The mission of New Orleans Baptist Theological Seminary is to equip leaders to fulfill the Great Commission and the Great Commandments through the local church and its ministries.

The Purpose of the Course
The purpose of this course is to educate students on the content and process of discipleship in the local church, giving students useful tools for designing age-appropriate discipleship activities across the lifespan.

Core Values
Doctrinal Integrity – Knowing that the Bible is the Word of God, we believe it, teach it, proclaim it, and submit to it. The doctrinal statements used in our evaluations are our Articles of Religious Belief and the Baptist Faith and Message Statement.

Spiritual Vitality – We are a worshiping community, with both personal spirituality and gathering together as a Seminary for the praise and adoration of God and instruction in His Word.

Mission Focus – We are not here merely to get an education or to give one. We are here to change the world by fulfilling the Great Commission and the Great Commandments through the local church and its ministries.

Characteristic Excellence – What we do, we do to the utmost of our abilities and resources as a testimony to the glory of our Lord and Savior Jesus Christ.

Servant Leadership – We follow the model of Jesus and exert leadership and influence through the nurture and encouragement of those around us.

Annually, the President will designate a core value that will become the focus of pedagogy for the year. For 2016-2017 academic year the Core Value is Characteristic Excellence.

Methodology
Methods used in this course include lecture, group work, a group presentation, guest speakers, individual learning assignments, and online interaction.
Assignments and Evaluation Criteria

A rubric for each of the following assignments may be found on Blackboard in the “Assignments” link.

1. Reading Assignments: (10%)  
All reading assignments should be completed prior to class so you can actively engage and process all class discussions. The assigned reading for each class period appears in the “Course Schedule” section of the syllabus. Reading is extremely important as class discussions will not cover all of the assigned reading material but are designed to supplement text reading and provide opportunities to process what you have read. A minimum of one to two hours of reading and studying is needed to prepare for each class. Students will be asked to report a percentage of the reading they have completed. This assignment is related to Student Learning Outcome #1.

2. Blackboard Interaction and/or Classroom Engagement: (10%)  
Due: See Course Schedule  
In order to help you acclimate to the conversation about Lifespan Discipleship, online interaction throughout the semester may be necessary. Any assigned Blackboard submission is due at the designated time in the course schedule. The assignment is successfully completed after two responses to your classmates are uploaded to Blackboard by the date indicated in the course schedule. Successful classroom engagement is active participation in all discussions as well as notetaking at some level. This assignment is related to Student Learning Outcomes #1 and #4.

3. Unit Quizzes: (2.5% each, Total =20%)  
Due: See Course Schedule  
You are expected to take all examinations at the scheduled times. Unless otherwise indicated, exams are NOT open book/open note. Tests will cover materials presented through class discussions, presentations, and assigned reading. Exams will consist of objective questions (true/false and multiple choice) and subjective questions (essay/short answer). Make-up quizzes are approved at the discretion of the course instructor. These assignments are related to Student Learning Outcome #1.

4. Lifespan Discipleship Design (35%)  
Due: Unit 8  
You will design and submit a one-year discipleship program as a document for ONE of the age segments in a local church (preschool, children, youth, young adults, middle adults, or senior adults). Assume a church large enough to have critical mass. Success in this assignment is a comprehensive plan, presented in chart form including the a) biblical rationale, b) discipleship knowledge, attitude or skill, c) curriculum utilized (or written), d) time frame for the units, and e) resources needed (human, space, financial). A rubric is provided in this syllabus. This assignment is related to Student Learning Outcome #3. THIS IS AN EMBEDDED ASSIGNMENT.

5. Discipleship Design Presentation (10%)  
Due: Unit 8
Prepare a presentation (powerpoint or something similar) of your 12-month discipleship program for one of the age segments (preschool, children, youth, young adult, middle adult, or senior adult). Your presentation should be created as if you were presenting to the volunteers at your church. Your presentation should be at least 25 minutes in length (or at least 10 slides).

6. Lifespan Development Article Review (10%)  
Due: Unit 4  
Locate an academic journal article concerning one aspect (physical, cognitive, social, moral/spiritual) of one age group (infancy through senior adult) of the Lifespan. Write a 3-page review of the research summarizing the conclusions and suggesting application in the local church.  
This assignment is related to Student Learning Outcomes #1 and #4.

