

Note the title is *Contents*, not *Table of Contents*. To emphasize the title, format in bold and choose 14-point. The title appears one inch below the top margin. See Turabian 8, A.2.1.6 for more.

Two, single-line spaces.

Tip: Format the contents page in single space to ensure proper spacing.

Project Report Supplement: the Final Project Proposal		

(Revised 3.1.18 – PG)

Tip: Double check contents page  
numbers one last time before submitting  
your document.

# SAMPLE

Note that this and additional pages of the contents require page numbers, bottom center—a change from Turabian 6. The title *Contents*, however, only appears on the first page.
