Mission Statement
The mission of New Orleans Baptist Theological Seminary and Leavell College is to prepare servants to walk with Christ, proclaim His truth, and fulfill His mission.

Course Purpose
This course is an introduction to the literary, historical, and theological contents and contexts of the Old Testament. Significant interpretive issues are noted, major theological themes covered, and their relevance for Christian living addressed.

Core Value Focus
The seminary has five core values.
1. **Doctrinal Integrity**: Knowing that the Bible is the Word of God, we believe it, teach it, proclaim it, and submit to it. This course addresses Doctrinal Integrity specifically by preparing students to grow in understanding and interpreting of the Bible.
2. **Spiritual Vitality**: We are a worshiping community emphasizing both personal spirituality and gathering together as a Seminary family for the praise and adoration of God and instruction in His Word. Spiritual Vitality is addressed by reminding students that a dynamic relationship with God is vital for effective ministry.
3. **Mission Focus**: We are not here merely to get an education or to give one. We are here to change the world by fulfilling the Great Commission and the Great Commandments through the local church and its ministries. This course addresses Mission Focus by helping students understand the biblical foundations for fulfilling the Great Commission and the Great Commandments.
4. **Characteristic Excellence**: What we do, we do to the utmost of our abilities and resources as a testimony to the glory of our Lord and Savior Jesus Christ. Characteristic Excellence is addressed by preparing students to excel in their ability to interpret Scripture, which is foundational to effective ministry.
5. **Servant Leadership**: We follow the model of Jesus and exert leadership and influence through the nurture and encouragement of those around us. Servant Leadership is modeled by classroom deportment.

The core value focus for this academic year is **Spiritual Formation**.

Curriculum Competencies
NOBTS faculty members realize that all ministers need to develop specific competencies if they are going to have an effective ministry. To increase the likelihood of NOBTS graduates having an effective ministry, the faculty developed a competency-based curriculum after identifying seven
essential competencies necessary for effective ministry. All graduates are expected to have at least a minimum level of competency in all of the following areas:

1. **Biblical Exposition**: to interpret and communicate the Bible accurately.
2. **Christian Theological Heritage**: To understand and interpret Christian theological heritage and Baptist polity for the church.
3. **Disciple Making**: To stimulate church health through mobilizing the church for missions, evangelism, discipleship, and church growth.
4. **Interpersonal Skills**: To perform pastoral care effectively, with skills in communication and conflict management.
5. **Servant Leadership**: To serve churches effectively through team ministry.
6. **Spiritual and Character Formation**: To provide moral leadership by modeling and mentoring Christian character and devotion.
7. **Worship Leadership**: To facilitate worship effectively.

**Course Description**
This course is an introduction to the literary, historical, and theological contents and contexts of the Old Testament. Significant interpretive issues are noted, major theological themes covered, and their relevance for Christian living addressed.

**Student Learning Outcomes**
At the conclusion of the semester, the student will:
1. The student will read and comprehend the Old Testament noting the structure and content of the various books contained within.
2. The student will apply principles of interpretation (Biblical Hermeneutics) to the text of the Bible in order to glean its meaning and importance for the Christian community of faith in the 21st century.
3. The student will explore materials related to cultural and religious practices among the ancient Israelites and other ethnic cultures of the Ancient Near East.

**Course Teaching Methodology**
This course is primarily a reading course which involves three major activities:

**First** - is the reading the Old Testament in its entirety following the three-fold organization of the Hebrew Bible: Torah (Pentateuch) Former and Latter Prophets (Joshua-Kings and Isaiah-Malachi), and the Writings (Psalms, Wisdom, Megilloth, Chronicles-Ezra/Nehemiah). The exception is reading Daniel, which is found in the Writings, along with the reading of the Book of Ezekiel). The reading assignments are outlined in the "Course Syllabus" according to a date schedule which has a corresponding "Discussion Board" postings and quizzes in the "Test" section.

**Note**: additional notes and helps in interpretation are posted in the "Course Documents" section which includes such items as outlines of the Biblical books, Biblical Backgrounds information, and articles for reading for which you are responsible (some on exams).

**Second**, - you will need to enter the "Discussion Board" section on Blackboard in which ten different sections are posted. Each of the ten sections has a question (or questions) under the subject area for which you will enter your contribution to the discussion. During the prescribed time frame, you will
also need to make two responses to those contributions made by fellow classmates or additions I may make to the area. You make more contributions, but two are required.

**Third.** - you will take the given quizzes (about one per week) by the date posted in the syllabus. They are given in Course Documents on Blackboard (you can take them early, hence once you complete one the next will open automatically). Quizzes are based upon reading of both the biblical text and class textbook, so read well, outline the book, noted key dates, geographical movement, key celebrations and events, who did what, etc. notes only can be used but the quizzes are timed (hence must be completed w/in the time allotted).

**Note Late Work** - A 2pt per-day point reduction for lateness maybe assessed unless for medical, death in the family or military deployment reasons. Midterm and Final Exams are also posted in the Test section and are to be taken by the given dates per class schedule!

**Course Texts**
