, charged with the theological formation of ministers, must take this charge as central and essential to our mission. In an age of rampant theological compromise, our seminaries must send no uncertain sound.

Let the churches of the Southern Baptist Convention know that our seminaries are committed to theological integrity and biblical fidelity. Our pledge is to maintain the confessional character of our seminaries by upholding those doctrines so clearly articulated in our confessions of faith; by teaching the authority, inspiration, inerrancy and infallibility of the Bible; by maintaining the purity of the Gospel and affirming the identity of Jesus Christ, by whose blood we have been redeemed and in whose name alone salvation is to be found; and by proclaiming with boldness the precious and eternal truths of God’s Word.

In this we stand together, and we stand with our churches. We understand that those who teach take on an awesome responsibility and will receive from our Lord a stricter judgment. We stand before this convention and our churches to declare that we stand together in one faith, serving our Lord Jesus Christ.

One Task

Our mission is to prepare ministers for service. We cannot call ministers nor appoint them to service. Ministers, called by God and commissioned by our churches come to us in order that they may through our seminaries receive learning, training and inspiration for service. Preachers, evangelists, missionaries and those who minister throughout the life of the churches come to our seminaries with the hope that they will leave their programs of study better equipped, armed and matured for the faithful exercise of their calling.

Our mission is to remain ever true to this task. We declare our unflinching resolve to provide the very finest programs of theological education for ministry. We will match theological fidelity to practical ministry, passion to practice, vision to calling and honor to service. This is our task.

One Sacred Trust

Our schools are not generic institutions for religious studies. We are the six theological seminaries serving the Southern Baptist Convention. We belong to you; we belong to the churches of this Convention. We are proud to carry your charge, and we declare our fidelity to you as a sacred trust. In this trust we stand before the Southern Baptist Convention, and we stand together.

Through the trustees elected by this Convention, our churches must hold our seminaries accountable to the faith once for all delivered to the saints, to the essential task of training and educating ministers and to the sacred trust which unites our seminaries and our churches.

As the presidents of your seminaries, we declare our unbending and fervent resolve to uphold all of these commitments. We will lead our institutions so that no harm shall come to your students and ministers; so that they will be rooted and grounded in the truth; so that they will be trained as faithful and effective preachers and teachers; so that they will bring honor to the church and not dishonor; and so that we shall be able to give a good answer and receive a good report when we shall face that stricter judgment which is to come.

This is our pledge, our resolve, our declaration. **One Faith, One Task, One Sacred Trust**.

Cooperative Program Support

Cooperative Program support is a crucial financial lifeline that makes possible the ministry of New Orleans Baptist Theological Seminary. The Cooperative Program is a plan that channels the giving of dedicated Christians in Southern Baptist churches to provide for the ministries of the Southern Baptist Convention. Each year

approximately $500 million is given through the 40,000 SBC churches to the Cooperative Program. Of that money, about $300 million is channeled through state Baptist conventions to provide support for state and associational Baptist work, Christian colleges, orphanages, hospitals, crisis intervention centers, Christian camps, collegiate ministries, and mission churches.

The remaining amount of approximately $200 million is distributed through the SBC Cooperative Program budget to the national and international ministries of the SBC. Of this amount, the International Mission Board receives approximately 50 percent, and the North American Mission Board receives approximately 23 percent. Approximately 22 percent of the Cooperative Program budget goes to support the six SBC seminaries. New Orleans Baptist Theological Seminary receives approximately 3.5 percent of the Cooperative Program budget.

The Cooperative Program provides almost $6.5 million annually, or the equivalent of the income from an endowment of over $130 million, to New Orleans Baptist Theological Seminary each year. This Cooperative Program funding provides approximately one quarter of the annual budget of New Orleans Baptist Theological Seminary.

The Cooperative Program was designed in 1925 as an alternative to the “society method,” in which each society or ministry sends a representative to local churches for a special offering. Unfortunately, in the “society method” the largest offerings go to the ministries with the most effective speakers, not necessarily to the greatest priorities and needs. Also, in the “society method” missionaries must leave their field of ministry to raise money from the churches, rather than having a steady and secure income provided through the Cooperative Program.

The Cooperative Program has proven to be the most effective means of reaching the world for Christ.

The New Orleans Campus

New Orleans Baptist Theological Seminary's 85-acre main campus has over 70 buildings, most in French Colonial architectural style.

The Gentilly location, purchased in 1947 after the original Garden District campus became too small for the Seminary family, originally was a pecan orchard. It is on one of the highest elevations in the city of New Orleans.

Distance Learning

For over a quarter of a century, NOBTS and Leavell College have been providing theological education through extension centers. In order to provide quality theological training for persons in the Southeast already engaged in ministry, NOBTS has made a commitment to be as accessible as possible to as many people as possible. We therefore strive to have an extension center within driving distance of every area in the Southeast.

Under the direction of the Provost and Director of Distance Learning, NOBTS and Leavell College work with appropriate academic administrators and program directors, especially the Graduate Dean and the Dean of Leavell College. This team works to equip servants to walk with Christ, proclaim His truth, and fulfill His mission in a variety of distance learning formats.

Library Services for Extension Center Students

Access to library materials is an important part of the Seminary experience. At the Clinton and North Mississippi extension centers students have access to the college libraries on those campuses where classes are held.

All extension center students have access to the digital platform of the John T. Christian Library. Through this system students are able to search for materials by author, title, and subject. Books may be requested over the system and sent to the student by mail from the main library in New Orleans. Students who have access to the Internet also can access the on-campus library system from their homes. The John T. Christian Library has an extensive collection of e-books available for all students as well.

The library has also subscribed to several powerful bibliographic search engines so that many scholarly journals are available online to extension center students. The John T. Christian Library has secured library agreements with several institutions near our extension centers so that students may access those libraries as well. Information on these agreements may be secured at the library on campus or at the extension center office.

The library provides access to 80+ electronic databases and over 160,000 e-books.

Distance learning has proven to be an effective option for anyone who desires seminary education and training for ministry but cannot move to our main seminary campus. We now offer three options for students to take courses online. First, the Standard Online courses offer you the option to learn at your own convenience and time of day in your current ministry location. Second, NOLA2U Live offers you the convenience of online learning but allows you to join the live classroom. Third, NOLA2U Flex offers you the convenience of online learning but with the flexibility to attend the lectures live or to watch the recorded version within 7 days. For more details, see below under Types of Online Courses.

We currently offer the following degrees online (you may access these degrees by clicking on the hyperlinked degree title):

Schedule

Wherever you live in the United States, you can complete an MDiv degree or Bachelor of Arts degree (except the BA Music) through a mixture of online classes, NOLA2U Live/Flex classes, weekend classes, one-week classes, and regular semester-length classes at any of our locations throughout the Southeast. Please examine the various delivery systems to plan your schedule.

Leavell College Certificates

Leavell College offers two types of undergraduate certificates. The 8-hour Church Leadership Certificates provide specialized teaching for church leaders and members who desire theological training, but who do not wish to complete an associate's degree or bachelor's degree. Korean Theological Institute

Korean online courses and/or Korean Institute classroom courses in Atlanta can be used to complete the Korean Biblical Languages Graduate Certificate. Students needing assistance registering for the Korean online courses should contact the Institute at kti@nobts.edu.

Types of Online Courses

NOBTS and Leavell College offer three options for distance learning students. First, the Standard Online asynchronous courses allow online students to attend their course(s) at their own convenience any time day or night to do their work. Students meet the deadlines as outlined in the course syllabus for the selected semester. The advantage here is that students work when it is convenient to do so during the day or night according to their personal preferences and/or schedules.

The second option for online students is called NOLA2U Live. NOLA2U Live is for students who want the convenience of online learning but prefer synchronous learning in the classroom setting with a live professor. Online students connect to the course via a web conference link to join the live classroom on the main campus. Normal classroom attendance policies apply. The student may not miss more than 9 hours of class time in a semester (for a 3-hour course).

The third option for online students is the NOLA2U Flex option. This option is similar to NOLA2U Live, but with one distinction. The student may join the live class synchronously at the scheduled time of the course, or asynchronously by viewing the recorded version of the class within one week of the missed class to receive attendance credit. The student may not miss more than the maximum number of hours allowed (9 hours of class time for a weekly course) or (1 class session for a monthly hybrid course) in a semester.

Regardless of the option you choose, you have the convenience of online learning tailored to your personal learning style and schedule. Online courses for each of these options may be found in the Course Schedule sections under Academics and Admissions on the NOBTS and Leavell College websites.

This Council is composed of the Leavell College Dean, Associate Dean, and two other Leavell College faculty members. The purpose of the interview is for clarification and edification.

When the necessary information has been received, action will be taken on applications by the Admissions Council of the Seminary. This Council is composed of the Provost, the Associate Vice President of Enrollment, the Dean of Graduate Studies, the Dean of Leavell College, the Vice President of Spiritual Formation and Student Life, and the Director of Leeke Magee Christian Counseling Center. The Admissions office will notify applicants of the decision of the Seminary Admissions Council. The details regarding a decision of the Seminary Admissions Council are never disclosed nor discussed with the applicant. No applicants will be admitted until they have received notice of approval from the office of Leavell College. If an applicant has been denied admission, he or she must wait a minimum of twelve months before he or she can reapply. Upon approval, a full application must be submitted to the Admission's Office.

Students who complete one degree program and apply immediately for another must complete an abbreviated application.

Non-Degree-Seeking

A non-degree-seeking student is any student who is taking classes for credit or auditing a course(s) but has not been admitted into a degree program. To be eligible to take undergraduate level courses as a non-degree-seeking student, the student must apply and be formally admitted as a nondegree-seeking student. Nondegree-seeking students are not eligible to receive Federal Student Aid or any institutional scholarships. To apply as a non-degree seeking student visit www.nobts.edu/apply. When selecting a degree program, the applicant must choose a non-degree seeking option at the appropriate level of study (undergraduate, master's, doctoral).

Deadlines

An application and all supplemental items should be submitted to the Admission's Office as early as possible. For international students, the admissions application and supplemental items should be submitted to the Admission's Office at least 60 days prior to the anticipated date of enrollment. If an applicant has experienced divorce, the admissions department may require additional forms to be completed.

Application materials submitted to the Admission's Office are valid for one year from the date submitted.

Students who do not enroll within a year after being granted admission to the seminary must submit a new application. Students who have been inactive for a full academic year must submit a new application and must re-enter under the latest Catalog.

Immunizations

In compliance with Public Health regulations in the State of Louisiana for all students in institutions of higher learning, the following immunizations are required:

1. Tetanus/Diphtheria-every ten years
2. Mumps/Rubella-once in a lifetime
3. Measles - students born on or after 1/1/57 must have two inoculations since 1968.
4. TB Skin test

The Seminary recommends an influenza vaccine in the fall of each year for students with certain health concerns as follows: congenital or acquired heart disease, chronic pulmonary disorders, chronic renal disease or nephrotic syndrome, sickle cell anemia or other chronic anemias, Diabetes Mellitus, any transplant patient or HIV-positive patient, or any student over age 65.

The Seminary also recommends a T.B.-P.P.D test for any new tuberculosis (TB) exposure. All prior exposures with a positive P.P.D. should be followed by chest X-Rays at regular intervals.

Proof of immunizations in writing on official agency letterhead and signed by a healthcare professional must be provided as a part of the admissions process. Due to Louisiana R.S. 17:170/Schools of Higher Learning, all first time students of the institution will need to complete the Proof of Immunization Compliance. As per Louisiana Revised Statutes 17:170 Sec E, an applicant can also pursue exemption by completing a Statement of Exemption from Immunizations. The student will not be admitted into the seminary without proof of Immunizations or an Exemption on file.

Divorce and Estrangement

Applicants who have been divorced may be admitted to the Seminary if they meet the following conditions:

(a) that the marriage relationship has been terminated by divorce judgment

(b) that at least one year has passed since the divorce judgment

(c) that the applicants present evidence that they have dealt appropriately with the emotional and financial consequences of the divorce

(d) that the applicants' usefulness in Christian service be highly recommended by a local church and personal references

(e) that both the applicant and spouse (if remarried) are committed to the sanctity of marriage

Divorced or separated applicants are required to complete a Divorce/ Separation Information Form and be interviewed by the Director of Leeke Magee Christian Counseling Center. In some cases, the Director of Leeke Magee Christian Counseling Center may require the applicant to complete standard psychological tests. The Leavell College Admissions Council reserves the right to base its decision about admission on the facts found in each case in accordance with the institution's policies on divorce.

Current students who experience a separation or divorce will be required to drop out of the school for at least a year in order to allow adequate time for the individual to recover emotionally, spiritually, and financially from the pain and scars left by separation and divorce. In such cases, the student and/or non-student spouse will not be allowed to remain in student housing. The specific timetable for the academic withdrawal and vacating housing will be determined in light of the circumstances by the Vice President of Spiritual Formation and Student Life.

Applicants who are married but living in estrangement from their spouses will be considered on an individual basis. Every effort will be made to be sympathetic with applicants, yet adhere to Christian principles and to protect the school's reputation as well as the moral and psychological health of the student body.

Opportunities for service in local churches may be more limited for Leavell College graduates with a divorce than for other graduates.

Divorced applicants should explore a realistic assessment of the range of opportunities of service open to them before pursuing ministerial training.

Prospective International Students and the Admissions Process

All prospective international students seeking to study at NOBTS and Leavell College while on an F-1 visa will need to make application through the Admissions Office, the Professional Doctoral Office, or the Research Doctoral Office depending on his or her desired program of study. This page serves as notice of the additional admissions requirements for students seeking an F-1 visa.

Applicants seeking to apply for the Doctor of Ministry degree or the Doctor of Educational Ministry degree should reach out to doctoraladmissions@nobts.edu.

Applicants seeking to apply for the Doctor of Philosophy degree, Doctor of Education degree, Master of Theology degree, or Doctor of Musical Arts degree will need to reach out to doctoraladmissions@nobts.edu.

General Guidelines for Admission

International students are highly encouraged to submit and complete their application for admission at least 60 days prior to the general application deadline in order to ensure time to secure visas, arrange travel, and get acclimated to the New Orleans area.

The following items are required, in addition to the standard application items, for all students applying to NOBTS and Leavell College at all program levels:

- A WES evaluated transcript may be required for all post-secondary institutions attended and high school if applicable.
- Official TOEFL scores.
- A recent copy of the student's passport and of any dependents seeking F-2 visas
- Proof of Financial Support

WES Transcript Evaluations

To ensure accurate assessment of international transcripts, a World Education Services (WES) evaluation, or other approved third-party service may be required of students who have studied outside of the United States. Official transcripts from non-US post-secondary educational institutions may need to be translated (as applicable) and sent directly to WES by the issuing institution. If a student has received a degree at the undergraduate, graduate, or doctoral level from an accredited institution within the United States, then they may not be required to submit a WES evaluation on degrees awarded outside the United States. Information is available at www.wes.org.

Students can apply for an evaluation on the WES website, and should apply for the Course-by-Course evaluation if they have completed any credit at their program level for which they are applying in order to request a transcript evaluation by the Registrar's Office.

Korean applicants who are applying to study in the Korean Theological Institute who have earned the requisite degree from an institution acknowledged by the Korean Ministry of Education may work with the Director of the Korean Theological Institute for verification of the accreditation of the requisite degree. Upon successful verification of the applicant's degree, the Director of the KTI program will provide the Admissions Office and the PDSO with a written verification of the degree in the student's file. This written verification must be accompanied by official copies of the student's transcript. If the Director of the KTI program or another school official is not able to verify the student's degree, the student must submit a WES evaluation as a part of the application.

KTI program or another school official is not able to verify the student's degree, the student must submit a WES evaluation as a part of the application.

Official TOEFL Scores

TEST	UNDERGRADUATE/ MASTERS	PROFESSIONAL DOCTORAL	RESEARCH DOCTORAL
TOEFL (iBT)	80	90	100

The above chart reflects the required TOEFL scores based on the program level of entry. Other English proficiency exams may be taken to satisfy this requirement at the discretion of the PDSO. Applicants should work with their admissions representative in coordination with the PDSO to use other exams to satisfy the English proficiency requirement. Exams must be taken at most 2 years prior to making application at NOBTS and Leavell College.

TOEFL scores may be waived if the student has an earned degree taught in the English language with at least a 3.0 GPA. This exception must be made by a DSO.

TOEFL scores are not required for Korean students who are studying as a part of our Korean Theological Institute since these courses are taught in the applicant's native language.

Students who do not meet the TEOFL requirements set forth here are encouraged to improve their English language skills in order to reapply and meet the admissions criteria for NOBTS and Leavell College.

Recent Passport Copies
Students must submit recent copies of their passports as a part of their admissions file. These should include any dependents seeking F-2 visas as well.

Proof of Financial Support
International students seeking F-1 visas must demonstrate that they are financially capable and supported during their studies. F-1 students are primarily students during their time in the United States and must be able to provide proof that they can afford their education and life expenses while studying at NOBTS and Leavell College.     - Supporter's name
    - USD amount of support
    - Notarization and seal
    - The bank statement should be in English and US dollars. It is the student or supporter's job to provide the appropriate translation and/or currency exchange.

Non-Discrimination

The college does not discriminate in admission or in the administration of its educational policies on the basis of race, color, national origin, or ethnic origin. Only to the extent required by its religious tenets and allowed by law does the college make distinction between men and women.

The fulfillment of the college's religious mission requires the college to be the sole judge of which students should be admitted and, once admitted, to continue to pursue a course of study and to receive a degree. In the decisions, the college is concerned with the spiritual, ethical, emotional, psychological, moral, behavioral, and attitudinal traits evidenced in the student's life which suggest a foundation upon which a lifetime of Christian ministry can be built.

Seminary and Third-Party Access of Student Information

Appropriate admissions and academic personnel have access to student records for processing and maintenance purposes. Directory information, data that normally is public information, is available to the institution and outside sources. Additional information will not be released without the written permission of the student.

Orientation and Registration

All students enrolling in Leavell College for the first time will be required to participate in online orientation. Additionally, students taking courses at one of the campuses must attend on-campus new student orientation. Students who find it impossible to participate in all of the activities during the new student orientation period will be required to participate in the next orientation period. If the student is unable to participate at that time, then the student will be charged a late orientation fee. See specific fees on the student fees page of this catalog.

During orientation, students will receive instructions concerning various phases of seminary life and will be given materials necessary for registration. Students who are re-entering will be expected to attend the first session of orientation. If applicants have not received specific instruction, they should contact the Student Life Office.

Transfer Credits

New and returning students may transfer credits from all institutions accredited by a regional, national, or specialized and professional accrediting organization and recognized by the Council of Higher Education Accreditation (CHEA). Courses will be transferred on a course-by-course basis according to the policies adopted by the faculty of Leavell College.

CLEP, AP, and DANTES exams may be accepted for credit provided that Leavell College receives an official copy of the scores.

Course work completed at a foreign institution not accredited by a regional post-secondary accrediting commission will be evaluated by World Education Services, P.O. Box 745, Old Chelsea Station, New York, New York, 10113-0745. The student should send an official transcript to World Education Services which will complete their evaluation of transfer credit and forward a course-by-course evaluation to Leavell College.

In order to graduate, students transferring hours into the baccalaureate degree program must complete at least 25 percent of the degree at New Orleans Baptist Theological Seminary. Students transferring hours into the associate degree program must also complete at least 25 percent of the degree at New Orleans Baptist Theological Seminary.

Students transferring hours in the baccalaureate degree program must show evidence of sufficient foundational studies to support the chosen major or minors. Transfer courses from Baptist colleges will be evaluated by the Dean of Leavell College on a case-by-case basis.

Bachelor of Arts in Music students who plan to have music hours transferred must pass the placement exams that correspond with the courses they wish to transfer. However, if a student plans to enroll in an undergraduate course, the corresponding placement exam is not required.

Students may transfer a minor in general education courses from all institutions accredited by a regional, national, or specialized and professional accrediting organization and recognized by the Council of Higher Education Accreditation (CHEA). Credit earned in military training may be transferred if the credit is on an official transcript from an institution accredited by a regional accrediting agency approved by the CHEA, or the military credit may be evaluated by the Associate Dean of Leavell College according to the standards of the American Council on Education.

All correspondence work must be from institutions accredited by a regional, national, or specialized and professional accrediting organization and recognized by the Council of Higher Education Accreditation (CHEA).

Baccalaureate level work done at institutions not accredited by a regional, national, or specialized and professional accrediting organization and recognized by the Council of Higher Education Accreditation (CHEA) may be accepted in full or in part, or rejected. Such transfer hours will be evaluated by the faculty of Leavell College serving as an academic affairs committee. The faculty committee will make recommendations to the Dean of Leavell College regarding such transfer credit. Students admitted under this provision are admitted on a probationary basis for one semester, in which they must maintain at least a "C" average.

Students with Church Leadership credit are allowed to use those credit hours in the free elective component of any Leavell College AA or BA program. Additionally, CLC graduates are allowed to take additional 1-hour CLC courses from another CLC program for use as free electives in their AA or BA program.

All transfer hours must carry a grade of "C" or above. The Dean of Leavell College is responsible for evaluation of all transfer credits.

Transcripts may be evaluated prior to or after the approval of the students for admission. Following the evaluation of transcripts, a copy of the evaluation will be forwarded to the student and the courses transferred will be entered on the student's official transcript at the Seminary. The fee for transcript evaluation will be charged. Transcript fees must be paid before the transcripts are evaluated. See specific fees on the student fees page of this catalog.

Credits earned at Leavell College and transferred to another institution are at the discretion of the receiving institution. See Leavell College Credit by Examination Policy under Academic Policies.

Division chairpersons and others are called upon to assist as needed.

The Admission's office will notify applicants of decisions. Applicants will not be admitted until they have received formal notice of approval from the the Associate Vice President of Enrollment. If an applicant has been denied admission, he or she must wait a minimum of twelve months before he or she can reapply. A full application must be submitted to the Admission's office after the one year has passed.

Non-Degree-Seeking

A non-degree-seeking student is any student who is taking classes for credit or auditing a course(s) but has not been admitted into a degree program. To be eligible to take master’s level courses as a non-degree-seeking student, the student must apply and be formally admitted as a nondegree-seeking student. Nondegree-seeking students are not eligible to receive Federal Student Aid or any institutional scholarships. To apply as a non-degree seeking student visit www.nobts.edu/apply. When selecting a degree program, the applicant must choose a non-degree seeking option at the appropriate level of study (undergraduate, master’s, doctoral).

Eligibility

To be eligible for admission an applicant must have been a Christian for at least one year, must meet the educational prerequisites for the degree program he or she plans to pursue, and must be at least 20 years of age. All students must have the endorsement of a local church. All qualified applicants are admitted without reference to race, gender, or national origin.

Deadlines

An application and all supplemental items should be submitted to the Admission's Office as early as possible. For international students, the admissions application and supplemental items should be submitted to the Admission's Office at least 60 days prior to the anticipated date of enrollment. If an applicant has experienced divorce, the admissions department may require additional forms to be completed.

Application materials submitted to the Admission's Office are valid for one year from the date submitted.

Students who do not enroll within a year after being granted admission to the seminary must submit a new application. Students who have been inactive for a full academic year must submit a new application and must re-enter under the latest Catalog.

Campus Transfer

Students who change their campus location from a previously approved campus location must notify the Registrar's Office by filling out the "Change College Location" request form in the "Student Request Forms" section of www.nobts.edu/registrar. Certain campuses may require additional student information before students can attend class.

