Course Requirements
1. **BLACKBOARD:** NOBTS ITC will create an account on Blackboard and enroll you in this course Blackboard. You will confirm an account and your enrollment in the course Blackboard. If you are unable to access the course Blackboard or experience technical difficulties, please contact the NOBTS Blackboard Helpdesk. **DUE: First Friday of Week 1**

   *Note: All course assignments must be submitted via the course Blackboard. Documents emailed to the professors will not be accepted.*

2. **BOOK REVIEWS:** Each student will prepare a review of the textbooks. The reviews should include the following: author and bibliographic entry; a brief summation of the material presented (from each of the six divisions of the Engle book addressing the various perspectives); and a personal “take away” section in which the student provides commentary on helpful aspects gleaned from each section. Consult “Guidelines for a Book Review”. **DUE: #1 (Exploring the Worship Spectrum) Week 5 #2 (Holy Gatherings) Week 7**

3. **WORSHIP ASSESSMENT CRITERIA:** Based on course readings and sample assessment tools as well as outside resources, students will develop a 2 – 3 page worship assessment instrument to be used in the observation and written evaluation of three distinct worship services. **DUE: Week 6**

4. **A MID-TERM EXAM** will cover all of the material covered in the learning units, classroom discussion, and the textbook readings. **DUE: Week 8**

5. **WORSHIP OBSERVATIONS:** Each student will attend two (2) distinct worship services (e.g., Jewish, Eastern Orthodox, Roman Catholic, Charismatic, Vineyard, Episcopalian), including both an aesthetic and a kinesthetic design. Observe as a sincere “seeker of God” and be open to encountering His Presence. Using the biblical worship assessment tool previously developed, each student will provide a written observation of each of the worship services. Strengths and weaknesses as well as recommendations for improvement will be reported in separate 1500-word evaluation essays (one for each of the three services). An on-site observation of the worship services is required rather than video observation. **DUE: Week 10**

6. **DESIGN WORSHIP SERVICES:** Design three distinct worship services using each of the three following models: aesthetic; kinesthetic; and blended. Information on these models will be provided in course lectures and *Holy Gatherings*. Designs should include a worship guide outline as well as a double-spaced, two- to three-page commentary explaining how the particular worship elements are used and how they should flow in the particular worship plan. Issues such as logistics, sequence of events, planning intention, and potential impact should be noted in the plan. **DUE: Week 12**

7. **GROUP PROJECT PRESENTATION:** Students will collaborate in small groups to explore and present material related to issues of worship as presented in the text *Exploring the Worship Spectrum*. Group presentations will focus on engaging the class in a discussion of the assigned topics.

The assumptions for the assignment include: 1) everyone has already read the textbook; **do not simply represent the textbook content**; 2) the persons who worship in that tradition are genuine in their devotion to Christ; 3) you have a totally blank page to work with for designing your presentation; it should be creative, interesting, winsome, effective; you may use video, drama, interviews, Skype, YouTube, blogs, investigative reports, object lessons, examples, PowerPoint, etc.; 4) the intended target for the presentation is a congregation from a different worship tradition and that you are going to take this presentation and give it to the group as part of a 6-part workshop series on major Christian worship practices; and 5) the
The purpose of your presentation is to educate the listeners on the background, nature, theology, rational, practice, strengths, weaknesses, myths, misunderstandings, questions, emphases, proponents, leaders, examples, etc. of that particular tradition.

Each presentation will be graded by these criteria:
1. Is it accurate?
2. Does it move beyond the textbook content?
3. Is it usable in a local church?
4. Does it include the major aspects of the tradition (resources, theology, criteria, etc.)?
5. Is it attractive and creative?
6. Is it analytical?
7. Is it original?

_Everyone in your group must contribute to the presentation._ The presentation needs to be unified in style, focus, etc. Someone in the group will be responsible for posting the final work-product onto the Discussion Board of the course. Posting the presentation onto the Discussion Board of the course Blackboard allows everyone else in the course to download your presentation for use in his or her church. You will take from the course a collection of at least six total presentations by students for use in a workshop format in local congregations.

