A Welcome from the President

Welcome to New Orleans Baptist Theological Seminary and Leavell College!

Everything we do as an institution is driven by this statement:

NOBTS and Leavell College prepare servants to walk with Christ, proclaim His truth, and fulfill His mission.

My prayer for you as you study here is that God would create in you a passion to serve. As you work hard at your studies, do not neglect your walk with Christ. Your relationship with Him will sustain you long after you leave this place. Be diligent in your studies, but maintain your walk with Christ because it is the truth of Jesus we proclaim and His calling that we answer. The mission of Christ is simple, go and make disciples. Whatever context God calls you to serve in, do so faithfully and humbly following the example Jesus set as he washed the feet of the disciples. Let us be men and women who take up the towel and basin to serve others.

One of the real gifts of your time at NOBTS and Leavell College will be the friendships you develop with fellow students, faculty, and staff. I encourage you to work hard in your studies, but also take time to invest in friendships that will last a lifetime. Those friends will be a support and encouragement to you throughout your life and ministry.

You are answering God's call to serve Him wherever He may lead. I pray that your time at NOBTS and Leavell College enriches you and strengthens you for the task ahead.

Jamie Dew

A Welcome from the Provost

The mission of New Orleans Baptist Theological Seminary is to “prepare servants to walk with Christ, proclaim His truth, and fulfill His Mission.” Everything we do is geared to fulfilling that mission. I trust God has called you to NOBTS or Leavell College to join us in that mission. We are excited about what God is doing here, and I’m glad you are going to be a part of it.

Our faculty have prayerfully designed a curriculum that will equip you for a variety of ministries. While you are here, let me encourage you to approach each class as more than a requirement for a degree. God has called you to study here, so do your very best. If you’ll approach each class seeking to find what God has for you, God will honor your efforts.

One of my favorite parts about NOBTS and Leavell College is the community. Let me encourage you to get to know your fellow students as you study. Some of my best friends in ministry are people I met in New Orleans. Take advantage of this time God is giving you to develop friendships which can encourage you in ministry for the rest of your life. Find some friends who will pray for you and allow you to pray for them as you seek God together.

The faculty and administration are committed to guide and teach you as you become a part of the seminary. We have a world class faculty who have the best possible academic training. They want to get to know you, and I hope you will take the opportunity to get to know your faculty while you are here. They desire to invest deeply in students, and you will be blessed by them while you are here. The faculty of NOBTS and Leavell College are deeply involved in local church ministry and average over twenty years of ministry experience. I hope while you are gaining the tools for ministry, you will get involved in some sort of ministry wherever you are. Don’t wait until you graduate to begin to do what God has called you to do.

History of New Orleans Seminary and Leavell College

Founded for Mission

Established in 1917, New Orleans Baptist Theological Seminary was actually the fulfillment of a century-old dream of Baptists to reach the city of New Orleans (then one of the largest cities in America, with a well-deserved reputation as a “sin city”) and to establish a missionary training school at the gateway to Latin America. NOBTS was voted into being by the Southern Baptist Convention in 1917 as messengers met in New Orleans for their annual meeting. New Orleans Seminary was the first theological institution to be created by direct action of the Southern Baptist Convention. Originally named Baptist Bible Institute, the name was changed to New Orleans Baptist Theological Seminary in 1946.

Growth and Expansion

Following unanimous SBC approval in 1917, the Institute opened its first session in October 1918 under the leadership of Byron H. DeMent, who served as president of the Baptist Bible Institute from 1917 to 1928.

Others who have served as president of the school are William W. Hamilton Sr. (1928-42); Duke K. McCall (1943-46); Roland Q. Leavell (1946-58); H. Leo Eddleman (1959- 70); Grady C. Cothen (1970-74); and Landrum P. Leavell II, nephew of Roland Leavell (1974-95); and Charles S. “Chuck” Kelley Jr. (1996-2019).

On June 5, 2019, the NOBTS trustees unanimously elected James K. “Jamie” Dew Jr. to serve as the school’s ninth president. Dew brings a wealth of academic, administrative, and ministerial experience to the task. He holds two Ph.D. degrees, one from Southeastern Baptist Theological Seminary and another from the University of Birmingham (UK). Dew most recently served as vice president of undergraduate studies and distance learning at Southeastern Seminary.

From its beginning until 1953, the school was located at 1220 Washington Avenue, in the heart of the Garden District of residential New Orleans. During the presidency of Roland Q. Leavell, the current campus at 3939 Gentilly Boulevard was purchased in 1947. The landmark entrance gates and fence from the Garden District mansion now are located on the front block of the Gentilly campus. The current property, once a 75-acre pecan orchard, has been transformed into a beautiful campus with 12 additional acres and more than 70 buildings.

New Orleans Seminary is accredited to offer degrees on both the undergraduate and graduate levels: associate, baccalaureate, master’s, and doctoral. The Seminary is committed to making quality theological education as accessible and affordable as possible to as many as possible. NOBTS currently serves more than 3,600 students. More than 20,000 men and women have studied and prepared themselves for ministry at NOBTS. In 2017 and 2018, the seminary celebrated its 100th year of ministry in New Orleans.

Leavell College History

Honoring the legacy left by George Washington and Corra (Berry) Leavell and their extended family, New Orleans Baptist Theological Seminary trustees voted to change the name of the institution’s College of Undergraduate Studies to Leavell College in October 2001. The new name recognizes the Leavells’ nine sons and their families, eight of whom have served in full-time vocational ministry as pastors, evangelists, missionaries, and denominational leaders throughout the Southern Baptist Convention. One of the brothers, Roland Q. Leavell, served as president of the Seminary for 12 years. Landrum P. Leavell II, nephew of Roland Leavell, served as president for over 20 years.

Roland Q. Leavell, New Orleans Baptist Theological Seminary’s fourth president, began the School of Christian Training in 1954. The program, devoted to training students who did not have a college degree, was discontinued a few years after it began. The dream for this type of school did not die.

In 1976, the Seminary re-activated the School of Christian Training (later renamed the College of Undergraduate Studies) with the purpose of offering diploma and associate degree programs. Roland Leavell’s nephew, Landrum P. Leavell II, was a driving force in re-establishing and strengthening the School of Christian Training. Leavell envisioned an accredited college that would offer Christian education to a greater number of students. In 1992, the Seminary expanded its undergraduate offerings to include a fully accredited four-year baccalaureate program.

When the school was re-established, the school had only 25 to 30 students. Now with more than 1,400 students enrolled, Leavell College offers four fully accredited bachelor of arts degrees and three associative of arts degrees, certificate-level classes for laypeople, and a diploma program for those without high school diplomas or GEDs.

The Leavell Brothers

Years before Leavell College existed, a group of men turned their hearts to God and were used mightily to change their world. This group was made up of eight brothers, the Leavell brothers. The Leavells were raised by godly parents who surrounded their children by prayer. God found willing hearts in these men who surrendered themselves for service. They were willing to do whatever God had called them to do, even if it had never been done before. Desiring not to be just followers, they became pioneers.

- Frank, one of the brothers, became a pioneer in student ministries work, eventually serving as the Baptist Student Union leader at the Baptist Sunday School Board (now LifeWay).
- Another brother, Landrum P., was the first director of the Baptist Young People's Union, which eventually became the discipleship ministry of the local church.
- Roland Q. served as the evangelism director for the Home Mission Board (now North American Mission Board) and later became president of New Orleans Baptist Theological Seminary from 1946-1958.
- Two brothers, George Walne and Ullin Whitney, served as missionaries in China.
- Leonard O. was a pastor in the Southeast and was the father of New Orleans Baptist Theological Seminary's seventh president, Landrum P. Leavell, who served from 1975-1994, plus an additional year as interim president.
- James Berry was an evangelist and pastor who served churches across the Southeast.
- Clarence Stanley served on the Arkansas state mission board.
- Arnaud Bruce was a dedicated dentist in Hollywood, CA. The Leavells made a great impact on their generation. Our prayer is that the graduates of Leavell College will have a similar impact in the Kingdom of God.

A Vision for the Future

The future is bright at New Orleans Seminary and Leavell College and the school remains committed to the task of training men and women for Gospel ministry in this most unique setting. In addition to a continued focus on graduate programs, NOBTS leaders plan to expand and enhance the work of Leavell College. Dr. Dew also brings a new emphasis on raising up a generation of Gospel ministers marked by servanthood and total devotion to Christ and His kingdom. Servanthood and the basin and towel will characterize the NOBTS community as they proclaim the Gospel and grow in spiritual fervor.

Doctrinal Commitments

New Orleans Baptist Theological Seminary is a confessional Seminary. Our faculty subscribe to the NOBTS Articles of Religious Belief and the Baptist Faith and Message 2000.

Articles of Religious Belief of New Orleans Baptist Theological Seminary and Leavell College

Article I - Sole Authority of Scriptures.

We believe that the Bible is the Word of God in the highest and fullest sense, and is the unrivalled authority in determining the faith and practice of God's people; that the sixty-six books of the Bible are divinely and uniquely inspired, and that they have come down to us substantially as they were under inspiration written. These Scriptures reveal all that is necessary for us to know of God's plan of redemption and human duty. We deny the inspiration of other books, ancient or modern, and exalt the Bible to an unchallenged throne in our confidence. These Scriptures do not require the authorized interpretation of any church, or council, but are divinely intended for personal study and interpretation, under the guidance of the Holy Spirit.

Article II - One Triune God Who Is Father, Son and Holy Spirit.

We believe in one only true and living God, the Creator and Sustainer of all things, who is infinite, eternal, and unchangeable in every spiritual excellence, and who is revealed to us as Father, Son, and Holy Spirit, three in one and one in three, as the essential mode of His existence. The Father is the Head of the Trinity, into whose hands finally the Kingdom shall be given up. The Son is the promised Messiah of the Old Testament, Jesus Christ who was born of the Virgin Mary, given to reveal God, died to redeem man, rose from the dead to justify the believer, is now at the right hand of God as our Advocate and Intercessor, and at the time the Father keeps in His own power, He will return in visible, personal and bodily form for the final overthrow of sin, the triumph of His people and the judgment of the world.

The Holy Spirit is a Person who has been sent from God to convict the world of sin, of righteousness, and of judgment, to regenerate and cleanse from sin, and to teach, guide, strengthen, and perfect the believer.

Article III - Satan and Sinful Man.

We believe that man was created innocent, but that being tempted by Satan, he sinned, and thereafter all men have been born in sin, and are by nature children of wrath. The original tempter was Satan, the personal devil, who with his angels has been since carrying on his work of iniquity among the nations of the earth. The essence of sin is non-conformity to the will of God, and its end is eternal separation from God.

Article IV - Christ, God's Way of Atonement.

We believe that a way has been provided whereby men born in sin may be reconciled to God. That Way is Jesus Christ, whose death atoned for our sin, and through union with Him we become partakers of His merits, and escape the condemnation of God's holy law. The atonement becomes personally effective through the foreordination and the grace of God, and the free choice and faith of man.

Article V - Christ, the Only Savior From Sin, Without Whom Men Are Condemned.

We believe that apart from Jesus Christ there is no salvation. He is the only and all-sufficient Savior of sinners, irrespective of natural talents, family connection, or national distinction. All men are under condemnation through personal sin, and escape from condemnation comes only to those who hear and accept the gospel. The heathen, then, are under condemnation just as well as those who hear and reject the gospel, for they are sinners by both nature and practice. The pressing and inviolable obligation rests upon every church and individual to present the gospel to all men, that to all men may come the means of eternal life. Unless we proclaim the gospel we shall suffer loss, not only in this life, but in the day when we render to God the account of our stewardship.

Article VI - Conversion Includes Repentance, Faith, Regeneration, and Justification.

We believe that the Christian life begins with conversion. Conversion has several aspects, including repentance, faith, regeneration, and justification. Repentance implies a deep and sincere change of thinking, feeling, and willing toward sin and God, and faith is the surrender of the entire personality, thought, feeling, and volition to Jesus Christ as Savior and Lord. Regeneration is the act of the Holy Spirit by which the sinner is born again, and his whole being is radically changed so that the believer becomes a new creation in Christ Jesus. Justification is the judicial act of God by which the sinner is declared forgiven and freed from the condemnation of his sin, on the ground of the perfect righteousness of Christ, imputed by grace through faith. The life begun in regeneration is never lost, but by the grace and power of God, and the faith and cooperation of the believer is constantly brought nearer to that state of perfect holiness which we shall experience finally in heaven.

Article VII - Final Resurrection of All Men.

We believe in the final resurrection of all men, both the just and the unjust; and that those who here believe unto salvation shall be raised to everlasting life, while those who here disbelieve shall be raised to everlasting condemnation.

Article VIII - A New Testament Church Is a Body of Baptized Believers, Observing Ordinances of Baptism and the Lord's Supper.

We believe that a New Testament Church is a voluntary assembly, or association of baptized believers in Christ covenanted together to follow the teachings of the New Testament in doctrine, worship, and practice. We believe there are only two Church ordinances—baptism and the Lord's Supper—and that a church, as a democratic organization, is served by only two types of officers—pastors or bishops, and deacons. We believe that saved believers are the only scriptural subjects of baptism, and that immersion, or dipping, or burial, in water, and resurrection therefrom is the only scriptural act of baptism. We believe that the Lord's Supper is the partaking by the church of bread and wine, as a memorial of the Lord's death, and our expectation of His return. The bread typifies His body; the wine typifies His blood. We deny the actual presence of His body and blood in the bread and wine.

Article IX - Lord's Day and Christian Support of Civil Government.

We believe that the Christian Sabbath, or Lord's Day, should be observed as a day of rest and Christian service in memory of the resurrection of Christ, and as a means of Christian development and usefulness. We believe in civil government as of divine appointment, in the complete separation of church and state, and in the universal right to civil and religious liberty.

Article X - Baptist Loyalty to Distinctive Baptist Doctrines.

We believe that Baptists stand for vital and distinctive truths, to many of which other denominations do not adhere, and that we cannot compromise these truths without disloyalty to the Scriptures and our Lord. We believe that we should cooperate with other denominations insofar as such cooperation does not affect these truths, but no union with them is possible, except on the basis of acceptance in full of the plain teachings of the Word of God.

The Baptist Faith and Message 2000

Report of the Baptist Faith and Message 2000 Study Committee

Baptists are a people of deep beliefs and cherished doctrines. Throughout our history we have been a confessional people, adopting statements of faith as a witness to our beliefs and a pledge of our faithfulness to the doctrines revealed in Holy Scripture.

Our confessions of faith are rooted in historical precedent, as the church in every age has been called upon to define and defend its beliefs. Each generation of Christians bears the responsibility of guarding the treasury of truth that has been entrusted to us [2 Timothy 1:14]. Facing a new century, Southern Baptists must meet the demands and duties of the present hour.

New challenges to faith appear in every age. A pervasive anti-supernaturalism in the culture was answered by Southern Baptists in 1925, when the Baptist Faith and Message was first adopted by this Convention. In 1963, Southern Baptists responded to assaults upon the authority and truthfulness of the Bible by adopting revisions to the Baptist Faith and Message. The Convention added an article on "The Family" in 1998, thus answering cultural confusion with the clear teachings of Scripture. Now, faced with a culture hostile to the very notion of truth, this generation of Baptists must claim anew the eternal truths of the Christian faith.

Your committee respects and celebrates the heritage of the Baptist Faith and Message, and affirms the decision of the Convention in 1925 to adopt the New Hampshire Confession of Faith, "revised at certain points and with some additional articles growing out of certain needs. . . ." We also respect the important contributions of the 1925 and 1963 editions of the Baptist Faith and Message.

With the 1963 committee, we have been guided in our work by the 1925 "statement of the historic Baptist conception of the nature and function of confessions of faith in our religious and denominational life. . . ." It is, therefore, quoted in full as a part of this report to the Convention:

1. That they constitute a consensus of opinion of some Baptist body, large or small, for the general instruction and guidance of our own people and others concerning those articles of the Christian faith which are most surely held among us. They are not intended to add anything to the simple conditions of salvation revealed in the New Testament, viz., repentance toward God and faith in Jesus Christ as Saviour and Lord.
2. That we do not regard them as complete statements of our faith, having any quality of finality or infallibility. As in the past so in the future, Baptists should hold themselves free to revise their statements of faith as may seem to them wise and expedient at any time.
3. That any group of Baptists, large or small, have the inherent right to draw up for themselves and publish to the world a confession of their faith whenever they may think it advisable to do so.
4. That the sole authority for faith and practice among Baptists is the Scriptures of the Old and New Testaments. Confessions are only guides in interpretation, having no authority over the conscience.
5. That they are statements of religious convictions, drawn from the Scriptures, and are not to be used to hamper freedom of thought or investigation in other realms of life.

Baptists cherish and defend religious liberty, and deny the right of any secular or religious authority to impose a confession of faith upon a church or body of churches. We honor the principles of soul competency and the priesthood of believers, affirming together both our liberty in Christ and our accountability to each other under the Word of God.

Baptist churches, associations, and general bodies have adopted confessions of faith as a witness to the world, and as instruments of doctrinal accountability. We are not embarrassed to state before the world that these are doctrines we hold precious and as essential to the Baptist tradition of faith and practice.

As a committee, we have been charged to address the "certain needs" of our own generation. In an age increasingly hostile to Christian truth, our challenge is to express the truth as revealed in Scripture, and to bear witness to Jesus Christ, who is "the Way, the Truth, and the Life."

The 1963 committee rightly sought to identify and affirm “certain definite doctrines that Baptists believe, cherish, and with which they have been and are now closely identified.” Our living faith is established upon eternal truths. “Thus this generation of Southern Baptists is in historic succession of intent and purpose as it endeavors to state for its time and theological climate those articles of the Christian faith which are most surely held among us.”

It is the purpose of this statement of faith and message to set forth certain teachings which we believe.

I. The Scriptures

The Holy Bible was written by men divinely inspired and is God’s revelation of Himself to man. It is a perfect treasure of divine instruction. It has God for its author, salvation for its end, and truth, without any mixture of error, for its matter. Therefore, all Scripture is totally true and trustworthy. It reveals the principles by which God judges us, and therefore is, and will remain to the end of the world, the true center of Christian union, and the supreme standard by which all human conduct, creeds, and religious opinions should be tried. All Scripture is a testimony to Christ, who is Himself the focus of divine revelation.

Exodus 24:4; Deuteronomy 4:1-2; 17:19; Joshua 8:34; Psalms 19:7- 10; 119:11,89,105,140; Isaiah 40:8; Jeremiah 15:16; 36:1-32; Matthew 5:17-18; 22:29; Luke 21:33; 24:44-46; John 5:39; 16:13- 15; 17:17; Acts 2:16ff.; 17:11; Romans 15:4; 16:25-26; 2 Timothy 3:15-17; Hebrews 1:1-2; 4:12; 1 Peter 1:25; 2 Peter 1:19-21.

II. God

There is one and only one living and true God. He is an intelligent, spiritual, and personal Being, the Creator, Redeemer, Preserver, and Ruler of the universe. God is infinite in holiness and all other perfections. God is all powerful and all knowing; and His perfect knowledge extends to all things, past, present, and future, including the future decisions of His free creatures. To Him we owe the highest love, reverence, and obedience. The eternal triune God reveals Himself to us as Father, Son, and Holy Spirit, with distinct personal attributes, but without division of nature, essence, or being.

A. God the Father

God as Father reigns with providential care over His universe, His creatures, and the flow of the stream of human history according to the purposes of His grace. He is all powerful, all knowing, all loving, and all wise. God is Father in truth to those who become children of God through faith in Jesus Christ. He is fatherly in His attitude toward all men.

B. God the Son

Christ is the eternal Son of God. In His incarnation as Jesus Christ He was conceived of the Holy Spirit and born of the virgin Mary. Jesus perfectly revealed and did the will of God, taking upon Himself human nature with its demands and necessities and identifying Himself completely with mankind yet without sin. He honored the divine law by His personal obedience, and in His substitutionary death on the cross He made provision for the redemption of men from sin. He was raised from the dead with a glorified body and appeared to His disciples as the person who was with them before His crucifixion. He ascended into heaven and is now exalted at the right hand of God where He is the One Mediator, fully God, fully man, in whose Person is effected the reconciliation between God and man. He will return in power and glory to judge the world and to consummate His redemptive mission. He now dwells in all believers as the living and ever present Lord.

C. God the Holy Spirit

The Holy Spirit is the Spirit of God, fully divine. He inspired holy men of old to write the Scriptures. Through illumination He enables men to understand truth. He exalts Christ. He convicts men of sin, of righteousness, and of judgment. He calls men to the Saviour, and effects regeneration. At the moment of regeneration He baptizes every believer into the Body of Christ. He cultivates Christian character, comforts believers, and bestows the spiritual gifts by which they serve God through His church. He seals the believer unto the day of final redemption. His presence in the Christian is the guarantee that God will bring the believer into the fullness of the stature of Christ. He enlightens and empowers the believer and the church in worship, evangelism, and service.

III. Man

Man is the special creation of God, made in His own image. He created them male and female as the crowning work of His creation. The gift of gender is thus part of the goodness of God's creation. In the beginning man was innocent of sin and was endowed by his Creator with freedom of choice. By his free choice man sinned against God and brought sin into the human race. Through the temptation of Satan man transgressed the command of God, and fell from his original innocence whereby his posterity inherit a nature and an environment inclined toward sin. Therefore, as soon as they are capable of moral action, they become transgressors and are under condemnation. Only the grace of God can bring man into His holy fellowship and enable man to fulfill the creative purpose of God. The sacredness of human personality is evident in that God created man in His own image, and in that Christ died for man; therefore, every person of every race possesses full dignity and is worthy of respect and Christian love.

Genesis 1:26-30; 2:5,7,18-22; 3; 9:6; Psalms 1; 8:3-6; 32:1-5; 51:5; Isaiah 6:5; Jeremiah 17:5; Matthew 16:26; Acts 17:26-31; Romans 1:19-32; 3:10-18,23; 5:6,12,19; 6:6; 7:14-25; 8:14- 18,29; 1 Corinthians 1:21-31; 15:19,21-22; Ephesians 2:1-22; Colossians 1:21-22; 3:9-11.

IV. Salvation

Salvation involves the redemption of the whole man, and is offered freely to all who accept Jesus Christ as Lord and Saviour, who by His own blood obtained eternal redemption for the believer. In its broadest sense salvation includes regeneration, justification, sanctification, and glorification. There is no salvation apart from personal faith in Jesus Christ as Lord.

A. Regeneration, or the new birth, is a work of God's grace whereby believers become new creatures in Christ Jesus. It is a change of heart wrought by the Holy Spirit through conviction of sin, to which the sinner responds in repentance toward God and faith in the Lord Jesus Christ. Repentance and faith are inseparable experiences of grace.

Repentance is a genuine turning from sin toward God. Faith is the acceptance of Jesus Christ and commitment of the entire personality to Him as Lord and Saviour.

B. Justification is God's gracious and full acquittal upon principles of His righteousness of all sinners who repent and believe in Christ. Justification brings the believer unto a relationship of peace and favor with God.

C. Sanctification is the experience, beginning in

regeneration, by which the believer is set apart to God's purposes, and is enabled to progress toward moral and spiritual maturity through the presence and power of the Holy Spirit dwelling in him. Growth in grace should continue throughout the regenerate person's life.

D. Glorification is the culmination of salvation and is the final blessed and abiding state of the redeemed.

Genesis 3:15; Exodus 3:14-17; 6:2-8; Matthew 1:21; 4:17; 16:21-26; 27:22-28:6; Luke 1:68-69; 2:28-32; John 1:11-14,29; 3:3-21,36; 5:24; 10:9,28-29; 15:1-16; 17:17; Acts 2:21; 4:12; 15:11; 16:30-31; 17:30-31; 20:32; Romans 1:16-18; 2:4; 3:23-25; 4:3ff.; 5:8-10; 6:1-23; 8:1-18,29-39; 10:9-10,13; 13:11-14; 1 Corinthians 1:18,30; 6:19-20; 15:10; 2 Corinthians 5:17-20; Galatians 2:20; 3:13; 5:22-25; 6:15; Ephesians 1:7; 2:8-22; 4:11-16; Philippians 2:12-13; Colossians 1:9-22; 3:1ff.; 1 Thessalonians 5:23-24; 2 Timothy 1:12; Titus 2:11-14; Hebrews 2:1-3; 5:8-9; 9:24-28; 11:1-12:8,14; James 2:14-26; 1 Peter 1:2-23; 1 John

1:6-2:11; Revelation 3:20; 21:1-22:5.

V. God's Purpose of Grace

Election is the gracious purpose of God, according to which He regenerates, justifies, sanctifies, and glorifies sinners. It is consistent with the free agency of man, and comprehends all the means in connection with the end. It is the glorious display of God's sovereign goodness, and is infinitely wise, holy, and unchangeable. It excludes boasting and promotes humility.

All true believers endure to the end. Those whom God has accepted in Christ, and sanctified by His Spirit, will never fall away from the state of grace, but shall persevere to the end. Believers may fall into sin through neglect and temptation, whereby they grieve the Spirit, impair their graces and comforts, and bring reproach on the cause of Christ and temporal judgments on themselves; yet they shall be kept by the power of God through faith unto salvation.

Genesis 12:1-3; Exodus 19:5-8; 1 Samuel 8:4-7,19-22; Isaiah 5:1-7; Jeremiah 31:31ff.; Matthew 16:18-19; 21:28-45; 24:22,31; 25:34; Luke 1:68-79; 2:29-32; 19:41-44; 24:44-48; John 1:12-14; 3:16; 5:24; 6:44-45,65; 10:27-29; 15:16; 17:6,12,17-18; Acts 20:32; Romans 5:9-10; 8:28-39; 10:12-15; 11:5-7,26-36; 1 Corinthians 1:1-2; 15:24-28; Ephesians 1:4-23; 2:1-10; 3:1-11; Colossians 1:12-14; 2 Thessalonians 2:13-14; 2 Timothy 1:12; 2:10,19; Hebrews 11:39-12:2; James 1:12; 1 Peter 1:2-5,13; 2:4-10; 1 John 1:7-9; 2:19; 3:2.

VI. The Church

A New Testament church of the Lord Jesus Christ is an autonomous local congregation of baptized believers, associated by covenant in the faith and fellowship of the gospel; observing the two ordinances of Christ, governed by His laws, exercising the gifts, rights, and privileges invested in them by His Word, and seeking to extend the gospel to the ends of the earth. Each congregation operates under the Lordship of Christ through democratic processes. In such a congregation each member is responsible and accountable to Christ as Lord. Its scriptural officers are pastors and deacons. While both men and women are gifted for service in the church, the office of pastor is limited to men as qualified by Scripture.

The New Testament speaks also of the church as the Body of Christ which includes all of the redeemed of all the ages, believers from every tribe, and tongue, and people, and nation.

Matthew 16:15-19; 18:15-20; Acts 2:41-42,47; 5:11-14; 6:3-6; 13:1-3; 14:23,27; 15:1-30; 16:5; 20:28; Romans 1:7; 1 Corinthians 1:2; 3:16; 5:4-5; 7:17; 9:13-14; 12; Ephesians 1:22-23; 2:19-22; 3:8-11,21; 5:22-32; Philippians 1:1; Colossians 1:18; 1 Timothy 2:9-14; 3:1-15; 4:14; Hebrews 11:39-40; 1 Peter 5:1-4; Revelation 2-3; 21:2-3.

VII. Baptism and the Lord's Supper

Christian baptism is the immersion of a believer in water in the name of the Father, the Son, and the Holy Spirit. It is an act of obedience symbolizing the believer's faith in a crucified, buried, and risen Saviour, the believer's death to sin, the burial of the old life, and the resurrection to walk in newness of life in Christ Jesus. It is a testimony to his faith in the final resurrection of the dead. Being a church ordinance, it is prerequisite to the privileges of church membership and to the Lord's Supper.

The Lord's Supper is a symbolic act of obedience whereby members of the church, through partaking of the bread and the fruit of the vine, memorialize the death of the Redeemer and anticipate His second coming.

Matthew 3:13-17; 26:26-30; 28:19-20; Mark 1:9-11; 14:22- 26; Luke 3:21-22; 22:19-20; John 3:23; Acts 2:41-42; 8:35-39; 16:30-33; 20:7; Romans 6:3-5; 1 Corinthians 10:16,21; 11:23- 29; Colossians 2:12.

VIII. The Lord's Day

The first day of the week is the Lord's Day. It is a Christian institution for regular observance. It commemorates the resurrection of Christ from the dead and should include exercises of worship and spiritual devotion, both public and private. Activities on the Lord's Day should be commensurate with the Christian's conscience under the Lordship of Jesus Christ.

Exodus 20:8-11; Matthew 12:1-12; 28:1ff.; Mark 2:27-28; 16:1- 7; Luke 24:1-3,33-36; John 4:21-24; 20:1,19-28; Acts 20:7; Romans 14:5-10; 1 Corinthians 16:1-2; Colossians 2:16; 3:16; Revelation 1:10.

IX. The Kingdom

The Kingdom of God includes both His general sovereignty over the universe and His particular kingship over men who willfully acknowledge Him as King. Particularly the Kingdom is the realm of salvation into which men enter by trustful, childlike commitment to Jesus Christ. Christians ought to pray and to labor that the Kingdom may come and God's will be done on earth. The full consummation of the Kingdom awaits the return of Jesus Christ and the end of this age.

Genesis 1:1; Isaiah 9:6-7; Jeremiah 23:5-6; Matthew 3:2; 4:8- 10,23; 12:25-28; 13:1-52; 25:31-46; 26:29; Mark 1:14-15; 9:1; Luke 4:43; 8:1; 9:2; 12:31-32; 17:20-21; 23:42; John 3:3; 18:36; Acts 1:6-7; 17:22-31; Romans 5:17; 8:19; 1 Corinthians 15:24- 28; Colossians 1:13; Hebrews 11:10,16; 12:28; 1 Peter 2:4-10;

4:13; Revelation 1:6,9; 5:10; 11:15; 21-22.

X. Last Things

God, in His own time and in His own way, will bring the world to its appropriate end. According to His promise, Jesus Christ will return personally and visibly in glory to the earth; the dead will be raised; and Christ will judge all men in righteousness. The unrighteous will be consigned to Hell, the place of everlasting punishment. The righteous in their resurrected and glorified bodies will receive their reward and will dwell forever in Heaven with the Lord.