Degree Transfer

Students who completely change their degree from a previously approved degree must notify the Registrar's Office by filling out the "Change of Degree" request form in the "Student Request Forms" section of www.nobts.edu/registrar. Once this request is submitted the student will be contacted by the Registrar's Office to discuss the change of degree.
Certain degree changes may require additional student information. The degree change will not be considered official until the Registrar's Office changes the degree information on the student's transcript which will be confirmed through the student's SelfServe account.

Immunizations

In compliance with Public Health regulations in the State of Louisiana for all students in institutions of higher learning, the following immunizations are required for students attending in the State of Louisiana:

1. Tetanus/Diphtheria - every ten years.
2. Mumps/Rubella - once in lifetime.
3. Measles - students born on or after 1/1/57 must have two inoculations since 1968.

The seminary recommends an influenza vaccine in the fall of each year for students with certain health concerns as follows: congenital or acquired heart disease, chronic pulmonary disorders, chronic renal disease or nephrotic syndrome, sickle cell anemia or other chronic anemias, Diabetes Mellitus, any transplant patient or HIV-positive patient, or any student over age 65.

TB testing is required of all New Orleans main campus new students prior to moving on campus or attending coursework. The seminary also recommends a TB-PPD test for any new tuberculosis (TB) exposure. All prior exposures with a positive PPD should be followed by chest X-rays at regular intervals.

Proof of immunizations in writing on official agency letterhead and signed by a healthcare professional must be provided as a part of the admissions process. Due to Louisiana R.S. 17:170/Schools of Higher Learning, all first time students of the institution will need to complete the Proof of Immunization Compliance. As per Louisiana Revised Statutes 17:170 Sec E, an applicant can also pursue exemption by completing a Statement of Exemption from Immunizations. The student will not be admitted into the seminary without proof of Immunizations or an Exemption on file.

Health Insurance

The seminary encourages all students to carry some type of health insurance coverage for themselves and their family members. The seminary does not furnish health insurance for students or their families, and is not responsible for providing health care or financial support for health care expenses. Consult the student handbook for further information regarding health care options.

Divorce and Estrangement

Applicants who are married but living in estrangement from their spouses will be considered on an individual basis. Every effort will be made to be sympathetic with applicants while upholding high Christian principles in keeping with the process outlined below.

Applicants who have been divorced may be admitted to the seminary if they meet the following conditions:

- that the marriage relationship has been terminated by divorce judgment.
- that at least one year has passed since the divorce judgment.
- that the applicants present evidence that they have dealt appropriately with the emotional pain and financial consequences of the divorce;
- that the applicants' usefulness in Christian service be highly recommended by a local church and personal references;
- that both the applicant and spouse (if remarried) are committed to the sanctity of marriage.

Divorced or separated applicants are required to complete a Divorce/Separation Information Form and be interviewed by the Director of Leeke Magee Christian Counseling Center. In some cases, the Director of Leeke Magee Christian Counseling Center may require the applicant to complete standard psychological tests. The Seminary Admissions Council reserves the right to base its decision about admission on the facts found in each case in accordance with the seminary's policies on divorce.

Current students who experience a separation or divorce will be required to drop out of the seminary for at least a year in order to allow adequate time for the individual to recover emotionally, spiritually, and financially from the pain and scars left by separation and divorce. In such cases, the student and/or non-student spouse will

not be allowed to remain in seminary student housing. The specific timetable for the academic withdrawal and vacating housing will be determined by the Vice President of Spiritual Formation and Student Life in light of the circumstances.

Opportunities for service in local churches may be more limited for seminary graduates with a divorce than for other graduates. Divorced applicants should explore a realistic assessment of the range of opportunities of service open to them before pursuing seminary training.

Prospective International Students and the Admissions Process

All prospective international students seeking to study at NOBTS and Leavell College while on an F-1 visa will need to make application through the Admissions Office, the Professional Doctoral Office, or the Research Doctoral Office depending on his or her desired program of study. International applicants must fulfill all the admissions requirements for their desired program of study as outlined in the individual program sections of this catalog. This page serves as notice of the additional admissions requirements for students seeking an F-1 visa.

Applicants seeking to apply at the undergraduate or master's level should reach out to contact@nobts.edu for more information about applying.

Applicants seeking to apply for the Doctor of Ministry degree or the Doctor of Educational Ministry degree should reach out to prodocasst@nobts.edu.

Applicants seeking to apply for the Doctor of Philosophy degree, Doctor of Education degree, Master of Theology degree, or Doctor of Musical Arts degree will need to reach out to redocsec@nobts.edu.

General Guidelines for Admission

International students are highly encouraged to submit and complete their application for admission at least 60 days prior to the general application deadline in order to ensure time to secure visas, arrange travel, and get acclimated to the New Orleans area.

The following items are required, in addition to the standard application items, for all students applying to NOBTS and Leavell College at all program levels:

- A WES evaluated transcript may be required for all post-secondary institutions attended and high school if applicable.
- Official TOEFL scores.
- A recent copy of the student's passport and of any dependents seeking F-2 visas
- Proof of Financial Support

WES Transcript Evaluations

To ensure accurate assessment of international transcripts, a World Education Services (WES) evaluation, or other approved third-party service may be required of students who have studied outside of the United States. Official transcripts from non-US post-secondary educational institutions may need to be translated (as applicable) and sent directly to WES by the issuing institution. If a student has received a degree at the undergraduate, graduate, or doctoral level from an accredited institution within the United States, then they may not be required to submit a WES evaluation on degrees awarded outside the United States. Information is available at www.wes.org.

Students can apply for an evaluation on the WES website, and should apply for the Course-by-Course evaluation if they have completed any credit at their program level for which they are applying in order to request a transcript evaluation by the Registrar's Office.

Korean applicants who are applying to study in the Korean Theological Institute who have earned the requisite degree from an institution acknowledged by the Korean Ministry of Education may work with the Director of the Korean Theological Institute for verification of the accreditation of the requisite degree. Upon successful verification of the applicant's degree, the Director of the KTI program will provide the Admissions Office and the PDSO with a written verification of the degree in the student's file. This written verification must be accompanied by official copies of the student's transcript. If the Director of the KTI program or another school official is not able to verify the student's degree, the student must submit a WES evaluation as a part of the application.

Official TOEFL Scores

TEST	UNDERGRADUATE/ MASTERS	PROFESSIONAL DOCTORAL	RESEARCH DOCTORAL
TOEFL (iBT)	80	90	100

The above chart reflects the required TOEFL scores based on the program level of entry. Other English proficiency exams may be taken to satisfy this requirement at the discretion of the PDSO. Applicants should work with their admissions representative in coordination with the PDSO to use other exams to satisfy the English proficiency requirement. Exams must be taken at most 2 years prior to making application at NOBTS and Leavell College.

TOEFL scores may be waived if the student has an earned degree taught in the English language with at least a 3.0 GPA. This exception must be made by a DSO.

TOEFL scores are not required for Korean students who are studying as a part of our Korean Theological Institute since these courses are taught in the applicant's native language.

Students who do not meet the TEOFL requirements set forth here are encouraged to improve their English language skills in order to reapply and meet the admissions criteria for NOBTS and Leavell College.

Recent Passport Copies
Students must submit recent copies of their passports as a part of their admissions file. These should include any dependents seeking F-2 visas as well.

Proof of Financial Support
International students seeking F-1 visas must demonstrate that they are financially capable and supported during their studies. F-1 students are primarily students during their time in the United States and must be able to provide proof that they can afford their education and life expenses while studying at NOBTS and Leavell College. An applicant should speak to a DSO regarding the amount needed to demonstrate financial support for their desired degree. The applicant can provide proof of financial support in two ways:

1. A bank statement with the student's name as the account owner: The bank statement should be in English and US dollars. It is the student's job to provide the appropriate translation and/or currency exchange.

2. A bank statement from a supporter and a notarized affidavit of support with seal. The affidavit must include the following items:
    1. Student's name
    2. Supporter's name
    3. USD amount of support
    4. Notarization and seal
    5. The bank statement should be in English and US dollars. It is the student or supporter's job to provide the appropriate translation and/or currency exchange.

English Competency

All new master's-level students are required to demonstrate a level of competency for reading and writing in the English language that is consistent with graduate-level coursework. Level of competency will be determined by analysis of undergraduate transcripts. Individuals with a combined GPA of less than 2.0 in undergraduate English coursework will be required to enroll in English Composition during the first semester of study at NOBTS. Students required to take English Composition will receive notification in their letter of acceptance.

Orientation and Registration

All students enrolling in New Orleans Baptist Theological Seminary for the first time will be expected to complete online orientation through their application dashboard. Students who have selected either the main campus or an extension center as their preferred campus will also be required to attend orientation at their respective campuses (online students are not required to attend a campus orientation). Once a student's application is approved, the student must complete their orientation requirement at the next available orientation. Students who do not complete the orientation requirement as specified will be charged a late orientation fee and required to participate in the next available orientation. (See Student Fees page of this catalog.)

Online orientation will educate students regarding the general academic policies of the seminary. During campus orientation, students will receive additional information particular to their campus, as well as opportunities to interact with professors and other students. Former students who are required to reapply to the seminary will be expected to complete their orientation according to the specific instructions received from the Dean of Students Office.

New students will register at their campus orientation, but new online students will be eligible to register as soon as they are approved. When enrolling at a term other than fall or spring, new students should check with the Registrar's Office for official instructions. Students should check www.nobts.edu and The Gatekeeper for announcements related to registration and tuition. Registration for fall and spring semesters concludes at 4:00 PM (New Orleans time) on the Friday before the first day of the semester, and a late registration fee will be assessed for students failing to meet the deadline.

No admissions will be granted after 4:00 PM (New Orleans time) on Friday of the second week of class meetings each regular semester.

Credit Evaluation

Academic credits may be transferred from other institutions toward a master's degree in some cases, if they meet the following stipulations:

- A minimum of 1/3 of the credit hours in a degree must be taken at NOBTS. These credit hours can be taken either at the main campus, at any of the current extension centers, or through online courses.
- All courses transferred must be substantially parallel to the offerings of NOBTS and fulfill the requirements of the relevant degree plan.
  Courses which do not fulfill the requirements of the degree being sought cannot be transferred.
- Credit hours from seminaries which are members of ATS (the Association of Theological Schools in the United States and Canada) must carry a grade of at least a "C" to be transferred.
- Credit hours from academic institutions accredited by an agency recognized by CHEA must carry a grade of at least a "B" to be transferred.
- Credit hours to be transferred from academic institutions not accredited by an agency recognized by CHEA must carry a grade of at least a "B" and preferably be earned in on-site classes rather than through correspondence; up to 18 hours can be transferred.
- The decision of the Registrar and Provost is final with regard to the evaluation of all graduate transfer credits.

A credit evaluation may be requested by filling out the "Request a Transcript Evaluation" request form in the "Student Request Forms" section of www.nobts.edu/registrar. Credit evaluation can take up to 30 days to complete; this is from the point of receiving all documents that are needed from the student and the previous institution.

Degree to Degree Transfer Credits

NOBTS values continuing education of Christian ministers. Therefore, we want to facilitate ministers earning second degrees to the extent allowed by accreditation principles. Transfer of MA credit hours into the larger MDiv are covered in an existing policy. This policy addresses transferring credit hours from a degree with more credit hours to a degree with fewer credit hours.

Students with a degree from Other institutions - Accreditation rules dictate that in transferring credit hours from a different institution, the following guidelines should be followed:

- At least one-third of the shorter degree must be earned at NOBTS. In addition, only those credit hours which fit into the NOBTS degree as required or elective courses may be transferred. Courses differ some in content between institutions. Submitting a catalog description of the courses, or preferably syllabi listing learning outcomes for the course, is helpful in evaluating these transcripts.

Students with a degree from NOBTS - Since NOBTS students with longer degrees have taken the same courses with the same learning outcomes that pertain to shorter degrees, the following guidelines pertain:

- Some MA type degree programs at NOBTS have special admission requirements not required for admission to the MDiv. The student who seeks the second degree must meet all of the entrance requirements for the MA type degree.
- All courses required in both degrees transfer from the longer degree into the shorter degree, being understood as dual or sequential degree programs.

- Even if all of the required courses transfer from the longer degree to the shorter type degree, the student must earn at least one-third of the hours required for the second degree in the relevant or cognate disciplines to receive the second degree.

Full-time Course Load

A full-time graduate student load is a minimum of nine (9) credit hours per semester. Students must have full-time status to be eligible for financial aid and student housing. When withdrawal from a class places the student's course load at less than nine credit hours, the student can lose eligibility for financial aid and student housing.

Maximum Course Load

Maximum course load is 18 credit hours per semester (which includes all courses taken within the semester). Students desiring to take additional courses must have the approval of the Associate Dean of Graduate Studies.

Doctoral Degrees

Our seminary offers a variety of professional and research doctoral degrees. While both types of degrees facilitate the academic preparation of students beyond the master's degree level, each type has a distinct degree program and purpose, as explained in the introduction to each doctoral degree within this Catalog.

Doctoral Degrees Offered

- Doctor of Educational Ministry
- Doctor of Ministry
- Doctor of Education
- Doctor of Musical Arts
- Doctor of Philosophy

Financial Aid

Cooperative Program

Southern Baptists support theological education by giving to the Cooperative Program. As a result, New Orleans Baptist Theological Seminary students pay lower tuition-based fees as compared to fees in non-SBC evangelical seminaries.

Federal Student Aid

NOBTS is an approved and participating institution with Title IV federal student aid programs through the Department of Education. NOBTS is only approved to receive federal Pell grants. NOBTS does not participate in or accept any federal student loans. All undergraduate students are required to submit a FAFSA to determine their Pell grant eligibility in order to be considered for NOBTS scholarships. Students should contact the NOBTS Financial Aid Office with any questions or concerns regarding federal student aid.

Student Loans

As mentioned above, NOBTS does not participate in any federal loan programs provided through U.S. Department of Education Title IV funding. Additionally, NOBTS does not offer any institutional loan programs. However, NOBTS does accept most private student loans and will work with private student loan providers to perform services such as enrollment certifications for students seeking a loan via a private student loan option. Contact the Financial Aid Office at financialaid@nobts.edu or 504.816.8276 to get more information about student loans.

Enrolled students do qualify for deferment of payment of existing federally guaranteed student loans and should contact their lender for specific information as well as the Registrar's Office for enrollment verification.

NOBTS Scholarships and Grants

Annual applications are available for scholarships to assist with current tuition costs and may be provided in Fall and Spring semesters, as well as Summer terms. Awards are determined by considering both the need and merit of applicants, available funding, and in accordance to the stipulations of each scholarship agreement. Submission of an application does not guarantee that an award will be made. In order to be awarded a grant, each applicant must have a zero balance on his/her student account. Students who qualify for particular scholarships may be asked to complete additional scholarship application to determine further necessary qualifying information.

Scholarship deadlines are provided via the NOBTS Financial Aid website. Applications submitted after any posted deadlines are not guaranteed consideration for scholarship or grant.

For most NOBTS scholarships, students must maintain enrollment in the minimum number of qualifying credit hours per semester, respective to their current and immediate degree program (12 credit hours for undergraduate students, 9 credit hours for graduate-level students, enrollment in a tuition-bearing course load for doctoral students). Audit courses do not count towards financial aid qualifying hours. Independent studies courses do not count towards financial aid qualifying hours unless it is determined by both the financial aid office and the registrar's office that the course is necessary for the completion of a student's declared degree program. The minimum number of qualifying hours requirement is not applied to those in their graduating semester.

The minimum number of qualifying hours for financial aid requirement is assumed for all NOBTS scholarships unless otherwise stated in a student's award offer or if a student is in their graduating semester.

Miscellaneous Scholarships

Various non-seminary sources for financial assistance may also be found on the Financial Aid website. Often included in the information will be access to applications, necessary contact information, and/or requirements. This may include various state and private foundations. Make sure to check with those sources directly for the most current and up-to-date information regarding deadlines and requirements.

Any church, organization, or donor may contribute funds for a particular student by including written instructions with their donation. For more information on the deductibility of the gift for tax purposes, please contact the NOBTS Office of Institutional Advancement at 504.816.8224. Additional options for making a gift are also available.

Emergency Student Aid

The seminary maintains an active program of assistance for students who are experiencing short-term financial emergencies. Students seeking such assistance may contact the Financial Aid Office for more information on how to request emergency financial assistance. Students may be required to have a one-on-one meeting with the Director of Financial Aid upon the submission of their request.

Financial Counseling

NOBTS is aware of the unique pressures associated with college or seminary life in the area of personal finance and family relationships. Members of the financial aid office are available to meet with current students and students approved for admission to discuss budgeting, provide financial counseling, or offer encouragement in other areas of student family life.

Payment Plans

The Business Office maintains a monthly payment plan program for students who are interested in this arrangement. The payment plan is not a loan, and no interest charges are assessed.

Veteran Education Benefits

NOBTS is approved to receive VA education benefits for qualifying veterans. All eligible students should contact the financial aid office for more information on how to find out if they are eligible for VA educational benefits and how to apply them towards NOBTS tuition and fee charges.

Complaint Policy for Students Receiving VA Education Benefits. Any complaint against the school should be routed through the VA GI Bill Feedback System by going to the following link: *http://www.benefits.va.gov/GIBILL/Feedback.asp.* The VA will then follow up through the appropriate channels to investigate the complaint and resolve it satisfactorily.

Academic Policies

Academic Advising

Leavell College – Academic advising at Leavell College is facilitated through the office of the Registrar and Student Success. Students may consult faculty Program Coordinators for advice on upcoming courses, but the academic advisors formally advise students on required courses that fit their degree program. It is essential that students maintain frequent contact with their academic advisor in order to assure that they maintain progress toward their degree. Students should consult their academic advisor during every registration period and before adding, dropping, or withdrawing from a class. Students should be sure to update their academic advisor immediately upon any change in the degree they are seeking from Leavell College in order that their degree plan can be updated and to assure they make progress toward graduation without delay.

The following population of students are *required* to undergo academic advising through the Student Success Office each semester prior to being able to register for courses:

· Undergraduate students with less than 60 credit hours earned towards their degree

· BA+ Program students (BA/MDiv; BA/MA) who have been accepted into the master's portion of their degree plan but who have not completed the requirements of their undergraduate degree. Students should also be in contact with their respective 5-year program coordinator.

Master's Students - Academic advising at NOBTS is facilitated through the office of the Registrar and Student Success. Students may consult faculty Program Coordinators for advice on upcoming courses, but the academic advisors formally advise students on required courses that fit their degree program. It is essential that students maintain frequent contact with their academic advisor in order to assure that they maintain progress toward their degree. Students should consult their academic advisor during every registration period and before adding, dropping, or withdrawing from a class. Students should be sure to update their academic advisor immediately upon any change in the degree they are seeking from NOBTS in order that their degree plan can be updated and to assure they make progress toward graduation without delay. The following student groups are advised differently based on programs:

● MA in Counseling students are advised by faculty members assigned by the Counseling Division.

● Master of Music and MDiv in Church Music students are advised by Student Success advisors in coordination with the music
faculty.

Registering for Courses

All returning students are required to register for classes through their SelfServe account. The registration deadlines for each term are published on the school's website each semester. Graduate schedules can be found at https://www.nobts.edu/graduate-program/graduate-course-schedules.html and Leavell College schedules can be found at https://www.leavellcollege.com/info/class-schedules.html.

Registration always closes at 4 p.m. Central Standard Time on the final day of the registration period. Once the deadline has passed, students can request to be registered late. To begin the late registration process please complete the form on the seminary website at www.nobts.edu/ registrar/student-request-forms.html. If the request is approved, the fee for late registration plus the tuition for the course will be charged. See specific fees on the Student Fees page of this catalog.

At registration, the student should be prepared to pay tuition and any other applicable registration fees. A late payment fee will be assessed to any student that does not arrange for payment in full, have a scholar- ship/grant letter on file with the Financial Aid Office, or set up an Official Payments Payment Plan Agreement by the Final Day for Tuition Payment. The Final Day for Tuition Payment is 4 p.m. Central Standard Time on the final day of the registration period.

Any student with unpaid tuition after the Final Day for Tuition Payment will be subject to Administrative Withdrawal from all courses. The student account would be assessed a Withdrawal fee, all tuition- related charges would be refunded, the student would be removed from courses, and an Administrative Withdrawal would be entered on the student's official transcript.

Enrollment Status and Academic Load

Full-time status at NOBTS and Leavell College is determined at the program level. Undergraduate students are considered full-time when they are enrolled in at least 12 credit hours per academic term (Fall, Spring, Summer). Master's level students are considered full-time when they are enrolled in at least 9 credit hours per academic term (Fall, Spring, Summer). All degree-seeking doctoral students are considered full-time by virtue of their enrollment.

Full-time enrollment does not specify that a student will graduate on-time for a specific program. For example, for a student to graduate in 4 years from a baccalaureate degree having no prior credits would stipulate a student to enroll in 15 credit hours per main academic semester to graduate on-time. For a Master of Divinity student to graduate in 3 years, a master's student would also need to enroll in 15 credit hours per semester.

Campus housing and financial aid have specific requirements concerning academic status. Both prospective and current students should consult the student handbook and the appropriate office concerning questions about either of these options.

Writing Guides

In preparing research papers and other written assignments, Leavell College and graduate students are required to follow the NOBTS/Leavell College Manual of Form and Style. That document, based on the 9th edition of *A Manual for Writers of Term Papers, Theses, and Dissertations* by Kate Turabian, is available in all course Canvas shells. Students in doctoral programs should contact their respective offices for guidelines for writing dissertations and other assignments.

All counseling students enrolled in counseling courses are required to follow the approved edition of T*he Publication Manual of the American Psychological Association.* Students in biblical studies are to follow the latest edition of the *SBL Handbook of Style.*

Absences

Regular class attendance is expected and students are responsible for completing all assignments. Failure to do so may jeopardize a student's scholastic standing. Faculty are required to state, in writing, their expectations regarding class attendance. Faculty are at liberty to assign a failing grade to students who exceed course attendance requirements.

No Show Policy: If a Leavell College student receiving Title IV funds fails to attend courses or to demonstrate academic engagement in the first 14 days of course, the student will be dropped from the course(s) in which the student does not demonstrate attendance or academic engagement. The 14 days are 14 calendar days measured from the beginning of the term in which the course is being offered.

Independent Directed Study (IDS)

Students may earn a limited amount of credit through independent directed study. An IDS course is permitted only if one of the following two criteria are met: (a) to provide interested students with training in a specialized area not covered in a regularly offered course, or (b) to offer a course required for graduation which is not available to the student in the regular class schedule. The student may take no more than four independent directed studies per academic year (fall, spring, summer) – one per regular semester, and no more than two in the summer. If taken in the summer, students may enroll in only one additional summer class while enrolled in an IDS. No IDS can be taken during an Academic intensive session.

Independent directed studies include reading, writing, and research projects done under the direction of a seminary faculty member. Students desiring an IDS should submit a written request to the professor who will direct the study. The professor will provide the appropriate form to request permission to take the IDS. All proposals must be approved by the professor, the appropriate division chairperson, and the Dean of Graduate Studies (Graduate Students) or the Dean of Leavell College (Leavell College Students) prior to registration. A copy of the proposal will become a part of the student's permanent file.