**DUE: Weeks 14-16**
Posting DUE: Week 16

**FLEX students:** The following week of posting your team’s project, each FLEX student will be required to review 5 groups distinct from their own assignment. Each student will verify his/her group name and substantiate that 5 other groups have been reviewed. A rubric associated with this item reflects information presented in the textbooks, course presentations, and online materials. The rubric will be the primary instrument to assess the student’s submission.

**PROJECT POSTING DUE: Week 13**
**INTERACTIVE REVIEWS: Week 14**

8. **FINAL EXAM:**

_This assignment is an embedded assignment that will be completed by all students for all the sections of this course. The rubric for grading this assignment is attached to the syllabus. Please complete the assignment according to the syllabus and this rubric._

Each student will write a minimum 250-word response to each of the exam questions. These questions will be posted on Blackboard during final exam week. 

**DUE: Final Exam Week (see course calendar)**

**Evaluation of Grade**

1. Attendance, participation, and meaningful contributions in class discussion **10%**

In fairness to all students, no exceptions are allowed.

Note: In order to receive credit for the class, all assignments must be completed. No graduating senior will be permitted to graduate unless his or her assignments are submitted in a timely manner.

The professors are available to meet with students by prior appointment during office hours. The teaching assistants are available to answer questions and help students in person, as well as by phone, text, and email consultation.

DISCLAIMER:
Flexibility is a critical attitude to ministry faithfulness. Therefore, students will be expected to keep a good attitude when things change. This syllabus proposes a course of study for a given time period. However, occasionally things change. The professors reserve the right to adjust the syllabus when they reasonably think that doing so will enhance the learning experience of the students.

IN CASE OF A DECLARED CAMPUS EVACUATION, students are to check the NOBTS electronic Blackboard at www.nobts.edu within four days of evacuation.

CLASS POLICIES:
1. Attendance and Class Participation: Attendance and class participation are necessary for meeting the requirements of this class. Students will be expected to attend all classes, per the published policy in the academic catalog. Students are expected to be attentive and prepared for each class session. Students who are engaged in private conversations or doing work for other classes may be asked to leave the class; repeat violations may result in removal from the course. Rude or disruptive behavior is also not permitted.
2. Laptop Guidelines: Laptops are permitted in class as long as they are used for taking notes or accessing Blackboard materials related to this particular course. Students using laptops are requested to sit in the front of the classroom for accountability purposes. Gaming, e-mail, social networking, and web browsing of any kind are strictly prohibited. Failure to heed this policy will result in dismissal from the class session; repeat violations may result in removal from the course. Any student using Facebook during a class meeting may be asked to leave the class, repeat offenders for the remainder of the semester.
3. Cell Phones: Students should be conscientious of other classmates by turning off all cell phones. If a student’s cell phone goes off in class his/her class participation grade will be docked.
4. Late Work: Because of the nature of this class, no late work is permitted without explicit approval. If you cannot meet a deadline or anticipate being unable to do so, notify the professors. No graduating senior will be permitted to graduate unless his or her assignments are submitted in a timely manner.
5. Plagiarism: NOBTS has a no tolerance policy for plagiarism. Plagiarism in certain cases may result in expulsion from the seminary. See the NOBTS Student Handbook and Graduate Catalog for definition, penalties, and policies associated with plagiarism. Students are given the task of writing in order to help them learn how to think critically about the ideas of others and to present the results of their analysis in a readable form. Plagiarism defeats these purposes by cheating the student out of an opportunity to grow. Plagiarism is a failure to distinguish between the work of the student and the work of others, either intentionally or unintentionally. Students that plagiarize will be reported to the Dean of Students and a grade of “F” will be assigned. Remember the words of the proverb: “Whoever walks in integrity walks securely, but he who makes his ways crooked will be found out” (Prov 10:19).

Help for Writing Papers at “The Write Stuff”
NOBTS maintains a Writing Center designed to improve English writing at the graduate level. Students can receive writing guides, tips, and valuable information to help in becoming a better writer.

Plagiarism on Written Assignments
As stated above, NOBTS has a no tolerance policy for plagiarism. Plagiarism in certain cases may result in expulsion from the seminary. See the NOBTS Student Handbook for definition, penalties, and policies associated with plagiarism.
