Welcome to God’s gymnasium! Both the opportunities for spreading the gospel to the ends of the earth and the challenges facing God’s people in local churches and other ministries have never been greater. This seminary is designed to be a place to prepare you to maximize your Great Commission opportunities and lead those who follow Jesus through the challenges they are facing. For this to happen we intend to expand your spiritual knowledge, enhance your ministry skills, and enlarge your faith. It will be a rigorous journey, but one that will better prepare you for what lies ahead. Here is how we will do this.

You are becoming part of a community. We come from a variety of backgrounds, but we all share the same passion: Fulfilling the Great Commission and the Great Commandments through the local church and its ministries. We have no faculty lounges. In New Orleans most of our faculty live on campus, sharing the same playgrounds and facilities with student and staff families. We are partners in the call to ministry, and you will forever be a member of the NOBTS community, be it on campus, at an extension center, or online. Having an unparalleled access to faculty outside the classroom is one of the distinctive experiences of being a student in this place. Who you get to know will become as important to you as what you learn. The seminary experience always includes a variety of challenges, many of them unexpected. Those challenges we will face together, and doing so makes us a family.

You are coming to a church place. We place a premium on church and ministry experience when we hire faculty. You will find professors with a very high level of scholarly ability, but also with a deep understanding of the realities of the church and mission field. Most of the faculty served on the staff of local churches before they came to teach. We regularly use adjunct teachers to keep the flow of what is happening now on the field into our curriculum. We have professors who have been church planters throughout the faculty. We have missionaries who have taken the gospel into other cultures in most of the disciplines we teach. You will be intellectually challenged, but you will also be immersed in the nuts and bolts of ministry skills. We make ministry experiences a part of your training because we want to make sure you are able to connect the dots between what you know and what you are able to do in your Kingdom service.

You are entering into a covenant. The faculty will bring the very best of all that they have learned into every course you take. You will be pushed to read, think, and analyze. The combination of their teaching efforts and your learning efforts will produce a deeper understanding of God’s Word and its applications to ministry in today’s world. In addition our faculty has a passionate commitment to doing all that they are able to do to keep your training accessible. You will have access to classes on campus and off. You will be able to earn credit via the internet. Some classes meet regularly, but others meet only occasionally. We offer seminary training to you in a variety of ways so that you can find the way that best fits your calling and your circumstances. In the course of their studies, many students experience life changes that were not anticipated. We build flexibility into our system, so that whatever turns your life may take, you will be able to finish what God told you to start.

When the day comes (and it will) that you complete your training, it is our deepest prayer that you will leave God’s gymnasium with a stronger faith, a more enlightened mind, and a higher level of skills for Kingdom service. The road will not be easy, but it will be productive. May God bless each step of your journey!

New Orleans Seminary History

Established in 1917, New Orleans Baptist Theological Seminary was actually the fulfillment of a century-old dream of Baptists to reach the city of New Orleans, (then one of the largest cities in America, with a well-deserved reputation as a “sin city”), and to establish a missionary training school at the gateway to Latin America. In 1914, P. I. Lipsey, editor of the Mississippi Baptist Record, in an impassioned editorial favoring the creation of a theological school in New Orleans, wrote: “A seminary (in New Orleans) would plant the Baptist cause in this city in a way that would immediately command the attention and the respect of all. It would be planting the siege guns at the enemies’ gates.” NOBTS was voted into being by the Southern Baptist Convention in 1917 as messengers met in New Orleans for their annual meeting. New Orleans Seminary was the first theological institution to be created by direct action of the Southern Baptist Convention. Originally named Baptist Bible Institute, the name was changed to New Orleans Baptist Theological Seminary in 1946.

Founded for Mission

Since its inception, NOBTS faced significant challenges. Byron DeMent, in his inaugural address as the first President of the institution, said, “The Baptist Bible Institute is preeminently a child of providence and prayer.” Soon afterward, the Seminary faculty and students struggled through the Great Depression. These were lean times, and the school continued in existence through great sacrifice. Through these days, NOBTS has come to be known as “The School of Providence and Prayer.”

In August 2005, New Orleans Seminary faced one of its most difficult times – the aftermath of Hurricane Katrina. Floods resulting from levee failures left the campus and the city under water. The storm displaced over 1,000 main campus residents and put a new semester on hold. Almost immediately, God began a work of redemption in the life of NOBTS. Over 85 percent of NOBTS students continued the semester as classes shifted to an online format. Southern Baptists rushed to the aid of the Seminary family to provide temporary housing, and they gave donations and volunteer labor sacrificially to help NOBTS clean and restore the campus, and return the Seminary family to the campus. Classes began again on the restored campus in Spring 2006.

Growth and Expansion

Following unanimous SBC approval in 1917, the institute opened its first session in October 1918 under the leadership of Byron H. DeMent, who served as president of the Baptist Bible Institute from 1917 to 1928. Others who have served as president of the school are William H. Hamilton Sr. (1928-42); Duke K. McCall (1943-46); Roland Q. Leavell (1946-58); H. Leo Eddleman (1959-70); Grady C. Cothen (1970-74); and Landrum P. Leavell II, nephew of Roland Leavell, (1974-95).

In 1996, Dr. Charles S. “Chuck” Kelley Jr. of Beaumont, Texas, was elected unanimously as the Seminary’s eighth president. Prior to his election he had served at the Seminary as the director of the Seminary’s Leavell Center for Evangelism and Church Health, and for 13 years as the Roland Q. Leavell Professor of Evangelism.

From its beginning until 1953, the school was located at 1220 Washington Avenue, in the heart of the Garden District of residential New Orleans. During the presidency of Roland Q. Leavell, the current campus at 3939 Gentilly Boulevard was purchased in 1947. The landmark entrance gates and fence from the Garden District mansion now are located on the front block of the Gentilly campus. The current property, once a 75-acre pecan orchard, has been transformed into a beautiful campus with 12 additional acres and more than 70 buildings.

New Orleans Seminary is accredited to offer degrees on both the undergraduate and graduate levels: associate, baccalaureate, master’s, and doctoral. The Seminary is committed to making quality theological education as accessible and affordable as possible to as many as possible. Therefore, New Orleans Seminary operates over a dozen extension center campuses across the Southeast. Evangelism, missions, and, a focus on the local church ministry have always been at the heart of the educational process for this school. NOBTS has become one of the largest accredited theological seminaries in the world, with over 3,700 students. Nearly 20,000 men and women have studied and prepared themselves for ministry at NOBTS.

A Vision for the Future

Southern Baptist Convention has been plateaued since 1960. The number of baptisms each year in the last decade are less than the number of baptisms in the 1950s, and many other statistical categories were down as well. We believe that theological education can make ministers more effective, and these ministers can help revitalize plateaued churches. To that end, NOBTS is dedicated to making theological education as accessible to everyone. The Seminary has established extension centers strategically located around the Southeast, and has launched the Online Learning Center to offer Internet classes. Our mission is to equip leaders to fulfill the Great Commission and the Great Commandments through the local church and its ministries. By training effective leaders to lead healthy churches, we hope to transform the world through the power of the gospel of Jesus Christ.
Doctrinal Commitments
New Orleans Baptist Theological Seminary is a confessional Seminary. Our faculty subscribe to the NOBTS Articles of Religious Belief and the Baptist Faith and Message 2000.

Articles of Religious Belief
of New Orleans Baptist Theological Seminary

Article I - Sole Authority of Scriptures.
We believe that the Bible is the Word of God in the highest and fullest sense, and is the unrivaled authority in determining the faith and practice of God’s people; that the sixty-six books of the Bible are divinely and uniquely inspired, and that they have come down to us substantially as they were under inspiration written. These Scriptures reveal all that is necessary for us to know of God’s plan of redemption and human duty. We deny the inspiration of other books, ancient or modern, and exalt the Bible to an unchallenged throne in our confidence. These Scriptures do not require the authorized interpretation of any church, or council, but are divinely intended for personal study and interpretation, under the guidance of the Holy Spirit.

Article II - One Triune God Who Is Father, Son and Holy Spirit.
We believe in one only true and living God, the Creator and Sustainer of all things, who is infinite, eternal, and unchangeable in every spiritual excellence, and who is revealed to us as Father, Son, and Holy Spirit, three in one and one in three, as the essential mode of His existence. The Father is the Head of the Trinity, into whose hands finally the Kingdom shall be given up. The Son is the promised Messiah of the Old Testament, Jesus Christ who was born of the Virgin Mary, given to reveal God, died to redeem man, rose from the dead to justify the believer, is now at the right hand of God as our Advocate and Intercessor, and at the time the Father keeps in His own power, He will return in visible, personal and bodily form for the final overthrow of sin, the triumph of His people and the judgment of the world.

The Holy Spirit is a Person who has been sent from God to convict the world of sin, of righteousness, and of judgment, to regenerate and cleanse from sin, and to teach, guide, strengthen, and perfect the believer.

Article III - Satan and Sinful Man.
We believe that man was created innocent, but that being tempted by Satan, he sinned, and thereafter all men have been born in sin, and are by nature children of wrath. The original tempter was Satan, the personal devil, who with his angels has been since carrying on his work of iniquity among the nations of the earth. The essence of sin is non-conformity to the will of God, and its end is eternal separation from God.

Article IV - Christ, God’s Way of Atonement.
We believe that a way has been provided whereby men born in sin may be reconciled to God. That Way is Jesus Christ, whose death atoned for our sin, and through union with Him we become partakers of His merits, and escape the condemnation of God’s holy law. The atonement becomes personally effective through the foreordination and the grace of God, and the free choice and faith of man.

Article V - Christ, the Only Savior From Sin, Without Whom Men Are Condemned.
We believe that apart from Jesus Christ there is no salvation. He is the only and all-sufficient Savior of sinners, irrespective of natural talents, family connection, or national distinction. All men are under condemnation through personal sin, and escape from condemnation comes only to those who hear and accept the gospel. The heathen, then, are under condemnation just as well as those who hear and reject the gospel, for they are sinners by both nature and practice. The pressing and inviolable obligation rests upon every church and individual to present the gospel to all men, that to all men may come the means of eternal life. Unless we proclaim the gospel we shall suffer loss, not only in this life, but in the day when we render to God the account of our stewardship.

Article VI - Conversion Includes Repentance, Faith, Regeneration, and Justification.
We believe that the Christian life begins with conversion. Conversion has several aspects, including repentance, faith, regeneration, and justification. Repentance implies a deep and sincere change of thinking, feeling, and willing toward sin and God, and faith is the surrender of the entire personality, thought, feeling, and volition to Jesus Christ as Savior and Lord. Regeneration is the act of the Holy Spirit by which the sinner is born again, and his whole being is radically changed so that the believer becomes a new creation in Christ Jesus. Justification is the judicial act of God by which the sinner is declared forgiven and freed from the condemnation of his sin, on the ground of the perfect righteousness of Christ, imputed by grace through faith. The life begun in regeneration is never lost, but by the grace and power of God, and the faith and cooperation of the believer is constantly brought nearer to that state of perfect holiness which we shall experience finally in heaven.

Article VII - Final Resurrection of All Men.
We believe in the final resurrection of all men, both the just and the unjust; and that those who here believe unto salvation shall be raised to everlasting life, while those who here disbelieve shall be raised to everlasting condemnation.
Article VIII - A New Testament Church Is a Body of Baptized Believers, Observing Ordinances of Baptism and the Lord’s Supper.
We believe that a New Testament Church is a voluntary assembly, or association of baptized believers in Christ covenanted together to follow the teachings of the New Testament in doctrine, worship, and practice. We believe there are only two Church ordinances—baptism and the Lord’s Supper—and that a church, as a democratic organization, is served by only two types of officers—pastors or bishops, and deacons. We believe that saved believers are the only scriptural subjects of baptism, and that immersion, or dipping, or burial, in water, and resurrection therefrom is the only scriptural act of baptism. We believe that the Lord’s Supper is the partaking by the church of bread and wine, as a memorial of the Lord’s death, and our expectation of His return. The bread typifies His body; the wine typifies His blood. We deny the actual presence of His body and blood in the bread and wine.

We believe that the Christian Sabbath, or Lord’s Day, should be observed as a day of rest and Christian service in memory of the resurrection of Christ, and as a means of Christian development and usefulness. We believe in civil government as of divine appointment, in the complete separation of church and state, and in the universal right to civil and religious liberty.

Article X - Baptist Loyalty to Distinctive Baptist Doctrines.
We believe that Baptists stand for vital and distinctive truths, to many of which other denominations do not adhere, and that we cannot compromise these truths without disloyalty to the Scriptures and our Lord. We believe that we should cooperate with other denominations insofar as such cooperation does not affect these truths, but no union with them is possible, except on the basis of acceptance in full of the plain teachings of the Word of God.
The Baptist Faith and Message 2000

Report of the Baptist Faith and Message 2000 Study Committee

Baptists are a people of deep beliefs and cherished doctrines. Throughout our history we have been a confessional people, adopting statements of faith as a witness to our beliefs and a pledge of our faithfulness to the doctrines revealed in Holy Scripture.

Our confessions of faith are rooted in historical precedent, as the church in every age has been called upon to define and defend its beliefs. Each generation of Christians bears the responsibility of guarding the treasury of truth that has been entrusted to us [2 Timothy 1:14]. Facing a new century, Southern Baptists must meet the demands and duties of the present hour.

New challenges to faith appear in every age. A pervasive anti-supernaturalism in the culture was answered by Southern Baptists in 1925, when the Baptist Faith and Message was first adopted by this Convention. In 1963, Southern Baptists responded to assaults upon the authority and truthfulness of the Bible by adopting revisions to the Baptist Faith and Message. The Convention added an article on “The Family” in 1998, thus answering cultural confusion with the clear teachings of Scripture. Now, faced with a culture hostile to the very notion of truth, this generation of Baptists must claim anew the eternal truths of the Christian faith.

Your committee respects and celebrates the heritage of the Baptist Faith and Message, and affirms the decision of the Convention in 1925 to adopt the New Hampshire Confession of Faith, “revised at certain points and with some additional articles growing out of certain needs. . . .” We also respect the important contributions of the 1925 and 1963 editions of the Baptist Faith and Message.

With the 1963 committee, we have been guided in our work by the 1925 “statement of the historic Baptist conception of the nature and function of confessions of faith in our religious and denominational life. . . .” It is, therefore, quoted in full as a part of this report to the Convention:

(1) That they constitute a consensus of opinion of some Baptist body, large or small, for the general instruction and guidance of our own people and others concerning those articles of the Christian faith which are most surely held among us. They are not intended to add anything to the simple conditions of salvation revealed in the New Testament, viz., repentance toward God and faith in Jesus Christ as Saviour and Lord.

(2) That we do not regard them as complete statements of our faith, having any quality of finality or infallibility. As in the past so in the future, Baptists should hold themselves free to revise their statements of faith as may seem to them wise and expedient at any time.

(3) That any group of Baptists, large or small, have the inherent right to draw up for themselves and publish to the world a confession of their faith whenever they may think it advisable to do so.

(4) That the sole authority for faith and practice among Baptists is the Scriptures of the Old and New Testaments. Confessions are only guides in interpretation, having no authority over the conscience.

(5) That they are statements of religious convictions, drawn from the Scriptures, and are not to be used to hamper freedom of thought or investigation in other realms of life.

Baptists cherish and defend religious liberty, and deny the right of any secular or religious authority to impose a confession of faith upon a church or body of churches. We honor the principles of soul competency and the priesthood of believers, affirming together both our liberty in Christ and our accountability to each other under the Word of God.

Baptist churches, associations, and general bodies have adopted confessions of faith as a witness to the world, and as instruments of doctrinal accountability. We are not embarrassed to state before the world that these are doctrines we hold precious and as essential to the Baptist tradition of faith and practice.

As a committee, we have been charged to address the “certain needs” of our own generation. In an age increasingly hostile to Christian truth, our challenge is to express the truth as revealed in Scripture, and to bear witness to Jesus Christ, who is “the Way, the Truth, and the Life.”

The 1963 committee rightly sought to identify and affirm “certain definite doctrines that Baptists believe, cherish, and with which they have been and are now closely identified.” Our living faith is established upon eternal truths. “Thus this generation of Southern Baptists is in historic succession of intent and purpose as it endeavors to state for its time and theological climate those articles of the Christian faith which are most surely held among us.”

It is the purpose of this statement of faith and message to set forth certain teachings which we believe.

The Baptist Faith and Message 2000

I. The Scriptures
The Holy Bible was written by men divinely inspired and is God’s revelation of Himself to man. It is a perfect treasure of divine instruction. It has God for its author, salvation for its end, and truth, without any mixture of error, for its matter. Therefore, all Scripture is totally true and trustworthy. It reflects the principles by which God judges us, and therefore is, and will remain to the end of the world, the true center of Christian union, and the supreme standard by which all human conduct, creeds, and religious opinions should be tried. All Scripture is a testimony to Christ, who is Himself the focus of divine revelation.

II. God
There is one and only one living and true God. God is an intelligent, spiritual, and personal Being, the Creator, Redeemer, Preserver, and Ruler of the universe. God is infinite in holiness and all other perfections. God is all powerful and all knowing; and His perfect knowledge extends to all things, past, present, and future, including the future decisions of His free creatures. To Him we owe the highest love, reverence, and obedience. The eternal triune God reveals Himself to us as Father, Son, and Holy Spirit, with distinct personal attributes, but without division of nature, essence, or being.

A. God the Father
God as Father reigns with providential care over His universe, His creatures, and the flow of the stream of human history according to the purposes of His grace. He is all powerful, all knowing, all loving, and all wise. God is Father in truth to those who become children of God through faith in Jesus Christ. He is fatherly in His attitude toward all men.

B. God the Son
Christ is the eternal Son of God. In His incarnation as Jesus Christ He was conceived of the Holy Spirit and born of the virgin Mary. Jesus perfectly revealed and did the will of God, taking upon Himself human nature with its demands and necessities and identifying Himself completely with mankind yet without sin. He honored the divine law by His personal obedience, and in His substitutionary death on the cross He made provision for the redemption of men from sin. He was raised from the dead with a glorified body and appeared to His disciples as the person who was with them before His crucifixion. He ascended into heaven and is now exalted at the right hand of God where He is the One Mediator, fully God, fully man, in whose Person is effected the reconciliation between God and man. He will return in power and glory to judge the world and to consummate His redemptive mission. He now dwells in all believers as the living and ever present Lord.

III. Man
Man is the special creation of God, made in His own image. He created them male and female as the crowning work of His creation. The gift of gender is thus part of the goodness of God’s creation. In the beginning man was innocent of sin and was endowed by His Creator with freedom of choice. By his free choice man sinned against God and brought sin into the human race. Through the temptation of Satan man transgressed the command of God, and fell from his original innocence whereby his posterity inherit a nature and an environment inclined toward sin. Therefore, as soon as they are capable of moral action, they choose sin by freely violating God’s law and thereby become transgressors and are under condemnation. Only the grace of God can bring man into His holy fellowship and enable man to fulfill the creative purpose of God. The sacredness of
human personality is evident in that God created man in His own image, and in that Christ died for man; therefore, every person of every race possesses full dignity and is worthy of respect and Christian love.

IV. Salvation
Salvation involves the redemption of the whole man, and is offered freely to all who accept Jesus Christ as Lord and Saviour, who by His own blood obtained eternal redemption for the believer. In its broadest sense salvation includes regeneration, justification, sanctification, and glorification. There is no salvation apart from personal faith in Jesus Christ as Lord.

A. Regeneration, or the new birth, is a work of God’s grace whereby believers become new creatures in Christ Jesus. It is a change of heart wrought by the Holy Spirit through conviction of sin, to which the sinner responds in repentance toward God and faith in the Lord Jesus Christ. Repentance and faith are inseparable experiences of grace.

Repentance is a genuine turning from sin toward God. Faith is the acceptance of Jesus Christ and commitment of the entire personality to Him as Lord and Saviour.

B. Justification is God’s gracious and full acquittal upon principles of His righteousness of all sinners who repent and believe in Christ. Justification brings the believer unto a relationship of peace and favor with God.

C. Sanctification is the experience, beginning in regeneration, by which the believer is set apart to God’s purposes, and is enabled to progress toward moral and spiritual maturity through the presence and power of the Holy Spirit dwelling in him. Growth in grace should continue throughout the regenerate person’s life.

D. Glorification is the culmination of salvation and is the final blessed and abiding state of the redeemed.

V. God’s Purpose of Grace
Election is the gracious purpose of God, according to which He regenerates, justifies, sanctifies, and glorifies sinners. It is consistent with the free agency of man, and comprehends all the means in connection with the end. It is the glorious display of God’s sovereign goodness, and is infinitely wise, holy, and unchangeable. It excludes boasting and promotes humility.

All true believers endure to the end. Those whom God has accepted in Christ, and sanctified by His Spirit, will never fall away from the state of grace, but shall persevere to the end. Believers may fall into sin through neglect and temptation, whereby they grieve the Spirit, impair their graces and comforts, and bring reproach on the cause of Christ and temporal judgments on themselves; yet they shall be kept by the power of God through faith unto salvation.

VI. The Church
A New Testament church of the Lord Jesus Christ is an autonomous local congregation of baptized believers, associated by covenant in the faith and fellowship of the gospel; observing the two ordinances of Christ, governed by His laws, exercising the gifts, rights, and privileges invested in them by His Word, and seeking to extend the gospel to the ends of the earth. Each congregation operates under the Lordship of Christ through democratic processes. In such a congregation each member is responsible and accountable to Christ as Lord. Its scriptural officers are pastors and deacons. While both men and women are gifted for service in the church, the office of pastor is limited to men as qualified by Scripture.

The New Testament speaks also of the church as the Body of Christ which includes all of the redeemed of all the ages, believers from every tribe, and tongue, and people, and nation.

VII. Baptism and the Lord’s Supper
Christian baptism is the immersion of a believer in water in the name of the Father, the Son, and the Holy Spirit. It is an act of obedience symbolizing the believer’s faith in a crucified, buried, and risen Saviour, the believer’s death to sin, the burial of the old name of the Father, the Son, and the Holy Spirit. It is an act of faith unto salvation.
INTRODUCTION

life, and the resurrection to walk in newness of life in Christ Jesus. It is a testimony to his faith in the final resurrection of the dead. Being a church ordinance, it is prerequisite to the privileges of church membership and to the Lord’s Supper.

The Lord’s Supper is a symbolic act of obedience whereby members of the church, through partaking of the bread and the fruit of the vine, memorialize the death of the Redeemer and anticipate His second coming.

VIII. The Lord’s Day

The first day of the week is the Lord’s Day. It is a Christian institution for regular observance. It commemorates the resurrection of Christ from the dead and should include exercises of worship and spiritual devotion, both public and private. Activities on the Lord’s Day should be commensurate with the Christian’s conscience under the Lordship of Jesus Christ.

IX. The Kingdom

The Kingdom of God includes both His general sovereignty over the universe and His particular kingship over men who willfully acknowledge Him as King. Particularly the Kingdom is the realm of salvation into which men enter by trustful, childlike commitment to Jesus Christ. Christians ought to pray and to labor that the Kingdom may come and God’s will be done on earth. The full consummation of the Kingdom awaits the return of Jesus Christ and the end of this age.

X. Last Things

God, in His own time and in His own way, will bring the world to its appropriate end. According to His promise, Jesus Christ will return personally and visibly in glory to the earth; the dead will be raised; and Christ will judge all men in righteousness. The unrighteous will be consigned to Hell, the place of everlasting punishment. The righteous in their resurrected and glorified bodies will receive their reward and will dwell forever in Heaven with the Lord.

XI. Evangelism and Missions

It is the duty and privilege of every follower of Christ and of every church of the Lord Jesus Christ to endeavor to make disciples of all nations. The new birth of man’s spirit by God’s Holy Spirit means the birth of love for others. Missionary effort on the part of all rests thus upon a spiritual necessity of the regenerate life, and is expressly and repeatedly commanded in the teachings of Christ. The Lord Jesus Christ has commanded the preaching of the gospel to all nations. It is the duty of every child of God to seek constantly to win the lost to Christ by verbal witness undergirded by a Christian lifestyle, and by other methods in harmony with the gospel of Christ.

XII. Education

Christianity is the faith of enlightenment and intelligence. In Jesus Christ abide all the treasures of wisdom and knowledge. All sound learning is, therefore, a part of our Christian heritage. The new birth opens all human faculties and creates a thirst for knowledge. Moreover, the cause of education in the Kingdom of Christ is coordinate with the causes of missions and general benevolence, and should receive along with these the liberal support of the churches. An adequate system of Christian education is necessary to a complete spiritual program for Christ’s people.

In Christian education there should be a proper balance between academic freedom and academic responsibility. Freedom in any orderly relationship of human life is always limited and never absolute. The freedom of a teacher in a Christian school, college, or seminary is limited by the preeminence of Jesus Christ, by the authoritative nature of the Scriptures, and by the distinct purpose for which the school exists.

XIII. Stewardship

God is the source of all blessings, temporal and spiritual; all that we have and are we owe to Him. Christians have a spiritual debtorship to the whole world, a holy trusteeship in the gospel, and a binding stewardship in their possessions. They are therefore under obligation to serve Him with their
time, talents, and material possessions; and should recognize all
these as entrusted to them to use for the glory of God and for
helping others. According to the Scriptures, Christians should
contribute of their means cheerfully, regularly, systematically,
proportionately, and liberally for the advancement of the
Redeemer’s cause on earth.

Genesis 14:20; Leviticus 27:30-32; Deuteronomy 8:18; Malachi
2 Corinthians 8-9; 12:15; Philippians 4:10-19; 1 Peter 1:18-19.

XIV. Cooperation

Christ’s people should, as occasion requires, organize such
associations and conventions as may best secure cooperation for
the great objects of the Kingdom of God. Such organizations
have no authority over one another or over the churches. They
are voluntary and advisory bodies designed to elicit, combine,
and direct the energies of our people in the most effective manner.
Members of New Testament churches should cooperate with one
another in carrying forward the missionary, educational, and
benevolent ministries for the extension of Christ’s Kingdom.
Christian unity in the New Testament sense is spiritual harmony
and voluntary cooperation for common ends by various groups
of Christ’s people. Cooperation is desirable between the various
Christian denominations, when the end to be attained is itself
justified, and when such cooperation involves no violation of
conscience or compromise of loyalty to Christ and His Word as

Exodus 17:12; 18:17ff.; Judges 7:21; Ezra 1:3-4; 2:68-69; 5:14-
15; Nehemiah 4; 8:1-5; Matthew 10:5-15; 20:1-16; 22:1-10;
28:19-20; Mark 2:3; Luke 10:1ff.; Acts 1:13-14; 2:1ff.; 4:31-
37; 13:2-3; 15:1-35; 1 Corinthians 1:10-17; 3:5-15; 12; 2
Corinthians 8-9; Galatians 1:6-10; Ephesians 4:1-16; Philippians
1:15-18.