7. Class Participation (5%)  
You are expected to participate fully throughout the course. This portion of the course grade will be evaluated by the professor with regard to attendance, meaningful participation, assignment completion, the timely submission of assignments, and evidence of engagement with course materials. You begin with a grade of 100. The class participation grade will be reduced one point for each absence (max of 5).  
This assignment is related to Student Learning Outcomes #1 and #4.

Course Evaluation  
Reading Assignments 10%  
Blackboard Interaction/Classroom Engagement 10%  
Unit Quizzes (8 at 2.5% each) 20%  
Lifespan Discipleship Design 35%  
Discipleship Design Presentation 10%  
Journal Article Review 10%  
Class Participation 5%

Course Policies  
Absences: You are permitted a maximum of 2 class session absences in this course. However, class participation in this course is partially based on attendance. You cannot participate if you are absent.

Academic Honesty Policy: All graduate and undergraduate NOBTS students, whether on-campus, internet, or extension center students, are expected to adhere to the highest Christian standard of honesty and integrity when completing academic assignments for all courses in every delivery system format. The Bible provides our standard for academic integrity and honesty. This standard applies whether a student is taking tests, quizzes, exams, writing papers, completing Discussion Boards, or any other course requirement.

Assignment Formatting: Unless otherwise noted, all assignments are to be created in Turabian format. All written assignments must be submitted as Word, WordPerfect, or .pdf documents, written in third person unless otherwise instructed, and created in 12 pt. Times New Roman font.
Assignment Submission: All assignments are to be submitted at the beginning class on the due date unless otherwise indicated. Do not send files as attachments via email to the professor. For technical reasons, this mode of file transmission is extremely inefficient. Blackboard submissions are due by 11:59 p.m. CST on the date indicated in the Course Schedule section of this syllabus.

Classroom Decorum: Your participation is required for every class session. You are expected to
· Come to the class with a constructive point of view, prepared to interact with the readings and resources related to the course topic.
· Dress appropriately and in accordance with the NOBTS Student Handbook.
· Turn off cell phones and ignore any calls and/or text messages during class.
· Use laptops appropriately during class.

Electronic Devices: Electronic devices may be used in class only for taking notes and other activities assigned by the professor. Other activities are strictly prohibited. Laptops may not be open during presentations unless requested by the presenter. Phones must be silenced during class time. Any student found violating this policy may be asked to leave class and will be counted absent.

Grading Scale: Your final grade will be based on your total accumulation of points as indicated under the Assignments and Evaluation Criteria section of this syllabus, according to the grading scale in the NOBTS catalog.

Late Assignments: Only under extreme circumstances, and with prior approval, will a late assignment be accepted. Late assignments will be assessed an initial 10 percent penalty and 1 percent for each day after the due date (i.e. 10/1 points for a 100 point assignment, 3/.3 points for a 30 point assignment). No assignments will be accepted more than two weeks after the original due date. Missed presentations may not be made up.

Netiquette: Appropriate Online Behavior: Each student is expected to demonstrate appropriate Christian behavior when working online. The student is expected to interact with other students in a fashion that will promote learning and respect for the opinions of others in the course. A spirit of Christian charity is expected at all times in the online environment.

Plagiarism: A high standard of personal integrity is expected of all students. Copying another person’s work, submitting downloaded material without proper references, submitting material without properly citing the source, submitting the same material for credit in more than one course, and other such forms of dishonesty are strictly forbidden. Although anything cited in three sources is considered public domain, we require that all sources be cited. Any infraction will result in failing the course. Any infraction will be reported to the Dean of Students for further action.
**Professor’s Absence or Tardiness:** If the professor is late in arriving to class, you must wait a full 20 minutes after the start of class before you may leave without being counted absent, or you must follow any written instructions that may be given to you.

**Recording Policy:** Recordings of class, including any audio and/or video recordings, regardless of the media or format, and regardless of the intended or actual use, are not permitted without prior written permission of the professor. The class will be notified in advance should any such recording be approved. This policy is intended to protect the privacy of the students.

**Revision of the Syllabus:** The course syllabus is not a legal contract. Any syllabus revision will be preceded by a reasonable notice to students. The standards and requirements set forth in this syllabus may be modified at any time by the professor. Notice of such changes will be by announcement in class or by email notice.

**Withdrawal from the Course:** The administration has set deadlines for withdrawal. These dates and times are published in the academic calendar. Administration procedures must be followed. You are responsible to handle withdrawal requirements. A professor can’t issue a withdrawal. You must do the proper paperwork to ensure that you will not receive a final grade of “F” in the course if you choose not to attend once you are enrolled.
