Mission Statement

The mission of New Orleans Baptist Theological Seminary and Leavell College to prepare servants to walk with Christ, proclaim His truth, and fulfill His mission.

Purpose of Course

The purpose of this course is to introduce Master’s level students to the basics of biblical Greek so they might translate and utilize the Greek New Testament for preaching and teaching.

Core Values

The seminary has five core values. The focal core value for 2019-2020 is spiritual vitality. This course supports the five core values of the seminary.

Doctrinal Integrity: Knowing that the Bible is the Word of God, we believe it, teach it, proclaim it, and submit to it. Our confessional commitments are outlined in the “Articles of Religious Belief” and the “Baptist Faith and Message 2000.”

Spiritual Vitality: We are a worshiping community emphasizing both personal spirituality and gathering together as a Seminary family for the praise and adoration of God and instruction in His Word.

Mission Focus: We are not here merely to get an education or to give one. We are here to change the world by fulfilling the Great Commission and the Great Commandments through the local church and its ministries.
Characteristic Excellence: What we do, we do to the utmost of our abilities and resources as a testimony to the glory of our Lord and Savior Jesus Christ.

Servant Leadership: We follow the model of Jesus and exert leadership and influence through the nurture and encouragement of those around us. The Core Value Focus for this academic year is spiritual vitality.

Curriculum Competencies Addressed

The seminary has seven key competencies in its academic program. They are: Biblical Exposition, Christian Theological Heritage, Discipleship Making, Interpersonal Skills, Servant Leadership, Spiritual and Character Formation, and Worship Leadership. The key competency addressed in this course is Biblical Exposition.

Course Catalog Description

This course is designed to teach the elements of Greek grammar to establish a foundational understanding of the language for exegesis of the Greek New Testament. Students who have more than 6 hours of college Greek may not receive credit for this course. Such students should consult with New Testament professors to determine the level at which they should enter the study of Greek in the seminary. Students in the language track are expected to take Intermediate Greek Grammar as their next Greek course. Introductory Greek Grammar is prerequisite for New Testament Greek Exegesis.

Optional, but helpful:
Course Requirements

We recommend that you take a moment and look at the course menu on the left side of your Blackboard (Bb) course. Click on all of the hyperlinks found there and become familiar with the contents of this course. For students new to Bb, look at the “How do I...?” section for instructional videos on how to navigate Bb. You may find more helpful videos at ondemand.blackboard.com. Bb has an entire section for students. Simply type in your topic in the search box and you will be taken to an instructional video.

Online learning of a language will require discipline and focus, if you are to be successful in this course. We recommend that you determine a set time for your studies each week and discipline yourself to work during that time. Since you are not in a structured class setting, it will be imperative that you maintain a regular schedule on your own. Your instructor is always available to assist and guide you, but you are the person responsible for your success in this language course. The Mounce Teknia online materials will also be a great help to you in this course. Multiple Power Point slides are included for instructional purposes each week. Be sure to watch each of those educational slides each week.

- The student will complete the course material listed by the dates below.
- The student will read each chapter in the grammar and listen to the author’s on-line audio-lecture for each chapter.
- The student will view each of the PowerPoint slides that supplement the audio lessons and textbook readings. There is a practical exercise PowerPoint for many lessons designed to help you get into your Greek New Testament and apply the lessons for that particular week.
- The student will complete the Workbook Exercises. The Workbooks will be mailed to the professor at the end of the course for grading (see below).
- The student will take weekly on-line quizzes.
- The student will take eight on-line exams, the last of which will be the final.
- The student will participate in weekly threaded discussions in a meaningful way. Various topics will be posted for interaction.

Evaluation of Grade

- Blackboard Discussions: 20%
- Completion of Workbook exercises & Review of GNT PowerPoint presentations: 20%
- Vocabulary Quizzes: 30%
- Review Tests: 30%
Extra Credit
Each workbook exercise contains “additional” sentences to translate. For every ten additional sentences you translate, you will receive one (1) point extra credit toward the workbook exercise grade. For the student who scores 100% on the workbook, this extra credit will be added to the final point total for the course, up to 10 points total.

NOBTS maintains a Writing Center designed to improve English writing at the graduate level. Students can receive writing guides, tips, and valuable information to help in becoming a better writer.

Plagiarism on Written Assignments
NOBTS has a no tolerance policy for plagiarism. Plagiarism in certain cases may result in expulsion from the seminary. See the NOBTS Student Handbook for definition, penalties, and policies associated with plagiarism.

Getting Started
First, go to the following link http://www.BillMounce.com and set up an account if you do not already have one. Following registration, you should proceed to http://www.BillMounce.com/greek.

Second, go to Blackboard-Course Documents and watch the Course Introduction and Introduction to Bill Mounce.

Third, download the Teknia Greek font so you can read the tests and quizzes in Greek. There are two options:
1. Here is the internet link to Bill Mounce’s website to download the font:
   https://www.BillMounce.com/freegreekfont

   OR

2. Download the font from the Course Documents folder on Blackboard. Either way, you must have this font on your computer to read the Greek. Be sure that you load the font for Windows or Mac, according to which computer platform you are using.

We also highly recommend that you download the keyboard map for your computer platform. Once you load the Teknia Greek font, the keyboard map will show you how to use your keyboard in the Teknia Greek font so you can type Greek on your computer. This becomes very helpful when you are taking exams or working on your homework and need to change a word. Please note that the diacritical marks (accents, circumflex, etc.) are selected using keys that are not used that often on your keyboard. Pay special attention, also, to where the nu is located on the keyboard map.

**Suggested Weekly Routine:**
1. **Read** the chapters in Mounce’s Grammar textbook.

2. **Watch** Mounce’s video lecture for the chapters you are reading in the textbook.

3. **Watch and Complete** the weekly GNT PowerPoint Exercises (See Weekly Learning Units). Mail in completed form found under Course Documents with your completed workbook.

4. **Complete** the Exercise in the Workbook for the designated chapters (Note: This course follows Track One on page 73 in the textbook and the corresponding chapters in the workbook.).

5. **Check** your answers on-line (Your instructor will make the answers available at the end of each week and can be downloaded from Course Documents-Workbook Exercise Answers.)

6. **Take** the weekly Vocabulary Quizzes and Review Test on-line (See Blackboard-Weekly Learning Units) for the corresponding units. If only 1 assignment is due during the week, then it will need to be **completed** by **11:59 p.m. Saturday** of that
week. For the weeks where you have 2 or more assignments due (1 or 2 vocab quizzes and 1 review test), the vocab tests will be due by **11:59 p.m. Thursday** and the review test by **11:59 p.m. Saturday** of that week.

7. Each week we will have a **Threaded Discussion** (See Blackboard-Discussion Board) for you to join. We will post a question or a concept for you to dialogue with your other classmates. Blackboard discussion posts are due by **11:59 pm Tuesday** of that week of the unit.