XV. The Christian and the Social Order

All Christians are under obligation to seek to make the will of
Christ supreme in our own lives and in human society. Means
and methods used for the improvement of society and the
establishment of righteousness among men can be truly and
permanently helpful only when they are rooted in the regeneration
of the individual by the saving grace of God in Jesus Christ.
In the spirit of Christ, Christians should oppose racism, every form of
greed, selfishness, and vice, and all forms of sexual immorality,
including adultery, homosexuality, and pornography. We should
work to provide for the orphaned, the needy, the abused, the
gaged, the helpless, and the sick. We should speak on behalf
of the unborn and contend for the sanctity of all human life from
conception to natural death. Every Christian should seek to bring
industry, government, and society as a whole under the sway of
the principles of righteousness, truth, and brotherly love. In order
to promote these ends Christians should be ready to work with
all men of good will in any good cause, always being careful to
act in the spirit of love without compromising their loyalty to
Christ and His truth.

Exodus 20:3-17; Leviticus 6:2-5; Deuteronomy 10:12; 27:17;
Psalms 101:5; Micah 6:8; Zechariah 8:16; Matthew 5:13-16,
4:18-21; 10:27-37; 20:25; John 15:12; 17:15; Romans 12-14;
1 Corinthians 5:9-10; 6:1-7; 7:20-24; 10:23-11:1; Galatians 5:26-
28; Ephesians 6:5-9; Colossians 3:12-17; 1 Thessalonians 3:12;
Philémon; James 1:27; 2:8.

XVI. Peace and War

It is the duty of Christians to seek peace with all men on principles
of righteousness. In accordance with the spirit and teachings of
Christ they should do all in their power to put an end to war.

The true remedy for the war spirit is the gospel of our Lord. The
supreme need of the world is the acceptance of His teachings in
all the affairs of men and nations, and the practical application
of His law of love. Christian people throughout the world should
pray for the reign of the Prince of Peace.

Isaiah 2:4; Matthew 5:38-48; 6:33; 26:52; Luke 22:36,38;

XVII. Religious Liberty

God alone is Lord of the conscience, and He has left it free from
the doctrines and commandments of men which are contrary
to His Word or not contained in it. Church and state should
be separate. The state owes to every church protection and full
freedom in the pursuit of its spiritual ends. In providing for
such freedom no ecclesiastical group or denomination should be
favored by the state more than others. Civil government being
ordained of God, it is the duty of Christians to render loyal
obedience thereto in all things not contrary to the revealed will
of God. The church should not resort to the civil power to carry
on its work. The gospel of Christ contemplates spiritual means
alone for the pursuit of its ends. The state has no right to impose
penalties for religious opinions of any kind. The state has no
right to impose taxes for the support of any form of religion. A
free church in a free state is the Christian ideal, and this implies
the right of free and unhindered access to God on the part of all
men, and the right to form and propagate opinions in the sphere
of religion without interference by the civil power.

8:36; Acts 4:19-20; Romans 6:1-2; 13:1-7; Galatians 5:1,13;
Philippians 3:20; 1 Timothy 2:1-2; James 4:12; 1 Peter 2:12-
17; 3:11-17; 4:12-19.

XVIII. The Family

God has ordained the family as the foundational institution of
human society. It is composed of persons related to one another
by marriage, blood, or adoption.

Marriage is the uniting of one man and one woman in covenant
commitment for a lifetime. It is God’s unique gift to reveal the
union between Christ and His church and to provide for the
man and the woman in marriage the framework for intimate
companionship, the channel of sexual expression according to
biblical standards, and the means for procreation of the human race.
The husband and wife are of equal worth before God, since both are created in God’s image. The marriage relationship models the way God relates to His people. A husband is to love his wife as Christ loved the church. He has the God-given responsibility to provide for, to protect, and to lead his family. A wife is to submit herself graciously to the servant leadership of her husband even as the church willingly submits to the headship of Christ. She, being in the image of God as is her husband and thus equal to him, has the God-given responsibility to respect her husband and to serve as his helper in managing the household and nurturing the next generation.

Children, from the moment of conception, are a blessing and heritage from the Lord. Parents are to demonstrate to their children God’s pattern for marriage. Parents are to teach their children spiritual and moral values and to lead them, through consistent lifestyle example and loving discipline, to make choices based on biblical truth. Children are to honor and obey their parents.

One Faith, One Task, One Sacred Trust
A Covenant Between Our Seminaries and Our Churches

"You therefore, my son, be strong in the grace that is in Christ Jesus. And the things that you have heard from me among many witnesses, commit these to faithful men who will be able to teach others also." 2 Timothy 2:1-2

For over 135 years, the churches of the Southern Baptist Convention have looked to their seminaries for the training and education of their ministers. These six schools were established and undergirded by Southern Baptists in order that our churches may be served by a more faithful ministry.

This is a critical moment in the history of the Southern Baptist Convention and for our seminaries. The six seminaries serving this denomination bear a precious and perishable responsibility on behalf of our churches; for we are entrusted with those who will be their ministers, pastors, preachers and servants.

Looking to the dawn of the 21st century, we hereby restate and reaffirm our commitment to the churches we serve, to the convictions those churches hold and honor and to the charge we have received on their behalf.

One Faith
The church of Jesus Christ is charged to contend for the faith once for all delivered to the saints. Our seminaries, charged with the theological formation of ministers, must take this charge as central and essential to our mission. In an age of rampant theological compromise, our seminaries must send no uncertain sound.

Let the churches of the Southern Baptist Convention know that our seminaries are committed to theological integrity and biblical fidelity. Our pledge is to maintain the confessional character of our seminaries by upholding those doctrines so clearly articulated in our confessions of faith; by teaching the authority, inspiration, inerrancy and infallibility of the Bible; by maintaining the purity of the Gospel and affirming the identity of Jesus Christ, by whose blood we have been redeemed and in whose name alone salvation is to be found; and by proclaiming with boldness the precious and eternal truths of God’s Word.

In this we stand together, and we stand with our churches. We understand that those who teach take on an awesome responsibility and will receive from our Lord a stricter judgment. We stand before this convention and our churches to declare that we stand together in one faith, serving our Lord Jesus Christ.

One Task
Our mission is to prepare ministers for service. We cannot call ministers nor appoint them to service. Ministers, called by God and commissioned by our churches come to us in order that they may through our seminaries receive learning, training and inspiration for service. Preachers, evangelists, missionaries and those who minister throughout the life of the churches come to our seminaries with the hope that they will leave their programs of study better equipped, armed and matured for the faithful exercise of their calling.

Our mission is to remain ever true to this task. We declare our unflinching resolve to provide the very finest programs of theological education for ministry. We will match theological fidelity to practical ministry, passion to practice, vision to calling and honor to service. This is our task.

One Sacred Trust
Our schools are not generic institutions for religious studies. We are the six theological seminaries serving the Southern Baptist Convention. We belong to you; we belong to the churches of this Convention. We are proud to carry your charge, and we declare our fidelity to you as a sacred trust. In this trust we stand before the Southern Baptist Convention, and we stand together.

Through the trustees elected by this Convention, our churches must hold our seminaries accountable to the faith once for all delivered to the saints, to the essential task of training and educating ministers and to the sacred trust which unites our seminaries and our churches.

As the presidents of your seminaries, we declare our unbending and fervent resolve to uphold all of these commitments. We will lead our institutions so that no harm shall come to your students and ministers; so that they will be rooted and grounded in the truth; so that they will be trained as faithful and effective preachers and teachers; so that they will bring honor to the church and not dishonor; and so that we shall be able to give a good answer and receive a good report when we shall face that stricter judgment which is to come.

This is our pledge, our resolve, our declaration. One Faith, One Task, One Sacred Trust.

Cooperative Program Support

Cooperative Program support is a crucial financial lifeline that makes possible the ministry of New Orleans Baptist Theological Seminary. The Cooperative Program is a plan that channels the giving of dedicated Christians in Southern Baptist churches to provide for the ministries of the Southern Baptist Convention. Each year approximately $500 million is given through the 40,000 SBC churches to the Cooperative Program. Of that money, about $300 million is channeled through state Baptist conventions to provide support for state and associational Baptist work, Christian colleges, orphanages, hospitals, crisis intervention centers, Christian camps, collegiate ministries, and mission churches.

The remaining amount of approximately $200 million is distributed through the SBC Cooperative Program budget to the national and international ministries of the SBC. Of this amount, the International Mission Board receives 50 percent, and the North American Mission Board receives approximately 23 percent. Approximately 21 percent of the Cooperative Program budget goes to support the six SBC seminaries. New Orleans Baptist Theological Seminary receives approximately 4 percent of the Cooperative Program budget.

The Cooperative Program provides almost $9 million annually, or the equivalent of the income from an endowment of over $130 million, to New Orleans Baptist Theological Seminary each year. This Cooperative Program funding provides almost half of the annual budget of New Orleans Baptist Theological Seminary. In essence, the Cooperative Program provides each full-time Southern Baptist student a scholarship of about $4,200 a year.

The Cooperative Program was designed in 1925 as an alternative to the “society method,” in which each society or ministry sends a representative to local churches for a special offering. Unfortunately, in the “society method” the largest offerings go to the ministries with the most effective speakers, not necessarily to the greatest priorities and needs. Also, in the “society method” missionaries must leave their field of ministry to raise money from the churches, rather than having a steady and secure income provided through the Cooperative Program.

The Cooperative Program has proven to be the most effective means of reaching the world for Christ. Each year over 800,000 persons come to faith in Christ through the ministries of the Southern Baptist Convention.

Cooperative Program Course

Incoming graduate students must take the appropriate Cooperative Program course* during orientation in their first semester; students are automatically enrolled in the course during their first semester, but will not receive a credit hour or be charged for the course.

*COOP5000 NOBTS, SBC, and Cooperative Program

This course is a core curriculum course offered during graduate student orientation. The course will acquaint students with a brief history of NOBTS, the SBC, and the Cooperative Program, as well as their current leadership and operation. Students will also gain in this course an understanding of the significance and relationship of the Cooperative Program to the SBC and NOBTS.
INTRODUCTION

The Southern Baptist Convention is confronting one of the biggest crises in our history – a silent crisis that many people don’t realize is happening. It is a crisis of reaching people for Christ. The Southern Baptist Convention had an amazing spiral of additions by baptism in the first half of the nineteenth century. Our increase in baptisms was capped by a dramatic vision of Southern Baptists in the 1950s called “A Million More in ’54.” Baptisms in SBC churches exploded from about 100,000 in 1900 to over 400,000 after 1954. Between 1900 and 1960, SBC church membership increased nearly four times the rate of American population.

Sadly, the number of baptisms in Southern Baptist Churches has not increased significantly in the half century since A Million More in ’54. Shockingly, there were fewer baptisms in 2012 than in 1958. In the last fifty years, our churches have increased significantly in every key area except baptisms. We have added 13,000 more new churches, doubled church membership, and increased giving by $8.7 billion a year, but we are witnessing 40,000 fewer baptisms each year. The population of the United States has grown by over 100 million since 1960, but baptisms in Southern Baptist churches has not budged. In 1900 a person was baptized for every 21 church members; in 2012 that had doubled to a baptism for every 48 church members. What’s worse, over half of the adult baptisms in SBC churches are actually rebaptisms rather than first time baptisms. Over 70 percent of our churches are plateaued or declining.

Addressing this crisis in Southern Baptist life is what New Orleans Baptist Theological Seminary is all about. Ecclesiastes 10:10 teaches that it takes much more effort to swing a dull axe, but wisdom (a sharp axe) brings success. We believe that Seminary training equips ministers with sharper axes. Our faculty not only have world-class academic preparation, but they also average over 20 years of ministry experience in Southern Baptist churches. They’ve been there and they know what they’re talking about. We have designed our curriculum to equip each student in the key competencies essential for effective ministry. We welcome you to New Orleans Baptist Theological Seminary not just to get an academic degree, but to get equipped to help change the world!
The New Orleans Campus
New Orleans Baptist Theological Seminary’s 85-acre main campus has over 70 buildings, most in French Colonial architectural style. The Gentilly location, purchased in 1947 after the original Garden District campus became too small for the Seminary family, originally was a pecan orchard. It is on one of the highest elevations in the city of New Orleans.
Why NOBTS?

New Orleans Baptist Theological Seminary is one-of-a-kind. The unique blend of scholarship, practicality, accessibility, opportunity and urgency can be found nowhere else.

SCHOLARSHIP – The faculty consists of approximately 70 full-time faculty members. Noted authors, lecturers, researchers, ethicists, and philosophers, these men and women are dedicated to the pursuit of excellence in their fields. With research centers and class environments that are challenging and engaging, students are equipped to meet their full potential and become distinguished contributors in their fields.

PRACTICALITY – Faculty members have diverse ministry backgrounds that give them a practical edge. Having served an average of 20 years in a ministry setting before teaching at NOBTS, these pastors, ministers, counselors, teachers and missionaries bring a wealth of experience into the classroom. The curriculum at NOBTS infuses practicality into every class.

ACCESSIBILITY – With the largest extension center system of any SBC seminary and an ever-expanding number of online and hybrid class offerings, NOBTS has never been more accessible than it is now. Offering master’s degrees that can be earned entirely online, NOBTS is able to equip students for ministry across the globe.

OPPORTUNITY – NOBTS offers its students a number of unforgettable experiences in and out of the classroom. Students have the opportunity to gain hands-on experiences through internships in a variety of graduate programs. Course credit earned in conjunction with conferences, mission trips, historical study trips, and archaeological excavations provide a wealth of opportunities that will sharpen skills.

URGENCY – A sense of urgency to reach the lost of New Orleans and to train missionaries led to the founding of NOBTS, and almost 100 years later that sense of urgency continues to propel the seminary forward. The pressing need to equip ministers to take the gospel to the ends of the earth has only increased with the passage of time, therefore NOBTS continues to provide training that prepares men and women for wherever God may call them.

Why the main campus?

With so many extension centers and online options, why consider making the move to the New Orleans campus? There are several advantages to living and studying on the main campus.

OPTIONS – Living on the main campus provides access to a variety of degree options that may not be offered at an extension center or online. Additionally, the main campus offers more courses throughout the week, allowing for greater flexibility in degree completion.

FACULTY INTERACTION – Conversations between professors and students naturally transition from the classroom to the coffee shop and from the cafeteria back to the classroom. It is not uncommon to run into a professor in the gym or playing with his or her kids at the pool. These personal interactions enhance the classroom experience and allow opportunities for fellowship and discipleship.

CAMPUS FACILITIES – Studying at the main campus offers access to top-notch facilities. Affordable on-campus housing is available for families of all sizes, as well as singles. With a gym, swimming pool, multiple playgrounds, walking tracks and large fields for sports, staying active has never been more fun! The main campus also has the largest theological library in the gulf coast region.

CAMPUS LIFE – With so many students and faculty members living on campus, there are endless opportunities to minister and fellowship with brothers and sisters in Christ. The educational experience can be extended outside the classroom with one of our student organizations. We also host campus-wide events such as the crawfish boil, Fun Fest, and intramural sports. Studying, ministering, and living life with other singles, couples, and families on campus creates a close-knit community.

Why New Orleans?

New Orleans is one of the most dynamic, beautiful cities in the world, with something exciting around every corner. Sports, history, music, food and culture unite people of New Orleans. At NOBTS, students have the opportunity to join this vibrant community.

CULTURE – Louisiana is a melting pot of cultures. Festivals and special events take place throughout the year celebrating these unique cultures. Mardi Gras is the most famous of these festivals. There are family-friendly Mardi Gras parades that adults and children will love. At Christmas, see the magnificent light displays in the “Celebration in the Oaks” in City Park, or take a street car down St. Charles Avenue to see the decorations around the antebellum mansions.

SPORTS – Cheer for the New Orleans Saints in the Superdome, or flock to the New Orleans Arena to see the New Orleans Pelicans in action. Attend college football bowl games, New Orleans Zephyrs minor league baseball and occasional events such as the college football championship and the NCAA basketball tournament.

HISTORY – Visit antebellum plantations, the site of the Battle of New Orleans in 1815, historic houses and unique cemeteries. See Jackson Square and the St. Louis Cathedral. Visit the National World War II museum, ranked among the top museums in United States, or simply take a stroll through the historic French Quarter.

MUSIC – New Orleans is famous for its music. Listen to jazz at Preservation Hall or Snug Harbor or catch one of the numerous music festivals during the spring and summer, including the world-famous Jazz Fest.

FUN FOR KIDS – See the world-class Aquarium of the Americas with its IMAX theater, the excellent Audubon Zoo, the Audubon Insectarium, and the children’s museum. Enjoy a steam boat ride on the Mississippi River, Storyland and recreational activities at City Park, or take a swamp tour to see the alligators.

One of the exciting things is that Christians can minister in so many of these settings. Whether at the lake, on a street car, at the Aquarium or in the park, NOBTS faculty, staff, and students are equipped to take the gospel wherever they go.

Extension Centers and Regional Hubs

For over a quarter of a century, NOBTS has been providing theological education through extension centers. In order to provide quality theological training for persons in the Southeast already engaged in ministry, NOBTS has made a commitment to be as accessible as possible to as many people as possible. We therefore strive to have an extension center within driving distance of every area in the Southeast.

In the fall of 2007, the Seminary raised the status of the Atlanta/North Georgia extension center and the Orlando extension center to that of Regional Hubs.

Under the direction of the Provost and the Dean of Graduate Studies, there are two regional associate deans: Dr. Norris Grubbs, Associate Provost for Extension Centers and Enrollment Management, for Louisiana/Mississippi centers; and Dr. Peter Kendrick, for Alabama/Georgia centers. In addition, two regional coordinators direct the extension centers in Florida.

New Orleans Campus Academic Opportunities
The Seminary offers special workshops and summer terms each year on the campus in New Orleans. These courses offer extension center students the opportunity to experience campus life and to get to know the on-campus faculty, staff, and administration.

Extension center students may also participate in a unique on-campus experience by taking classes during Red Carpet Week in New Orleans. This academic workshop week has special activities to acquaint students with New Orleans, the NOBTS campus, the on-campus faculty, and students from other centers. A number of interactive activities and fellowship meals are planned throughout the week.

Teaching Faculty
The teaching at the graduate extension centers is done by trustee-elected faculty at some centers, by on-campus professors using interactive television to teach students at the extension centers and the campus in New Orleans, and by adjunct professors who live near the site of each center. A careful balance is maintained among the three. Most adjunct teachers have terminal degrees in the disciplines in which they teach. Some advanced Doctor of Philosophy students who hold the Master of Theology teach courses under the supervision of faculty members in the divisions related to their disciplines.

Compressed Interactive Video (CIV)
Some graduate extension center classes are taught simultaneously through compressed interactive video (CIV). This real-time video and audio makes it possible for on-campus teachers to interact with students in all of these connected centers.

Admission Requirements
The admission requirements for the extension centers are the same as the requirements for all the graduate programs of the Seminary. Please see the section on admission requirements in this catalog for details.

Application Process
Applications for new students must be submitted to the Registrar's Office no later than thirty days before the beginning of classes.

Orientation
All students enrolling in the graduate extension centers are required to attend a period of orientation to the Seminary and the extension center program. These orientation periods for new students are usually held near the beginning of the semester and are conducted in the centers. Please check the Seminary website at www.nobts.edu, or contact the local directors or the Regional Associate Deans for specific dates and times for the orientation meetings.

Registration
New students in the extension centers are required to register for classes on the announced date of registration. Registration for returning students must be done on the Internet. Returning students should check the Seminary website at www.nobts.edu for information on Internet registration. Questions also may be directed to the Registrar's Office on the New Orleans campus or to the Regional Associate Deans.

Late registration for any reason will result in a late registration fee as indicated in the Fee Schedule in this catalog. Students are responsible for receiving information concerning registration dates and details. This information may be received from the Seminary website, the center directors, the Registrar's Office, or the Regional Associate Deans. When the student registers after the beginning of the class, he or she is responsible for all classes missed. Students are also reminded to review the seminary policy on Dropping and Adding a Course (refer to the Catalog Index).

Three-Year Cycle of Courses
The cycle and schedule of academic workshops for the graduate extension centers are available on the seminary website. Graduate courses in the NOBTS extension centers are offered in a three-year cycle. Students entering the extension centers at any point and taking all of the courses offered in the cycle can finish the standard Master of Divinity degree in three years, including approximately 30 hours of additional classes which may be taken online or through workshop offerings. Master of Divinity specializations are not normally offered in the extension centers. Students in the extension centers who are interested in the specializations should contact the Academic Advisors. Courses for the Master of Arts in Christian Education and Master of Arts in Worship Ministries are only offered at selected graduate centers. See each center description for details.

Course Format Options
• Courses in the Standard MDiv Degree may be earned through several format options:
  - Hybrid or Bi-Weekly Courses
  - Mentoring Courses
  - Academic Workshops
  - Internet Courses
  - Approved Independent Studies
  - Tuesday-Thursday night cycles (extension centers or at NOBTS)
  - Summer Institutes

• Tuition for the Hybrid Classes will be at the Hybrid Class Rate.
• No absences are allowed in academic workshops or one-week summer courses. For the four-time per semester hybrid courses, students can miss only one of the four monthly class sessions. For the eight-time per semester hybrid courses, students can miss only two of the eight class sessions. Questions regarding this policy should be directed to the Associate Dean of Graduate Studies.

Students will take the cycle as offered and the other workshop courses during the semester breaks or summers. If you need more information, please contact Dr. Norris Grubbs, Associate Provost for Extension Centers and Enrollment Management, or your Regional Dean's office.

Library Services for Extension Center Students
Access to library materials is an important part of the Seminary experience. Most centers have a library at the site where classes are held. At the Clinton, North Mississippi, and North Alabama centers, students have access to the college libraries on those campuses where classes are held. At most of the other centers, libraries are available where classes meet. These centers have a library of basic books and periodicals that may be checked out for student use. Usually, instructors request from the main library in New Orleans a number of books to place on reserve during the semester in which a course is taught. These reserve books may be used by the students according to the instructions of the professors.

Computers at most centers are available so that students will be able to access the NOBTS Library Computer System. Through this system students are able to search for materials by author, title, and subject. Books may be requested over the system and sent to the student by mail from the main library in New Orleans. Students who have access to the Internet also can access the on-campus library system from their homes. The John T. Christian Library has e-books available for all students as well.
The library has also subscribed to several powerful bibliographic search engines so that many scholarly journals are available online to extension center students. The John T. Christian Library has secured library agreements with several institutions near our extension centers so that students may access those libraries as well. Information on these agreements may be secured at the library on campus or at the extension center office.

The library provides access to 80+ electronic databases and over 160,000 eBooks.

The Seminary employs Extension Center Librarians who are located at the North Georgia Campus in Marietta, Georgia. The librarians may be reached through the extension center offices at 770.321.1606.
Welcome! NOBTS wants to be your developmental partner as you continue to focus on answering God’s call to be the best-equipped church or ministry leader possible. Our faculty and staff bring together their unique personalities and experience to enhance our shared mission. Educational degree programs ranging from certificates to research doctoral degrees are here for you, the student, to equip you to become Christian leaders responding to God and changing the world. In addition you will also find descriptions of several centers and institutes which provide research and ministry experience. In the graduate program, our mission, our identified ministry competencies, and our teaching disciplines all center on fulfilling God’s mission.

If you are a Leavell College student or have completed your Bachelor’s degree from a Christian college with a religion major or minor, you may qualify for advanced credit toward your master’s degree through the Baptist College Partnership Program.

Our passion to fulfill God’s calling and mission has lead this historic School of Providence and Prayer to deliver our courses through multiple means. In addition to the New Orleans campus we have classrooms in 23 locations, our Internet students are in all 50 states and around the world, and mentoring programs are in many Southern Baptist Churches. Through BlueJeans and Blackboard technology the sun is always shining on part of the NOBTS student body.

If you need additional information about a particular program, please contact my office, the appropriate director, or the Academic Counselor in the Registrar’s Office.

May God continue to lead you and cause you to be a blessing (2 Tim. 2:1-7).
Seven Basic Competencies
Guiding the NOBTS Curriculum

NOBTS faculty members realize that all ministers need to develop specific competencies if they are going to have an effective ministry. To increase the likelihood of NOBTS graduates having an effective ministry, the faculty developed a competency-based curriculum after identifying seven essential competencies necessary for effective ministry. All graduates are expected to have at least a minimum level of competency in all of the following seven areas:

Biblical Exposition
To interpret and communicate the Bible accurately.

Christian Theological Heritage
To understand and interpret Christian theological heritage and Baptist polity for the church.

Disciple Making
To stimulate church health through mobilizing the church for missions, evangelism, discipleship, and church growth.

Interpersonal Skills
To perform pastoral care effectively, with skills in communication and conflict management.

Servant Leadership
To serve churches effectively through team ministry.

Spiritual and Character Formation
To provide moral leadership by modeling and mentoring Christian character and devotion.

Worship Leadership
To facilitate worship effectively.

Your computer is the door to our classroom. We offer you the best of both worlds. We would love to partner with you to accomplish your educational goals while you work in the field. A growing number of NOBTS students attend class daily from their points of ministry and missions around the globe.

Our goal and vision are to provide you with quality, accredited theological education through the Internet. We invite you to browse our undergraduate and graduate program offerings. Your educational journey is as close as your computer and the Internet. Your world really is our classroom!

We currently offer the following degrees online:

**Master of Divinity (Standard)**
This 84-hour online degree is our flagship degree that will prepare the student to serve in the widest variety of ministerial callings, including pastoral ministry, youth ministry, campus ministry, chaplaincy, and missions. This degree is available all online or may be combined with other in-person courses at extension centers or the main campus, including semester-length, hybrid, and weeklong workshop classes.

**Master of Theological Studies - MTS**
This online degree consists of 49 semester hours and does not have a thesis requirement. It will qualify students for further graduate study (e.g., MDiv, Graduate Certificates, etc.). Students desiring to move from this degree into a doctoral program may be required to do significant leveling work. This degree is designed to teach students general theological knowledge. This degree is available all online or may be combined with other in-person courses at extension centers or the main campus, including semester-length, hybrid, and weeklong workshop classes.

