RESEARCH INTERESTS

- Systematic and historical theology, addressing the biblical logic, meaning, and moral significance of all major Christian doctrines.
- The theology and philosophy of medieval scholasticism and its critical reception in Protestant divinity.
- The doctrinal and moral thinking of significant theologians like Augustine, the Cappadocians, Cyril of Alexandria, and Aquinas.
- The relationship between theology and exegesis, as well as the doctrine of Holy Scripture.
- Specific interests in the doctrines of God, Christ, and Creation.