Isaiah 2:4; 11:9; Matthew 16:27; 18:8-9; 19:28; 24:27,30,36,44; 25:31-46; 26:64; Mark 8:38; 9:43-48; Luke 12:40,48; 16:19-26; 17:22-37; 21:27-28; John 14:1-3; Acts 1:11; 17:31; Romans 14:10; 1 Corinthians 4:5; 15:24-28,35-58; 2 Corinthians 5:10; Philippians 3:20-21; Colossians 1:5; 3:4; 1 Thessalonians 4:14- 18; 5:1ff.; 2 Thessalonians 1:7ff.; 2; 1 Timothy 6:14; 2 Timothy 4:1,8; Titus 2:13; Hebrews 9:27-28; James 5:8; 2 Peter 3:7ff.; 1 John 2:28; 3:2; Jude 14; Revelation 1:18; 3:11; 20:1-22:13.

XI. Evangelism and Missions

It is the duty and privilege of every follower of Christ and of every church of the Lord Jesus Christ to endeavor to make disciples of all nations. The new birth of man's spirit by God's Holy Spirit means the birth of love for others. Missionary effort on the part of all rests thus upon a spiritual necessity of the regenerate life, and is expressly and repeatedly commanded in the teachings of Christ. The Lord Jesus Christ has commanded the preaching of the gospel to all nations. It is the duty of every child of God to seek constantly to win the lost to Christ by verbal witness undergirded by a Christian lifestyle, and by other methods in harmony with the gospel of Christ.

Genesis 12:1-3; Exodus 19:5-6; Isaiah 6:1-8; Matthew 9:37-38; 10:5-15; 13:18-30, 37-43; 16:19; 22:9-10; 24:14; 28:18-20; Luke 10:1-18; 24:46-53; John 14:11-12; 15:7-8,16; 17:15; 20:21; Acts 1:8; 2; 8:26-40; 10:42-48; 13:2-3; Romans 10:13-15; Ephesians 3:1-11; 1 Thessalonians 1:8; 2 Timothy 4:5; Hebrews 2:1-3; 11:39-12:2; 1 Peter 2:4-10; Revelation 22:17.

XII. Education

Christianity is the faith of enlightenment and intelligence. In Jesus Christ abide all the treasures of wisdom and knowledge. All sound learning is, therefore, a part of our Christian heritage. The new birth opens all human faculties and creates a thirst for knowledge. Moreover, the cause of education in the Kingdom of Christ is coordinate with the causes of missions and general benevolence, and should receive along with these the liberal support of the churches. An adequate system of Christian education is necessary to a complete spiritual program for Christ's people.

In Christian education there should be a proper balance between academic freedom and academic responsibility. Freedom in any orderly relationship of human life is always limited and never absolute. The freedom of a teacher in a Christian school, college, or seminary is limited by the preeminence of Jesus Christ, by the authoritative nature of the Scriptures, and by the distinct purpose for which the school exists.

Deuteronomy 4:1,5,9,14; 6:1-10; 31:12-13; Nehemiah 8:1-8; Job 28:28; Psalms 19:7ff.; 119:11; Proverbs 3:13ff.; 4:1-10; 8:1-7,11; 15:14; Ecclesiastes 7:19; Matthew 5:2; 7:24ff.; 28:19-20; Luke 2:40; 1 Corinthians 1:18-31; Ephesians 4:11-16; Philippians 4:8; Colossians 2:3,8-9; 1 Timothy 1:3-7; 2 Timothy 2:15; 3:14-17; Hebrews 5:12-6:3; James 1:5; 3:17.

XIII. Stewardship

God is the source of all blessings, temporal and spiritual; all that we have and are we owe to Him. Christians have a spiritual debtorship to the whole world, a holy trusteeship in the gospel, and a binding stewardship in their possessions. They are therefore under obligation to serve Him with their time, talents, and material possessions; and should recognize all these as entrusted to them to use for the glory of God and for helping others. According to the Scriptures, Christians should contribute of their means cheerfully, regularly, systematically, proportionately, and liberally for the advancement of the Redeemer's cause on earth.

Genesis 14:20; Leviticus 27:30-32; Deuteronomy 8:18; Malachi 3:8-12; Matthew 6:1-4,19-21; 19:21; 23:23; 25:14-29; Luke 12:16-21,42; 16:1-13; Acts 2:44-47; 5:1-11; 17:24-25; 20:35; Romans 6:6-22; 12:1-2; 1 Corinthians 4:1-2; 6:19-20; 12; 16:1-4; 2 Corinthians 8-9; 12:15; Philippians 4:10-19; 1 Peter 1:18-19.

XIV. Cooperation

Christ's people should, as occasion requires, organize such associations and conventions as may best secure cooperation for the great objects of the Kingdom of God. Such organizations have no authority over one another or over the churches. They are voluntary and advisory bodies designed to elicit, combine, and direct the energies of our people in the most effective manner. Members of New Testament churches should cooperate with one another in carrying forward the missionary, educational, and benevolent ministries for the extension of Christ's Kingdom. Christian unity in the New Testament sense is spiritual harmony and voluntary cooperation for common ends by various groups of Christ's people. Cooperation is desirable between the various Christian denominations, when the end to be attained is itself justified, and when such cooperation involves no violation of conscience or compromise of loyalty to Christ and His Word as revealed in the New Testament.

XV. The Christian and the Social Order

All Christians are under obligation to seek to make the will of Christ supreme in our own lives and in human society. Means and methods used for the improvement of society and the establishment of righteousness among men can be truly and permanently helpful only when they are rooted in the regeneration of the individual by the saving grace of God in Jesus Christ. In the spirit of Christ, Christians should oppose racism, every form of greed, selfishness, and vice, and all forms of sexual immorality, including adultery, homosexuality, and pornography. We should work to provide for the orphaned, the needy, the abused, the aged, the helpless, and the sick. We should speak on behalf of the unborn and contend for the sanctity of all human life from conception to natural death. Every Christian should seek to bring industry, government, and society as

a whole under the sway of the principles of righteousness, truth, and brotherly love. In order to promote these ends Christians should be ready to work with all men of good will in any good cause, always being careful to act in the spirit of love without compromising their loyalty to Christ and His truth.

Exodus 20:3-17; Leviticus 6:2-5; Deuteronomy 10:12; 27:17;

Psalm 101:5; Micah 6:8; Zechariah 8:16; Matthew 5:13-16,

43-48; 22:36-40; 25:35; Mark 1:29-34; 2:3ff.; 10:21; Luke 4:18-21; 10:27-37; 20:25; John 15:12; 17:15; Romans 12-14; 1 Corinthians 5:9-10; 6:1-7; 7:20-24; 10:23-11:1; Galatians 3:26-28; Ephesians 6:5-9; Colossians 3:12-17; 1 Thessalonians 3:12; Philemon; James 1:27; 2:8.

XVI. Peace and War

It is the duty of Christians to seek peace with all men on principles of righteousness. In accordance with the spirit and teachings of Christ they should do all in their power to put an end to war.

The true remedy for the war spirit is the gospel of our Lord. The supreme need of the world is the acceptance of His teachings in all the affairs of men and nations, and the practical application of His law of love. Christian people throughout the world should pray for the reign of the Prince of Peace.

Isaiah 2:4; Matthew 5:9,38-48; 6:33; 26:52; Luke 22:36,38; Romans 12:18-19; 13:1-7; 14:19; Hebrews 12:14; James 4:1-2.

XVII. Religious Liberty

God alone is Lord of the conscience, and He has left it free from the doctrines and commandments of men which are contrary to His Word or not contained in it. Church and state should be separate. The state owes to every church protection and full freedom in the pursuit of its spiritual ends. In providing for such freedom no ecclesiastical group or denomination should be favored by the state more than others. Civil government being ordained of God, it is the duty of Christians to render loyal obedience thereto in all things not contrary to the revealed will of God. The church should not resort to the civil power to carry on its work. The gospel of Christ contemplates spiritual means alone for the pursuit of its ends. The state has no right to impose penalties for religious opinions of any kind. The state has no right to impose taxes for the support of any form of religion. A free church in a free state is the Christian ideal, and this implies the right of free and unhindered access to God on the part of all men, and the right to form and propagate opinions in the sphere of religion without interference by the civil power.

Genesis 1:27; 2:7; Matthew 6:6-7,24; 16:26; 22:21; John 8:36; Acts 4:19-20; Romans 6:1-2; 13:1-7; Galatians 5:1,13; Philippians 3:20; 1 Timothy 2:1-2; James 4:12; 1 Peter 2:12-17; 3:11-17; 4:12-19.

XVIII. The Family

God has ordained the family as the foundational institution of human society. It is composed of persons related to one another by marriage, blood, or adoption.

Marriage is the uniting of one man and one woman in covenant commitment for a lifetime. It is God's unique gift to reveal the union between Christ and His church and to provide for the man and the woman in marriage the framework for intimate companionship, the channel of sexual expression according to biblical standards, and the means for procreation of the human race.

The husband and wife are of equal worth before God, since both are created in God's image. The marriage relationship models the way God relates to His people. A husband is to love his wife as Christ loved the church. He has the God-given responsibility to provide for, to protect, and to lead his family. A wife is to submit herself graciously to the servant leadership of her husband even as the church willingly submits to the headship of Christ. She, being in the image of God as is her husband and thus equal to him, has the God-given responsibility to respect her husband and to serve as his helper in managing the household and nurturing the next generation.

Children, from the moment of conception, are a blessing and heritage from the Lord. Parents are to demonstrate to their children God's pattern for marriage. Parents are to teach their children spiritual and moral values and to lead them, through consistent lifestyle example and loving discipline, to make choices based on biblical truth. Children are to honor and obey

their parents.

Genesis 1:26-28; 2:15-25; 3:1-20; Exodus 20:12; Deuteronomy 6:4-9; Joshua 24:15; 1 Samuel 1:26-28; Psalms 51:5; 78:1-8; 127; 128; 139:13-16; Proverbs 1:8; 5:15-20; 6:20-22; 12:4; 13:24; 14:1; 17:6; 18:22; 22:6,15; 23:13-14; 24:3; 29:15,17; 31:10-31; Ecclesiastes 4:9-12; 9:9; Malachi 2:14-16; Matthew 5:31-32; 18:2-5; 19:3-9; Mark 10:6-12; Romans 1:18-32; 1 Corinthians 7:1-16; Ephesians 5:21-33; 6:1-4; Colossians 3:18-21; 1 Timothy 5:8,14; 2 Timothy 1:3-5; Titus 2:3-5; Hebrews 13:4; 1 Peter 3:1-7.

One Faith, One Task, One Sacred Trust

A Covenant Between Our Seminaries and Our Churches

“You therefore, my son, be strong in the grace that is in Christ Jesus. And the things that you have heard from me among many witnesses, commit these to faithful men who will be able to teach others also.” 2 Timothy 2:1-2

For over 135 years, the churches of the Southern Baptist Convention have looked to their seminaries for the training and education of their ministers. These six schools were established and undergirded by Southern Baptists in order that our churches may be served by a more faithful ministry.

This is a critical moment in the history of the Southern Baptist Convention and for our seminaries. The six seminaries serving this denomination bear a precious and perishable responsibility on behalf of our churches; for we are entrusted with those who will be their ministers, pastors, preachers and servants.

Looking to the dawn of the 21st century, we hereby restate and reaffirm our commitment to the churches we serve, to the convictions those churches hold and honor and to the charge we have received on their behalf.

One Faith

The church of Jesus Christ is charged to contend for the faith once for all delivered to the saints. Our seminaries, charged with the theological formation of ministers, must take this charge as central and essential to our mission. In an age of rampant theological compromise, our seminaries must send no uncertain sound.

Let the churches of the Southern Baptist Convention know that our seminaries are committed to theological integrity and biblical fidelity. Our pledge is to maintain the confessional character of our seminaries by upholding those doctrines so clearly articulated in our confessions of faith; by teaching the authority, inspiration, inerrancy and infallibility of the Bible; by maintaining the purity of the Gospel and affirming the identity of Jesus Christ, by whose blood we have been redeemed and in whose name alone salvation is to be found; and by proclaiming with boldness the precious and eternal truths of God’s Word.

In this we stand together, and we stand with our churches. We understand that those who teach take on an awesome responsibility and will receive from our Lord a stricter judgment. We stand before this convention and our churches to declare that we stand together in one faith, serving our Lord Jesus Christ.

One Task

Our mission is to prepare ministers for service. We cannot call ministers nor appoint them to service. Ministers, called by God and commissioned by our churches come to us in order that they may through our seminaries receive learning, training and inspiration for service. Preachers, evangelists, missionaries and those who minister throughout the life of the churches come to our seminaries with the hope that they will leave their programs of study better equipped, armed and matured for the faithful exercise of their calling.

Our mission is to remain ever true to this task. We declare our unflinching resolve to provide the very finest programs of theological education for ministry. We will match theological fidelity to practical ministry, passion to practice, vision to calling and honor to service. This is our task.

One Sacred Trust

Our schools are not generic institutions for religious studies. We are the six theological seminaries serving the Southern Baptist Convention. We belong to you; we belong to the churches of this Convention. We are proud to carry your charge, and we declare our fidelity to you as a sacred trust. In this trust we stand before the Southern Baptist Convention, and we stand together.

Through the trustees elected by this Convention, our churches must hold our seminaries accountable to the faith once for all delivered to the saints, to the essential task of training and educating ministers and to the sacred trust which unites our seminaries and our churches.

As the presidents of your seminaries, we declare our unbending and fervent resolve to uphold all of these commitments. We will lead our institutions so that no harm shall come to your students and ministers; so that they will be rooted and grounded in the truth; so that they will be trained as faithful and effective preachers and teachers; so that they will bring honor to the church and not dishonor; and so that we shall be able to give a good answer and receive a good report when we shall face that stricter judgment which is to come.

This is our pledge, our resolve, our declaration. **One Faith, One Task, One Sacred Trust.**

Signed in the Presence of the Messengers to the 140th session of the Southern Baptist Convention, meeting in Dallas, Texas, June 17, 1997.

Cooperative Program Support

Cooperative Program support is a crucial financial lifeline that makes possible the ministry of New Orleans Baptist Theological Seminary. The Cooperative Program is a plan that channels the giving of dedicated Christians in Southern Baptist churches to provide for the ministries of the Southern Baptist Convention. Each year approximately \$500 million is given through the 40,000 SBC churches to the Cooperative Program. Of that money, about \$300 million is channeled through state Baptist conventions to provide support for state and associational Baptist work, Christian colleges, orphanages, hospitals, crisis intervention centers, Christian camps, collegiate ministries, and mission churches.

The remaining amount of approximately \$200 million is distributed through the SBC Cooperative Program budget to the national and international ministries of the SBC. Of this amount, the International Mission Board receives 50 percent, and the North American Mission Board receives approximately 23 percent. Approximately 21 percent of the Cooperative Program budget goes to support the six SBC seminaries. New Orleans Baptist Theological Seminary receives approximately 4 percent of the Cooperative Program budget.

The Cooperative Program provides almost \$9 million annually, or the equivalent of the income from an endowment of over \$130 million, to New Orleans Baptist Theological Seminary each year. This Cooperative Program funding provides almost half of the annual budget of New Orleans Baptist Theological Seminary. In essence, the Cooperative Program provides each full-time Southern Baptist student a scholarship of about \$4,200 a year.

The Cooperative Program was designed in 1925 as an alternative to the “society method,” in which each society or ministry sends a representative to local churches for a special offering. Unfortunately, in the “society method” the largest offerings go to the ministries with the most effective speakers, not necessarily to the greatest priorities and needs. Also, in the “society method” missionaries must leave their field of ministry to raise money from the churches, rather than having a steady and secure income provided through the Cooperative Program.

The Cooperative Program has proven to be the most effective means of reaching the world for Christ. Each year over 800,000 persons come to faith in Christ through the ministries of the Southern Baptist Convention.

The New Orleans Campus

New Orleans Baptist Theological Seminary's 85-acre main campus has over 70 buildings, most in French Colonial architectural style.

The Gentilly location, purchased in 1947 after the original Garden District campus became too small for the Seminary family, originally was a pecan orchard. It is on one of the highest elevations in the city of New Orleans.

Extension Centers and Regional Hubs

For over a quarter of a century, NOBTS and Leavell College have been providing theological education through extension centers. In order to provide quality theological training for persons in the Southeast already engaged in ministry, NOBTS has made a commitment to be as accessible as possible to as many people as possible. We therefore strive to have an extension center within driving distance of every area in the Southeast.

In the fall of 2007, the Seminary raised the status of the Atlanta/North Georgia extension center and the Orlando extension center to that of Regional Hubs.

Under the direction of the Provost and the Dean of Graduate Studies, there are two regional associate deans: Dr. Jody Dean, for Louisiana/Mississippi centers; and Dr. Peter Kendrick, for Alabama/Georgia centers. In addition, two regional coordinators direct the extension centers in Florida.

New Orleans Campus Academic Opportunities

The Seminary offers special intensives and summer terms each year on the campus in New Orleans. These courses offer extension center students the opportunity to experience campus life and to get to know the on-campus faculty, staff, and administration.

Extension center students may also participate in a unique on-campus experience by taking classes during the last week in May in New Orleans. This academic intensive week has special activities to acquaint students with New Orleans, the NOBTS campus, the on-campus faculty, and students from other centers. A number of interactive activities and fellowship meals are planned throughout the week.

Teaching Faculty

The teaching at the graduate extension centers is done by trustee-elected faculty at some centers, by on-campus professors using interactive television to teach students at the extension centers and the campus in New Orleans, and by adjunct professors who live near the site of each center. A careful balance is maintained among the three. Most adjunct teachers have terminal degrees in the disciplines in which they teach. Some advanced Doctor of Philosophy students who hold the Master of Theology teach courses under the supervision of faculty members in the divisions related to their disciplines.

Compressed Interactive Video (CIV)

Some graduate extension center classes are taught simultaneously through compressed interactive video (CIV). This real-time video and audio makes it possible for on-campus teachers to interact with students in all of these connected centers.

Admission Requirements

The admission requirements for the extension centers are the same as the requirements for all the graduate programs of the Seminary. Please see the section on admission requirements in this catalog for details.

Application Process

Applications for new students must be submitted to the Registrar's Office no later than thirty days before the beginning of classes.

Orientation

All students enrolling in the graduate extension centers are required to attend a period of orientation to the Seminary and the extension center program. These orientation periods for new students are usually held near the beginning of the semester and are conducted in the centers. Please check the Seminary website at www.nobts.edu, or contact the local directors or the Regional Associate Deans for specific dates and times for the orientation meetings.

Registration

New students in the extension centers are required to register for classes on the announced date of registration. Registration for returning students must be done on the Internet. Returning students should check the Seminary website at www.nobts.edu for information on Internet registration. Questions also may be directed to the Registrar's Office on the New Orleans campus or to the Regional Associate Deans.

Late registration for any reason will result in a late registration fee as indicated in the Fee Schedule in this catalog. Students are responsible for receiving information concerning registration dates and details. This information may be received from the Seminary website, the center directors, the Registrar's Office, or the Regional Associate Deans. When the student registers after the beginning of the class, he or she is responsible for all classes missed. Students are also reminded to review the seminary policy on Dropping and Adding a Course (refer to the Catalog Index).

Three-Year Cycle of Courses

The cycle and schedule of academic intensives for the graduate extension centers are available on the seminary website. Graduate courses in the NOBTS extension centers are offered in a three-year cycle. Students entering the extension centers at any point and taking all of the courses offered in the cycle can finish the standard Master of Divinity degree in three years, including approximately 30 hours of additional classes which may be taken online or through intensive offerings. Master of Divinity specializations are not normally offered in the extension centers. Students in the extension centers who are interested in the specializations should contact the Academic Advisors. Courses for the Master of Arts in Christian Education and Master of Arts in Worship Ministries are only offered at selected graduate centers. See each center description for details.

Course Format Options

- Courses in the Standard MDiv Degree may be earned through several format options:
 - Hybrid, Weekly, or Bi-Weekly Courses; Mentoring Courses;
 - Academic intensives; and Internet Courses
 - NOLA2U Courses (See Online Learning page)
 - Approved Independent Studies
 - Tuesday-Thursday night cycles (extension centers or at NOBTS)
 - Summer Institutes
- Tuition for the Hybrid Classes will be at the Hybrid Class Rate.
- No absences are allowed in academic intensives or one-week summer courses. For the four-time per semester hybrid courses, students can miss only one of the four monthly class sessions. For the eight-time per semester hybrid courses, students can miss only two of the eight class sessions. Questions regarding this policy should be directed to the Associate Dean of Graduate Studies.

Students will take the cycle as offered and the other intensive courses during the semester breaks or summers. If you need more information, please contact Dr. Jody Dean, Senior Regional Dean, or your Regional Dean's office.

Library Services for Extension Center Students

Access to library materials is an important part of the Seminary experience. Most centers have a library at the site where classes are held. At the Clinton, North Mississippi, and North Alabama centers, students have access to the college libraries on those campuses where classes are held. At most of the other centers, libraries are available where classes meet. These centers have a library of basic books and periodicals that may be checked out for student use. Usually, instructors request from the main library in New Orleans a number of books to place on reserve during the semester in which a course is taught. These reserve books may be used by the students according to the instructions of the professors.

Computers at most centers are available so that students will be able to access the NOBTS Library Computer System. Through this system students are able to search for materials by author, title, and subject. Books may be requested over the system and sent to the student by mail from the main library in New Orleans. Students who have access to the Internet also can access the on-campus library system from their homes. The John T. Christian Library has e-books available for all students as well.

The library has also subscribed to several powerful bibliographic search engines so that many scholarly journals are available online to extension center students. The John T. Christian Library has secured library agreements with several institutions near our extension centers so that students may access those libraries as well. Information on these agreements may be secured at the library on campus or at the extension center office.

The library provides access to 80+ electronic databases and over 160,000 e-books

The Seminary employs Extension Center Librarians who are located at the North Georgia Campus in Marietta, Georgia. The librarians may be reached through the extension center offices at 770.321.1606.

Online Learning

Distance learning has proven to be an effective option for anyone who desires seminary education and training for ministry but cannot move to our main seminary campus. We now offer three options for students to take courses online. First, the Standard Online courses offer you the option to learn at your own convenience and time of day in your current ministry location. Second, NOLA2U Live offers you the convenience of online learning but allows you to join the live classroom. Third, NOLA2U Flex offers you the convenience of online learning but with the flexibility to attend the lectures live or to watch the recorded version within 7 days. For more details, see below under Types of Online Courses.

We currently offer the following degrees online:

Bachelor of Arts Degree

The foundational degree at Leavell College is the Bachelor of Arts (BA). The degree requires 121 semester hours to complete. Included in this degree is a General Education component of 30 hours. The purpose of the courses in the General Education core is to provide students with the knowledge and skills needed to achieve the four general education competencies. A 19-hour Christian Foundation core, required of all BA students, includes a variety of courses designed to provide students with a knowledge of Christian principles expected of those graduating from a Bible college. With the exception of students majoring in music with an emphasis in worship, students earning a BA will choose a major comprised of 24 hours of major-specific courses. The music major is comprised of 42 hours of music-specific courses. All BA students choose one 18-hour minor. Music students have 12 hours of free electives, while students in all other majors have 30 hours of free electives, enabling them to select courses they desire to round out their BA degree. Students who complete the BA also are prepared to participate in the Accelerated MDiv program at NOBTS.

Majors Offered Online

- Christian Ministry
- Biblical Studies
- Psychology and Counseling

Other majors are available to students, but cannot be completed solely online.

Master of Divinity (Standard)

This 84-hour online degree is our flagship degree that will prepare the student to serve in the widest variety of ministerial callings, including pastoral ministry, youth ministry, campus ministry, chaplaincy, and missions. This degree is available all online or may be combined with other in-person courses at extension centers or the main campus, including semester-length, hybrid, and weeklong intensive classes.

Master of Theological Studies - MTS

This 44-hour online degree does not have a thesis requirement. It will qualify students for further graduate study (e.g., MDiv, Graduate Certificates, etc.). Students desiring to move from this degree into a doctoral program may be required to do significant leveling work. This degree is designed to teach students general theological knowledge. This degree is available all online or may be combined with other in-person courses at extension centers or the main campus, including semester-length, hybrid, and weeklong intensive classes.

Master of Arts (Apologetics)

This 50-hour degree is an academic degree that may qualify its graduates to be eligible to be considered as candidates to enroll in a Ph.D. program. NOBTS has been approved by our accreditation agency ATS to offer the MA (Apologetics) as an all-online degree. However, although much of the degree may be earned online, not every course in the degree is presently available online. The degree may be earned through residential and non-residential study, with limited trips to the main campus. The

Apologetics faculty recommends strongly that Apologetics students attend the January Defend conference, which features some of the nation's top Apologists. Students can earn up to six hours of course credit toward this degree each year through the Defend conference.

Master of Arts (Biblical Studies) - MA(BibSt)

This 52 to 55-hour online degree includes a thesis requirement. It is designed for students preparing for research degrees in biblical studies for the purpose of teaching, research, or writing in various fields of biblical studies. It is available all online or may be combined with other in-person courses at extension centers or the main campus, including semester-length, hybrid, and weeklong intensive classes.

Master of Arts (Theology) - MA(Th)

This 52-hour online degree is designed for students preparing for research degrees in theological studies for the purpose of teaching, research, or writing in various fields of theology. The online courses of this degree may be combined with other in-person courses at extension centers or the main campus, including semester-length, hybrid, and weeklong intensive classes.

Master of Arts in Christian Education (MACE)

This 60-hour online degree is designed to prepare students to serve in educational ministries (including ministry to children, youth, and adults; church administration; social work; ministers of discipleship, assimilation, maturity; and associate pastors) primarily in local churches, as well as missions, denominational agencies, and other related ministries. It is available all online or may be combined with other in-person courses at extension centers or the main campus, including semester-length, hybrid, and weeklong intensive classes.

Master of Arts in Discipleship

This 36-hour online degree is designed to prepare students to serve in educational ministries (particularly as minister of discipleship, small groups, spiritual formation, assimilation, spiritual maturity, and associate pastors) primarily in local churches, as well as missions, denominational agencies, and other related ministries. It is available all online or may be combined with other in-person courses at extension centers or the main campus, including semester-length, hybrid, and weeklong intensive classes.

Master of Arts in Missiology

This 48 to 50-hour degree is designed to prepare students to serve in a variety of positions in missions agencies. The degree plan can be applicable to those presently engaged in mission work or to those who are preparing for mission service. The degree would benefit those who are now serving on the mission field with previous Seminary studies as well as those who are enrolled in Seminary to prepare for missionary service. Persons who have completed twenty to thirty hours of Seminary studies in preparation for service with the International Mission Board of the Southern Baptist Convention should be able to use those hours in this degree plan with academic approval of this Seminary.

Master of Arts in Pastoral Ministry

This 36 to 37-hour online degree is designed to prepare students to serve in a full or part-time position as pastor or ministerial staff member of a local church. It is available all online or may be combined with other in-person courses at extension centers or the main campus, including semester-length, hybrid, and weeklong intensive classes.

Spanish-language Master of Theological Studies (MTS)

Spanish online courses leading to the Master of Theological Studies degree are offered each semester. Those needing information or assistance registering for this program may contact the Spanish MTS Office at maestria-spanish@nobts.edu or the director, Dr. Bill Warren, at wwarren@nobts.edu, with help available in both Spanish and English. The registration process

for this program is also online in Spanish and can be accessed by following the link under “Academics & Admissions” on the seminary web page, then going to the Spanish Programs link under Language Programs.

Schedule

Wherever you live in the United States, you can complete an MDiv degree or Bachelor of Arts degree (except the BA Music) through a mixture of online classes, NOLA2U Live/Flex classes, weekend classes, one-week classes, and regular semester-length classes at any of our locations throughout the Southeast. Please examine the various delivery systems to plan your schedule.

Graduate Certificates (NOBTS)

Graduate Certificates provide a systematic approach for students holding a baccalaureate degree to explore the possibility of pursuing a seminary certificate (which could lead to further study for a master’s degree). Certificates allow for concentrated study in a specific area, for missionaries to fulfill International Mission Board seminary requirements, or for students holding a master’s degree to gain additional knowledge of an area not covered extensively in their previous master’s program specialization. NOBTS offers a wide array of certificates. Some are available totally online and others are available by combining online and in-class credit hours.

Leavell College Certificates

Leavell College offers two types of undergraduate certificates. The 8-hour Church Leadership Certificates provide specialized teaching for church leaders and members who desire theological training, but who are not working towards an associate's degree or bachelor's degree. Eight 1-hour courses must be completed for each certificate. Courses are offered at local churches or associational offices and are taught by approved, qualified teachers. The 18-hour Leavell College Certificates provide students an opportunity to take six 3-hour courses in targeted disciplines. These certificates may be earned fully online or at one of our campuses as the courses are the same courses taken by our AA and BA students. All courses taken as part of the 18-hour Leavell College certificates will transfer into the AA or BA degree offered by Leavell College

How to Apply and Register

Students can apply for taking online courses by filling out the appropriate application on the seminary website. Registration for online courses is completed through your SelfServe account after your application is approved.

Tuition and Fees

The schedule for online course tuition and fees is found on the Student Fees page in this catalog.

Korean Theological Institute

Korean online courses and/or Korean Institute classroom courses in Atlanta can be used to complete the Korean Biblical Languages Graduate Certificate. Students needing assistance registering for the Korean online courses should contact the Institute at kti@nobts.edu.

Types of Online Courses

NOBTS and Leavell College offers three options for distance learning students. First, the Standard Online asynchronous courses allow online students to attend their course(s) at their own convenience any time day or night to do their work. Students meet the deadlines as outlined in the course syllabus for the selected semester. The advantage here is that students work when it is convenient to do so during the day or night according to their personal preferences and/or schedules.

The second option for online students is called NOLA2U Live. For students who want the convenience of online learning but prefer synchronous learning in the classroom setting with a live professor may register for this option. Online students connect to the course via a web conference link to join the live classroom on the main campus. Normal classroom attendance

policies apply. The student may not miss more than 9 hours of class time in a semester (for a 3-hour course).

The third option for online students is the NOLA2U Flex option. This option is similar to NOLA2U Live, but with one distinction. The student may join the live class synchronously at the scheduled time of the course, or asynchronously by viewing the recorded version of the class within one week of the missed class to receive attendance credit. The student may not miss more than the maximum number of hours allowed (9 hours of class time for a weekly course) or (1 class session for a monthly hybrid course) in a semester.

Regardless of the option you choose, you have the convenience of online learning tailored to your personal learning style and schedule. Online courses for each of these options may be found in the Course Schedule sections under Academics and Admissions on the NOBTS and Leavell College websites.

Procedures

Leavell College has specific procedures for each of its programs.

Degree Programs:

All applications for admission to degree programs in Leavell College must be made online. An application fee must be paid before the application can be processed. Applications include a health certificate, proof of immunization, proof of completion of a high school diploma or its equivalent, or college transcript, a church statement, a statement of conversion and call and references. The student's application will be reviewed by the Leavell College Admissions Council members who may request an interview with the applicant. This Council is composed of the Leavell College Dean, Associate Dean, and two other Leavell College faculty members. The purpose of the interview is for clarification and edification. See specific fees on the student fees page of this catalog.