**Master of Arts (Apologetics)**
This 50-hour degree is an academic degree that may qualify its graduates to be considered as candidates to enroll in a Ph.D. program. NOBTS has been approved by our accreditation agency ATS to offer the MA (Apologetics) as an all-online degree. However, although much of the degree may be earned online, not every course in the degree is presently available online. The degree may be earned either residually or non-residentially, or a mixture of both. The Apologetics faculty recommends strongly that Apologetics students attend the January Defend the Faith Conference, which features some of the nation’s top Apologists. Students can earn up to six hours of course credit toward this degree each year through the Defend the Faith conference.

**Master of Arts (Biblical Studies) - MA(BibSt)**
This online degree is made up of 53-56 hours with a thesis requirement. It is designed for students preparing for research degrees in biblical studies for the purpose of teaching, research, or writing in various fields of biblical studies. It is available all online or may be combined with other in-person courses at extension centers or the main campus, including semester-length, hybrid, and weeklong workshop classes.

**Master of Arts (Theology) - MA(Th)**
This degree is a 58-hour online degree, designed for students preparing for research degrees in theological studies for the purpose of teaching, research, or writing in various fields of theology. The online courses of this degree may be combined with other in-person courses at extension centers or the main campus, including semester-length, hybrid, and weeklong workshop classes.

**Master of Arts in Christian Education (MACE)**
This online degree of 64-65 hours is designed to prepare students to serve in educational ministries (including ministry to children, youth, and adults; church administration; social work; ministers of discipleship, assimilation, maturity; and associate pastors) primarily in local churches, as well as missions, denominational agencies, and other related ministries. It is available all online or may be combined with other in-person courses at extension centers or the main campus, including semester-length, hybrid, and weeklong workshop classes.

**Master of Arts in Missiology**
This 49-hour degree is designed to prepare students to serve in a variety of positions in missions agencies. The degree plan can be applicable to those presently engaged in mission work or to those who are preparing for mission service. The degree would benefit those who are now serving on the mission field with previous Seminary studies as well as those who are enrolled in Seminary to prepare for missionary service. Persons who have completed twenty to thirty hours of Seminary studies in preparation for service with the International Mission Board of the Southern Baptist Convention should be able to use those hours in this degree plan with academic approval of this Seminary.
Spanish-language Master of Theological Studies (MTS)
Spanish online courses leading to the Master of Theological Studies degree are under development and will be offered starting later this academic year. Students should use the normal seminary registration process for enrolling in this program. Those needing assistance registering for this program may contact Dr. Bill Warren at wwarren@nobts.edu for help in Spanish or the Registrar's Office (admissions section) at admiss@nobts.edu or registrar@nobts.edu for help in English.

Schedule
Wherever you live in the United States, you can complete an MDiv degree through a mixture of online classes, weekend classes, one-week classes, and regular semester-length classes at any of our locations throughout the Southeast. Please examine the various delivery systems to plan your schedule.

Graduate Certificates (NOBTS)
Graduate Certificates provide a systematic approach for students holding a baccalaureate degree to explore the possibility of pursuing a seminary certificate (which could lead to further study for a master's degree). Certificates allow for concentrated study in a specific area, for missionaries to fulfill International Mission Board seminary requirements, or for students holding a master's degree to gain additional knowledge of an area not covered extensively in their previous master's program specialization. NOBTS offers a wide array of certificates. Some are available totally online and others are available by combining online and in-class credit hours.

How to Apply and Register
Students can apply for taking online courses by filling out the appropriate application on the SelfServe website (go to selfserve.nobts.edu then click “Apply”). Registration for online courses can be done online through the SelfServe site as well.

Tuition and Fees
The schedule for online course tuition and fees is found on the Student Fees page in this catalog.

Online Course Syllabi
The Online Learning Center website contains a current listing of all graduate and undergraduate course syllabi in a generic format. Students can access and download these syllabi to get general information on the course such as textbooks and requirements. These documents are posted in both .doc and .pdf formats.

Korean Theological Institute
Korean online courses and/or Korean Institute classroom courses in Atlanta can be used to complete the Korean Biblical Languages Graduate Certificate. Students needing assistance registering for the Korean online courses should contact the Institute at kti@nobts.edu.

Baptist College Partnership Program
Directed by Dr. Archie England

The Baptist College Partnership Program helps qualified students who are seeking to earn their master's degree to do so at a faster pace, while saving them money. Qualifying students are those who have graduated from, or are current juniors or seniors in good academic standing at, an accredited undergraduate institution. Students who wish to gain the benefits of the BCPP must provide the BCPP office with a current transcript for evaluation.

Students qualifying for the BCPP can possibly earn as many as 37 hours toward their NOBTS Masters degree program—through credit by testing or seminars. Moreover, they can earn these credits at a less expensive rate than regular tuition. BCPP offers credit by seminars at $100/hour and credit by testing at $65/hour (as opposed to the regular tuition rate of $225/hour). In short, it is possible for qualified students, enrolling in NOBTS, to earn a Masters degree in less time, while potentially saving over $4,600 off their overall tuition in the process!

1. Credit through BCPP Seminars
A student may earn as many as 22 hours of graduate credit by participating in seminars through the BCPP. To qualify, students must have completed at least 6 undergraduate hours in the concentrated field of that BCPP seminar (based on transcript evaluation) and have at least a “B” average for those courses. The work requirements for each seminar preclude taking other courses (e.g., other seminars or workshops) at the same time. The cost for each seminar is $100/credit hour and fees should be paid before the start of each seminar. To enroll, students must be cleared first by the BCPP office.

Students should consistently check the BCPP Web page at www.nobts.edu/bcp for the specific dates of each seminar. These seminars are taught annually between semesters. They are, by nature, not taught via the Internet or as Hybrid courses, but only through one-week, on-campus seminars. Students wishing to take these seminars must register through the Baptist College Partnership Program office directly. Registration for the seminars typically begins two months prior to the start of the seminar and ends one month prior. Students may not register later than one month prior to the start of the seminar as all of the seminars typically require that students complete some pre-work to be submitted at the beginning of the seminar. Completion of each seminar may also require students to complete post-work as well. The one-week seminars are listed below:

This seminar augments the student’s knowledge within the areas covered in the course NTEN5400 Exploring the NT; plus gives the student one Biblical Studies elective hour. The prerequisites for participating in this seminar are the completion of at least 6 undergraduate hours in the area of New Testament while having maintained at least a “B” in each course. The aforementioned prerequisites are pending the evaluation of each student’s individual transcript by the Director of the BCPP.

BCHI5500: BCPP Church History Seminar (in May)
This seminar augments the student’s knowledge within the areas covered in the courses HIST5200 History of Christianity: Early to Medieval and HIST5300 History of Christianity: Reformation to Modern. Students will have the opportunity to review the content of these courses through textbook readings, personal research, and class discussion of topics related to the history of Christianity. The prerequisites for participating in this seminar are the completion of at least 6 undergraduate hours and having at least a “B” for each course in the area of Church History. The aforementioned prerequisites are pending the evaluation of each student’s individual transcript by the Director of the BCPP.

BCCE5400/BCPY5400: BCPP Developmental Studies Seminar in Christian Education/Psychology (in June)
This seminar augments the student’s knowledge within the areas covered on courses on lifespan and human development, as well as the special needs of various age groups within Christian educational programs. The prerequisites for participating in this seminar are the completion of at least 6 undergraduate hours in the area of Christian Education or Psychology & Counseling and having at least a “B” in each course. The aforementioned prerequisites are pending the evaluation of each student’s individual transcript by the Director of the BCPP.

BCOT5400: BCPP Old Testament Seminar (in July)
This seminar augments the student’s knowledge within the areas covered in the course OTEN5400 Exploring the OT; plus gives the student one Biblical Studies elective hour. The prerequisites for participating in this seminar are the completion of at least 6 undergraduate hours in the area of Old Testament and having at least a “B” in each course. The aforementioned prerequisites are pending the evaluation of each student’s individual transcript by the Director of the BCPP.

BCPR5500: BCPP Preaching Seminar (in July)
This seminar augments the student’s knowledge within the areas covered in the courses PREA5300 Proclaiming the Bible and PREA6200 Preaching Practicum. The prerequisites for participating in this seminar are the completion of at least five undergraduate course hours with a “B” average in each course in the subject areas of preaching and sermon delivery, as well as the approval of the Director of the Baptist College Partnership Program for admission into the seminar.

2. Credit through BCPP Tests
A student may earn as many as 15 hours of graduate credit by testing through the BCPP. Qualified students must have earned at least 3 hours in an undergraduate course that corresponds to the respective NOBTS course. The earned grade must be at least a “B” for the course. Qualification for testing is determined by evaluation of each student’s individual transcript by the Director of the BCPP.

Qualified students are granted access to study guides through the BCPP office for each test. All tests are administered on a one-time “pass/fail” basis. Students who fail to attain a passing grade on any BCPP test will not be allowed to retake the test, and must take the course through either the traditional classroom, Internet, Hybrid, or workshop setting. Due to the regular revision of theses tests and the study guides that accompany them, it is the student’s responsibility to obtain the current study guide prior to taking a BCPP test. Tests are to be taken with no books or notes; strictly from memory. Students are allowed to schedule testing at their convenience. These tests are coordinated through the BCPP office (HSC 210). The cost for each test is $60/credit hour. Fees must be paid before each test attempted.

Courses for which one might be eligible to earn credit through testing include the following:
3. BCPP Language Credit

Credits in prerequisite language courses are handled differently. The BCPP initiates the process by which credit is granted (at the BCPP rate of $60/credit hour) for all prerequisite courses after the student has completed the next logical graduate level course with a final grade of at least a “B.” To earn 3 hours of graduate level language credit, a student must have earned at least 6 hours of undergraduate credit at that level (e.g., 6 hours of Introductory undergraduate credit with at least a “B” to bypass the 3 hour Introductory graduate course and enroll at the next level).

The courses that can be handled this way are:
- NTGK5300 Introductory Greek (3 hrs)
- NTGK6300 Intermediate Greek (3 hrs)
- OTHB5300 Introductory Hebrew (3 hrs)
- OTHB6300 Intermediate Hebrew (3 hrs)

4. Accreditation

Credit by testing is a privilege granted to qualified students enrolled in various Masters programs at NOBTS. As such, while being ATS accredited, these hours are nontransferable. In contrast, the ATS accredited seminar hours are transferable.

5. Special Course Needs via BCPP

Two areas of study at NOBTS that are associated with BCPP and require special handling of courses are: 1) Psychology & Counseling, 2) Christian Education. Due to strict accreditation guidelines for those in the NOBTS Psychology & Counseling program, interested students should consult first with faculty in that division (ext. 3729) to ensure that BCPP courses can indeed be applied. Likewise, due to the various constraints of the Christian Education program, students who are concentrating in this field should consult with the Christian Education Division (ext. 8105) to determine how to best apply the BCPP courses to their discipline. Students are advised to meet with their respective division faculty before continuing with the BCPP.

Though all qualifications for BCPP course work are handled through the BCPP office, all students who plan to attend a seminar or earn credit by testing must be enrolled as a graduate student at NOBTS. Exceptions are not allowed.

6. Early enrollment (as upper class student) via BCPP

Some undergraduate juniors or seniors may qualify for early enrollment in NOBTS Masters degree programs. To do so, written permission from the Dean or Registrar of their college must be submitted along with their current transcript (a student’s copy is initially sufficient). Even though enrollment in the BCPP costs nothing for the student, it is the student’s responsibility to secure his/her early enrollment at NOBTS in order to take BCPP seminars and track BCPP testing. An additional benefit for undergraduate students is that the BCPP regularly sponsors scholarship packages for undergraduate students to attend on-campus special events such as the Greer-Heard Point-Counterpoint Forum and the Defend the Faith Apologetics Conference. Students should contact the BCPP office to inquire about these scholarships.

The Master of Divinity degree is the “standard” degree in graduate theological education. The NOBTS Master of Divinity degree consists of a minimum of 83 credit hours and includes many ways for students to sculpt a course of study matching their vocational calling and needs. **Entrance Requirements**

1. Those interested in this degree should be planning to work through the North American Mission Board (NAMB) or International Mission Board (IMB) of the Southern Baptist Convention. The entrance requirements are the same as those established for enrollment in the basic Master of Divinity degree at NOBTS. Any person enrolled in the degree plan who is unable to pursue working with the NAMB or the IMB should plan on completing another degree plan since a number of courses are field based while engaged in church planting.

2. Those seeking to serve in a church plant in North America should contact the NAMB for assessment related to potential suitability for church planting. Those seeking to serve with the IMB should contact that agency to determine suitability as a potential international missionary and church planter. Enrollment in the degree plan and appointment by the IMB are separate issues.

**Additional Information**

Those interested in the degree plan may contact the Registrar’s Office of NOBTS or the office of Dr. Philip Pinckard. Phone: 504.282.4455, Extension 3224. E-mail address: ppinckard@nobts.edu.
Collegiate Ministry Track

Master of Arts (Biblical Archaeology) (Continued)

Admission Requirements and Process
Admission to the Master of Arts (Biblical Archaeology) requires the following:

1. Applicants must fulfill all the normal admission requirements for NOBTS, including the admission form, transcript, church endorsement, statement of call, medical clearance, TOEFL for international students, etc.
2. Applicants must have earned a baccalaureate degree, normally with at least a 3.0 grade point average (GPA) on a 4.0 scale, from an institution accredited by a regional accreditation agency recognized by the Council for Higher Education Accreditation or holding membership in the Association of Universities and Colleges in Canada, or the educational equivalent.
3. Applicants must have completed a total of at least 24 transcript credit hours with a grade of “B” or above in biblical studies, theology, historical studies, philosophy, and ethics. These courses should include Introduction to Old and New Testaments and Biblical Hermeneutics.
4. The Division of Biblical Studies, in consultation with the Registrar, will evaluate the transcript of the applicant. Students should evidence the interests, aptitudes, and personal qualities necessary for the particular application of this degree. Students with weak undergraduate preparation in a discipline may be required to take introductory courses or, in some cases, remedial work to insure minimum competency in that discipline. Students with strong undergraduate preparation in a discipline may be eligible for advanced standing and may therefore take advanced electives in that discipline rather than the introductory courses in that discipline. After the transcript evaluation and the approval of the Division of Biblical Studies, a faculty advisor will be assigned who will assist in the design of a plan of study tailored to meet the needs of the student.

Prerequisite Studies
Prerequisite to entry into Intermediate Greek and Hebrew courses are elementary Greek and Hebrew, and Biblical Hermeneutics at the collegiate level; thus, the student with such prerequisites would be able to go directly into advanced Greek and Hebrew exegesis courses. Applicants who cannot earn credit in elementary and intermediate Greek and Hebrew through the Baptist College Partnership Program must earn these credits prior to entry into the MA (Biblical Archaeology) program. Students who complete the MA (Biblical Archaeology) program will have earned the 12 hours each in Greek and Hebrew required for application to the PhD program in the area of Old Testament or New Testament.

Academic Requirements
The 51-hour course requirement of the Master of Arts (Biblical Archaeology) degree (as delineated above) is intended to introduce students to a broad range of theological disciplines necessary for further studies in biblical studies. A thesis is required. Students in the MA (Biblical Archaeology) must maintain at least a B average in the program. Those who do not maintain a 3.0 GPA will go on probation status after the first semester and will be dismissed after the second consecutive semester below a 3.0 average.

Thesis Guidelines
An acceptable research thesis of 75-100 pages in Turabian style must be written in the student’s area of concentration.

Thesis Proposal
1. Upon the completion of 30 semester hours of the degree program, the student will contact the Division Chair to discuss the Thesis Proposal process. The student should develop a preliminary topic for the Thesis, and the Division Chair will guide the student in determining the appropriate faculty member to work with that student as the Thesis Advisor. The Thesis Advisor will facilitate the student’s development of the Thesis Proposal and oversee the Thesis process to completion. Sample proposals will be provided to the student for reference material to assist the student in preparing a quality Thesis Proposal.
2. During the last semester of coursework (after completion of at least 45 hours), but no later than one semester following completion of coursework, the student shall present the Thesis Proposal for approval (1 hard copy and 1 pdf) to the Thesis Advisor. The Thesis Proposal must be approved by February 1 for May graduation or September 1 for December graduation.
3. The Thesis Advisor will approve the Thesis Proposal in consultation with the Division faculty and provide guidance to the student during the writing of the Thesis.
   • Upon approval of the Thesis Proposal, the Thesis Advisor must contact the Registrar’s Office to approve enrollment into the Thesis component.
   • The student will then enroll in the Thesis component. In order to maintain current enrollment in the program, the student must enroll in the Thesis component no later than the semester after the completion of coursework, with or without submission or approval of a Thesis Proposal.
4. Upon enrollment into the Thesis component, a Thesis reader will be appointed by the Division Chair to assist the Thesis Advisor in evaluating the Thesis.

Thesis Approval
1. The student should submit the following to the Office of Associate Dean of Graduate Studies no later than April 1 for May graduation and November 1 for December graduation:
   • Two plain-paper copies of the Thesis
   • An electronic copy (pdf) of the Thesis
   • A completed Thesis Fee and Order Form (The student must have on deposit in the Business Office sufficient funds to cover the indicated costs before the Thesis Fee and Order Form can be submitted.)
   • Graduation application
2. The Office of Associate Dean of Graduate Studies will send the copies of the Thesis to the Thesis Advisor, who will send one copy to the Thesis Reader. The Thesis Advisor will work with the student to generate a final approved Thesis.
3. Upon final approval of the revised Thesis, the Thesis Advisor will submit the following documents to the Office of Associate Dean of Graduate Studies no later than May 1 for May graduation and December 1 for December graduation:
   • Four final copies of the Thesis (plus any additional copies the student may have ordered on the Thesis Fee and Order Form) on 20-lb., white, 100% cotton paper. Students receive one bound copy from the 4 copies they are required to submit.
   • A completed ProQuest/UMI Dissertation/Master’s Thesis Submission Form
   • A plain paper copy of the Thesis title page and abstract for submission with the UMI form
   • Thesis Advisor Checklist
   • Thesis Review Report
   • Report of M.A. Thesis Evaluation form
4. Should a student not meet either the Thesis Proposal or Thesis Approval deadlines, the student will register the following semester for a program continuance course and will register in that course each subsequent semester until the Thesis is submitted for graduation. The
student will pay the necessary continuance fees (see Graduate Catalog for current fees). Students that do not complete their Thesis during the semester in which they are enrolled in the Thesis component will receive an "E" (extension) for that semester. The Thesis Advisor must send approval to the Registrar’s Office in order for the student to be registered for the thesis component the following semester.

5. MA students may not walk in graduation exercises without submission of the final four copies of the thesis.

NOTE: Further guidance on the Thesis process may be obtained from the Division Chair’s Office in conjunction with the Office of Associate Dean of Graduate Studies.

Master of Arts (Cross-Cultural Studies)

**Vocational Calling**
To serve in any field missions position while simultaneously developing more perfect knowledge and skill in performing cross-cultural mission tasks with excellence. The degree combines field experience with theological education by pairing agency supervisors and trainers with faculty and the student/mission worker into a developmental team. This program is designed to create a unique relationship whereby the missionary receives theological training while at the same time is immersed in a field-based missionary endeavor. This will provide a learning context which will enhance the impact of theological education in the laboratory of missions service. While the program of study is designed with the International Mission Board, other appropriate mission agencies can provide the high-quality mentors and supervisors needed in this partnership.

This degree is only available to **IMB Macedonia Project** candidates.

Applicants for the MA (Theology) degree must fulfill all the normal admission requirements for NOBTS, including the admission form, transcript, church endorsement, statement of call, medical clearance, TOEFL for international students, etc. Upon admission to the Seminary, students desiring admission to the MA (Theology) program will apply to the Theological and Historical Studies Division for admission to the MA (Theology) program. The following criteria will be used in reviewing applications for the MA (Theology) program:

- Applicants must have earned a baccalaureate degree, normally with at least a 3.0 grade point average (GPA) on a 4.0 scale, from an institution accredited by a regional accreditation agency recognized by the Council for Higher Education Accreditation or holding membership in the Association of Universities and Colleges in Canada, or the educational equivalent.
- Applicants must have completed a total of at least 24 transcripted credit hours with a grade of "B" or above in biblical studies, theology, historical studies, philosophy, and/or ethics.
- Applicants must submit a research paper on a topic in some area of theological studies for consideration by the Theological and Historical division. In some cases the division may require a personal interview with the applicant.
- Students should evidence the interests, aptitudes, and personal qualities necessary for the particular application of this degree.
- The Theological and Historical Studies Division, in consultation with the Registrar, shall determine the applicant’s suitability for admission and admit qualified candidates into the MA (Theology) program. Upon admission to the MA (Theology) program, the Theological and Historical Studies Division, will tailor a program of study for each student. Students with weak undergraduate preparation in a discipline may be required to take introductory courses or, in some cases, remedial work to insure minimum competency in that discipline. Students with strong undergraduate preparation in a discipline may be eligible for advanced standing and may therefore take advanced electives in that discipline rather than the introductory courses in that discipline.

Academic Requirements
The 57-hour course requirement of the MA (Theology) degree (as delineated above) is intended to introduce students to a broad range of theological disciplines necessary for further studies in theological research or interdisciplinary studies related to theology. Students in the MA (Theology) must maintain at least a B average in the program. Those who do not maintain a 3.0 GPA will go on probation status after the first semester, and will be dismissed after the second consecutive semester below a 3.0 average.

**Admission Requirements**

Minimum standards for entrance into the MA in Marriage and Family Counseling include the following:

**Degree Prerequisites**

The applicant must have the Bachelor of Arts degree or its equivalent from a college or university accredited by an agency related to CHEA.

**Major Area of Study**

Either during or following the completion of the BA degree (or its equivalent), 18 semester hours of undergraduate or graduate study in the social sciences is required, with a minimum GPA as described below. (Students who have not completed this course work prior to the application deadline may enter the MDiv Counseling Program, assuming other related requirements are met, and take the necessary course work to comply with this requirement. However, the completion of this course work does not guarantee that a student will be admitted to the MAMFC degree program.

**Scholarship and Graduate Record Examination**

The applicant must have a minimum undergraduate or graduate GPA of 2.75 on a 4.0 scale or its equivalent (the graduate GPA is based on a minimum of 30 graduate semester hours) and GRE scores as outlined above (GRE scores must be less than 5 years old).

**Conditional Acceptance to the MAMFC**

If the combined score of the 4 components is lower than “-3” a student may be accepted “Conditionally” to continue in the application process for the program. Upon successful completion of the psychometric tests and the Departmental Interview, and upon recommendation of the Department, the student may proceed in the MAMFC degree program as a Candidate. To remain in the MAMFC degree program, the student must maintain a 3.0 GPA (overall). If the overall GPA drops below a 3.0, the student will be transferred to one of the MDiv specializations in Counseling (licensure track or non-licensure track). Students who wish to be admitted to NOBTS and have not yet taken the GRE should apply to NOBTS under the M.Div in Counseling (licensure track or non-licensure track). After completing the GRE and meeting all requirements, the student may transfer to the MAMFC program.

**Departmental Entrance Interview**

The final step in the application process is the departmental interview. A satisfactory interview with the Admissions Committee from the Department of Psychology and Counseling is required for admission.

Interviews are scheduled only after all application requirements are submitted. Once a completed application has been received by the Seminary and forwarded to the Psychology and Counseling Department, an interview will be scheduled with one of the department faculty members. This interview may be waived at the discretion of the committee for students who have been enrolled in other NOBTS graduate counseling curriculums for at least one year.

**Application Process**

- Request an application for admission from the Registrar’s Office and return completed form and all requested references to that office.

- Request that all transcripts of college, university, and Seminary work be forwarded to the Registrar’s Office, if those have not been filed there previously.

- Forward your GRE scores to the Registrar’s Office.

- When the requirement of at least a -3 points on the point system chart is met for the GRE and GPA, the applicant will be invited to schedule and complete all required psychometric tests with the Testing and Counseling office. Psychometric tests are valid for six months. Departmental interview must take place within six months of MAMFC testing.

- After the completion of the prior 4 steps, call the Psychology and Counseling Department and request that the completed application be reviewed and an interview scheduled. After the Admission Committee has reviewed the materials, the Psychology and Counseling Department will contact the student to schedule an interview. Materials must be received in a timely manner to allow for review and scheduling of the interview.

- Pass the entrance interview conducted by the Admissions Committee of the Department of Psychology and Counseling. The interview must be completed prior to the approval deadline.

- The deadlines for completion of the application process for both Spring and Fall semester registration are as follows (admission to the MAMFC is available only at the beginning of each semester):
  - Fall Semester Entrance Approval Deadline is August 1**
  - Spring Semester Entrance Approval Deadline is December 15**

** These deadlines apply to new and existing students requesting a degree change.

Master of Arts in Missiology (Continued)

PhD Eligibility
Students who complete the degree requirements of the MA in Missiology must also meet all of the application requirements for a PhD at NOBTS with a major in missions. Prior to application, applicants must have completed a minimum of 8 semester hours of master's-level Greek and 8 semester hours of master's-level Hebrew (for NOBTS students these courses would include NTGK6300 Intermediate Greek Grammar and OTHB6300 Intermediate Hebrew Grammar); and 9 semester hours of German, French, or Latin. Details are given in the NOBTS Graduate Catalog under Admission Requirements for the Doctor of Philosophy degree.

Academic Requirements
The 49-hour course requirements of the Master of Arts in Missiology are intended to introduce students to a broad range of missiological and theological disciplines necessary for further studies in missiological research or interdisciplinary studies related to missiology. Students in the MA in Missiology must maintain at least a B average in the program. Those who do not maintain a 3.0 GPA will go on probation status after the first semester and will be dismissed after the second consecutive semester below a 3.0 average.

Enrollment in Degree Plan and Graduation
It is preferred that an individual be accepted into this degree plan at least one semester before anticipated graduation when transferring from another degree plan at NOBTS. This will help provide guidance to a student in suitable course selections for the conclusion of the degree plan.

Inactive Status
Missionaries serving with a mission-sending agency such as the IMB of the SBC may apply for an inactive status for the degree plan by notifying the Registrar's Office in writing if they do not want to take courses for the degree plan while on the mission field.

Admission Requirements
Admission to the Master of Arts in Missiology requires the following.