Students should submit all required paperwork to the program dean during the regular registration timelines. Deadlines will be strictly enforced. Assignments must be completed two weeks before the end of the semester or one week before the end of a summer term. The fees for an IDS are not included in the student's regular tuition fees. The fees include the current tuition fee for one course and an instruction fee. Fees must be paid at the time of registration for the course. See the section on student fees in this Catalog for current IDS fees. Students approved to register for an IDS after the regular registration period will pay the late registration fee (see the Student Fees page in this catalog).

Auditing Classes

With the Registrar's approval, students, student spouses, and other interested parties may audit Leavell College and (NOBTS) courses if there is space available. Students who are auditing will not be able to transfer into the "for credit" class after the drop/add deadline. Auditor applications are available from the registrar at www.nobts.edu/registrar under the Student Request Forms section. See the section on student fees in this Catalog for current audit fees. Audit fees do not count toward load on tuition cap or scholarship/grants. Participation in class discussion is allowed at the discretion of the professor. Audited classes will never be counted as credit toward a degree. Students who have audited classes earlier may repeat the class later for credit.

Course Registration (Adding and Dropping Courses):

Course registration for all program levels occurs by academic term, regardless of when the course meets, and course registration is facilitated by the student portal (my.nobts.edu). Students may drop courses prior to the drop/add deadline which will result in tuition and fee reversal and the courses not transcripted on the student's record, and students may add courses through the drop/add deadline but are responsible for any missed coursework due to the late addition. The standard registration period for each program begins on the first day of registration through the published last day to register for courses. These dates are published in the academic calendar for each program level. Any course change after the last day to register for courses but before the add/drop deadline will result in a course change fee *per course change.* Course registration deadlines are applicable regardless of course format. The add/drop deadline is published in the academic calendar for the respective program.

Undergraduate and master's students may not enroll in 19 semester hours or more without permission of the Associate Dean of Graduate Studies (Graduate Students) or the Dean of Leavell College (Leavell College Students). A student should consult an academic advisor before dropping or adding any courses.

Self-service course registration windows for all doctoral degrees typically run for one month with no fees and another month with course change fees. After this initial drop/add window, students may adjust their schedules by written request to the Registrar's Office. During this period, if a student would like to add a course, that will be requested of the professor through the Registrar's Office. A student can drop the course by the same process. The drop/add window follows the other graduate calendars.

Withdrawal from a Course:

After the Drop/Add Period, a student may withdraw from a course without complete withdrawal from school. In such cases, the student should request the class withdrawal by filling out the "Withdraw from a Course" request form in the "Student Request Forms" section of www.nobts.edu/registrar. The student will receive a grade of "WP," "WF," or "F" for the class. Students should be aware that dropping classes below a full-time load changes their financial aid status and/or their housing status. There are no tuition or fee reversals for course withdrawals. See the tuition and fee schedule for applicable withdrawal fees.

Fall, spring, and summer withdrawal begins after the add/drop period has ended. Students complete a withdrawal request through the Registrar's Office to withdraw. The student receives a WP unless otherwise instructed by the professor. **There are no refunds for withdrawn courses after the drop period has ended.**

- Students may not withdraw from classes after December 1 or May 1 for Fall and Spring courses, respectively.

- Students may not withdraw from classes after July 15 for Summer courses.

Dates for determining add, drop, and withdrawal are primarily determined based upon the time stamp on the completed request form. In rare instances in which we have record of the request apart from the completed form and or authorization from appropriate academic officials, we defer to that earlier date.

Official Withdrawals

In order to withdraw officially from enrollment, a student must consult the Registrar's Office, obtain certain required approvals, return all materials on loan to the Library, and clear their accounts with the Business Office. A Withdrawal Form is available online on the Registrar's Page. Students whose withdrawals are completed before the final drop date will receive a reversal of fees. Leavell College students receiving Title IV funds who have not completed requirements for a degree and who do not plan to enroll for the following term are required to withdraw from enrollment through the withdrawal procedure or complete the request for an official leave of absence.

Additionally, a student may initiate the withdrawal process by contacting the Academic Advisor, the program-level Assistant Registrar, or the Director of Financial Aid. This contact can be in written form or by way of conversation while they are acting in their official capacity as employees of the institution. While the official withdrawal can be initiated verbally, an official withdrawal is finalized by completing the process outlined in the previous paragraph. For Title IV purposes, the date of the withdrawal is the date the withdrawal is initiated, whether verbal or written.

Unofficial Withdrawals for Title IV Fund Receivers

Students who receive Title IV funds are considered to have unofficially withdrawn when they cease attendance or academic engagement in all their classes according to the institution's attendance policy. Students who are withdrawn from a course due to lack of attendance or academic engagement will receive the grade of WF. Students who earn all WFs in a given term are considered unofficially withdrawn.

● For students in all traditional classes, ceasing attendance will be determined by the course attendance records.

● In non-traditional classes, ceasing attendance will be determined by the last date of academic activity.

● Additionally, if a student in all online classes verbally indicates her intention to withdraw to the Academic Advisor, the program-
Level Assistant Registrar, or the Director of Financial Aid who are acting in their official capacity, but never officially completes the
withdrawal process, she will also be considered to have unofficially withdrawn.

If a student remains enrolled in only non-Title IV eligible classes, the student is considered withdrawn for Title IV purposes, and Leavell College will initiate the R2T4 process.

In other words, any student who fails to receive a passing grade or an earned F in any of their classes in a term is considered to have withdrawn from that term. At this point, the institution will review the student's academic activity in order to determine the withdrawal date for R2T4 calculations.

Emergency Withdrawal

Students who must withdraw from the seminary because of a life-threatening personal or family emergency may receive an EW (Emergency Withdrawal) for all the courses in which they were enrolled and may receive a partial refund. To qualify for an Emergency Withdrawal, the student must petition the Provost of NOBTS, with a statement that evidences the need for the Emergency Withdrawal. Emergency Withdrawals are granted only when

circumstances arise during the semester that are beyond the control of the student and prevent class attendance and/or completion of class assignments. Heavy work loads, church responsibilities, or other personal and/or family difficulties normally are not sufficient reasons for Emergency Withdrawal, since these reasons are not unusual or extraordinary. Students who have received a grant or scholarship will be required to repay that grant or scholarship when they withdraw from school.

Grading Scale

The grading scale for the undergraduate and graduate programs is as follows:
A - 93-100
B - 85-92
C - 77-84
D - 70-76
E - Course in progress
F - Below 70 or failure in Pass/Fail course
P - Pass in Pass/Fail Course
I - Incomplete
S - Satisfactory
U - Unsatisfactory
AW - Administrative Withdrawal
WP - Withdrew Passing
WF - Withdrew Failing
FR - Failure Repeated
EW - Emergency Withdrawal

Examinations

The time limit for final examinations shall be two hours and shall be strictly adhered to according to the schedule published in the Catalog. Late finals are permitted only in extreme emergencies and must be approved by the professor and/or appropriate dean's office. Early finals are not permitted. Scheduled sectional/unit exams: Prior arrangements made in consultation with the professor are at the discretion of the professor. A student who misses an exam because of illness or personal reasons should contact the professor to indicate the problem and a suggested time for make-up. A student who misses for no valid reason should be expected to take a make- up at the professor/grader’s convenience and will incur a point penalty. Any student who misses a scheduled exam is expected to schedule with the professor (or grader) a make-up within one week of the missed exam. A minimum five-point penalty will be incurred for failure to do so.

Report of Grades

Students may obtain their grades through their student portal via the unofficial transcript. The seminary may withhold grades or transcripts of any present or former student if financial obligations are outstanding.

Academic Grievances

This policy addresses grievances in matters related to academics. The seminary policy regarding non-academic complaints and grievances is published in the Student Handbook.

1. Initial Complaint: In accordance with the teaching of Scripture, concerns about academic matters should first be voiced directly to the professor or other responsible person(s). If the informal communication of such a concern does not resolve the issue, the student may file a formal complaint.
2. Formal complaint: A student may file complaints with the Dean of Leavell College for undergraduate academic matters or with the Associate Dean of Graduate Studies for graduate academic matters. Such matters may include grievances related to grading or evaluation, as well as grievances related to other academic or faculty issues. The academic official will investigate the matter and recommend a resolution of the matter if feasible.
3. Hearing: At the student's request a hearing before the appropriate dean will be scheduled. At either the request of the student or the appropriate academic dean, the Dean of Students may be invited to a hearing related to academic matters. At the hearing, the student will be given an opportunity to voice the complaint. This opportunity shall include the right to offer witnesses and other evidence.
4. Findings and Decisions: The academic dean shall notify the student in writing of the findings and of the decision, if any, regarding the grievance.
5. Appeal Procedure: The student may appeal the decision of the academic dean to a review committee. The review committee for academic matters shall be composed of the Provost, the Dean of Graduate Studies, the Dean of Leavell College, the Associate Dean of Graduate Studies, and the Associate Dean of Leavell College.
6. Committee Decision: The decision of the review committee will be communicated to the student, to the President, and to the administrative officers involved. It shall be the final decision unless it is appealed by the student to the President of NOBTS, or unless the President indicates his desire to review the decision.
7. Final Appeal Procedure: The student's appeal must be in writing and delivered to the President's office within 24 hours of receipt by the student of the committee's decision. The President's intention to review the committee's decision shall be communicated to the Dean of Students, the chair of the committee, and the charged student within one week of the President's receipt of the committee's decision. The President may choose not to review the student's appeal of the committee decision. He may review and reverse, amend, or affirm the decision of the committee. The decision of the President regarding the matter shall be final.
8. Students taking courses at the Georgia extension centers also can file grievances directly with the Georgia Nonpublic Postsecondary Education Commission. Contact information is as follows:
   Georgia Nonpublic Postsecondary Education Commission
   2082 East Exchange Place
   Tucker, GA 30084
   (770) 414-3300
   https://gnpec.georgia.gov/student-resources/complaints-against-institution

Quality Points

For each semester hour of credit earned, quality points will be recorded as follows: A-4; B-3; C-2; D-1. To complete requirements for a degree, a student must earn a minimum average of two quality points for each semester hour of credit.

Incomplete Work

At the end of a semester, a mark of Incomplete shall be placed in the teacher's record in a case where a student is granted permission to complete any part of the required work after the date set for the examination. Such permission is granted only by the student communicating with the professor of record and/or the dean's office and only in case of an emergency. Requests for such permission must be made by completing the Student Request Form available on the Registrar's Office page at nobts.edu. If possible, requests should be made before the time for the examination. The deadline for requests is two weeks following the date set for the examination. If delay is granted, but not extended in view of continuing emergency, the work must be completed during the semester following in a regular session (regular session does not include summer). There will be no further penalty for delays. If permission is not granted or not exercised during the time set, the work involved will be graded zero. The Registrar's Office bears no responsibility for incomplete work. Please note that students who receive an incomplete for an internet course must complete the work outside of the online learning course shell. The student must communicate and send assignments directly with the professor of record for the course for which they were given an incomplete using email or other means of instruction as specified by the professor of record.

Financial Obligations

Credits for grades will not be effective in the Registrar's Office until satisfactory agreement concerning financial obligations has been made with the Business Office.

Academic Probation and Suspension

If a student's total grade point average falls below 2.0, the student will be placed on academic probation for the next semester in which the student enrolls. A graduate student will be permitted to enroll for a maximum of 9 semester hours during the semester of academic probation. An undergraduate student will be permitted to enroll for a maximum of 12 semester hours during the semester of academic probation. Failure to achieve a 2.0 grade point average during the semester of academic probation will result in immediate suspension of the student for at least one full semester.

A student on academic suspension may apply for readmission to the seminary up to one month in advance of the anticipated enrollment date. If readmission is granted, the student will be on academic probation for one semester. A student who fails to achieve a 2.0 grade point average during this semester of academic probation will be immediately and permanently suspended from school.

The faculty or any appropriate committee of the faculty may at any time advise the President that a student evidences spiritual, ethical, emotional, psychological, or attitudinal deficiencies which in the judgment of the faculty disqualify the student for continued study at the seminary. The student may appeal this determination to the President. The decision of the President shall be final.

Standard Policy for Student Conduct

Seminary students are expected to live according to the high standards of conduct befitting a Christian minister.

Seminary Policy on Plagiarism
The Student Handbook section on Ethical Conduct includes plagiarism as one type of unacceptable conduct.

Definition of Plagiarism

Students are given the task of writing papers in order to help them learn how to think critically about the ideas of others and to present the result of their analysis in a readable form. Plagiarism defeats these purposes by cheating the student out of an opportunity to grow. Plagiarism is, therefore, a failure to distinguish between the work of the student and the work of others (including artificial intelligence), either intentionally or unintentionally. It may take several forms:

1. Representing the words or ideas of another person or of an artificial intelligence program as your own words or ideas is plagiarism, even if you summarize.
   Loosely paraphrasing a sentence without proper citation also is plagiarism.
2. Taking one or more sentences verbatim from a source and inserting it into a paper without the proper citation is plagiarism. The student should note that a
   failure to document credit for a direct quotation is also a violation of copyright law. (See Student Handbook section on Electronic Reserves.)
3. Borrowing without proper citation such things as an outline, an idea, or an approach to dealing with a problem that is unique to an author is plagiarism. This
   type of plagiarism often results from poor note taking on the part of the student.
4. Plagiarism also can result from improper methods of citation. The student is responsible for learning the appropriate rules for citing sources and for following
   those rules throughout the paper. Ignorance of rules of citation is not an excuse.
5. In addition, plagiarism is a violation of the use of the seminary's computing resources. (See Student Handbook section on Computer Use Policy Violations.)

Procedures and Consequences for Violations of Plagiarism

1. Identify: Faculty members need to investigate any issue of suspected plagiarism using all tools at their disposal and asking students to explain any material that seems to have been plagiarized.
2. Student Conduct Notification: When plagiarism is suspected, a report must be submitted to the Dean of Students' office.

a. The professor should submit a copy of the assignment which contained plagiarized material and the appropriate supporting documents.

b. After confirming plagiarism, the Dean of Students, in conjunction with the faculty, will determine the penalty. Normally students will fail the class when plagiarism is confirmed. NOBTS/Leavell College reserves the right to remove students from the seminary/college who violate the plagiarism policy.

3. Finalize and File: The Dean of Students will send a letter informing the student of a violation of plagiarism. In addition, copies of the letter will be sent to the Registrar, the appropriate Dean, and the Provost.

Repeating a Course

When students have received credit for a course, they will not normally be allowed to repeat it for credit except through petition and approval of the Registrar. For students who have been approved to repeat a course for which they have received prior credit, the most recent grade in that course will count toward their GPA. The previous

grade will be changed to indicate a repeated course on the official transcript and will not be calculated in the student's GPA. If the student repeats a course and earns a failing grade, a prior passing grade in the same course will be negated and not count towards the requirements for the degree.

Non-Discrimination

NOBTS and Leavell College does not discriminate in admissions or in the administration of its educational policies on the basis of race, color, national origin, or ethnic origin. Only to the extent required by its religious tenets and allowed by law does the seminary make distinctions between men and women.

The fulfillment of the seminary's religious mission requires the seminary to be the sole judge of which students should be admitted and, once admitted, to continue to pursue a course of study and to receive a degree. In these decisions, the seminary is concerned with the spiritual, ethical, emotional, psychological, moral, behavioral, and attitudinal traits evidenced in the student's life which suggest a foundation upon which a lifetime of Christian ministry can be built.

Seminary and Third-Party Access of Student Information

Appropriate admissions and academic personnel have access to student records for processing and maintenance purposes. Directory information, data that normally is public information, is available to seminary and outside sources. Additional information will not be released without the written permission of the student.

Senior Status

Bachelor of Arts students reach senior status when they have completed 90 semester hours.

Master of Divinity students reach senior status when they have completed 50 semester hours. Master of Arts in Christian Education students become seniors when they have completed 27 semester hours. Master of Arts in Marriage and Family Counseling students reach senior status at 43 semester hours, and Master of Music in Church Music students reach senior status at 10 hours.

All MDiv and MA students must have a senior conference with the Academic Advisor during the term prior to reaching senior status or as soon as possible thereafter. Master of Music in Church Music students should consult with the office of Church Music Ministries.

Master's Credit for a PhD Seminar

- Candidates in master's degree programs of the seminary may be admitted to PhD seminars when they have met the following requirements:
  a. A minimum GPA of 3.26.
  b. Within last two semesters of the master's program.
  c. Approval by the respective division and the Associate Dean of Research Doctoral Programs.
  d. A demonstrated aptitude for advanced theological study, to be determined by faculty and graduate divisions.
  e. Completed prerequisite course work.
- Permission for registration is granted through the Office of Research Doctoral Programs. To receive permission, students must submit a written request to the Office of Research Doctoral Programs including the name of the course, permission from the professor of record and the division of study, and evidence

that they meet the requirements listed above. Students will receive a decision in writing regarding their request. If approved, students will be registered by the Office of Research Doctoral Programs. All doctoral tuition rates and fees apply.

- Registration for master's students to enroll in a PhD seminar is within two weeks after the PhD registration period has ended.
- Should a course fill up, doctoral students have first priority to enroll.
- No more than 20% of a course may be populated by master's level students without prior approval by the respective division and the Associate Dean of Research Doctoral Programs.
- No more than 8 hours of seminars and/or colloquia may be applied to an appropriate master's-level degree.
- Seminar or colloquium credit earned prior to the completion of requirements for the master's degree may be applied to the PhD program under the following conditions:

  a. For a student who completes the master's degree, up to 8 hours of seminars and/or colloquia, with a grade of "B" or above, may be eligible for doctoral program credit, should the student be admitted to the PhD program and if permission is granted by the Research Doctoral Admissions Committee.

  b. In application for the PhD, the student must achieve a combined score of "0" or higher on the five-point sliding scale for application.
- The seminary is under no obligation to accept the previous credit toward any doctoral program.
- Course credits will be transferred to the student's transcript following successful completion of his or her first semester in the program.

Transfer of Credits Policies

Credits earned at other institutions may be transferred into NOBTS and Leavell College for a baccalaureate or master’s degree given that the previous institution and courses meet the guidelines set below:

- For graduate degrees, up to two-thirds of the degree may be completed outside of NOBTS. One third of the degree must be completed at NOBTS.
- For undergraduate degrees, up to three quarters of the degree may be completed outside of Leavell College. A fourth of the degree must be completed at Leavell College.
- Normally, credit hours from academic institutions must be accredited by an agency recognized by CHEA and must carry a grade of at least a “C” to be transferred.
- Credit from a non-accredited institution may be accepted if the course work is deemed equivalent by the registrar's office, but no more than one-fourth of a degree may be accepted unless an existing formal partnership exists. Additional documents may be requested.
- For graduate credits, credits earned more than 10 years ago will normally not be transferred into NOBTS.
- All courses transferred must be substantially parallel to the offerings of NOBTS and Leavell College and fulfill the requirements of the relevant degree plan. Courses which do not fulfill the requirements of the degree being sought cannot be transferred.

Given that the student’s transcript meets the above criteria, the student must formally request a transcript evaluation through the Student Portal and must provide the institution with official copies of all transcripts at the program-level for which the current degree is being sought. Credits which may appear on a transcript via transfer credit, AP credit, or similar processes may not be transferred into the institution without the official record bearing the original credits. For transfer policies related to doctoral programs, please refer to the appropriate program page in this catalog for more detail.

Students are able to request an official transcript evaluation upon acceptance into the institution by the Admissions Office. Students are highly encouraged to complete the request prior to matriculation. All requests to transfer credits must be completed prior to the start of the student's last semester. Students in a degree plan that requires a Mentoring format course must still complete a Mentoring format course regardless of the results of the transcript evaluation.

All questions regarding transfer of credits and credential evaluations should be directed to the Office of the Registrar and Student Success.

Degree-to-Degree Transfer Credits

NOBTS values continuing education of Christian ministers. Therefore, we want to facilitate ministers earning second degrees to the extent allowed by accreditation principles. Transfer of MA credit hours into the larger MDiv are covered in an existing policy. This policy addresses transferring credit hours from a degree with more credit hours to a degree with fewer credit hours.

Students with a degree from other institutions - Accreditation rules dictate that in transferring credit hours from a different institution, the following guidelines should be followed:

- At least one-third of the shorter degree must be earned at NOBTS. In addition, only those credit hours which fit into the NOBTS degree as required or elective courses may be transferred. Courses differ some in content between institutions. Submitting a catalog description of the courses, or preferably syllabi listing learning outcomes for the course, is helpful in evaluating these transcripts.

Students with a degree from NOBTS - Since NOBTS students with longer degrees have taken the same courses with the same learning outcomes that pertain to shorter degrees, the following guidelines pertain:

- Some MA type degree programs at NOBTS have special admission requirements not required for admission to the MDiv. The student who seeks the second degree must meet all of the entrance requirements for the MA type degree.
- All courses required in both degrees transfer from the longer degree into the shorter degree, being understood as dual or sequential degree programs.
- Even if all of the required courses transfer from the longer degree to the shorter type degree, the student must earn at least one-third of the hours required for the second degree in the relevant or cognate disciplines to receive the second degree.

Leavell College Credit by Examination

Students in Leavell College normally earn degree credit by taking regular college courses. However, Leavell College accepts credits from various credit-by-examination programs including the Advanced Placement Program (AP) and the College Level Examination Program (CLEP). Students may be awarded up to 30 credit hours via credit by examination, except by permission of the Dean of Leavell College.

Advanced Placement (AP) Exams

Students earning scores of 3 or higher on AP exams will be awarded credit as noted in the chart below. Students earning scores of 4 or 5 on selected exams will receive 6 hours of credit, with the second course identified by an asterisk. Exams not included in the listing below may be considered on a case-by-case basis. *NOTE: An official copy of the AP College Grade Report is required to be on file with Leavell College in order for the school to award credit. The Leavell College (New Orleans Baptist Theological Seminary) code is 5034.*

Credit may be considered for DSSTs on a case-by-case basis. *NOTE: An official DANTES/DSST score report must be on file with Leavell College in order for the school to award credit.*

Requirements for Graduation

In order to graduate from the seminary, students must meet all academic requirements set forth in this Catalog, settle all financial obligations to the seminary, and maintain high standards of moral and ethical conduct. The seminary requires that all students anticipating graduation be currently enrolled and have earned 1/3 of the hours for a master's degree program at the New Orleans Baptist Theological Seminary and 1/4 for a baccalaureate degree program at Leavell College. These hours can be taken at the main campus, at any of the current extension centers, or through online courses.

Students who wish to graduate must apply for graduation by the drop/add date for that academic term. The application for graduation may be found in the student portal.

Key to Identifying Graduate Courses

Courses listed in the Catalog are identified by four letters and four numbers. The letters indicate the division and/or the subject area. For example, the letters PREA indicate that the course is a Preaching course in the Pastoral Ministries Division. The letters CCSW indicate Church and Community Ministries Division and the department of Social Work.

The first number indicates the course level:

1-4: Undergraduate-level courses
5: Basic master's-level courses without graduate prerequisite or considered beginner's level. These courses, especially if required as prerequisites for other courses, should be taken as early as possible in the student's program of study
6: Advanced master's-level courses having prerequisites, or courses which by their nature should be taken after the student's initial year of theological study
7: Master of Theology courses to be taken only by students pursuing the Master of Theology degree program
8: Doctor of Ministry, Doctor of Educational Ministry, and Doctor of Education courses
9: Doctor of Philosophy, Doctor of Education, or Doctor of Musical Arts courses only

The second number indicates the hour value of the course.

