The mission of New Orleans Baptist Theological Seminary and Leavell College is to prepare servants to walk with Christ, proclaim His truth, and fulfill His mission.

**Purpose of Course**
The purpose of the course is to equip the seminary student to be an effective bible teacher in the local church, creating environments to facilitate learning.

**Our Core Values**
The seminary has five core values. The focal core value for 2019-2020 is Spiritual Vitality. This course supports the five core values of the seminary.

*Spiritual Vitality* – We are a worshipping community emphasizing both personal spirituality and gathering together as a Seminary family for the praise and adoration of God and instruction in His Word.

**Curriculum Competencies Addressed**
NOBTS faculty members realize that all ministers need to develop specific competencies if they are going to have an effective ministry. To increase the likelihood of NOBTS graduates having an effective ministry, the faculty developed a competency-based curriculum after identifying seven essential competencies necessary for effective ministry. All graduates are expected to have at least a minimum level of competency in all of the following areas:

*Biblical Exposition*: to interpret and communicate the Bible accurately.
*Christian Theological Heritage*: To understand and interpret Christian theological heritage and Baptist polity for the church.
*Disciple Making*: To stimulate church health through mobilizing the church for missions, evangelism, discipleship, and church growth.
*Interpersonal Skills*: To perform pastoral care effectively, with skills in communication and conflict management.
Servant Leadership: To serve churches effectively through team ministry.
Spiritual and Character Formation: To provide moral leadership by modeling and mentoring Christian character and devotion.
Worship Leadership: To facilitate worship effectively.

This course will address the following curriculum competencies:
1. Biblical Exposition: Students will explore biblical foundations and rationale for teaching ministry in the local church.
2. Disciple Making: Students will examine educational issues that play a significant role in the development of faith.
3. Interpersonal Skills: Students will develop or improve the skills necessary for communicating well with church members, volunteers, staff, and the church body as a whole.
4. Spiritual and Character Formation: Course content will help students address their own spiritual and developmental needs in areas related to teaching.

Units of Study
The topics of study in the course are as follows: the teaching-learning experience, learning domains, learning objectives, teaching methods, Bible teaching, and teaching evaluation and improvement.

Teaching Method
This course will emphasize active learning, project-based learning, and interactive discussion with the goal of providing balanced instruction to engage the mind, the will and the emotion of the students. You will be responsible for producing teaching presentations and providing constructive feedback of teaching methods and lesson delivery of classmates.

Delivery Format
The course will be delivered in an online 8-Week term format with 8 units.

Course Requirements
All assignments must be submitted electronically on Blackboard. Unless otherwise noted, all assignments are due before midnight on Sunday evening.

1. Textbook Reading (15%)  Due: Weekly
Students will read the required texts by following the weekly reading schedule. Completion of reading each week is intended to improve understanding of course content and enhance
classroom participation. You will be asked to indicate your reading percentage of the required text at the end of the term. **Textbook Reading Verification will be conducted via Blackboard at the end of the course.** This assignment is related to the Cognitive Student Learning Outcomes.

2. **Blackboard Discussion Board (15%)**

   **See Course Schedule for Due Dates**

   Students will be presented with questions pertaining to learning units in which you will have to respond and interact with your classmates. The questions appear on the Blackboard Discussion Board. You are expected to reflect on the reading and presentations in each unit. In order to get credit for involvement in the Blackboard Discussion, you must post at least one substantive response to the specific unit questions. A substantive response should be concise and may include, but not limited to the following: a reflection or personal example on a concept from readings, a different perspective on a topic, a quote or link from another source that relates to the topic. **This assignment is related to the Psychomotor Student Learning Outcomes.**

3. **Teaching Methods Handouts: (10%)**

   **Due: June 21**

   Students will locate and read an article or an educational website for three of the following teaching methods: (a) small groups, (b) class discussion, (c) games, (d) lecture, and/or (e) a method of your choice. You will create a one-page handout for each of the three methods. (You may create the handouts in one 3-page document)

   Each handout should include:
   - Using this teaching method – what is the role of the teacher, the role of the student, and what subject matter or content is “most appropriate”?
   - Benefits of the teaching method?
   - Limitations, dangers, and/or problems of the teaching method?
   - Explain how the teaching method is used in respect to each age level (preschool, children, youth, and adults) - how to use the method, when to use the method, appropriate setting, appropriate audience, etc.