• Applicants must fulfill all the normal admission requirements for NOBTS, including the admission form, transcript, church endorsement, statement of call, medical clearance, TOEFL for international students, etc.
• Applicants must have earned a baccalaureate degree, normally with at least a 3.0 grade point average (GPA) on a 4.0 scale, from an institution accredited by a regional accreditation agency recognized by the Council of Higher Education Accreditation or holding membership in the Association of Universities and Colleges in Canada, or the education equivalent.
• Applicants may apply for acceptance to pursue the Master of Arts in Missiology upon approval for admission to the Seminary. The application forms will be available through the Registrar's Office.
• In some cases the missions admissions committee and/or the Pastoral Ministries Division may require a personal interview with the applicant.
• Applicants must submit to the Seminary a sense of call to ministry that includes cross-cultural sharing of the gospel in some type of missions setting in a three- to five-page typed essay.
• Each applicant should demonstrate in a written form that he or she has completed a minimum of two years in missionary service or has plans to complete a minimum of a two-year cross-cultural missions assignment. This may come through verification of a mission-sending agency or a written explanation of present or future ministry goals that include cross-cultural evangelism and missions ministry verified by an outside source such as a missions agency or local church.
• The missions admissions committee, in consultation with the Registrar, will evaluate the transcript of the applicant. Students should evidence the interests, aptitudes, and personal qualities necessary for the particular application of this degree. Students with strong undergraduate preparation in a discipline may be eligible for advance standing and may therefore take advanced electives in that discipline rather than introductory courses in that discipline. After review of the transcript and cross-cultural ministry essay, the missions admissions committee will weigh these factors and approve those accepted for this degree plan. Applicants accepted into the degree plan will be assigned a faculty advisor to design a plan of study tailored to the needs of the students and guide them in their course of study. The student will be expected to cooperate with the advisor to complete degree requirements.
• Applicants will have two years to complete the admissions process. Failure to complete the process within two years will necessitate going through the admissions process again.

In some cases the missions admissions committee and/or the Pastoral Ministries Division may require a personal interview with the applicant.

Master of Arts in Worship Ministries
(Continued)

Admission Requirements
Admission to the Master of Arts in Worship Ministries requires the following:
• Applicants must fulfill all the normal admission requirements for NOBTS, including the admission form, transcript, church endorsement, statement of call, medical clearance, TOEFL for international students, etc.
• Applicants must have earned a baccalaureate degree from an institution accredited by a regional accreditation agency recognized by the Council for Higher Education Accreditation or holding membership in the Association of Universities and Colleges in Canada, or the educational equivalent.

Academic Requirements
The 42-hour course requirement of the Master of Arts in Worship Ministries degree is intended to introduce students to Christian worship in its biblical, historical, and theological dimensions. This two-year program of study offers a curriculum of basic ministry courses combined with specialized worship offerings. The Common Worship Core blends academic study with practical ministry courses to prepare students for worship in the 21st century. Three optional Tracks (Music, Guided Ministry Practicum, and Elective) complete the curricular offerings.

Music Track
Proficiency Examination
Each MAWM student on the music track must pass the Applied Music Proficiency Examination consisting of voice and either keyboard or guitar. Requirements may be obtained in the Church Music Ministries Division Office. This requirement may be waived for students who have earned a baccalaureate music degree from a fully-accredited institution of higher education.

Local Church Ministry Involvement
It is expected that the MAWM Guided Ministry Practicum Track student will be involved in some capacity of leadership in the worship ministry of a local church during each of the semesters he/she is enrolled. The position may be volunteer or paid and can be any position designated by the church as a worship ministry role.

PhD or DMin Eligibility
Students who complete all the degree requirements of the MA in Worship Ministries need to have the equivalent of a Master of Divinity degree in order to be eligible to apply to the PhD or DMin program at NOBTS.
Other Master’s Degrees

In addition to the Master of Divinity degree and various Master of Arts degrees, our graduate program offers other master’s degrees. These other degrees vary in purpose and academic plan from the MDiv and MA degrees. The Master of Theological Studies (MTS) degree provides foundational preparation for students interested in biblical and theological study but not in future doctoral work. The Master of Music in Church Music (MMCM) degree offers concentrated study for students who desire to serve in the music ministry of churches and denominational agencies, as well as in missions. The Master of Theology (ThM) degree prepares students for further graduate study at the doctoral level and for teaching, research, or writing at a scholarly level.

However, the MTS is normally not deemed sufficient for admission to DMin or PhD programs without additional graduate work. Those called to engage in full-time pastoral ministry and those interested in future enrollment in the DMin or PhD degrees are encouraged to seek the MDiv degree.

Master of Theology (Continued)

- For a student who completes the degree, up to two research doctoral seminars completed with a grade of "B" or above may be eligible for doctoral program credit, should the student be admitted to a research doctoral program and if permission is granted by the Research Doctoral Oversight Committee.

**Thesis Process**
- During the first semester of the program, the student should be in dialogue with the chairperson of the division regarding a possible thesis direction and Thesis Advisor. The Director of the Master of Theology Program, in consultation with the division chairperson, will appoint the Thesis Advisor in accordance with the proposed area of research.
- During the semester before the writing of the thesis and thesis registration, the student should work with the Thesis Advisor to develop a Thesis Proposal. The Thesis Proposal should include the following components:
  - Thesis Statement
  - Hypothesis
  - Review of Literature
  - Description of Research Methodology
  - Selected Bibliography

The Thesis Proposal is normally no longer than 20 pages, not counting the bibliography.
- The student should audit RDOC9303 Prospectus Development during a January or June doctoral miniterm.
- The Thesis Advisor will work with the student to present the Thesis Proposal to the Research Doctoral Oversight Committee for review.
- Final approval of the Thesis Proposal by the Thesis Advisor must be secured by the last day of the semester prior to the first semester of thesis registration.
- Three plain-paper copies of the thesis must be submitted to the Director of the Master of Theology program by the April 1 or November 1 deadline prior to graduation.
- Appropriate thesis and diploma fees must be paid at the time of submission.
- A Thesis Review Committee shall be composed of the Thesis Advisor, one faculty member in the major area, and one faculty member outside the major area (appointed by the Director of the Master of Theology Program).
- Four corrected final copies (on white, 20 lb., 100% cotton paper, unbound) must be submitted no later than 10 days prior to graduation.

**ThM Courses**
ThM course work is at an advanced level, either in ThM courses or in doctoral seminars. (Most ThM courses are designed around a core MDiv course. Thus, students normally attend the MDiv course meetings. ThM courses require additional or lengthier assignments, particularly in research and writing.) See the MDiv section of the catalog for course descriptions of parallel courses.

Doctoral Degrees

Our seminary offers a variety of professional and research doctoral degrees. While both types of degrees facilitate the academic preparation of students beyond the master’s degree level, each type has a distinct degree program and purpose, as explained in the introduction to each doctoral degree within this Catalog.

Doctoral Degrees Offered

- Doctor of Educational Ministry
- Doctor of Ministry
- Doctor of Education
- Doctor of Musical Arts
- Doctor of Philosophy
Thank you for examining the Professional Doctoral portion of the catalog. In this section, you will find information on entrance requirements, curriculum, and specific aspects of the administration of the Professional Doctoral Degree Programs. If you are interested in a fully accredited Doctor of Ministry or Doctor of Educational Ministry degree, we hope you will prayerfully consider doing your study at NOBTS. We are excited about the record number of students that God is sending us. Above all, our aim is to equip students to lead healthy churches. We attempt to do this by providing learning opportunities for students with the goal of raising their ministries to a higher level of excellence. We are committed to making our program as relevant, challenging, and accessible as possible. Please do not hesitate to contact any of us in the Professional Doctoral Programs Office for any additional information that you may need, or visit our website at www.nobts.edu/cme.
PROFESSIONAL DOCTORAL PROGRAMS

Doctor of Ministry
and
Doctor of Educational Ministry

DMin/DEdMin Purpose
The Doctor of Ministry (DMin) and the Doctor of Educational Ministry (DEdMin) are professional degrees accredited by the Association of Theological Schools (ATS) and designed to provide qualified students the opportunity to achieve a high level of excellence in the practice of ministry. The degrees are built on respective prerequisite master’s degrees or equivalent theological preparation, high intellectual achievement and professional capability, and three years of substantial professional experience in ministry between the completion of a theological master’s degree program and application for the professional degree program.

The Doctor of Ministry (DMin) degree requires an ATS-accredited Master of Divinity (MDiv) degree or equivalent theological preparation. The DMin program normally requires three to five years of study beyond the master’s degree. The Doctor of Educational Ministry (DEdMin) degree requires the Master of Religious Education (MRE), Master of Arts in Christian Education (MACE), or equivalent theological preparation. The DEdMin program normally requires four to six years of study beyond the master’s degree.

Components of both programs include a combination of workshops, seminars, and a ministry project designed to meet a specific need in the student’s ministry context. A formal written Project Report is required. For seminars, and a ministry project designed to meet a specific need in the student’s ministry context. A formal written Project Report is required. For seminars, a health certificate and immunization form • a statement of church support • an autobiographical essay and photo of applicant submit the following, as indicated in the application packet:

Step #1: The applicant must complete an Inquiry Form on the ProDoc website or from the Office of Professional Doctoral Programs reflecting:
• the prerequisite master’s degree (MDiv for DMin, MRE or MACE for DEdMin) from an ATS-accredited school, or its equivalent
• a 3.0 out of 4.0 GPA (2.0 out of 3.0)
• 3 years of substantial post-master's degree ministry experience (See Professional Graduate Certificates in Ministry and Educational Ministry for exceptions)
• an official transcript, submitted at this time to verify the above requirements.

Step #2: Upon receiving a formal application packet, the applicant must submit the following, as indicated in the application packet:
• an autobiographical essay and photo of applicant
• a statement of church support
• a health certificate and immunization form
• personal, professional, and academic references
• verification of Internet/e-mail capability
• verification of English language requirements (foreign students only) as outlined in the section for “International Students”
• all college-level-or-above transcripts, plus a $25 application fee.

Step #3: Upon receiving the applicant’s completed application, the director of the DMin program or director of the DEdMin program will schedule an interview with the applicant.

Step #4: Upon receiving notification of acceptance into the program, the applicant must complete any additional requirements specifically related to his or her specialization (if any).

A DMin and DEdMin Handbook is available on the ProDoc website. Students are required to read the entire handbook for the Program Overview and Research Writing course. The student is responsible for checking for periodic updates of the handbook that are posted on the website. If the student does not begin work toward his or her program requirements within a year from the date of approval, a new application must be processed.

Probational Admission
At the discretion of the ProDoc, applicants having a 2.75-2.99 on a 4.0 scale (or 1.75-1.99 GPA on a 3.0 scale) may be considered for probationary enrollment upon demonstrating academic potential by scoring 150 or more on the verbal section of the Graduate Record Exam (GRE). In addition, a 4.0 score is required on the written analytical section. The institutional code for New Orleans Baptist Theological Seminary is 6472.
Probational enrollment will be considered primarily upon demonstration of evidence that the applicant’s low GPA was due to extenuating circumstances. Probationary candidates must make a “B” or better in each of their first three seminars to remain in the program.

**Denial of Admission**
An applicant who is denied admission to a professional doctoral program must wait at least one year to reapply and must meet all requirements which have been implemented in the intervening time period.

**Special Circumstances**

**MDiv or MRE/MACE Equivalency**
Students desiring to pursue a professional doctoral degree whose master’s degree is not the required ATS prerequisite degree may consider doing equivalency work in order to qualify for a program. All equivalency work must be satisfied completely before an application to a professional doctoral program can be considered. The successful completion of the equivalency program does not guarantee admission into the professional doctoral program.

Individuals desiring to pursue the DMin program whose seminary degrees were either the MRE, MACE or equivalent normally must earn additional credit hours in biblical, theological-historical, and pastoral studies. Individuals desiring to pursue the DEdMin program who hold education degrees other than an ATS-accredited MACE, MRE, or equivalent normally must earn additional credit hours in basic ministerial and Christian education courses. Prospective applicants should always first contact the ProDoc office to inquire about the various possibilities for attaining equivalency.

**Drop/Add Policy**
Students may drop and/or add courses up to thirty (30) days after the registration deadline for the fee stated in the current Graduate Catalog. No courses may be added after that time. Courses may be dropped from 30 to 60 days after the registration deadline with a forfeiture of 50% of tuition per course. Any changes made in registration status after 60 days from the registration deadline will result in forfeiture of 100% of tuition per course. All requests for changes in registration status must be made by completing the Drop/Add Form and submitting it in writing to the Office of Professional Doctoral Programs. The form must be received by the aforementioned deadlines.

**Continental Enrollment Status**
ALL students enrolled in a professional doctoral program MUST register online each trimester regardless of their status. A late fee will be assessed for any student who does not register. Students who are not registering for at least one workshop or seminar or who are not working on their Project in Ministry must register as Continual Enrollment students. Students are allowed to register for Continual Enrollment status for no more than two consecutive trimesters before they either must register for some component of their program, register for Program Delay status, or request Inactive status from the ProDoc. No fee is charged for Continual Enrollment status.

**Program Delay Status**
Students who have been accepted into one of the programs automatically attain active status. Active status is maintained by registering for at least one workshop or seminar per year and by paying the appropriate fees. If a student plans not to register for at least one workshop or seminar per year, he or she must register for Program Delay and pay a per trimester Program Delay fee (see Student Fees page in this Graduate Catalog). If a student fails to register for such status and does not register for at least one workshop or seminar per calendar year, the per trimester fee will be charged to his or her account automatically. The student’s program limit continues to be tracked during the Program Delay period.

**Inactive Status**
Students who have extenuating circumstances which demand Program Delay status for an indefinite period of time must appeal to the ProDoc for Inactive status. If the request is approved, the Program Delay fee will be waived for up to one year. The ProDoc will review the student’s status on an annual basis. As long as the Committee determines the Inactive status is justified, the student may reactivate his or her program as circumstances permit. No fee is charged for Inactive status. Trimesters on Inactive status do not count toward the student’s program limit.

**Nondegree Status**
Students who hold a master’s degree from a theological institution accredited by ATS in the United States and Canada, but who do not wish to apply for admission to a doctoral program, may apply to take one seminar as a nondegree student. Nondegree students may be admitted to one Professional Doctoral seminar provided they have met the following requirements: (1) a grade point average of at least 2.75 (on a 4.0 scale) on all previous seminary work and (2) the completion of all prerequisites for the seminar. Nondegree students may not take workshops or directed study seminars. Master’s hours earned for equivalency by taking Professional Doctoral seminars can never be used to meet doctoral requirements.

**International Students**
Applicants whose primary spoken language is not English must fulfill one of the following options as part of the application process to the Professional Doctoral Programs:

**Option 1:**
- Students whose native language is not English must take the Test of English as a Foreign Language (TOEFL), which is administered through Educational Testing Service (www.ets.org). Below are minimum scores for admission approval for each testing format. The minimum score for consideration is 550 on the Paper-Based Test, 213 on the Computer-Based Test, or 80 on the Internet-Based Test. The minimum score for the writing section is 3.5.

  The TOEFL must be taken prior to the Admissions Council granting admissions approval. The institutional code for New Orleans Baptist Theological Seminary is 6472.

  - Pass the NOBTS English Entrance Exam. (This exam is offered during orientation each January and August.)
  - All test scores must be within 2 years.

**Option 2:**
- Completion of an appropriate master’s degree at NOBTS (or an accredited U.S. institution).
- TOEFL scores are normally required as part of the evaluation of the applicant.

**Course Credit for Chaplain’s Captain Career Course**
For chaplains who qualify for the Doctor of Ministry program, course credit can be earned for the Chaplain’s Captain Career Course. Validation of completion of the Captain Career Course is required through presentation of course syllabi plus evidence of completion. For the purpose of degree requirements, a student given this designation must first take the Program Overview and Research Writing Workshop and at least one seminar in their first trimester of course work. Credit for the Captain Career Course is not to exceed nine hours, or 3 seminars, of the 18 required seminar hours. Students must determine how to count their “for credit” courses, either as Divisional seminars, or Specialization seminars, prior to registration for the Project in Ministry Design Workshop.
The Captain Career Course credit hours will be charged to the student account at the current NOBTS rates for SBC and/or non-SBC students.

**Clinical Pastoral Education**

Students who qualify for the Doctor of Ministry Program and have completed level 2 training or higher can earn credit for the Clinical Pastoral Education Course. While the DMin does not offer a clinical pastoral track, students may specialize in one of the standard DMin tracks or may specialize in pastoral counseling, and then complete a project in the field of clinical education. Validation of completion of the Clinical Pastoral Education is required through Certificate of Achievement and Evaluation.

For the purpose of degree requirements, a student given this designation must first take the Program Overview and Research Writing Workshop and at least one seminar in their first trimester of course work.

**Credit Transfer**

Credit for the Clinical Pastoral Education (CPE) is not to exceed six hours, or two seminars of the 18 required seminar hours. Students must determine how to count their “for credit” courses, either as Divisional seminars, or Specialization seminars, prior to registration for the Project in Ministry Design Workshop. Students may use the following CPE courses as Pastoral Counseling Specialization Seminars or as Pastoral Ministry Divisional Seminars. Students may transfer in one or two of the following courses:

- PMPE8300 Clinical Pastoral Education 1
- PMPE8301 Clinical Pastoral Education 2

**Tuition**

The Clinical Pastoral Education credit hours will be charged to the student account at the current NOBTS rates for SBC and/or non-SBC students. The students will be charged “full tuition” for the courses they are transferring.

**Extension Center Locations**

In addition to the New Orleans campus, seminars will be offered at the following locations, via on-site professors and/or Compressed Interactive Video (CIV):

- Marietta, GA
- Duluth, GA
- Jonesboro, GA
- Warner Robins, GA
- Birmingham, AL
- Montgomery, AL
- Nashville, TN
- Spartanburg, SC
- Orlando, FL
- Pensacola, FL
- Jacksonville, FL
- Tallahassee, FL
- Little Rock, AR
- Monroe, LA
- Shreveport, LA
- Olive Branch, MS
- Beaumont, TX
- Oklahoma City, OK

Students should view the current ProDoc schedule on the ProDoc website for locations offered.

**Specializations**

Students may choose any number of specialization tracks in order to design their doctoral program for a particular ministry context or goal. Ongoing specializations are selected divisional and inter-divisional emphases offered on a regular basis. Current offerings can be obtained from the ProDoc website or from the ProDoc office. The Expository Preaching specialization requires a student to have had 3 hours of Greek plus 3 hours of Hebrew or 6 hours of Greek or 6 hours of Hebrew. User-driven specializations allow students to make requests for specializations not listed as regular offerings through the ProDoc office. Every effort will be made to provide the requested specialization.

The non-specialization track enables students to take their specialization seminars from any division as part of a general studies track.

### Course Load and Duration

Professional Doctoral students are considered full-time no matter how many seminars or workshops the student is taking. Students may take no more than 8 hours maximum per trimester, excluding the Professional Development component in the DEdMin program. A full 8-hour load normally would be comprised of one workshop and two seminars during a trimester. Time extensions and/or accelerations beyond the normal 3-5 years for the DMin and 4-6 years for the DEdMin, as well as course load exceptions, may be granted for students with extenuating circumstances.

### Delivery System

The Professional Doctoral Programs are conducted according to three trimesters per year. The Winter Trimester runs November-February, the Spring Trimester runs March-June, and the Fall Trimester runs July-October.

Courses are conducted in a variety of delivery formats, largely in two to four day formats. Periodically, Special Event Seminars are offered in conjunction with selected campus and off-campus events. The delivery format for each course is noted on the course schedule for each year or can be found on the ProDoc website.

### Curriculum Description

Each workshop and seminar will have advance assignments which, in most cases, are communicated to students at least 60 days before the scheduled meeting time. Assignments are practical and ministry oriented, reflecting the practice of ministry in the respective field. The meetings are designed to be practical, ministry oriented, and interactive. All research writing during the student’s program, including the Project Report, must be prepared according to the latest edition of the program handbook approved by the faculty; *A Manual for Writers of Term Papers, Theses, and Dissertations* by Kate Turabian; and *A Manual of Style* (University of Chicago Press).

### Course Syllabi

In most cases, course syllabi will be posted on the ProDoc website by the beginning of each trimester. Many assignments are often due before the seminar begins. Therefore, as soon as possible, the student should examine the syllabi and begin working on pre-seminar assignments.

### Workshops, Seminars, and Residency Requirements

The workshops are designed to provide students with selected ministry assessment opportunities and personalized guidance in their programs. Workshops are led by the ProDoc faculty and involve students in independent study, group discussions, presentations, and one-on-one dialogue. All workshops must be completed in the order listed in the program requirements above.

Seminars are designed to lead students to wrestle with contemporary ministry issues in dialogue with the various theological disciplines. Most seminars are taken concurrent with the workshops and may be completed in any order. All seminars must be completed prior to or concurrent with the completion of the Project in Ministry Design Workshop. If enrollment in a seminar is below the minimum established by the ProDoc, those students who have enrolled will be notified regarding alternatives.

No more than one-half of the student’s seminars may be transferred credits from another institution or taken as Directed Study Seminars (independent of on-campus meetings under the direction of an elected faculty member), Specialized Directed Study Seminars (customized individual study under a faculty member that is distinct from any currently offered seminar), or Special Event Seminars. Requirements for Directed Study Seminars are commensurate with those in Campus Seminars (including assignments which compensate proportionately for class time). Registration and assignment deadlines also correspond with those of Campus Seminars in the same trimester.

Course descriptions for all workshops and seminars can be found at the end of this section. A list of specific offerings for upcoming trimesters can be obtained from the ProDoc Office or the ProDoc website.

### Guidance and Evaluation

#### Course Work

Workshops and seminars are conducted by faculty members and/or other qualified professionals. Students will receive either a “Pass” or “Fail” assessment for workshops. Students will be assigned letter grades “A” through “F” for seminar performance. No seminar grade below a “B” will count toward degree requirements. Students making a grade of “C” or below must consult with the Associate Dean of Professional Doctoral Programs. Two seminar grades of “C” or below will result in the student’s dismissal from the doctoral program.
Project Supervision
Prior to beginning the Project in Ministry Design Workshop, the student will enlist a Faculty Mentor who will assist him or her in the development of both the Preliminary and Final Project Proposals. The Faculty Mentor also will provide guidance and accountability during project implementation, assist the student in analyzing and articulating implications for theological and ministerial leadership in the Project Report, and guide the student in writing a high-quality Project Report, both in content and in form. The Faculty Mentor will be assisted at various points in the project by a Field Mentor and by selected Faculty Readers. Specific roles of each of these persons are delineated in the respective program handbook.

Program Costs
Tuition
See Student Fees page in the Graduate Catalog.

Housing/Food
Students are responsible for arranging housing and meals during workshops and seminars. Housing is available on the New Orleans campus through the Providence Guest House: 504.944.4455. Meals are available at the River City Cafe and Cafe New Orleans, located on the New Orleans campus.

Books/Materials
The cost of books and/or other materials for each workshop or seminar will vary. After receiving the syllabus for each workshop and seminar, students may acquire textbooks from the LifeWay Book Store on the NOBTS campus (504.282.2626) or by ordering from online bookstores.

Project in Ministry
Purpose
The purpose of the Project in Ministry is to develop the student’s ministry skills and to provide ministry benefits to the participating church, agency, or institution and the larger Christian community. The project experience aims to enhance both the student’s personal ministry skills and those germane to his or her specific ministry context. Consequently, the student must have been in his or her current ministry position at least one year prior to registering for the Project in Ministry Design Workshop, and the student must remain in that position throughout the duration of the project. Specific guidelines for each part of the Project in Ministry are provided in the respective program handbook.

Project Report
The Project Report is the final document describing the ministry project and its results, written upon completion of the ministry project in close consultation with the Faculty Mentor. The Project Report is more than a mere recapitulation of the Final Project Proposal but includes insights learned in the process of the ministry project.

Evaluation and Eligibility for Graduation
Students anticipating December graduation must turn in their Project Reports by September 15, and students anticipating May graduation must turn in their Project Reports by February 15. The Project Report is submitted to the ProDoc Office. The Project Report will receive a grade of Fail, Low, Satisfactory, or High. If the project receives a Low, Satisfactory, or High evaluation, the Faculty Mentor and Readers will conduct an Exit Interview with the student at least one month before graduation. The Faculty Mentor will report the evaluation of the Project Report and the Exit Interview to the ProDoc Office. Students who do not fail the Project Report and/or Exit Interview are eligible for graduation. The readers may recommend changes (stylistic or content) to be made in the Project Report before it is placed in the library. Students whose reports fail will be asked to meet with the Faculty Mentor and ProDoc Administrators to determine a plan for completion of the degree program.

Enrollment and Registration
Once accepted into the EdD program, a student should begin his or her program of studies and enroll for seminars in the next regular semester. All requests for changes in registration must be made in writing to the Doctor of Education office and must be received by the appropriate deadlines.

All students enrolled in a doctoral program MUST register online each semester regardless of their status. The only exception to this policy is the first semester. A student registers by paper forms the first semester and registers online every semester thereafter. A late fee will be assessed for any student who does not register by the deadline. Students who are not registering for at least one seminar or workshop or who are not working on their dissertation must register as Continual Enrollment students. Students are allowed to register for Continual Enrollment status for only two consecutive enrollment periods (two semesters or a summer and one semester). Students who expect to be out of the program longer than two registration periods must register for Program Delay status, or request Inactive status from the EdD program. Only the registration fee will be assessed.
Program Delay Status
Students who have been accepted into the program automatically attain active status. Active status is maintained by registering for at least one workshop or seminar per year and by paying the appropriate fees. If a student plans not to register for at least one workshop or seminar per year, he or she must register for Program Delay and pay a per-semester Program Delay fee (see Student Fees page in this Graduate Catalog). The student’s program limit continues to be tracked during the Program Delay period.

Registration Schedules
Registration for program elements and summer seminars is done through the EdD office and SelfServe. Students taking 9000 level courses will register on the research doctoral schedule. Students in the “Ministry Leadership” major who choose to take 8000 level courses will register during the open registration periods in the professional doctoral program (Fall: June 1-15, Winter: October 1-15, and Spring: February 1-15).

Faculty Guidance
At the time of admission to the Doctor of Education program, a faculty advisor from the EdD faculty will be assigned to serve as a resource person to the student concerning program matters and to guide the student through the residency stage. Upon submission of the letter of intent, students will be assigned a faculty member to chair a two-member guidance committee for the senior residency and candidacy stages of the program.