Key to Identifying Leavell College Courses

Courses listed in the catalog have been labeled specifically in order to help the student determine the sequence and content of a course. Four letters and four numbers identify the courses. The first two letters, LC, designate the course as a Leavell College course. The last two letters designate the specific type of course. These letters are the abbreviations for the following:

LCBS	Biblical Studies
LCCF	Christian Foundation Core
LCCM	Christian Ministry
LCEM	Educational Ministries
LCGE	General Education Core
LCMC	Music Conducting
LCME	Music Education
LCMG	Music Groups (Ensembles)
LCMH	Music History
LCMI	Music Instrumental
LCMO	Music Organ
LCMP	Music Piano
LCMR	Music Recital
LCMT	Music Theory
LCMV	Music Voice
LCPC	Psychology and Counseling
LCPM	Pastoral Ministries
LCTH	Theology and History

Following the four letter abbreviations are four numbers.

- The first number refers to the level of the course. For example,
  a 1 is a freshman-level course whereas a 4 is a senior-level course.
- The second number indicates the number of semester hours that one receives for completing the course successfully.
- The last two digits are the course identifier.

Note the example *Introduction to Teaching*: LCEM2360. The course is a Leavell College course (LC) in Educational Ministries. The course is a second-year course (2) for three hours of credit (3). The course identifier is 60. When registering for or referring to courses, all letters and digits should be used.

Definition of a Credit Hour

At NOBTS and Leavell College, a standard, semester-based course with weekly meetings will normally meet in person 1 hour in seat time per credit hour weekly, with assignments which take approximately two hours per credit hour outside of class. So, for a typical 3 hour course, class meetings will total 45 hours in seat time, and outside

of class assignments will total approximately 90 hours. The total time spent by the student inside and outside the classroom for the 3 hour course should thus be approximately 135 hours. When various alternative delivery systems are being utilized in which the percentage of seat time and outside of class assignments vary, the same total time investment of total time commitment by the students must be maintained.

Policies for Defining and Assigning a Credit Hour in Music Courses

In terms of credit hours versus contact hours in the office of Church Music Ministries, the following procedures have been established. Each credit hour of applied study equals a half hour of instruction. For example, a student taking 2 credit hours of voice would receive 1 hour of instruction per week over a 15- week semester. In keeping with common practice, lesson assignments are made during week 1, so there are actually 14 lessons. All ensemble courses include 1 hour of credit regardless of the number of contact hours of instruction in a given week (e.g., Seminary Chorus meets from 6:30 to 8:30 on Monday evening but students receive 1 hour of credit). Class piano follows the model of applied lessons. Because the class is small, 2 hours of credit equal 1 hour of instruction per week over the course of a 15-week semester. The standard of 2 hours of assigned work per credit hour in addition to contact hours as defined above is mandated for all undergraduate and graduate courses. In the case of ensembles, additional work required is largely met with the extra rehearsal time as described above.

VA Pending Payment Compliance

In accordance withTitle 38 US Code § 3679 subsection (e), this school adopts the following additional provisions for any students using U.S. Department of Veterans Affairs (VA) Post 9/11 G.I. Bill® (Ch. 33) or Vocational Rehabilitation & Employment (Ch. 31) benefits, while payment to the institution is pending from the VA. This school will not:

- Prevent the student's enrollment;
- Assess a late penalty fee to the student;
- Require the student to secure alternative or additional funding;
- Deny the student access to any resources (access to classes, libraries, or other institutional facilities) available to other students who have satisfied their tuition and fee bills to the institution.

However, to qualify for this provision, such students will be required to: Provide the enrolling institution with a copy of his/her VA Certification of Eligibility (COE) - A "certificate of eligibility" can also include a "Statement of Benefits" obtained from the U.S. Department of Veterans Affairs' (VA) website; eBenefits; or a VAF 28-1905 form, for chapter 31 authorization purposes.

Policy for Timeline of Academic Credit

Normally, any NOBTS degree should be completed within ten years, with the following exceptions:

1. The student is a part-time student still persisting toward the degree being currently enrolled not missing more than one year.
2. Some student may be granted an exception on a case-by-case basis by the program Dean in cases in which the student has experienced a serious career or life crisis, financial hardship, or was not in a position due to their ministry to continue the degree (in cases such as overseas missionary services).

Credentials Policy

Credentials Provided by the Institution:

Transcripts: NOBTS and Leavell College will refer to students on their transcripts by the name supplied by the student at the time of the application. If a student changes their name through marriage, they are responsible for communicating the change to the registrar's office. Marriage, annulment, and divorce are the only sufficient reasons NOBTS and Leavell College will change a student's name on the transcript.

***Diplomas*:** NOBTS and Leavell College will refer to graduates on their diplomas by their legal names, or an approved variation, provided at the time when they are students. A graduate requesting a replacement diploma will receive a copy of the diploma they originally received. NOBTS and Leavell College reserves the right to disapprove any request for replacement diplomas.

A Message from the Dean of Graduate Studies

Pursuing theological education at the master's or doctoral level is no small task. The degrees that we offer in our graduate programs are meant to prepare you for the calling God has placed on your life. Whether God has called you to pastor, take the gospel to the nations, serve on a church staff, or engage in biblically sound counseling; you need to prepare for the work before you. We have designed our graduate degrees to equip servants to walk with Christ, proclaim His truth, and fulfill His mission.

At NOBTS, we believe that being equipped as a servant is central to all callings within Christ's kingdom. We cannot be the servants we are meant to be without walking with Christ. As you pursue your degree, be reminded that our goal is not just academic. Do not miss the opportunity to grow in your relationship with King Jesus through your coursework. While academic excellence is not our only goal, it is still essential to our mission. That is because we have a message to proclaim! As you study, throw yourself into the pursuit of knowledge in each class you take, trusting that God will use that knowledge in the work to which he has called you. Also, remember to keep sight of the mission God gives us. God has called us to proclaim the gospel of King Jesus to the nations. By grace, God uses us to accomplish this through the power of the Holy Spirit to the glory of God the Father. During your studies, do not lose focus on the mission to which God has called you!

Our goal is to make our programs accessible to those God is calling to study at NOBTS. We have a variety of course delivery options available to you. I encourage all of you who can do so to study on campus. I also rejoice that those of you who are faithfully staying where God has placed you can be faithful in preparation through our mentoring, FLEX, online, and other delivery options. I am confident that you will experience quality courses and an engaged and talented faculty in whatever format you pursue courses!

If you are a graduate of Leavell College or another Baptist College or university, be sure to ask whether you qualify for advanced credit toward your master's degree through our Accelerated Program.

I pray that the Lord will direct your steps and bless you richly as you study to show yourself approved for the work to which God has called you (2 Timothy 2:15).

Cory Barnes, PhD

Dean of Graduate Studies

Accelerated Programs

Directed by Dr. Charlie Ray

Students who have graduated from Baptist colleges and universities (or other schools of similar theological background) within the last 5 years may have the opportunity to earn up to 27 hours of their MDiv, 18 hours of their MA in Counseling, or 9 hours of their MA, MTS, or MMCM through advanced standing or advanced placement with the Accelerated Program. Thus, qualified students could earn their degree in less time and at significant savings.

How Do I Apply?

The Accelerated Program is not a separate degree program and requires no special application process. Students will declare their specialization through the Registrar's office (i.e., MDiv in Christian Ministry or their chosen specialization) and contact the Accelerated Program office for a transcript evaluation. In addition, students must submit a research paper to the Accelerated Program office or write a paper demonstrating an ability in research and writing. The student's transcript will be evaluated to determine what credits he/she is eligible to receive through the Accelerated Program. The student will then receive a record of the credits he/she is eligible to receive. Students qualifying for more than the maximum allowable hours for their degree program must contact the Accelerated Program office to select the courses for advanced standing.

How Do I Receive These Credits?

Advanced standing credits will be added to the student's transcript only after the student has applied and been approved for graduation, while advanced placement credits in biblical languages may be added once the student has completed an upper-level language class with a B or better. No fees are assessed for advanced standing credits, so students will not have to pay anything to have these credits added to their transcript once they have applied for graduation. For advanced placement credits in biblical languages, students are charged 1/3 tuition for each bypassed course. In other words, a student who qualifies to move directly into Greek 2 must earn a B or better in that course, then pay 1/3 tuition for the bypassed Greek 1 course. Students will need to keep track of these credits throughout their degree program to ensure they do not repeat courses and/or have completed all other necessary courses before applying for graduation. While the Accelerated Program office will keep a record of all student qualifications, evaluation and approval for graduation is handled through the Registrar's office alone.

Courses Available for Advanced Standing

Currently, the Accelerated Program offers advanced standing credits at NOBTS for the following courses. To qualify for advanced standing credit, students must have completed equivalent courses at the undergraduate level with a grade of B or better.

Courses requiring **three equivalent hours** at the undergraduate level:

BBBW5300 Encountering the Biblical World
CCSW6367 Social Work Practice with Individuals and Families
CEAM6320 Church Leadership & Administration
CEEF6302 Foundations in Educational Psychology
CEEF6306 Lifespan Development
CEWM5388 Women in Ministry Leadership
COUN5300 Counseling in Ministry
ETHC5300 Christian Ethics
EVAN5300 Evangelism
HIST5300 History of Christianity: Early to Medieval
HIST5301 History of Christianity: Reformation to Modern
HIST5323 Baptist Heritage
MISS5330 Christian Missions
PATH5331 Pastoral Ministry
PHIL5300 Philosophy of Religion

Courses requiring **at least six** hours at the undergraduate level:

NTEN5351 Interpreting the New Testament 1
NTEN5352 Interpreting the New Testament 2
OTEN5351 Interpreting the Old Testament 1
OTEN5352 Interpreting the Old Testament 2
THEO5300 Systematic Theology 1

Church Music Courses Available for Advanced Standing

The only Church Music Courses available for accelerated credit for the Master of Music in Church or Master of Divinity in Church Music are the following:
MUVO5110/5210 Graduate Private Voice 3 credit hours
MUKP5200 Keyboard Competency in Church Music 2 credit hours

Advanced Placement in Languages

Students who have significant hours in Greek and/or Hebrew at the undergraduate level may also qualify for advanced placement in languages. For every six hours of undergraduate credit in Greek or Hebrew (with a B or better), students may qualify to proceed into the next logical class (e.g., six hours of Greek or Hebrew qualifies the student to bypass Greek 1 or Hebrew 1 at NOBTS and enroll in Greek 2 or Hebrew 2; 12 hours qualifies a student to bypass both Greek/Hebrew 1 & 2 and enroll in an Advanced or Exegesis course). Students who bypass one or more courses in either language must earn a B or better in the course they take at NOBTS. In addition to tuition for the class taken students will pay 1/3 tuition cost for the bypassed classes (i.e., you pay for one hour and receive three).

The following is the list of courses students may be eligible to bypass based on their undergraduate studies:

Advanced Placement into NOBTS Courses	Undergraduate Qualifying Courses
NTGK5352 Greek 2	6 hours of undergraduate Greek
NTGK6351 Advanced Greek for Exegesis OR NTGK63-- Greek Exegesis	6 additional hours of undergraduate Greek
OTHB5352 Hebrew 2	6 hours of undergraduate Hebrew
OTHB6351 Advanced Hebrew for Exegesis OR OTHB63-- Hebrew Exegesis	6 additional hours of undergraduate Hebrew

- The applicant must have the Bachelor of Arts degree or its equivalent from a college or university accredited by an agency related to CHEA, or proof of equivalent training at a foreign university.
- A minimum of 2.75 GPA on a 4.0 scale, or its equivalent.
- Beginning candidates must attend the graduate orientation at the beginning of their first semester, complete the Contact Form, the NOBTS Entrance Exam, ACE Survey, and Trauma Symptoms Index. These are not barriers to entrance, but rather facilitate more effective training opportunities for each student.
- The student may take a maximum of four of the six core courses (twelve hours) in any of the Counseling degree programs (course work listed as COUN) at NOBTS on a conditional basis. Conditional admission does not guarantee admission into any of the Counseling programs. Students taking less than four of the core courses in the counseling program their first semester may complete any of the remaining core courses the second semester, and take additional hours in the Master of Divinity Core section of the program to fill their semester schedule as needed.
- Students may take any number of the Master of Divinity Core courses required in the program prior to seeking admission to one of the Counseling Degree Programs.

Phase Two (Full Entrance): Completion of Academic and Clinical Requirements for Full Entrance in Graduate Counseling Programs

(This Phase completed through an application process in the Counseling Department.)

In order to be accepted into a Graduate Counseling Program, candidates must meet the following criteria:

1. **Complete four of the six core courses, with no grade lower than a "B." Candidates cannot take additional Non-Core COUN courses until they have been accepted into the graduate counseling program.**
   COUN6303, Ethical, Legal, and Professional Issues in Counseling *(offered every semester)*
   COUN6302 Techniques and Skills in Counseling (*offered every semester*)
   COUN6301 Psychopathology: Diagnosis and Treatment (*offered every semester*)

COUN6351 Counseling Theories and Treatment (*offered only fall semester*)
COUN6350 Clinical Marriage and Family Assessment (*offered only spring semester*)
one of these:
COUN6354 Cognitive-Behavioral Counseling: Individual, Marriage and Family (*offered only in the fall semester*)
OR COUN6355 Brief Approaches to Individual, Marriage and Family Counseling (*offered only in the spring semester*)
Students should complete the remaining core courses the semester after full acceptance.

2. **Maintain a 3.0 GPA in all COUN classes**
3. **Complete application to Phase Two of the Graduate Counseling Program:** Students preparing to complete the first four core courses should apply to the program by October 15 or March 15. The application is online, in the Canvas course Clinical Practice (Community Course).
4. **Evaluation of Work in Courses:** After the candidate has completed and submitted all the above materials, the professors who taught the applicant's core courses will complete an evaluation of the evidence of academic, emotional and spiritual preparation of the candidate for acceptance into the program and of the candidate's preparedness to begin the practicum.

   Evaluation Checklist

   When the Application is submitted, the professors of the four core courses will fill out an evaluation checklist that will cover the following areas.

   - Academic Communication Skills
   - Professional Orientation
   - Interpersonal Competence
   - Personal Responsibility
   - Personal Integrity
   - Respect others and Diversity
   - Self-Reflection and Self-Care
   - Regular Involvement in your church and ministry
   - Evidence that the student is dealing with and/or working on any personal issues that could impact his or her work as a counselor.
   - Interview with Faculty Member: At this point, the candidate will be invited to have an appointment for an oral interview with one of the professors in the Counseling Department. The interview will include all evaluation scores and discussion of any issues or concerns.

Candidates will be notified in writing by the Counseling Program regarding the results of their admission status. Those who are accepted will be allowed to register in Non-Core COUN courses in the next semester.

NOTE: All counseling students are required to achieve a passing score on the CPCE exam before graduating.

***The Theological Research and Writing Seminar is the standard requirement for the summative evaluation component of the degree program. Students who demonstrate in T&H electives the necessary research and writing skills to excel in a PhD seminar or to complete the thesis component may seek approval to replace THSE6300 with the PhD seminar or Thesis options.

****Per ReDOC policy, admittance to a PhD seminar is contingent upon approval from the professor teaching the seminar, the T&H Division, the ReDOC Committee, and availability of space in the seminar. Students should seek approval during the semester before the seminar is offered, concurrent with ReDOC registration.

*****After completing 30 hours in the degree program, a student may work with the Program Coordinator/Advisor to secure a faculty member who agrees to serve as the Thesis Advisor. The T&H Division must approve any request for the Thesis component. For more information about the MA Thesis, see the *Master of Arts Thesis Guide*.

Admission Requirements

Applicants must have completed a total of at least 15 transcripted credit hours with a grade of "B" or above in biblical studies, apologetics, theology, historical studies, philosophy, and/or ethics at the undergraduate level. Comparable work at the graduate level may be considered in the admissions process. Students lacking 6 hours of undergraduate coursework in theology may be required to take Systematic Theology 1 prior to graduation from the program. Students lacking 3 hours of undergraduate coursework in Old Testament may be required to take Interpreting the Old Testament 1 prior to graduation. Students lacking 3 hours in undergraduate coursework in New Testament may be required to take Interpreting the New Testament 1 prior to graduation.

Admission Process

Admission to the Master of Arts (Apologetics) requires the following:

1. Applicants must fulfill all the normal admission requirements for NOBTS, including the admission form, transcript, church endorsement, statement of call, medical clearance, TOEFL for international students, etc.
2. Applicants must have earned a baccalaureate degree, normally with at least a 3.0 grade point average (GPA) on a 4.0 scale, from an institution accredited by a regional accreditation agency recognized by the Council for Higher Education Accreditation or holding membership in the Association of Universities and Colleges in Canada, or the educational equivalent.

Admission to the MA (Apologetics) program requires additional approval by the Theological and Historical Studies Division. The following criteria will be used in reviewing applications for the MA (Apologetics) program:

3. Applicants must submit a research paper to the Associate Dean of the Division on a topic in some area of Christian apologetics or theological studies for consideration by the Theological and Historical Studies Division. In some cases the division may require a personal interview with the applicant.
4. Students should evidence the interests, aptitudes, and personal qualities necessary for the particular application of this degree.

The Theological and Historical Studies Division, in consultation with Admissions, shall determine the applicant's suitability for admission and admit qualified candidates into the MA (Apologetics) program. Students with weak undergraduate preparation in a discipline may be required to take introductory courses or, in some cases, remedial work to insure minimum competency in that discipline.

The faculty recommends strongly that apologetics students attend the January Defend conference, which features some of the nation's top apologists. Students can earn up to six hours of course credit toward this degree each year through the Defend conference.

PhD Eligibility

Students who complete all the degree requirements of the MA (Apologetics) are eligible to apply to the PhD at NOBTS. Students should, however, refer to all current admission requirements for Research Doctoral Programs to ensure the MA (Apologetics) meets the criteria for specific majors.

PhD Eligibility

Students who complete the MA in Counseling are eligible to apply to the PhD at NOBTS. Students should, however, refer to all current admission requirements for Research Doctoral Programs to ensure the MA in Counseling meets the criteria for specific majors.

Phases of Admission

In addition to the New Orleans Baptist Theological Seminary admission requirements and acceptance into NOBTS, a student pursuing a degree in counseling (any of the licensure tracks) must complete the following phases of admission:

Phase One (Entry Phase): Entry Level for Counseling Licensure Programs

Entry into any Graduate Counseling degree program at New Orleans Baptist Theological Seminary is based on an evaluation of the applicant's personal, professional, and academic records by the Counseling Faculty. NOBTS encourages applications from qualified applicants from diverse sociocultural backgrounds who display Christian character, professional promise, intellectual achievement, and educational commitment. This Phase is completed through the typical application process for NOBTS and the Admissions' Office. At a minimum, applicants are expected to have the following qualifications, and meet the following requirements:

- The applicant must have the Bachelor of Arts degree or its equivalent from a college or university accredited by an agency related to CHEA, or proof of equivalent training at a foreign university.
- A minimum of 2.75 GPA on a 4.0 scale, or its equivalent.

- Beginning candidates must attend the graduate orientation at the beginning of their first semester, complete the Contact Form, the NOBTS Entrance Exam, ACE Survey, and Trauma Symptoms Index. These are not barriers to entrance, but rather measures to facilitate more effective training opportunities for each student.
- The student may take a maximum of four of the six core courses (twelve hours) in any of the Counseling degree programs (course work listed as COUN) at NOBTS on a conditional basis. Conditional admission does not guarantee admission into any of the Counseling programs. Students taking less than four of the core courses in the counseling program their first semester may complete any of the remaining core courses the second semester, and take additional hours in the Basic Ministerial Competency Core section of the program to fill their semester schedule as needed.
- Students may take any number of the Basic Ministerial Competency Core courses required in the program prior to seeking admission to one of the Counseling Degree Programs.
- All students must complete the NOBTS Counseling Education Exam at the beginning of the entry phase.

Phase Two (Full Entrance): Completion of Academic and Clinical Requirements for Full Entrance in Graduate Counseling Programs

(This Phase completed through an application process in the Counseling Department.)

In order to be accepted into a Graduate Counseling Program, candidates must meet the following conditions:

1. **Complete four of the six core courses, with no grade lower than a "B." Candidates cannot take additional Non-Core COUN courses until they have been accepted into the graduate counseling program.**
   COUN6303, Ethical, Legal, and Professional Issues in Counseling *(offered every semester)*
   COUN6302 Techniques and Skills in Counseling *(offered every semester)*
   COUN6301 Psychopathology: Diagnosis and Treatment *(offered every semester)*
   COUN6351 Counseling Theories and Treatment *(offered only in the fall semester)*
   COUN6350 Clinical Marriage and Family Assessment (*offered only in the spring semester*)
   One of these:
   COUN6354 Cognitive-Behavioral Counseling: Individual, Marriage and Family *(offered only in the fall semester)*
   OR COUN6355 Brief Approaches to Individual, Marriage and Family Counseling (*offered only in the spring semester*)
2. **Maintain a 3.0 GPA in all COUN classes**
3. **Complete application to Phase Two of the Graduate Counseling Program:** Students preparing to complete the first four core courses should apply to the program by October 15 or March 15. The application is online, in the Canvas course Clinical Practice (Community Course).
4. **Evaluation of Work in Courses:** After the candidate has completed and submitted all the above materials, the professors who taught the applicant's core courses will complete an evaluation of the evidence of academic, emotional and spiritual preparation of the candidate for acceptance into the program and of the candidate's preparedness to begin the practicum.
   Evaluation Checklist

When the Application is submitted, the professors of the four core courses will fill out an evaluation checklist that will cover the following areas.

- Academic Communication Skills
- Professional Orientation
- Interpersonal Competence
- Personal Responsibility
- Personal Integrity
- Respect others and Diversity
- Self-Reflection and Self-Care
- Regular Involvement in your church and ministry
- Evidence that the student is dealing with and/or working on any personal issues that could impact his or her work as a counselor.
- Interview with Faculty Member: At this point, the candidate will be invited to have an appointment for an oral interview with one of the professors in the Counseling Division. The interview will include all evaluation scores and discussion of any issues or concerns.

Candidates will be notified in writing by the Clinical Director of the Department of Counseling regarding the results of their admission status. Those who are accepted will be allowed to register in Non-Core COUN courses in the next semester.

NOTE: All counseling students are required to achieve a passing score on the CPCE exam before graduating.

Students, in communication with the Office of the Registrar, are responsible for knowing where they are in their program and when they must take the exam.

Registration Process

1. During registration for the semester that students anticipate graduation, they must contact the Registrar's office to register for *MTSA6100* and pay all associated fees (self registration is not available for this course).
2. Once students register for *MTSA6100*, they should contact the Summative Assessment Coordinator and verify their enrollment into the Summative Assessment Canvas site, which houses the exam and additional helpful information.
3. All graduation deadlines are firm.

Summative Assessment

1. The Summative Assessment consists of 100 true-false and multiple choice questions gleaned from the courses that make up the core of the degree program. This timed exam is taken and graded via the Summative Assessment Canvas site.
2. The exam is opened for students to take during the following periods of time:
    - **December graduation:** after November 1, but no later than December 1
    - **May graduation:** after April 1, but no later than May 1
    - **July Conferral:** after June 1, but no later than July 1

In the event that a student fails the Summative Assessment, the following options are available:

- If a student fails the Summative Assessment, the exam may be retaken after 5 days if 5 days falls within the period that the exam is open.
- If a student fails the Summative Assessment and/or does not take the exam within the allotted period, the student must contact the Office of the Registrar to withdraw from graduation.
- If a student fails the Summative Assessment and/or does not take the exam within the allotted period, the student must enroll into *MTSA6100 Summative Assessment* in the subsequent semester.