When the necessary information has been received, action will be taken on applications by the Admissions Council of the Seminary. This Council is composed of the President, Provost, the Registrar, the Dean of Students, the Dean of Leavell College, and the Director of Testing. The Leavell College office will notify applicants of the decision of the Seminary Admissions Council. The details regarding a decision of the Seminary Admissions Council are never disclosed nor discussed with the applicant. No applicants will be admitted until they have received notice of approval from the office of Leavell College. If an applicant has been denied admission, he or she must wait a minimum of twelve months before he or she can reapply if given permission to do so. Upon approval, a full application must be submitted to Leavell College after one year has passed.

Students who complete one degree program and apply immediately for another must complete an abbreviated application.

Church Leadership Certificate Programs:

Application for the Certificate programs may be completed at the first meeting of the class. An application fee must be paid before the application can be processed. Students can complete more than one certificate. For each certificate the student must complete a new application and pay an application fee. The program is available to all persons regardless of educational background. The applicant must be a Christian and a member of a local church. See specific fees on the student fees page of this catalog.

Diploma Programs:

Application requirements for the diploma programs are the same as the "degree programs," with the exception that the applicant is not required to have a high school diploma.

Dual Enrollment

Purposes of the Dual Enrollment Program

As part of its mission to prepare servants to walk with Christ, proclaim His truth, and fulfill His mission, Leavell College is offering the Leavell College Dual Enrollment Program. The Leavell College Dual Enrollment Program allows high school juniors and seniors the opportunity to work on fulfilling God's calling on their lives by earning college credit while still in high school. Approved students are eligible to take up to six credit hours each semester and may earn up to twenty-four hours of college credit through the program.

The Dual Enrollment Program allows qualified juniors and seniors to

- Enroll in college courses while still in high school
- Earn both high school and college-level credit
- Eliminate unnecessary duplication of courses taken in high school and college

- Shorten the length of time required to complete a college degree
- Reduce the cost of a college degree; and
- Enjoy an early college experience.

Important Terms of Application

Students and their parents/guardians should understand the following application terms:

- Acceptance as a non-degree student does not guarantee regular acceptance as a degree-seeking student.
- Applicable courses may not be offered every semester.
- The student must maintain a GPA of 2.0 in his or her Leavell College coursework in order to continue in the program.
- Leavell College complies with FERPA regulations. Thus, the college cannot share private and academic information with parents/guardians or high school/homeschool personnel unless the student has completed a FERPA waiver form granting Leavell College permission to share such information.
- Students desiring to earn more than the cap of twenty-four hours of credit must appeal in writing to the Dean of Leavell College. Additionally, students desiring to take courses not on the list of approved courses must appeal in writing to the Dean of Leavell College.
- Students are responsible to determine how courses taken through the Leavell College Dual Enrollment Program will transfer to other institutions or will be applied for high school/homeschool credit. Leavell College recommends that students verify transferability of credits prior to registering for dual enrollment courses.

Leavell College Certificate Programs:

Application requirements for the Leavell College Certificate programs are the same as the “degree programs,” with the exception that the applicant is not required to have a high school diploma.

Deadlines

The application should be completed at least 30 days prior to the date the applicant wishes to enroll. If the applicant has experienced divorce, the application should be completed at least 60 days prior to the anticipated date of enrollment to allow time for interviews and personality profiles.

Application materials submitted to Leavell College are valid for one year from the date filed. Students who do not enroll within a year after being granted admission to the Seminary must file a new application. Former students who have been out of the Seminary for a full year, must bring their admission materials up-to date by submitting an Application for Readmission. Former students who have been out of seminary for three years or more must file a new application and must re-enter under the latest academic Catalog.

Immunizations

In compliance with Public Health regulations in the State of Louisiana for all students in institutions of higher learning, the following immunizations are required:

1. Tetanus/Diphtheria-every ten years
2. Mumps/Rubella-once in a lifetime
3. Measles - students born on or after 1/1/57 must have two inoculations since 1968.
4. TB Skin test

The Seminary recommends an influenza vaccine in the fall of each year for students with certain health concerns as follows: congenital or acquired heart disease, chronic pulmonary disorders, chronic renal disease or nephrotic syndrome, sickle cell anemia or other chronic anemias, Diabetes Mellitus, any transplant patient or HIV-positive patient, or any student over age 65.

The Seminary also recommends a T.B.-P.P.D test for any new tuberculosis (TB) exposure. All prior exposures with a positive P.P.D. should be followed by chest X-Rays at regular intervals. Proof of immunizations in writing on official agency letterhead and signed by a health care professional must be provided as a part of the admissions process.

Without such proof, the student will not be admitted into the college. Immunizations are available in the Clinic for a fee. This fee varies each semester, so please feel free to call the Clinic at (504) 282-4455 ext. 8596 for information. Students who request exemption for medical reasons must provide documentation by a physician and be cleared for exemption by the campus medical director and the Dean of Students.

Divorce and Estrangement

Applicants who have been divorced may be admitted to the Seminary if they meet the following conditions:

- (a) that the marriage relationship has been terminated by divorce judgment
- (b) that at least one year has passed since the divorce judgment
- (c) that the applicants present evidence that they have dealt appropriately with the emotional and financial consequences of the divorce
- (d) that the applicants' usefulness in Christian service be highly recommended by a local church and personal references
- (e) that both the applicant and spouse (if remarried) are committed to the sanctity of marriage

Divorced or separated applicants are required to complete a Divorce/ Separation Information Form and be interviewed by the school counselor. In some cases, the Seminary counselor may require the applicant to complete standard psychological tests. The Leavell College Admissions Council reserves the right to base its decision about admission on the facts found in each case in accordance with the institution's policies on divorce.

Current students who experience a separation or divorce will be required to drop out of the school for at least a year in order to allow adequate time for the individual to recover emotionally, spiritually, and financially from the pain and scars left by separation and divorce. In such cases, the student and/or non-student spouse will not be allowed to remain in student housing. The specific timetable for the academic withdrawal and vacating housing will be determined in light of the circumstances by the Dean of Students.

Applicants who are married but living in estrangement from their spouses will be considered on an individual basis. Every effort will be made to be sympathetic with applicants, yet adhere to Christian principles and to protect the school's reputation as well as the moral and psychological health of the student body.

Opportunities for service in local churches may be more limited for Leavell College graduates with a divorce than for other graduates.

Divorced applicants should explore a realistic assessment of the range of opportunities of service open to them before pursuing ministerial training.

International Students

International students must be able to present evidence that they have earned a degree which is the equivalent of a United States' high school diploma or equivalent college credits offered in American colleges and universities. International students will need to have their academic records and transcripts evaluated by World Education Services, Inc. (www.wes.org), or any service approved by the Leavell College Faculty. Please request that World Education Services, Inc., forward directly to the Seminary a course- by-course copy of the evaluation.

Students whose native language is not English must take the Test of English as a Foreign Language (TOEFL), or the Duolingo English Test (DET). Those taking the DET must achieve a score of 100 or higher. See chart below for minimum scores for TOEFL based on testing format.

Either the DET or TOEFL must be taken prior to the Admissions Council granting admissions approval. The institutional code for New Orleans Baptist Theological Seminary is 6472.

TEST OF ENGLISH AS FOREIGN LANGUAGE (TOEFL) for International Students

	PAPER-BASED TEST	COMPUTER-BASED TEST	INTERNET-BASED TEST
Composite Score	550	213	80
Writing Score	3.5	3.5	22

ETS policy dictates that “because English proficiency can change considerably in a relatively short period, scores more than two years old cannot be reported or validated.” Therefore, scores must be no older than 2 years.

United States Immigration regulations make it mandatory that persons entering the United States on a student (F-1) visa show adequate resources for their seminary training. Therefore, international students will need to provide a written certification from a bank or similar financial agency certifying they presently have on deposit in a savings account the minimal requirement for one year of study at the Seminary for a single or a married student.

Applicants may contact the International Student Advisor in the Registrar’s Office for the adequate funds required.

To fulfill Department of Homeland Security requirements, international students must maintain full-time status, which equates to twelve (12) undergraduate semester hours per semester. Students must maintain full-time status in order to remain in campus housing.

Discrimination

The college does not discriminate in admission or in the administration of its educational policies on the basis of race, color, national origin, or ethnic origin. Only to the extent required by its religious tenets and allowed by law does the college make distinction between men and women.

The fulfillment of the college’s religious mission requires the college to be the sole judge of which students should be admitted and, once admitted, to continue to pursue a course of study and to receive a degree. In the decisions, the college is concerned with the spiritual, ethical, emotional, psychological, moral, behavioral, and attitudinal traits evidenced in the student’s life which suggest a foundation upon which a lifetime of Christian ministry can be built.

Seminary and Third-Party Access of Student Information

Appropriate admissions and academic personnel have access to student records for processing and maintenance purposes. Directory information, data that normally is public information, is available to the institution and outside sources. Additional information will not be released without the written permission of the student.

Entrance/Exit Exams and Placement Tests

As a part of all degree programs, students are required to demonstrate an acceptable level of proficiency in English. Proficiency is demonstrated by passing either the English Placement Exam or the remedial course English Grammar. This requirement is a prerequisite to enrolling in English Composition. The remedial English course may not be transferred from another institution. All new students must take the English Placement Exam online as part of the Orientation. Students who pass the exam may enroll in the appropriate English course. Students who do not pass this exam will be required to enroll in English Grammar.

Students’ numerical scores are never revealed. Upon passing the English Placement Test, students may transfer English Composition from another accredited institution. Permission to repeat the English test after failure is not granted.

All students are required to take the Educational Proficiency Profile (EPP) at the beginning and the completion of their degree program in Leavell College. A testing fee will be applied to a student’s account the semesters during which he or she will take the test. Students who choose to take the online version of the placement tests will incur an additional fee - payable directly to

ProctorU - for proctoring. See Tuition and Fee page for amounts.

Orientation and Registration

All students enrolling in Leavell College for the first time will be required to participate in online orientation. Additionally, students taking courses at one of the campuses must attend on-campus new student orientation. Students who find it impossible to participate in all of the activities during the new student orientation period will be required to participate in the next orientation period. If the student is unable to participate at that time, then the student will be charged a late orientation fee. See specific fees on the student fees page of this catalog.

During orientation, students will receive instructions concerning various phases of seminary life and will be given materials necessary for registration. Students who are re-entering will be expected to attend the first session of orientation. If applicants have not received specific instruction, they should contact the Dean of Students Office.

Transfer Credits

New and returning students may transfer credits from all institutions accredited by a regional, national, or specialized and professional accrediting organization and recognized by the Council of Higher Education Accreditation (CHEA). Courses will be transferred on a course-by-course basis according to the policies adopted by the faculty of Leavell College.

CLEP, AP, and DANTES exams may be accepted for credit provided that Leavell College receives an official copy of the scores.

Course work completed at a foreign institution not accredited by a regional post-secondary accrediting commission will be evaluated by World Education Services, P.O. Box 745, Old Chelsea Station, New York, New York, 10113-0745. The student should send an official transcript to World Education Services which will complete their evaluation of transfer credit and forward a course-by-course evaluation to Leavell College.

In order to graduate, students transferring hours into the baccalaureate degree program must complete at least 25 percent of the degree at New Orleans Baptist Theological Seminary. Students transferring hours into the associate degree program must also complete at least 25 percent of the degree at New Orleans Baptist Theological Seminary.

Students transferring hours in the baccalaureate degree program must earn one Old Testament elective or one New Testament elective at NOBTS. In addition, they must show evidence of sufficient foundational studies to support the chosen major or minors. Transfer courses from Baptist colleges will be evaluated by the Dean of Leavell College on a case-by-case basis.

Bachelor of Arts in Music students who plan to have music hours transferred must pass the placement exams that correspond with the courses they wish to transfer. However, if a student plans to enroll in an undergraduate course, the corresponding placement exam is not required.

Students may transfer a minor in general education courses from all institutions accredited by a regional, national, or specialized and professional accrediting organization and recognized by the Council of Higher Education Accreditation (CHEA). Credit earned in military training may be transferred if the credit is on an official transcript from an institution accredited by a regional accrediting agency approved by the CHEA, or the military credit may be evaluated by the Associate Dean of Leavell College according to the standards of the American Council on Education.

All correspondence work must be from institutions accredited by a regional, national, or specialized and professional accrediting organization and recognized by the Council of Higher Education Accreditation (CHEA).

Baccalaureate level work done at institutions not accredited by a regional, national, or specialized and professional accrediting organization and recognized by the Council of Higher Education Accreditation (CHEA) may be accepted in full or in part, or rejected. Such transfer hours will be evaluated by the faculty of Leavell College serving as an academic affairs committee. The faculty committee will make recommendations to the Dean of Leavell College regarding such transfer credit. Students admitted under this provision are admitted on a probationary basis for one semester, in which they must maintain at least a "C" average.

Students enrolled in the Church Leadership Certificate Program may petition the Dean of the Leavell College to transfer a maximum of 18 hours earned in the program(s) to the associate or baccalaureate degree programs. The hours may be transferred if the student fulfilled the Seminary admission eligibility requirements at the time the courses were satisfactorily completed.

All transfer hours must carry a grade of "C" or above. The Dean of Leavell College is responsible for evaluation of all transfer credits.

Transcripts may be evaluated prior to or after the approval of the students for admission. Following the evaluation of transcripts, a copy of the evaluation will be forwarded to the student and the courses transferred will be entered on the student's official transcript at the Seminary. The fee for transcript evaluation will be charged. Transcript fees must be paid before the transcripts are evaluated. See specific fees on the student fees page of this catalog.

Credits earned at Leavell College and transferred to another institution are at the discretion of the receiving institution. See Leavell College Credit by Examination Policy under Academic Policies.

Application materials submitted to the Registrar's Office are valid for one year from the date filed.

Students who do not enroll within a year after being granted admission to the seminary must file a new application. Students who have been out of the seminary for a full academic year must bring their admission materials up-to-date by submitting an Application for Readmission at www.nobts.edu/registrar under the "Admissions" section. Students who have been out of the seminary for more than three years must file a new application and must re-enter under the latest Catalog.

Campus Transfer

Students who change their campus location from a previously approved campus location must notify the Registrar's Office by filling out the "Change College Location" request form in the "Student Request Forms" section of www.nobts.edu/registrar. Certain campuses may require additional student information before students can attend class.

Degree Transfer

Students who completely change their degree from a previously approved degree must notify the Registrar's Office by filling out the "Change of Degree" request form in the "Student Request Forms" section of www.nobts.edu/registrar. Once this request is submitted the student will be contacted by the Registrar's Office to discuss the change of degree.

Certain degree changes may require additional student information. The degree change will not be considered official until the Registrar's Office changes the degree information on the student's transcript which will be confirmed through the student's SelfServe account.

Immunizations

In compliance with Public Health regulations in the State of Louisiana for all students in institutions of higher learning, the following immunizations are required for students attending in the State of Louisiana:

TB testing is required of all New Orleans main campus new students prior to moving on campus or attending coursework. The seminary also recommends a TB-PPD test for any new tuberculosis (TB) exposure. All prior exposures with a positive PPD should be followed by chest X-rays at regular intervals.

Proof of immunizations in writing on official agency letterhead and signed by a health care professional must be provided as a part of the admissions process. Without such proof, the student will not be admitted into the seminary. Immunizations are available in the clinic for a fee. This fee varies each semester, so please feel free to call for information. Students who request exemption for medical reasons must provide documentation by a physician and be cleared for exemption by the campus medical director and the Dean of Students.

Health Insurance

The seminary encourages all students to carry some type of health insurance coverage for themselves and their family members. The seminary does not furnish health insurance for students or their families, and is not responsible for providing health care or financial support for health care expenses. Consult the student handbook for further information regarding health care options.

	PAPER-BASED TEST	COMPUTER-BASED TEST	INTERNET-BASED TEST
Composite Score	60	213	80
Writing Score	3.5	3.5	22

English Competency

All new master’s-level students are required to demonstrate a level of competency for reading and writing in the English language that is consistent with graduate-level coursework. Level of competency will be determined by analysis of undergraduate transcripts. Individuals with a combined GPA of less than 2.0 in undergraduate English coursework will be required to enroll in English Composition during the first semester of study at NOBTS. Students required to take English Composition will receive notification in their letter of acceptance.

Orientation and Registration

All students enrolling in New Orleans Baptist Theological Seminary for the first time will be expected to complete online orientation on Blackboard. Students who have selected either the main campus or an extension center as their preferred campus will also be required to attend orientation at their respective campuses (online students are not required to attend a campus orientation). Once a student's application is approved, the student must complete their orientation requirement at the next available orientation. Students who do not complete the orientation requirement as specified will be charged a late orientation fee and required to participate in the next available orientation. (See Student Fees page of this catalog.)

Online orientation will educate students regarding the general academic policies of the seminary. During campus orientation, students will receive additional information particular to their campus, as well as opportunities to interact with professors and other students. Former students who are required to reapply to the seminary will be expected to complete their orientation according to the specific instructions received from the Dean of Students Office.

New students will register at their campus orientation, but new online students will be eligible to register as soon as they are approved. When enrolling at a term other than fall or spring, new students should check with the Registrar's Office for official instructions. Students should check www.nobts.edu and The Gatekeeper for announcements related to registration and tuition. Registration for fall and spring semesters concludes at 4:00 PM (New Orleans time) on the Friday before the first day of the semester, and a late registration fee will be assessed for students failing to meet the deadline.

No admissions will be granted after 4:00 PM (New Orleans time) on Friday of the second week of class meetings each regular semester.

Credit Evaluation

Academic credits may be transferred from other institutions toward a baccalaureate or master's degree in some cases, if they meet the following stipulations:

- A minimum of 1/3 of the credit hours in a degree must be taken at NOBTS. These credit hours can be taken either at the main campus, at any of the current extension centers, or through online courses.
- All courses transferred must be substantially parallel to the offerings of NOBTS and fulfill the requirements of the relevant degree plan.

Courses which do not fulfill the requirements of the degree being sought cannot be transferred.

- Credit hours from seminaries which are members of ATS (the Association of Theological Schools in the United States and Canada) must carry a grade of at least a "C" to be transferred.
- Credit hours from academic institutions accredited by an agency recognized by CHEA must carry a grade of at least a "B" to be transferred.
- Credit hours to be transferred from academic institutions not accredited by an agency recognized by CHEA must carry a grade of at least a "B" and preferably be earned in on-site classes rather than through correspondence; up to 18 hours can be transferred.
- The decision of the Registrar and Provost is final with regard to the evaluation of all graduate transfer credits.

A credit evaluation may be requested by filling out the "Request a Transcript Evaluation" request form in the "Student Request Forms" section of www.nobts.edu/registrar. Credit evaluation can take up to 30 days to complete; this is from the point of receiving all documents that are needed from the student and the previous institution.

Degree to Degree Transfer Credits

NOBTS values continuing education of Christian ministers. Therefore, we want to facilitate ministers earning second degrees to the extent allowed by accreditation principles. Transfer of MA credit hours into the larger MDiv are covered in an existing policy. This policy addresses transferring credit hours from a degree with more credit hours to a degree with fewer credit hours.

Students with a degree from Other institutions - Accreditation rules dictate that in transferring credit hours from a different institution, the following guidelines should be followed:

- At least one-third of the shorter degree must be earned at NOBTS. In addition, only those credit hours which fit into the NOBTS degree as required or elective courses may be transferred. Courses differ some in content between institutions. Submitting a catalog description of the courses, or preferably syllabi listing learning outcomes for the course, is helpful in evaluating these transcripts.

Students with a degree from NOBTS - Since NOBTS students with longer degrees have taken the same courses with the same learning outcomes that pertain to shorter degrees, the following guidelines pertain:

- Some MA type degree programs at NOBTS have special admission requirements not required for admission to the MDiv. The student who seeks the second degree must meet all of the entrance requirements for the MA type degree.
- All courses required in both degrees transfer from the longer degree into the shorter degree, being understood as dual or sequential degree programs.
- Even if all of the required courses transfer from the longer degree to the shorter type degree, the student must earn at least one-third of the hours required for the second degree in the relevant or cognate disciplines to receive the second degree.

Full-time Course Load

A full-time graduate student load on the main campus is a minimum of nine (9) credit hours per semester, while a full-time load for extension center graduate students is a minimum of two courses per semester. Only regular semester and hybrid courses count toward full-time load. (Internet classes, independent directed studies, practicums, and academic intensives do not count toward full-time load). Students must have full-time status to be eligible for financial aid and student housing. When withdrawal from a class places the student's course load at less than nine credit hours, the student can lose eligibility for financial aid and student housing.

Maximum Course Load

Maximum course load is 18 credit hours per semester (which includes all courses taken within the semester). Students desiring to take additional courses must have the approval of the Associate Dean of Graduate Studies.

Doctoral Degrees

Our seminary offers a variety of professional and research doctoral degrees. While both types of degrees facilitate the academic preparation of students beyond the master's degree level, each type has a distinct degree program and purpose, as explained in the introduction to each doctoral degree within this Catalog.

Doctoral Degrees Offered

- Doctor of Educational Ministry
- Doctor of Ministry
- Doctor of Education
- Doctor of Musical Arts
- Doctor of Philosophy

Student Fees 2020-2021

Cooperative Program Support

This year the Southern Baptist Convention will contribute approximately \$4,200 toward the cost of each full-time Southern Baptist student at the seminary. Student fees are effective August 1.

Student Spouse Discount

The spouse of an enrolled, full-time student (main campus only) will pay one-half tuition for regular semester courses. The half-tuition for spouses does not include independent studies, academic intensives, Internet courses, or any doctoral work. On-campus hybrid courses are available for spousal discount, also.†

Missionary Discount

A \$1,000 per semester tuition discount is available to returning Journeymen and International Service Corps missionaries during their first two semesters at NOBTS. The discounts are available only to returning missionaries who completed two years of service with the International Mission Board and are full-time students. The discount only applies to the student's first two semesters and must be taken within 18 months after returning to the United States.‡

Payment of Fees

Account balances must be paid in full each month. Satisfactory settlement of all accounts, including library fines, must be made before graduation. All past due account balances must be paid in full before final day for payment (close of registration for each academic term).

Financial Aid

Cooperative Program

Southern Baptists support theological education by giving to the Cooperative Program. As a result, New Orleans Baptist Theological Seminary students pay lower tuition-based fees as compared to fees in non-SBC evangelical seminaries.

Federal and State Loan Deferments

The seminary does not participate in any federally funded loan or grant programs such as Stafford loans or Pell grants. We do accept educational or Signature loans from various lenders. Contact the Financial Aid Office at financialaid@nobts.edu or 504.282.4455 ext. 3348 to get more information about student loans.

Enrolled students do qualify for deferment of payment of existing federally guaranteed student loans and should contact their lender for specific information as well as the Registrar's Office for enrollment verification.

Financial Aid Office

The Financial Aid Office is a part of the Dean of Students Office, located in the Hardin Student Center, and can be contacted at 504.282.4455, ext. 3348 or financialaid@nobts.edu.

Grants

Applications are available for scholarships to assist with current tuition costs during the Fall and Spring semesters. Awards are made on a need basis and vary in amount. Application does not insure that an award will be made. In order to be awarded a grant, each applicant must have a zero balance on his/her student account.

New Student Scholarships are available to brand new students on the New Orleans campus. An application should be completed online at www.nobts.edu/financialaid by June 15th for the Fall semester and November 1st for the Spring semester.

Current Student Scholarships are also available to main campus and extension center students. The scholarship application is available April 1-30 for the Fall semester awards and September 1-30 for the Spring semester awards. All applicants must apply online at the NOBTS website, www.nobts.edu.

Main campus NOBTS students must maintain full-time status (9 semester hours for Graduates; active enrollment for Doctoral students) through the academic period covered by the grant award. Extension center students must maintain enrollment in at least two courses per semester through the academic period covered by the grant award. Full-time status for Financial Aid purposes only includes hours from on-campus, Saturday, or Hybrid classes. Internet courses, independent studies, intensives, and Accelerated MDiv credit hours DO NOT count toward full-time status.

Miscellaneous Scholarships

The Financial Aid Office maintains a Web page, which contains descriptions of various non-seminary sources for financial assistance. Included in the information will be qualifications, contact persons, and phone numbers or addresses. State Baptist conventions and foundations are listed on the Web page.

Any church, organization, or donor may contribute funds for a particular student by including written instructions with their donation. For information on the deductibility of the gift for tax purposes, please contact the NOBTS Office of Institutional Advancement at 504.282.4455 ext. 3252. Additional options for making a gift are also available.

Emergency Aid

The seminary maintains an active program of assistance for students who are experiencing short-term financial emergencies. Students seeking such assistance may contact the Financial Aid Office to set up a one-on-one meeting with the Director.

Official Payments (OP) Monthly Payment Plan Official Payments is a monthly payment plan program that provides students with a low cost plan for budgeting expenses. It is not a loan program; therefore, the student has no debt, there are no interest charges assessed, and there is no credit check. The only fee to budget payments through Official Payments is a nonrefundable enrollment fee per semester paid to the Official Payments company at the same time as the down payment.

How to enroll with Official Payments: Once students determine the amount needed to budget (only tuition and fees may be included), they enroll online through the Finances tab in their SelfServe student account. Problems accessing SelfServe should be directed to the ITC office at 504.282.4455, ext. 8180.

The Official Payments plan must be completed by the Final Day for Tuition Payment set by the Registrar's Office; otherwise, the NOBTS Business Office will assess a late payment fee. Official Payments automatically deducts the monthly payments from a student's checking account, savings account, or credit card.

Payment Schedule: When the plan is established, Official Payments will process the enrollment fee and an immediate down payment of 20% of the total amount budgeted. This will be followed by 4 monthly payments of 20% (Feb. - May for Spring semester and Sept. - Dec. for Fall semester). These monthly payments can be scheduled between the 1st and 10th of each month. Separate Official Payments plans are available for Doctor of Ministry students (using the trimester system) and for all students during the Summer. Students are responsible for notifying the seminary of any changes they would like made to the original plan. In the event there are consistent problems with any student's plan, Official Payments and the NOBTS Financial Aid Office reserves the right to terminate the plan and restrict usage to the monthly payment system. Contact the Financial Aid Office for more information.

Financial Counseling

The Dean of Students Office is aware of the unique pressures associated with seminary life in the area of personal finance and family relationships. The Director of Financial Aid is available to meet with current students and students approved for admission to discuss budgeting, provide financial counseling, or offer encouragement in other areas of student family life.

Awards

A "Celebration of Excellence," the annual awards assembly, occurs near the end of the spring semester each year. The purpose of the assembly is to recognize and honor outstanding senior students in the graduating class of the academic year in the various degree programs.

Students are chosen by an Awards Committee composed of the Provost, the Dean of Graduate Studies, the Dean of Leavell College, the five divisional chairpersons, the Registrar, and the Dean of Students. The committee gives major consideration to evidences of an uncommon measure of excellence in personal and spiritual qualities, academic and scholarly achievement, and capacity for Christian ministry.

The awards consist of appropriate plaques for all recipients, books for most, and one monetary award.

Veteran Education Benefits

Complaint Policy for Students Receiving VA Education Benefits. Any complaint against the school should be routed through the VA GI Bill Feedback System by going to the following link: <http://www.benefits.va.gov/GIBILL/Feedback.asp>. The VA will then follow up through the appropriate channels to investigate the complaint and resolve it satisfactorily.

Academic Policies

Academic Advising

NOBTS - Graduate Faculty provide general guidance for specialized programs during the degree program orientation section of Student Orientation and by appointment in their offices. Students can monitor their academic progress online through SelfServe. However, the academic advisors in the Student Success Office are the primary source for academic advising of graduate students. It is essential that students maintain frequent contact with their academic advisor in order to assure that they maintain progress toward their degree. Students who do not benefit from the advice of their academic advisor may be unaware of the scheduling of limited class offerings or overlook a degree requirement that could delay their graduation. Academic advisors for most graduate students are housed in the Student Success Office; however, extension center students may also utilize academic advisors associated with the extension center system. Some specialized programs such as Music or Counseling may require academic advising in these respective offices.

Students should consult their academic advisor during every registration period and before adding, dropping, or withdrawing from a class. Students should be sure to update their academic advisor immediately upon any change in the degree, specialization, or concentration they are seeking from the Seminary or Leavell College in order that their degree plan can be updated and to assure they make progress toward graduation without delay.

Please feel free to call or stop by the Student Success Office to request academic counseling. However, if you want to guarantee a time slot to meet with a counselor you can request an appointment through www.nobts.edu/student-services/graduate-advising.html.

Leavell College - advising for on-campus students is done by trustee-elected Leavell College faculty. Students will be assigned to an advisor who will work with them during their tenure at Leavell College. Leavell College music students should consult Dr. Ed Steele. Extension center students may be advised by designated persons as their extension center site; they also may use the services of the academic advisors in the Student Success Office. Each semester, students should consult their advisors to ensure smooth progress through the degree program. Online students will be advised by academic advisors in the Student Success Office.

Registering for Courses

All returning students are required to register for classes through their SelfServe account. The registration deadlines for each term are published on the school's website each semester. Graduate schedules can be found at <https://www.nobts.edu/graduate-program/graduate-course-schedules.html> and Leavell College schedules can be found at <https://www.leavellcollege.com/info/class-schedules.html>.

Registration always closes at 4 p.m. Central Standard Time on the final day of the registration period. Once the deadline has passed, students can request to be registered late. To begin the late registration process please complete the form on the seminary website at www.nobts.edu/registrar/student-request-forms.html. If the request is approved, the fee for late registration plus the tuition for the course will be charged. See specific fees on the Student Fees page of this catalog.

At registration, the student should be prepared to pay tuition and any other applicable registration fees. A late payment fee will be assessed to any student that does not arrange for payment in full, have a scholarship/grant letter on file with the Financial Aid Office, or set up an Official Payments Payment Plan Agreement by the Final Day for Tuition Payment. The Final Day for Tuition Payment is 4 p.m. Central Standard Time on the final day of the registration period.

Any student with unpaid tuition after the Final Day for Tuition Payment will be subject to Administrative Withdrawal from all courses. The student account would be assessed a Withdrawal fee, all tuition-related charges would be refunded, the student would be removed from courses, and an Administrative Withdrawal would be entered on the student's official transcript.

Writing Guides

In preparing research papers and other written assignments, Leavell College and graduate students are required to follow the NOBTS/Leavell College Manual of Form and Style. That document, based on the 9th edition of *A Manual for Writers of Term Papers, Theses, and Dissertations* by Kate Turabian, is available in all course Blackboard shells. Students in doctoral programs

should contact their respective offices for guidelines for writing dissertations and other assignments.

