Mission Statement
The mission of New Orleans Baptist Theological Seminary is to equip leaders to fulfill the Great Commission and the Great Commandments through the local church and its ministries.

Core Value Focus
The seminary has five core values.

1. **Doctrinal Integrity**: Knowing that the Bible is the Word of God, we believe it, teach it, proclaim it, and submit to it. This course addresses Doctrinal Integrity specifically by preparing students to grow in understanding and interpreting of the Bible.

2. **Spiritual Vitality**: We are a worshiping community emphasizing both personal spirituality and gathering together as a Seminary family for the praise and adoration of God and instruction in His Word. Spiritual Vitality is addressed by reminding students that a dynamic relationship with God is vital for effective ministry.

3. **Mission Focus**: We are not here merely to get an education or to give one. We are here to change the world by fulfilling the Great Commission and the Great Commandments through the local church and its ministries. This course addresses Mission Focus by helping students understand the biblical foundations for fulfilling the Great Commission and the Great Commandments.

4. **Characteristic Excellence**: What we do, we do to the utmost of our abilities and resources as a testimony to the glory of our Lord and Savior Jesus Christ. Characteristic Excellence is addressed by preparing students to excel in their ability to interpret Scripture, which is foundational to effective ministry.

5. **Servant Leadership**: We follow the model of Jesus and exert leadership and influence through the nurture and encouragement of those around us. Servant Leadership is modeled by classroom deportment.

The core value focus for this academic year is **Spiritual Vitality**.

Curriculum Competencies
NOBTS faculty members realize that all ministers need to develop specific competencies if they are going to have an effective ministry. To increase the likelihood of NOBTS graduates having an effective ministry, the faculty developed a competency-based curriculum after identifying seven essential competencies necessary for effective ministry. All graduates are expected to have at least a minimum level of competency in all of the following areas:

1. **Biblical Exposition**: to interpret and communicate the Bible accurately.
2. **Christian Theological Heritage**: To understand and interpret Christian theological heritage and Baptist polity for the church.
3. **Disciple Making**: To stimulate church health through mobilizing the church for missions, evangelism, discipleship, and church growth.

4. **Interpersonal Skills**: To perform pastoral care effectively, with skills in communication and conflict management.

5. **Servant Leadership**: To serve churches effectively through team ministry.

6. **Spiritual and Character Formation**: To provide moral leadership by modeling and mentoring Christian character and devotion.

7. **Worship Leadership**: To facilitate worship effectively.

The curriculum competencies addressed in this course are: Discipleship Making, Servant Leadership, Worship Leadership, Spiritual and Character Formation, and Biblical Exposition.

**Course Description**

The purpose of this class is to explore the ministry of evangelism through a local church and its ministries. In addition to a summary of various approaches to evangelism in local churches, the biblical, theological and historical aspects of evangelism will be highlighted as well in order to provide a holistic view.

**Student Learning Outcomes**

In order to stimulate evangelistic church growth and health, the students, by the end of the course, should:

1. Be able to apply their knowledge and comprehension of the following concepts to the process of stimulating evangelistic church growth through mobilizing the church for evangelism:
   - The biblical mandate for church evangelism.
   - The biblical components of the Gospel, including various understandings of what it means to be “saved,” to “make a decision,” or “be drawn to Christ,” and how people may objectively know of and develop confidence in their salvation.
   - The ministry of evangelism; approaches to evangelism; and the biblical, theological, and historical aspects of evangelism.

2. Value the following concepts:
   - Sharing the Gospel with non-Christians.
   - A holistic view in evangelism.

3. Be able, with the help of various evangelistic tools, to share the Gospel with non-Christians and train other Christians in the use of the tools.

4. Be able to develop an informed, multi-faceted evangelistic strategy for a local church.

**Course Methodology**

The course will feature a variety of teaching/learning methods including: lecture, multi-media presentation, required reading, examination, discussions, testimonies, reports, and independent study.

**Textbooks**

*Evangelism Handbook* – Alvin Reid

*Mobilizing a Great Commission Church for Harvest* – Edited by Thomas Johnston

**Course Requirements**

1. Each student will complete an **interview** with a person the student believes is not a Christian or has been out of church for at least 10 years. After the interview the student is to write a thoughtful reflection of the experience. The student may want to include selected significant quotes, a summary paragraph on each
interview, what you learned about the person, what you discovered about yourself or what you need to learn. Please turn in the raw data/responses to the questions.

**Interview Guide**

The student should ask for the time from the person in order to interview him/her for a class assignment with the objective being to simply learn how people see religious things. The purpose is not to convert the person or even share the gospel message. The purpose is to learn what people are thinking about religious matters. The interview must be conducted in person (not over the telephone or online).

Sample request: “*I am doing a research project and need your help. My assignment is to learn how people see religious things. Will you take a few minutes to help me?*”

Let them know that their name will not be included in any manner. You can interview people you know, business people, people in malls or other public places. Please do not interview family members for this assignment.

Take the approach of a student researching, not a minister evangelizing. Please do not try to convince them or debate with them; simply record their answers on a notepad. If they ask your opinion, gracefully decline (because you do not want to influence their answer). After the interview, if the person asks you to tell him/her your beliefs, listen to the Holy Spirit and either set another time to get together for that purpose or go ahead and share. THE POINT, if they feel you are conning them into a witnessing opportunity, you will not get their true feelings and thoughts.

The following represents questions the student should ask...

1. To you, what is God like? Describe God. 
   If they don’t believe in God, ask …
   What do you value most in life?
2. How would you describe your religious background and church involvement if any?
3. What message do you think the church is trying to communicate?
4. What do you think it takes to be made right with God?
5. Describe what the name Jesus Christ means to you.
6. Why do you think people do not go to church?

2. **Two personal evangelism reports** of witnessing to a non-believer conducted during the course of the semester. The students are to use the guide prepared by the professor.

3. **Two exams**: There will be a Midterm and Final Exam.

4. Each student will read **two required books**. The student will be asked to read assigned chapters according to the provided schedule. Reading progress will be evaluated via quizzes, discussion, and personal reflections. Students will research assigned topics related to corresponding chapters in the books and discuss their findings with their mentors.

5. Each student will develop **a comprehensive evangelism strategy** for the local church or ministry context in which they are being mentored. The student will provide a description of the church’s or ministry’s community using demographic information, Chamber of Commerce information, or other pertinent information. The student will develop a historical understanding of the church or ministry. The student will study the church’s or ministry’s evangelistic obstacles, strengths/weaknesses and programs. The student will delineate an evangelistic
strategy for the church or ministry for a period of at least twelve months. A typed, eight-page (minimum) double spaced paper will be prepared by the student. In addition, the student will provide a twelve month calendar with events that execute the evangelistic strategy developed by the student. More details will be given about the assignment in class. This strategy will be done in consultation with the mentor.

This assignment is an embedded assignment that will be completed by all students for all sections of this course. The rubric for grading this assignment is attached to this syllabus. Please complete the assignment according to the syllabus and this rubric.

6. Mentorship Hours and Meetings: The student will be required to fulfill the requirements of the mentorship, including the minimum of 30 hours working in the ministry setting during the semester. These specified hours do not include the weekly scheduled times for worship and Bible study. The student will meet with the mentor each week to discuss personal and ministry issues and hours worked. The student will submit weekly reports of the mentorship and ministry experiences. The reports should be two paragraphs with one paragraph devoted to the mentorship experiences of the week and one paragraph devoted to the ministry experiences of the week.