Further guidance on the Summative Assessment process may be obtained from the Office of the Summative Assessment Coordinator.

Master of Theology (ThM)

Degree Overview

Vocational Calling

To prepare students for further graduate study at the doctoral level; the scholarly enhancement of ministry; or some forms of teaching, research, or writing.

For further information, please contact:

- Dr. Terry Iles (Director of the Master of Theology Program, Program Coordinator)

ThM Purpose and Student Learning Outcomes

The ThM is an advanced research degree designed specifically for further academic preparation for pursuing a PhD. Applicants may choose to apply for a stand-alone ThM rather than a PhD, whether for personal academic advancement or in order to complete leveling work required to apply for the PhD program.

If a future PhD applicant has nine or more hours of master's-level prerequisite courses to complete, it would be beneficial to apply to the stand-alone ThM program to complete his or her leveling work. This degree includes twelve hours of upper-level master's courses while also allowing the student to complete two PhD seminars, one reading seminar, and Introduction to Doctoral Research and Writing, all of which may transfer into the PhD if the student is accepted into that program after earning the ThM.

A PhD applicant may be granted admittance to the stand-alone ThM program by the faculty rather than the PhD program. After completing the ThM, the student may reapply for the PhD program.

Graduates of the Master of Theology program will be able to do the following:

- Demonstrate an advanced understanding of a focused area or discipline in the context of general theological study
- Formulate productive questions
- Design, implement, and report research

Professional Doctoral Degrees

Doctor of Ministry and Doctor of Educational Ministry

DMin/DEdMin Purpose

The Doctor of Ministry (DMin) and the Doctor of Educational Ministry (DEdMin) are professional degrees accredited by the Association of Theological Schools (ATS) and designed to provide qualified students the opportunity to achieve a high level of excellence in the practice of ministry. The degrees are built on respective prerequisite master's degrees and high intellectual achievement and professional capability.

The Doctor of Ministry degree requires an ATS-accredited Master of Divinity (MDiv) degree OR a master's degree in a ministry-related area from an accredited college, university, or seminary. The Doctor of Educational Ministry degree requires a theological ministerial or professional master's degree from an accredited institution. The Professional Doctoral Degrees normally require three to five years of study beyond the master's degree with a limit of six years.

Components of both programs include a combination of workshops and seminars, and a ministry project designed to meet a specific need in the student's ministry context. A formal written Project Report is required. For complete and current information on the professional doctoral degrees, please see the Professional Doctoral Programs (ProDoc) website at http://www.nobts.edu/cme.

Program Outcomes

The outcomes for the DMin program are as follows:

- To stimulate personal and spiritual maturity that enables graduates to reinvigorate and deepen their vocational calling
- To foster advanced theological integration that helps graduates effectively engage their cultural context with theological acumen and critical thinking
- To strengthen basic knowledge and professional skill essential to effective ministry
- To develop in-depth contextual competency that gives graduates the ability to identify, frame and respond to critical ministry issues
- To acquire leadership capacity that equips graduates to enhance their effectiveness as ministry leaders in their chosen settings
- To assist in development of a unified ministry philosophy which involves the staff and laity in a world-wide ministry through churches

The outcomes for the DEdMin program are as follows:

- To facilitate an advanced understanding of the nature and purposes of educational ministry
- To develop an enhanced capacity to reflect theologically on issues and practices related to educational ministry
- To aid in the acquisition and refinement of skills and competencies for more effective ministry
- To facilitate an understanding of emerging models in educational ministry and ability to critically evaluate those models
- To foster continued growth in spiritual maturity

Admissions

In addition to the following guidelines, students interested in a professional doctoral degree should review the general seminary guidelines of this catalog regarding international students, immunizations, and divorce and estrangement. Those guidelines can be found in the current edition of the **graduate catalog.** The Professional Doctoral Oversight Committee (ProDOC) will recommend admission, conditional admission, or denial of admission for the DMin and DEdMin programs. Workshops are designed for main campus attendance . Students are highly encouraged to attend all workshops in person at the New Orleans campus. However, all workshops are available via LIVE (synchronous interactive video). The Program Overview and Mid-Career Assessment Workshops are two days in length. The Project in Ministry Design Workshop is four days. Seminars are three days, scheduled in a variety of delivery formats: Main campus, LIVE, and special events. Periodically, Special Event seminars are offered in conjunction with a selected main campus or off-campus event (length of Special Event seminars may vary due to the event schedule). Curriculum Description

Each workshop and seminar will have pre-seminar assignments. Assignments are practical and ministry oriented, reflecting the practice of ministry in the respective field. The meetings are designed to be practical, ministry oriented, and interactive. All research writing during the student's program, including the Project Report, must be prepared according to the latest edition of the program handbook approved by the faculty: *A Manual for Writers of Term Papers, Theses, and Dissertations by Kate Turabian; and A Manual of Style* (University of Chicago Press).

Workshops, Seminars, and Project in Ministry Requirements

The workshops are designed to provide students with selected ministry assessment opportunities and personalized guidance in their programs. Workshops are led by the ProDoc faculty and involve students in independent study, group discussions, presentations, and one-on-one dialogue. All workshops must be completed in the order listed in the program requirements above.

Seminars are designed to lead students to wrestle with contemporary ministry issues in dialogue with the various theological disciplines. Most seminars are taken concurrent with the workshops and may be completed in any order. All seminars must be completed prior to or concurrent with the completion of the Project in Ministry Design Workshop. If enrollment in a seminar is below the minimum established by the ProDOC, those students who have enrolled will be notified regarding alternatives.

No more than one-half of the student's seminars may be transferred credits from another institution or taken as Directed Study Seminars (independent of on-campus meetings under the direction of an elected faculty member), Specialized Directed Study Seminars (customized individual study under a faculty member that is distinctive from any currently offered seminar), or Special Event Seminars. Requirements for Directed Study Seminars are commensurate with those in Campus Seminars (including assignments which compensate proportionately for class time). Registration and assignment deadlines also correspond with those of Campus Seminars in the same semester or term.

Evaluation and Eligibility for Graduation
Students anticipating December graduation must turn in their Project Reports by August 15, and students anticipating May graduation must turn in their Project Reports by January 15. The Project Report is submitted to the ProDoc Office. The Project Report will receive a grade of Fail, Low, Satisfactory, or High. If the project receives a Low, Satisfactory, or High evaluation, the Project Mentor and Readers will conduct an Exit Interview with the student at least one month before graduation. The readers may recommend changes (stylistic or content) to be made in the Project Report before it is placed in the library. Students whose reports fail will be asked to meet with the Project Mentor and ProDoc Administrators to determine a plan for completion of the degree program. Allocation of the necessary time in research is subject to review by the student's guidance committee. A reduced course load may be recommended or required.
- No seminar grade below "B" (3.0) will count toward degree requirements. Students making a grade of "C" or below must consult with their faculty advisor. Two seminar grades of "C" or below will result in the student's dismissal from the doctoral program.
- Students may be required to remove deficiencies in their preparation by taking for-credit courses from the master's-level curriculum. In any case, students are encouraged to audit master's-level classes in their field.
- EdD students are expected to attend all class sessions. Students may drop an EdD block-scheduled seminar or other course before the second class meeting. A reading seminar may be dropped before the Friday preceding the course meeting date. To drop a course, students must contact the Registrar's office.
- The period allowed for the completion of the EdD program is seven years from initial registration.

Manual for the Doctor of Education Program

Following acceptance into the doctoral program, students should download a copy of the Manual for the Doctor of Education Program from the EdD website (www.nobts.edu/edd). This manual is the official handbook for the Doctor of Education program. It includes information on current procedures and policies. Students are notified of updates as appropriate. Students should frequently consult the online EdD manual for changes each academic year.

Directed Study

A directed study provides a unique opportunity for a student to work one-on-one with a professor. In order to register for a directed study, the student should seek permission from the Doctor of Education office after consulting with the desired faculty guiding the directed study.

Program Dates

Contact the EdD office for specific dates in the EdD program for the upcoming academic year.

Fees for Doctoral Students

Fees, effective August 1 each year, are listed in the “Graduate Student Fees” section of this catalog. Students who are not members of Southern Baptist churches should note the fees for non-Southern Baptists.

Transfer of Credit

Students may request the transfer of doctoral-level courses completed at another accredited institution prior to admission. Applicants who believe they qualify should contact the Director of the Doctor of Education program during the application process.

Integrated Mentorship Credit (3 hours)

Candidates pursuing an EdD degree who have completed a dissertation or ministry project and hold a professional doctoral degree (DMin, DEdMin or similar) from an accredited institution may request credit for Integrated Mentorship (EDMN8301, EDMN8302 or EDMN8303). The permission process includes the following steps.

1. The student should submit the Credit Request Form to the EdD Office accompanied by a degree transcript and abstract of the project or dissertation. The project must reflect direct ministry experience during the project implementation.
2. The program director will confirm the project and ministry experience status using supporting documentation. The Doctor of Education Oversight Committee (EdDOC) will make the final decision. Credit will be granted upon completion of Senior Residency.
3. The student will be notified, in writing, of the decision. A copy of the request and decision will be sent to the Registrar.

Integrated Mentorship Exemption (3 hours)

Candidates pursuing an EdD Degree who have completed a dissertation or ministry project and hold a professional doctoral degree (DMin, DEdMin or similar) from an accredited institution and may request an exemption for the Integrated Mentorship.

1. The student should submit the Credit Request form to the EdD Office accompanied with a degree transcript and abstract of the project or dissertation. The project must reflect direct ministry experience during the project implementation.
2. The program director will confirm the project and ministry experience status using supporting documentation. The final decision will be made by EdDOC.
3. The student will be notified, in writing, of the decision. A copy of the request will be sent to the Registrar.

ThM Requirements and Assessment

ThM Portfolio Students who successfully complete all required coursework may submit a writing portfolio to receive a ThM degree. The writing portfolio may include a copy of all papers, book reviews, or any additional writing from seminars or mentorship. The portfolio will demonstrate the student met the workload to earn a ThM. An assessment of the portfolio will involve an interview with the EdD Director and the supervisor (or a faculty member from the division). Pending approval of the portfolio, the student will receive a ThM at graduation.

Students who received a stand-alone

ThM prior to entering the EdD program are exempt and are not required to submit a portfolio. Students who do not

have a ThM are required to submit a portfolio and receive the ThM. ThM Portfolio ThM students should compile their portfolio as PDF files within a OneDrive folder. The folder should include a copy of all seminar papers, book reviews, and any other written work completed during coursework (the student does NOT need to include work from the reading seminar or supervised mentorship courses). The OneDrive folder should be organized accordingly and must indicate what seminar or course the paper was written for and the grade earned on the assignment (students should download their graded assignments from Canvas to keep track; for students compiling a portfolio during the transition from BlackBoard to Canvas, grades may have been lost and in such cases the student is exempt from including the grade). The portfolio should also include a one- or two-page written self-evaluation of the student's progress and reflections on what they learned in the seminars. Students should submit the portfolio to the EdD office by sharing the OneDrive folder with edd@nobts.edu and making the folder visible to anyone with the link.

ThM Deadlines

ThM Portfolios must be submitted by Oct 1 (for Dec graduation) or Mar 1 (for May graduation). After submission, the EdD office will reach out to students to schedule the portfolio interview with the EdD Director and the student's supervisor. Supervisors will complete the ThM Portfolio and Evaluation Form together with the EdD Director after the portfolio interview.

Dissertation Requirements

Doctoral candidates must write a Dissertation in Professional Practice (DiPP). The dissertation in Professional Practice process is a formal demonstration of the doctoral candidate's knowledge, skills, behaviors, scholarship, and dispositions of educational leadership. A "Dissertation in Professional Practice (DiPP)" demonstrates a doctoral candidate is capable of educational research, critical thinking, theological reflection, and organizational leadership or instruction.

Refer to the EdD Dissertation Writing Manual for specific instructions, guidelines, and timelines for completing the dissertation. You can find Dissertation Instructions on the Program Materials page of the Doctor of Education Program area of the seminary website.

Requirements for Graduation

In order to graduate from the seminary, students must meet all academic requirements set forth in this catalog, settle all financial obligations to the seminary, and maintain high standards of moral and ethical conduct. The faculty or any appropriate committee of the faculty may at any time advise the President that a student evidences spiritual, ethical, emotional, psychological, or attitudinal deficiencies which, in the judgment of the faculty, disqualify the student for continued study at the seminary. The student may appeal this determination to the President. The decision of the President shall be final.

Participation in graduation exercises is required of all students unless permission is granted to graduate in absentia. Requests for permission to graduate in absentia should be made in writing to the Registrar. Permission is granted only in emergency cases.

Admission Requirements

Specific admission requirements for the DMA may be obtained by contacting Dr. Jessica McMillan, at 504.816.8238, or by e-mail at jmcmillan@nobts.edu.

Degree Prerequisites
Applicants should have a bachelor's degree in music and a Master of Music in Church Music degree or the equivalent from an institution accredited by National Association of Schools of Music/Association of Theological Schools in the United States and Canada. Applicants having a master's degree (but not in church music) from an accredited institution may fulfill church music deficiency requirements by completing the following:

1. Take master's or remedial courses as prescribed by the music faculty to fulfill deficiencies in the student's studies and thereby aid the student in mastering the rigorous doctoral courses. Any remedial courses should be taken and passed with a letter grade of A or B in the first two semesters of their program. The student will be in "provisional admittance" until all deficiencies are cleared.
2. Submit for consideration a paper relating in depth the experience of the applicant in church music leadership positions, and if required, satisfactorily complete entrance examinations.

Graduate Record Examination
Applicants must take the Graduate Record Examination (GRE) verbal, quantitative, and analytical writing tests. Scores can be no older than 5 years.

GRADE POINT AVERAGE AND GRADUATE RECORD EXAMINATION

The grade point average (GPA) and the Graduate Record Examination (GRE) verbal and analytical writing scores will be considered on the following five-point sliding scale. For the application to be accepted, the individual must have a combined score of "0" or higher on the three components. Scores can be no older than 5 years.

	-2	-1	0	+1	+2
GPA	below 3.0	3.0-3.25	3.26-3.5	3.51-3.75	3.76-4.0
GRE Verbal	below 146	146-152	153-156	157-160	above 160
GRE Writing	below 3.5	3.5	4.0	4.5-5.0	5.5-6.0

Although not included in the above calculation, the quantitative score will be considered in the overall evaluation of the applicant. The institutional code for New Orleans Baptist Theological Seminary is 6472.

Research Paper
The applicant must submit a graded research paper from the master's program for review by the Church Music Ministries Department faculty. If no paper is available, the applicant should contact the DMA Director for guidance.

Department Interview
Applicants are required to interview with the Church Music Ministries Department faculty related to the proposed area of major study. The interview focuses on one's conversion experience, call to ministry, family relationships, reasons for pursuing the doctoral degree, interests and reading in the proposed field of study, and other concerns that may enable the faculty to know the applicant better and to ascertain his or her potential for advanced studies.

Audition
If the applicant is pursuing study in an applied field, an audition in the applicant's major field of performance is required. The literature to be performed should represent the major style periods of Western music. Auditions may be presented in person, or a video recording may be submitted, but the recording must have been made within the academic year (August-June) of the applicant's interview.

Placement/Proficiency Examinations
Assessment of transcripts, faculty interview, and evaluation of the audition may lead to oral and/or written placement/proficiency examinations in any specified areas of music and music ministry study.

Professional Experience
Applicants should have a minimum of two years of substantial experience in church music leadership. If such experience has not been obtained prior to admission to the DMA program, it may be accomplished during the program of study but must be completed prior to the Written Comprehensive Examination.

International Applicants

Applicants whose primary spoken language is not English must fulfill one of the following options as part of the application process to the Professional Doctoral Programs:

Option 1:

- Students whose native language is not English must take the Test of English as a Foreign Language (TOEFL), or the Duolingo English Test (DET). Those taking the DET must achieve a score of 120 or higher. Below are minimum scores for admission approval for each TOEFL testing format. The minimum score for consideration is 550 on the Paper-Based Test, 213 on the Computer-Based Test, or 80 on the Internet-Based Test. The minimum score for the writing section is 3.5.
- Either the DET or TOEFL must be taken prior to the Admissions Council granting admissions approval. The institutional code for New Orleans Baptist Theological Seminary is 6472.
- Pass the NOBTS English Entrance Exam. (This exam is offered during orientation each January and August.)
- All test scores must be within 2 years.

Option 2:

- Completion of an appropriate master's degree at NOBTS (or an accredited U.S. institution).
- DET or TOEFL scores are normally required as part of the evaluation of the applicant.

Student applicants may contact the International Student Advisor in the Registrar's office by phone at 504.816.8257, or by e-mail at registrar@nobts.edu. However, please note that WES transcript evaluations for master's degrees must be course by course.

Program Overview

The DMA consists of 4 core semester-length seminars; 3 supervised reading colloquia; Introduction to Doctoral Music Research and Writing; 12 additional hours in a chosen concentration (divided between semester-length seminars and private study); a music faculty Mid- Point Assessment (upon the completion of 32 seminar hours); Written Comprehensive Examination (at the completion of seminar and recital work); Teaching Higher Education; two recitals and one lecture recital for applied students; the Oral Qualifying Examination (upon completion of RDOC9303 Prospectus Development); and the submission and defense of a dissertation.

The DMA program is divided into three stages: DMA residency, DMA senior residency, and DMA candidacy. The student enters the senior residency stage following the completion of 41 semester hours of DMA work. The student enters the DMA candidacy stage after completion of the Oral Qualifying Examination.

The student's program is guided by the DMA Director during the Residency stage and by a faculty advisor and guidance committee during the Senior Residency and Candidacy stages. Faculty guidance assignments are made by the DMA Director in consultation with the music faculty and the student.

The NOBTS DMA program is designed for a student to take one core course, one colloquium, and one seminar or private lessons per semester (10 credit hours). This will keep the student on an efficient schedule for degree completion and keep the student in step with course offering rotation. Should a student decide not to take a required course during the specified semester it is offered, he/she will have to wait to enter the course until it is offered again in the rotation schedule. This is not considered grounds for granting a Directed Study.

Full-time students generally can complete the program in 3½-4 years. The recommended semester load for a full-time DMA student is ten semester hours of coursework. On this schedule a student would complete course work after five semesters.

The Written Comprehensive Examination is administered after the student has completed a minimum of 40 hours and includes areas such as music history and literature, music theory, church music history/hymnology, recognition of musical styles, and research/bibliography. The results of the Written Comprehensive Examination are used to determine the student's continuance in the DMA program. Depending on severity, should the Written Comprehensive Examination reveal lack of knowledge, or a failure of familiarity in any area, the student may be given the opportunity to re-address the topic(s) in an oral examination re-take, be asked to re-take specific courses, or be terminated from the program.

The Written Comprehensive Examination is administered by the music faculty at the completion of senior residency. The Oral Qualifying Examination will focus exclusively on refinement and approval of the prospectus which ushers the student into DMA Candidacy and the writing stage of the dissertation.

After submission of the dissertation, the candidate is given a final oral examination to defend the dissertation.

The program must be completed within seven years.

Program Stages

The DMA program at NOBTS has three stages:

2. Senior Residency: 8 semesters of course work, proposal and prospectus development, and the Oral Qualifying Examination; and
3. Candidacy: dissertation research and writing, and the oral defense of the dissertation.

Preresidency

Students who hold a master's degree but need a year or less of additional leveling courses can apply for the Preresidency stage of the DMA program by indicating on the application form that they are applying for Preresidency. Preresidents are eligible to apply for scholarships and campus housing with no minimum hours requirement.

Preresidents taking leveling courses only online need not submit personal evaluations or health and immunization forms. However, all application items must be submitted by the application deadline of the semester prior to desired entrance into the residency stage of the DMA program.

Directed Study

A directed study provides a unique opportunity for a student to work one-on-one with a professor. Directed studies enable a student (1) to engage in specialized research under a professor's supervision or (2) to cover an area not included in the regular seminar offerings during the student's scheduled seminar work. Students may contact the DMA Director concerning the procedure for submitting a proposal.

Continuous Enrollment Program

After beginning studies, the student must maintain enrollment (register and pay matriculation fees) each semester until the doctoral program is completed. The Doctor of Musical Arts program is a continuous enrollment program until graduation. Failure to register and pay fees each semester will result in termination from the program.

Dissertation Requirements

DMA candidates must write a dissertation that demonstrates the candidate's ability to do independent and original research, mastery of a research methodology, competency to report logically the results of the research, expertise in presenting the research in acceptable style, and contribution to the academic discipline. The dissertation may contain no less than 25,000 nor more than 50,000 words, unless otherwise authorized by the student's guidance committee. Students with recital requirements will not be expected to write such an extensive dissertation.

If the chosen topic requires research language facility, the student must demonstrate written fluency in the language or demonstrate proficiency through completed semester hours in the applicable language. Course credits that are to be considered for meeting the language requirement may not be more than seven years old. In addition to course credits on a transcript, competency in French, German, or Latin can be verified by testing arranged through the Office of Research Doctoral Programs. The approval of a dissertation topic goes through several stages:

- Approval of a research proposal by the faculty committee
- Completion of RDOC9303 or MUDC9303 Prospectus Development
- Oral Examination - approval of the prospectus by the Church Music faculty
- Following Church Music faculty approval, at least four months must pass before the presentation of the dissertation for defense.

Students are required to use the style guides approved by the seminary faculty. Four plain paper copies of the completed dissertation (unbound in four separate boxes) must be submitted to the DMA office by the April 1 or November 1 deadline. Appropriate dissertation and diploma fees must be paid at the time of submission.

Following the dissertation defense, the student will need to work with the guidance committee chairperson to make any changes the committee might require. The student will submit a pdf of the revised document to the guidance committee chairperson, who will approve the pdf and forward it to the director of the DMA program for final approval for submission to ProQuest.

If the dissertation is rejected following an unsatisfactory dissertation defense and if the guidance committee looks with favor upon its resubmission, a period of three months must elapse before it may be presented again. The student would register as a writing candidate and pay full tuition.

If the dissertation is rejected for form, style, and/or minor content reasons following a satisfactory dissertation defense and if the guidance committee looks with favor upon its resubmission, the dissertation may be presented again no sooner than two months after the dissertation defense and no later than two months prior to the following graduation date. The student would register for Program Continuance and pay a reduced tuition.

In either case permission to resubmit the dissertation does not involve a commitment as to the time of graduation.

Performance Dissertation Requirements

Conducting, Organ Performance, Piano Performance, or Vocal Performance

The requirements for these concentrations consist of three recital performances--two recitals (MUSC9006 and MUSC9007) covering the literature of the applied field, and one lecture recital (MUSC9008).

The lecture recital must be documented by a dissertation which treats thoroughly the performance practices or historical and analytical aspects addressed by the recital. This recital is to be a lecture recital in which the student apprises the audience, which has not had the benefit of the document, of the high points of the investigation. The Candidate will speak concisely to the origins, procedure, and outcomes of the research and support those outcomes by demonstration.

The document demonstrates the depth of investigation that the student has made of literature selected for the performance. The performance is to reflect the knowledge gained, and should in no way disagree with the findings in the document. All three recitals require program notes, but the lecture recital requires extensive program notes.

