Mission Statement
The mission of New Orleans Baptist Theological Seminary is to equip leaders to fulfill the Great Commission and the Great Commandments through the local church and its ministries.

We are here not merely to get an education or to give one. We are here to change the world by fulfilling the Great Commission and the Great Commandments through the local church and its ministries.

Core Value Focus
The seminary has five core values.
1. Doctrinal Integrity: Knowing that the Bible is the Word of God, we believe it, teach it, proclaim it, and submit to it. This course addresses Doctrinal Integrity specifically by preparing students to grow in understanding and interpreting of the Bible.
2. Spiritual Vitality: We are a worshiping community emphasizing both personal spirituality and gathering together as a Seminary family for the praise and adoration of God and instruction in His Word. Spiritual Vitality is addressed by reminding students that a dynamic relationship with God is vital for effective ministry.
3. Mission Focus: We are not here merely to get an education or to give one. We are here to change the world by fulfilling the Great Commission and the Great Commandments through the local church and its ministries. This course addresses Mission Focus by helping students understand the biblical foundations for fulfilling the Great Commission and the Great Commandments.
4. Characteristic Excellence: What we do, we do to the utmost of our abilities and resources as a testimony to the glory of our Lord and Savior Jesus Christ. Characteristic Excellence is addressed by preparing students to excel in their ability to interpret Scripture, which is foundational to effective ministry.
5. Servant Leadership: We follow the model of Jesus and exert leadership and influence through the nurture and encouragement of those around us. Servant Leadership is modeled by classroom deportment.

The core value focus for this academic year is Spiritual Vitality.
Curriculum Competencies

NOBTS faculty members realize that all ministers need to develop specific competencies if they are going to have an effective ministry. To increase the likelihood of NOBTS graduates having an effective ministry, the faculty developed a competency-based curriculum after identifying seven essential competencies necessary for effective ministry. All graduates are expected to have at least a minimum level of competency in all of the following areas:

1. **Biblical Exposition**: to interpret and communicate the Bible accurately.
2. **Christian Theological Heritage**: To understand and interpret Christian theological heritage and Baptist polity for the church.
3. **Disciple Making**: To stimulate church health through mobilizing the church for missions, evangelism, discipleship, and church growth.
4. **Interpersonal Skills**: To perform pastoral care effectively, with skills in communication and conflict management.
5. **Servant Leadership**: To serve churches effectively through team ministry.
6. **Spiritual and Character Formation**: To provide moral leadership by modeling and mentoring Christian character and devotion.
7. **Worship Leadership**: To facilitate worship effectively.

The Curriculum Competencies to be addressed include Disciple Making and Servant Leadership.

Netiquette: appropriate online behavior
Each student is expected to demonstrate appropriate Christian behavior when working online on the Discussion Board. The student is expected to interact with other students in a fashion that will promote learning and respect for the opinions of others in the course. A spirit of Christian charity is expected at all times in the online environment.

Help for Writing Papers at “The Write Stuff”
NOBTS maintains a Writing Center designed to improve English writing at the graduate level. Students can receive writing guides, tips, and valuable information to help in becoming a better writer.

Plagiarism on Written Assignments
NOBTS has a no tolerance policy for plagiarism. Plagiarism in certain cases may result in expulsion from the seminary. See the NOBTS Student Handbook and Graduate Catalog for definition, penalties, and policies associated with plagiarism. Students are given the task of writing in order to help them learn how to think critically about the ideas of others and to present the results of their analysis in a readable form. Plagiarism defeats these purposes by cheating the student out of an opportunity to grow. Plagiarism is a failure to distinguish between the work of the student and the work of others, either intentionally or unintentionally. Students that plagiarize will be reported to the Dean of Students and a grade of “F” will be assigned. Remember the words of the proverb: “Whoever walks in integrity walks securely, but he who makes his ways crooked will be found out” (Prov 10:19).

Disclaimer
Flexibility is a critical attitude to ministry faithfulness. Therefore, the student will be expected to keep a good attitude when things change. This independent study proposes a course of study for a given time period. However, occasionally things change. The professor reserves the right to adjust the syllabus when he reasonably thinks that doing so will enhance the learning experience of the student.