All counseling students enrolled in counseling courses are required to follow the approved edition of *The Publication Manual of the American Psychological Association*. Students in biblical studies are to follow the latest edition of the *SBL Handbook of Style*.

Absences

Class attendance is essential for effective learning. Students will be expected to attend all classes unless prevented by illness or emergency. No student who misses more than the maximum number of hours as prescribed below can receive credit for the course. A grade of "F" will be assigned to students who fail to attend class the minimum number of hours.

Class periods missed because of late enrollment will be counted as absences. Students may not enter after the end of the second week of the beginning of each regular semester. Three occasions of arriving late for a class or leaving early from class will count as one absence.

Students should take care to avoid unnecessary absences so that illness or emergencies will not cause failure in the class. The maximum number of absences without failure for classroom courses is as follows:

1-hour courses - 3 classroom hours absent
2-hour courses - 6 classroom hours absent
3-hour courses - 9 classroom hours absent
4-hour courses - 12 classroom hours absent

No absences are allowed in academic intensives or one-week summer courses. For the four-time per semester hybrid courses, students can only miss one of the four monthly class sessions. For the eight-time per semester hybrid courses, students can only miss two of the eight class sessions.

Independent Directed Study (IDS)

Students may earn a limited amount of credit through independent directed study. An IDS course is permitted only if one of the following two criteria are met: (a) to provide interested students with training in a specialized area not covered in a regularly offered course, or (b) to offer a course required for graduation which is not available to the student in the regular class schedule. The student may take no more than four independent directed studies per academic year (fall, spring, summer) – one per regular semester, and no more than two in the summer. If taken in the summer, students may enroll in only one additional summer class while enrolled in an IDS. No IDS can be taken during an Academic intensive session.

Independent directed studies include reading, writing, and research projects done under the direction of a seminary faculty member. Students desiring an IDS should submit a written request to the professor who will direct the study. The professor will provide the appropriate form to request permission to take the IDS. All proposals must be approved by the professor, the appropriate division chairperson, and the Dean of Graduate Studies (Graduate Students) or the Dean of Leavell College (Leavell College Students) prior to registration. A copy of the proposal will become a part of the student's permanent file.

Students should register for an independent directed study during the regular registration process. Deadlines will be strictly enforced. Assignments must be completed two weeks before the end of the semester or one week before the end of a summer term. The fees for an IDS are not included in the student's regular tuition fees. The fees include the current tuition fee for one course and an instruction fee. Fees must be paid at the time of registration for the course. See the section on student fees in this Catalog for current IDS fees. Students approved to register for an IDS after the regular registration period will pay the late registration fee (see the Student Fees page in this catalog).

Auditing Classes

With the professor's approval, students, student spouses, and other interested parties may audit Leavell College and (NOBTS) courses if there is space available. Students who are auditing will not be able to transfer into the "for credit" class after the drop/add deadline. Auditor applications are available from the registrar at www.nobts.edu/registrar under the Student Request Forms section. See the section on student fees in this Catalog for current audit fees. Audit fees do not count toward load on tuition cap or scholarship/grants. Participation in class discussion is allowed at the discretion of the professor. Audited classes will never be counted as credit toward a degree. Students who have audited classes earlier may repeat the class later for credit.

Dropping or Adding a Course

Adding a Course

Adding another course in addition to the student's schedule at registration must be done before the end of the second week of the semester in the fall and spring semesters. The drop/add period for summer Internet courses is at the end of the first week due to the summer session being a condensed term. For **spring and fall terms**, including all delivery methods, students can drop through their student portal until *registration closes*. See fee schedule for add/drop fees. These changes and charges are applied manually by the Business Office. Ph.D. courses can be dropped before the second meeting through the ReDoc Office. ProDoc policies are listed on the Professional Doctoral Calendar. EdD policies will be guided by the level of the course 8000 = ProDoc and 9000 = ReDoc. Students may not enroll in 19 semester hours or more without permission of the the Associate Dean of Graduate Studies (Graduate Students) or the Dean of Leavell College (Leavell College Students). A student should consult an academic advisor before dropping or adding any courses.

Intensives must be dropped **before** the first day of class. Students cannot receive credit if they miss a single period and thus they cannot add after the intensive has begun.

Dropping Classes during the Drop/Add Period

A regular semester or Internet course may be dropped before the end of the second week of the semester. The drop/add period for summer Internet courses is at the end of the first week due to the summer session being a condensed term. Students who need to drop a course may request this by filling out the "Drop/Add Course" request form in the "Student Request Forms" section of www.nobts.edu/registrar. A student should consult an academic advisor before dropping or adding any courses. See the Student Fees page in this catalog for the course drop fee. During the drop/add period, tuition is refundable (tuition and the Internet program fee are also refundable for Internet courses).

Dropping a Hybrid Class

Hybrid students cannot receive credit for the course if they miss more than one class session of a four-time hybrid course, or two class sessions of an eight-time hybrid course. A student may drop a Hybrid class before the second class meeting. In such cases, the student should complete the "Drop/Add Course" request form in the "Student Request Forms" section of www.nobts.edu/registrar. A tuition refund minus a class drop fee is available for those who drop a Hybrid class before the second class meeting. See the Student Fees page in this catalog for the class drop fee.

Dropping a PhD Block-Scheduled Course

PhD students are expected to attend all class sessions. Students may drop a PhD block-scheduled seminar, colloquium, or other course before the second class meeting. A class meeting is defined as one half-day session. To drop a course, students must contact the Office of Research Doctoral Programs.

Dropping an Academic Intensive

Students cannot receive credit for an academic intensive course if they miss a single academic intensive class. Students may drop an academic intensive from the registration deadline until before the first day of class by filling out the "Drop/Add Course" request form in the "Student Request Forms" section of www.nobts.edu/registrar. A student should consult an academic advisor before dropping or adding any courses. Tuition is refundable, minus the per class drop fee (see the Student Fees page in this catalog). Tuition is not refundable, however, after the first day of class.

Withdrawal from a Course

Withdrawal from a Class after the Drop/Add Period

After the Drop/Add Period, a student may withdraw from a regular semester or Internet class without complete withdrawal from school. In such cases, the student should request the class withdrawal by filling out the "Withdraw from a Course"

request form in the “Student Request Forms” section of www.nobts.edu/registrar. The student will receive a grade of “WP,” “WF,” or “F” for the class. Students should be aware that dropping classes below a full-time load changes their financial aid status and/or their housing status.

Spring and fall withdrawal begins after the two-week drop period has ended. Students complete a withdrawal request through the Registrar’s Office to withdraw. The withdrawal fee is \$50 per class with a \$100 maximum. The student receives a WP unless otherwise instructed by the professor. **There are no refunds for withdrawn courses after the drop period has ended.**

- Students may not withdraw from classes after December 1 or May 1

Dates for determining add, drop, and withdrawal are primarily determined based upon the time stamp on the completed Google form. In rare instances in which we have record of the request apart from the completed Google form and or authorization from appropriate academic officials, we defer to that earlier date.

Withdrawal Refund – Internet Courses

Withdrawal from a fall or spring Internet class will be the same process as stated in the preceding section, “Withdrawal from a Class after the Drop/Add Period.”

With all Internet courses, the Internet program fee is non-refundable after the Drop/Add Period. Students interested in viewing the course syllabus of an Internet course should not attempt to access the course, but should open the syllabus on the applicable academic course schedule prior to registering for the course.

Withdrawal from an Academic Intensive

Students cannot receive credit for an academic intensive course if they miss a single academic intensive class. Beginning with the first day of class, there are no refunds for academic intensive classes. Students who withdraw from an academic intensive will receive a grade of “WP,” “WF,” or “F”.

Withdrawal from a Hybrid Class

A student may withdraw from a Hybrid class by filling out the “Withdraw from a Course” request form in the “Student Request Forms” section of www.nobts.edu/registrar. The student will receive a grade of “WP,” “WF,” or “F” for the class. Students may not withdraw from classes after December 1 or May 1. Students should be aware that dropping classes below a full-time load changes their financial aid status and/or their housing status. See the Student Fees page in this catalog for the class withdrawal fee.

Complete Withdrawal from School

Students who request Complete Withdrawal from all classes should meet with an Academic Advisor before withdrawal from the school. Students may not withdraw from school after December 1 or May 1. All students who withdraw from school are required to repay any grants or scholarships that they have received. See the Graduate Student Fees page in this catalog for the Seminary withdrawal fee.

Emergency Withdrawal

Students who must withdraw from the seminary because of a life-threatening personal or family emergency may receive an EW (Emergency Withdrawal) for all the courses in which they were enrolled and may receive a partial refund. To qualify for an Emergency Withdrawal, the student must petition the Provost of NOBTS, with a statement that evidences the need for the Emergency Withdrawal. Emergency Withdrawals are granted only when circumstances arise during the semester that are beyond the control of the student and prevent class attendance and/or completion of class assignments. Heavy work loads, church responsibilities, or other personal and/or family difficulties normally are not sufficient reasons for Emergency Withdrawal, since these reasons are not unusual or extraordinary. Students who have received a grant or scholarship will be required to repay that grant or scholarship when they withdraw from school.

The grading scale for the master's programs is as follows:

Examinations

The time limit for final examinations shall be two hours and shall be strictly adhered to according to the schedule published in the Catalog. Late finals are permitted only in extreme emergencies and must be approved by the professor and/or appropriate dean's office. Early finals are not permitted. Scheduled sectional/unit exams: Prior arrangements made in consultation with the professor are at the discretion of the professor. A student who misses an exam because of illness or personal reasons should contact the professor to indicate the problem and a suggested time for make-up. A student who misses for no valid reason should be expected to take a make-up at the professor/grader's convenience and will incur a point penalty. Any student who misses a scheduled exam is expected to schedule with the professor (or grader) a make-up within one week of the missed exam. A minimum five-point penalty will be incurred for failure to do so.

Report of Grades

Students may obtain their grades through SelfServe on the seminary's website. The seminary may withhold grades or transcripts of any present or former student if financial obligations are outstanding.

Academic Grievances

This policy addresses grievances in matters related to academics. The seminary policy regarding non-academic complaints and grievances is published in the Student Handbook.

1. **Initial Complaint:** In accordance with the teaching of Scripture, concerns about academic matters should first be voiced directly to the professor or other responsible person(s). If the informal communication of such a concern does not resolve the issue, the student may file a formal complaint.
2. **Formal complaint:** A student may file complaints with the Dean of Leavell College for undergraduate academic matters or with the Associate Dean of Graduate Studies for graduate academic matters. Such matters may include grievances related to grading or evaluation, as well as grievances related to other academic or faculty issues. The academic official will investigate the matter and recommend a resolution of the matter if feasible.
3. **Hearing:** At the student's request a hearing before the appropriate dean will be scheduled. At either the request of the student or the appropriate academic dean, the Dean of Students may be invited to a hearing related to academic matters. At the hearing, the student will be given an opportunity to voice the complaint. This opportunity shall include the right to offer witnesses and other evidence.
4. **Findings and Decisions:** The academic dean shall notify the student in writing of the findings and of the decision, if any, regarding the grievance.

5. **Appeal Procedure:** The student may appeal the decision of the academic dean to a review committee. The review committee for academic matters shall be composed of the Provost, the Dean of Graduate Studies, the Dean of Leavell College, the Associate Dean of Graduate Studies, and the Associate Dean of Leavell College.
6. **Committee Decision:** The decision of the review committee will be communicated to the student, to the President, and to the administrative officers involved. It shall be the final decision unless it is appealed by the student to the President of NOBTS, or unless the President indicates his desire to review the decision.
7. **Final Appeal Procedure:** The student's appeal must be in writing and delivered to the President's office within 24 hours of receipt by the student of the committee's decision. The President's intention to review the committee's decision shall be communicated to the Dean of Students, the chair of the committee, and the charged student within one week of the President's receipt of the committee's decision. The President may choose not to review the student's appeal of the committee decision. He may review and reverse, amend, or affirm the decision of the committee. The decision of the President regarding the matter shall be final.

Quality Points

For each semester hour of credit earned, quality points will be recorded as follows: A-4; B-3; C-2; D-1. To complete requirements for a degree, a student must earn a minimum average of two quality points for each semester hour of credit.

Incomplete Work

At the end of a semester, a mark of Incomplete shall be placed in the teacher's record in a case where a student is granted permission to complete any part of the required work after the date set for the examination. Such permission is granted only by the student communicating with the professor and/or the dean's office and only in case of an emergency. **Graduate** requests for such permission must be made by completing the Student Request Form available on the Registrar's Office page at nobts.edu. If possible, requests should be made before the time for the examination. The deadline for requests is two weeks following the date set for the examination. If delay is granted, but not extended in view of continuing emergency, the work must be completed during the semester following in a regular session (summer school is not included). There will be no further penalty for delays. If permission is not granted or not exercised during the time set, the work involved will be graded zero. The Registrar's Office bears no responsibility for incomplete work. Please also note that students may not receive an Incomplete for any Internet course--i.e., all work must be completed during the academic duration of the Internet course.

Financial Obligations

Credits for grades will not be effective in the Registrar's Office until satisfactory agreement concerning financial obligations has been made with the Business Office.

Academic Probation and Suspension

If a student's total grade point average falls below 2.0, the student will be placed on academic probation for the next semester in which the student enrolls. A student will be permitted to enroll for a maximum of 9 semester hours during the semester of academic probation. Failure to achieve a 2.0 grade point average during the semester of academic probation will result in immediate suspension of the student for at least one full semester.

A student on academic suspension may apply for readmission to the seminary up to one month in advance of the anticipated enrollment date. If readmission is granted, the student will be on academic probation for one semester. A student who fails to achieve a 2.0 grade point average during this semester of academic probation will be immediately and permanently suspended from school.

The faculty or any appropriate committee of the faculty may at any time advise the President that a student evidences spiritual, ethical, emotional, psychological, or attitudinal deficiencies which in the judgment of the faculty disqualify the student for continued study at the seminary. The student may appeal this determination to the President. The decision of the President shall be final.

Standard Policy for Student Conduct

Seminary students are expected to live according to the high standards of conduct befitting a Christian minister.

Seminary Policy on Plagiarism

The Student Handbook section on Ethical Conduct includes plagiarism as one type of unacceptable conduct.

Definition of Plagiarism

Students are given the task of writing papers in order to help them learn how to think critically about the ideas of others and to present the result of their analysis in a readable form. Plagiarism defeats these purposes by cheating the student out of an opportunity to grow. Plagiarism is, therefore, a failure to distinguish between the work of the student and the work of others, either intentionally or unintentionally. It may take several forms:

- Taking one or more sentences verbatim from a source and inserting it into a paper without the proper citation obviously is plagiarism.

The student should note that a failure to document credit for a direct quotation is also a violation of copyright law (See Student Handbook section on Electronic Reserves).

- Representing the words or ideas of another person as your own words or ideas is plagiarism, even if you summarize. However, loosely paraphrasing a sentence without proper citation also is plagiarism.
- Borrowing without proper citation such things as an outline, an idea, or an approach to dealing with a problem that is unique to an author is plagiarism. This type of plagiarism often results from poor note taking on the part of the student.
- Plagiarism also can result from improper methods of citation. The student is responsible for learning the appropriate rules for citing sources and for following those rules throughout the paper. Ignorance of rules of citation is not an excuse.
- In addition plagiarism is a violation of the use of the seminary's computing resources (See Student Handbook section on Computer Use Policy Violations).

For other definitions of plagiarism and ways to avoid it see Robert A. Harris, *The Plagiarism Handbook: Strategies for Preventing, Detecting, and Dealing with Plagiarism* (Los Angeles, CA: Pycszak Publishing, 2001).

Consequences for Violations of Plagiarism

When a professor discovers a student has committed plagiarism, the professor should report this violation to the Dean of Students. In making this report, a copy of the paper in question is supplied to the Dean of Students for the purpose of documentation. A letter of warning will be issued from the Dean of Students Office to the student notifying him or her of the violation. This letter will serve as the official notice of the violation, and a copy will be placed into the student's permanent file along with the copy of the student's paper(s). Copies of the letter will be forwarded to the appropriate academic dean, the Registrar, the professor, and the Provost. This letter will state clearly that if the student plagiarizes a second time, the offense will be reported directly to the President. At the discretion of the President, a second offense of plagiarism may result in the student's dismissal from the seminary.

Leavell College Plagiarism Policy

A high standard of personal integrity is expected of all Leavell College students. Copying another person's work, submitting downloaded material without proper references, submitting material without properly citing the source, submitting the same material for credit in more than one course, and committing other such forms of dishonesty are strictly forbidden. *Although anything cited in three sources is considered public domain, we require that all sources be cited.* Any infraction may result in failing the assignment and the course. Any infraction will be reported to the Dean of Leavell College for further action.

Repeating a Course

When students have received credit for a course, they will not be allowed to repeat it for credit except through petition and approval of the Registrar. For students who have been approved to repeat a course for which they have received prior credit, the most recent grade in that course will count toward their GPA. The previous grade will be changed to indicate a repeated course on the official transcript and will not be calculated in the student's GPA. If the student repeats a course and earns a failing grade, a prior passing grade in the same course will be negated and not count towards the requirements for the degree.

Discrimination

NOBTS and Leavell College does not discriminate in admissions or in the administration of its educational policies on the basis of race, color, national origin, or ethnic origin. Only to the extent required by its religious tenets and allowed by law does the seminary make distinctions between men and women.

The fulfillment of the seminary's religious mission requires the seminary to be the sole judge of which students should be admitted and, once admitted, to continue to pursue a course of study and to receive a degree. In these decisions, the seminary is concerned with the spiritual, ethical, emotional, psychological, moral, behavioral, and attitudinal traits evidenced in the student's life which suggest a foundation upon which a lifetime of Christian ministry can be built.

Seminary and Third-Party Access of Student Information

Appropriate admissions and academic personnel have access to student records for processing and maintenance purposes. Directory information, data that normally is public information, is available to seminary and outside sources. Additional information will not be released without the written permission of the student.

Senior Status

Bachelor of Arts students reach senior status when they have completed 90 semester hours.

Master of Divinity students reach senior status when they have completed 50 semester hours. Master of Arts in Christian Education students become seniors when they have completed 27 semester hours. Master of Arts in Marriage and Family Counseling students reach senior status at 43 semester hours, and Master of Music in Church Music students reach senior status at 10 hours.

All MDiv and MA students must have a senior conference with the Academic Advisor during the term prior to reaching senior status or as soon as possible thereafter. Master of Music in Church Music students should consult with the office of Church Music Ministries.

Master's Credit for a Doctoral Seminar

- Candidates in master's degree programs of the seminary may be admitted to doctoral seminars when they have met the following requirements:
 - a. A minimum GPA of 3.26.
 - b. No more than 10% of the master's program remaining to be completed.
- Permission for registration is granted through the Office of Research Doctoral Programs. To receive permission, students must submit a written request to the Office of Research Doctoral Programs including the name of the course, permission from the professor of record and the division of study, and evidence that they meet the requirements listed above. Students will receive a decision in writing regarding their request. If approved, students will be registered by the Office of Research Doctoral Programs.
- Credit for one seminar (4 hours) may be applied to an appropriate master's-level degree.

Seminar credit earned prior to the completion of requirements for the master's degree cannot be applied to a doctoral program.

Degree-to-Degree Transfer Credits

NOBTS values continuing education of Christian ministers. Therefore, we want to facilitate ministers earning second degrees to the extent allowed by accreditation principles. Transfer of MA credit hours into the larger MDiv are covered in an existing policy. This policy addresses transferring credit hours from a degree with more credit hours to a degree with fewer credit hours.

Students with a degree from other institutions - Accreditation rules dictate that in transferring credit hours from a different institution, the following guidelines should be followed:

- At least one-third of the shorter degree must be earned at NOBTS. In addition, only those credit hours which fit into the NOBTS degree as required or elective courses may be transferred. Courses differ some in content between institutions. Submitting a catalog description of the courses, or preferably syllabi listing learning outcomes for the course, is helpful in evaluating these transcripts.

Students with a degree from NOBTS - Since NOBTS students with longer degrees have taken the same courses with the same learning outcomes that pertain to shorter degrees, the following guidelines pertain:

- Some MA type degree programs at NOBTS have special admission requirements not required for admission to the MDiv. The student who seeks the second degree must meet all of the entrance requirements for the MA type degree.
- All courses required in both degrees transfer from the longer degree into the shorter degree, being understood as dual or sequential degree programs.
- Even if all of the required courses transfer from the longer degree to the shorter type degree, the student must earn at least one-third of the hours required for the second degree in the relevant or cognate disciplines to receive the second degree.

Leavell College Credit by Examination

Students in Leavell College normally earn degree credit by taking regular college courses. However, Leavell College accepts credits from various credit-by-examination programs including the Advanced Placement Program (AP) and the College Level Examination Program (CLEP). Students may be awarded up to 30 credit hours via credit by examination, except by permission of the Dean of Leavell College.

Advanced Placement (AP) Exams

Students earning scores of 3 or higher on AP exams will be awarded credit as noted in the chart below. Students earning scores of 4 or 5 on selected exams will receive 6 hours of credit, with the second course identified by an asterisk. Exams not included in the listing below may be considered on a case-by-case basis. *NOTE: An official copy of the AP College Grade Report is required to be on file with Leavell College in order for the school to award credit. Requirements for Graduation

In order to graduate from the seminary, students must meet all academic requirements set forth in this Catalog, settle all financial obligations to the seminary, and maintain high standards of moral and ethical conduct. The seminary requires that all students anticipating graduation be currently enrolled and have earned 1/3 of the hours for the degree program at the New Orleans Baptist Theological Seminary. These hours can be taken at the main campus, at any of the current extension centers, or through online courses.

Students who wish to graduate must apply for graduation by September 15 for December graduation or February 15 for May graduation. The application for graduation may be found at www.nobts.edu/registrar.

Participation in graduation exercises is required of all students unless permission is granted to graduate in absentia. Requests for permission to graduate in absentia should be made on the application for graduation. Permission is granted only in cases of emergencies.

Key to Identifying Graduate Courses

Courses listed in the Catalog are identified by four letters and four numbers. The letters indicate the division and/or the subject area. For example, the letters PREA indicate that the course is a Preaching course in the Pastoral Ministries Division. The letters CCSW indicate Church and Community Ministries Division and the department of Social Work.

The first number indicates the course level:

1-4: Undergraduate-level courses

5: Basic master's-level courses without graduate prerequisite or considered beginner's level. These courses, especially if required as prerequisites for other courses, should be taken as early as possible in the student's program of study

6: Advanced master's-level courses having prerequisites, or courses which by their nature should be taken after the student's initial year of theological study

7: Master of Theology courses to be taken only by students pursuing the Master of Theology degree program

8: Doctor of Ministry, Doctor of Educational Ministry, and Doctor of Education courses

9: Doctor of Philosophy, Doctor of Education, or Doctor of Musical Arts courses only

The second number indicates the hour value of the course.

Key to Identifying Leavell College Courses

Courses listed in the catalog have been labeled specifically in order to help the student determine the sequence and content of a course. Four letters and four numbers identify the courses. The first two letters, LC, designate the course as a Leavell College course. The last two letters designate the specific type of course. These letters are the abbreviations for the following:

LCBS	Biblical Studies
LCCF	Christian Foundation Core
LCCM	Christian Ministry
LCEM	Educational Ministries
LCGE	General Education Core
LCMC	Music Conducting
LCME	Music Education
LCMG	Music Groups (Ensembles)
LCMH	Music History
LCMI	Music Instrumental
LCMO	Music Organ
LCMP	Music Piano
LCMR	Music Recital
LCMT	Music Theory
LCMV	Music Voice
LCPC	Psychology and Counseling
LCPM	Pastoral Ministries
LCTH	Theology and History

Following the four letter abbreviations are four numbers.

- The first number refers to the level of the course. For example, a 1 is a freshman-level course whereas a 4 is a senior-level course.
- The second number indicates the number of semester hours that one receives for completing the course successfully.
- The last two digits are the course identifier.

Note the example Teaching Methods: LCEM2360. The course is a Leavell College course (LC) in Educational Ministries. The course is a second-year course (2) for three hours of credit (3). The course identifier is 60. When registering for or referring to courses, all letters and digits should be used.

The majority of courses taught by Leavell College are 3-hour courses. In the following list, the courses are alphabetized according to the course title. After the course title is the course identifier (four letters and four numbers). The course description contains a brief statement of course content and expected student learning.

Courses that are junior or senior level usually have prerequisites. These prerequisites are noted at the end of the course descriptions. The student is responsible for completing the prerequisites before registering for a course. The student should take care in scheduling to include all levels of prerequisites.

Definition of a Credit Hour

At NOBTS and Leavell College, a standard, semester-based course with weekly meetings will normally meet in person 1 hour in seat time per credit hour weekly, with assignments which take approximately two hours per credit hour outside of class. So, for a typical 3 hour course, class meetings will total 45 hours in seat time, and outside of class assignments will total approximately 90 hours. The total time spent by the student inside and outside the classroom for the 3 hour course should thus be approximately 135 hours. When various alternative delivery systems are being utilized in which the percentage of seat time and outside of class assignments vary, the same total time investment of total time commitment by the students must be maintained.

Policies for Defining and Assigning a Credit Hour in Music Courses

In terms of credit hours versus contact hours in the office of Church Music Ministries, the following procedures have been established. Each credit hour of applied study equals a half hour of instruction. For example, a student taking 2 credit hours of voice would receive 1 hour of instruction per week over a 15- week semester. In keeping with common practice, lesson assignments are made during week 1, so there are actually 14 lessons. All ensemble courses include 1 hour of credit regardless of the number of contact hours of instruction in a given week (e.g., Seminary Chorus meets from 6:30 to 8:30 on Monday evening but students receive 1 hour of credit). Class piano follows the model of applied lessons. Because the class is small, 2 hours of credit equal 1 hour of instruction per week over the course of a 15-week semester. The standard of 2 hours of assigned work per credit hour in addition to contact hours as defined above is mandated for all undergraduate and graduate courses. In the case of ensembles, additional work required is largely met with the extra rehearsal time as described above.

VA Pending Payment Compliance

In accordance with Title 38 US Code § 3679 subsection (e), this school adopts the following additional provisions for any students using U.S. Department of Veterans Affairs (VA) Post 9/11 G.I. Bill® (Ch. 33) or Vocational Rehabilitation & Employment (Ch. 31) benefits, while payment to the institution is pending from the VA. This school will not:

- Prevent the student's enrollment;
- Assess a late penalty fee to the student;
- Require the student to secure alternative or additional funding;
- Deny the student access to any resources (access to classes, libraries, or other institutional facilities) available to other students who have satisfied their tuition and fee bills to the institution.

However, to qualify for this provision, such students will be required to: Provide the enrolling institution with a copy of his/her VA Certification of Eligibility (COE) - A "certificate of eligibility" can also include a "Statement of Benefits" obtained from the U.S. Department of Veterans Affairs' (VA) website; eBenefits; or a VAF 28-1905 form, for chapter 31 authorization purposes.

Policy for Timeline of Academic Credit

Normally, any NOBTS degree should be completed within ten years, with the following exceptions:

1. The student is a part-time student still persisting toward the degree being currently enrolled not missing more than one year.
2. Some student may be granted an exception on a case-by-case basis by the program Dean in cases in which the student has experienced a serious career or life crisis, financial hardship, or was not in a position due to their ministry to continue the degree (in cases such as overseas missionary services).

A Message from the Dean of Graduate Studies

Welcome to the School of Providence and Prayer, whose mission is to prepare students to walk with Christ, proclaim His truth, and fulfill His mission. We desire to be your partner as you continue to focus on answering the call that God has placed on your life. Our desire to partner with you has led us to gather a world class faculty who is committed to the gospel, to Christ, and to His church. Understanding that the Lord has called many of you to varying places and ministries, we are committed to providing educational degree programs ranging from certificates to research doctoral degrees, all of which are designed to equip you to be effective ministers of the gospel. In the graduate program of NOBTS, our mission, our ministry competencies, and our teaching disciplines all center on fulfilling God's mission.

If you are a Leavell College student or have completed your Bachelor's degree from a Christian college with a religion major or minor, you may qualify for advanced credit toward your Master of Divinity degree through the Accelerated MDiv Program.

Our passion to fulfill God's calling and mission has led this historic institution to deliver our courses through a variety of delivery formats to provide ideal convenience for students while ensuring a level of excellence in academics. In addition to the New Orleans campus we have classrooms in 23 locations, internet students in all 50 states and around the world, and mentoring sites in many Southern Baptist churches and ministry organizations. Through the use of technology the sun never sets on part of the NOBTS family.

If you need additional information about a particular program, please contact my office, the appropriate director, or the Academic Counselor in the Registrar's Office.

May God continue to lead you as you entrust the gospel to others (2 Tim. 2:2).

Dr. "Bo" Rice
Dean of Graduate Studies

Seven Basic Competencies Guiding the NOBTS Curriculum

NOBTS faculty members realize that all ministers need to develop specific competencies if they are going to have an effective ministry. To increase the likelihood of NOBTS graduates having an effective ministry, the faculty developed a competency-based curriculum after identifying seven essential competencies necessary for effective ministry. All graduates are expected to have at least a minimum level of competency in all of the following seven areas:

Biblical Exposition

To interpret and communicate the Bible accurately.

Christian Theological Heritage

To understand and interpret Christian theological heritage and Baptist polity for the church.

Disciple Making

To stimulate church health through mobilizing the church for missions, evangelism, discipleship, and church growth.

Interpersonal Skills

To perform pastoral care effectively, with skills in communication and conflict management.

Servant Leadership

To serve churches effectively through team ministry.

Spiritual and Character Formation

To provide moral leadership by modeling and mentoring Christian character and devotion.

Worship Leadership

To facilitate worship effectively.

Accelerated MDiv Program

Directed by Dr. Jonathan Patterson

The Accelerated MDiv program helps qualified students seeking an MDiv (any specialization) earn their degree at a faster pace, while saving them money in the process. Qualifying students are those who have graduated from an accredited institution of similar theological background within the last five years and have earned at least a B in equivalent courses. Students who wish to determine their qualifications for the program should provide the Accelerated MDiv office with their undergraduate transcripts for evaluation.

Qualifying students have the opportunity to earn up to one-third of their MDiv for free through the Accelerated MDiv program. For example, a student seeking a standard 84-hour MDiv may be eligible to receive up to 28 hours credit toward that degree through the Accelerated MDiv program. Thus, qualified students could earn their MDiv in less time and at a significant savings through the Accelerated MDiv program.

How Do I Apply?

The Accelerated MDiv is not a new degree program and requires no special application process. Students will declare their major through the Registrar's office (i.e., MDiv Standard or their chosen specialization) and contact the Accelerated MDiv office for a transcript evaluation. In addition, students must submit a graded research paper to the Accelerated MDiv office or write a paper demonstrating ability in research and writing. The student's transcript will be evaluated to determine what credits he/she is eligible to receive through the Accelerated MDiv program. Students will receive a record of which classes the student is eligible to receive credit for through the Accelerated MDiv program, up to 25% of his/her degree. Students qualifying for more than 25% of their degree program must contact the Accelerated MDiv office to select the courses for advanced standing.