General Policies
• Persons seeking the doctorate need to be highly motivated scholars.
• All entering doctoral students in EdD degree programs must register for Introduction to Doctoral Research and Writing during their first year in the program. Students who have not completed a course on the SBC and Cooperative Program will be registered for COOP9000 in the first semester of course work.
• All doctoral students must secure and maintain an e-mail address throughout the program.
• The Doctor of Education is a residential program with courses normally offered on the main campus. Students should plan to spend minimally one full day in research weekly for each seminar. Thus, a student taking two seminars should be engaged in research minimally two full days weekly. Allocation of the necessary time in research is subject to review by the student’s guidance committee. A reduced course load may be recommended or required.
• No seminar grade below “B” (3.0) will count toward degree requirements. Students making a grade of “C” or below must consult with their faculty advisor. Two seminar grades of “C” or below will result in the student’s dismissal from the doctoral program.
• Students may be required to remove deficiencies in their preparation by taking for-credit courses from the master's-level curriculum. In any case, students are encouraged to audit master’s-level classes in their field.
• EdD students are expected to attend all class sessions. Students may drop an EdD block-scheduled seminar or other course before the second class meeting. A colloquium may be dropped before the Friday preceding the course meeting date. A class meeting is defined as one half-day session. To drop a course, students must contact the Office of the Doctor of Education Program.
• The period allowed for the completion of the EdD program is seven years from initial registration.

Manual for the Doctor of Education Program
Following acceptance into the doctoral program, students should download a copy of the Manual for the Doctor of Education Program from the EdD area of the seminary website (www.nobts.edu/edd). This manual is the official handbook for the Doctor of Education program. It includes information on current procedures and policies. Students are notified of updates as appropriate. Students should frequently consult the online EdD manual for changes each academic year.

Directed Study
A directed study provides a unique opportunity for a student to work one-on-one with a professor. In order to register for a directed study, the student should seek permission from the Doctor of Education office after consulting with the desired faculty guiding the directed study.

The following are general dates for program components. Contact the EdD office for specific dates in the EdD program for the upcoming academic year.

Dissertation submission/Application for graduation......Oct. 1/Mar. 1
Research proposal submission........................................ Nov. 1/Apr. 1

Nondegree students may be admitted to one doctoral seminar provided they have met the GPA and GRE requirements and the degree prerequisites for the major in which they plan to take the seminar.

In addition, students must complete all prerequisites for the seminar. The Doctor of Education Oversight Committee must give a positive recommendation. The seminary is under no obligation to accept the credit earned by a nondegree student as credit toward any doctoral program should the student decide to apply for doctoral work at a later time.

Visiting Student
A student who is enrolled in a doctoral program at another accredited seminary, college, or university may enroll in doctoral seminars for credit or audit at New Orleans Baptist Theological Seminary as a visiting student. See requirements for visiting students under the Research or Professional Doctoral Programs in this catalog.
Financial Assistance
Financial aid is available for current and new NOBTS students. Interested persons should contact the Financial Aid Office directly, at financialaid@nobts.edu.

Teaching and Research Assistantships
A limited number of teaching assistantships are available on a regular basis. Duties include grading and limited teaching opportunities. Interested persons should contact individual professors or the chair of the division in which the student wishes to work. Research assistantships are available as required by the research projects of the faculty. After the successful completion of oral proficiency exams, the EdD student may seek co-teaching opportunities through the Doctor of Education office.

Research Fellowships
NOBTS sponsors several research institutes, such as the Center for Discipleship and Spiritual Formation, the Baptist Center for Theology and Ministry, the H. Milton Haggard Center for New Testament Textual Studies, the Youth Ministry Institute, and the Leavell Center for Evangelism and Church Health. Employment opportunities are available for EdD students based on the needs of the research institutes. Interested persons may contact the directors of the various institutes.

Dissertation Requirements
Doctoral candidates must write a dissertation that demonstrates the candidate's ability to do independent and original research, mastery of a research methodology, competency to report logically the results of the research, expertise in presenting the research in acceptable style, and contribution to the academic discipline. A dissertation in EdD represents both research methodology and practical application. The dissertation may contain no less than 25,000 words nor more than 50,000 words, unless otherwise authorized by the student's guidance committee.

The approval of a dissertation topic goes through several stages:
- Approval of a research proposal by the Doctor of Education Oversight Committee
- Completion of RDOC9303 Prospectus Development
- Review of a prospectus by the EdD guidance committee and the Doctor of Education Oversight Committee.
- The dissertation may be presented no less than four months following approval of a prospectus by the guidance committee. Students are required to use the style guides approved by the seminary faculty.

If the dissertation is rejected following an unsatisfactory dissertation defense and if the guidance committee looks with favor upon its resubmission, a period of three months must elapse before it may be presented again. The student would register as a writing candidate and pay full tuition.

If the dissertation is rejected for form, style, and/or minor content reasons following a satisfactory dissertation defense and if the guidance committee looks with favor upon its resubmission, the dissertation may be presented again no sooner than two months after the dissertation defense and no later than two months prior to the anticipated graduation date.

Four plain-paper copies of the completed dissertation (unbound in four separate boxes) as well as the Dissertation Fee and Order Form and the Graduation Application must be submitted to the Doctor of Education office by the March 1 or October 1 deadline. Appropriate dissertation and diploma fees must be paid at the time of submission.

Dissertation Publication
Following the dissertation defense, four copies of the final, corrected document as approved by the guidance committee must be submitted on white, 20 lb., 100% cotton paper, unbound, in four separate boxes, through the guidance committee chairperson to the Doctor of Education office no later than two weeks prior to graduation. Copies must be accompanied by the UMI Publishing Agreement forms (including the copyright authorization portion). For details, students should follow the UMI Doctoral Dissertation Agreement Form link on the Program Materials page of the Doctor of Education Program area of the seminary website.

Requirements for Graduation
In order to graduate from the seminary, students must meet all academic requirements set forth in this catalog, settle all financial obligations to the seminary, and maintain high standards of moral and ethical conduct. The faculty or any appropriate committee of the faculty may at any time advise the President that a student evidences spiritual, ethical, emotional, psychological, or attitudinal deficiencies which, in the judgment of the faculty, disqualify the student for continued study at the seminary. The student may appeal this determination to the President. The decision of the President shall be final.

Participation in graduation exercises is required of all students unless permission is granted to graduate in absentia. Requests for permission to graduate in absentia should be made in writing to the Registrar. Permission is granted only in emergency cases.

Degree Prerequisites
Applicants must have a bachelor's degree in music and a Master of Music in Church Music degree or the equivalent from an institution accredited by National Association of Schools of Music/Association of Theological Schools in the United States and Canada. Applicants having a master's degree may lead to oral and/or written placement/proficiency examinations in any specified areas of music and music ministry study.

Applicants must have a minimum of two years of substantial experience in church music leadership positions, and if required, satisfactorily complete entrance examinations.

Graduate Record Examination
Applicants must take the Graduate Record Examination (GRE) verbal, quantitative, and analytical writing tests. Scores can be no older than 5 years.

Research Paper
The applicant must submit a graded research paper from the master's program for review by the division. If no paper is available, the applicant should contact the Division of Church Music Ministries for guidance.

Division Interview
Applicants are required to come to campus for an interview with the music division faculty related to the proposed area of major study. The interview focuses on one's conversion experience, call to ministry, family relationships, reasons for pursuing the doctoral degree, interests and reading in the proposed field of study, and other concerns that may enable the faculty to know the applicant better and to ascertain his or her potential for advanced studies.

Audition
If the applicant is pursuing study in an applied field, an audition in the applicant’s major field of performance is required. The literature to be performed should represent the major style periods of Western music. A recording and a copy of the recorded program may be submitted in lieu of the prepared program, but the recording must have been made within the academic year (August-June) of the division interview.

Placement/Proficiency Examinations
Assessment of transcripts, faculty interview, and evaluation of the audition may lead to oral and/or written placement/proficiency examinations in any specified areas of music and music ministry study.

Professional Experience
Applicants should have a minimum of two years of substantial experience in church music leadership. If such experience has not been obtained prior to admission to the DMA program, it may be accomplished during the program of study but must be completed prior to the written Qualifying Examination.

Program Overview
The DMA consists of 4 core semester-length seminars; 3 supervised reading colloquia; Introduction to Music Research and Writing; 15 additional hours in a chosen concentration (divided between semester-length seminars and private study); a mid-point music faculty Assessment of Continuance (upon the completion of 24 seminar hours); written Qualifying Examination (at the completion of seminar and recital work); two recitals and one lecture recital for applied students; the Oral Qualifying Examination (upon completion of RDOC9303 Prospectsus Development); and the submission and defense of a dissertation.

GRADE POINT AVERAGE AND GRADUATE RECORD EXAMINATION
The grade point average (GPA) and the Graduate Record Examination (GRE) verbal and analytical writing scores will be considered on the following five-point sliding scale. Although not included in the above calculation, the quantitative score will be considered in the overall evaluation of the applicant. The institutional code for New Orleans Baptist Theological Seminary is 6472.
The DMA program is divided into three stages: DMA residency, DMA senior residency, and DMA candidacy. The student enters the senior residency stage following the completion of 32 semester hours of DMA work. The student enters the DMA candidacy stage after completion of the Oral Examination.

The student's program is guided by the DMA Director during the Residency stage and by a faculty advisor and guidance committee during the Senior Residency and Candidacy stages. Faculty guidance assignments are made by the DMA Director in consultation with the Chair of the Church Music Ministries Division.

The NOBTS DMA program is designed for a student to take one core course, one colloquium, and one seminar or private lessons per semester. This will keep the student on an efficient schedule for degree completion and keep the student in step with course offering rotation. Should a student decide not to take a required course during the specified semester it is offered, he/she will have to wait to enter the course until it is offered again in the rotation schedule. This is not considered grounds for granting a Directed Study.

Full-time students generally can complete the program in 3½-4 years. The recommended semester load for a full-time DMA student is ten semester hours of coursework. On this schedule a student would complete course work after five semesters.

The written Qualifying Examination is administered after the student has completed a minimum of 32 hours and includes music history and literature, music theory, church music history/hymnology, recognition of musical styles, and research/bibliography. The results of the Qualifying Examination are used to determine the student's continuance in the DMA program. Depending on severity, should the written Qualifying Examination reveal lack of knowledge, or a failure of familiarity in any area, the student may be given the opportunity to orally re-address the topic(s) in the Oral Examination, be asked to take or re-take specific courses, or be terminated from the program.

The Oral Examination is administered by the music faculty at the completion of senior residency. Should the student pass all areas of the written Qualifying Examination, the Oral Comprehensive Examination will focus exclusively on divisional refinement and approval of the prospectus which ushers the student into DMA Candidacy and the writing stage of the dissertation.

After submission of the dissertation, the candidate is given a final examination focusing on the dissertation.

The program must be completed within seven years.

### DMA Concentrations

### Program Stages
The DMA program at NOBTS has three stages:
1. **Residency**: the first 32 semester hours of course work and the Qualifying Examination;
2. **Senior Residency**: the remainder of the course work and the Oral Examination; and
3. **Candidacy**: dissertation research and writing.

### Directed Study
A directed study provides a unique opportunity for a student to work one-on-one with a professor. Directed studies enable a student (1) to engage in specialized research under a professor’s supervision or (2) to cover an area not included in the regular seminar offerings during the student’s scheduled seminar work. Students may contact the DMA Director concerning the procedure for submitting a proposal.

### Dissertation Requirements
DMA candidates must write a dissertation that demonstrates the candidate’s ability to do independent and original research, mastery of a research methodology, competency to report logically the results of the research, expertise in presenting the research in acceptable style, and contribution to the academic discipline. The dissertation may contain no less than 25,000 nor more than 50,000 words, unless otherwise authorized by the student’s guidance committee. Students with recital requirements will not be expected to write such an extensive dissertation.

If the chosen topic requires research language facility, the student must demonstrate written fluency in the language or demonstrate proficiency through completed semester hours in the applicable language. Course credits that are to be considered for meeting the language requirement may not be more than seven years old. In addition to course credits on
a transcript, competency in French, German, or Latin can be verified by testing arranged through the Office of Research Doctoral Programs. The approval of a dissertation topic goes through several stages:

- Approval of a research proposal by the committee and the division
- Completion of RDOC9303 or MUDC9303 Prospectus Development
- Oral Examination - approval of the prospectus by the Church Music Division faculty
- Following Church Music Division approval, at least four months must pass before the presentation of the dissertation for defense.

Students are required to use the style guides approved by the seminary faculty.

Four plain paper copies of the completed dissertation (unbound in four separate boxes) must be submitted to the Church Music Division Office by the April 1 or November 1 deadline. Appropriate dissertation and diploma fees must be paid at the time of submission.

Following the dissertation defense, four copies of the final corrected document as approved by the guidance committee must be submitted on white, 20 lb. 100% cotton paper, unbound, in four separate boxes, through the guidance committee chairperson to the Church Music Division Office no later than two weeks prior to graduation.

Copies must be accompanied by the UMI Publishing Agreement Form (including the copyright authorization portion). For details, students should request the UMI Doctoral Dissertation Agreement Form from the Church Music Division Office.

If the dissertation is rejected following an unsatisfactory dissertation defense and if the guidance committee looks with favor upon its resubmission, a period of three months must elapse before it may be presented again. The student would register as a writing candidate and pay full tuition.

If the dissertation is rejected for form, style, and/or minor content reasons following a satisfactory dissertation defense and if the guidance committee looks with favor upon its resubmission, the dissertation may be presented again no sooner than two months after the dissertation defense and no later than two months prior to the following graduation date. The student would register for Program Continuance and pay a reduced tuition.

In either case permission to resubmit the dissertation does not involve a commitment as to the time of graduation.

**MUDC9010  Program Proficiency**

This is not a course per se. Students in the residency or senior residency stage of the DMA degree program should register for this component in semesters in which no course work is taken. Each semester after completion of the oral comprehensive examination, students should register for dissertation writing in the appropriate major.

**MUDC9011  Inactive Status**

This is not a course per se. Students who have prior approval from the Division of Church Music Ministries to cease all work on the doctoral program for the semester should register for inactive status. See the Manual for Research Doctoral Programs for procedures.

### Performance Dissertation Requirements

**Conducting, Organ Performance, Piano Performance, or Vocal Performance**

The requirements for these concentrations consist of three recital performances--two recitals (MUSC9006 and MUSC9007) covering the literature of the applied field, and one lecture recital (MUSC9008).

The lecture recital must be documented by a dissertation which treats thoroughly the performance practices or historical and analytical aspects addressed by the recital. This recital is to be a lecture recital in which the student apprises the audience, which has not had the benefit of the document, of the high points of the investigation. The Candidate will speak concisely to the origins, procedure, and outcomes of the research and support those outcomes by demonstration.

The document demonstrates the depth of investigation that the student has made of literature selected for the performance. The performance is to reflect the knowledge gained, and should in no way disagree with the findings in the document. All three recitals require program notes, but the lecture recital requires extensive program notes.

### Composition Dissertation Requirements

The dissertation in Composition should contain a large form composition by the student with extensive compositional design/philosophy notes explaining origins and stylistic influences, with any historical, analytical, and/or spiritual aspects of the piece that may apply. Desired performance venues should be included.

The Composition concentration requires one recital where the student composition(s) will be performed. Detailed program notes derived from the high points of the dissertation are required. This is a lecture recital. The lecture should be a significant expansion of the program notes. This recital should consist of a performance of approximately one hour and must reflect DMA standards. The large form composition must comprise approximately 50% of the recital. Shorter compositions may be included in the recital depending upon the length of the major work.
MUDC9000  Program Continuance
This is not a course per se. Students who have prior approval from their guidance committee following a successful dissertation defense can continue editing the dissertation for one semester while registered for Program Continuance.

New Orleans Baptist Theological Seminary offers an accredited research doctoral degree, the Doctor of Philosophy, which is accredited by ATS and SACS/COC. The faculty is a close-knit community of scholars committed to guiding and shaping the next generation of religious teachers and leaders. Both faculty and students are active members of various professional societies, engaging in research aimed at producing healthy churches. Students are encouraged to follow the faculty’s model in presenting the results of their research to the academic community through publication and presentation to professional societies.

Students in the Doctor of Philosophy degree program concentrate their studies in one of eleven major areas of research. Opportunities are also available within majors for interdisciplinary study, as well as pursuit of a minor concentration in one of fourteen areas.
Doctor of Philosophy (PhD)

Research Doctoral Oversight Committee (ReDOC)
The Research Doctoral Oversight Committee (ReDOC) is composed of the Associate Dean of Research Doctoral Programs, a representative from each of the academic divisions that offer PhD majors, two at-large faculty members, the Dean of Graduate Studies, the Associate Dean of Graduate Studies, and the Registrar. The committee meets monthly during the academic year. ReDOC provides administrative oversight for the research doctoral programs. The Associate Dean of Research Doctoral Programs is Dr. Charlie Ray. He can be contacted by phone at 504.816.8010 or 1.800.NOBTS.01, ext. 8010 or by e-mail at phd@nobts.edu.

Application Process
Printable application forms are available on the seminary website (www.nobts.edu/research). Potential applicants should review carefully all degree admission requirements before submitting an application. Those requirements are enumerated on the following pages. Completed applications must be submitted to the Office of Research Doctoral Programs no later than February 1 for August admission and September 1 for January admission. The following items must accompany the application by the February 1 or September 1 deadline:

- Signed application form complete with all supporting documentation (Statement of Call and Commitment; Ethical Conduct; Church Endorsement; Transfer of Credit Request Form, if applicable; Health Certificate; Proof of Immunization; 4 reference forms)
- Application fee
- Verification of GRE verbal, quantitative, and analytical writing scores
- Official transcripts from all colleges, universities, and seminaries
- Written plan for completion of course prerequisites such as languages and hours in the major
- Graded research paper from the master’s degree program
- The applicant must complete a criminal background check through Certified Background before the application can be considered.
- International students should see the section “International Students” for additional requirements.

Once the application is submitted, the applicant works with the Office of Research Doctoral Programs to complete the following:

- Entrance examination
- Division interview

The Doctoral Admissions Committee approves and denies admission to the research doctoral programs. All relevant information in the application packet (GPA, GRE scores) and the recommendation from the division (including evaluation of the master’s paper, entrance exam, and division interview) are considered in ascertaining the applicant’s potential for advanced research studies and making a final decision concerning admission.

After the Doctoral Admissions Committee has met, the Associate Dean of Research Doctoral Programs will notify applicants of acceptance or denial. Application decisions usually are made within six weeks following the application deadline. Applications are valid for one year. A person normally can apply only twice for a research doctoral program at NOBTS. An applicant who is denied admission to a research doctoral program must wait at least one semester to reapply and must meet all requirements in effect at the time of reapplication.

Enrollment
Once accepted into a research doctoral program, a student must begin his or her program of studies and enroll for seminars in the next regular semester.

If an applicant approved for admission to a doctoral program cannot begin studies, the applicant’s slot normally will be vacated and the application will be returned to the division applicant pool for consideration in the next semester.

After beginning studies, the student must maintain enrollment (register and pay matriculation fees) each semester until the doctoral program is completed. The research doctoral program is a continuous enrollment program until graduation. Failure to register and pay fees each semester will result in termination from the program.

All students in a research doctoral program have full-time status.

Research doctoral programs follow the graduate policy for drop/add and withdrawal. All requests for changes in registration must be made in writing to the Office of Research Doctoral Programs and must be received by the appropriate deadlines.

Faculty Guidance
At the time of admission to a research doctoral program, a faculty advisor from the major field of study will be assigned to serve as a resource person to the student concerning program matters and to guide the student through the residency/ThM candidacy stage. Upon successful completion of the qualifying examination, a two-member guidance committee will be assigned to mentor the student for the senior residency and candidacy stages of the program.

General Policies
- Persons seeking the doctorate need to be highly motivated scholars.
- All entering doctoral students in research degree programs must register for RDOC9300 Introduction to Doctoral Research and Writing during their first year in the program. Students who have not completed a course on the SBC and Cooperative Program will be registered for COOP9900 in conjunction with this course.
- All research doctoral students must secure and maintain an e-mail address throughout the program.
- The research doctoral programs are residential programs with courses normally offered on the main campus. Students should plan to spend minimally one full day in research weekly for each seminar. Thus, a student taking two seminars should be engaged in research minimally two full days weekly. Allocation of the necessary time in research is subject to review by the student’s guidance committee. The committee might recommend or require a reduced course load.
- No seminar grade below “B” (3.0) will count toward degree requirements. Students making a grade of “C” or below must consult with their faculty advisor or guidance committee. Two seminar grades of “C” or below will result in the student’s dismissal from the doctoral program.
- Students may be required by their department to remove deficiencies in their preparation by taking for credit courses from the master’s-level curriculum. In any case, students are encouraged to audit master’s-level classes in their field.
- The period allowed for the completion of the PhD program is seven years from initial registration. After the fourth year the matriculation fee is increased, as stated in the student fee schedule in this catalog.
- A master’s student at times may be allowed to take a doctoral seminar for master’s credit. Students should contact the Associate Dean of Research Doctoral Programs for guidance and approval. (See the section “Master’s Credit for a Doctoral Seminar.”)
Manual for Research Doctoral Programs

Following acceptance into a research doctoral program, students should download a copy of the Manual for Research Doctoral Programs from the Research Doctoral Programs area of the seminary website (nobts.edu/research). This manual is the official handbook for research doctoral programs. It includes information on current procedures and policies. Students are notified of updates as appropriate.

Style Guides

The official style guides for NOBTS research doctoral programs are the current editions of the SBL Handbook of Style (biblical studies only); the Publication Manual of the American Psychological Association (psychology and counseling only); A Manual for Writers of Term Papers, Theses, and Dissertations by Kate L. Turabian; and A Manual of Style published by the University of Chicago Press. Questions concerning form matters peculiar to NOBTS may be addressed to the Office of Research Doctoral Programs.

Fees for Doctoral Students

Fees, effective August 1 each year, are listed in the “Graduate Student Fees” section of this catalog. Students who are not members of Southern Baptist churches should note the fees for non-Southern Baptists.

Requirements for Graduation

In order to graduate from the seminary, students must meet all academic requirements set forth in this catalog, settle all financial obligations to the seminary, and maintain high standards of moral and ethical conduct. The faculty or any appropriate committee of the faculty may at any time advise the President that a student evidences spiritual, ethical, emotional, psychological, or attitudinal deficiencies that in the judgment of the faculty disqualify the student for continued study at the seminary. The student may appeal this determination to the President. The decision of the President shall be final.

Participation in graduation exercises is required of all students unless permission is granted to graduate in absentia. Requests for permission to graduate in absentia should be made in writing to the Registrar. Permission is granted only in emergency cases.

Transfer of Credit

There is a possibility of transferring a minimal number of doctoral-level courses completed at another accredited institution prior to admission. Applicants who believe they qualify should contact the Associate Dean of Research Doctoral Programs during the application process. Students who desire to take a doctoral-level course while enrolled at New Orleans Baptist Theological Seminary as master’s or nondegree students should contact the Associate Dean regarding approval, which must be granted prior to enrollment in the course.

International Students

Research doctoral program applicants whose primary spoken language is not English should follow the instructions in the International Students section of this catalog. The International Student Advisor for the seminary is Dr. Paul Grigore. Applicants may contact him by phone at 504.282.4455, ext. 3337, or 1.800.NOBTS.01, ext. 3337 or by e-mail at pgregoire@nobts.edu. However, please note that WES transcript evaluations for master’s degrees must be course by course.

Degree Equivalency

Applicants who do not hold the appropriate prerequisite degree should contact the Office of Research Doctoral Programs for information concerning degree equivalency requirements.

Nondegree Students

Students may apply to take one doctoral seminar as a nondegree student. An individual desiring nondegree status must make application as a nondegree student. Nondegree students may be admitted to one doctoral seminar provided they have met the GPA and GRE requirements and the degree prerequisites for the major in which they plan to take the seminar. In addition, students must complete all prerequisites for the seminar.

The academic division in which the study is to be done must give a positive recommendation. Final approval will be given by the Research Doctoral Oversight Committee.

The seminary is under no obligation to accept the credit earned by a nondegree student as credit toward any doctoral program should the student decide to apply for doctoral work at a later time.

Financial Assistance

Southern Baptist Doctoral Teaching Fellowship

The Southern Baptist Doctoral Teaching Fellowship provides financial assistance and teaching opportunities to qualified doctoral students through funds generated by the Cooperative Program of the Southern Baptist Convention. Students who qualify for the program are guaranteed at least one teaching opportunity during their doctoral studies. For more information about the fellowship or for application forms, contact the Office of Research Doctoral Programs.

Teaching and Research Assistantships

A limited number of teaching assistantships are available on a regular basis. Duties include grading and limited teaching opportunities. Interested persons should contact individual professors or the chair of the division in which the student wishes to work. Research assistantships are available as required by the research projects of the faculty.

Research Fellowships

NOBTS sponsors several research institutes, such as the Baptist Center for Theology and Ministry, the H. Milton Haggard Center for New Testament Textual Studies, the Youth Ministry Institute, and the Leavell Center for Evangelism and Church Health. Employment opportunities are available for PhD students based on the needs of the research institutes. Interested persons may contact the directors of the various institutes.

Robert S. Magee Doctoral Fellowship

Division Interview
Applicants normally are required to come to campus for an interview with the division faculty related to the proposed area of major study. The interview focuses on one's conversion experience, call to ministry,
family relationships, reasons for pursuing the doctoral degree, interests and reading in the proposed field of study, and other concerns that may enable the faculty to know the applicant better and to ascertain his or her potential for advanced studies.

Program Overview
The PhD curriculum consists of 8 semester-length PhD seminars (in designated areas, depending on the major), 4 supervised reading colloquia, Introduction to Doctoral Research and Writing, Teaching in Higher Education, a written qualifying examination (halfway through seminar work), an oral comprehensive examination (at the completion of seminar work), Prospectus Development, and the submission and defense of a dissertation.

The PhD program is divided into three stages: PhD residency/ThM candidacy, PhD senior residency, and PhD candidacy. The student enters the PhD senior residency stage following the completion of the qualifying examination and 33 semester hours of PhD work. The student enters the PhD candidacy stage after completion of the oral comprehensive examination.

A student’s program is guided by a faculty advisor during the residency/ThM candidacy stage and by a two-member guidance committee during the senior residency and candidacy stages. Faculty guidance assignments are made by the Associate Dean in consultation with the chairperson of the major division.

