Mission Statement
The mission of New Orleans Baptist Theological Seminary is to equip leaders to fulfill the Great Commission and the Great Commandments through the local church and its ministries.

Core Value Focus
The seminary has five core values.
1. **Doctrinal Integrity**: Knowing that the Bible is the Word of God, we believe it, teach it, proclaim it, and submit to it. This course addresses Doctrinal Integrity specifically by preparing students to grow in understanding and interpreting of the Bible.
2. **Spiritual Vitality**: We are a worshiping community emphasizing both personal spirituality and gathering together as a Seminary family for the praise and adoration of God and instruction in His Word. Spiritual Vitality is addressed by reminding students that a dynamic relationship with God is vital for effective ministry.
3. **Mission Focus**: We are not here merely to get an education or to give one. We are here to change the world by fulfilling the Great Commission and the Great Commandments through the local church and its ministries. This course addresses Mission Focus by helping students understand the biblical foundations for fulfilling the Great Commission and the Great Commandments.
4. **Characteristic Excellence**: What we do, we do to the utmost of our abilities and resources as a testimony to the glory of our Lord and Savior Jesus Christ. Characteristic Excellence is addressed by preparing students to excel in their ability to interpret Scripture, which is foundational to effective ministry.
5. **Servant Leadership**: We follow the model of Jesus and exert leadership and influence through the nurture and encouragement of those around us. Servant Leadership is modeled by classroom deportment.

The core value focus for this academic year is **Spiritual Vitality**.

Curriculum Competencies
NOBTS faculty members realize that all ministers need to develop specific competencies if they are going to have an effective ministry. To increase the likelihood of NOBTS graduates having an effective ministry, the faculty developed a competency-based curriculum after identifying seven essential competencies necessary for effective ministry. All graduates are expected to have at least a minimum level of competency in all of the following areas:

1. **Biblical Exposition**: to interpret and communicate the Bible accurately.
2. **Christian Theological Heritage**: To understand and interpret Christian theological heritage and Baptist polity for the church.
3. **Disciple Making**: To stimulate church health through mobilizing the church for missions, evangelism, discipleship, and church growth.
4. **Interpersonal Skills**: To perform pastoral care effectively, with skills in communication and conflict management.
5. **Servant Leadership**: To serve churches effectively through team ministry.
6. **Spiritual and Character Formation**: To provide moral leadership by modeling and mentoring Christian character and devotion.
7. **Worship Leadership**: To facilitate worship effectively.

The curriculum competency addressed in this course is interpersonal skills.

The major divisions of social work – casework, group work, community organization, and administration and research – will be discussed. The challenge to the churches and their responsibility in the community are an integral part of the course.

Student Learning Outcomes
The student, by the end of the course, should:
1. Be able to apply their knowledge and comprehension of social work to the process of serving churches and community agencies through social work ministries.
2. Value social work methods.
3. Be able to utilize social work skills in the local church and community.

Course Teaching Methodology
This course will be taught utilizing lecture, small group discussions, case studies, videos, and guest speakers.

Textbooks
The following texts and resources are required reading for class discussions and are to be read in their entirety unless otherwise specified.

Additional Required Reading
Articles and book chapters as listed on the Course Schedule in the syllabus

Course Requirements
The following requirements pertain to all students taking the class, regardless of format unless otherwise noted. In addition, **NOLA2U Flex** students should note the additional policies related to attendance and class participation.

*Reading Accountability Test*
Students are responsible for reading the textbooks for the course. One multiple choice test on the Farley, Smith, and Boyle textbook will be available on Blackboard. The textbook may be used during the test. However, students may not share answers or discuss the test.

*Helping Paper*
Topic: “My Philosophy and Theology of Helping”
   Include the following in your paper: your personal/professional views about helping; your attitudes toward helping; your Biblical/theological basis for helping; your personal and professional experiences of helping; your role models for helping; your recommendations for strengthening your future helping relationships.

   The paper should be a minimum of 8 pages. The paper should be typed, double-spaced, with 12 point type. The paper should be submitted on Blackboard. [See the grading rubric attached to the syllabus for more information.]

*Book Discussion*
The discussions will focus on readings from the Garland textbook. Each student should follow the guidelines pertaining to their class format.

Classroom: Students will participate in 7 group discussions in class. Group discussions will last 45-50 minutes.
A student will be responsible for leading a group session. Students should choose questions from the end of each assigned chapter to discuss in the group. Students also may add their own questions. Grades for class discussion will be based upon attendance, participation, and facilitation. Missing more than one group session will lower a student’s score by one letter grade.

**NOLA2U Flex:** Students will complete 7 discussion guides related to the assigned readings. The questions for each discussion guide will be taken from the assigned chapters. Students should type their answers to each discussion guide and submit their answers on Blackboard on the assigned day of the reading. Submission of the completed discussion guide will count as attendance. If less than 6 discussion guides are submitted, the student’s score will be lowered by a letter grade.

**Paper on Practice Area**

Each student will select a social work practice area to research. The paper should include the following information: a. Description of the field of social work practice; b. History or development of the practice area; c. Role of the social worker in the practice area; d. Clients served in the practice area; e. Primary methods of intervention used in the practice area; f. Current issues/concerns within the practice area; g. Future of social work in the practice area.

The body of the paper should be 14-15 pages. Students should have at least 12 sources, excluding textbooks, for the paper. One of the sources should be an interview with a social worker in the field of practice. [See the grading rubric for this assignment attached to the syllabus.]

**Exams**

Students will complete midterm and final exams on the assigned dates. All exams will be given through Blackboard. Each exam will be available for a 24-hour period of time as designated on the course schedule. All exams must be taken within the designated time frame.

**NOLA2U FLEX**

If you are taking this course as a NOLA2U Flex student, please be aware of the following:

1. You are required to be in class either through viewing the lectures live or viewing the recorded lectures on Blackboard. When you view the recorded lecture, you will be considered present for that class. Regardless of if you watch the class live or recorded, you are only allowed to miss the amount of class time specified in the NOBTS attendance policy as stated in the graduate catalog.

2. You will be asked to certify that you have been present for the live session or have viewed the recorded session. This certification will be done through quizzes after having watched the class live or viewing the recorded session.

3. All video lectures are available for 7 days after the video is posted (which is as a general rule the day after the lecture). If you are unable to view the video within that time frame, you will be considered absent for that day.

4. Technical issues will not be considered a valid reason for missing a lecture.