How Do I Receive These Credits?

Qualifying credits will be added to the student's transcript only after the student has applied and been approved for graduation. No fees are associated with the program, so students will not have to pay anything to have these credits added to their transcript. However, students will need to keep track of these credits throughout their degree program to ensure they do not repeat courses and/or have completed all other necessary courses before applying for graduation. While the Accelerated MDiv office will keep a record of all student qualifications, evaluation and approval for graduation is handled through the Registrar's office alone.

What Courses Are Available Through the Accelerated MDiv Program?

Currently, the Accelerated MDiv program offers qualifications for a number of courses at NOBTS and more courses may be added in the future. We encourage students to ask about any new courses that may have been added. To qualify for credit, students must have completed equivalent courses at the undergraduate level with a grade of B or better.

Courses requiring **three equivalent hours** at the undergraduate level:

BBBW5200 Encountering the Biblical World
BSHM5310 Introduction to Biblical Hermeneutics
CEAM6320 Church Leadership & Administration
COUN5202 Counseling in Ministry
ETHC5300 Christian Ethics
EVAN5230 Supervised Ministry I
EVAN5250 Church Evangelism
HIST5200 History of Christianity: Reformation to Modern
HIST5223 Baptist Heritage
HIST5300 History of Christianity: Early to Medieval
MISS5330 Christian Missions

PATH5331 Pastoral Ministry
PATH5333 Christian Ministry
PHIL5300 Philosophy of Religion

Courses requiring **at least six** hours at the undergraduate level: NTEN5300 Exploring the New Testament (*3 hours from NT Survey; at least 3 more NT hours*)

OTEN5300 Exploring the Old Testament (*3 hours OT Survey; at least 3 more OT hours*)

THEO5300 Systematic Theology I (*3 hours of Systematic Theology/Christian Doctrine; at least 3 more Theology hours*)

Advanced Placement in Languages

In addition to hours earned through the Accelerated MDiv, students who have significant hours in Greek and/or Hebrew at the undergraduate level may also qualify for advanced placement in languages. For every six hours of undergraduate credit in Greek or Hebrew (with a B or better), students may qualify to proceed into the next logical class (e.g., six hours of Greek or Hebrew qualifies the student to bypass the Introductory language course at NOBTS and enroll in the Intermediate course; 12 hours qualifies a student to bypass both Introductory and Intermediate and enroll in an Advanced language course). Students who bypass one or more courses in either language must earn a B or better in the course they take at NOBTS. In addition to tuition for the class taken students will pay 1/3 tuition cost for the bypassed classes (i.e., you pay for one hour and receive three). Students who may qualify for advanced placement in languages should contact the Accelerated MDiv office for more information.

The following is the list of courses students may be eligible to bypass based on their undergraduate studies:

NTGK5300 Introductory Greek Grammar
NTGK6300 Intermediate Greek Grammar
OTHB5300 Introductory Hebrew Grammar
OTHB6300 Intermediate Hebrew Grammar

In addition to the Program Outcomes of the MDiv degree and in order to meet licensure requirements, this specialization also is designed to:

1. Equip students to synthesize theoretical and empirical knowledge in the field of counseling.
2. Train students to have the necessary academic and clinical skills to obtain professional licensure.
3. Equip students to develop a deeper understanding of cultural diversity to enhance counseling skills.
4. Train students to integrate historical Christian beliefs, faith, and spirituality with the best practices of mental health science, in an ethical manner.

Phases of Admission

In addition to the New Orleans Baptist Theological Seminary admission requirements and acceptance into NOBTS, a student pursuing a degree in counseling (any of the licensure tracks) must complete the following phases of admission:

Entry Phase: Entry Level for Counseling Licensure Programs

Entry into any Graduate Counseling degree program at New Orleans Baptist Theological Seminary is based on an evaluation of the applicant's personal, professional, and academic records by the Counseling Faculty. NOBTS encourages applications from qualified applicants from diverse sociocultural backgrounds who display Christian character, professional promise, intellectual achievement, and educational commitment. This Phase is completed through the typical application process for NOBTS and the Registrar's Office. At a minimum, applicants are expected to have the following qualifications, and meet the following requirements:

- The applicant must have the Bachelor of Arts degree or its equivalent from a college or university accredited by an agency related to CHEA, or proof of equivalent training at a foreign university.
- A minimum of 2.75 GPA on a 4.0 scale, or its equivalent.
- Beginning candidates must attend the graduate orientation at the beginning of their first semester, complete the NOBTS Entrance Exam, ACE Survey, and Trauma Symptoms Index. These are not barriers to entrance, but rather measures to facilitate more effective training opportunities for each student.
- The student may take a maximum of four of the five core courses (twelve hours) in any of the Counseling degree programs (course work listed as COUN) at NOBTS on a conditional basis. Conditional admission does not guarantee admission into any of the Counseling programs. Students taking less than twelve hours of graduate credit in the counseling program their first semester may complete any of the remaining four core courses the second semester, and take additional hours in the Basic Ministerial Competency Component of the program to fill their semester schedule as needed.
- Students may take any number of the Basic Ministerial Competency Component courses required in the program prior to seeking admission to one of the Counseling Degree Programs.
- All students must complete the NOBTS Counseling Education Exam at the beginning of the entry phase.

Phase Two: Completion of Academic and Clinical Requirements for Full Entrance in Graduate Counseling Programs

(This Phase completed through an application process in the Counseling Department.)

In order to be accepted into a Graduate Counseling Program, candidates must meet the following conditions:

1. **Complete the four prerequisite courses, with no grade lower than a "B."** Candidates cannot take additional COUN courses until they have been accepted into a graduate counseling program.

COUN6303, Ethical, Legal, and Professional Issues in Counseling (*offered every semester*)

COUN6302 Techniques and Skills in Counseling (*offered every semester*)

COUN6301 Psychopathology: Diagnosis and Treatment (*offered every semester*)

COUN6351 Counseling Theories and Treatment (*offered only fall semester*)

OR COUN6350 Clinical Marriage and Family Assessment (*offered only spring semester*)

2. **Maintain a 3.0 GPA in all COUN classes**

3. **Complete application to Phase Two of the Graduate Counseling Program:** Students preparing to complete the first four core courses should apply to the program by October 15 or March 15. The application is online, in the Blackboard course COUN6380KS/Program and

Practicum Application (on left menu).

4. **Evaluation of Work in Courses:** After the candidate has completed and submitted all the above materials, the professors who taught the applicant's core courses will complete an evaluation of the evidence of academic, emotional and spiritual preparation of the candidate for acceptance into the program and of the candidate's preparedness to begin the practicum.

Evaluation Checklist

When the Application is submitted, the professors of the four core courses will fill out an evaluation checklist that will cover the following areas.

- Academic Communication Skills
- Professional Orientation
- Interpersonal Competence
- Personal Responsibility
- Personal Integrity
- Respect others and Diversity
- Self-Reflection and Self-Care
- Growth in Core Values of NOBTS
- Growth in Seven Basic Competencies of NOBTS
- Regular Involvement in your church and ministry
- Evidence that the student is dealing with and/or working on any personal issues that could impact his or her work as a counselor.

5. **Interview with Faculty Member:** At this point, the candidate will be invited to have an appointment for an oral interview with one of the professors in the Counseling Department. The interview will include all evaluation scores and discussion of any issues of concern.

Candidates will be notified in writing by the Clinical Director of the Department of Counseling regarding the results of their admission status. Those who are accepted will be allowed to register in COUN courses in the next semester.

NOTE: All counseling students are required to achieve a passing score on the CPCE exam before graduating.

Total Required: 50 hours

Academic Requirements

The 50-hour course requirement of the MA (Apologetics) degree is intended to introduce students to a broad range of theological disciplines necessary for further studies in apologetics research. Students in the degree must maintain a 3.5 GPA. Those who do not maintain this standard will be on academic probation after the first semester that their GPA drops below 3.5 and will be dismissed after the second consecutive semester below a 3.5 average.

PhD Eligibility

Students who complete the MA (Apologetics) are eligible to apply for the PhD at NOBTS. Students should, however, refer to all current admission requirements for Research Doctoral Programs to ensure the MA (Apologetics) meets the criteria for specific majors.

Admission Requirements

Applicants for the MA (Apologetics) degree must fulfill all the normal admission requirements for NOBTS, including the admission form, transcript, church endorsement, statement of call, medical clearance, TOEFL for international students, etc. Admission to the MA (Apologetics) program requires additional approval by the Theological and Historical Studies Division. The following criteria will be used in reviewing applications for the MA (Apologetics) program:

- Applicants must have earned a baccalaureate degree, normally with at least a 3.0 grade point average (GPA) on a 4.0 scale, from an institution accredited by a regional accreditation agency recognized by the Council for Higher Education Accreditation or holding membership in the Association of Universities and Colleges in Canada, or the educational equivalent.
- Applicants must have completed a total of at least 15 transcribed credit hours with a grade of “B” or above in biblical studies, theology, historical studies, philosophy, and/or ethics.
- Applicants must submit a research paper on a topic in some area of theological studies for consideration by the Theological and Historical Studies Division. In some cases the division may require a personal interview with the applicant.
- Students should evidence the interests, aptitudes, and personal qualities necessary for the particular application of this degree.
- The Theological and Historical Studies Division, in consultation with the Registrar, shall determine the applicant’s suitability for admission and admit qualified candidates into the MA (Apologetics) program. Upon admission to the MA (Apologetics) program, the Theological and Historical Studies Division will tailor a program of study for each student. Students with weak undergraduate preparation in a discipline may be required to take introductory courses or, in some cases, remedial work to insure minimum competency in that discipline. Students with strong undergraduate preparation in a discipline may be eligible for advanced standing and may therefore take advanced electives in that discipline rather than the introductory courses in that discipline.

Academic Requirements

The 50-hour course requirement of the MA (Apologetics) degree (as delineated above) is intended to introduce students to a broad range of theological disciplines necessary for further studies in theological research or interdisciplinary studies related to theology. Students in the MA (Apologetics) must maintain at least a 3.25 GPA to remain in the program. Those who do not maintain a 3.25 GPA will go on probation status after the first semester, and will be dismissed after the second consecutive semester below a 3.25 average.

*All graduate students must take this course during orientation in their first semester; however, students will not receive a credit hour or be charged for the course.

The faculty recommends strongly that apologetics students attend the January Defend conference, which features some of the nation’s top apologetics. Students can earn up to six hours of course credit toward this degree each year through the Defend conference.

Admission Requirements

Applicants for the MA (Theology) degree must fulfill all the normal admission requirements for NOBTS, including the admission form, transcript, church endorsement, statement of call, medical clearance, TOEFL for international students, etc. Admission to the MA (Theology) program requires additional approval by the Theological and Historical Studies Division. The following criteria will be used in reviewing applications for the MA (Theology) program:

- Applicants must have earned a baccalaureate degree, normally with at least a 3.0 grade point average (GPA) on a 4.0 scale, from an institution accredited by a regional accreditation agency recognized by the Council for Higher Education Accreditation or holding membership in the Association of Universities and Colleges in Canada, or the educational equivalent.

Upon admission to the MA (Theology) program, the Theological and Historical Studies Division, will tailor a program of study for each student. Students with weak undergraduate preparation in a discipline may be required to take introductory courses or, in some cases, remedial work to insure minimum competency in that discipline. Students with strong undergraduate preparation in a discipline may be eligible for advanced standing and may therefore take advanced electives in that discipline rather than the introductory courses in that discipline.

Academic Requirements

The 52-hour course requirement of the MA (Theology) degree (as delineated above) is intended to introduce students to a broad range of theological disciplines necessary for further studies in theological research or interdisciplinary studies related to theology. Students in the MA (Theology) must maintain at least a 3.25 GPA to remain in the program. Those who do not maintain a 3.25 GPA will go on probation status after the first semester, and will be dismissed after the second consecutive semester below a 3.25 average

MTS Summative Assessment

The Summative Assessment is a comprehensive exam component of the Master of Theological Studies degree. To take the exam, the student must enroll into *MTSA6100 Summative Assessment* and pay fees like a normal class. Students must register for the course the semester that they anticipate graduating. Students, in communication with the Office of the Registrar, are responsible for knowing where they are in their program and when they must take the exam.

Registration Process

1. During registration for the semester that students anticipate graduation, they must contact the Registrar's office to register for *MTSA6100* and pay all associated fees (self registration is not available for this course).

3. All graduation deadlines are firm.

Summative Assessment

1. The Summative Assessment consists of 100 true-false and multiple choice questions gleaned from the courses that make up the Foundational Studies Component of the degree. This timed exam is taken and graded via the Summative Assessment Blackboard site.
2. The exam is opened for students to take during the following periods of time:
 - **December graduation:** after November 1, but no later than December 1
 - **May graduation:** after April 1, but no later than May 1
 - **July Conferral:** after June 1, but no later than July 1

In the event that a student fails the Summative Assessment, the following options are available:

- If a student fails the Summative Assessment, the exam may be retaken after 5 days if 5 days falls within the period that the exam is open.
- If a student fails the Summative Assessment and/or does not take the exam within the allotted period, the student must contact the Office of the Registrar to withdraw from graduation.
- If a student fails the Summative Assessment and/or does not take the exam within the allotted period, the student must enroll into *MTSA6100 Summative Assessment* in the subsequent semester.

Further guidance on the Summative Assessment process may be obtained from the Office of the Curriculum Coordinator.

- Applicants must demonstrate evidence of aptitude for advanced theological study. For unconditional acceptance of the application, the minimum GPA for prior graduate-level theological work is 3.25 on a 4.0 scale. Persons with a GPA of less than 3.25 may demonstrate potential through the GPA and the Graduate Record Examination (GRE) according to the following five-point sliding scale. For the application to be accepted unconditionally for further consideration, pending the other steps in the approval process, the individual must have a combined score of "0" or higher on the three components. Applicants with a combined score of -3 to -1 may be eligible for acceptance on probation. Scores may be no older than 5 years.
- Applicants must have completed the following prerequisites in languages prior to admission.

Biblical Studies: a minimum of 12 semester hours of master's-level Greek; 12 semester hours of master's-level Hebrew (for NOBTS students these courses would include NTGK6300 Intermediate Greek Grammar, OTHB6300 Intermediate Hebrew Grammar, and exegesis courses); and 5 semester hours of French, German, or Latin.

Christian Education: a minimum of 6 semester hours of research statistics. Upon request, the division faculty will evaluate undergraduate courses to determine which, if any, apply toward the research statistics requirement. Requests must be submitted in writing with the application. Courses considered would be those similar in nature to NOBTS graduate courses CEST6300 Introduction to Educational Research and Statistics and CEST9300 Educational Research and Statistics. Applicants may choose to take CEST6300 Introduction to Research and Statistics during preresidency and seek approval to take CEST9300 Educational Research and Statistics within the first year after admission into the program.

Church and Community Ministries: a minimum of 3 semester hours of research statistics. Upon request, the division faculty will evaluate undergraduate courses to determine which, if any, apply toward the research statistics requirement. Requests must be submitted in writing with the application. Courses considered would be those similar in nature to the NOBTS graduate course COUN6374 Scientific Research and Program Evaluation.

Pastoral Ministries: a minimum of 6 semester hours of graduate-level biblical languages (Hebrew and/or Greek), 6 semester hours of a nonbiblical language (French, German, Latin, or Spanish), or 6 semester hours of research statistics. Statistics courses considered would be those similar in nature to NOBTS graduate courses CEST6300 Introduction to Educational Research and Statistics and CEST9300 Educational Research and Statistics. Applicants may choose to take CEST6300 Introduction to Research and Statistics during preresidency and seek approval to take CEST9300 Educational Research and Statistics within the first year after admission into the program.

Theological and Historical Studies: a minimum of 6 semester hours of master's-level Greek; 6 semester hours of master's-level Hebrew (for NOBTS students these courses would include NTGK6300 Intermediate Greek Grammar and OTHB6300 Intermediate Hebrew Grammar); and 5 semester hours of French, German, or Latin.

All Majors: Academic credits that are to be considered for meeting nonbiblical language or research statistics and methods requirements may not be more than 7 years old. The divisions will consider requests concerning unique circumstances. In addition to transcribed course credits, competency in a non-biblical language can be verified by testing arranged through the Office of Research Doctoral Programs.

Applicants whose primary spoken language is not English should follow the instructions in the International Students section of the catalog. The International Student Advisor for the Seminary is Dr. Paul Gregoire. Applicants may contact him by phone at 504.282.4455 or 1.800.NOBTS.01 or by e-mail at pgregoire@nobts.edu.

Admissions Process

- A completed application including all supporting documents is due to the office of the Director of the Master of Theology Program by April 1/November 1.
- The applicant must submit a research paper from the master’s program for review by the division. If no paper is available, the applicant should contact the appropriate division associate dean.
- The applicant must complete a criminal background check through CastleBranch before the application can be considered.
- The Director normally will conduct an interview with the applicant.
- The division faculty will make a recommendation to the division associate dean regarding admission. The division associate dean may require an interview.
- The associate dean chair will present the division’s recommendation to the Master of Theology Admissions Committee, which is comprised of the associate deans of the four divisions (Division of Biblical Studies, Division of Church Ministries , Division of Counseling, and Division Theological and Historical Studies) and the Director of the Master of Theology Program, who chairs the committee.

Program Issues

- Five majors are offered: Biblical Studies, Christian Education, Church and Community Ministries, Pastoral Ministries, and Theological and Historical Studies.
- Normally, students would not take over 12 hours per semester. Exceptions must be approved by the Director of the Master of Theology Program.
- Prior to taking doctoral seminars that may be eligible for transfer into a research doctoral program, the student must achieve a combined score of “0” or higher on the five-point sliding scale for application.
- Doctoral students have first priority to enroll in doctoral seminars. If space permits, ThM students may enroll in doctoral seminars if they have the appropriate prerequisite course work and the approval of the instructor, the division of study, and the Associate Dean of Research Doctoral Programs.
- Normally, a ThM student would take no more than one doctoral seminar at a time. Exceptions must be approved by the Director of the Master of Theology Program.
- Normally, the ThM work will be completed on campus. However, in some cases up to 4 hours of work may be completed in an extension center setting with the approval of the Director of the Master of Theology Program.
- Up to 4 hours may be taken in independent study under direct faculty supervision.
- Students must maintain a 3.0 GPA on a 4.0 scale to remain enrolled in the ThM program.

- An acceptable thesis of 60-100 pages in the area of the student's major concentration ordinarily is required. In some circumstances, an acceptable alternative to the thesis requirement is the completion of two research doctoral seminars in the major area.
- Continuous enrollment in the program is required.
- The maximum time limit for completion of the program is 4 years.
- For a student who completes the degree, up to two research doctoral seminars completed with a grade of "B" or above may be eligible for doctoral program credit, should the student be admitted to a research doctoral program and if permission is granted by the Research Doctoral Admissions Committee.

Thesis Process

- During the first semester of the program, the student should be in dialogue with the associate dean of the division regarding a possible thesis direction and Thesis Advisor. The Director of the Master of Theology Program, in consultation with the division associate dean, will appoint the Thesis Advisor in accordance with the proposed area of research.
- During the semester before the writing of the thesis and thesis registration, the student should work with the Thesis Advisor to develop a Thesis Proposal. The Thesis Proposal should include the following components:
 - Thesis Statement
 - Hypothesis
 - Review of Literature
 - Description of Research Methodology
 - Selected Bibliography

The Thesis Proposal is normally no longer than 20 pages, not counting the bibliography.

- The student should audit RDOC9303 Prospectus Development in January or June.
- The Thesis Advisor will work with the student to present the Thesis Proposal to the Research Doctoral Oversight Committee for review.
- Final approval of the Thesis Proposal by the Thesis Advisor must be secured by the last day of the semester prior to the first semester of thesis registration.
- Three plain-paper copies of the thesis must be submitted to the Director of the Master of Theology program by the April 1 or November 1 deadline prior to graduation.
- Appropriate thesis and diploma fees must be paid at the time of submission.
- A Thesis Review Committee shall be composed of the Thesis Advisor, one faculty member in the major area, and one faculty member outside the major area (appointed by the Director of the Master of Theology Program).
- An electronic copy of the approved thesis must be submitted to the ReDoc office no later than 10 days prior to graduation.

ThM Courses

ThM course work is at an advanced level, either in ThM courses or in doctoral seminars. (Many ThM courses are designed around a core MDiv course. Thus, students normally attend the MDiv course meetings.

ThM courses require additional or lengthier assignments, particularly in research and writing.) See the MDiv section of the catalog for course descriptions of parallel courses.

COOP7000 An Introduction to NOBTS, the SBC, and the Cooperative Program

This core curriculum course offered in conjunction with Introduction to Doctoral Research and Writing is required to be taken in the first year. The course will acquaint students with a brief history of NOBTS, the SBC, and the Cooperative Program, as well

as their current leadership and operation. In this course students also will gain an understanding of the significance and relationship of the Cooperative Program to the SBC and NOBTS.

RDOC9300 Introduction to Doctoral Research and Writing (3 hours)

In this course students will be introduced to the literature and techniques of advanced research. Special attention will be given to the development of research proposals and the presentation of research, including individual guidance in the form and style of research writing. The course must be taken during the student’s first year in the program.

THMD7400 ThM Directed Readings Study

Former ThD or PhD students who did not complete the degree may apply for the ThM program and request transfer of credit to the degree. If accepted, the student would register for the Directed Readings Study, in which a literature review of current works in the field would be produced.

THMP7010 ThM Program Proficiency

This is not a course per se. Students should register for this component in semesters in which no ThM course work is taken.

Professional Doctoral Degrees

Doctor of Ministry and Doctor of Educational Ministry

DMin/DEdMin Purpose

The Doctor of Ministry (DMin) and the Doctor of Educational Ministry (DEdMin) are professional degrees accredited by the Association of Theological Schools (ATS) and designed to provide qualified students the opportunity to achieve a high level of excellence in the practice of ministry. The degrees are built on respective prerequisite master's degrees or equivalent theological preparation and high intellectual achievement and professional capability.

The Doctor of Ministry (DMin) degree requires an ATS-accredited Master of Divinity (MDiv) degree (or equivalent theological preparation) OR a masters degree in a ministry-related area from an accredited college, university, or seminary. The DMin program normally requires three to six years of study beyond the master's degree. The Doctor of Educational Ministry (DEdMin) degree requires the Master of Religious Education (MRE), Master of Arts in Christian Education (MACE), or equivalent theological preparation. The DEdMin program normally requires four to six years of study beyond the master's degree.

Components of both programs include a combination of workshops and seminars, and a ministry project designed to meet a specific need in the student's ministry context. A formal written Project Report is required. For complete and current information on the professional doctoral degrees, please see the Professional Doctoral Programs (hereafter ProDoc) website at <http://www.nobts.edu/cme>.

Program Outcomes

The outcomes for the DMin program are as follows:

- To stimulate the minister's total growth toward personal maturity and assist in developing goals and methods to achieve maximum excellence
- To assist the minister in practical ministry through resources afforded by additional study in the classical areas
- To encourage and develop critical thinking and wise and intelligent decision-making capabilities
- To strengthen basic knowledge and professional skills essential to effective ministry
- To teach those skills and instill those attitudes which will develop greater competency in ministry: preaching, teaching, counseling, administration, and witnessing
- To inspire ministers to move beyond the routinely accepted methods of ministry toward innovative methods, procedures, and outreach
- To develop the student's capacity to analyze the needs within a community and to lead a church in developing a program to meet those needs
- To motivate ministers to develop a unified ministry philosophy which involves the staff and laity in a world-wide ministry through churches.

The outcomes for the DEdMin program are as follows:

- To facilitate an advanced understanding of the nature and purposes of educational ministry
- To develop an enhanced capacity to reflect theologically on issues and practices related to educational ministry
- To aid in the acquisition and refinement of skills and competencies for more effective ministry
- To facilitate an understanding of emerging models in educational ministry and ability to critically evaluate those models
- To foster continued growth in spiritual maturity

Admissions

In addition to the following guidelines, students interested in a professional doctoral degree should review the general seminary guidelines of this catalog regarding international students, immunizations, and divorce and estrangement. Those guidelines can be found in the current edition of the graduate catalog. The Professional Doctoral Oversight Committee grants applicants admission, probational admission, or denial of admission for both programs.

Admission is granted based upon successful completion of the following steps and submission of related materials:

Step #1: The applicant must complete an Application request on the ProDoc website reflecting:

- DMin (Doctor of Ministry)
 - MDiv (Master of Divinity) degree from an ATS (Association of Theological Schools) accredited school college, university, or seminary, or its equivalent

OR

- A Master degree in a ministry-related area from an accredited college, university or seminary and demonstrate proficiency by meeting the established criteria outlined in the admission policies.
- DEdMin (Doctor of Educational Ministry)
 - A MACE (Master of Arts in Christian Education) degree from an ATS accredited school or its equivalent

If you would like to see if your school is ATS accredited, you can visit this website: <https://www.ats.edu/member-schools/member-school-list#top>

- A 3.0 out of 4.0 GPA (2.0 out of 3.0)
- 3 years of substantial ministry experience.
- (See Professional Graduate Certificates in Ministry and Educational Ministry for exceptions)
- An official transcript to verify the above requirements.

Step # 2: Upon receiving an email response to the request application form, submit the official transcript(s) of your master's degree(s).

- If you do not have a qualifying master's degree, submit all official transcripts reflecting any of your master's level credits

Step #3: Upon receiving a formal application packet, the applicant must submit the following, as indicated in the application packet:

- an application
- an autobiographical essay and photo of applicant
- a criminal background check
- a church endorsement
- a health certificate and immunization form
- personal, church leader, and academic references
- verification of English language requirements (foreign students only) as outlined in the section for "International Students"
- all college-level-or-above official transcripts, plus an application fee.

(See the Graduate Student Fees section of this catalog.)

- additional document for those with current/prior military service includes a letter of eligibility (in case you will be receiving VA benefits), or a statement indicating that you do not/will not receive VA benefits.

If you do not have an MDiv, in addition to the above please complete the following:

- Prerequisites and Admission standards. Admission into the DMin program will require an accredited master's degree in a ministry-related area and significant ministry experience. Applicants without an accredited Master of Divinity (MDiv) degree or its equivalent may be admitted, provided they demonstrate specific ministerial proficiencies:
 - (a) the ability to thoughtfully interpret scripture and the theological tradition of one's ministry context,
 - (b) the capacity to understand and adapt one's ministry to the cultural context,
 - (c) a basic self-understanding of one's ministerial identity and vocational calling,
 - (d) a readiness to engage in ongoing personal and spiritual formation for one's ministry,
 - (e) an accredited master's degree (or its educational equivalent) in an area related to one's ministry setting or vocational calling, and
 - (f) significant ministerial experience that enables the applicant to engage as a ministry peer with other students in this advanced professional doctorate.

The proficiencies will be measured using the following criteria:

- A = Graduate Biblical Studies/Theology paper
- B = Autobiographical Essay
- C = Personal inventory
- D = Transcript Evaluation
- E = Professional Resume (template)
- Proficiency Verification to confirm all criteria (for applicants without MDiv or MDiv Equivalency), approved by the ProDoc Committee.

NOTE: Rubrics, Inventories, and Assessment Evaluations will be included as Appendices.

Step #4: Upon receiving the applicant's completed application, the director of the DMin program or director of the DEdMin program will conduct a phone interview with the applicant. The interview will be scheduled when all of the application items have been submitted. The ProDOC reviews applications, and the Administrative Assistant for Recruitment and Faculty Support will notify applicants of admissions decisions.

A DMin and DEdMin Handbook is available on the ProDoc website. Students are required to read the entire handbook for the Program Overview and Research Writing course. The student is responsible for checking for periodic updates of the handbook that are posted on the website. If the student does not begin work toward his or her program requirements within a year from the date of approval, a new application must be processed.

Probational Admission

At the discretion of the ProDOC, applicants having a 2.75-2.99 on a 4.0 scale (or 1.75-1.99 GPA on a 3.0 scale) may be considered for probationary enrollment upon demonstrating academic potential by scoring 150 or more on the verbal section of the Graduate Record Exam (GRE). In addition, a 4.0 score is required on the written analytical section. The institutional code for New Orleans Baptist Theological Seminary is 6472. Probational enrollment will be considered primarily upon demonstration of evidence that the applicant's low GPA was due to extenuating circumstances. Probationary candidates must make a "B" or better in each of their first three seminars to remain in the program.

Special Circumstances MDiv or MRE/MACE Equivalency

Students desiring to pursue a Professional Doctoral degree whose Master's degree is not the required ATS prerequisite degree or their GPA does not meet the 3.0 requirement may consider doing equivalency work in order to qualify for a program. The successful completion of leveling does not guarantee admission into the professional doctoral program.

Individuals desiring to pursue the DMin program who hold master's degrees other than an ATS-accredited MDiv may need to earn additional credit hours in biblical, theological-historical, and pastoral studies.

Individuals desiring to pursue the DEdMin program who hold master's degrees other than an ATS-accredited MACE, MRE, or equivalent normally must earn additional credit hours in basic ministerial and Christian education courses. Prospective applicants should always first contact the ProDoc office to inquire about the various possibilities for attaining equivalency.

Leveling Process

Students who do not meet the GPA or course requirements may level in order to apply for the ProDoc program. To level, students will receive information from the ProDoc office on applying as a non-degree seeking student on the master's level. Once approved for admission by the Registrar's office, the student will register to take the courses that they need to meet the ProDoc admission requirements. The student and ProDoc office will maintain communication with each other during the leveling process.

Drop/Add Policy

Students may drop and/or add courses up to thirty (30) days after the registration deadline for the fee stated in the current Graduate Catalog. No courses may be added after that time. Any changes made in registration status after 30 days from the registration deadline will result in forfeiture of 100% of tuition per course. All requests for changes in registration status must be made by completing the Drop/Add Form and submitting it in writing to the Office of Professional Doctoral Programs. The form must be received by the aforementioned deadlines.

Continual Enrollment Status

ALL students enrolled in a professional doctoral program MUST register online each trimester regardless of their status. A late fee will be assessed for any student who does not register. Students who are not registering for at least one workshop or seminar or who are not working on their Project in Ministry must register as Continual Enrollment students. Students are allowed to register for Continual Enrollment status for no more than two consecutive trimesters before they either must register for some component of their program, register for Program Delay status, or request Inactive status from the ProDoc. No fee is charged for Continual Enrollment status.