A student may take no more than two PhD seminars per semester. Full-time students generally can complete the program in 3 1/2 to 4 years. A full-time student would finish PhD seminars after four semesters or 2 years. Students are eligible to take the qualifying examination after completing four to five seminars (at least two in the major field) and two supervised reading colloquia. In addition, New Testament majors must have completed Advanced Greek Grammar and Textual Criticism of the Greek New Testament; and evangelism, Great Commission Studies, and missions majors who entered without a biblical language must meet the statistics requirement prior to taking the qualifying examination.* The oral comprehensive examination is administered after the completion of all eight seminars and four supervised reading colloquia.

Students who are engaged in full-time ministry are strongly encouraged to take only one seminar per semester, thus lengthening the program considerably. The program must be completed within seven years.

Options for Students Outside of the New Orleans Area
The following majors are designed in a block schedule format with a limited number of trips to the New Orleans campus required: Biblical Interpretation, Christian Education, Evangelism, Great Commission Studies, Missions, Preaching, and Psychology and Counseling.

*All students must have completed psychometric testing and readout prior to taking the qualifying examination.

Directed Study
A directed study provides a unique opportunity for a student to work one-on-one with a professor. Directed studies enable a student (1) to engage in specialized research under a professor’s supervision or (2) to cover an area not included in the regular seminar offerings during the student’s scheduled seminar work. Contact the Associate Dean of Research Doctoral Programs concerning the procedure for submitting a proposal.

Dissertation Requirements
Doctoral candidates must write a dissertation that demonstrates the candidate’s ability to do independent and original research, mastery of a research methodology, competency to report logically the results of the research, expertise in presenting the research in acceptable style, and contribution to the academic discipline. The dissertation may contain no fewer than 25,000 nor more than 50,000 words unless otherwise authorized by the student’s guidance committee. The approval of a dissertation topic goes through several stages:

• Approval of a research proposal by the division (must be approved before the oral comprehensive examination)
• Completion of RDOC9303 Prospectus Development
• Review of a prospectus by the Research Doctoral Oversight Committee (cannot be done until after the student passes the oral comprehensive examination)
• Following RDOC review, approval of a prospectus by the guidance committee at least four months before the dissertation is presented

Students are required to use the style guides approved by the seminary faculty.

Four plain-paper copies of the completed dissertation (unbound in four separate boxes) as well as the Dissertation Fee and Order Form and the Graduation Application must be submitted to the Office of Research Doctoral Programs by the March 1 or October 1 deadline. Appropriated dissertation and diploma fees must be paid at the time of submission.

Following the dissertation defense, four copies of the final corrected document as approved by the guidance committee must be submitted on white, 20 lb., 100% cotton paper, unbound, in four separate boxes, through the guidance committee chairperson to the Office of Research Doctoral Programs no later than two weeks prior to graduation.

Copies must be accompanied by the ProQuest Publishing Agreement form (including the copyright registration portion). For details, students should follow the ProQuest Doctoral Dissertation Agreement Form link on the Program Materials page of the Research Doctoral Programs area of the seminary website.

If the dissertation is rejected following an unsatisfactory dissertation defense and if the guidance committee looks with favor upon its resubmission, a period of three months must elapse before it may be presented again. The student would register as a writing candidate and pay full tuition.

If the dissertation is rejected for form, style, and/or minor content reasons following a satisfactory dissertation defense and if the guidance committee looks with favor upon its resubmission, the dissertation may be presented again no sooner than two months after the dissertation defense and no later than two months prior to the anticipated graduation date. The student would register for Program Continuance and pay a reduced tuition. In either case permission to resubmit the dissertation does not involve a commitment as to the time of graduation.

PhD Registration
Students enrolled in doctoral programs must maintain active status by registering and paying the required fees each semester until graduation. Because PhD students are expected to attend all class sessions, students must be enrolled in courses before the first class session. Failure to be registered for a program status, such as Program Proficiency or Writing Candidate, and pay enrollment fees by the semester drop/add deadline will result in termination from the program.

Dropping a PhD Block-Scheduled Course
PhD students are expected to attend all class sessions. Students may drop a PhD block-scheduled seminar, colloquium, or other course before the second class meeting. A class meeting is defined as one half-day session. To drop a course, students must contact the Office of Research Doctoral Programs.

Baptist Center for Theology and Ministry  
Directed by Dr. Adam Harwood

The Baptist Center for Theology and Ministry exists to provide theological and ministerial resources to enrich and energize ministry in Baptist churches. Our goal is to bring together professor and practitioner to produce and apply these resources to Baptist life, polity, and ministry.

The mission of the BCTM is to develop, preserve, and communicate the distinctive theological identity of Baptists. Some of the best minds for developing theology from a distinctively Baptist perspective are found in our Baptist seminaries, colleges, and universities, as well as in many Baptist churches. The Baptist Center serves as a “converging point” to develop theology that shapes the beliefs of the Church, structures the life of the Church, directs the decision-making processes of the Church, and defines the ministry practices of the Church.

The Baptist distinctives that have fostered so much ministry and mission in previous generations are waning in today’s Baptist churches. A renewed vision for what it means to be a Baptist is desperately needed. The Center attempts to recover and communicate this vision by exploring and publicizing our Baptist heritage, distinctives, and polity.

The Baptist Center strives to “push theology out of presentations and books and into the pews of our churches.” The Center is devoted to ensuring that the “theological reflection of the academy” results in “ministry that lives in the church.” The integration of theology targets concerns such as motivation for ministry, integrity within ministry, methods of ministry, and goals for ministry.

The BCTM seeks to interact with and assist Baptist churches in their obedience to the Great Commandment and participation in the Great Commission. “Theology is the servant of the Church.” The Baptist Center specifically targets issues directly related to Baptist life and ministry through a variety of platforms, networks, partnerships, meetings, and publications. The various forums that address issues relevant to Baptist life and ministry include the Journal for Baptist Theology and Ministry, professional meetings and conferences, a variety of publications, and online resources. The BCTM is also involved with the Greer-Heard Point/Counterpoint Forum, the Institute of Christian Apologetics, and the Institute for Faith and the Public Square (see for Catalog Index to find more information on these special events).

The Center for Discipleship and Spiritual Formation was created in Spring 2014 to equip, support, and engage seminary students and church practitioners to fulfill the mandate to make disciples (Matt. 28:18-20). The three functions of the Center are listed below.

- The primary function of the Center is equipping ministry leaders to understand the nature and scope of discipleship and Christian Education ministry. This component includes communicating what NOBTS offers in targeted classes and degrees for equipping educational ministers. This function is accomplished by presentations at annual pastors’ conferences by NOBTS faculty and qualified CE students, offering in-church training opportunities for pastors, staff, and/or lay leaders and ministers, and hosting/conducting training events for professional educators and lay leaders. Research and publishing of discipleship and spiritual formation concerns and discoveries is also included in this function of the Center.

- The second major function of the Center will be supporting the on-going efforts of contemporary education and discipleship church ministers while enlisting and equipping a new generation of educators. This component includes hosting an annual conference for academicians, professional practitioners, and church leaders in local church Christian Education. Providing opportunities for education ministers and related staff positions to build peer connections, foster mentoring relationships, and network for career enhancement is a byproduct of hosting an annual conference. The Center supports strengthening denominational and Kingdom alliances with state and national convention leaders, professional organizations, and meaningful dialogue with leaders in the field of Christian Education from other denominations and para-church entities.

- The third major function of the Center is engaging our current NOBTS students in discipleship and spiritual formation. The Christian Education Division’s primary goal at NOBTS is equipping students in Christian Education leadership and ministry. The Center for Discipleship and Spiritual Formation reinforces this goal through a Student Organization that supports three major functions of Christian Education: 1) Recruiting and nurturing students called of God into Christian Education ministry; 2) Providing fellowship and ministry opportunities for Christian Education students and faculty and 3) Partnering with Christian Education faculty to present local church conferences.

For more information about the Center for Discipleship and Spiritual Formation, its programs, services, or calendar of events, contact the Christian Education Division office at 504.816.8105 or ceducation@nobts.edu.

The Cecil B. Day Center for Church Planting equips church planting missionaries to advance Christ’s kingdom. The Center works in partnership with the North American Mission Board, several state Baptist conventions, and local Baptist associations near New Orleans.

New Orleans provides students with a unique laboratory to develop their disciple making skills and form their character to serve Christ’s kingdom. The proximity of both urban and suburban environments (walking distance to a 10-minute drive from campus) offers students incredible possibilities for real-world training. Dr. Chuck Kelley, President of NOBTS, says that the SBC “cannot hope to evangelize our nation without dramatically increasing the number of churches we start and without starting a majority of those churches in the great cities of this country.” He adds, “The setting of our campus in a city that is a crossroad for the world—and a city in which Southern Baptists are a minority—makes New Orleans Baptist Theological Seminary a perfect laboratory for teaching church planting.”

The Day Center strengthens church planting opportunities available to students at New Orleans Seminary. NOBTS remains the only seminary established by the Southern Baptist Convention for the purpose of bringing Christ’s gospel to an under-churched area. Moreover, since 1917, NOBTS remains the most urban setting for any of the seven SBC seminaries. In 1987, New Orleans Seminary became the first SBC seminary to establish an endowed professorial position in church planting, named in honor of Cecil B. Day, entrepreneurial founder of the Day’s Inn chain of hotels, and a compassionate Christian statesman and faithful Christian gentleman. Mr. Day passionately encouraged church planting.

**NAMB Send City Initiative**

It’s been said if you reach the cities, you’ll reach the nations. With 83 percent of the population now living in metropolitan areas, the major population centers in North America are vital mission fields for kingdom growth and influence.

The North American Mission Board has prioritized its work in 50 cities throughout North America – known as Send Cities. As a Send City, New Orleans could see as many 100 new churches planted in the next 10 years. For more information about the initiative, contact George Ross, New Orleans Send City missionary, at (504) 343-1697 or gross@namb.net.

For more information about the Cecil B. Day Center for Church Planting, its programs, services, or calendar of events, contact the Pastoral Ministries Division office at 504.282.4455, ext. 8820, or Dr. Preston Nix at pnix@nobts.edu.
Global Missions Center
Directed by Dr. Philip Pinckard

The vision of the Global Missions Center of New Orleans Baptist Theological Seminary is to research effective global missions strategies, train Christians for global missions service, resource global mission Christians, and reach the globally unreached with the gospel. Matthew 4:19 states the Lord’s call: “And He said to them, ‘Follow me and I will make you fishers of men.”

1. Researching Effective Missions Strategies for Unreached People Groups
   The student body and faculty are encouraged to develop specific strategies for reaching unreached people groups and population segments. Missionaries may spend their stateside assignments conducting research and doing further study on our campus.

2. Training Christians for Global Missions Service
   The Global Missions Center provides a visible way to integrate classroom experience with a seminary entity dedicated to international missions and to heighten awareness of global missions on our campus. The Global Missions Center partners with the Providence Learning Center and other entities such as the IMB to offer training events for persons related to international missions.

3. Resourcing Global Mission Christians
   Coordinating the interaction of IMB missionaries and personnel with the seminary community represents an important element of resourcing global mission Christians. A website provides online resources, links to other missions websites, and resources for local churches.

4. Reaching the Globally Unreached
   Reaching the globally unreached means all seminary students should be challenged to help local churches become Acts 1:8 churches with a vision to take the gospel to the ends of the earth. Coordination of seminary sponsored international missions trips and partnerships with overseas missionaries provide seminary students, faculty, and staff the opportunity to participate in overseas mission projects.

5. Regional Consultant for IMB
   The GMC assists students who are sensing God’s call to international missions through the IMB by consultation, prayer, and arranging meetings with the IMB representative. The student may contact the regional representative at (800)999-3113.

6. The All Peoples Fellowship
   Several times each semester students with international missions interest meet for inspiration, prayer and fellowship on campus. This informal group is supported by a private Face Book group which is managed by gradceanassist@nobts.edu.

Dr. Ken Taylor serves as the Missions Mobilization Coordinator for the Global Missions Center. View the website for the Global Missions Center on the NOBTS website, call 504.816.8124, or e-mail globalmissionscenter@nobts.edu for more information.

Institute for Christian Apologetics
Directed by Dr. Robert Stewart
Associate Directors: Dr. Michael Edens and Dr. Rhyne Putman

The Institute’s purpose is to equip Christians to defend the Christian faith and present compelling reasons for embracing the Christian faith in a manner that is comprehensible and relevant in our contemporary culture. The ICA has developed a series of Defend the Faith events, where students and others can hear from top evangelical apologists and communicators on topics that will strengthen knowledge in the field of Christian apologetics. Islamic Studies is also apart of the ICA and exists to teach and train students who will impact Muslims with the gospel.

Institute for Faith and the Public Square
Directed by Dr. Lloyd Harsch

The Institute explores the role of faith in the development and application of public policy and creates an open-minded academic forum where the concerns of Christians can be discussed in a thoughtful way without intimidation. The primary goal is to apply biblical truth to moral, public policy, and religious liberty issues in order to transform American culture. The Institute hosts an academically oriented event in the Fall and a more popularly oriented event in the Spring.
The H. Milton Haggard Center for New Testament Textual Studies
Directed by Dr. Bill Warren

The H. Milton Haggard Center for New Testament Textual Studies (CNTTS) is an internationally recognized research center devoted to the study of the New Testament text in the Greek manuscripts. The Center houses a substantial collection of New Testament manuscripts in various formats, including photographic facsimiles, printed editions, microfilms, and digital images, and supports researchers engaged in a variety of studies on the New Testament Greek manuscripts.

The CNTTS is dedicated to training and inspiring students and scholars to engage in textual, exegetical, and historical studies related to the New Testament. As the heirs of the sacrificial work of others who have given their lives to preserving, copying, and studying the manuscripts and printed text of the New Testament, the CNTTS represents an NOBTS effort to contribute responsibly to that work. NOBTS is stepping forward to meet the challenge of past generations and needs of the present and future generations for research of the highest quality on the wording of our Greek New Testament and the history of its transmission.

The Center works with current efforts in the field of New Testament textual studies in order to aid in providing access to texts and textual data as feasible. Besides its own collection, the CNTTS can coordinate access to manuscripts through loans from other libraries and institutions. A partial listing of current CNTTS projects includes a wide spectrum of both short-term and long-term projects. Work continues on expanding and refining the CNTTS Critical Apparatus, the world’s first extensive electronic textual database of the entire Greek New Testament with searchable features for isolating textual traits and types of variant. This database, the culmination of an initial project of 9 years and currently available through major Bible Software companies, is nearly 17,000 pages and growing as more information is added. Another long-term project is an on-line New Testament Textual-Exegetical Commentary on the New Testament, with the initial results from that project being made available soon. Work on an exegetically-oriented textual apparatus is also underway, as well as a detailed online listing of the Greek NT manuscripts, and an online history of the English Bible.

Some fellowships and scholarships are available for students wishing to work in the field of New Testament textual studies, with PhD students having priority in the application process. A limited number of grants for visiting scholars are also available. Application forms for applying for these are available in the CNTTS office.

To contact Dr. Warren concerning textual research and study opportunities or to obtain more information about the Center for New Testament Textual Studies, call Dr. Warren at 504.816.8190, e-mail him at wwarren@nobts.edu, or access the CNTTS website at www.nobts.edu/cntts.

Landrum P. Leavell II Center for Evangelism & Church Health
Directed by Dr. Preston L. Nix
Associate Director, Dr. Bill Day

A recent study by Dr. Bill Day showed that 89% of SBC churches are not experiencing healthy church growth. Most new members in Baptist churches are from someone else’s church, and most churches have no clearly defined strategy for making disciples by moving unsaved and unchurched people through conversion to the image of Jesus Christ.

The Leavell Center for Evangelism and Church Health, as a ministry of New Orleans Baptist Theological Seminary, seeks to be informed by such statistics, looks to the LORD of the Church for His expectations, then faithfully seeks to make a difference through evangelism, church growth, and church health strategies.

New Orleans Baptist Theological Seminary operates the Leavell Center for Evangelism and Church Health, the first facility of its kind in the Southern Baptist Convention.

Named for our seventh president, Dr. Landrum P. Leavell II, the Leavell Center exists as the Seminary’s ministry to churches, agencies, and institutions of the Southern Baptist Convention. Our purpose is to assist Southern Baptist churches, agencies, and institutions in the development and implementation of strategies for effective evangelism and measurable church growth.

Assisting churches in the development of a customized program of evangelistic outreach is central to the ministry of the Leavell Center. Using the latest in computer technology, the Leavell Center, for a nominal fee, can access data from the U.S. Census Bureau for any community within the United States. This information, when interpreted by the Leavell Center’s team of church growth analysts, will yield a demographic and psychographic profile helpful in developing a customized strategy of evangelistic outreach for a local church and in identifying evangelistic methodologies which will prove helpful in reaching a specific community for Christ.

A ten-year analysis of a church’s growth patterns can also be prepared, and both reports can be produced as a PowerPoint for multimedia presentations or a customized CD-ROM presentation complete with audio interpretation. Students currently enrolled in New Orleans Seminary receive a discount on most Leavell Center services.

Each year, the Leavell Center conducts conferences and think tanks dealing with church revitalization and effective evangelism. The participants include students, pastors, and other local church leaders.

One of the primary goals of the Leavell Center for Evangelism and Church Health is to motivate and equip students to fulfill the Great Commission. To prepare students for a lifetime of Great Commission service, the Leavell Center, in conjunction with the faculty of the Seminary, is constantly developing evangelistic mission projects in which our students participate. We call these evangelistic ministries Great Commission Projects.

For more information about the Leavell Center for Evangelism and Church Health, its programs, services, or calendar of events, contact the Leavell Center at 504.816.8820 or visit us on the Internet at www.leavellcenter.com.
Leeke Magee Center for Christian Counseling
Directed by Dr. Ian Jones

The Leeke Magee Center for Christian Counseling, established in Spring 2014 and opened in August 2014, serves as a resource for NOBTS students and people in the surrounding neighborhoods. The counseling center also provides NOBTS counseling students with a place to fulfill their counseling practicum hours.

The Leeke Magee Christian Counseling Center bears the name of Leeke Magee, a Louisiana Baptist and NOBTS supporter who died in 2013. Before his death, Magee named the seminary in his estate plan, providing funds to transform the former William Carey University nursing building on the NOBTS campus into a counseling center and office space for counseling and social work professors. The counseling center opened to the public in August 2014.

“We deeply believe that Southern Baptists need to develop the necessary skills and knowledge to engage the communities around our churches,” NOBTS President Chuck Kelley said. “We have to find a way to start the conversation about Jesus with people who are not in our churches and we think a counseling program centered in Christ does that, and we believe that community-based ministries, again, centered in Christ and the church, can do that.”

The unique counseling program at NOBTS provides the educational background needed to achieve state licensure. Currently, NOBTS is the only SBC seminary offering a licensure track in counseling. And while many NOBTS counseling graduates serve as church-based counselors, others have sought employment in nonprofit organizations and private Christian counseling groups in order to reach those outside the church.

Ian Jones, chairman of the church and community ministries division, said all students in the program are committed to biblically-based ministry and are involved in taking the Gospel to hurting people.

“Christ challenged believers to be salt and light in the world ‘so that they may see your good works and give glory to your Father in heaven,’” Jones said, referencing Matthew 5:16. “‘The division of church and community ministries is committed to training students with the skill sets necessary to help churches connect with their communities through counseling and social ministries, building up the church and bringing the transforming power of the Gospel into the world.”

“The new Leeke Magee Christian Counseling Center will be a significant part of this ministry,” Jones said, “as students are trained to provide an array of biblical, effective and accessible counseling services to individuals, couples and families in the greater New Orleans community.”

For more information about the Leeke Magee Center for Christian Counseling, its programs, services, or calendar of events, contact Dr. Ian Jones at 504.816.3729 or ijones@nobts.edu.

Michael & Sara Moskau Institute of Archeology
Center for Archaeological Research
Executive Director, Dr. James O. Parker
Co-Directed by Dr. R. Dennis Cole and Dr. Daniel A. Warner

The Center for Archaeological Research serves to encourage the scholarly development and research of the seminary faculty and to train and inspire a new generation of biblical scholars to engage in current research in the disciplines of biblical archaeology and biblical studies. The Center for Archaeological Research was established as a Southern Baptist effort to provide a presence in the field and impact the discipline of biblical archaeology.

New Orleans Baptist Theological Seminary has a long history of involvement in Biblical Archaeology. For over half a century, seminary professors have served as directors and field supervisors for students who have participated in various archaeological research and field schools such as Aphek, Beersheba, Tel Masos, Batash-Timnah, Tel Qasile, Tel Beth Shean, and Tel Rehov. In addition, NOBTS has been a consortium member at Tel Aphek and Tel Batash. The current director brings a wealth of experience and direction to the archaeology program at NOBTS.

The seminary offers a variety of concentrations and minors related to the field of archaeology. A concentration in Biblical Backgrounds is available with the MDiv in Biblical Studies and the MA (Biblical Studies). A minor in the field is offered through the ThM degree, and a PhD minor is available with five doctoral seminars offered in the area.

Currently, the Center for Archaeological Research is participating as a consortium member of the Tel Gezer Excavation and Publication Project, where it has been involved in excavation of the important administrative center of the Solomonic administration. In the Summer 2009, NOBTS began excavating the ancient water system of Gezer in conjunction with the National Parks Authority of Israel, and the project will continue in May-June 2016.

The center supports the field school of the Tel Gezer Project, providing students with an opportunity to participate in scholarly research, participate in an overseas study program, and visit the Lands of the Bible. The Center will also develop and provide resources for students who are in Biblical Studies, Bible Backgrounds, and Archaeology programs at the seminary.

Museum of the Bible and Archaeology

The Center for Archaeological Research now holds the collection of artifacts from the archaeology museum formerly housed at the John T. Christian Library. This collection with the various artifact study collections of faculty will be the basis for the program’s artifact study collection. In addition, an extensive collection of maps, digital images, slides, and videos is also a part of the seminary’s archaeological holdings.

Providence Learning Center
Directed by Dr. Clay Corvin

The mission of the Providence Learning Center (PLC) is to create and facilitate lifelong learning opportunities that encourage and equip individuals, churches, and ministries to achieve and maintain vital, healthy Kingdom ministry. PLC serves as the continuing education, conference planning, and coordinating ministry of New Orleans Baptist Theological Seminary.

A wide variety of conferences, seminars, workshops, and other special events are offered that focus on the current needs and concerns of church ministry leaders, seminary students, and NOBTS alumni. Qualified and experienced faculty members and other Christian leaders are selected to present practical, relevant continuing education opportunities that emphasize doctrinal integrity, spiritual vitality, mission focus, characteristic excellence, and servant leadership. Continuing Education Units (CEUs) are offered to those individuals who complete full participation requirements in these continuing education events.

The PLC also facilitates MissionLab New Orleans. MissionLab New Orleans is an exciting ministry that provides custom-tailored, short-term mission opportunities for church youth groups, college students, families, and senior adults who desire to join God at work in the Greater New Orleans area. Customizing a group's mission trip involves coordinating their mission project sites, mission site orientation, housing, meals, and worship opportunities.

By allowing MissionLab to coordinate these logistics, incoming mission groups are able to invest more time and energy in the physical, mental, and spiritual health of the communities they minister to throughout the Greater New Orleans area. MissionLab desires to be a catalyst for life change for both the residents of New Orleans and the incoming mission groups. MissionLab New Orleans will host over 2,000 missionaries throughout this year!

To find out more about MissionLab New Orleans and other lifelong learning opportunities through the Providence Learning Center, visit our websites at www.providencelearningcenter.com and www.missionlab.com; e-mail us at plc@nobts.edu; or call us at 504.282.4455 ext. 3260 or 800.662.8701, ext. 3260.

Perry R. Sanders Center for Ministry Excellence
Directed by Dr. Reggie Ogea
DMin, Dr. Jake Roudkovski
DEdMin, Dr. Randy Stone

Dedicated April 11, 2007, the Perry R. Sanders Center for Ministry Excellence is named in honor of Dr. Perry R. Sanders, pastor emeritus of First Baptist Church, Lafayette, LA. A distinguished alumnus of NOBTS, Dr. Sanders was a Louisiana Baptist pastor for over 60 years, 47 of those years as pastor of FBC Lafayette. From this local church base, a preaching ministry expanded to touch hundreds of thousands worldwide.

The Perry R. Sanders Center for Ministry Excellence is home to the seminary's Doctor of Ministry and Doctor of Educational Ministry programs. The DMin and DEdMin Degrees from NOBTS can be described as flexible, practical, and transformational. The center promotes the “integrity of heart and skillful of hands” mentioned in Psalm 78:72. The Sanders Center seeks to inspire pastors and church leaders to exhibit the same excellence in ministry that characterized Dr. Sanders’ pastoral tenure at FBC Lafayette.

In addition to the Professional Doctoral Degrees, the Perry R. Sanders Center for Ministry Excellence partners with the Leavell Center for Church Health, Alumni Services, and other Southern Baptist entities offering conferences, seminars, and workshops to aid and assist pastors and church leaders in raising their ministries to new levels of excellence. For further information, contact the Sanders Center at 800.662.8701, extension 3728 or dmin@nobts.edu; or visit the website at www.nobts.edu/CME.
**Youth Ministry Institute**

Acting Director, Dr. Jody Dean

The Youth Ministry Institute (YMI) of the New Orleans Seminary was created in 1999 to provide an intentional strategy for youth ministry training. YMI features multiple delivery systems, taking into consideration the training needs for on-campus students, extension students, graduate students, undergraduate students, and volunteer or bi-vocational youth ministers who desire continuing training.

YMI has grown to encompass all of the youth ministry training offered at the seminary. The mission of the Youth Ministry Institute is to extend the mission of New Orleans Baptist Theological Seminary by providing leadership in advanced research, practical application, quality training, and ongoing dialogue for those who work with youth.

Youth Ministry classes offered annually during the regular semester sessions include Youth Ministry 101, Youth Culture, Understanding Contemporary Adolescents, The Work of the Minister of Youth, and Disciple Making with Youth and Families. Weekend classes (Thursday-Saturday schedule) address discipleship competencies: theology, doctrine, polity, ethics, leadership, and ministry skills.

The Youth Ministry Institute in January is an event: two one-week sessions, held back-to-back and designed to offer intensive training for students and youth ministry veterans based on expert presentations and round table discussions. It can be taken for academic credit, as a module in the Certificate in Youth Ministry, or for personal ministry enrichment.