Composition Dissertation Requirements

The dissertation in Composition should contain a large form composition by the student with extensive compositional design/philosophy notes explaining origins and stylistic influences, with any historical, analytical, and/or spiritual aspects of the piece that may apply. Desired performance venues should be included.

The Composition concentration requires one recital where the student composition(s) will be performed. Detailed program notes derived from the high points of the dissertation are required. This is a lecture recital. The lecture should be a significant expansion of the program notes. This recital should consist of a performance of approximately one hour and must reflect DMA standards. The large form composition must comprise approximately 50% of the recital. Shorter compositions may be included in the recital depending upon the length of the major work.

General Policies

- Persons seeking a doctorate need to be highly motivated scholars.

- All students entering doctoral studies in research degree programs must register for RDOC9300 Introduction to Doctoral Research and Writing during their first semester in the program. Students who have not completed a course on the SBC and Cooperative Program in their previous undergraduate or master's degree will be registered for COOP9000 in conjunction with this course.
- All PhD students must secure and maintain an email address throughout the program.
- The PhD program is a residential program with courses offered on the main campus. Students are encouraged to be on campus for coursework. However, all courses are also available through synchronous interactive video via an online classroom platform.
- Students should plan to spend at least twenty hours in research weekly for each seminar. Thus, a student taking two seminars should be engaged in research at least forty hours weekly. Allocation of the necessary time in research is subject to review by the student's committee.
- No seminar grade below "B" (3.0) will count toward degree requirements. Students making a grade of "C" must consult with their faculty supervisor. Two seminar grades of "C" will result in the student's dismissal from the PhD program.
- Students may be required by their supervisor to improve their preparation for certain PhD courses by taking supplemental masters-level courses. Students are also encouraged to audit master's level courses in their field.
- The maximum period allowed for the completion of the PhD program is seven years from initial registration.
- A master's student at times may be allowed to take a doctoral seminar for master's credit. Students should contact the Divisional Associate Dean of the appropriate academic division for guidance and approval.

Faculty Supervisors

Supervision begins during the admission process into PhD Studies. Applicants will select their top 2 or 3 supervisor preferences and will reach out to schedule an interview with them individually to evaluate whether they would serve as the supervisor of that student based on research interest, expertise, and availability. The faculty member has the prerogative to choose the students they wish to supervise.

The supervisor will be responsible for preparing students to become experts and scholars in their disciplines, ensuring that students develop competency in their fields and mastery of their areas of specialization. Consequently, supervision will prepare students for the Comprehensive Exam and direct students in developing a statement of research interest. The supervisor will guide the student in developing their research topic into a proposal and then into a prospectus. The supervisor will also remain involved in the dissertation stage by offering direction and critical feedback along the way.

The faculty supervisor must meet regularly with their students at least once a month every semester that the student is on active status during the residency stage. These meetings should begin the first semester the student begins in the PhD program. Meetings with students should focus on any matters related to their current seminars, research interests, and preparation for prospectus and comprehensive exams. The supervisor may recommend additional reading, preparation, or training in areas where the student may have some deficiencies.

Full Load and Partial Load Semesters

The PhD requires a minimum of three years of full-time study (two years of residency and one year of dissertation research and writing). As such it is possible to complete the PhD degree in three years, but the average is about four to five years for most students.

Full load is defined as two PhD seminars and one program component (reading seminar or supervised mentorship) every semester. Students taking a full load every semester should be able to complete all PhD residency coursework in about two years. Students who are not bound by more than part-time employment hours (work or ministry) should consider doing a full load.

Students may complete their PhD residency coursework over three to four years and a year or more to complete the dissertation by taking partial load semesters. Partial load is defined as one PhD seminar and one program component (reading seminar or supervised mentorship) every semester. Students who have work or ministry commitments that require more than part-time employment hours should consider doing a partial load.

Weekly Time Requirements

Although there is no set amount of time required for research, a general guide is that students need to allocate about twenty hours of research time per week for each seminar. Thus, students taking a full-time load (two seminars and a reading seminar or supervised mentorship) should plan to be engaged in research about forty hours per week. Students taking a part-time load should plan to engage in research a minimum of twenty hours per week.

Maximum Program Length

The maximum program length is seven years from the date of initial registration. All work for the degree (residency and dissertation) must be completed within that period of seven years.

Independent Directed Study

An independent directed study provides a unique opportunity for a student to work one-on-one with a professor. Directed studies enable a student (1) to engage in specialized research under a professor's supervision or (2) to cover an area not covered in the regular seminar offerings during a student's scheduled seminar work. Contact the PhD Office (phd@nobts.edu) concerning the procedure for submitting a proposal.

Dissertation Requirements

A dissertation must demonstrate independent and original research in the candidate's field of study. Dissertations must make a scholarly contribution to the field or discipline. Dissertations must also exhibit a mastery of research methods as well as the competency to present research, analysis, and conclusions in an accurate and persuasive manner. Dissertations are expected to exhibit the highest level of accuracy in terms of content, grammar, and style.

The dissertation is to be a research document in a candidate's major field containing no less than 35,000 words and is not to exceed 85,000 words in the body including footnotes, references, and appendices but excluding bibliography. Rare exceptions must be authorized by the student's supervisor and the PhD Director. Candidates should write as concisely as possible, with clear and adequate exposition. The approval of a dissertation topic goes through several stages:

- Research proposal approval by the supervisor and two faculty readers
- Completion of RDOC9303 Prospectus Development

- Students must show academic proficiency in the methodologies that they will be using in their dissertation prior to the approval of their prospectus. This proficiency may include taking a course that covers the methodology if their committee and/or division so require.
- Institutional Review Board approval for research involving human subjects
- Prospectus approval by the supervisor and a chosen prospectus committee

As candidates research and write their dissertations, they should submit chapters to their supervisors for review and feedback. The supervisor should provide regular feedback throughout the process. Once the supervisor is satisfied with the dissertation and convinced of its ability to withstand defense, the candidate may submit their dissertation to the PhD office along with required submission forms. Students should submit a final draft of their dissertation to the PhD office as a PDF document emailed to phd@nobts.edu no later than September 1st or February 1st, as well as one hard copy by hand or by mail to the PhD office by the appropriate deadline (if the Sept/Feb 1st deadline falls on a weekend, the hard copy is due the following business day).

A dissertation defense represents a thorough and critical evaluation of the submitted written dissertation. While it is expected the candidate knows his or her content extremely well, the primary focus of the defense is to ensure that the dissertation is well written, accurate in its treatment of the data, and interacts with the relevant scholarship on the subject in a thorough and accurate manner. A dissertation must make an original contribution to the field that is convincing in order to pass.

The dissertation will be awarded one of the following evaluation options:

- **High Pass** – Demonstrates an outstandingly conversant knowledge and understanding of the field with advanced awareness of the scholarship with accuracy, analysis, and original assessment.
- **Pass** – Demonstrates an adequately familiar knowledge and understanding of the field with a good awareness of the scholarship with awareness with accuracy, analysis, but non-original assessment, may have needed a little prompting.
- **Low Pass** – Demonstrates an acceptable working knowledge and understanding of the field with above average awareness of the scholarship, but weak in terms of accuracy, analysis, and assessment, needed prompting.
- **Fail with Resubmission Allowed** – Inadequate knowledge and understanding of the field, limited basic awareness of the scholarship, some inaccuracies, poor analysis and assessment, prompting didn't help.
- **Fail without Resubmission Allowed** – Inadequate knowledge and understanding of the field, limited basic awareness of the scholarship, some inaccuracies, poor analysis and assessment, prompting didn't help, and second fail.

If the dissertation passes but requires revisions that cannot be completed before that semester's graduation date deadline, the candidate may register for RDOC9000 Program Continuance for one semester while making corrections to the dissertation.

In the case of a failure of the dissertation, the dissertation committee may or may not allow a resubmission. If a resubmission is allowed, the candidate returns to the writing stage (with its standard tuition and fees) and a period of three months must elapse before the dissertation may be presented again. Another dissertation defense may or

may not be required depending on the nature of rewrite. Upon resubmission of the dissertation, the dissertation committee will read the resubmitted dissertation and make a final decision. No more than one resubmission is allowed. A second failure of a dissertation results in automatic dismissal from the program.

Requirements for Graduation

In order to graduate from seminary, students must meet all academic requirements set forth in this catalog, settle all financial obligations to the seminary, and maintain high standards of moral and ethical conduct. The faculty or any appropriate committee of the faculty may at any time advise the President that a student evidences spiritual, ethical, emotional, psychological, or attitudinal deficiencies that in the judgment of the faculty disqualify the student for continued study at the seminary. The student may appeal this determination to the President. The decision of the President shall be final.

Participation in graduation exercises is required of all students unless permission is granted to graduate in absentia. Requests for permission to graduate in absentia would be made in writing to the Registrar. Permission is granted only in emergency cases.

Admission Requirements

Characteristics of Applicants

Applicants should display consistent habits of study, independence, an understanding of the basic techniques of research, superior intellectual capabilities, and the willingness to pay the price in time and isolation required for distinguished scholarly work. Application Process

Potential applicants should review carefully all degree admission requirements before submitting the following application materials.

- Online Application with all supporting documents (Statement of Purpose and Call, Church Statement of Affirmation, Proof of Immunization Form, 4 reference evaluations, criminal background check, a secured faculty supervisor, and Transfer of Credit Request Form if applicable)
- Application fee
- Official transcripts from all colleges, universities, and seminaries
- Research paper from a master's level course related to the applicant's choice of major
- International students will require extra supplemental items outlined in the "International Students' section of this catalog

All application materials must be received no later than February 1 for an August admission or September 1 for a January admission.

Once the application is submitted, the applicant will work with the PhD office to complete the following:

- Entrance Examination (not required for Counseling Education and Supervision)

- Program Interview

The Research Doctorate Admissions Committee approves and denies admission to the research doctoral programs. All relevant information in the application is considered in ascertaining the applicant's potential for advanced research studies and making a final decision concerning admission.

After the Research Doctorate Admissions Committee has reached a decision, the PhD Director will notify applicants of acceptance or denial. Application decisions usually are made within six weeks following the application deadline. Applications are valid for one year. A person normally can apply only twice for a research doctoral program at NOBTS. An applicant who is denied admission to a research doctoral program must wait at least one semester to reapply and must meet all requirements in effect at the time of reapplication.

Grade Point Average (GPA)

An applicant's grade point average (GPA) will be considered alongside his or her submitted sample research paper, entrance exam, and program interview. The minimum GPA required is a 3.26. Students with scores falling below the requirements may still be considered in light of their research paper, entrance exam, and divisional interview.

International Applicants

Applicants whose primary spoken language is not English must fulfill one of the following options as part of the application process to the PhD program:

Option 1

- Take the Test of English as a Foreign Language (TOEFL), or the Duolingo English Test (DET). Those taking the DET must achieve a score of 120 or higher. For the TOEFL exam, the minimum score for consideration is 550 on the Paper-Based Test, 213 on the Computer-Based Test, or 100 on the Internet-Based Test. The minimum score for the TOEFL writing section is 3.5. Either the DET or TOEFL must be taken prior to the PhD Director granting admissions approval. The institutional code for NOBTS is 6472.
- Pass the NOBTS English Entrance Exam (the exam is offered during orientation each January and August).
- All test scores must be within two years.

Option 2

- Students with a master's degree from an English-speaking institution and have at least a 3.5 GPA may request a waiver of the TOEFL requirement with approval from the Associate Dean of Research Doctoral Programs, the PhD Program Director, and the Principal Designated School Official (PDSO).

Applicants who are within 5 points of the TOEFL standard set forth in this policy but do not meet the requirements of the policy (but meet all other admission requirements) are eligible to begin taking online master's-level courses as non-degree students at NOBTS. A student will need to complete at least one upper-level course in the student's desired field of study as an online student. The student will submit written work from the course to the PhD Director and the PDSO in order to fulfill the language requirements of the application.

The International Student Advisor for the seminary is Casey Evans. Applicants may contact him by phone at 504.282.4455 ext. 3312 or 1.800.NOBTS.01 ext. 3312, or by email at cevans@nobts.edu. However, please note that WES transcript evaluations for master's degrees must be completed course by course.

Prerequisite Completion Options

If the applicant has six or less hours of masters-level prerequisite courses to complete, they may receive conditional acceptance to the PhD program contingent on completing all hours of leveling work within their first year in the program. Failure to complete these leveling hours within the first two semesters of program admittance may result in termination from the PhD program. If the applicant requires more than six hours of masters-level prerequisite courses to complete, the applicant should consider pursuing the stand-alone ThM.

Stand-Alone ThM

If an applicant has nine or more hours of masters-level prerequisite courses to complete, it would be beneficial to apply to the stand-alone ThM program to complete his or her leveling work. This degree includes twelve hours of upper-level masters courses while also allowing the student to complete two PhD seminars, one reading seminar, and Introduction to Doctoral Research and Writing, which all will transfer toward the PhD completion upon a potential future acceptance into that program after earning the ThM.

Stand-Alone ThM (27 hours)

UPPER-LEVEL MASTER'S COURSES	**12 HOURS**
4 Upper-Level Masters Courses in Specified Major (3 hours each)	12 hours
PHD-LEVEL SEMINARS	**14 HOURS**
Introduction to Doctoral Research and Writing	3 hours
2 PhD Seminars (4 hours each)	8 hour
Reading Seminar I	3 hours
THM CAPSTONE	**1 HOUR**
ThM Portfolio	1 hour

A PhD applicant may be granted admittance to the stand-alone ThM program by the faculty rather than the PhD program. The ThM is an advanced research degree designed specifically for further academic preparation for pursuing a PhD. After completing the ThM, the student may reapply for the PhD program.

Additionally, applicants may choose for themselves to apply for a stand-alone ThM rather than a PhD, whether for personal academic advancement or in order to complete leveling work required to apply for the PhD program.

Non-degree Students

Students with a master's degree from a theological institution accredited by the Association of Theological Schools or a regionally accredited graduate school may apply to take up to two doctoral seminars as a non-degree student.

Qualified students may be admitted to take one or two doctoral seminars provided they have met or submitted the following requirements:

1. Submit the PhD—non-degree application
    1. Along with the online application, the student must also submit their background check, church statement, and pastor reference.
2. Has a minimum GPA of 3.26 or higher.
3. Submit all transcripts
4. Submit a sample paper
5. Endorsement from potential PhD Supervisor or Divisional Associate Dean
    1. Seminar faculty approval

The student will work with the Doctoral Admissions Counselor to gather and submit the items listed. At that point, the Doctoral Admissions Counselor will provide an admissions decision to the student for the Doctoral non-degree application. Admission into PhD seminars as a non-degree student does not guarantee acceptance into the PhD program. The student must complete the full application, with all supplemental requirements, for the next admission cycle. The student will not be considered by the academic division or the Research Doctorate Admissions Committee until they finish the full application with supplemental materials, interviews, and entrance exams.

Seminars with a passing grade of B or higher will be transferred to the student's transcript following successful completion of his or her first semester in the program. The transfer will not limit the student from taking the maximum allowable load during the semester of the transfer.

Transfer of Credit

There is a possibility of transferring a minimal number of doctoral-level courses completed at another accredited institution prior to admission. Applicants who believe they qualify should contract the PhD Director during the application process. Students who desire to take a doctoral-level course while enrolled at New Orleans Baptist Theological Seminary as masters or non-degree students should contact the appropriate Divisional Associate Dean regarding approval, which must be granted prior to enrollment in the course.

Degree Equivalency

Applicants who do not hold the appropriate prerequisite degree should contact the PhD office for information concerning degree equivalency requirements.

Advanced Standing from Professional Doctoral Programs

Applicants in Christian education, Christian leadership, biblical exposition, or evangelism who hold the Doctor of Educational Ministry or Doctor of Ministry degree from an institution accredited by the Association of Theological Schools or the Council for Higher Education Accreditation and/or a regional accrediting agency (such as the Southern Association of Colleges and Schools) may be eligible for advanced standing in the PhD program. To be considered for advanced standing, applicants must fulfill all PhD admission requirements for their major area of study. At least one academic personal reference must be from a professional doctoral program administrator from the degree-granting institution.

Advanced Standing must be requested by submitting a **Transfer of Credit Request from Professional Doctoral Degree Form** with the application to the PhD program. Upon recommendation of the division of study to admit and allow transfer and the approval of the Research Doctorate Admissions Committee, maximum credit of two seminars and one reading seminar may be approved for transfer upon the successful completion of two PhD seminars. A seminar could apply as the elective or as a concentration seminar in the following majors/minors: Christian education, Christian leadership, biblical exposition, and evangelism.

Students with advanced standing would be required to take a minimum of six PhD seminars, one reading seminar, two supervised mentorships, all the required RDOC intensive courses (Intro to Doctoral Research and Writing, Teaching in Higher Education, Prospectus Development), the comprehensive examination, as well as the dissertation and defense.

Enrollment

Once accepted into a research doctoral program (ThM and PhD), a student must begin his or her program of studies and enroll for seminars in the next regular semester. If an applicant is approved for admission to a doctoral program but cannot begin studies, the applicant's slot may be vacated, and the application will be returned to the applicant pool for consideration in the next semester. The applicant may petition the division for a delay of entry, and the RDOC will approve or deny the request.

After beginning studies, the student must maintain enrollment (register and pay matriculation fees) each semester until the PhD program is completed. The PhD program is a continuous enrollment program until graduation. Failure to register and pay fees each semester will result in termination from the program.

While all students in a research doctoral program are considered to have full-time status, the preferred load per semester is two seminars and one program component (reading seminar or supervised mentorship). However, the student should consider their other responsibilities and may complete courses at a slower pace if necessary.

Research doctoral programs follow the graduate policy for drop/add and withdrawal. All requests for changes in registration must be made in writing to the PhD office and must be received by the appropriate deadlines.

Miscellaneous Program Information

Manual for Research Doctoral Programs

Following acceptance into a research doctoral program, students should download a copy of the PhD Manual from the PhD Studies area of the seminary website (nobts.edu/phd). This manual is the official handbook for research doctoral programs. It includes information on current procedures and policies. Students are notified of updates as appropriate.

Style Guides

The official style guide for NOBTS research doctoral programs are the current editions of the SBL Handbook of Style (biblical studies only); the Publication Manual of the American Psychological Association (counseling only); A Manual for Writers of Term Papers, Theses, and Dissertations by Kate L. Turabian; and A Manual of Style published by the University of Chicago Press. Questions concerning form matters peculiar to NOBTS may be addressed to the PhD office.

PhD Registration

Students enrolled in doctoral programs must maintain active status by registering and paying the required fees each semester until graduation. Because PhD students are expected to attend all class sessions, students must be enrolled in courses before the first class session. Failure to be registered for a program status, such as Program Proficiency or Writing Candidate, and pay enrollment fees by the semester drop/add deadline will result in termination from the program.

Dropping PhD Courses

PhD students are expected to attend all class sessions. Students may drop a PhD block-scheduled seminar, colloquium, or other course before the second class meeting. A class meeting is defined as one half-day session. To drop a course, students must contact the PhD office.

Research Doctoral Oversight Committee (RDOC)

The Research Doctoral Oversight Committee (RDOC) is composed of the Associate Dean of Research Doctoral Programs, a representative from each academic division that offers PhD majors, two at-large faculty members, the Dean of Graduate Studies, the Associate Dean of Graduate Studies, and the Registrar. The committee meets monthly during the academic year. RDOC provides administrative oversight for the research doctoral programs. The Associate Dean of Research Doctoral Programs is Dr. Alan Bandy. He can be contacted through the ReDoc Office at 504-816-8010, 1-800-NOBTS-01 ext. 8010, or redocsec@nobts.edu.

to 1983. This two-semester award is granted primarily on the basis of academic excellence and scholarly potential. The PhD Director, Divisional Associate Deans, Dean of Graduate Studies, and Provost are involved in determining recipients of the award.

Teaching and Research Assistantships
A limited number of teaching assistantships are available on a regular basis. Duties include grading and limited teaching opportunities. Interested persons should contact individual professors or the chair of the division in which the student wishes to work. Research assistantships are available as required by the research projects of the faculty.

Research Doctoral Fellowship Program
The Research Doctoral Fellowship Program provides for most or all tuition and fees for outstanding doctoral students for up to four years from entrance into the doctoral program. Visiting Student

A student enrolled in a doctoral program at another accredited seminary, college, or university may enroll in doctoral seminars for credit or audit at NOBTS as a visiting student.

An individual desiring visiting student status must apply to the PhD Director as a non-degree special student.

In addition to a non-degree application, other items needed include the following:

- A letter to the PhD Director stating the desire and rationale for doing seminar work at NOBTS
- A letter from the appropriate academic officer at the student's institution indicating approval to do seminar work at NOBTS.

The student must meet all prerequisites for enrollment required of the other doctoral students in the seminar. The division will examine the student's background and preparation and make a recommendation to the PhD Director, who will submit the application to the Research Doctoral Oversight Committee. The committee will approve or disapprove of the application for visiting student status. The PhD Director will inform the student of the committee's decision in writing. The visiting student must pay the applicable tuition and student fees at the level of doctoral students. The visiting student may request a doctoral carrel in the library though availability is not guaranteed.

Visiting Scholar

A professor who is employed at another accredited seminary, college, or university and who has attained the EdD, PhD, ThD, or equivalent degree may apply to NOBTS for the status of visiting scholar.

An individual desiring visiting scholar status should submit a request to the PhD Director, who will forward a copy of the request to the associate dean of the division in which the scholar wishes to pursue study. The division will consider the request and make a recommendation to the Research Doctoral Oversight Committee. The PhD Director will inform the scholar of the committee's decision in writing.

A visiting scholar may audit doctoral seminars and master's-level courses (with permission from the professor) without the payment of fees. A visiting scholar who desires credit for a seminar will need to register as a special student. The individual will be charged a matriculation fee equal to one-half of the normal semester cost for doctoral students.

A visiting scholar may apply for student housing through the normal channels of the Housing Office. He or she may also request a doctoral carrel in the library, though availability is not guaranteed. At present, the NOBTS visit scholar program does not provide for issuance of the J-form required for international scholars to obtain a visiting scholar visa.

Baptist Center for Theology and Ministry

Directed by Dr. Tommy Doughty

The Baptist Center for Theology and Ministry exists to provide theological and ministerial resources to enrich and energize ministry in Baptist churches. Our goal is to bring together professor and practitioner to produce and apply these resources to Baptist life, polity, and ministry.

The mission of the BCTM is to develop, preserve, and communicate the distinctive theological identity of Baptists. Some of the best minds for developing theology from a distinctively Baptist perspective are found in our Baptist seminaries, colleges, and universities, as well as in many Baptist churches. The Baptist Center serves as a "converging point" to develop theology that shapes the beliefs of the Church, structures the life of the Church, directs the decision-making processes of the Church, and defines the ministry practices of the Church.

The Baptist distinctives that have fostered so much ministry and mission in previous generations are waning in today's Baptist churches. A renewed vision for what it means to be a Baptist is desperately needed. The Center attempts to recover and communicate this vision by exploring and publicizing our Baptist heritage, distinctives, and polity.

The Baptist Center strives to "push theology out of presentations and books and into the pews of our churches." The Center is devoted to ensuring that the "theological reflection of the academy" results in "ministry that lives in the church." The integration of theology targets concerns such as motivation for ministry, integrity within ministry, methods of ministry, and goals for ministry.

