**Mission Statement**

The mission of New Orleans Baptist Theological Seminary is to equip leaders to fulfill the Great Commission and the Great Commandments through the local church and its ministries.

**Core Value Focus**

The seminary has five core values.

1. **Doctrinal Integrity:** Knowing that the Bible is the Word of God, we believe it, teach it, proclaim it, and submit to it. This course addresses Doctrinal Integrity specifically by preparing students to grow in understanding and interpreting of the Bible.
2. **Spiritual Vitality:** We are a worshiping community emphasizing both personal spirituality and gathering together as a Seminary family for the praise and adoration of God and instruction in His Word. Spiritual Vitality is addressed by reminding students that a dynamic relationship with God is vital for effective ministry.
3. **Mission Focus:** We are not here merely to get an education or to give one. We are here to change the world by fulfilling the Great Commission and the Great Commandments through the local church and its ministries. This course addresses Mission Focus by helping students understand the biblical foundations for fulfilling the Great Commission and the Great Commandments.
4. **Characteristic Excellence:** What we do, we do to the utmost of our abilities and resources as a testimony to the glory of our Lord and Savior Jesus Christ. Characteristic Excellence is addressed by preparing students to excel in their ability to interpret Scripture, which is foundational to effective ministry.
5. **Servant Leadership:** We follow the model of Jesus and exert leadership and influence through the nurture and encouragement of those around us. Servant Leadership is modeled by classroom deportment.

The core value focus for this academic year is Spiritual Vitality.

**Curriculum Competencies**

The class will address five of the seven competencies.

1. Biblical Exposition- Biblical principles for missions in urban settings will be examined.
2. Disciple Making- Students will consider ways to increase disciple making in the urban context.
3. Interpersonal Skills- Students will seek to enhance their interpersonal skills for effective ministry in the urban context.

4. Servant Leadership- Students will examine leadership styles effective in the urban context.
5. Spiritual and Character Formation-Students will be exposed, through reading and contact, with those who model Christian character and devotion in urban settings.

## **Course Description**

In this course students are introduced to the biblical and theological foundations for missions in the city. The historical foundations of urban missions are briefly examined. Trends in urbanization are explored along with the implication of those trends for mission and ministry in the urban environment. Contemporary strategies for reaching the city, both national and international, are studied.

## **Student Learning Outcomes**

1. That students come to an understanding of the place of the city in the Bible and in God's plan for evangelizing the world.
2. That students become aware of the history of urban missions.
3. That students understand the urban context of ministry in today's world.
4. That students become aware of methods of urban mission and ministry.
5. That student develop skills to do strategizing, ministry, and missions in an urban environment.

## **Course Teaching Methodology**

A variety of teaching methods will be utilized such as online presentations by the professor, PowerPoint presentations, readings, and online handouts. There will be frequent brief audio lectures. Students will spend time with online mission resources. Other teaching methods include discussions on Blackboard forums.

## **Textbook**

Conn, Harvie M. And Manuel Ortiz. *Urban Ministry: The Kingdom, the City and the People of God*. Downers Grove, IL: InterVarsity Press, 2001, 2010.

## **Course Requirements**

1. Once each student has completed the registration procedures and had cleared the business office, he or she will be automatically enrolled in the Blackboard portion of the course by Aug. 19. The class will begin on Aug. 19. The first thing each student should do is go through "Unit 1: Getting Started". This will explain course procedures. The brief work in this unit (not a long unit) is due on Sat., Aug. 24.
2. Students should proceed through the learning units in numerical order beginning with "Unit 1: Getting Started." New units will be released several at a time so students should not expect to

work ahead too far. Units will be due on each Saturday. All units must be completed along with required readings. At the end of each section of a unit students will indicate completion of that section of the unit by clicking on the “Reviewed” button. PLEASE DO NOT FORGET TO MARK AS REVIEWED AS YOU GOT THROUGH THE DIFFERENT PARTS OF EACH UNIT. Orderly completion of the weekly Units along with attention to the specific assignments given in this syllabus will keep the student on track for successful completion of the course. The deadline for completing a unit is midnight on the date it is due. Unit 1 is due at 11:59 PM on Sat., Aug. 24. Most units will contain quizzes. Quizzes CANNOT be taken late. If you miss a quiz you will not get credit for that quiz. The two lowest quiz grades will be dropped. Quizzes can be taken **at least twice** and you can access any materials in completing the quizzes. A second attempt on a quiz CANNOT add more than 50 points to your quiz score, so students should attempt to answer all questions on the first attempt. For example, if you make 40 on the first attempt, even if you get all answers correct on the second attempt, your score on the second attempt would be 90.

3 Outside Projects (Assignments not found in Blackboard Units but to be submitted on Blackboard as noted below):

a. **City Bibliography.** Choose a city to research. Clear the choice with the instructor. Compile an annotated bibliography of 25 resources that could be used to research the city you have chosen. Describe each resource with a brief annotation (2 or 3 sentences). Submit the annotation to the appropriate Blackboard assignment section by Oct. 28.

b. **Urban Issue Annotated Bibliography.** Choose an urban issue that you would like to research. Clear the choice with the instructor. Compile an annotated bibliography of 25 resources that could be used to research the issue you have chosen. Describe each resource with a brief annotation (2 or 3 sentences). Submit the annotation to the appropriate Blackboard assignment section by Dec. 7.

c. **Volunteer service.** Spend 5 hours in volunteer mission work in an urban context. Report on the experience in the Blackboard Discussion Board. Clear the volunteer experience with the professor before you commit to the volunteer placement. The volunteer work must be completed by Nov. 7 and the discussion entered in Blackboard by Nov. 9.

d. **Extra Book.** From a list of books provided by the instructor choose one to read and discuss. The discussion will be entered in the appropriate discussion forum. The discussion should be six to eight paragraphs in length. The discussion of your book should be entered by Saturday, Oct. 12. You should read the discussion of each of the others in the class and respond to each of these. The responses should be entered by Mon., Oct. 21.

e. **Prayer Walk.** Determine a location to do a prayer walk. Take at least one other person with you on the prayer walk. Give the person or persons accompanying you some basic directions (these will be available in Unit 12). Spend at least one hour in prayer walking. Enter in the proper discussion forum by Nov. 16 a four to six paragraph discussion of your prayer walk experience. Discuss, among other items, 1) Why you chose the location; 2) Whether you were prepared; 3) How those accompanying you reacted to the experience; 4) Interesting experiences you had during the prayer walk; 5) Reactions from those you met during the prayer walk; and 6) How effective you think prayer walking can

be in the city.

Unless otherwise noted all assignments will be uploaded into the appropriate assignment section through Blackboard. It is the student's responsibility to keep a backup copy of ALL assignments.

**NOTE:** Assignments turned in late will receive an automatic 15 point deduction for the first day, and a 10 point deduction for each additional weekday late.

**ALL ASSIGNMENTS MUST BE COMPLETED IN ORDER TO PASS THE COURSE.**

### **Netiquette: Appropriate Online Behavior**

Each student is expected to demonstrate appropriate Christian behavior when working online on the Discussion Board. The student is expected to interact with other students in a fashion that will promote learning and respect for the opinions of others in the course. A spirit of Christian charity is expected at all times in the online environment.
