

IQWeb Instructions for Students

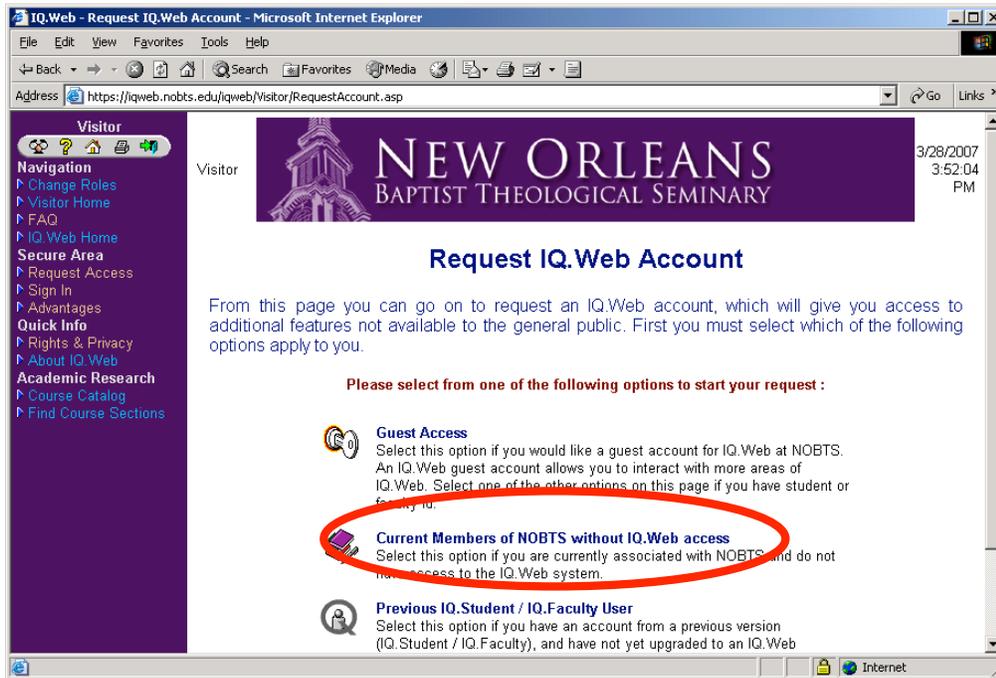

1. In order to set up an IQWeb account, new students should go to the seminary's website (www.nobts.edu) and click on the "IQWeb" link on the menu-bar on the left hand side of the screen.

2. Next, click on "Request Access" on the IQWeb home page.

3. Next, click on “Current Members of NOBTS without IQ.Web access.” Please note that this is only for people who do not already have IQWeb accounts. If you are a current student who has forgotten your IQWeb login name or password, do not attempt to set up a new account. Instead, please email IQHelpDesk@nobts.edu for help with your account.

4. Fill in all of the necessary information on the following webpage and select “Request Account.” Be sure to fill in all fields with asterisks next to them.

The screenshot shows a web browser window with the title "Request IQ.Web Account". The address bar shows the URL "https://iqweb.nobts.edu/iqweb/Visitor/RequestAccount.asp?RequestType=Current". The page content includes a navigation menu on the left and a main section titled "Request IQ.Web Account". Below the title, there is a paragraph explaining the purpose of the page. The form includes sections for "Identification Information" and "Account Information".

Identification Information

- *Last Name:
- *System Id:
- *Birth Date:
- Nickname:
- *Email Address:

Ex: accountname@domainname.extension

- This process will set up an IQWeb account for you that you will use to check your account with the seminary, register for classes online, etc. To sign on to IQWeb, follow the instructions in step #1 that take you to the IQWeb homepage, and click "Login."

- Enter your login ID and password. Remember that your password is case-sensitive.

- To check your account, logon to IQWeb and click on “Current Balance/Account Information” to view your account history. To view your current balance, including anticipated aid, click on “Online Payment.” This link will also give you the option to pay your balance online with a credit card by paying off the amount listed under “Anticipated Balance.”

9. All students must make sure that their contact information in IQWeb is up-to-date. The seminary uses the email and contact information in IQWeb to send out important information related to student balances and online registration. It is the student's responsibility to ensure that this information remains current. To update your email address, click on the "Update Preferred Email Address" link on the IQWeb homepage.