For more information on the Youth Ministry Institute, check out the website at www.youthministryinstitute.org.

**Women’s Ministry Program**

Directed by Ms. Courtney Veasey

New Orleans Baptist Theological Seminary was the first Southern Baptist school to offer formal, specialized theological education in the area of women’s ministry. Since its beginning in March 1997, this innovative program has increased in student enrollment and degree options. Its success is the result of growing interest in women’s ministry, the need for pragmatic training in women’s work, and increased leadership roles for women in the local church. God is preparing hundreds of women to minister to other women through their local churches.

**The Courses**

The Women’s Ministry Program offers semester-long courses, online courses, and academic workshops. Academic workshops are offered in a convenient three- or five-day class format, approximately five times each year. In addition, two courses are taught online each semester.

**The Course Schedule**

A multi-year course schedule and description of courses and workshops may be obtained from New Orleans Baptist Theological Seminary. Students who have received at least a high school diploma or its equivalent may earn baccalaureate academic credit for these certificate courses, and graduate students can earn master’s-level credit.

For more information on the Women’s Ministry Program, please call 800.NOBTS.01, extension 3334, or check out the website at www.nobts.edu.

General Information

Student Life
Life in New Orleans can be exciting and spiritually significant. New Orleans is one of America’s oldest and grandest cities. From its architecture and music to its food and culture, New Orleans is a truly exciting place. It is big enough to offer all of the amenities of a large, vibrant city, from professional sports to shopping to cultural resources. But it also retains a small-town, familiar feel. It is a city receptive to the love of Christ and the gospel. Churches are growing as they meet the needs of the people in their communities, and students continue to minister as they pursue their seminary training. NOBTS is a proud member of the New Orleans community and maintains a missional focus in all we do.

Life on campus is one of the highlights of a student’s time in seminary. The NOBTS campus is beautiful, secure, and comfortable. Many of our faculty members live on the campus, so students have the opportunity to know their professors and learn from them out of the classroom, as well as in it. The campus offers housing for single students as well as families, fostering a community family atmosphere. The facilities are outstanding, from the beautiful pool and recreational space, to the parks, playground, volleyball, and cookout facilities. Our many student organizations and student community foster spiritual and physical health. Educational resources are top-notch. From any perspective, NOBTS is a great atmosphere to prepare for ministry.

Health Services
The services of a Family Nurse Practitioner and clinic Medical Assistant are available at the NOBTS Clinic for faculty, staff, students, spouses, and their children. The clinic is open on a part-time schedule and the hours are variable. Appointments should be scheduled by calling 816-8596. The Nurse Practitioner and Medical Assistant are not on-call during off-duty hours.

The following is a partial list of available services: immunizations, physical exams, lab tests, screening and monitoring, minor surgery, treatment of common chronic conditions, off-site referrals, diagnosis and management of common episodic problems, and prescription refills. Charges vary depending on the service provided and are posted on the student or employee account with NOBTS.

Some medicines and supplies are available through the clinic. Crutches are available for short-term loan. Persons with emergency conditions should proceed directly to a health care facility covered by their insurance plan.

The clinic is able to provide primary care services to pregnant patients, but not obstetrical care. Upon determination of pregnancy, the patient will be referred to an OB/GYN specialist.

Food Services
River City Cafe is located on the west side of the campus. A variety of food service is available Monday through Friday, 7 a.m. - 9 a.m. and 11 a.m. - 1 p.m., including sandwiches, salads, and cafeteria-style hot breakfast and lunch. Every Thursday, Miss Alice makes her famous red beans and rice with turnip greens and cornbread, a New Orleans classic.

Banquet and reception facilities are available for groups from 25 to 300. In addition to the Main Dining Room, the Creole Room and the Balcony Room are available. A professional kitchen and banquet staff are ready to meet a variety of food service needs.

Cafe New Orleans, a full-service coffee shop, is located in the Hardin Student Center. A wide variety of gourmet coffee and tea is available, as well as fresh croissants, muffins, sandwiches, and salads.

Post Office
A full-service Contract Station Post Office is located in the Hardin Student Center. Hours of operation are 8 a.m.-5 p.m., Monday-Thursday; and 8 a.m.-3:30 p.m. Friday, with both morning and afternoon mail pick-ups daily. Mail is delivered to all apartment buildings on campus with the exception of the dormitories and the Courtyard Apartments. Students residing in the dormitories are required to rent campus post office boxes.

LifeWay Christian Book Store
A book store is operated on the campus by LifeWay Christian Resources of the Southern Baptist Convention. Students receive a discount on most class-related books when paying by cash or check. Office and general supplies, music, and gifts are among the many products and services that may be found at the book store. The book store also employs many students and their family members during their stay at seminary.

Student Organizations
A number of student organizations function under the umbrella of the Campus Life Office with the approval of the Administrative Council of the seminary. These organizations provide opportunities for service, friendship development, and personal growth. Federal and State Loan Deferments
The seminary does not participate in any federally funded loan or grant programs such as Stafford loans or Pell grants. We do accept educational or Signature loans from various lenders. Contact the Financial Aid Office at financialaid@nobts.edu or 504.282.4455 ext. 3348 to get more information about student loans.
Enrolled students do qualify for deferment of payment of existing federally guaranteed student loans and should contact their lender for specific information as well as the Registrar’s Office for enrollment verification.

**Financial Aid Office**

The Financial Aid Office is a part of the Dean of Students Office, located in the Hardin Student Center, and can be contacted at 504.282.4455, ext. 3348 or financialaid@nobts.edu.

**Grants**

Applications are available for scholarships to assist with current tuition costs during the Fall and Spring semesters. Awards are made on a need basis and vary in amount. Application does not insure that an award will be made. In order to be awarded a grant, each applicant must have a zero balance on his/her student account.

New Student Scholarships are available to brand new students on the New Orleans campus. An application should be completed online at www.nobts.edu/financialaid by June 15th for the Fall semester and November 1st for the Spring semester.

Current Student Scholarships are also available to main campus and extension center students. The scholarship application is available April 1-30 for the Fall semester awards and September 1-30 for the Spring semester awards. All applicants must apply online at the NOBTS website, www.nobts.edu.

Main campus NOBTS students must maintain full-time status (9 semester hours for Graduates; active enrollment for Doctoral students) through the academic period covered by the grant award. Extension center students must maintain enrollment in at least two courses per semester through the academic period covered by the grant award. Full-time status for Financial Aid purposes only includes hours from on-campus, Saturday, or Hybrid classes. Internet courses, independent studies, workshops, and Baptist College Partnership hours DO NOT count toward full-time status.

**Miscellaneous Scholarships**

The Financial Aid Office maintains a Web page, which contains descriptions of various non-seminary sources for financial assistance. Included in the information will be qualifications, contact persons, and phone numbers or addresses. State Baptist conventions and foundations are listed on the Web page.

Any church, organization, or donor may contribute funds for a particular student by including written instructions with their donation. Additional options for making a gift are also available.

**Emergency Aid**

The seminary maintains an active program of assistance for students who are experiencing short-term financial emergencies. Students seeking such assistance may contact the Financial Aid Office to set up a one-on-one meeting with the Director.

**Official Payments (OP) Monthly Payment Plan**

Official Payments is a monthly payment plan program that provides students with a low cost plan for budgeting expenses. It is not a loan program; therefore, the student has no debt, there are no interest charges assessed, and there is no credit check. The only fee to budget payments through Official Payments is a nonrefundable enrollment fee per semester paid to the Official Payments company at the same time as the down payment.

How to enroll with Official Payments: Once students determine the amount needed to budget (only tuition and fees may be included), they enroll online through the Finances tab in their SelfServe student account. Problems accessing SelfServe should be directed to the ITC office at 504.282.4455, ext. 8180.

The Official Payments plan must be completed by the Final Day for Tuition Payment set by the Registrar’s Office; otherwise, the NOBTS Business Office will assess a late payment fee. Official Payments automatically deducts the monthly payments from a student’s checking account, savings account, or credit card.

Payment Schedule: When the plan is established, Official Payments will process the enrollment fee and an immediate down payment of 20% of the total amount budgeted. This will be followed by 4 monthly payments of 20% (Feb. - May for Spring semester and Sept. - Dec. for Fall semester). These monthly payments can be scheduled between the 1st and 10th of each month. Separate Official Payments plans are available for Doctor of Ministry students (using the trimester system) and for all students during the Summer. Students are responsible for notifying the seminary of any changes they would like made to the original plan. If the event there are consistent problems with any student’s plan, Official Payments and the NOBTS Financial Aid Office reserves the right to terminate the plan and restrict usage to the monthly payment system. Contact the Financial Aid Office for more information.

**Financial Counseling**

The Dean of Students Office is aware of the unique pressures associated with seminary life in the area of personal finance and family relationships. The Director of Financial Aid is available to meet with current students and students approved for admission to discuss budgeting, provide financial counseling, or offer encouragement in other areas of student family life.

**Awards**

A “Celebration of Excellence,” the annual awards assembly, occurs near the end of the spring semester each year. The purpose of the assembly is to recognize and honor outstanding senior students in the graduating class of the academic year in the various degree programs.

Students are chosen by an Awards Committee composed of the Provost, the Dean of Graduate Studies, the Dean of Leavell College, the five divisional chairpersons, the Registrar, and the Dean of Students. The committee gives major consideration to evidences of an uncommon measure of excellence in personal and spiritual qualities, academic and scholarly achievement, and capacity for Christian ministry.

The awards consist of appropriate plaques for all recipients, books for most, and one monetary award.
Spiritual Life

Spiritual Vitality: We are a worshipping community emphasizing both personal spirituality and gathering together as a seminary family for the praise and adoration of God and instruction in His Word.

Local Churches

Dr. Paul Gregoire
Dean of Admissions and Registrar

The Dean of Admissions and Registrar’s Office has the privilege to serve students from the time they apply to New Orleans Baptist Theological Seminary to the time they graduate. Our responsibility is to navigate the students through each semester, each academic year, and through their entire degree program so that they may successfully complete the specialization to which God has called them. The Dean of Admissions and Registrar’s Office provides the services of academic advisement, permanent maintenance of all academic records, and provision of transcripts. Our desire is to help students finish the requirements for their degree in a timely manner so that they will be able to go to all parts of the world to fulfill the Great Commission.

Our main objective is to make sure the students of New Orleans Seminary are able to understand and interpret the academic policies of the institution that are listed in the catalog. The Dean of Admissions and Registrar’s Office is a resource for students to receive direction in their degree programs.
Educational Preparation

Students who have received a Bachelor of Arts degree or its equivalent from a college or university accredited by a regional accrediting agency approved by the Council for Higher Education Accreditation (CHEA) may be admitted as candidates for master's degrees at NOBTS.

Prerequisite baccalaureate-level work at institutions not accredited by an agency recognized by CHEA may be accepted in full or in part, or rejected, according to the evaluation given by a state university in the state in which the institution is located. Students admitted under this provision are admitted on a probationary basis for one semester, in which they must maintain a “C” average. Such admissions are normally restricted to the graduates of schools that are in the process of earning regional accreditation.

In cases in which baccalaureate level work was earned at an institution which is neither recognized by a CHEA recognized accreditation agency nor accepted by a state institution, the Registrar’s Office will perform an individual transcript evaluation of the applying student’s academic work. Such students might be admitted with the following stipulations:

- The student must have earned at least a 2.5 GPA out of 4.0 in their academic preparation, preferably earned in on-site classes rather than through correspondence.
- The student must demonstrate potential for graduate academic work by scoring at least 143 on verbal and quantitative sections of the current GRE (350 on GRE taken prior to August 2011) and 3.5 on the writing section of the GRE.
- The student might be required to take some remedial or leveling course work as a prerequisite for admission.
- The student might be admitted under academic probation for one semester, in which the student must maintain at least a “C” average.
- In no case may such admissions exceed 10 percent of the student body, or 20 percent of an individual class.
- There is no guarantee that any such academic work will be accepted for credit at NOBTS. The Registrar may recommend denying admission, accepting partial credit, or allowing admission with certain stipulations.

The decision of the Registrar and Provost is final with regard to admission.

Admissions Procedures

Application information can be found on the official website at www.nobts.edu. To access the application page, click on “Apply” at the top of the NOBTS front page. The apply page provides links to all of the current NOBTS applications. Please select the correct application link for the level of study in which you wish to apply. The application link will take you to the SelfServe system where you will complete the remainder of the application. Follow all the instructions very carefully. Please be aware there are several links to supporting documents such as health certificate and immunization form, church statement, statement of conversion and call, references, ethical conduct and policy statement and insurance acknowledgment. The main application page along with all supporting documents must be submitted to the Registrar’s Office before an application can be reviewed for admittance. The application fee is required before applications can be considered.

During the admissions process, applicants are expected to keep track of the delivery of all supporting documents. As documents are received by the Registrar, the student will be notified by scoring at least 143 on verbal and quantitative sections of the current GRE (350 on GRE taken prior to August 2011) and 3.5 on the writing section of the GRE. To view which document the Registrar’s Office has not received, students can review the “Checklist” in their SelfServe account.

When the necessary information has been received, action will be taken on applications by the Admissions Council. The Council is composed of the President, the Provost, the Dean of Graduate Studies, the Dean of Leavell College, the Registrar, the Academic Advisor, and the Director of Testing. Division chairpersons and others are called upon to assist as needed.

The Registrar will notify applicants of decisions. Applicants will not be admitted until they have received formal notice of approval from the Provost or the Registrar. If an applicant has been denied admission, he or she must wait a minimum of twelve months before he or she can reapply. A full application must be submitted to the proper office after the one year has passed.

Eligibility

To be eligible for admission an applicant must have been a Christian for at least one year, must meet the educational prerequisites for the degree program he or she plans to pursue, and must be at least 20 years of age. All students must have the endorsement of a local church. All qualified applicants are admitted without reference to race, gender, or national origin.

Deadlines

The admission form should be completed and returned to the Registrar’s Office at least 30 days prior to the date the applicant wishes to enroll. In no case should the application be submitted later than 30 days prior to the beginning of the term. If an applicant has experienced divorce or is an international student, the admissions form should be completed and returned to the Registrar’s Office at least 60 days prior to the anticipated date of enrollment to allow time for interview and personality profiles.

Application materials submitted to the Registrar’s Office are valid for one year from the date filed.

Students who do not enroll within a year after being granted admission to the seminary must file a new application. Former students who have been out of the seminary for one academic term, but not for a full year, must bring their admission materials up-to-date by submitting an Application for Readmission at www.nobts.edu/registrar under the “Admissions” section. Former students who have been out of the seminary for one year or more must file a new application and must re-enter under the latest Catalog.

Campus Transfer

Students who completely change their campus location from a previously approved campus location must notify the Registrar’s Office by filling out the “Change College Location” request form in the “Student Request Forms” section of www.nobts.edu/registrar. Currently enrolled students who had permission from the Registrar’s Office to enroll in multiple locations will remain designated to the campus they were assigned most recently. Certain campuses may require additional student information before students can attend class.

Degree Transfer

Students who completely change their degree from a previously approved degree must notify the Registrar’s Office by filling out the “Change of Degree” request form in the “Student Request Forms” section of www.nobts.edu/registrar. Once this request is submitted the student will be contacted by the Registrar’s Office to discuss the change of degree. Certain degree changes may require additional student information. The degree change will not be considered official until the Registrar’s Office changes the degree information on the student’s transcript which will be confirmed through the student’s SelfServe account.
**Immunizations**

In compliance with Public Health regulations in the State of Louisiana for all students in institutions of higher learning, the following immunizations are required for students attending in the State of Louisiana:

1. Tetanus/Diphtheria - every ten years.
3. Measles - students born on or after 1/1/57 must have two inoculations since 1968.

The seminary recommends an influenza vaccine in the fall of each year for students with certain health concerns as follows: congenital or acquired heart disease, chronic pulmonary disorders, chronic renal disease or nephrotic syndrome, sickle cell anemia or other chronic anemias, Diabetes Mellitus, any transplant patient or HIV-positive patient, or any student over age 65.

TB testing is required of all New Orleans main campus new students prior to their first registration. The seminary also recommends a TB-PPD test for any new tuberculosis (TB) exposure. All prior exposures with a positive PPD should be followed by chest X-rays at regular intervals.

Proof of immunizations in writing on official agency letterhead and signed by a health care professional must be provided as part of the admissions process. Without such proof, the student will not be admitted into the seminary. Immunizations are available in the clinic for a fee. This fee varies each semester, so please feel free to call for information. Students who request exemption for medical reasons must provide documentation by a physician and be cleared for exemption by the campus medical director and the Dean of Students.

**Health Insurance**

The seminary encourages all students to carry some type of health insurance coverage for themselves and their family members. The seminary does not furnish health insurance for students or their families, and is not responsible for providing health care or financial support for health care expenses.

Consult the student handbook for further information regarding health care options.

**Divorce and Estrangement**

Applicants who are married but living in estrangement from their spouses will be considered on an individual basis. Every effort will be made to be sympathetic with applicants while upholding high Christian principles in keeping with the process outlined below.

Applicants who have been divorced may be admitted to the seminary if they meet the following conditions:

- that the marriage relationship has been terminated by divorce judgment.
- that at least one year has passed since the divorce judgment.
- that the applicants present evidence that they have dealt appropriately with the emotional pain and financial consequences of the divorce;
- that the applicants’ usefulness in Christian service be highly recommended by a local church and personal references;
- that both the applicant and spouse (if remarried) are committed to the sanctity of marriage.

Divorced or separated applicants are required to complete a Divorce/ Separation Information Form and be interviewed by the seminary counselor. In some cases, the seminary counselor may require the applicant to complete standard psychological tests. The seminary Admissions Council reserves the right to base its decision about admission on the facts found in each case in accordance with the seminary’s policies on divorce.

Current students who experience a separation or divorce will be required to drop out of the seminary for at least a year in order to allow adequate time for the individual to recover emotionally, spiritually, and financially from the pain and scars left by separation and divorce. In such cases, the student and/or non-student spouse will not be allowed to remain in seminary student housing. The specific timetable for the academic withdrawal and vacating housing will be determined by the Dean of Students in light of the circumstances.

Opportunities for service in local churches may be more limited for seminary graduates with a divorce than for other graduates. Divorced applicants should explore a realistic assessment of the range of opportunities of service open to them before pursuing seminary training.

**International Students**

International students must be able to present evidence that they have earned a degree which is the equivalent of the Bachelor of Arts degree offered in American colleges and universities. International students will need to have their academic records and transcripts evaluated by World Education Services, Inc. (www.wes.org).

World Education Services, Inc. should be contacted for information in obtaining the necessary forms. World Education Services, Inc. charges a fee for this evaluation. Please request that World Education Services, Inc. forward directly to the seminary a document-by-document copy of the evaluation.

Students whose native language is not English must take the Test of English as a Foreign Language (TOEFL), which is administered through Educational Testing Service (www.ets.org). Below are minimum scores for admission approval for each testing format. (See chart on next page)

The TOEFL must be taken prior to the Admissions Council granting admissions approval. The institutional code for New Orleans Baptist Theological Seminary is 6472.

ETS policy dictates that “because English proficiency can change considerably in a relatively short period, scores more than two years old cannot be reported or validated.” Therefore, scores must be no older than 2 years.
United States Immigration regulations make it mandatory that persons entering the United States on a student (F-1) visa show adequate resources for their seminary training. Therefore, international students will need to provide a written certification from a bank or similar financial agency certifying they presently have on deposit in a savings account the minimal requirement for one year of study at the seminary for a single or a married student. Applicants may contact the International Student Advisor in the Registrar’s Office for the adequate funds required.

To fulfill Department of Homeland Security requirements, international students must maintain full-time status, which equates to nine (9) graduate semester hours per semester. Students must maintain full-time status in order to remain in campus housing.

**English Competency**
All new master’s-level students are required to demonstrate a level of competency for reading and writing in the English language that is consistent with graduate-level coursework. Level of competency will be determined by the analysis of undergraduate transcripts. Individuals with a combined GPA of less than 2.0 in undergraduate English coursework will be required to enroll in English Composition during the first semester of study at NOBTS. Students required to take English Composition will receive notification in their letter of acceptance.

**Orientation and Registration**
All students enrolling in New Orleans Baptist Theological Seminary for the first time will be expected to complete online orientation on Blackboard. Students who have selected either the main campus or an extension center as their preferred campus will also be required to attend orientation at their respective campuses (online students are not required to attend a campus orientation). Once a student’s application is approved, the student must complete their orientation requirement at the next available orientation. Students who do not complete the orientation requirement as specified will be charged a late orientation fee of $100 and required to participate in the next available orientation.

Online orientation will educate students regarding the general academic policies of the seminary. During campus orientation, students will receive additional information particular to their campus, as well as opportunities to interact with professors and other students. Former students who are required to reapply to the seminary will be expected to complete their orientation according to the specific instructions received from the Dean of Students Office.

New students will register at their campus orientation, but new online students will be eligible to register as soon as they are approved. When enrolling at a term other than fall or spring, new students should check with the Registrar’s Office for official instructions. Students should check www.nobts.edu and The Gatekeeper for announcements related to registration and tuition. Registration for fall and spring semesters concludes at 4:00 PM (New Orleans time) on Friday before the first day of the semester, and a late registration fee will be assessed for students failing to meet the deadline. No admissions will be granted after 4:00 PM (New Orleans time) on Friday of the second week of class meetings each regular semester.

**Credit Evaluation**
Academic credits may be transferred from other institutions toward a baccalaureate or master’s degree in some cases, if they meet the following stipulations:

- The credit hours transferred may not exceed an amount equal to half of the degree from the original institution and half of the requirements of the degree being sought at NOBTS.
- A minimum of 30 semester hours toward a degree must be taken at NOBTS. These credit hours can be taken either at the main campus, at any of the current extension centers, or through online courses.
- All courses transferred must be substantially parallel to the offerings of NOBTS and fulfill the requirements of the relevant degree plan.
- Courses which do not fulfill the requirements of the degree being sought cannot be transferred.
- Credit hours from seminaries which are members of ATS (the Association of Theological Schools in the United States and Canada) must carry a grade of at least a “C” to be transferred.
- Credit hours from academic institutions accredited by an agency recognized by CHEA must carry a grade of at least a “B” to be transferred.
- Credit hours to be transferred from academic institutions not accredited by an agency recognized by CHEA must carry a grade of at least a “B” and preferably be earned in on-site classes rather than through correspondence; up to 18 hours can be transferred.
- The decision of the Registrar and Provost is final with regard to the evaluation of all graduate transfer credits.

A credit evaluation may be requested by filling out the “Request a Transcript Evaluation” request form in the “Student Request Forms” section of www.nobts.edu/registrar. Credit evaluation can take up to 60 days to complete; this is from the point of receiving all documents that are needed from the student and the previous institution.

**Full-time Course Load**
A full-time graduate student load on the main campus is a minimum of nine (9) credit hours per semester, while a full-time load for extension center graduate students is a minimum of two courses per semester. Only regular semester and hybrid courses count toward full-time load. (Internet classes, independent directed studies, practicums, and academic workshops do not count toward full-time load). Students must have full-time status to be eligible for financial aid and student housing. When withdrawal from a class places the student’s course load at less than nine credit hours, the student can lose eligibility for financial aid and student housing.

**Maximum Course Load**
Maximum course load is 18 credit hours per semester (which includes all courses taken within the semester). Students desiring to take additional courses must have the approval of the Associate Dean of Graduate Studies.
Academic Policies

Academic Advising
Graduate faculty provide general guidance for specialized programs during the degree program orientation section of Student Orientation and by appointment in their offices. Students can monitor their academic progress online through SelfServe. However, the academic advisors in the Registrar’s Office are the primary source for academic advising of graduate students. It is essential that students maintain frequent contact with their academic advisor in order to assure that they maintain progress toward their degree. Students who do not benefit from the advice of their academic advisor may be unaware of the scheduling of limited class offerings or overlook a degree requirement that could delay their graduation. Academic advisors for most graduate students are housed in the Registrar’s Office; however, extension center students may also utilize academic advisors associated with the extension center system. Some specialized programs such as Music or Psychology and Counseling may require academic advising in these respective offices.

Students should consult their academic advisor during every registration period and before adding, dropping, or withdrawing from a class. Students should be sure to update their academic advisor immediately upon any change in degree, specialization, or concentration they are seeking from the Seminary in order that their degree plan can be updated and to assure they make progress toward graduation without delay.

Please feel free to call or stop by the Registrar’s Office to request academic counseling. However, if you want to guarantee a time slot to meet with a counselor you can request an appointment through www.nobts.edu/registrar.

Registering for Courses
All returning students are required to register for classes through their SelfServe account. The registration deadlines for each term are published in the online graduate courses schedule each semester. These schedules can be found at www.nobts.edu/academics.

Registration always closes at 4 p.m. Central Standard Time on the final day of the registration period. Once the deadline has passed, students can request to be registered late. To begin the late registration process please e-mail registrarsadmin@nobts.edu. If the request is approved, the fee for late registration is $110 plus the tuition for the course.

Writing Guides
In preparing research papers, seminar reports, and dissertations, students are required to follow the approved edition of A Manual for Writers of Term Papers, Theses, and Dissertations by Kate Turabian, published by the University of Chicago Press.

All counseling students enrolled in counseling courses are required to follow the approved edition of The Publication Manual of the American Psychological Association. Students in biblical studies are to follow the latest edition of the SBL Handbook of Style.

Absences
Class attendance is essential for effective learning. Students will be expected to attend all classes unless prevented by illness or emergency. No student who misses more than the maximum number of hours as prescribed below can receive credit for the course. A grade of “F” will be assigned to students who fail to attend class the minimum number of hours.

Class periods missed because of late enrollment will be counted as absences. Students may not enter after the end of the second week of the beginning of each regular semester. Three occasions of arriving late for a class or leaving early from class will count as one absence.

Students should take care to avoid unnecessary absences so that illness or emergencies will not cause failure in the class. The maximum number of absences without failure for classroom courses is as follows:
- 1-hour courses - 3 classroom hours absent
- 2-hour courses - 6 classroom hours absent
- 3-hour courses - 9 classroom hours absent
- 4-hour courses - 12 classroom hours absent

No absences are allowed in academic workshops or one-week summer courses. For the four-time per semester hybrid courses, students can only miss one of the four monthly class sessions. For the eight-time per semester hybrid courses, students can only miss two of the eight class sessions.