The BCTM seeks to interact with and assist Baptist churches in their obedience to the Great Commandment and participation in the Great Commission. "Theology is the servant of the Church." The Baptist Center specifically targets issues directly related to Baptist life and ministry through a variety of platforms, networks, partnerships, meetings, and publications. The various forums that address issues relevant to Baptist life and ministry include the Journal for Baptist Theology and Ministry, professional meetings and conferences, a variety of publications, and online resources. The BCTM is also involved with the the Institute of Christian Apologetics and the Institute for Faith and the Public Square (see Catalog Index to find more information on these special events).

Directed by Dr. Jody Dean

The Center for Discipleship and Ministry Leadership was created to equip, support, and engage seminary students and church practitioners to fulfill the mandate to make disciples (Matt. 28:18-20). The three functions of the Center are listed below.

- The primary function of the Center is equipping ministry leaders to understand the nature and scope of discipleship and educational ministry. This component includes communicating what NOBTS offers in targeted classes and degrees for equipping educational ministers. This function is accomplished by presentations at annual pastors' conferences by NOBTS faculty and qualified students, offering in-church training opportunities for pastors, staff, and/or lay teachers and leaders, and hosting/conducting training events for professional educators and lay leaders. Research and publishing of discipleship and spiritual formation concerns and discoveries is also included in this function of the Center.
- The second major function of the Center is supporting the on-going efforts of contemporary education and discipleship ministers while enlisting and equipping a new generation of educators. This component includes hosting conferences for academicians, professional practitioners, and lay leaders in local church Christian education, to provide opportunities for educational ministry leadership to build peer connections, foster mentoring relationships, and network for career enhancement. The Center supports strengthening denominational and Kingdom alliances with state and national convention leaders, professional organizations, and meaningful dialogue with leaders in the fields of discipleship and ministry leadership from other denominations and para-church entities.
- The third major function of the Center is engaging NOBTS students in discipleship and ministry leadership. The Discipleship and Ministry Leadership Division's primary goal at NOBTS is equipping students in Christian education leadership. The Center for Discipleship and Ministry Leadership reinforces this goal through a Student Organization that supports three major functions of Christian education: 1) Recruiting and nurturing students called of God into Christian education ministry; 2) Providing fellowship and ministry opportunities for Christian education students and faculty and 3) Partnering with Christian education faculty to present local church conferences.

Cecil B. Day Center for Church Planting

The Cecil B. Day Center for Church Planting equips church planting missionaries to advance Christ's kingdom. The Center works in partnership with the North American Mission Board, several state Baptist conventions, and local Baptist associations near New Orleans.

New Orleans provides students with a unique laboratory to develop their disciple making skills and form their character to serve Christ's kingdom. The proximity of both urban and suburban environments (walking distance to a 10-minute drive from campus) offers students incredible possibilities for real-world training.

The Day Center strengthens church planting opportunities available to students at New Orleans Seminary. NOBTS remains the only seminary established by the Southern Baptist Convention for the purpose of bringing Christ's gospel to an under-churched area. Moreover, since 1917, NOBTS remains the most urban setting for any of the seven SBC seminaries. In 1987, New Orleans Seminary became the first SBC seminary to establish an endowed professorial position in church planting, named in honor of Cecil B. Day, entrepreneurial founder of the Day's Inn chain of hotels, and a compassionate Christian statesman and faithful Christian gentleman. Mr. Day passionately encouraged church planting.

NAMB Send City Initiative

It's been said if you reach the cities, you'll reach the nations. With 83 percent of the population now living in metropolitan areas, the major population centers in North America are vital mission fields for kingdom growth and influence.

The North American Mission Board has prioritized its work in 50 cities throughout North America – known as Send Cities. As a Send City, New Orleans could see as many as 100 new churches planted in the next 10 years. For more information about the initiative, contact Dr. George Ross, New Orleans Send City missionary, at (504) 343-1697 or gross@namb.net.

For more information about the Cecil B. Day Center for Church Planting, its programs, services, or calendar of events, contact the Church Ministry Division office at 504.816-8066, or Dr. Ted Williams at twilliams@nobts.edu.

Global Missions Center

Directed by Dr. Greg Mathias

The vision of the Global Missions Center of New Orleans Baptist Theological Seminary is to research effective global missions strategies, train Christians for global missions service, resource global mission Christians, and reach the globally unreached with the gospel. Matthew 4:19 states the Lord's call: "And He said to them, 'Follow me and I will make you fishers of men.'"

1. **Researching Effective Missions Strategies for Unreached People Groups**
   The student body and faculty are encouraged to develop specific strategies for reaching unreached people groups and population segments. Missionaries may spend their stateside assignments conducting research and doing further study on our campus.
2. **Training Christians for Global Missions Service**
   The Global Missions Center provides a visible way to integrate classroom experience with a seminary entity dedicated to international missions and to heighten awareness of global missions on our campus. The Global Missions Center partners with the Providence Learning Center and other entities such as the IMB to offer training events for persons related to international missions.
3. **Resourcing Global Mission Christians**
   Coordinating the interaction of IMB missionaries and personnel with the seminary community represents an important element of resourcing global mission Christians. A website provides online resources, links to other missions websites, and resources for local churches.
4. **Reaching the Globally Unreached**

Reaching the globally unreached means all seminary students should be challenged to help local churches become Acts 1:8 churches with a vision to take the gospel to the ends of the earth. Coordination of seminary sponsored international missions trips and partnerships with overseas missionaries provide seminary students, faculty, and staff the opportunity to participate in overseas mission projects.

5. **Regional Consultant for IMB**
   The GMC assists students who are sensing God's call to international missions through the IMB by consultation, prayer, and arranging meetings with the IMB representative. The student may contact the regional representative at (800)999-3113.

Dr. Greg Mathias serves as the Director of the Global Missions Center. Read more about the Global Missions Center on the NOBTS website, call 504.816.8063, or e-mail globalmissionscenter@nobts.edu for more information.

The H. Milton Haggard Center for New Testament Textual Studies

Directed by Dr. Bill Warren

The H. Milton Haggard Center for New Testament Textual Studies (CNTTS) is an internationally recognized research center devoted to the study of the New Testament (NT) text in the Greek manuscripts. The Center houses a substantial collection of NT manuscripts in various formats, including facsimiles, printed editions, microfilms, digital images, and access through the online Virtual Manuscript Room. The Center supports researchers engaged in a variety of studies related to manuscripts, including participating in and leading collaborative projects with other settings worldwide.

The CNTTS is dedicated to training and inspiring students and scholars to engage in textual, exegetical, and historical studies related to the NT. As the heirs of the sacrificial work of others who have given their lives to preserving, copying, and studying the manuscripts and printed text of the NT, the CNTTS represents an NOBTS effort to contribute responsibly to that work. NOBTS is stepping forward to meet the challenge of past generations and needs of the present and future generations for research of the highest quality on the Greek NT and the history of its transmission.

Research focuses on a variety of topics related to the NT Greek manuscripts, including several projects that are specific to the CNTTS, collaboration with the International Greek NT Project, and the training of students in the field. The Center released the world's first searchable electronic database that is substantially comprehensive on the readings in the Greek NT manuscripts, with that module currently available in Accordance and Logos software programs. Also, the iPhone, iPad, and Android app "New Testament Greek Manuscripts" produced by the Center is available in the respective App sites. Other research projects are underway as well as worldwide collaborative projects. The H. Milton Haggard Center for New Testament Textual Studies has grown to become one of the largest research settings in North America for the study of the text of the NT in the Greek manuscripts.

Some grants and assistantships are available for students wishing to work in the field of NT textual studies, with PhD students having priority in the application process. A limited number of grants for visiting scholars are also available. Application forms for applying for these are available from the director.

To contact Dr. Warren concerning textual research and study opportunities or to obtain more information about the Center for New Testament Textual Studies, call Dr. Warren at 504.816.8190, send e-mail to wwarren@nobts.edu, or access the CNTTS website at www. nobts.edu/cntts.

The Jim Henry Leadership Institute

Director, Dr. Reggie Ogea

The Jim Henry Leadership Institute exists to strengthen ministry leaders for the next generation of Kingdom service. Christian Leadership engages a unique discussion in the context of congregations, denominations, and ministry organizations. It is easy to recognize yet essential to define and prescribe as an emerging academic discipline. From a biblical and spiritual perspective, leadership centers upon influence – moving people from where they are to where God wants them to be.

Institute Objectives

- ### Research Fellowships

The Institute will offer Research Fellowships utilizing NOBTS doctoral students (PhD and DMin) to explore and research identifiable leadership topics. The Research Fellowships would include most or all tuition and fees for a doctoral student up to four years as long as the student remains in good standing in their respective program after an annual review. Initially, five research topics under consideration include pastoral tenure, ministerial wellness, burnout prevention, pastoral transition, and strategic leadership proficiencies.

- ## Annual Leadership Conferences

The Jim Henry Leadership Institute will design an annual Leadership Conference (the Prepare Here Conference) at NOBTS, built around a specific topic of leadership interest.

- ## Leadership Summits

The Jim Henry Leadership Institute will host Leadership Summits in-between the annual Leadership Conference, which may include leadership roundtable discussions, peer groups/networks, and mentoring sessions. These summits serve as a strategic catalyst for professional development, peer-group collaboration, leadership problem-solving, and intentional mentoring.

- ## Publishing

The Institute will sponsor book projects involving NOBTS faculty and alumni as authors and editors. In addition, findings and results of the research completed by the Research Fellows will be published and available on the JHLI website.

- ## Consultation

The Institute will work with researchers, state conventions, local associations, and other ministry organizations to provide consultants with appropriate ministry experience. Drawing upon the ministry experience and network of NOBTS professors, Dr. Jim Henry, and other ministry leaders, the Institute will provide expert consultations by request.

For more information about the Jim Henry Leadership Institute, its programs, services, or calendar of events, contact the Jim Henry Leadership Institute at 504.816.8046 or jimhenryinst@nobts.edu or check out the website at www.nobts.edu/henryinstitute.

Landrum P. Leavell II Center for Evangelism & Church Health

Dr. Preston L. Nix, Director

Statistics show that many of our SBC churches are not experiencing healthy church growth. Most new members in Baptist churches are from someone else's church, and most churches have no clearly defined strategy for making disciples by moving unsaved and unchurched people through conversion to the image of Jesus Christ.

The Leavell Center for Evangelism and Church Health, as a ministry of New Orleans Baptist Theological Seminary, seeks to be informed by such statistics, looks to the LORD of the Church for His expectations, then faithfully seeks to make a difference through evangelism, church growth, and church health strategies.

New Orleans Baptist Theological Seminary operates the Leavell Center for Evangelism and Church Health, the first facility of its kind in the Southern Baptist Convention. Named for our seventh president, Dr. Landrum P. Leavell II, the Leavell Center exists as the Seminary's ministry to churches, agencies, and institutions of the Southern Baptist Convention. Our purpose is to assist Southern Baptist churches, agencies, and institutions in the development and implementation of strategies for effective evangelism and measurable church growth.

The Leavell Center conducts conferences and think tanks dealing with church revitalization and effective evangelism. The participants include students, faculty, pastors and church staff members, as well as other local church and denominational leaders.

The Leavell Center employs demographics experts who accesses data from the U.S. Census Bureau for any community in the United States. With this information, he can develop a demographic and psychographic profile that will assist churches and parachurch ministries for a nominal fee. The demographic reports can be ordered from the Leavell Center for Evangelism and Church Health through the NOBTS website.

One of the primary goals of the Leavell Center for Evangelism and Church Health is to motivate and equip students to fulfill the Great Commission through their personal witness as well as through the churches where they serve. The Leavell Center provides Gospel tracts for free to NOBTS and Leavell College students to utilize in their outreach efforts. The Director of the Leavell Center regularly takes students into the communities throughout the city of New Orleans to give them experience in door-to-door evangelism and street witnessing which they can employ in their local church settings.

For more information about the Leavell Center for Evangelism and Church Health, its programs, services, or calendar of events, contact the Leavell Center at 504.282.4455, ext. 8820. You can also email us at leavellcenter@nobts.edu or visit us on the NOBTS website to order customized demographic reports.

Leeke Magee Center for Christian Counseling

Directed by Dr. Jeffery Nave

The Leeke Magee Christian Counseling Center, opened in August 2014, serves as a resource for NOBTS students and people in the surrounding neighborhoods, and the greater New Orleans area. The counseling center, a counselor training center, also provides NOBTS counseling students with an opportunity to complete their clinical practice hours.

The Leeke Magee Christian Counseling Center bears the name of Leeke Magee, a Louisiana Baptist and NOBTS supporter who died in 2013. Before his death, Magee named the seminary in his estate plan, providing funds to renovate the former William Carey University nursing building on the NOBTS campus into a counseling center.

The counseling program at NOBTS provides the educational background needed to achieve state licensure for Licensed Professional Counselors and Licensed Marriage and Family Therapists.

Graduates of the counseling programs serve as church-based counselors, as well as in secular agencies, hospitals, nonprofit organizations, and private Christian and secular counseling agencies in order to minister to those inside and outside the church. Christian counseling is a wonderful opportunity to provide salt and light to our surrounding community.

Counselors at the Leeke Magee Christian Counseling Center use an array of biblical, evidenced-based counseling methods to help individuals, couples and families to deal with life issues in order that they may become all that God has created them to be. Counselors at the Leeke Magee Christian Counseling Center complete around 650 hours of counseling a month.

For more information about the Leeke Magee Christian Counseling Center, its programs, services, or calendar of events, contact Dr. Jeffery Nave at 504.816.8306.

Michael & Sara Moskau Institute of Archeology

Executive Director, Dr. Jim O. Parker

The Moskau Institute serves to encourage the scholarly development and research of the seminary faculty and to train and inspire a new generation of biblical scholars to engage in current research in the disciplines of biblical archaeology and biblical studies. The Institute was established as a Southern Baptist effort to provide a presence in the field and impact the discipline of biblical archaeology.

New Orleans Baptist Theological Seminary has a long history of involvement in Biblical Archaeology. The Moskau Institute arranges field training at Tel Hadid, providing students with an opportunity to participate in scholarly research, participate in an overseas study program, and visit the Lands of the Bible. The Institute will also develop and provide resources for students who are in Biblical Studies, Bible Backgrounds, and Archaeology programs at the seminary. Year-long programs of study with Tel Aviv University are also available to students.

Historical Background

In September 1919, the department of music at Baptist Bible Institute was begun by E. O. Sellers.

In 1953 the department became the School of Sacred Music. The title was changed to the School of Church Music in 1960 and to the Division of Church Music Ministries in 1972. In 2020 the title became the Church Music Department and is now housed in a larger division called the Church Music Division, which encompasses applied ministry within the church. The Church Music Department continues to offer a range of National Association of

Schools of Music (NASM) degrees and worship degrees. Since its inception, this department of the seminary has been dedicated to providing instruction in a broad field of musical study, which enables the student to render more effective Christian service.

Musical Activities

These groups are open to the seminary community. Previous choral or instrumental experience is recommended. An audition may be required for some of the following groups.

The Seminary Chorus. This choir of men and women combines with community singers to perform major/minor choral works, sections of major choral works, or exemplary sacred choral anthems. Orchestral accompaniment is a part of these concerts, particularly in the spring.

NOBTS Singers. This choir of men and women represents the Seminary at significant seminary events, through church presentations, and at regional events depending on requests and needs in a given year. The group's performance also reflects the vibrant Southern Baptist traditions of worship choirs and anthem presentations, serving as an equipping tool for the continuation of such ministries.

In addition to campus opportunities in the programs of the Church Music Ministries Department, the city of New Orleans affords students a rare musical laboratory. Experience can be gained both as a listener and as a performer. The Louisiana Philharmonic Orchestra sponsors an orchestral series, and The New Orleans Opera Guild sponsors an opera series. Student discount tickets are available.

Music students are encouraged to accept worship positions while in seminary. Most students in this program who desire to serve local churches while attending seminary have found ministry positions during their time in the degree program. It is believed that involvement as music and worship leaders in churches gives students a practical outlet for what they experience in the seminary classroom.

The Church Music Ministries Department encourages participation in the following professional societies:

American Choral Directors Association. A student chapter of this national professional organization for choral conductors was organized in 1984. (See Dr. Woodward.)

The Hymn Society in the United States and Canada. The first student chapter affiliated with the Hymn Society in United States and Canada was formed in 1966 at New Orleans Baptist Theological Seminary. This organization is open to all interested students. (See Dr. McMillan.)

Baptist Church Music Conference. This chapter seeks to familiarize the student with the national organization of Southern Baptist church musicians and provides information, fellowship, and exchange of ideas during the student's seminary tenure. (See Dr. McMillan.)

Masters Degrees in Church Music

The Master of Music in Church Music (MMCM) and the Master of Divinity in Church Music (MDivCM) are both NASM accredited masters degrees in sacred music. The MMCM is a robust more narrowly focused curriculum designed for local church music and worship ministries. The MDivCM is classified by NASM as an interdisciplinary degree and prepares the student both for local church music and worship ministry and for a range of ministerial staff positions. The music and worship portions of the degrees are the same, but the GPA requirements for the MDivCM match all other Master of Divinity degrees as stated in this catalog. All of the music requirements associated with the MMCM apply to the MDivCM students as well.

Placement Examinations

A student admitted to the institution to study for the Master of Music in Church Music (MMCM) or the Master of Divinity with a specialization in Church Music (MDivCM) degree must take a series of examinations at the beginning of the student's first semester in order to determine the level of undergraduate music proficiency. The results of the examinations will assist the faculty in determining the courses that may be required to remove undergraduate level deficiencies. These examinations are given the week preceding the first full week of study. Music placement examinations and performance auditions cover the following areas:

- Music Theory – harmony, ear training, form and analysis, and counterpoint
- Music History – literature (choral, solo vocal, instrumental), composers, and important facts of all periods. This examination also includes a listening component.
- Worship Arranging/Orchestration – basic orchestration, transpositions, range of orchestral instruments

Detailed information concerning these examinations may be obtained from the Church Music Ministries Department Office.

All deficiencies must be completed before a student may take comprehensive examinations.

Distance Format for MMCM or MDivCM

The Master of Music in Church Music (MMCM) and the Master of Divinity in Church Music (MDivCM) are available as distance degrees and are approved by NASM to be offered as such. The Basic Ministerial courses may be taken in a variety of formats (e.g., online or mentoring). The Church Music courses are primarily offered in the NOLA2U Live format. The student pursuing a distance MMCM or MDivCM will not be able to pursue a recital unless the student completes at least three semesters of study on-campus, and the student must achieve a certain percentage of on-campus hours to complete the MMCM/MDivCM concentration in a NASM approved area. For further information on pursuing degree with a concentration, please contact Dr. Greg Woodward by email: gwoodward@nobts.edu.

A Jury Review

A faculty jury review is required of all students enrolled in the following graduate applied courses (voice, organ, piano, or orchestral instruments), except for students who present a graduate recital (or undergraduate proficiency recital) in that semester. Jury examinations are held at the end of each semester. Applied courses offered in the summer may not require jury review.

Church Music Competencies

The 21st century music and worship leader needs to obtain a range of musical competencies. The NOBTS Church Music Ministries Department has determined five essential musical applied competencies for those called to serve Southern Baptist churches: Voice, Piano, Guitar, Conducting, and Worship Band Leadership. The student may also audition to pursue an area of study recital.) See Accelerated MMCM/MDivCM below for opportunities for advanced credit. Students who are not able to demonstrate accelerated credit for voice or piano are required to take the graduate voice and piano hours included in the MMCM and MDivCM degrees. The course Piano Class 3 with a grade of C or higher may be substituted for the graduate piano hours in the MMCM/MDivCM. Worship Band is highlighted in Worship Practicum, and Conducting is the primary focus in the class Choral Conducting and Techniques. Students are required to demonstrate basic guitar skills in Planning and Leading Worship. Furthermore, on the Worship Leadership Final Project Portfolio students are required to demonstrate two of the following four skills (Voice, Piano, Guitar, or Conducting).

Accelerated MMCM/MDivCM

The Master of Music in Church Music (MMCM) and the Master of Divinity in Church Music (MDivCM) are available as accelerated degrees. The student may gain up to 12 hours of credit for the MMCM through advanced credit and up to 22 hours of credit for the MDivCM through advanced credit. For students who have completed a NASM accredited bachelor in music, advanced credit is possible in the areas of piano, voice, and/or worship band. At least three hours of undergraduate study are required in piano with a minimum grade of C, and the student must demonstrate that competence on the instrument was achieved (e.g., a piano proficiency was passed). At least two hours of study are required for voice with a minimum grade of C, and the student must complete an undergraduate recital or the equivalent of an upper level jury. Students may be asked to provide further evidence of competence (e.g., a recording of voice selections). For voice or piano, proof of passing proficiency exams/barriers may be included in transcript review. For advanced credit in areas other than Church Music, please contact an Accelerated MDiv staff member at acceleratedmdiv@nobts.edu.

Audition/Application for Area of Study

The MMCM student must apply to the Coordinator of the Department of Church Music Ministries for admission to candidacy in concentration areas. The NOBTS Church Music Ministries Department has approval through the National Association of Schools of Music (NASM) for the following concentrations: Composition, Conducting, Church Music Education, Orchestral Instruments, Organ, Piano, Voice, and Worship/Hymnology. For detailed information regarding application for concentration candidacy and recital, consult the Music Student Handbook.

Admission to the candidacy in a concentration area is contingent upon the following requirements:

- Removal of all undergraduate course requirements

Note: Performance area (Voice, Organ, Piano and Orchestral Instrument) auditions must be scheduled during jury reviews at the end of each semester.

Composition. The student must submit works in at least two musical media representing the strength of the student's compositional style.

Conducting. Students may make application for the conducting area of study during the classes Advanced Conducting or Private Conducting. Details of the audition requirements may be found in the Music Student Handbook.

Church Music Education. The student must write a brief summary of church music education study and experience. In addition, the student will propose several topics for a culminating project.

Orchestral Instrument. The student should be prepared to perform a fifteen-minute recital consisting of literature from at least two different style periods. The primary instructor may require a portion of the recital to be performed from memory. Memory requirements will be determined on an individual basis by the instructor based upon goals and objectives for the student and his or her level of proficiency.

Organ. The student should be prepared to perform a fifteen-minute recital consisting of literature from at least three different style periods. The primary instructor may require a portion of the recital to be performed from memory. Memory requirements will be determined on an individual basis by the instructor based upon goals and objectives for the student and his or her level of proficiency.

Piano. The student should be prepared to perform, from memory, a fifteen-minute recital consisting of literature from at least three different style periods.

Voice. The student should be prepared to perform, from memory, a total of four songs, one each in French, German, Italian, and English. The songs should reflect the Baroque, Classic, Romantic, and twentieth- century periods. Genres represented should include oratorio, opera, and art song.

Worship/Hymnology. The student must write a brief summary of worship/hymnology study and experience. In addition, the student will propose several topics for a culminating project.

Performance Regulations

Students studying performance must observe the following regulations:

- Performance lesson fees will not be refunded after the close of registration.
- Lessons missed shall be made up under the following circumstances:
  a. absence of the teacher; and
  b. illness of the student. (When the teacher is notified in advance of the scheduled lesson time, the student must initiate the scheduling of make up lessons.)
- All students enrolled in applied music courses are required to attend studio recitals if required to do so by applied music instructors.
- All students giving a recital must be enrolled in the corresponding applied performance course during the semester in which the recital is to be presented.
- Students should refer to the Music Student Handbook for General Recital performance requirements.