   Upload the Teaching Methods Handouts using the assignment link on Blackboard for professor grading. **This assignment is related to the Cognitive Student Learning Outcome.**

4. **Teaching Evaluation Tool Rationale (10%)**

   **Due: June 28**

   Students will review the Teaching Evaluation Tool found on Blackboard and will write a 2 to 3-page rationale providing support (3 sources/textbooks) for the content and questions of the assessment tool. The document should contain ten paragraphs, one for each assessment area. **This assignment is related to the Affective Student Learning Outcomes.**

5. **Micro Teach #1 (20%)**

   **Due July 5**

   Students will conduct a micro-teach (10-15 minutes) of a biblical passage. Possible teaching context include: Sunday School class, home group, or seminary classroom. The lesson plan must be an original plan created by the student. The micro-teach lesson must consist of:
   - an opening activity
   - reading the scripture passage
   - one learning method/activity
   - a closing activity.
CEEF6310 Teaching the Bible is a prerequisite for this course. You may use one of the lesson plans you wrote for Teaching the Bible.

Micro teach sessions will occur outside of the online environment and **MUST BE VIDEO RECORDED**, from start to finish. **A minimum of 5 participants is required.** Micro teach sessions can be taught by the student at any point during the 8-week term, but each must be submitted by the due date. Students will submit a link to the video recording of Micro Teach #1 on Blackboard discussion board. Submission of your video to discussion board will allow for peer feedback. Students must also submit the lesson plan on Blackboard in the assignment link.

**Begin working on scheduling your teaching sessions immediately**

Note: Consider using a smartphone video camera or laptop webcam for recording your teaching sessions. Students need to upload the recorded video to a video sharing website such as YouTube or Vimeo. Students will post a link to the video into the Blackboard discussion board. You will need to create a YouTube account and upload the video. When uploading your video to YouTube, select “unlisted” in the options. Do not choose “public” or “private.” Unlisted videos on YouTube cannot be found in a search and therefore remain private.

5. **Micro Teach Reflection Paper #1 (5%)**
Due: July 12
Students will review the peer feedback and write a **2 to 3-page reflection** of the micro-teaching session including areas of the teaching session strengths/weaknesses and possible improvements.

6. **Micro Teach #2 (20%)**
Due: July 26
Students will conduct a second micro-teach (10-15 minutes) of a biblical passage. Follow the same guidelines for Micro Teach #1. **This assignment is related to the Psychomotor Student Learning Outcome.**

**Begin working on scheduling your teaching sessions immediately**

7. **Micro Teach Reflection Paper #2 (5%)**
Due: July 31
Students will review the peer feedback of the assessment tool and write a **2 to 3-page reflection** of the teaching session including areas of the teaching session strengths/weaknesses and possible improvements.

**Evaluation of Grade**
The student’s grade will be computed as follows:

Course Policies

Absences
In the online format, attendance is assessed through completed assignments for each unit: Blackboard discussion and assignment submission by the due date.

Reading Assignments
Students are responsible for completing all reading assignments.

Professor’s Policy on Late Assignments
Assignments are due on the date indicated in the “Assignments and Evaluation Criteria” section of the syllabus. Assignments not submitted via Blackboard by the assigned date are considered late and will incur an initial 10-point penalty and accumulate a one-point penalty for each additional day. No assignments will be accepted more than two weeks after the original due date. If all course assignments are not received by the final unit, a grade of zero is automatically earned for the missing assignments. Assignments should not be e-mailed to the professor.

Professor’s Availability and Assignment Feedback
The student may contact the professor at any time using the email address provided in the course syllabus. The professor will make every effort to return answers to emailed questions within a 24-hour period of time. Assignments requiring grading will be returned to the student within a reasonable period of time. Student feedback on graded assignments will be provided using the grading rubric located in the student’s Blackboard Grade Book. The student will find comments in the grading rubric, as well as on graded paper assignments. The student may also email the course grader with questions regarding grading.

A copy of the approved NOBTS Style Guide can be found in the course Blackboard shell, or can be located online at the Writing Center’s page on the seminary website at: https://www.nobts.edu/_resources/pdf/writing/StyleGuide.pdf

Grading Scale
Each student’s final grade will be based on your total accumulation of points as indicated under the Assignments and Evaluation Criteria section of this syllabus, according to the grading scale in the NOBTS catalog.