Program Delay Status

Students who have been accepted into one of the programs automatically attain active status. Active status is maintained by registering for at least one workshop or seminar per year and by paying the appropriate fees. If a student plans not to register for at least one workshop or seminar per year, he or she must register for Program Delay and pay a per trimester Program Delay fee (see Student Fees page in this Graduate Catalog). If a student fails to register for such status and does not register for at least one workshop or seminar per calendar year, the per trimester fee will be charged to his or her account automatically. The student's program limit continues to be tracked during the Program Delay period.

Inactive Status

Students who have extenuating circumstances which demand Program Delay status for an indefinite period of time must appeal to the ProDOC for Inactive status. If the request is approved, the Program Delay fee will be waived for up to one year. The ProDoc will review the student's status on an annual basis. As long as the Committee determines the Inactive status is justified, the student may reactivate his or her program as circumstances permit. No fee is charged for Inactive status. Trimesters on Inactive status do not count toward the student's program limit.

Nondegree Status

Students who hold a master's degree from a theological institution accredited by ATS in the United States and Canada, but who do not wish to apply for admission to a doctoral program, may apply to take one seminar as a nondegree student. Nondegree students may be admitted to one Professional Doctoral seminar provided they have met the following requirements: (1) a grade point average of at least 2.75 (on a 4.0 scale) on all previous seminary work and (2) the completion of all prerequisites for the seminar. Nondegree students may not take workshops or directed study seminars. Master's hours earned for equivalency by taking Professional Doctoral seminars can never be used to meet doctoral requirements.

International Students

Applicants whose primary spoken language is not English must fulfill one of the following options as part of the application process to the Professional Doctoral Programs:

Option 1:

- Students whose native language is not English must take the Test of English as a Foreign Language (TOEFL), or the Duolingo English Test (DET). Those taking the DET must achieve a score of 120 or higher. Below are minimum scores for admission approval for each TOEFL testing format. The minimum score for consideration is 550 on the Paper-Based Test, 213 on the Computer-Based Test, or 80 on the Internet-Based Test. The minimum score for the writing section is 3.5.
- Either the DET or TOEFL must be taken prior to the Admissions Council granting admissions approval. The institutional code for New Orleans Baptist Theological Seminary is 6472.
- Pass the NOBTS English Entrance Exam. (This exam is offered during orientation each January and August.)
- All test scores must be within 2 years.

Option 2:

- Completion of an appropriate master's degree at NOBTS (or an accredited U.S. institution).
- DET or TOEFL scores are normally required as part of the evaluation of the applicant.

Constructive Credit for Chaplain's Captain Career Course

For chaplains who qualify for the Doctor of Ministry program, course credit can be earned for the Chaplain's Captain Career Course. Validation of completion of the Captain Career Course is required through presentation of course syllabi plus evidence of completion. For the purpose of degree requirements, a student given this designation must first take the Program Overview and Research Writing Workshop and at least one seminar in their first trimester of course work. Credit for the Captain Career Course is not to exceed nine hours, or 3 seminars, of the 18 required seminar hours. Students must determine how to count their "for credit" courses, either as Divisional seminars, or Specialization seminars, prior to registration for the Project in Ministry Design Workshop.

The Captain Career Course credit hours will be charged to the student account at the current NOBTS rates for SBC and/or non-SBC students.

Clinical Pastoral Education

Students who qualify for the Doctor of Ministry Program and have completed level advanced training or higher can earn credit for the Clinical Pastoral Education Course. While the DMin does not offer a clinical pastoral track, students may specialize in one of the standard DMin tracks or may specialize in pastoral counseling, and then complete a project in the field of clinical education. *Validation of completion of the Clinical Pastoral Education is required* through Certificate of Achievement and Evaluation.

For the purpose of degree requirements, *a student given this designation must first take the Program Overview and Research Writing Workshop and at least one seminar in their first trimester of course work.*

Credit Transfer

Credit for the Clinical Pastoral Education (CPE) is not to exceed six hours, or two seminars of the 18 required seminar hours. Students must *determine how to count their "for credit" courses*, either as Divisional seminars, or Specialization seminars, *prior to registration for the Project in Ministry Design Workshop*. Students may use the following CPE courses as Pastoral Counseling Specialization Seminars or as Pastoral Ministry Divisional Seminars. Students may transfer in one or two of the following courses:

- PMPE8300 Clinical Pastoral Education 1
- PMPE8301 Clinical Pastoral Education 2

Tuition

The Clinical Pastoral Education credit hours will be charged to the student account at the current NOBTS rates for SBC and/or non-SBC students. The students will be charged "full tuition" for the courses they are transferring.

Extension Center Locations

In addition to the New Orleans campus, seminars may be offered at the following locations, via on-site professors and/or Compressed Interactive Video (CIV):

- Birmingham, AL
- Montgomery, AL
- Orlando, FL

Students should view the current ProDoc schedule on the ProDoc website for locations offered.

Students may register to attend workshops or seminars at locations listed on the current schedule or participate through (synchronous learning through live Internet connections).

Specializations

Students may choose from specializations offered to design their doctoral program for a particular ministry context or goal. The Expository Preaching specialization requires a student to have had 3 hours of Greek plus 3 hours of Hebrew or 6 hours of Greek or 6 hours of Hebrew. Customized specializations allow students to make requests for specializations not listed as regular offerings through the ProDoc office. Every effort will be made to provide the requested specialization. The generalist track enables students to take their specialization seminars from any division as part of a general studies track.

Course Load and Duration

Professional Doctoral students are considered full-time no matter how many seminars or workshops the student is taking. Students may take no more than 8 hours maximum per trimester, excluding the Professional Development component in the DEdMin program. A full 8-hour load normally would be comprised of one workshop and two seminars during a trimester. Time extensions and/or accelerations beyond the normal 3-5 years for the DMin and 4-6 years for the DEdMin, as well as course load exceptions, may be granted for students with extenuating circumstances.

Delivery System

The Professional Doctoral Programs are conducted according to three trimesters per year. The Winter Trimester runs December-March, the Spring Trimester runs April-July, and the Fall Trimester runs August-November.

Workshops are designed for main campus attendance. Students are highly encouraged to attend all workshops in person at the New Orleans campus. However, all workshops are available via SNC/bluejeans. The Program Overview and Mid-Career Assessment Workshops are two days in length. The Project in Ministry Design Workshop is four days. Seminars are three days,

scheduled in a variety of delivery formats: Main campus, extension centers, SYNC/bluejeans, and special events. Periodically, Special Event seminars are offered in conjunction with a selected main campus or off-campus event (length of Special Event seminars may vary due to the event schedule).

Curriculum Description

Each workshop and seminar will have advance assignments. Assignments are practical and ministry oriented, reflecting the practice of ministry in the respective field. The meetings are designed to be practical, ministry oriented, and interactive. All research writing during the student's program, including the Project Report, must be prepared according to the latest edition of the program handbook approved by the faculty; *A Manual for Writers of Term Papers, Theses, and Dissertations* by Kate Turabian; and *A Manual of Style* (University of Chicago Press).

Exceptions may be made for selected assignments in a particular seminar as directed by the professor(s).

Course Syllabi

In most cases, course syllabi will be posted on the ProDoc website by the beginning of each trimester. Many assignments are often due before the seminar begins. Therefore, as soon as possible, the student should examine the syllabi and begin working on pre-seminar assignments.

Workshops, Seminars, and Project in Ministry Requirements

The workshops are designed to provide students with selected ministry assessment opportunities and personalized guidance in their programs. Workshops are led by the ProDoc faculty and involve students in independent study, group discussions, presentations, and one-on-one dialogue. All workshops must be completed in the order listed in the program requirements above.

Seminars are designed to lead students to wrestle with contemporary ministry issues in dialogue with the various theological disciplines. Most seminars are taken concurrent with the workshops and may be completed in any order. All seminars must be completed prior to or concurrent with the completion of the Project in Ministry Design Workshop. If enrollment in a seminar is below the minimum established by the ProDoc, those students who have enrolled will be notified regarding alternatives.

No more than one-half of the student's seminars may be transferred credits from another institution or taken as Directed Study Seminars (independent of on-campus meetings under the direction of an elected faculty member), Specialized Directed Study Seminars (customized individual study under a faculty member that is distinctive from any currently offered seminar), or Special Event Seminars. Requirements for Directed Study Seminars are commensurate with those in Campus Seminars (including assignments which compensate proportionately for class time). Registration and assignment deadlines also correspond with those of Campus Seminars in the same trimester.

Course descriptions for all workshops and seminars can be found at the end of this section. A list of specific offerings for upcoming trimesters can be obtained from the ProDoc Office or the ProDoc website.

Guidance and Evaluation

Course Work

Workshops and seminars are conducted by faculty members and/or other qualified professionals. Students will receive either a "Pass" or "Fail" assessment for workshops. Students will be assigned letter grades "A" through "F" for seminar performance. No seminar grade below a "B" will count toward degree requirements. Students making a grade of "C" or below must consult with the Associate Dean of Professional Doctoral Programs. Two seminar grades of "C" or below will result in the student's dismissal from the doctoral program.

Project Supervision

Prior to beginning the Project in Ministry Design Workshop, the student will enlist a Faculty Mentor who will assist him or her in the development of both the Preliminary and Final Project Proposals. The Faculty Mentor also will provide guidance and accountability during project implementation, assist the student in analyzing and articulating implications for theological

and ministerial leadership in the Project Report, and guide the student in writing a high-quality Project Report, both in content and in form. The Faculty Mentor will be assisted at various points in the project by a Field Mentor and by selected Faculty Readers. Specific roles of each of these persons are delineated in the respective program handbook.

Housing/Food

Students are responsible for arranging housing and meals during workshops and seminars. Housing is available on the New Orleans campus through the Providence Guest House: 504.944.4455. Meals are available at the River City Cafe and Cafe New Orleans, located on the New Orleans campus.

Books/Materials

The cost of books and/or other materials for each workshop or seminar will vary. After receiving the syllabus for each workshop and seminar, students may acquire textbooks by ordering from the NOBTS Virtual Bookstore at nobts.ecampus.com or from other online bookstores.

Project in Ministry

Purpose

The purpose of the Project in Ministry is to develop the student's ministry skills and to provide ministry benefits to the participating church, agency, or institution and the larger Christian community. The project experience aims to enhance both the student's personal ministry skills and those germane to his or her specific ministry context. Consequently, the student must have been in his or her current ministry position at least one year prior to registering for the Project in Ministry Design Workshop, and the student must remain in that position throughout the duration of the project. **Specific guidelines for each part of the Project in Ministry are provided in the respective program handbook.**

Project Report

The Project Report is the final document describing the ministry project and its results, written upon completion of the ministry project in close consultation with the Faculty Mentor. The Project Report is more than a mere recapitulation of the Final Project Proposal but includes insights learned in the process of the ministry project.

Evaluation and Eligibility for Graduation

Students anticipating December graduation must turn in their Project Reports by September 15, and students anticipating May graduation must turn in their Project Reports by February 15. The Project Report is submitted to the ProDoc Office. The Project Report will receive a grade of Fail, Low, Satisfactory, or High. If the project receives a Low, Satisfactory, or High evaluation, the Faculty Mentor and Readers will conduct an Exit Interview with the student at least one month before graduation. The Faculty Mentor will report the evaluation of the Project Report and the Exit Interview to the ProDoc Office. Students who do not fail the Project Report and/or Exit Interview are eligible for graduation.

Degree Prerequisites

Applicants should have a bachelor's degree in music and a Master of Music in Church Music degree or the equivalent from an institution accredited by National Association of Schools of Music/Association of Theological Schools in the United States and Canada. Applicants having a master's degree (but not in church music) from an accredited institution may fulfill church music deficiency requirements by completing the following:

1. Take master's or remedial courses as prescribed by the music faculty to fulfill deficiencies in the student's studies and thereby aid the student in mastering the rigorous doctoral courses. Any remedial courses should be taken and passed with a letter grade of A or B in the first two semesters of their program. The student will be in "provisional admittance" until all deficiencies are cleared.
2. Submit for consideration a paper relating in depth the experience of the applicant in church music leadership positions, and if required, satisfactorily complete entrance examinations.

Graduate Record Examination

Applicants must take the Graduate Record Examination (GRE) verbal, quantitative, and analytical writing tests. Scores can be no older than 5 years.

GRADE POINT AVERAGE AND GRADUATE RECORD EXAMINATION

The grade point average (GPA) and the Graduate Record Examination (GRE) verbal and analytical writing scores will be considered on the following five-point sliding scale. For the application to be accepted, the individual must have a combined score of "0" or higher on the three components. Scores can be no older than 5 years.

	-2	-1	0	+1	+2
GPA	below 3.0	3.0-3.25	3.26-3.5	3.51-3.75	3.76-4.0
GRE Verbal	below 146	146-152	153-156	157-160	above 160
GRE Writing	below 3.5	3.5	4.0	4.5-5.0	5.5-6.0

Although not included in the above calculation, the quantitative score will be considered in the overall evaluation of the applicant. The institutional code for New Orleans Baptist Theological Seminary is 6472.

Research Paper

The applicant must submit a graded research paper from the master's program for review by the division. If no paper is available, the applicant should contact the DMA Director for guidance.

Division Interview

Applicants are required to come to campus for an interview with the music division faculty related to the proposed area of major study. The interview focuses on one's conversion experience, call to ministry, family relationships, reasons for pursuing the doctoral degree, interests and reading in the proposed field of study, and other concerns that may enable the faculty to know the applicant better and to ascertain his or her potential for advanced studies.

Audition

If the applicant is pursuing study in an applied field, an audition in the applicant's major field of performance is required. The literature to be performed should represent the major style periods of Western music. A recording and a copy of the recorded program may be submitted in lieu of the prepared program, but the recording must have been made within the academic year (August-June) of the applicant's interview.

Placement/Proficiency Examinations

Assessment of transcripts, faculty interview, and evaluation of the audition may lead to oral and/or written placement/proficiency examinations in any specified areas of music and music ministry study.

Professional Experience

Applicants should have a minimum of two years of substantial experience in church music leadership. If such experience has not been obtained prior to admission to the DMA program, it may be accomplished during the program of study but must be completed prior to the Written Comprehensive Examination.

International Applicants

Applicants whose primary spoken language is not English must fulfill one of the following options as part of the application process to the Professional Doctoral Programs:

Option 1:

The minimum score for consideration is 550 on the Paper-Based Test, 213 on the Computer-Based Test, or 80 on the Internet-Based Test. The minimum score for the writing section is 3.5.
- Either the DET or TOEFL must be taken prior to the Admissions Council granting admissions approval. The institutional code for New Orleans Baptist Theological Seminary is 6472.

Program Overview

The DMA consists of 4 core semester-length seminars; 3 supervised reading colloquia; Introduction to Doctoral Music Research and Writing; 15 additional hours in a chosen concentration (divided between semester-length seminars and private study); a music faculty Mid-Point Assessment (upon the completion of 32 seminar hours); Written Comprehensive Examination (at the completion of seminar and recital work); two recitals and one lecture recital for applied students; the Oral Qualifying Examination (upon completion of RDOC9303 Prospectus Development); and the submission and defense of a dissertation.

The DMA program is divided into three stages: DMA residency, DMA senior residency, and DMA candidacy. The student enters the senior residency stage following the completion of 41 semester hours of DMA work. The student enters the DMA candidacy stage after completion of the Oral Qualifying Examination.

The student's program is guided by the DMA Director during the Residency stage and by a faculty advisor and guidance committee during the Senior Residency and Candidacy stages. Faculty guidance assignments are made by the DMA Director in consultation with the music faculty.

The NOBTS DMA program is designed for a student to take one core course, one colloquium, and one seminar or private lessons per semester (10 credit hours). This will keep the student on an efficient schedule for degree completion and keep the student in step with course offering rotation. Should a student decide not to take a required course during the specified semester it is offered, he/she will have to wait to enter the course until it is offered again in the rotation schedule. This is not considered grounds for granting a Directed Study.

Full-time students generally can complete the program in 3½-4 years. The recommended semester load for a full-time DMA student is ten semester hours of coursework. On this schedule a student would complete course work after five semesters.

The Written Comprehensive Examination is administered after the student has completed a minimum of 40 hours and includes areas such as music history and literature, music theory, church music history/hymnology, recognition of musical styles, and research/bibliography. The results of the Written Comprehensive Examination are used to determine the student's continuance in the DMA program. Depending on severity, should the Written Comprehensive Examination reveal lack of knowledge, or a failure of familiarity in any area, the student may be given the opportunity to re-address the topic(s) in an oral examination re-take, be asked to re-take specific courses, or be terminated from the program.

The Written Comprehensive Examination is administered by the music faculty at the completion of senior residency. The Oral Qualifying Examination will focus exclusively on refinement and approval of the prospectus which ushers the student into DMA Candidacy and the writing stage of the dissertation.

After submission of the dissertation, the candidate is given a final oral examination to defend the dissertation.

The program must be completed within seven years.

Continuous Enrollment Program

After beginning studies, the student must maintain enrollment (register and pay matriculation fees) each semester until the doctoral program is completed. The Doctor of Musical Arts program is a continuous enrollment program until graduation. Failure to register and pay fees each semester will result in termination from the program.

Dissertation Requirements

DMA candidates must write a dissertation that demonstrates the candidate's ability to do independent and original research, mastery of a research methodology, competency to report logically the results of the research, expertise in presenting the research in acceptable style, and contribution to the academic discipline. The dissertation may contain no less than 25,000 nor more than 50,000 words, unless otherwise authorized by the student's guidance committee. Students with recital requirements will not be expected to write such an extensive dissertation.

If the chosen topic requires research language facility, the student must demonstrate written fluency in the language or demonstrate proficiency through completed semester hours in the applicable language. Course credits that are to be considered for meeting the language requirement may not be more than seven years old. In addition to course credits on a transcript, competency in French, German, or Latin can be verified by testing arranged through the Office of Research Doctoral Programs. The approval of a dissertation topic goes through several stages:

- Approval of a research proposal by the faculty committee
- Completion of RDOC9303 or MUDC9303 Prospectus Development
- Oral Examination - approval of the prospectus by the Church Music faculty
- Following Church Music faculty approval, at least four months must pass before the presentation of the dissertation for defense.

Students are required to use the style guides approved by the seminary faculty. Four plain paper copies of the completed dissertation (unbound in four separate boxes) must be submitted to the DMA office by the April 1 or November 1 deadline. Appropriate dissertation and diploma fees must be paid at the time of submission.

Following the dissertation defense, the student will need to work with the guidance committee chairperson to make any changes the committee might require. The student will submit a pdf of the revised document to the guidance committee chairperson, who will approve the pdf and forward it to the director of the DMA program for final approval for submission to ProQuest.

If the dissertation is rejected following an unsatisfactory dissertation defense and if the guidance committee looks with favor upon its resubmission, a period of three months must elapse before it may be presented again. The student would register as a writing candidate and pay full tuition.

If the dissertation is rejected for form, style, and/or minor content reasons following a satisfactory dissertation defense and if the guidance committee looks with favor upon its resubmission, the dissertation may be presented again no sooner than two months after the dissertation defense and no later than two months prior to the following graduation date. The student would register for Program Continuance and pay a reduced tuition.

In either case permission to resubmit the dissertation does not involve a commitment as to the time of graduation.

Performance Dissertation Requirements

Conducting, Organ Performance, Piano Performance, or Vocal Performance

The requirements for these concentrations consist of three recital performances--two recitals (MUSC9006 and MUSC9007) covering the literature of the applied field, and one lecture recital (MUSC9008).

The lecture recital must be documented by a dissertation which treats thoroughly the performance practices or historical and analytical aspects addressed by the recital. This recital is to be a lecture recital in which the student apprises the audience, which has not had the benefit of the document, of the high points of the investigation. The Candidate will speak concisely to the origins, procedure, and outcomes of the research and support those outcomes by demonstration.

The document demonstrates the depth of investigation that the student has made of literature selected for the performance. The performance is to reflect the knowledge gained, and should in no way disagree with the findings in the document. All three recitals require program notes, but the lecture recital requires extensive program notes.

Composition Dissertation Requirements

The dissertation in Composition should contain a large form composition by the student with extensive compositional design/philosophy notes explaining origins and stylistic influences, with any historical, analytical, and/or spiritual aspects of the piece that may apply. Desired performance venues should be included.

The Composition concentration requires one recital where the student composition(s) will be performed. Detailed program notes derived from the high points of the dissertation are required. This is a lecture recital. The lecture should be a significant expansion of the program notes. This recital should consist of a performance of approximately one hour and must reflect DMA standards. The large form composition must comprise approximately 50% of the recital. Shorter compositions may be included in the recital depending upon the length of the major work.

Research Doctoral Oversight Committee (ReDOC)

The Research Doctoral Oversight Committee (ReDOC) is composed of the Associate Dean of Research Doctoral Programs, a representative from each of the academic divisions that offer PhD majors, two at-large faculty members, the Dean of Graduate Studies, the Associate Dean of Graduate Studies, and the Registrar. The committee meets monthly during the academic year. ReDOC provides administrative oversight for the research doctoral programs. The Associate Dean of Research Doctoral Programs is Dr. Jeff Riley. He can be contacted by phone at 504.816.8010 or 1.800.NOBTS.01, ext. 8010 or by e-mail at phd@nobts.edu.

Application Process

Potential applicants should review carefully all degree admission requirements before submitting the following application materials.

- Application form complete with all supporting documents (Statement of Call and Commitment; Ethical Conduct; Church Endorsement; Transfer of Credit Request Form, if applicable; Health certificate; Proof of Immunization; 4 reference forms)
- Application fee
- Verification of GRE verbal, quantitative, and analytical writing scores
- Official transcripts from all colleges, universities, and seminaries
- Written plan for completion of course prerequisites such as languages and hours in the major
- Research paper from the master's level course related to the major for which the applicant is applying.
- A criminal background check through CastleBranch
- International students should see the section "International Students" in this catalog for additional requirements.

All application materials must be received no later than February 1 for August admissions and September 1 for January admission.

Once the application is submitted, the applicant works with the Office of Research Doctoral Programs to complete the following:

- Entrance examination (except Counselor Education and Supervision)
- Division interview

The Doctoral Admissions Committee approves and denies admission to the research doctoral programs. All relevant information in the application packet (GPA, GRE scores) and the recommendation from the division (including evaluation of the master's paper, entrance exam, and division interview) are considered in ascertaining the applicant's potential for advanced research studies and making a final decision concerning admission.

After the Doctoral Admissions Committee has met, the Associate Dean of Research Doctoral Programs will notify applicants of acceptance or denial. Application decisions usually are made within six weeks following the application deadline. Applications are valid for one year. A person normally can apply only twice for a research doctoral program at NOBTS. An applicant who is denied admission to a research doctoral program must wait at least one semester to reapply and must meet all requirements in effect at the time of reapplication.

Advanced Placement

Applicants in Christian education, Christian leadership, biblical exposition, or evangelism who hold the Doctor of Educational Ministry or Doctor of Ministry degree from an institution accredited by the Association of Theological Schools or the Council for Higher Education Accreditation and/or a regional accrediting agency (such as the Southern Association of Colleges and Schools) may be eligible for advanced standing in the PhD program. To be considered for advanced standing, applicants must fulfill all PhD admission requirements for their major area of study with the exception that GRE scores are waived. At least one academic personal reference must be from a professional doctoral program administrator from the degree-granting institution.

Advanced Standing must be requested by submitting a Transfer of Credit Request from Professional Doctoral Degree form with the application to the PhD program. Upon recommendation of the division of study to admit and allow transfer and the approval of the Doctoral Admissions Committee, maximum credit of two seminars and on supervised reading colloquium could be approved for transfer after successful completion of the Qualifying Examination. A seminar could apply as the elective or as a concentration seminar in the Christian education major or a minor seminar in biblical exposition, Christian leadership, and evangelism majors.

Students with advanced standing would be required to take a minimum of six seminars, three supervised reading colloquia, the three RDOC workshop courses, the qualifying and oral comprehensive examinations, and dissertation writing and defense in the PhD program.

Enrollment

Once accepted into a research doctoral program, a student must begin his or her program of studies and enroll for seminars in the next regular semester.

If an applicant approved for admission to a doctoral program cannot begin studies, the applicant's slot normally will be vacated and the application will be returned to the division applicant pool for consideration in the next semester.

After beginning studies, the student must maintain enrollment (register and pay matriculation fees) each semester until the doctoral program is completed. The research doctoral program is a continuous enrollment program until graduation. Failure to register and pay fees each semester will result in termination from the program.

All students in a research doctoral program have full-time status.

Research doctoral programs follow the graduate policy for drop/add and withdrawal. All requests for changes in registration must be made in writing to the Office of Research Doctoral Programs and must be received by the appropriate deadlines.

Faculty Guidance

At the time of admission to a research doctoral program, a faculty advisor from the major field of study will be assigned to serve as a resource person to the student concerning program matters and to guide the student through the residency/ThM candidacy stage. Upon successful completion of the qualifying examination, a two-member guidance committee will be assigned to mentor the student for the senior residency and candidacy stages of the program.

General Policies

- Persons seeking the doctorate need to be highly motivated scholars.
- All entering doctoral students in research degree programs must register for RDOC9300 Introduction to Doctoral Research and Writing during their first semester in the program. Students who have not completed a course on the SBC and Cooperative Program will be registered for COOP9000 in conjunction with this course.
- All research doctoral students must secure and maintain an e-mail address throughout the program.
- The research doctoral programs are residential programs with courses normally offered on the main campus. Seminars and Supervised Reading Colloquia are also available through synchronous interactive video (SYNC). Students should plan to spend minimally one full day in research weekly for each seminar.

Thus, a student taking two seminars should be engaged in research minimally two full days weekly. Allocation of the necessary time in research is subject to review by the student's guidance committee.

The committee might recommend or require a reduced course load.

- No seminar grade below "B" (3.0) will count toward degree requirements. Students making a grade of "C" must consult with their faculty advisor or guidance committee. Two seminar grades of "C" will result in the student's dismissal from the doctoral program.
- Students may be required by their department to remove deficiencies in their preparation by taking for credit courses from the master's-level curriculum. In any case, students are encouraged to audit master's-level classes in their field.
- The period allowed for the completion of the PhD program is seven years from initial registration. After the fourth year the matriculation fee is increased, as stated in the student fee schedule in this catalog.
- A master's student at times may be allowed to take a doctoral seminar for master's credit. Students should contact the Associate Dean of Research Doctoral Programs for guidance and approval. (See the section "Master's Credit for a Doctoral Seminar.")

Manual for Research Doctoral Programs

Following acceptance into a research doctoral program, students should download a copy of the Manual for Research Doctoral Programs from the Research Doctoral Programs area of the seminary website (nobts.edu/research). This manual is the official handbook for research doctoral programs. It includes information on current procedures and policies. Students are notified of updates as appropriate.

Style Guides

The official style guides for NOBTS research doctoral programs are the current editions of the SBL Handbook of Style (biblical studies only); the Publication Manual of the American Psychological Association (counseling only); A Manual for Writers of Term Papers, Theses, and Dissertations by Kate L. Turabian; and A Manual of Style published by the University of Chicago Press. Questions concerning form matters peculiar to NOBTS may be addressed to the Office of Research Doctoral Programs.

Established Program Dates

The following are general dates for program components. See the calendar of events for the research doctoral programs for specific dates for the upcoming academic year.

Qualifying exam	Wed.-Fri. during the fourth week before classes begin
Dissertation submission/Application for graduation	Oct. 1/Mar. 1
Application for qualifying exam	Nov. 1/Apr. 1
Research proposal submission	Nov. 1/Apr. 1
Research proposal approval	Last day of semester

Fees for Doctoral Students

Fees, effective August 1 each year, are listed in the "Graduate Student Fees" section of this catalog. Students who are not members of Southern Baptist churches should note the fees for non-Southern Baptists.

Requirements for Graduation

In order to graduate from the seminary, students must meet all academic requirements set forth in this catalog, settle all financial obligations to the seminary, and maintain high standards of moral and ethical conduct. The faculty or any appropriate committee of the faculty may at any time advise the President that a student evidences spiritual, ethical, emotional, psychological, or attitudinal deficiencies that in the judgment of the faculty disqualify the student for continued study at the seminary. The student may appeal this determination to the President. The decision of the President shall be final.

Participation in graduation exercises is required of all students unless permission is granted to graduate in absentia. Requests for permission to graduate in absentia should be made in writing to the Registrar. Permission is granted only in emergency cases.

Transfer of Credit

There is a possibility of transferring a minimal number of doctoral-level courses completed at another accredited institution prior to admission. Applicants who believe they qualify should contact the Associate Dean of Research Doctoral Programs during the application process. Students who desire to take a doctoral-level course while enrolled at New Orleans Baptist Theological Seminary as master's or nondegree students should contact the Associate Dean regarding approval, which must be granted prior to enrollment in the course.

International Students

Applicants whose primary spoken language is not English must fulfill one of the following options as part of the application process to the Research Doctoral Programs:

Option 1:

- Students whose native language is not English must take the Test of English as a Foreign Language (TOEFL), or the Duolingo English Test (DET). Those taking the DET must achieve a score of 120 or higher. Below are minimum scores for admission approval for each TOEFL testing format. The minimum score for consideration is 550 on the Paper-Based Test, 213 on the Computer-Based Test, or 80 on the Internet-Based Test. The minimum score for the writing section is 3.5.
- Either the DET or TOEFL must be taken prior to the Admissions Council granting admissions approval. The institutional code for New Orleans Baptist Theological Seminary is 6472.
- Pass the NOBTS English Entrance Exam. (This exam is offered during orientation each January and August.)
- All test scores must be within 2 years.

Option 2:

- Completion of an appropriate master's degree at NOBTS (or an accredited U.S. institution).
- DET or TOEFL scores are normally required as part of the evaluation of the applicant.

The International Student Advisor for the seminary is Dr. Paul Gregoire. Applicants may contact him by phone at 504.282.4455, ext. 3337, or 1.800.NOBTS.01, ext. 3337 or by e-mail at pgregoire@nobts.edu. However, please note that WES transcript evaluations for master's degrees must be course by course.

Degree Equivalency

Applicants who do not hold the appropriate prerequisite degree should contact the Office of Research Doctoral Programs for information concerning degree equivalency requirements.

Nondegree Students

Students may apply to take one doctoral seminar as a nondegree student. An individual desiring nondegree status must make application as a nondegree student. Nondegree students may be admitted to one doctoral seminar provided they have met the GPA and GRE requirements and the degree prerequisites for the major in which they plan to take the seminar. In addition, students must complete all prerequisites for the seminar.

The academic division in which the study is to be done must give a positive recommendation. Final approval will be given by the Research Doctoral Oversight Committee.

The seminary is under no obligation to accept the credit earned by a nondegree student as credit toward any doctoral program should the student decide to apply for doctoral work at a later time.