Comprehensive Examination

- Students must register for MUSS6101 Comprehensive Examination at the beginning of the semester in which they plan to graduate.
- All MMCM and MDivCM students must take the written Comprehensive Examination during their last semester of study. The Examination focuses on the MMCM/MDivCM Program Outcomes with questions representing the four following topics: Philosophy/Theology or Worship, History or Worship, Church Music Education, and Graduate Music Theory.
- In addition to the Comprehensive Examination, the student must address one of the program outcomes with a portfolio performance project. This project requires the student to demonstrate competence by video in two of the following areas: voice, piano, guitar and/or conducting. This portfolio performance project fulfills the NASM requirement for a summative project.
- A committee of at least two music faculty members and one additional competent evaluator will review each examination to determine the final grade. Two evaluators grade each question. If the two evaluators cannot come to an agreement as to whether the students passed a particular questions, the third evaluator determines the status of the question. Students must pass three of the four areas of the exam in order to pass comprehensive exams. For the music theory and worship history sections, multiple choice questions will be evaluated in conjunction with essay questions to determine if the student passed these sections. Students who choose to pursue and complete a concentration are required to pass four of the five questions as they are asked an additional question matching their concentration area.
- If a student fails the Examination, his or her committee will meet to discuss the nature of the failure and to recommend one of three courses of action:
  a. an oral examination to be taken within two weeks of notification of failure;
  b. a written examination in a later semester; or
  c. additional course work and a written examination in a later semester. The Comprehensive Examination may be retaken only one time.

Graduate Recital

Students who are approved for the following areas of study in addition to their pursuit of a standard MMCM are required to present a Graduate Recital - Composition, Conducting, Orchestral Instrument, Organ, Piano, or Voice. A recital hearing, scheduled at least two weeks prior to the proposed recital date, is required. (Conducting students may request a hearing one-week prior to recital.) Students who present recitals are responsible for all costs incurred. Additional information concerning recitals is available in the Music Student Handbook.

Academic Probation

If at the end of any semester an MMCM student has failed to earn a grade average of “B” in graduate music courses, the student will be placed on probation for one semester. If the student’s average is raised to “B,” the student will be removed from probationary status. If a student’s average falls below “B” for two successive semesters, the student may be either reclassified or suspended.

Guidelines for Distance Classes

Students who wish to take hybrid or online courses must be reasonably experienced with online interaction, including some experience with online searches and various forms of online communication. A person with limited experience in using a computer online would likely struggle in a hybrid or online music course without a significant

amount of time being committed to increasing online interaction competency in addition to course requirements. Regarding academic and technical support services for distance learning, the instructor for the course is the provider of academic information for hybrid and online courses. Most academic information is provided through the Canvas mechanism of delivery, which is used for hybrid and online courses. However, the instructor is available to answer questions through e-mail or other forms of communication as provided by the instructor (e.g., discussion board). The instructor also may be contacted for technical issues, but the NOBTS Information Technology Center oversees all Canvas course offerings, and an ITC employee is available for student inquiries related to Canvas technical issues. Furthermore, as a leading Online Management System, Canvas provides a good deal of help through tutorials.

Transfer of Credit

For music courses, a grade of C or above from a NASM school is accepted if the course is determined to be substantially parallel to the offerings of NOBTS and fulfills the requirements of the relevant degree plan. Courses which do not fulfill the requirements of the degree being sought cannot be transferred in relationship to an NOBTS degree. Courses from schools not accredited by NASM will be reviewed by the Associate Dean and Graduate Dean on a case-by-case basis.

Message from the Dean of Leavell College

Message from the Dean of Leavell College

Greetings! My name is Greg Wilton. I am from New Orleans and have served in a variety of contexts, including international missions. I have a passion for evangelism and missions and love helping believers live out the Great Commission. I speak out of personal experience that I have full confidence in the reality and potential of Leavell College to prepare students to live out the Great Commission, no matter where the Lord leads. God calls all believers to make disciples of all nations, whether in full-time vocational ministry or in bi-vocational or co-vocational ways. However God is leading you, I am confident that Leavell College is the place for you. We are committed to our doctrinal foundation, subscribing only to the Baptist Faith and Message 2000, and remain committed to the vision of preparing students for ministry and for graduate work.

In light of these unchanging commitments, I want to take a brief moment to praise Leavell College in three ways. First, the faculty and staff are superb. They are devoted to Christ and God's Word and are committed to being as accessible as possible so that every student succeeds. Second, the student body is a joy to be around. Students come here from all over and from different backgrounds, united as a college family through great student life and campus life activities. Our online students are equally special, doing all they can to pursue God through education while

also maintaining the regular rhythms of life. Third, our curriculum is a great blend of academic rigor and practical application. Our classrooms, both in physical locations and online, are designed to help students grow in wisdom and in service to God and others.

Whether you are reading this as a prospective student, new student, well into your education, or nearing graduation, I want to encourage you to look over the content of our catalog. This is intended to be a resource for you regarding degree programs, majors and minors, academic policies, financial aid, and much more. Use our catalog to map out how Leavell College can help you fulfill God's calling on your life through education. This is why we exist. Leavell College is passionate about preparing servants to walk with Christ, proclaim His truth, and fulfill His mission. We pray God brings you to us to prepare, so that for the glory of God you may live sent anywhere.

If I can be of further help in answering questions you may have about Leavell College, please contact me at **gwilton@nobts.edu**. You may also call us at 504.816.8590 and we'll be happy to connect you with the right person here at Leavell College to get your questions answered. Blessings!

Gregory Donald Wilton, Ph.D.

Dean, Leavell College

Leavell Degree Overview

Bachelor of Arts

The foundational degree at Leavell College is a Bachelor of Arts (BA). Leavell College offers the following BA degrees: Biblical Studies, Christian Studies, Church Ministry, Intercultural Studies, Ministry to Women, Music, Psychology and Counseling, Teaching and Learning, Theology, Worldview and Apologetics, and Worship Ministry. All BA degrees with the exception of the BAs in Christian Studies or Music can be utilized for the BA + MDiv track.

Each BA degree requires 120 credit hours to complete. 60 hours are core classes that every student is required to take, including 30 hours of general education and 30 hours of Christian foundations. Each student selects a major, most of which consists of 30 hours of major-specific courses, 15 hours of minor-specific courses, and 15 hours of free electives. The BA in Christian Studies consists of 48 hours of major-specific courses and 12 hours of free electives. The BA in Music consists of 54 hours of major-specific courses and 6 hours of free electives. Students who complete the BA may participate in accelerated programs at NOBTS.

Associate of Arts

The Associate of Arts (AA) is a 60 credit hour degree. A student may choose to take this degree in order to receive a basic level of education based upon the BA core or to complete an intermediate degree which will allow one to continue working toward a bachelor's degree. The AA consists of 51 hours of general education and Christian foundations as well as 9 hours of free electives.

Leavell College Certificate

The Leavell College Certificate provides students the opportunity to experience Leavell College basic level work while earning a certificate of completion. The courses successfully completed for the certificate can be transferred into either the Associate of Arts in Christian Ministry or the Bachelor of Arts in Christian Ministry. These courses

are offered online, as well as on campus and at the extension centers. In order to be a part of the Leavell College Certificate program, a student must have a high school diploma or its equivalent and complete the online application, including the supporting documents.

Church Leadership Certificates

The Church Leadership Certificate Program grew out of a vision to prepare individuals for whatever task to which God has called them. The program is designed to address the need of ministry leadership by providing specialized, short-term training for church leaders. Each certificate is composed of courses totaling 8 semester hours. The courses provide a biblical foundation for various ministries as well as practical applications. Students can request a transfer of credit hours from the certificate program into a degree program.

Overview of Academic Programs

The Leavell College curriculum is based upon eight competencies:

- Biblical Exposition
- Christian Heritage
- Servant Leadership
- Interpersonal Relationships
- Spiritual and Character Formation
- Disciple Making
- Worship Leadership
- General Education

These competencies serve as the basis for effective ministry whether in the local church or on a denominational level. Our mission at Leavell College is to prepare students for current ministry and for furthering their education at the graduate level. We strive to prepare students to walk with God, proclaim His truth, and fulfill His mission.

General Education

Students earning an associate's degree or a bachelor's degree at Leavell College must complete a core containing general education courses and achieve the following general education competencies:

- Critical Thinking—Students will develop the ability to recognize, analyze, critique, and synthesize arguments.
- Oral Communication—Students will develop and deliver oral presentations clearly and effectively across a variety of contexts.
- Written Communication—Students will communicate effectively in writing across a variety of contexts.

These competencies more specifically address the purposes of the general education program at Leavell College. They also support the mission of Leavell College and the New Orleans Baptist Theological Seminary.

Degree Requirements

A Note Regarding Degree Requirements On the following pages, the course requirements for each of the degrees are listed. Special attention should be given to the numbering system and to the prerequisites. The courses are numbered with the more basic courses being numbered as 1000 or 2000 level courses. These courses should be

taken near the beginning of a student's tenure at college. Upper level courses often have prerequisites that must be completed before a student can take the course for credit. (See course descriptions.)

Prospective students can seek assistance from a Leavell College faculty member in the selection of a degree program. Current students can seek academic advising from the Registrar's Office by emailing Registrar@nobts.edu. Advisors can also help with the process of the transfer of earned hours from an accredited institution.

OVERVIEW

Benefits

The Accelerated BA + MDiv Program is a great opportunity for students to save money in two ways:

1. The MDiv Track allows students to begin taking graduate courses while they are completing their undergraduate degree and count those courses toward their Leavell College degree.
2. Completing the degrees at an accelerated pace will enable the student to begin full-time ministry faster without compromising academic qualifications.

Students pursuing the MDiv track must complete the following phases of admission:

Introduction Phase (0-60 Hours):
Students should work to complete their General Education Core and Christian Foundation Core and maintain a 3.0 GPA. Students who desire to complete both degrees in 5 years should register for 15-18 hours per semester.

BA+MDiv (Upon completion of 60 credit hours):
Students will apply for the MDiv program in order to begin enrollment in graduate-level courses required for the MDiv Track. Students must achieve a minimum 3.0 GPA in order to be accepted into the BA+MDiv program. At this stage, students may register for graduate courses that satisfy the core component hours of the MDiv Track while continuing to enroll in undergraduate courses to satisfy the remainder of their Leavell College requirements.

Masters Phase:
Upon completion of their Leavell College degree, students should contact the Accelerated Program office to inquire about receiving graduate credit through the Accelerated Masters program.

For more information about the Accelerated BA + MDiv, call 1-800-NOBTS-01 ext. 8073, email accelerated@nobts.edu, or visit the program's website at www.nobts.edu/ba-mdiv.

Thrive: A Ministry Wives Certificate Program

Mission Statement

Thrive: A Ministry Wives Certificate prepares ministry wives for gospel ministry in their families, churches and communities.

Description of Program

Thrive classes merge biblical instruction and practical application in an academic, discipleship setting with faculty wives and fellow students. Thrive students learn how to walk with God, proclaim His truth, and fulfill His mission wherever God calls them to serve. It is our desire that our ministry wives not only survive in ministry, but that they THRIVE. To learn more about Thrive, please visit www.prepareher.com/thrive.

Certificate Requirements

This certificate is offered as an academic program through Leavell College. To complete Thrive: A Ministry Wives Certificate, each student must complete the 8 required courses, each of which is worth one credit hour. Since these are offered every 8-weeks, on a rotating schedule, a student will be able to complete two courses per semester and the entire 8 credit hour certificate in 2 years. Once a student has completed all 8 courses, she is eligible to graduate during the December or May graduation ceremony and will receive her certificate.

Types of Courses

Thrive classes will be offered every eight weeks during the semester in two distinct formats:

1. On-campus classes: These classes are offered on Tuesday nights from 6:30-8:30 pm on the New Orleans campus. Childcare is provided for children 6 weeks - 8 years old in the Early Learning Center on campus.
2. Online classes: These classes will run simultaneously with the on-campus classes, but are offered in a NOLA2U Flex/online format for (a) wives already serving in ministries not local to the New Orleans area and/or married to online students, (b) student wives in our extension centers, or (c) on-campus students who are unable to attend on Tuesday nights due to work, church, or family conflicts. Online students can login and join the teacher live on Tuesday nights or watch the class recording anytime over the next week. This provides flexibility for our online ministry wives.

Enrollment

Thrive classes are offered through Leavell College for academic credit and can be transferred as electives into other degree programs. Therefore, each ministry wife student must enroll by (1) filling out a Thrive application, (2) submitting a copy of her high school diploma or an official copy of college transcript, (3) submitting a background check, and (4) meeting Louisiana immunization requirements (for on-campus students only).

Accelerated Programs of Study

Accelerated Masters

Directed by Dr. Charlie Ray III

Students who have graduated from Leavell College within the last 5 years may have the opportunity to earn up to 27 hours of their MDiv, 15 hours of their MA in Counseling, or up to 9 hours of their MA, MTS, or MMCM through advanced standing or advanced placement with the Accelerated Program. Thus, qualified students could earn their degree in less time and at significant savings.

How Do I Apply?

The Accelerated Program is not a separate degree program and requires no special application process. Students will declare their specialization through the Registrar's office (i.e., MDiv in Christian Ministry or their chosen specialization) and contact the Accelerated Program office for a transcript evaluation. In addition, students must submit a research paper to the Accelerated Program office or write a paper demonstrating an ability in research and writing. The student's transcript will be evaluated to determine what credits he/she is eligible to receive through the Accelerated Program. The student will then receive a record of the credits he/she is eligible to receive. Students qualifying for more than the maximum allowable hours for their degree program must contact the Accelerated Program office to select the courses for advanced standing.

How Do I Receive These Credits?

Advanced standing credits will be added to the student's transcript only after the student has applied and been approved for graduation, while advanced placement credits in biblical languages may be added once the student has completed an upper-level language class with a B or better. No fees are assessed for advanced standing credits, so students will not have to pay anything to have these credits added to their transcript once they have applied for graduation. For advanced placement credits in biblical languages, students are charged 1/3 tuition for each bypassed course. In other words, a student who qualifies to move directly into Greek 2 must earn a B or better in that course, then pay 1/3 tuition for the bypassed Greek 1 course. Students will need to keep track of these credits throughout their degree program to ensure they do not repeat courses and/or have completed all other necessary courses before applying for graduation. While the Accelerated Program office will keep a record of all student qualifications, evaluation and approval for graduation is handled through the Registrar's office alone.

Courses Available for Advanced Standing

Currently, the Accelerated Program offers advanced standing credits at NOBTS for the following courses. To qualify for advanced standing credit, students must have completed equivalent courses at the undergraduate level with a grade of B or better.

NOBTS Courses	Leavell College Qualifying Courses
OTEN5351 Interpreting the Old Testament 1	LCCF1320 Old Testament Survey AND LCCF1310 Hermeneutics

THEO5300 Systematic Theology I	LCCF2340 Christian Doctrine AND 3 additional hours of Theology

Advanced Placement in Languages

Students who have significant hours in Greek and/or Hebrew at the undergraduate level may also qualify for advanced placement in languages. For every six hours of undergraduate credit in Greek or Hebrew (with a B or better), students may qualify to proceed into the next logical class (e.g., six hours of Greek or Hebrew qualifies the student to bypass Greek 1 or Hebrew 1 at NOBTS and enroll in Greek 2 or Hebrew 2; 12 hours qualifies a student to bypass both Greek/Hebrew 1 & 2 and enroll in an Advanced or Exegesis course). Students who bypass one or

more courses in either language must earn a B or better in the course they take at NOBTS. In addition to tuition for the class taken students will pay 1/3 tuition cost for the bypassed classes (i.e., you pay for one hour and receive three). The following is the list of courses students may be eligible to bypass based on their undergraduate studies:

Advanced Placement into NOBTS Courses	**Leavell College Qualifying Courses**
NTGK5352 Greek 2	LCBS2330 Greek I AND LCBS2332 Greek II
NTGK6351 Advanced Greek for Exegesis OR NTGK63-- Greek Exegesis	LCBS3330 Greek III AND LCBS4330 Advanced Readings from the Greek NT

Accelerated MMCM/MDivCM

Directed by Dr. Greg Woodward

The Church Music Division is proposing that students from Baptist College and Universities that have NASM accreditation be granted credit for the Accelerated Program courses that align with the MMCM or MDiv in Church Music and the following courses unique to the Church Music portion of the MMCM or MDivCM:

1. Keyboard Competency in Church Music--2 Hours (i.e., most NASM schools have a keyboard proficiency test; although a particular school's test may not be identical to the NOBTS piano proficiency, the Church Music Division is willing to grant credit if the school is NASM accredited),
2. Private Voice--3 Hours (i.e., many students entering our MMCM have completed a voice recital at the undergraduate level; a student who does not have a voice recital would likely not be able to receive credit unless a transcript or correspondence with a school verifies vocal competence),

Dual Enrollment

Dual Enrollment

Purposes of the Dual Enrollment Program

As part of its mission to prepare servants to walk with Christ, proclaim His truth, and fulfill His mission, Leavell College is offering the Leavell College Dual Enrollment Program. The Leavell College Dual Enrollment Program allows high school juniors and seniors the opportunity to work on fulfilling God's calling on their lives by earning college credit while still in high school. Approved students are eligible to take up to six credit hours each semester and may earn up to twenty-four hours of college credit through the program.

The Dual Enrollment Program allows qualified juniors and seniors to

• Enroll in college courses while still in high school

• Earn both high school and college-level credit

• Eliminate unnecessary duplication of courses taken in high school and college

• Shorten the length of time required to complete a college degree

• Reduce the cost of a college degree; and

• Enjoy an early college experience.

Eligibility Requirements

Students seeking admission to the Leavell College Dual Enrollment Program must meet the following requirements:

• Be currently enrolled in high school and show proof of completion of the sophomore year or its homeschool equivalent

• Be at least 16 years of age

• Submit an official high school transcript or homeschool equivalent showing a GPA of 3.0 or above in college prep courses

• Submit a parental/high school verification form affirming the applicant's ability to succeed academically in college-level coursework and affirming the sufficiency of Leavell College courses for high school credit

• Complete and submit the application for non-degree seeking students at Leavell College

Important Terms of Application

Students and their parents/guardians should understand the following application terms:

• Acceptance as a non-degree student does not guarantee regular acceptance as a degree-seeking student.

• Applicable courses may not be offered every semester.

• The student must maintain a GPA of 2.0 in his or her Leavell College coursework in order to continue in the program.

• Leavell College complies with FERPA regulations. Thus, the college cannot share private and academic information with parents/guardians or high school/homeschool personnel unless the student has completed a FERPA waiver form granting Leavell College permission to share such information.

• Students desiring to earn more than the cap of twenty-four hours of credit must appeal in writing to the Dean of Leavell College. Additionally, students desiring to take courses not on the list of approved courses must appeal in writing to the Dean of Leavell College.

• Students are responsible to determine how courses taken through the Leavell College Dual Enrollment Program will transfer to other institutions or will be applied for high school/homeschool credit. Leavell College recommends that students verify transferability of credits prior to registering for dual enrollment courses.

Cost of Dual Enrollment Courses

See Tuition and Fees

Approved Applicable Courses

The following policies will govern deposits:

Dormitories. Upon receipt of the letter of assignment, the student will submit a non-refundable confirmation fee to confirm the reservation of the dormitory room. At check-in, the deposit (see fee schedule) is to be paid when the keys are received. This deposit will be refunded at the end of the student's residency in the dormitory, as long as proper check-out procedures are followed and no damage has occurred.

Apartments. Upon receipt of the letter of apartment assignment, the student will submit a non-refundable confirmation fee (see fee schedule) to confirm the reservation of the residence. The deposit (see fee schedule) is due when keys are received. A refundable portion may be given back to the resident upon move-out as long as proper check-out procedures are followed and no damage, painting, and/or wallpapering has occurred. Once a residence has been accepted, rent will begin on the date the residence is assigned to the applicant whether the keys have been obtained or not.

Priority of Assignment

Priority of apartment assignment is determined by the date the application is made, the date that the applicant has requested to move in, and the status of the student, prioritized in this order:

1. students who have completed at least one term,
2. students currently enrolled in their first term, and
3. students who have been approved for admission, but have not enrolled. On campus transfer requests may be accommodated after waiting lists are exhausted and availability allows.

A dependent other than a child will be considered as one child. No additional charge will be made in cases where the dependent is truly a dependent and not merely using seminary housing while earning a living or attending school, etc.

Qualifying hours for campus residency equal a minimum of 12 credit hours for Undergraduate students or a minimum of 9 credit hours for Graduate students in any course delivery format. Campus residents are encouraged to take as many in class courses as possible. Students who are not full-time students are not eligible for campus housing or financial aid. Students who register or drop courses that lowers them to below full-time status will be reported from the Registrar's Office to the Housing Office and the Financial Aid Office.

Academic intensive hours and Internet courses do not count toward qualifying status for financial aid, but do count towards qualifying hours for housing.

Individuals interested in finding a place of service are encouraged to contact this office for counsel, resume development, and information.

Off-Campus Employment

Many local employers prefer seminarians and their spouses as employees. The Financial Aid Office is a point of reference for students and spouses seeking information about jobs.

Spiritual Life

Spiritual Vitality: We are a worshipping community emphasizing both a personal walk with the Lord as well as gathering together corporately as a seminary family for the praise and adoration of God and instruction in His Word.

Local Churches

The Southern Baptist churches provide opportunities for worship, Bible study, prayer, witnessing, leadership, spiritual discipline, and missions activities for the seminary family. A list of these churches may be obtained from the Baptist Association of Greater New Orleans office at 504.282.1428.

Chapel Services

The Fall and Spring semesters allow the seminary family to gather each Tuesday and Thursday at 11:00 a.m. in Leavell Chapel for worship. Our desire is that this moment of corporate worship is both spiritually encouraging and challenging for our students, staff, and faculty.

Serve Day

This is an opportunity each semester for our students, staff, and faculty to go off campus and be the hands and feet of Christ by serving alongside various ministries throughout the city of New Orleans. All classes after lunch are canceled to encourage everyone to participate. Serve Day is a key part of what we do here at NOBTS and Leavell College. We believe that to prepare here starts with serving here.

Men's and Women's Groups

We provide multiple options for both men and women for fellowship through gender specific Bible studies, events, and prayer groups.

Mentorship

We believe that being mentored by someone older and wiser than us is an important part of our spiritual formation. Because of that, we have implemented a mentorship program where you can get connected to a trusted staff/faculty member who desires to help you grow in Christ.

Prayer Needs

The office of Spiritual Formation and Student Life prays weekly for students together as a staff. You can scan this QR code and submit your prayer request and our office will pray for you personally. You can also submit your requests confidentially.

Awards

A “Celebration of Excellence,” the annual awards assembly, occurs near the end of the spring semester each year. The purpose of the assembly is to recognize and honor outstanding senior students in the graduating class of the academic year in the various degree programs.

Students are chosen by an Awards Committee composed of the Provost, the Dean of Graduate Studies, the Dean of Leavell College, the four divisional Associate Deans, the Registrar, and the Dean of Students. The committee gives major consideration to evidences of an uncommon measure of excellence in personal and spiritual qualities, academic and scholarly achievement, and capacity for Christian ministry.

The awards consist of appropriate plaques for all recipients, books for most, and one monetary award.