Independent Directed Study (IDS)
Students may earn a limited amount of credit through independent directed study. An IDS course is permitted only if one of the following two criteria are met: (a) to provide interested students with training in a specialized area not covered in a regularly offered course, or (b) to offer a course required for graduation which is not available to the student in the regular class schedule. The student may take no more than four independent directed studies per academic year (fall, spring, summer) – one per regular semester, and no more than two in the summer. If taken in the summer, students may enroll in only one additional summer class while enrolled in an IDS. No IDS can be taken during an Academic Workshop session.

Independent directed studies include reading, writing, and research projects done under the direction of a seminary faculty member. Students desiring an IDS should submit a written request to the professor who will direct the study. The professor will provide the appropriate form to request permission to take the IDS. All proposals must be approved by the professor, the appropriate division chairperson, and the Dean of Graduate Studies prior to registration. A copy of the proposal will become a part of the student’s permanent file.

Students should register for an independent directed study during the regular registration process. Deadlines will be strictly enforced. Assignments must be completed two weeks before the end of the semester or one week before the end of a summer term. The fees for an IDS are not included in the student’s regular tuition fees. The fees include the current tuition fee for one course and an instruction fee. Fees must be paid at the time of registration for the course. See the section on student fees in this Catalog for current IDS fees. Students approved to register for an IDS after the regular registration period will pay the $110 late registration fee.

Auditing Classes
Seminary classes may be audited without credit under certain conditions. Regularly enrolled students are permitted to audit additional courses by scheduling such courses during the normal registration process. Students may not enroll in 19 semester hours or more without permission of the Associate Dean of Graduate Studies. Accepted students desiring to audit a course must fill out the “Request to Audit” form found at www.nobts.edu/Registrar under the “Student Request Forms” section. Nondegree students desiring to only audit must complete an application form available in the Registrar’s Office for each semester in which they audit classes. Such applications must be approved by the Registrar in consultation as needed with the Associate Graduate Dean and/or the professor involved, considering such factors as available space and academic prerequisites.

See the section on student fees in this Catalog for current audit fees. Audit fees do not count toward load on tuition cap or scholarship/grants.
After the Drop/Add Period, a student may withdraw from a regular semester however, after the first day of class. Tuition is not refundable, minus the $20 per class drop fee. A student should consult an academic advisor before dropping or adding any courses.

Forms section of www.nobts.edu/registrar. A student should consult an academic advisor before dropping or adding any courses.

Withdrawal from a Course

Adding a Course

Adding another course in addition to the student's schedule at registration must be done before the end of the second week of the semester in the fall and spring semesters. The drop/add period for summer Internet courses is at the end of the first week due to the summer session being a condensed term. Requests for an additional class may be completed by filling out the “Drop/Add Course” request form in the “Student Request Forms” section of www.nobts.edu/registrar. A student should consult an academic advisor before dropping or adding any courses. The fee for dropping a course is $20 per course add fee. Students may not enroll in 19 semester hours or more without permission of the Associate Dean of Graduate Studies. A student should consult an academic advisor before dropping or adding any courses.

Dropping or Adding a Course

Dropping a Course

In such cases, the student should complete the “Drop/Add Course” request form in the “Student Request Forms” section of www.nobts.edu/registrar. A tuition refund minus a $20 class drop fee is available for those who drop a Hybrid class before the second class meeting.

Dropping a PhD Block-Scheduled Course

Emergency Withdrawal
Students who must withdraw from the seminary because of a life-threatening personal or family emergency may receive an EW (Emergency Withdrawal) for all the courses in which they were enrolled, and may receive a partial refund. To qualify for an Emergency Withdrawal, the student must petition the Provost of NOBTS, with a statement that evidences the need for the Emergency Withdrawal. Emergency Withdrawals are granted only when circumstances arise during the semester that are beyond the control of the student and prevent class attendance and/or completion of class assignments. Heavy work loads, church responsibilities, or other personal and/or family difficulties normally are not sufficient reasons for Emergency Withdrawal, since these reasons are not unusual or extraordinary. Students who have received a grant or scholarship will be required to repay that grant or scholarship when they withdraw from school.

Grading Scale
The grading scale for the master's programs is as follows:

- A - 93-100
- B - 85-92
- C - 77-84
- D - 70-76
- E - Course in progress
- F - Below 70 or failure in Pass/Fail course
- P - Pass in Pass/Fail Course
- I - Incomplete
- S - Satisfactory
- U - Unsatisfactory
- AW - Admin. Withdrawal
- WP - Withdrawn Passing
- WF - Withdrawn Failing
- FR - Failure Repeated
- EW - Emergency Withdrawal

Examinations
The time limit for final examinations shall be two hours and shall be strictly adhered to according to the schedule published in the Catalog. Late finals are permitted only in extreme emergencies and must be approved by the Academic Advisor. Early finals are not permitted. Scheduled sectional/unit exams: Prior arrangements made in consultation with the professor are at the discretion of the professor. A student who misses an exam because of illness or personal reasons should contact the professor to indicate the problem and a suggested time for make-up. A student who misses for no valid reason should be expected to take a make-up at the professor/grader's convenience and will incur a point penalty.

Quality Points
For each semester hour of credit earned, quality points will be recorded as follows: A-4; B-3; C-2; D-1. To complete requirements for a degree, a student must earn a minimum average of two quality points for each semester hour of credit.

Incomplete Work
At the end of a semester, a mark of Incomplete shall be placed in the teacher's record in a case where a student is granted permission to complete any part of the required work after the date set for the examination. Such permission is granted only by the Academic Advisor and only in case of an emergency. Requests for such permission must be made in writing by
students on Student Request Forms provided by the Academic Advisor’s
Office. If possible, requests should be made before the time for the
examination. The deadline for requests is two weeks following the date
set for the examination. If delay is granted, but not extended in view of
continuing emergency, the work must be completed during the semester
following in a regular session (summer school is not included). There
will be no further penalty for delays. If permission is not granted or not
exercised during the time set, the work involved will be graded zero. The
Academic Advisor’s Office bears no responsibility for incomplete work.
Please also note that students may not receive an Incomplete for any
Internet course—i.e., all work must be completed during the academic
duration of the Internet course.

Financial Obligations
Credits for grades will not be effective in the Registrar’s Office until
satisfactory agreement concerning financial obligations has been made
with the Business Office.

Academic Probation and Suspension
If a student’s total grade point average falls below 2.0, the student will be
placed on academic probation for the next semester in which the student
enrolls. A student will be permitted to enroll for a maximum of 9 semester
hours during the semester of academic probation. Failure to achieve a 2.0
grade point average during the semester of academic probation will result
in immediate suspension of the student for at least one full semester.

A student on academic suspension may apply for readmission to the
seminary up to one month in advance of the anticipated enrollment date.
If readmission is granted, the student will be on academic probation for
one semester. A student who fails to achieve a 2.0 grade point average
during this semester of academic probation will be immediately and
permanently suspended from school.

The faculty or any appropriate committee of the faculty may at any time
advise the President that a student evidences spiritual, ethical, emotional,
psychological, or attitudinal deficiencies which in the judgment of the
faculty disqualify the student for continued study at the seminary. The
student may appeal this determination to the President. The decision of
the President shall be final.

Standard Policy for Student Conduct
Seminary students are expected to live according to the high standards
of conduct befitting a Christian minister.

Seminary Policy on Plagiarism
The Student Handbook section on Ethical Conduct includes plagiarism
as one type of unacceptable conduct.

Definition of Plagiarism
Students are given the task of writing papers in order to help them learn
how to think critically about the ideas of others and to present the result
of their analysis in a readable form. Plagiarism defeats these purposes by
cheating the student out of an opportunity to grow. Plagiarism is, therefore,
a failure to distinguish between the work of the student and the work of
others, either intentionally or unintentionally. It may take several forms:

• Taking one or more sentences verbatim from a source and inserting
it into a paper without the proper citation obviously is plagiarism.
The student should note that a failure to document credit for a
direct quotation is also a violation of copyright law (See Student
Handbook section on Electronic Reserves).
• Representing the words or ideas of another person as your own
words or ideas is plagiarism, even if you summarize. However,
loosely paraphrasing a sentence without proper citation also is plagiarism.

• Borrowing without proper citation such things as an outline, an
idea, or an approach to dealing with a problem that is unique to
an author is plagiarism. This type of plagiarism often results from
poor note taking on the part of the student.
• Plagiarism also can result from improper methods of citation. The
student is responsible for learning the appropriate rules for citing
sources and for following those rules throughout the paper.
Ignorance of rules of citation is not an excuse.
• In addition plagiarism is a violation of the use of the seminary's
computing resources (See Student Handbook section on Com-
puter Use Policy Violations).

For other definitions of plagiarism and ways to avoid it see Robert A. Harris,
The Plagiarism Handbook: Strategies for Preventing, Detecting, and Dealing

Consequences for Violations of Plagiarism
When a professor discovers a student has committed plagiarism, the professor
should report this violation to the Dean of Students. In making this report,
a copy of the paper in question is supplied to the Dean of Students for the
purpose of documentation. A letter of warning will be issued from the Dean
of Students Office to the student notifying him or her of the violation. This
letter will serve as the official notice of the violation, and a copy will be placed
into the student’s permanent file along with the copy of the student’s paper(s).
Copies of the letter will be forwarded to the appropriate academic dean, the
Registrar, the professor, and the Provost. This letter will state clearly that if the
student plagiarizes a second time, the offense will be reported directly to the
President. At the discretion of the President, a second offense of plagiarism
may result in the student’s dismissal from the seminary.

Repeating a Course
When students have received credit for a course, they will not be
allowed to repeat it for credit except through petition and approval of
the Registrar. For students who have been approved to repeat a course
for which they have received prior credit, the most recent grade in that
course will count toward their GPA. The previous grade will be changed
to indicate a repeated course on the official transcript and will not be
calculated in the student’s GPA. If the student repeats a course and earns
a failing grade, a prior passing grade in the same course will be negated
and not count towards the requirements for the degree.

Discrimination
The seminary does not discriminate in admissions or in the administration
of its educational policies on the basis of race, color, national origin, or
ethnic origin. Only to the extent required by its religious tenets and allowed
by law does the seminary make distinctions between men and women.

The fulfillment of the seminary’s religious mission requires the seminary
to be the sole judge of which students should be admitted and, once
admitted, to continue to pursue a course of study and to receive a
degree. In these decisions, the seminary is concerned with the spiritual,
ethical, emotional, psychological, moral, behavioral, and attitudinal traits
evidenced in the student’s life which suggest a foundation upon which
a lifetime of Christian ministry can be built.

Seminary and Third-Party Access
of Student Information
Appropriate admissions and academic personnel have access to student
records for processing and maintenance purposes. Directory
information, data that normally is public information, is available
to seminary and outside sources. Additional information will not be
released without the written permission of the student.
Senior Status
Master of Divinity students reach senior status when they have completed 50 semester hours. Master of Arts in Christian Education students become seniors when they have completed 27 semester hours. Master of Arts in Marriage and Family Counseling students reach senior status at 43 semester hours, and Master of Music in Church Music students reach senior status at 10 hours.

Students may declare their specialization prior to becoming seniors, but they are required to do so by the time they reach senior status. All MDiv and MA students must have a senior conference with the Academic Advisor during the term prior to reaching senior status or as soon as possible thereafter. Master of Music in Church Music students should consult with the Division of Church Music Ministries chairperson.

Master’s Credit for a Doctoral Seminar
- Candidates in master’s degree programs of the seminary may be admitted to doctoral seminars when they have met the following requirements:
  a. A combined score of “0” or higher on the five-point sliding scale for doctoral application acceptance.
  b. No more than 32 semester hours remaining to complete the master’s degree.
- Permission for registration is granted through the Office of Research Doctoral Programs.
- Credit for one seminar (4 hours) may be applied to an appropriate master’s-level degree.

Seminar credit earned prior to the completion of requirements for the master’s degree cannot be applied to a doctoral program.

Requirements for Graduation
In order to graduate from the seminary, students must meet all academic requirements set forth in this Catalog, settle all financial obligations to the seminary, and maintain high standards of moral and ethical conduct. The seminary requires that all students anticipating graduation be currently enrolled and have earned minimally 30 hours for the degree program at the New Orleans Baptist Theological Seminary. These hours can be taken at the main campus, at any of the current extension centers, or through online courses.

Students who wish to graduate must apply for graduation by August 15 for December graduation or February 15 for May graduation. The application for graduation may be found at www.nobts.edu/registrar.

Participation in graduation exercises is required of all students unless permission is granted to graduate in absentia. Requests for permission to graduate in absentia should be made on the application for graduation. Permission is granted only in cases of emergencies.

Key to Identifying Courses
Courses listed in the Catalog are identified by four letters and four numbers. The letters indicate the division and/or the subject area. For example, the letters PREA indicate that the course is a Preaching course in the Pastoral Ministries Division. The letters CCSW indicate Church and Community Ministries Division and the department of Social Work.

The first number indicates the course level:
1–4: Undergraduate-level courses
5: Basic master’s-level courses without graduate prerequisite or considered beginner’s level. These courses, especially if required as prerequisites for other courses, should be taken as early as possible in the student’s program of study
6: Advanced master’s-level courses having prerequisites, or courses which by their nature should be taken after the student’s initial year of theological study
7: Master of Theology courses to be taken only by students pursuing the Master of Theology degree program
8: Doctor of Ministry, Doctor of Educational Ministry, and Doctor of Education courses
9: Doctor of Philosophy, Doctor of Education, or Doctor of Musical Arts courses only

The second number indicates the hour value of the course.

Definition of a Credit Hour
At NOBTS, a standard, semester-based course with weekly meetings will normally meet in person 1 hour in seat time per credit hour weekly, with assignments which take approximately two hours per credit hour outside of class. So, for a typical 3 hour course, class meetings will total 45 hours in seat time, and outside of class assignments will total approximately 90 hours. The total time spent by the student inside and outside the classroom for the 3 hour course should thus be approximately 135 hours. When various alternative delivery systems are being utilized in which the percentage of seat time and outside of class assignments vary, the same total time investment of total time commitment by the students must be maintained.

Policies for Defining and Assigning a Credit Hour in Courses Unique to the Music Division
In terms of credit hours versus contact hours in the Division of Church Music Ministries, the following procedures have been established. Each credit hour of applied study equals a half hour of instruction. For example, a student taking 2 credit hours of voice would receive 1 hour of instruction per week over a 15-week semester. In keeping with common practice, lesson assignments are made during week 1, so there are actually 14 lessons. All ensemble courses include 1 hour of credit regardless of the number of contact hours of instruction in a given week (e.g., Seminary Chorus meets from 6:30 to 8:30 on Monday evening but students receive 1 hour of credit). Class piano follows the model of applied lessons. Because the class is small, 2 hours of credit equal 1 hour of instruction per week over the course of a 15-week semester. The standard of 2 hours of assigned work per credit hour in addition to contact hours as defined above is mandated for all undergraduate and graduate courses. In the case of ensembles, additional work required is largely met with the extra rehearsal time as described above.

The course will be taught in connection with the NOBTS excavation in Israel, currently at Tel Gezer. Instruction will be assisted by leading ceramics expert(s) in Israel, with daily pottery analysis, visits to archaeology labs, and textbook study. Students will learn the keys and methods for dating, analyzing, and synthesizing data from ceramics for understanding material cultures of various ANE civilizations.

BBHG6355  History and Geography of Ancient Israel (3 hours) Cole
This course will acquaint students with the history and geography of ancient Israel and early Judaism as it is known from biblical texts, ancient historical sources, early Jewish writings and archaeological finds and will expose students to the way history was written in the ancient world. This will be accomplished through reading and comparison of historical sources and several study tours throughout the land of ancient Israel.

Musical Activities
These groups are open to the seminary community. Previous choral or instrumental experience is recommended. An audition may be required for some of the following groups.

The Seminary Chorus. This choir of men and women combines with community singers to perform major choral works, sections of major choral works, or exemplary sacred choral anthems. Orchestral accompaniment is a regular part of these concerts.

The Seminarians. Seminary chapel performances, fall and spring tours, and other concert appearances are made each year by this group of male singers.

The Ladies Ensemble. The ensemble performs in seminary chapel, for church services, and for other occasions in the greater New Orleans area.

Instrumental Ensemble: Orchestra. Chapel programs, recruiting trips, concerts, recitals, and the accompanying of various seminary choral groups comprise the activities of this group. Membership is based upon musicianship and instrumental skills of interested persons within the seminary family. This ensemble sometimes functions as a class depending on student interest.

Instrumental Ensemble: Worship Band. This group provides the instrumental accompaniment for chapel services, which occur twice a week during the fall and spring semesters. This ensemble sometimes functions as a class.

Instrumental Ensemble: Jazz Band. This group is utilized primarily for public relations events (e.g., donor events). This ensemble sometimes functions as a class.

In addition to campus opportunities in the Division of Church Music Ministries, the city of New Orleans affords the students a rare musical laboratory. Experience can be gained both as a listener and as a performer. The Louisiana Philharmonic Orchestra sponsors an orchestral series, and The New Orleans Opera Guild sponsors an opera series. Student discount tickets are available.

Music students are encouraged to accept church positions while in seminary. Most students in this Division who desire to serve local churches while attending seminary have found ministry positions during their time in the degree program. It is believed that involvement as music leaders in churches gives students a practical outlet for what they experience in the seminary classroom.

The Music Division encourages participation in the following professional societies:

American Choral Directors Association. A student chapter of this national professional organization for choral conductors was organized in 1984. (See Dr. Ferrington.)

The Hymn Society in the United States and Canada. The first student chapter affiliated with the Hymn Society in United States and Canada was formed in 1966 at New Orleans Baptist Theological Seminary. This organization is open to all interested students. (See Dr. Steele.)

Baptist Church Music Conference. This chapter seeks to familiarize the student with the national organization of Southern Baptist church musicians and provides information, fellowship, and exchange of ideas during the student’s seminary tenure. (See Dr. Woodward.)

### Placement Examinations

A student admitted to the institution to study for the Master of Music in Church Music (MMCM) or the Master of Divinity with a specialization in Church Music (MDivCM) degree must take a series of examinations at the beginning of the student’s first semester in order to determine the level of undergraduate music proficiency. The results of the examinations and auditions will assist the faculty in determining for the student any courses which may be required to remove undergraduate level deficiencies. These examinations are given prior to registration in August and January. Music placement examinations and performance auditions cover the following areas:

- Music Theory – harmony, ear training, form and analysis, counterpoint, and orchestration.
- Music History – literature (choral, solo vocal, instrumental), composers, and important facts of all periods. This examination also includes a listening component.
- Conducting
- Keyboard
- Voice

Detailed information concerning these examinations may be obtained from the Church Music Ministries Division Office.

A student who has earned a baccalaureate degree in music must complete required remedial work within eighteen months. Students who have not earned a baccalaureate degree in music must complete required remedial work within twenty-four months.

All deficiencies must be completed before a student may apply for an area of concentration, present a graduate recital, or take comprehensive examinations.

### Graduate Music Proficiency Workshop

The Division of Church Music Ministries offers a workshop to help students prepare for the Music Placement Examinations. The workshop is offered two weeks prior to the first full week of classes in the fall semester only. It includes classroom experience and tutoring in all areas of testing. The placement examinations will be given the week following the workshop.

To be eligible for workshop registration, the student must show evidence of earned baccalaureate credit in music classroom and performance experience from an accredited institution. Students may register for all sections of the workshop, or for the portions that they believe will be most beneficial to them in their preparation for the examinations. A small fee is required for each section of the workshop. The schedule of tutoring sessions will be provided for prospective students through e-mail. Interested students may call the Church Music Ministries Office for a schedule, fee structure, and registration information concerning the Graduate Music Proficiency Workshop.

### Jury Review

A faculty jury review is required of all students enrolled in graduate applied music (performance), except for students who present a graduate recital (or undergraduate proficiency recital) in that semester. Jury examinations are held at the end of each semester.

### Proficiency Examinations

Each MMCM or MDivCM student must pass Proficiency Examinations in piano and voice. These proficiencies must be passed within the required time allowed: eighteen months after entrance for music majors in college and twenty-four months for all others.

**Piano Proficiency Examination.** Each MMCM or MDivCM student must complete the Piano Proficiency Examination. Requirements are included in the Music Student Handbook, which may be obtained in the Church Music Ministries Division Office.

**Voice Proficiency Examination.** All MMCM and MDivCM students are required to complete a Voice Proficiency Examination. For students whose performing area is not voice, two songs in English are required. For both levels, the songs chosen should reflect the student’s current abilities and competence for graduate studies.

For students whose performing area is voice, this audition is to indicate to the faculty of the Division of Church Music Ministries the competency level of the applicant in terms of singing ability and knowledge of English, French, German, and Italian diction. Audition requirements for a student whose primary performing area is voice are as follows:

- Sing one song in each of the aforementioned languages as accurately and artistically as possible from memory.
- Read in any of the above languages.

### Admission to Candidacy and Area of Concentration

The MMCM student must apply to the Chairman of the Division of Church Music Ministries for admission to candidacy in an area, or areas, of concentration. The student may obtain forms entitled “Application to Candidacy and Area(s) of Concentration” from the Music Office. For detailed information consult the Music Student Handbook.

Admission to the candidacy and an area, or areas, of concentration is contingent upon the following:

- Removal of all undergraduate course requirements
- Passing of performance proficiencies (piano and voice)
- Maintaining the required grade average of “B” in graduate level music courses
- Completion of 9 hours of MMCM degree requirements (including “Foundational Studies Component” courses)

### Audition/Application for Concentration

**Composition.** The student must submit works in at least two musical media representing the strength of the student’s compositional style.

**Conducting.** Students should begin passing elements for the conducting application while taking Advanced Conducting (see note below).
Details of the audition requirements may be found in the Music Student Handbook.

Church Music Education. The student must write a brief summary of church music education study and experience. In addition, the student will propose several topics for the culminating project or thesis.

Orchestral Instrument. The student should be prepared to perform a fifteen-minute recital consisting of literature from at least two different style periods. A portion of the recital must be performed from memory. Memory requirements will be determined on an individual basis by the instructor based upon goals and objectives for the student and his or her level of proficiency.

Organ. The student should be prepared to perform a fifteen-minute recital consisting of literature from at least three different style periods. A portion of the recital must be performed from memory. Memory requirements will be determined on an individual basis by the instructor based upon goals and objectives for the student and his or her level of proficiency.

Piano. The student should be prepared to perform, from memory, a fifteen-minute recital consisting of literature from at least three different style periods.

Voice. The student should be prepared to perform, from memory, a total of four songs, one each in French, German, Italian, and English. The songs should reflect the Baroque, Classic, Romantic, and twentieth-century periods. Genres represented should include oratorio, opera, and art song.

Note: Some concentrations may require completion of application elements before passage of remedial elements based on Placement Exams or missing undergraduate work. In this manner students may be reasonable assured that they are on track to complete elements in a given concentration.

Performance Regulations
Students studying performance must observe the following regulations:

• Performance lesson fees will not be refunded after the close of registration.
• Lessons missed shall be made up under the following circumstances:
  a. absence of the teacher; and
  b. illness of the student. (When the teacher is notified in advance of the scheduled lesson time, the student must initiate the scheduling of make up lessons.)
• All students enrolled in applied music courses are required to attend studio recitals as arranged by applied music instructors.
• All students giving a recital must be enrolled in the corresponding applied performance course during the semester in which the recital is to be presented.
• Students should refer to the Music Student Handbook for General Recital performance requirements.

Recital Laboratory
All MMCM or MDivCM Voice, Piano, Organ, or Orchestral Instrumental concentration students must complete two semesters of MUSS5001 Recital Laboratory.

Comprehensive Examination
After completing a minimum of 30 semester hours of requirements for the MMCM or MDivCM degree, and being approved for candidacy, the candidate will take the Comprehensive Examination.

• All MMCM and MDivCM students must take the written Comprehensive Examination. The Examination focuses on the student's knowledge of the field of church music ministry. Questions on the Examination deal with current issues affecting ministry and/or knowledge of philosophical/foundational concepts of music in the church.
• All deficiencies and proficiencies must be completed before students take the Comprehensive Examination.
• Students must register for MUSS6001 Comprehensive Examination at the beginning of the semester in which they will take the Examination.
• A committee of three music faculty members will evaluate each Examination to determine a grade of pass, fail, or pass with distinction.
• If a student fails the Examination, his or her committee will meet to discuss the nature of the failure and to recommend one of three courses of action:
  a. an oral examination to be taken within two weeks of notification of failure;
  b. a written examination in a later semester; or
  c. additional course work and a written examination in a later semester. The Comprehensive Examination may be retaken only one time.

Graduate Recital
Students who concentrate in the following areas are required to present a Graduate Recital - Composition, Conducting, Orchestral Instrument, Organ, Piano, or Voice. A recital hearing, scheduled at least two weeks prior to the proposed recital date, is required. (Conducting students may request a hearing one-week prior to recital.) Students who present recitals are responsible for all costs incurred. Additional information concerning recitals is available in the Music Student Handbook.

Academic Probation
If at the end of any semester a student has failed to earn a grade average of “B” in graduate music courses, the student will be placed on probation for one semester. If the student’s average is raised to “B,” the student will be removed from probationary status. If a student’s average falls below “B” for two successive semesters, the student may be either reclassified or suspended.

Guidelines for Distance Classes
Students who wish to take hybrid or online courses must be reasonably experienced with online interaction, including some experience with online searches and various forms of online communication. A person with limited experience in using a computer online would likely struggle in a hybrid or online music course without a significant amount of time being committed to increasing online interaction competency in addition to course requirements. Regarding academic and technical support services for distance learning, the instructor for the course is the provider of academic information for hybrid and online courses. Most academic information is provided through the Blackboard mechanism of delivery, which is used for hybrid and online courses. However, the instructor is available to answer questions through e-mail or other forms of communication as provided by the instructor (e.g., discussion board). The instructor also may be contacted for technical issues, but the NOBTS Information Technology Center oversees all Blackboard course offerings, and an ITC employee is available for student inquiries related to Blackboard technical issues. Furthermore, as a leading Online Management System, Blackboard provides a good deal of help through tutorials.
Transfer of Credit
For music courses, a grade of C or above from a NASM school is accepted if the course is determined to be substantially parallel to the offerings of NOBTS and fulfills the requirements of the relevant degree plan. Courses which do not fulfill the requirements of the degree being sought cannot be transferred in relationship to an NOBTS degree. Courses from schools not accredited by NASM will be reviewed by the Division Chair and Graduate Dean on a case-by-case basis.