Financial Assistance

Southern Baptist Doctoral Teaching Program

The Southern Baptist Doctoral Teaching Program provides financial assistance through teaching opportunities to qualified doctoral students through funds generated by the Cooperative Program of the Southern Baptist Convention. Students who qualify for the program are guaranteed at least one teaching opportunity during their doctoral studies. For more information about the program or for application forms, contact the Office of Research Doctoral Programs.

Program Overview

The PhD curriculum for the Counselor Education and Supervision major consists of 7 semester-length PhD seminars, 4 supervised reading colloquia in the major, Introduction to Doctoral Research and Writing, Teaching in Higher Education, statistics (quantitative or qualitative), a practicum, 2 internships, a written Qualifying Examination (halfway through seminar

work), an Oral Comprehensive Examination (at the completion of seminar work), Prospectus Development, and the submission and defense of a dissertation.

Students in Counselor Education and Supervision are eligible to take the Qualifying Examination after completing three to four seminars and two supervised reading colloquia in the major, and students in all other majors are eligible to take the Qualifying Examination after completing four to five seminars (at least two in the major field) and two supervised reading colloquia.

The PhD curriculum for all other majors consists of 8 semester-length PhD seminars (in designated areas, depending on the major), 4 supervised reading colloquia, Introduction to Doctoral Research and Writing, Teaching in Higher Education, a written Qualifying Examination (halfway through seminar work), an Oral Comprehensive Examination (at the completion of seminar work), Prospectus Development, and the submission and defense of a dissertation.

The PhD program is divided into three stages: PhD residency/ThM candidacy, PhD senior residency, and PhD candidacy. The student enters the PhD senior residency stage following the completion of the Qualifying Examination and 34 semester hours of PhD work for students majoring in Counselor Education and Supervision or 33 semester hours of PhD work for students in all other majors. The student enters the PhD candidacy stage after completion of the Oral Comprehensive Examination.

A student's program is guided by a faculty advisor during the residency/ThM candidacy stage and by a two-member guidance committee during the senior residency and candidacy stages. Faculty guidance assignments are made by the Associate Dean in consultation with the Associate Dean of the major division.

A student may take no more than two PhD seminars per semester. In addition, a student may take a supervised reading colloquium and other program elements. Full-time students generally can complete the program in 3 1/2 to 4 years. A full-time student would finish PhD seminars after four semesters or 2 years. Students are eligible to take the Qualifying Examination after completing four to five seminars (at least two in the major field) and two supervised reading colloquia in the major. In addition, New Testament majors must have completed Advanced Greek Grammar and Textual Criticism of the Greek New Testament prior to taking the Qualifying Examination. The Oral Comprehensive Examination is administered after the completion of all course work, with the possible exception of Prospectus Development.

After completing the Qualifying Examination and required number of hours in the PhD Residency/ThM Candidacy stage, students can apply for the ThM degree in their broad area of study: Biblical Studies, Christian Education, Church and Community Ministries, Pastoral Ministries, or Theological and Historical Studies.

Students who are engaged in full-time ministry are strongly encouraged to take only one seminar per semester, thus lengthening the program considerably. The program must be completed within seven years.

Students participating through synchronous interactive video will need an ethernet connection (hardwire) and headphones with a microphone. Wi-Fi is not encouraged because bandwidth issues can cause disruptions.

Preresidency

Students who hold a master's degree but need no more than one year of additional leveling courses can apply for PhD preresidency by selecting this option on the application form. PhD preresidents are eligible to apply for scholarships and campus housing with no minimum hour requirement. Preresidents taking leveling courses only online need not submit personal evaluations or health and immunization forms.

Applicants for preresidency with a GPA of less than 3.26 must demonstrate potential for research doctoral studies through a combined score of "0" or higher on the three components of the PhD Likert table (GPA, GRE Verbal score, and GRE Writing score).

To be considered for the residency stage of the PhD program, preresidents must submit all remaining application items by the February 1 or September 1 PhD application deadline of their final semester of leveling. Applicants must meet the minimum Likert score requirements (GPA and GRE) as listed in the Graduate Catalog. Acceptance into the preresidency program does not guarantee acceptance into the PhD program.

Directed Study

A directed study provides a unique opportunity for a student to work one- on-one with a professor. Directed studies enable a student (1) to engage in specialized research under a professor's supervision or (2) to cover an area not included in the regular seminar offerings during the student's scheduled seminar work. Contact the Associate Dean of Research Doctoral Programs concerning the procedure for submitting a proposal.

Dissertation Requirements

Doctoral candidates must write a dissertation that demonstrates the candidate's ability to do independent and original research, mastery of a research methodology, competency to report logically the results of the research, expertise in presenting the research in acceptable style, and contribution to the academic discipline. The dissertation may contain no fewer than 25,000 nor more than 50,000 words unless otherwise authorized by the student's guidance committee. The approval of a dissertation topic goes through several stages:

- Approval of a research proposal by the division (must be approved before the oral comprehensive examination)
- Completion of RDOC9303 Prospectus Development
- Review of a prospectus by the Research Doctoral Oversight Committee (cannot be done until after the student passes the Oral Comprehensive Examination)
- Approval by the Institutional Review Board (IRB) for research involving human subjects.
- Students must show academic proficiency in the methodologies that they will be using in their dissertation prior to the approval of their prospectus. This proficiency may include taking a course that covers the methodology if their committee and/or division so require.
- Following ReDOC review and IRB approval, if required, guidance committees approve final prospectuses. A student must submit to the ReDOC office an approved prospectus at least four months before the dissertation is presented for defense. Students are required to use the style guides approved by the seminary faculty.

- A student must have a prospectus approved by the guidance committee no later than the beginning of the fourth active semester following ReDOC review. After the allotted time, a student must submit a report to the guidance committee and ReDOC detailing reasons for the delay. Upon the recommendation of the guidance committee, students may be required to retake Prospectus Development.

Four plain-paper copies of the completed dissertation (unbound in four separate boxes) as well as the Dissertation and Graduation Fees Form must be submitted to the Office of Research Doctoral Programs by the March 1 or October 1 deadline before the dissertation copies can be forwarded to the guidance committee. Appropriate dissertation and diploma fees must be paid before the dissertation copies can be forwarded to the guidance committee.

Following the dissertation defense, the student will need to work with the guidance committee chairperson to make any changes the committee might require. The student will submit a pdf of the revised document to the guidance committee chairperson, who will approve the pdf and forward it to the ReDOC office for final approval for submission to ProQuest.

If the dissertation is rejected following an unsatisfactory dissertation defense and if the guidance committee looks with favor upon its resubmission, a period of three months must elapse before it may be presented again. The student would register as a writing candidate and pay full tuition.

If the dissertation is rejected for form, style, and/or minor content reasons following a satisfactory dissertation defense and if the guidance committee looks with favor upon its resubmission, the dissertation may be presented again no sooner than two months after the dissertation defense and no later than two months prior to the anticipated graduation date. The student would be registered for Program Continuance and pay a reduced tuition. In either case permission to resubmit the dissertation does not involve a commitment as to the time of graduation.

PhD Registration

Students enrolled in doctoral programs must maintain active status by registering and paying the required fees each semester until graduation. Because PhD students are expected to attend all class sessions, students must be enrolled in courses before the first class session. Failure to be registered for a program status, such as Program Proficiency or Writing Candidate, and pay enrollment fees by the semester drop/add deadline will result in termination from the program.

Dropping PhD Courses

PhD students are expected to attend all class sessions. Students may drop a PhD block-scheduled seminar, colloquium, or other course before the second class meeting. A class meeting is defined as one half-day session. To drop a course, students must contact the Office of Research Doctoral Programs.

Baptist Center for Theology and Ministry

Directed by Dr. Adam Harwood

The Baptist Center for Theology and Ministry exists to provide theological and ministerial resources to enrich and energize ministry in Baptist churches. Our goal is to bring together professor and practitioner to produce and apply these resources to Baptist life, polity, and ministry.

The mission of the BCTM is to develop, preserve, and communicate the distinctive theological identity of Baptists. Some of the best minds for developing theology from a distinctively Baptist perspective are found in our Baptist seminaries, colleges, and universities, as well as in many Baptist churches. The Baptist Center serves as a “converging point” to develop theology that shapes the beliefs of the Church, structures the life of the Church, directs the decision-making processes of the Church, and defines the ministry practices of the Church.

The Baptist distinctives that have fostered so much ministry and mission in previous generations are waning in today’s Baptist churches. A renewed vision for what it means to be a Baptist is desperately needed. The Center attempts to recover and communicate this vision by exploring and publicizing our Baptist heritage, distinctives, and polity.

The Baptist Center strives to “push theology out of presentations and books and into the pews of our churches.” The Center is devoted to ensuring that the “theological reflection of the academy” results in “ministry that lives in the church.” The integration of theology targets concerns such as motivation for ministry, integrity within ministry, methods of ministry, and goals for ministry.

The BCTM seeks to interact with and assist Baptist churches in their obedience to the Great Commandment and participation in the Great Commission. “Theology is the servant of the Church.” The Baptist Center specifically targets issues directly related to Baptist life and ministry through a variety of platforms, networks, partnerships, meetings, and publications. The various forums that address issues relevant to Baptist life and ministry include the Journal for Baptist Theology and Ministry, professional meetings and conferences, a variety of publications, and online resources. The BCTM is also involved with the the Institute of Christian Apologetics and the Institute for Faith and the Public Square (see Catalog Index to find more information on these special events).

Center for Discipleship and Ministry Leadership

Directed by Dr. Jody Dean

The Center for Discipleship and Ministry Leadership was created to equip, support, and engage seminary students and church practitioners to fulfill the mandate to make disciples (Matt. 28:18-20). The three functions of the Center are listed below.

- The primary function of the Center is equipping ministry leaders to understand the nature and scope of discipleship and educational ministry. This component includes communicating what NOBTS offers in targeted classes and degrees for equipping educational ministers. This function is accomplished by presentations at annual pastors' conferences by NOBTS faculty and qualified students, offering in-church training opportunities for pastors, staff, and/or lay teachers and leaders, and hosting/conducting training events for professional educators and lay leaders. Research and publishing of discipleship and spiritual formation concerns and discoveries is also included in this function of the Center.
- The second major function of the Center is supporting the on- going efforts of contemporary education and discipleship ministers while enlisting and equipping a new generation of educators. This component includes hosting conferences for academicians, professional practitioners, and lay leaders in local church Christian education, to provide opportunities for educational ministry leadership to build peer connections, foster mentoring relationships, and network for career enhancement. The Center supports strengthening denominational and Kingdom alliances with state and national convention leaders, professional organizations, and meaningful dialogue with leaders in the fields of discipleship and ministry leadership from other denominations and para-church entities.
- The third major function of the Center is engaging NOBTS students in discipleship and ministry leadership. The Discipleship and Ministry Leadership Division's primary goal at NOBTS is equipping students in Christian education leadership. The Center for Discipleship and Ministry Leadership reinforces this goal through a Student Organization that supports three major functions of Christian education: 1) Recruiting and nurturing students called of God into Christian education ministry; 2) Providing fellowship and ministry opportunities for Christian education students and faculty and 3) Partnering with Christian education faculty to present local church conferences.

Cecil B. Day Center for Church Planting

The Cecil B. Day Center for Church Planting equips church planting missionaries to advance Christ's kingdom. The Center works in partnership with the North American Mission Board, several state Baptist conventions, and local Baptist associations near New Orleans.

New Orleans provides students with a unique laboratory to develop their disciple making skills and form their character to serve Christ's kingdom. The proximity of both urban and suburban environments (walking distance to a 10-minute drive from campus) offers students incredible possibilities for real-world training.

The Day Center strengthens church planting opportunities available to students at New Orleans Seminary. NOBTS remains the only seminary established by the Southern Baptist Convention for the purpose of bringing Christ's gospel to an under-churched area. Moreover, since 1917, NOBTS remains the most urban setting for any of the seven SBC seminaries. In 1987, New Orleans Seminary became the first SBC seminary to establish an endowed professorial position in church planting, named in honor of Cecil B. Day, entrepreneurial founder of the Day's Inn chain of hotels, and a compassionate Christian statesman and faithful Christian gentleman. Mr. Day passionately encouraged church planting.

NAMB Send City Initiative

It's been said if you reach the cities, you'll reach the nations. With 83 percent of the population now living in metropolitan areas, the major population centers in North America are vital mission fields for kingdom growth and influence.

The North American Mission Board has prioritized its work in 50 cities throughout North America – known as Send Cities. As a Send City, New Orleans could see as many 100 new churches planted in the next 10 years. For more information about the initiative, contact Dr. George Ross, New Orleans Send City missionary, at (504) 343-1697 or gross@namb.net.

For more information about the Cecil B. Day Center for Church Planting, its programs, services, or calendar of events, contact the Pastoral Ministries Division office at 504.282.4455, ext. 8820, or Dr. Preston Nix at pnix@nobts.edu.

Global Missions Center

Co-Directed by Dr. Philip Pinckard and Dr. Ken Taylor

The vision of the Global Missions Center of New Orleans Baptist Theological Seminary is to research effective global missions strategies, train Christians for global missions service, resource global mission Christians, and reach the globally unreached with the gospel. Matthew 4:19 states the Lord's call: "And He said to them, 'Follow me and I will make you fishers of men.'"

1. **Researching Effective Missions Strategies for Unreached People Groups**

The student body and faculty are encouraged to develop specific strategies for reaching unreached people groups and population segments. Missionaries may spend their stateside assignments conducting research and doing further study on our campus.

2. **Training Christians for Global Missions Service**

The Global Missions Center provides a visible way to integrate classroom experience with a seminary entity dedicated to international missions and to heighten awareness of global missions on our campus. The Global Missions Center partners with the Providence Learning Center and other entities such as the IMB to offer training events for persons related to international missions.

3. **Resourcing Global Mission Christians**

Coordinating the interaction of IMB missionaries and personnel with the seminary community represents an important element of resourcing global mission Christians. A website provides online resources, links to other missions websites, and resources for local churches.

4. **Reaching the Globally Unreached**

Reaching the globally unreached means all seminary students should be challenged to help local churches become Acts 1:8 churches with a vision to take the gospel to the ends of the earth. Coordination of seminary sponsored international missions trips and partnerships with overseas missionaries provide seminary students, faculty, and staff the opportunity to participate in overseas mission projects.

5. **Regional Consultant for IMB**

The GMC assists students who are sensing God's call to international missions through the IMB by consultation, prayer, and arranging meetings with the IMB representative. The student may contact the regional representative at (800)999-3113.

Dr. Ken Taylor serves as the Director of Mobilization for the Global Missions Center, and Dr. Pinckard serves as the Director of Strategies and Special Events for the Global Missions Center. View the website for the Global Missions Center on the NOBTS website, call 504.816.8124, or e-mail globalmissionscenter@nobts.edu for more information.

The H. Milton Haggard Center for New Testament Textual Studies

Directed by Dr. Bill Warren

The H. Milton Haggard Center for New Testament Textual Studies (CNTTS) is an internationally recognized research center devoted to the study of the New Testament (NT) text in the Greek manuscripts. The Center houses a substantial collection of NT manuscripts in various formats, including facsimiles, printed editions, microfilms, digital images, and the online Virtual Manuscript Room. The Center supports researchers engaged in a variety of studies on the NT manuscripts, including participating in and leading collaborative projects with other settings worldwide.

The CNTTS is dedicated to training and inspiring students and scholars to engage in textual, exegetical, and historical studies related to the NT. As the heirs of the sacrificial work of others who have given their lives to preserving, copying, and studying the manuscripts and printed text of the NT, the CNTTS represents an NOBTS effort to contribute responsibly to that work. NOBTS is stepping forward to meet the challenge of past generations and needs of the present and future generations for research of the highest quality on the wording of our Greek NT and the history of its transmission.

Research focuses on a variety of topics related to the NT Greek manuscripts, collaboration with projects on an international level, work with the National Museum of the Bible's Scholars Initiative, and the training of students in the field. The Center released the world's first searchable electronic database that is substantially comprehensive on the readings in the Greek NT manuscripts, with that module currently available in Accordance, BibleWorks, and Logos software programs. Also, the iPhone, iPad, and Android app "New Testament Greek Manuscripts" produced by the Center is available in the respective App sites. Other research projects are underway as well as worldwide collaborative projects in which the Center participates. The H. Milton Haggard Center for New Testament Textual Studies has grown to become one of the largest research settings in North America for the study of the text of the NT in the Greek manuscripts.

Some grants and fellowships are available for students wishing to work in the field of NT textual studies, with PhD students having priority in the application process. A limited number of grants for visiting scholars are also available. Application forms for applying for these are available from the director.

To contact Dr. Warren concerning textual research and study opportunities or to obtain more information about the Center for New Testament Textual Studies, call Dr. Warren at 504.816.8190, send e-mail to wwarren@nobts.edu, or access the CNTTS website at www.nobts.edu/cntts.

Landrum P. Leavell II Center for Evangelism & Church Health

**Directed by Dr. Preston L. Nix
Associate Director, Dr. Bill Day**

A recent study by Dr. Bill Day showed that 89% of SBC churches are not experiencing healthy church growth. Most new members in Baptist churches are from someone else's church, and most churches have no clearly defined strategy for making disciples by moving unsaved and unchurched people through conversion to the image of Jesus Christ.

The Leavell Center for Evangelism and Church Health, as a ministry of New Orleans Baptist Theological Seminary, seeks to be informed by such statistics, looks to the LORD of the Church for His expectations, then faithfully seeks to make a difference through evangelism, church growth, and church health strategies.

New Orleans Baptist Theological Seminary operates the Leavell Center for Evangelism and Church Health, the first facility of its kind in the Southern Baptist Convention.

Named for our seventh president, Dr. Landrum P. Leavell II, the Leavell Center exists as the Seminary's ministry to churches, agencies, and institutions of the Southern Baptist Convention. Our purpose is to assist Southern Baptist churches, agencies, and institutions in the development and implementation of strategies for effective evangelism and measurable church growth.

Assisting churches in the development of a customized program of evangelistic outreach is central to the ministry of the Leavell Center. Using the latest in computer technology, the Leavell Center, for a nominal fee, can access data from the U.S. Census Bureau for any community within the United States. This information, when interpreted by the Leavell Center's team of church growth analysts, will yield a demographic and psychographic profile helpful in developing a customized strategy of evangelistic outreach for a local church and in identifying evangelistic methodologies which will prove helpful in reaching a specific community for Christ.

A ten-year analysis of a church's growth patterns can also be prepared, and both reports can be produced as a PowerPoint for multimedia presentations or a customized CD-ROM presentation complete with audio interpretation. Students currently enrolled in New Orleans Seminary receive a discount on most Leavell Center services.

Each year, the Leavell Center conducts conferences and think tanks dealing with church revitalization and effective evangelism. The participants include students, pastors, and other local church leaders.

One of the primary goals of the Leavell Center for Evangelism and Church Health is to motivate and equip students to fulfill the Great Commission. To prepare students for a lifetime of Great Commission service, the Leavell Center, in conjunction with the faculty of the Seminary, is constantly developing evangelistic mission projects in which our students participate. We call these evangelistic ministries Great Commission Projects.

For more information about the Leavell Center for Evangelism and Church Health, its programs, services, or calendar of events, contact the Leavell Center at 504.816.8820 or visit us on the Internet at www.leavellcenter.com.

Leeke Magee Center for Christian Counseling

Directed by Dr. Jeffery Nave

The Leeke Magee Christian Counseling Center, opened in August 2014, serves as a resource for NOBTS students and people in the surrounding neighborhoods, and the greater New Orleans area. The counseling center, a counselor training center, also provides NOBTS counseling students with an opportunity to complete their clinical practice hours.

The Leeke Magee Christian Counseling Center bears the name of Leeke Magee, a Louisiana Baptist and NOBTS supporter who died in 2013. Before his death, Magee named the seminary in his estate plan, providing funds to renovate the former William Carey University nursing building on the NOBTS campus into a counseling center.

The counseling program at NOBTS provides the educational background needed to achieve state licensure for Licensed Professional Counselors and Licensed Marriage and Family Therapists.

Graduates of the counseling programs serve as church-based counselors, as well as in secular agencies, hospitals, nonprofit organizations, and private Christian and secular counseling agencies in order to minister to those inside and outside the church. Christian counseling is a wonderful opportunity to provide salt and light to our surrounding community.

Counselors at the Leeke Magee Christian Counseling Center use an array of biblical, evidenced-based counseling methods to help individuals, couples and families to deal with life issues in order that they may become all that God has created them to be. Counselors at the Leeke Magee Christian Counseling Center complete around 650 hours of counseling a month.

For more information about the Leeke Magee Christian Counseling Center, its programs, services, or calendar of events, contact Dr. Jeffery Nave at 504.816.8306.

Michael & Sara Moskau Institute of Archeology Center for Archaeological Research

Executive Director, Dr. James O. Parker

Co-Directed by Dr. R. Dennis Cole and Dr. Daniel A. Warner

The Center for Archaeological Research serves to encourage the scholarly development and research of the seminary faculty and to train and inspire a new generation of biblical scholars to engage in current research in the disciplines of biblical archaeology and biblical studies. The Center for Archaeological Research was established as a Southern Baptist effort to provide a presence in the field and impact the discipline of biblical archaeology.

New Orleans Baptist Theological Seminary has a long history of involvement in Biblical Archaeology. For over half a century, seminary professors have served as directors and field supervisors for students who have participated in various archaeological research and field schools such as Aphek, Beersheba, Tel Masos, Batash-Timnah, Tel Qasile, Tel Beth Shean, and Tel Rehov. In addition, NOBTS has been a consortium member at Tel Aphek and Tel Batash. The current director brings a wealth of experience and direction to the archaeology program at NOBTS.

The seminary offers a variety of concentrations and minors related to the field of archaeology. A concentration in Biblical Backgrounds is available with the MDiv in Biblical Studies and the MA (Biblical Studies). A minor in the field is offered through the ThM degree, and a PhD minor is available with five doctoral seminars offered in the area.

Currently, the Center for Archaeological Research is participating in the Tel Hadid Expedition where it has been involved in excavation structures dating to Iron II and the Exile. In the Summer 2010, NOBTS began excavating the ancient water system of Gezer in conjunction with the National Parks Authority of Israel, and the excavation work concluded after the 2018 season. The Moskau Institute is currently working toward publishing the findings the excavation.

The center supports the field training at Tel Hadid, providing students with an opportunity to participate in scholarly research, participate in an overseas study program, and visit the Lands of the Bible. The Center will also develop and provide resources for students who are in Biblical Studies, Bible Backgrounds, and Archaeology programs at the seminary.

Museum of the Bible and Archaeology

The Center for Archaeological Research now holds the collection of artifacts from the archaeology museum formerly housed at the John T. Christian Library. This collection with the various artifact study collections of faculty will be the basis for the program's artifact study collection. In addition, an extensive collection of maps, digital images, slides, and videos is also a part of the seminary's archaeological holdings.

PLC serves as the continuing education, conference planning, and coordinating ministry of New Orleans Baptist Theological Seminary.

A wide variety of conferences, seminars, workshops, and other special events are offered that focus on the current needs and concerns of church ministry leaders, seminary students, and NOBTS alumni. Qualified and experienced faculty members and other Christian leaders are selected to present practical, relevant continuing education opportunities that emphasize doctrinal integrity, spiritual vitality, mission focus, characteristic excellence, and servant leadership. Continuing Education Units (CEUs) are offered to those individuals who complete full participation requirements in these continuing education events.

Customizing a group's mission trip involves coordinating their mission project sites, mission site orientation, housing, meals, and worship opportunities.

By allowing MissionLab to coordinate these logistics, incoming mission groups are able to invest more time and energy in the physical, mental, and spiritual health of the communities they minister in throughout the Greater New Orleans area. MissionLab desires to be a catalyst for life change for both the residents of New Orleans and the incoming mission groups. MissionLab New Orleans will host over 2,000 missionaries throughout this year!

Mission

The mission of the Church Music Ministries is to develop excellence in Kingdom-minded music and worship leaders. The resources of the programs are committed to assist persons who have responded to a divine call to minister and are attempting to fulfill educational and professional goals preparatory to ministry in the local church, teaching, or denominational service.

General objectives of the Church Music Ministries are:

1. to prepare competent Christian workers for ministry through music;
2. to offer a well-defined program of education in church music and worship ministries; and (3) to develop a genuine involvement in and an understanding of the total ministry of the local church.

Historical Background

In September 1919, the department of music at Baptist Bible Institute was begun by E. O. Sellers.

In 1953 the department became the School of Sacred Music. The title was changed to the School of Church Music in 1960 and to the Division of Church Music Ministries in 1972. Since its inception this division of the seminary has been dedicated to providing instruction in a broad field of musical study, which enables the student to render more effective Christian service. In 2020, the Church Music Ministries joined the division of Church Ministry and continues to offer a range of National Association School of Music (NASM) degrees and worship degrees.

Musical Activities

These groups are open to the seminary community. Previous choral or instrumental experience is recommended. An audition may be required for some of the following groups.

The Seminary Chorus. This choir of men and women combines with community singers to perform major choral works, sections of major choral works, or exemplary sacred choral anthems. Orchestral accompaniment is a regular part of these concerts.

NOBTS Singers. This choir of men and women represents the Seminary at significant seminary events, through church presentations, and at regional events depending on requests and needs in a given year. The group also reflects the vibrant Southern Baptist traditions of worship choirs and anthem presentations, serving as an equipping tool for the continuation of such ministries.

In addition to campus opportunities in the programs of the Church Music Ministries, the city of New Orleans affords students a rare musical laboratory. Experience can be gained both as a listener and as a performer. The Louisiana Philharmonic Orchestra sponsors an orchestral series, and The New Orleans Opera Guild sponsors an opera series. Student discount tickets are available.

Music students are encouraged to accept worship positions while in seminary. Most students in this program who desire to serve local churches while attending seminary have found ministry positions during their time in the degree program. It is believed that involvement as music and worship leaders in churches gives students a practical outlet for what they experience in the seminary classroom.

The Church Music Program encourages participation in the following professional societies:

American Choral Directors Association. A student chapter of this national professional organization for choral conductors was organized in 1984. (See Dr. Woodward.)

The Hymn Society in the United States and Canada. The first student chapter affiliated with the Hymn Society in United States and Canada was formed in 1966 at New Orleans Baptist Theological Seminary. This organization is open to all interested students. (See Dr. Steele.)

Baptist Church Music Conference. This chapter seeks to familiarize the student with the national organization of Southern Baptist church musicians and provides information, fellowship, and exchange of ideas during the student's seminary tenure. (See Dr. Steele.)

Musical Resources

Sellers Music Building. The E. O. Sellers Music Building was built during 1952-53 and contains one large classroom, one small classroom, nine individual teaching studios, a recital/rehearsal hall, twelve individual practice rooms, a conference room, a Music Education Resource Center, a choral/instrumental music library, a conducting lab, a music/computer laboratory, a keyboard laboratory, and Church Music Ministries offices.

Leavell Chapel Organ. This 83-rank instrument was designed and constructed by the A. E. Schlueter Pipe Organ Company of Lithonia, Georgia, and was completed in May, 2008.

Sellers Recital Hall Organ. This 33-rank instrument was designed and constructed by the A. E. Schlueter Pipe Organ Company of Lithonia, Georgia, and was completed in May, 2007.

Placement Examinations

A student admitted to the institution to study for the Master of Music in Church Music (MMCM) or the Master of Divinity with a specialization in Church Music (MDivCM) degree must take a series of examinations at the beginning of the student's first semester in order to determine the level of undergraduate music proficiency. The results of the examinations will assist the faculty in determining the courses that may be required to remove undergraduate level deficiencies. These examinations are given the week of preceding the first full week of study. Music placement examinations and performance auditions cover the following areas:

- Music Theory – harmony, ear training, form and analysis, and counterpoint
- Music History – literature (choral, solo vocal, instrumental), composers, and important facts of all periods. This examination also includes a listening component.
- Worship Arranging/Orchestration

Students who have completed a NASM accredited music degree and have completed at least 2 hours with a grade of C or higher in arranging or orchestration will not be required to take the worship arranging placement exam. If a transcript review and/or course description evaluation does not reveal an acceptable substitution for worship arranging, the student may be required to take the proficiency exam.

Detailed information concerning these examinations may be obtained from the Church Music Ministries Office.

All deficiencies must be completed before a student may take comprehensive examinations.

Jury Review

A faculty jury review is required of all students enrolled in the following graduate applied courses (voice, organ, piano, or orchestral instruments), except for students who present a graduate recital (or undergraduate proficiency recital) in that semester. Jury examinations are held at the end of each semester. Applied courses offered in the summer may not require jury review.

Church Music Competencies

The 21st century music and worship leader needs to obtain a range of musical competencies. The NOBTS Church Music Ministries program has determined four categories of essential musical competencies for those called to serve Southern Baptist churches: Voice, Piano, Conducting, and Worship Band. These competencies may be demonstrated through a Proficiency Exam or by taking a graduate level class. For those who are able to pass one or more proficiencies through a proficiency test, other programs of Church Music Ministries graduate courses may be substituted to fulfill the total degree hour requirements. The student may also audition to pursue an area of study recital. See accelerated MMCM/MDCM below for opportunities for advanced credit.

Audition/Application for Area of Study

The MMCM student must apply to the Chair of the Division of Church Music Ministries for admission to candidacy in an area, or areas, of study. The student may obtain forms entitled "Application to Candidacy and Area(s) of Study" from the Music Office. The NOBTS Church Music Ministries has approval through the National Association of Schools of Music (NASM) for the following Areas of Study: Composition, Conducting, Church Music Education, Orchestral Instruments, Organ, Piano, Voice, and Worship/Hymnology. These areas of study are recognized by NASM as concentrations. For detailed information consult the Music Student Handbook.

Admission to the candidacy and an area, or areas, of study is contingent upon the following:

- Removal of all undergraduate course requirements

Note: Performance area (Voice, Organ, Piano, Orchestral Instrument) auditions must be scheduled during jury reviews at the end of each semester.

Composition. The student must submit works in at least two musical media representing the strength of the student's compositional style.

Conducting. Students may make application for the conducting area of study during the classes, Advanced Conducting or Private Conducting. Details of the audition requirements may be found in the Music Student Handbook.

Church Music Education. The student must write a brief summary of church music education study and experience. In addition, the student will propose several topics for a culminating project.

Orchestral Instrument. The student should be prepared to perform a fifteen-minute recital consisting of literature from at least two different style periods. A portion of the recital must be performed from memory. Memory requirements will be determined on an individual basis by the instructor based upon goals and objectives for the student and his or her level of proficiency.

Organ. The student should be prepared to perform a fifteen-minute recital consisting of literature from at least three different style periods. A portion of the recital must be performed from memory. Memory requirements will be determined on an individual basis by the instructor based upon goals and objectives for the student and his or her level of proficiency.

Piano. The student should be prepared to perform, from memory, a fifteen-minute jury consisting of literature from at least three different style periods.

Voice. The student should be prepared to perform, from memory, a total of four songs, one each in French, German, Italian, and English. The songs should reflect the Baroque, Classic, Romantic, and twentieth-century periods. Genres represented should include oratorio, opera, and art song.

Worship/Hymnology. The student must write a brief summary of worship/hymnology study and experience. In addition, the student will propose several topics for a culminating project.

Note: Some areas of study may require completion of application elements before passage of remedial elements based on Placement Exams or missing undergraduate work. In this manner students may be reasonably assured that they are on track to complete elements in a given concentration.

Performance Regulations

Students studying performance must observe the following regulations:

- Performance lesson fees will not be refunded after the close of registration.
- Lessons missed shall be made up under the following circumstances:
 - a. absence of the teacher; and
 - b. illness of the student. (When the teacher is notified in advance of the scheduled lesson time, the student must initiate the scheduling of make up lessons.)
- All students enrolled in applied music courses are required to attend studio recitals if required to do so by applied music instructors.
- All students giving a recital must be enrolled in the corresponding applied performance course during the semester in which the recital is to be presented.
- Students should refer to the Music Student Handbook for General Recital performance requirements.

Comprehensive Examination

- All MMCM and MDivCM students must take the written Comprehensive Examination during their last semester of study. The Examination focuses on the MMCM/MDivCM Program Outcomes.
- In addition to the Comprehensive Examination, the student must address a program outcome with a portfolio performance project. This project requires the student to demonstrate competence by video in two of the three following areas: voice, piano, and/or conducting. This portfolio performance project fulfills the NASM requirement for a summative project.
- Students must register for MUSS6001 Comprehensive Examination at the beginning of the semester in which they will take the Examination.
- At least two music faculty members will evaluate each question to determine a grade of pass, or fail on each question. The student may fail to pass up to one section of the test and still pass the exam. For the music theory and worship history sections, multiple choice questions will be evaluated in conjunction with essay questions to determine if the student passed these sections.
- If a student fails the Examination, his or her committee will meet to discuss the nature of the failure and to recommend one of three courses of action:
 - a. an oral examination to be taken within two weeks of notification of failure;
 - b. a written examination in a later semester; or
 - c. additional course work and a written examination in a later semester. The Comprehensive Examination may be retaken only one time.

Graduate Recital

Students who are approved for the following areas of study in addition to their pursuit of a standard MMCM are required to present a Graduate Recital - Composition, Conducting, Orchestral Instrument, Organ, Piano, or Voice. A recital hearing, scheduled at least two weeks prior to the proposed recital date, is required. (Conducting students may request a hearing one-week prior to recital.) Students who present recitals are responsible for all costs incurred. Additional information concerning recitals is available in the Music Student Handbook.

Academic Probation

If at the end of any semester an MMCM student has failed to earn a grade average of “B” in graduate music courses, the student will be placed on probation for one semester. If the student’s average is raised to “B,” the student will be removed from probationary status. If a student’s average falls below “B” for two successive semesters, the student may be either reclassified or suspended.

Guidelines for Distance Classes

Students who wish to take hybrid or online courses must be reasonably experienced with online interaction, including some experience with online searches and various forms of online communication. A person with limited experience in using a computer online would likely struggle in a hybrid or online music course without a significant amount of time being committed to increasing online interaction competency in addition to course requirements. Regarding academic and technical support services for distance learning, the instructor for the course is the provider of academic information for hybrid and online courses. Most academic information is provided through the Blackboard mechanism of delivery, which is used for hybrid and online courses. However, the instructor is available to answer questions through e-mail or other forms of communication as provided by the instructor (e.g., discussion board). The instructor also may be contacted for technical issues, but the NOBTS Information Technology Center oversees all Blackboard course offerings, and an ITC employee is available for student inquiries related to Blackboard technical issues. Furthermore, as a leading Online Management System, Blackboard provides a good deal of help through tutorials.

Transfer of Credit

For music courses, a grade of C or above from a NASM school is accepted if the course is determined to be substantially parallel to the offerings of NOBTS and fulfills the requirements of the relevant degree plan. Courses which do not fulfill the requirements of the degree being sought cannot be transferred in relationship to an NOBTS degree. Courses from schools not accredited by NASM will be reviewed by the Associate Dean and Graduate Dean on a case-by-case basis.

Message from the Dean of Leavell College

Greetings! I am thankful you are taking the opportunity to explore what God is doing at Leavell College. For twenty-five years, I have had the opportunity to be a part of the Leavell College faculty; for eighteen of those years, I have had the opportunity to serve as the Dean. During these years at Leavell College of New Orleans Baptist Theological Seminary, many changes have taken place, but many things have remained consistent. Our foundational understanding of the classroom is unchanged. We believe that the classroom (whether it is in a physical location or online) is a sacred place where God intervenes in all of our lives as we are being conformed to His image and for His usefulness. Our commitment to utilizing the teaching opportunity to prepare students for ministry in the present and to prepare students for graduate work remains unchanged. We teach with the purpose that we are striving for effectiveness in ministry in the local church. Our doctrinal foundation is unchanged. We not only subscribe to the Baptist Faith and Message 2000 as a doctrinal statement for our teaching, but we are confident that this statement is also a reflection of our personal beliefs.

Another matter that remains unchanged is God's continued blessing in and through Leavell College. Each of God's workings is a further confirmation of His taking pleasure in the ministry of Leavell College - and that is our goal. We desire for God to find pleasure in our lives and in our ministries. Note these blessings from God:

First, the lives of students are being impacted. The commitment of the faculty of Leavell College is to be used by God to encourage and shape lives that can be used for effective ministry. We consider it a great privilege to be instruments God uses and also a privilege to see growth in our students. This growth is intellectual as courses and degrees are completed. But more importantly, the growth is in a deeper relationship with Christ as students are challenged through their encounters in class, encounters with other students, and encounters with the Leavell College faculty on a personal basis.

Second, God continues to build a strong faculty for Leavell College. The faculty is made up of men and women who are first and foremost committed to their individual walk with Christ and to living lives of integrity. I commend to you each faculty member because of his or her demonstrated faithfulness both in the classroom and out of the classroom. We as a faculty are committed to providing a blend of theoretical and practical education. Also, we believe that modeling in our lives the concepts that we are conveying in the classroom enhances our teaching. Actually, we believe that modeling the very concepts we are teaching is an absolute necessity. All of the faculty are involved in local church ministries as well because we believe without question that God has a great plan for the local church.

Third, the graduates of Leavell College are making an impact. I hear from our graduates on a regular basis, and these graduates are planted all over the world in many different types of positions. Some of our graduates serve in local churches, some in mission settings scattered around the US and the world, and some are serving in convention agencies. But they all have one goal to lead others to a relationship with Christ that is growing and life changing. They are relating incidences of God's moving through their ministries as lives are being changed.

So, I encourage you to join us on the journey at Leavell College and to allow God to use the time while you are at Leavell College to continue to work within you to make you the person He desires. If we can be of further help in answering any questions or in praying with you, please contact us at 1-800-662-8701, ext. 8590 or 504-816-8590. You may also email me at tstrong@nobts.edu.

On the journey,
L. Thomas Strong III, Ph.D.
Dean, Leavell College
Professor of New Testament and Greek

Degree Overview

The Leavell College curriculum is based upon eight competencies:

- Biblical Exposition
- Christian Heritage
- Servant Leadership
- Interpersonal Relationships
- Spiritual and Character Formation
- Disciple Making
- Worship Leadership
- General Education

These competencies serve as the basis for effective ministry whether in the local church or on a denominational level. Our mission at Leavell College is to prepare students for current ministry and for furthering their education at the graduate level. We strive to prepare students to walk with God, proclaim His truth, and fulfill His mission. Leavell College requires students to complete 30 semester hours in a general education core. The general education competencies should thus be understood as a process whereby students attain certain proficiencies as they progress through the general education core. More specifically, students earning an associate's degree or a bachelor's degree at Leavell College must achieve the following general education competencies:

- Critical Thinking—Students will develop the ability to recognize, analyze, critique, and synthesize arguments.
- Oral Communication—Students will develop and deliver oral presentations clearly and effectively across a variety of contexts.
- Written Communication—Students will communicate effectively in writing across a variety of contexts.
- Quantitative Reasoning—Students will apply logical and analytical reasoning to the solution of real-world problems. These competencies more specifically address the purposes of the general education program at Leavell College. They also support the mission of Leavell College and the New Orleans Baptist Theological Seminary.

To assess growth in the general education competencies, all entering students will take the ETS Proficiency Profile (EPP), a proctored, standardized exam. Then upon graduation, students will take the EPP again to determine their growth in the competencies. Students will take the EPP in person at one of our campuses or online using the online proctoring service ProctorU. (An additional fee, paid directly to ProctorU, will be incurred by students who chose to take the online version of the EPP.)

Bachelor of Arts Degree Overview

The foundational degree at Leavell College is the Bachelor of Arts (BA). The degree requires 121 semester hours to complete. Included in this degree is a General Education component of 30 hours. The purpose of the courses in the General Education core is to provide students with the knowledge and skills needed to achieve the four general education competencies. A 19-hour Christian Foundation core, required of all BA students, includes a variety of courses designed to provide students with a knowledge of Christian principles expected of those graduating from a Bible college. With the exception of students majoring in music with an emphasis in worship, students earning a BA will choose a major comprised of 24 hours of major-specific courses. The music major is comprised of 42 hours of music-specific courses. All BA students choose one 18-hour minor. Music students have 12 hours of free electives, while students in all other majors have 30 hours of free electives, enabling them to select courses they desire to round out their BA degree. Students who complete the BA also are prepared to participate in the Accelerated MDiv program at NOBTS.

Associate of Arts in Christian Ministry

The Associate of Arts in Christian Ministry is a 70-semester hour degree that serves as a basis for the BACM degree. A student may choose to take this degree in order to receive a basic level of education based upon the competencies outlined in the BACM degree or to complete an intermediate degree which will allow one to continue work toward a baccalaureate degree. The Associate of Arts in Christian Ministry consists of 24 semester hours of General Education courses, 19 semester hours of Christian Foundation courses, 18 semester hours of Christian Ministry courses, and 9 hours of free electives. Students are not required to complete the Associate of Arts in Christian Ministry before pursuing the BACM degree, though some may choose to do so.

Diploma of Christian Ministry

The Diploma in Christian Ministry is designed to prepare students for ministry in the local church. This degree is composed of 48 semester hours. Included in this particular degree is the study of biblical interpretation, pastoral ministry, church organization and administration, as well as personal spiritual growth. Students who have not completed a high school diploma or its equivalent are eligible to apply for the DCS. All other requirements are the same as that of the degree program requirements.

Leavell College Certificates

The Leavell College Certificates provide students the opportunity to experience Leavell College basic level work while earning a certificate of completion. The courses successfully completed for the certificate can be transferred into either the Associate of Arts in Christian Ministry or the Bachelor of Arts in Christian Ministry. Each certificate is composed of six courses with each course being a three-semester hour course. These courses are offered online, as well as on campus and at the extension centers. In order to be a part of the Leavell College Certificate program, a student must have a high school diploma or its equivalent and complete the online application, including the supporting documents.

Church Leadership Certificate Program

The Church Leadership Certificate Program grew out of a vision to prepare individuals for whatever task to which God has called them. The program is designed to address the need of ministry leadership by providing specialized, short-term training for church leaders. Each certificate is composed of courses totaling between 8 semester hours. The courses provide a biblical foundation for various ministries as well as practical applications. Students can request a transfer of credit hours from the certificate program into a degree program.

Degree Requirements

A Note Regarding Degree Requirements On the following pages, the course requirements for each of the degrees are listed. Special attention should be given to the numbering system and to the prerequisites. The courses are numbered with the more basic courses being numbered as 1000 or 2000 level courses. These courses should be taken near the beginning of a student's tenure at college. Upper level courses often have prerequisites that must be completed before a student can take the course for credit. (See course descriptions.)

Prospective students can seek assistance from a Leavell College faculty member in the selection of a degree program. Current students can seek academic advising from Leavell College faculty or from lcadminasst@nobts.edu. The Leavell College faculty member can also help with the process of the transfer of earned hours from an accredited institution.

Degree Completion Plan for Students with an Associate Degree

A student qualifies for the degree completion plan, if he or she has earned:

- an associate degree from Leavell College
- an associate degree from another accredited institution,
- hours towards a degree from an accredited institution.

Students who have completed an associate degree from another institution or who have earned academic hours at another institution should contact the Leavell College office for advising for a plan individually tailored for the purpose of moving towards the completion of the degree. This plan may include courses taken on-campus, online, at an extension center, or at specialized intensives. The faculty member will work with each person to develop a plan that best meets the life situation of the student.

Thrive Ministry Wives Certificate

Thrive: A Ministry Wives Certificate Program

Mission Statement

Thrive: A Ministry Wives Certificate prepares ministry wives for gospel ministry in their families, churches and communities.

Description of Program

Thrive classes will merge biblical instruction and practical application in an academic, discipleship setting with faculty wives and fellow students. Thrive students will learn how to walk with God, proclaim His truth, and fulfill His mission wherever God will call them to serve. It is our desire that our ministry wives will not only survive in ministry, but that they will Thrive.

Certificate Requirements

This certificate is offered as an academic program through Leavell College. To complete Thrive: A Ministry Wives Certificate, each student must complete the 8 required courses, each of which is worth one credit hour. Since these are offered every 8-weeks, on a rotating schedule, a student will be able to complete two courses per semester and the entire 8 credit hour certificate in 2 years. Once a student has completed all 8 courses, she is eligible to graduate during the December or May graduation ceremony and will receive her certificate.

Types of Courses

Thrive classes will be offered every eight weeks during the semester in two distinct formats:

1. On-campus classes: These classes are offered on Tuesday nights from 6:30-8:30 pm on the New Orleans campus. Childcare is provided for children 6 weeks - 8 years old in the Early Learning Center on campus.
2. Online classes: These classes will run simultaneously with the on-campus classes, but are offered in a NOLA2U Flex/online format for (a) wives already serving in ministries not local to the New Orleans area and/or married to online students, (b) student wives in our extension centers, or (c) on-campus students who are unable to attend on Tuesday

nights due to work, church, or family conflicts.

Enrollment

Thrive classes are offered through Leavell College for academic credit and can be transferred as electives into other degree programs. Therefore, each ministry wife student must enroll by (1) filling out a Thrive application, (2) submitting a copy of her high school diploma or an official copy of college transcript, (3) submitting a background check, and (4) meeting Louisiana immunization requirements (for on-campus students only).

Course Schedule

	FALL		SPRING	
	Term 1	Term 2	Term 1	Term 2
Year 1	A	B	C	D
Year 2	E	F	G	H

As Thrive: A Ministry Wives' Certificate Program grows, we hope to be able to offer a minimum of two classes per night, to accommodate both new and returning students in appropriate sized classes. (Only one of the classes per term will be offered in the NOLA2U format, unless our online population exceeds the class limit.) To accommodate more students as the program grows, class A* will be offered during Term 1 of both fall and spring semesters. In addition, A & E will be offered simultaneously during the Fall of Year 1 and Year 2, B & F will be offered simultaneously in the Fall of Year 1 and Year 2, etc.

In addition, all classes will follow the same nightly schedule, with a designated fellowship time for all the ladies from the different classes to mingle and visit during the bathroom break:

- 6:30 pm- Classes begin
- 7:20-7:40- Bathroom and coffee break
- 8:30- Classes dismiss

Accelerated Programs of Study

Accelerated MDiv Program

Directed by Dr. Jonathan Patterson

Leavell College students who wish to pursue a graduate degree after graduation may be eligible to receive credit through the Accelerated MDiv program. The Accelerated MDiv helps qualified students earn their degree at a faster pace, while saving money in the process. In order to qualify, Leavell College graduates must be no more than five years removed from their baccalaureate graduation and have earned at least a B in the equivalent courses.

Qualifying students have the opportunity to earn up to 25% of their MDiv for free through the Accelerated MDiv program. For example, a student seeking a standard 84-hour MDiv may be eligible to receive up to 21 hours of credit toward that degree through the Accelerated MDiv program. Thus, qualified students could earn their MDiv in less time and at a significant savings. Leavell College students are encouraged to contact the Accelerated MDiv office prior to graduation in order to determine their qualifications through the program. Students who contact the Accelerated MDiv office prior to their senior year may also receive advising to help maximize their benefit through the program.

How Do I Apply?

The Accelerated MDiv is not a new degree program and requires no special registration process. Students will declare their major through the Registrar's office and contact the Accelerated MDiv office for a transcript evaluation. In addition, students must submit a graded research paper to the Accelerated MDiv office or write a new paper demonstrating ability in research and writing; Leavell College students are encouraged to send their graded Senior Seminar papers but any research paper of adequate length will suffice. The student's transcript will be evaluated to determine what credits he/she is eligible to receive through the program and the student will receive a record of these classes, up to 25% of the student's selected degree program. Many Leavell College students are likely to qualify for more than 25% of their degree program, in which case the student will need to work with the Accelerated MDiv office to select the courses for advanced standing.

How Do I Receive These Credits?

Qualifying credits will be added to the student's transcript only after the student has applied and been approved for graduation from the Master's program. No fees are associated with the program, so students will not have to pay anything to receive these credits. However, students will need to keep track of these credits throughout their graduate degree program in order to ensure they do not repeat courses and/or have completed all other necessary courses before applying for graduation. While the Accelerated MDiv office will keep a record of all student qualifications, evaluation and approval for graduation is handled through the NOBTS Registrar's office alone.

What Courses Are Available Through the Accelerated MDiv Program?

Currently, the Accelerated MDiv program offers qualifications for a number of courses at NOBTS and more courses may be added in the future. We encourage students to ask about any new courses that may have been added. To qualify for credit, students must have completed equivalent courses at the undergraduate level with a grade of B or better. While most of qualifications for the Accelerated MDiv require three equivalent hours, qualification for New Testament, Old Testament, and Systematic Theology require at least six hours at the undergraduate level. Below is a current list of courses available through the Accelerated MDiv and the necessary Leavell College course(s) for qualification:

For every six hours of undergraduate credit in Greek or Hebrew (with a B or better), students may qualify to proceed into the next logical class. Students who bypass language courses must earn a B or better in the course they take at NOBTS in order to receive credit for the bypassed course(s); the student will then pay 1/3 tuition cost for the bypassed course(s). Leavell College graduates may qualify for advanced placement based on the following:

Accelerated BA + MDiv

Directed by Dr. Charlie Ray, III

The Accelerated BA + MDiv is designed to prepare pastors to stand firm on the truth of God's Word through a concentrated five-year program, dedicated to producing God-called, biblically-equipped church leaders. In just five years, students will earn their bachelor's and master's degrees; they will be mentored by seminary faculty and other ministry leaders; they will form lasting relationships with other future pastors; and they will learn to be wise stewards of the resources God has given them. The program is designed for students to finish their BA in 3 years by taking an accelerated load of classes and then to finish the MDiv in two years by taking advantage of the Accelerated MDiv program.

Students accepted into the program will be required to attend monthly meetings that focus on financial stewardship, a biblical philosophy of ministry, connecting with other future pastors, and learning from pastors already serving in the field. Students will also be required to take at least one mentoring class each year they are in the program.

Applicants for the program must be 18-21 years old and sense a call to pastor churches in the United States after graduation. Since the program meetings will be held at the main campus in New Orleans, applicants must either be on-campus students or be able to commute to New Orleans for these monthly meetings. Candidates for this program must also be willing to devote themselves to an intense time of theological study in order to complete the accelerated program in 5 years. Those interested in the Accelerated BA + MDiv will be interviewed by the Program Director before being accepted into the program.

Through the Accelerated BA + MDiv program future pastors will be sent out to the field faster, saving both time and money. This direct path to the place of their calling is not a short-cut but an intensified time of preparation. Students will be prepared both inside and outside the classroom for the calling God has placed on their lives. The goal of the Accelerated BA + MDiv is to train the next generation of pastors and to send them out equipped, connected, and ready for ministry.

For more information about the Accelerated BA + MDiv, call 1-800-NOBTS-01 ext. 8073, email crayiii@nobts.edu, or visit the program's website at www.nobts.edu/ba-mdiv.

Accelerated MMCM

Directed by Dr. Greg Woodward

The Church Music Division is proposing that students from Baptist College and Universities that have NASM accreditation be granted credit for the accelerated MDIV courses that align with the MMCM or MDiv in Church Music and the following courses unique to the Church Music portion of the MMCM or MDivCM:

1. Keyboard Competency in Church Music--2 Hours (i.e., most NASM schools have a keyboard proficiency test; although a particular school's test may not be identical to the NOBTS piano proficiency, the Church Music Division is willing to grant credit if the school is NASM accredited),
2. Private Voice--3 Hours (i.e., many students entering our MMCM have completed a voice recital at the undergraduate level; a student who does not have a voice recital would likely not be able to receive credit unless a transcript or correspondence with a school verifies vocal competence),
3. Worship Band Leadership--1 hour (Some Baptist College and Universities have a worship band class; a course description of an undergrad class could be submitted to the Church Music Division for review in terms of eligibility for credit). Additionally, a student who desires to pursue an MDiv in Church Music would be eligible for credit for the complete list of "Accelerated MDiv" courses, as well as the particular Church Music courses outlined above.

Accelerated MMCM

The student who might be interested in receiving credit for an Accelerated MMCM or MDiv in Church Music could receive up to 25% of the degree in advanced standing (12 hours of credit (in the current 49 hour MMCM) among the following courses: *[see following chart]*

Dual Enrollment

Dual Enrollment

Purposes of the Dual Enrollment Program

As part of its mission to prepare servants to walk with Christ, proclaim His truth, and fulfill His mission, Leavell College is offering the Leavell College Dual Enrollment Program. Approved students are eligible to take up to six credit hours each semester and may earn up to twenty-four hours of college credit through the program.

The Dual Enrollment Program allows qualified juniors and seniors to

- Enroll in college courses while still in high school
- Earn both high school and college-level credit
- Eliminate unnecessary duplication of courses taken in high school and college
- Shorten the length of time required to complete a college degree
- Reduce the cost of a college degree; and
- Enjoy an early college experience.

Eligibility Requirements

Students seeking admission to the Leavell College Dual Enrollment Program must meet the following requirements:

- Be currently enrolled in high school and show proof of completion of the sophomore year or its homeschool equivalent
- Be at least 16 years of age

- Complete and submit the application for non-degree seeking students at Leavell College

Optional:

- ACT/SAT scores (if taken) for placement purposes

Important Terms of Application

Students and their parents/guardians should understand the following application terms:

- Acceptance as a non-degree student does not guarantee regular acceptance as a degree-seeking student.
- Applicable courses may not be offered every semester.
- The student must maintain a GPA of 2.0 in his or her Leavell College coursework in order to continue in the program.
- Leavell College complies with FERPA regulations. Thus, the college cannot share private and academic information with parents/guardians or high school/homeschool personnel unless the student has completed a FERPA waiver form granting Leavell College permission to share such information.
- Students desiring to earn more than the cap of twenty-four hours of credit must appeal in writing to the Dean of Leavell College. Additionally, students desiring to take courses not on the list of approved courses must appeal in writing to the Dean of Leavell College.

- Students are responsible to determine how courses taken through the Leavell College Dual Enrollment Program will transfer to other institutions or will be applied for high school/homeschool credit. Leavell College recommends that students verify transferability of credits prior to registering for dual enrollment courses.

Women's Ministry Program

Directed by Dr. Emily Dean

New Orleans Baptist Theological Seminary was the first Southern Baptist school to offer formal, specialized theological education in the area of women's ministry. Since its beginning in March 1997, this innovative program has increased in student enrollment and degree options. Its success is the result of growing interest in women's ministry, the need for pragmatic training in women's work, and increased leadership roles for women in the local church. God is preparing hundreds of women to minister to other women through their local churches.

Courses

The Women's Ministry Program offers short-term courses at the main NOBTS campus year-round during academic workshops. Courses are offered in a convenient three- or five-day class format, approximately five times each year. In addition, two courses are taught online each semester.

Course Schedule

A multi-year course schedule and description of courses may be obtained from New Orleans Baptist Theological Seminary. Students who have received at least a high school diploma or its equivalent may earn baccalaureate academic credit for these certificate courses; and graduate students can earn master's level credit.

Women's Ministry Certificate

The Women's Ministry Certificate prepares Christian women to lead women's ministries in local churches. Courses provide inspiration, information, instruction, and interaction for church staff, women's ministry directors, and lay leaders. Eight hours are required for completion.

Advanced Women's Ministry Certificate

The Advanced Women's Ministry Certificate provides additional training for leaders in the women's ministry of local churches who already have completed the Basic Women's Ministry Certificate. Courses offer interaction with other women's ministry leaders as well as supplemental instruction and church-based projects. Eight additional hours are required for the Advanced Women's Ministry Certificate.

For more information about the Women's Ministry Programs, phone 1-800-NOBTS-01, ext. 3334, or visit the website at www.nobts.edu.

Explanation of Course Descriptions

Courses have been labeled specifically in order to help the student determine the sequence and content of a course. Four letters and four numbers identify the courses. The first two letters, LC, designate the course as a Leavell College course. The last two letters designate the specific type of course. These letters are the abbreviations for the following:

LCBS	Biblical Studies
LCCF	Christian Foundation Core
LCCM	Christian Ministry
LCEM	Educational Ministries
LCGE	General Education Core
LCMC	Music Conducting
LCME	Music Education
LCMG	Music Groups (Ensembles)
LCMH	Music History
LCMI	Music Instrumental
LCMO	Music Organ
LCMP	Music Piano
LCMR	Music Recital
LCMT	Music Theory
LCMV	Music Voice
LCPC	Psychology and Counseling
LCPM	Pastoral Ministries
LCTH	Theology and History

Following the four letter abbreviations are four numbers.

- The first number refers to the level of the course. For example, a 1 is a freshman-level course whereas a 4 is a senior-level course.
- The second number indicates the number of semester hours that one receives for completing the course successfully.
- The last two digits are the course identifier.

Note the example Teaching Methods: LCEM2360. The course is a Leavell College course (LC) in Educational Ministries. The course is a second-year course (2) for three hours of credit (3). The course identifier is 60. When registering for or referring to courses, all letters and digits should be used.

The majority of courses taught by Leavell College are 3-hour courses. In the following list, the courses are alphabetized according to the course title. After the course title is the course identifier (four letters and four numbers). The course description contains a brief statement of course content and expected student learning.

Courses that are junior or senior level usually have prerequisites. These prerequisites are noted at the end of the course descriptions. The student is responsible for completing the prerequisites before registering for a course. The student should take care in scheduling to include all levels of prerequisites.

General Housing

Assignment of Seminary Housing

An application for seminary housing must be submitted to the Housing Office immediately upon receipt of a letter of approval from Leavell College. Assignments are made in order of receipt as space is available. A letter of assignment will be sent to the applicant once assignment is finalized.

Deposit

The following policies will govern deposits:

Dormitories. Upon receipt of the letter of assignment, the student will submit a non-refundable confirmation fee to confirm the reservation of the dormitory room. At check-in, the deposit (see fee schedule) is to be paid when the keys are received. This deposit will be refunded at the end of the student's residency in the dormitory, as long as proper check-out procedures are followed and no damage has occurred.

Apartments. Upon receipt of the letter of apartment assignment, the student will submit a non-refundable confirmation fee (see fee schedule) to confirm the reservation of the residence. The deposit (see fee schedule) is due when keys are received. A refundable portion may be given back to the resident upon move-out as long as proper check-out procedures are followed and no damage, painting, and/or wallpapering has occurred. Once a residence has been accepted, rent will begin on the date the residence is assigned to the applicant whether the keys have been obtained or not.

Priority of Assignment

Priority of apartment assignment is determined by the date the application is made, the date that the applicant has requested to move in, and the status of the student, prioritized in this order:

1. students who have completed at least one term,
2. students currently enrolled in their first term, and
3. students who have been approved for admission, but have not enrolled. On campus transfer requests may be accommodated after waiting lists are exhausted and availability allows.

A dependent other than a child will be considered as one child. No additional charge will be made in cases where the dependent is truly a dependent and not merely using seminary housing while earning a living or attending school, etc.

Qualifying hours for campus residency equal a minimum of 12 credit hours for Undergraduate students or a minimum of 9 credit hours for Graduate students in any course delivery format. Campus residents are encouraged to take as many in class courses as possible. Students who are not full-time students are not eligible for campus housing or financial aid. Students who register or drop courses that lowers them to below full-time status will be reported from the Registrar's Office to the Housing Office and the Financial Aid Office.

Academic intensive hours and Internet courses do not count toward qualifying status for financial aid, but do count towards qualifying hours for housing.

Laundry

Washer and dryer hookups are available in Oaks, Farnsworth, and Manor apartments. All other residents have access to laundry facilities in their respective complex. Campus laundry facilities are also available at the Courtyard Apartments.

Refrigerators

Utilities

Water for all apartments is furnished by the Seminary. Students occupying apartments where utilities are not furnished by the Seminary are required to arrange service for gas and electricity dealing directly with Entergy. It is the resident's responsibility to contact Entergy and have services connected in his or her name prior to move-in.

Phone

All student-housing units are provided with local phone service through the Seminary phone system. Telephone charges (local) are included with rent. Long-distance calls are billed through the Seminary phone systems. Any student on the Seminary system may elect to use a long distance calling card (refer all questions regarding this arrangement to telephone services at ext. 8599). Telephones are not provided in any campus housing units (including dormitories).

Farnsworth-only Pet Policy. The seminary has approved a one-year experiment permitting pets for residents of Farnsworth Apartments. Married staff and students are eligible for a Farnsworth apartment without regard to family size if they have a pet. Residents of Farnsworth with pets will pay a higher rate for rent and will be required to pay a \$200 non-refundable pet deposit in addition to the regular apartment deposit.

Dormitory Rooms

Dormitory rooms are provided for both men and women. This area of housing accommodates single students or married students whose families are not in residence with them at the Seminary.

Room assignments are made by the Housing Office after a student has been accepted by the Seminary and has submitted an application for housing. Specific room number assignments are made upon arrival. Room rental charges begin on the resident's requested move-in date, whether the keys have been obtained or not, and end when the keys are returned upon moving out. The room will be inspected for cleanliness and damages, and the deposit will be refunded/ forfeited based on this inspection. Rental payments must be made to the Business Office at the beginning of each calendar month.

The Seminary reserves the right to require that all dormitory rooms be semi-private in occupancy when the enrollment makes such occupancy necessary. Furniture may not be moved in or out of the rooms. Each room is equipped with two beds and desks, which must remain in the room; removal of these items will result in a forfeiture of deposit.
